7385. The Coyote Wash Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Butts Road, B334; (2) Copper Mill Road, B115; (3) Coyote Wash Road, B191; (4) East Coyote Ridge Road, B1121; (5) East Lisbon Spur Road, B357; (6) East Lisbon Valley Road, B359; (7) Egnar Cutoff Road, B356; (8) Island Mesa Road, B301; (9) Little Indian Canyon Road, B316; (10) North Old Highway, B335; (11) Pine Ridge Road, B162; (12) Snow Ball Mine Road, B1081; (13) South Old Highway, B336; (14)

West Summit Road, B313; (15) Wilcox North Road, B1531; (16) Wilcox Road, B150; (17) Wilcox South Road, B1541; (18) Wray Mesa Road, B163; (19) D0557 Road; (20) D0558 Road; (21) D0559 Road; (22) D0560 Road; (23) D0562 Road; (24) D0563 Road; (25) D0564 Road; (26) D0565 Road; (27) D0924 Road; (28) D0952 Road; (29) D0955 Road; (30) D0961 Road; (31) D0962 Road; (32) D0963 Road; (33) D0966 Road; (34) D0967 Road; (35) D0968 Road; (36) D0969 Road; (37) D0970 Road; (38) D0971 Road; (39) D0973 Road; (40) D0978 Road; (41) D0979 Road; (42) D0980 Road; (43) D0981 Road; (44) D0982 Road; (45) D0984 Road; (46) D1051 Road; (47) D1052 Road; (48) D1053 Road; (49) D1054 Road; (50) D1055 Road; (51) D1058 Road; (52) D1065 Road; (53) D1066 Road; (54) D1067 Road; (55) D1068 Road; (56) D1070 Road; (57) D1074 Road; (58) D1076 Road; (59) D1077 Road; (60) D1078 Road; (61) D1079 Road; (62) D1082 Road; (63) D1083 Road; (64) D1084 Road; (65) D1085 Road; (66) D1086 Road; (67) D1087 Road; (68) D1088 Road; (69) D1089 Road; (70) D1091 Road; (71) D1096 Road; (72) D2379 Road; (73) D2797 Road; (74) D2798 Road; (75) D2799 Road; (76) D2800 Road; (77) D2801 Road; (78) D2803 Road; (79) D2804 Road; (80) D2807 Road; (81) D2810 Road; (82) D2811 Road; (83) D2814 Road; (84) D2815 Road; (85) D2818 Road; (86) D2820 Road; (87) D2821 Road; (88) D2822 Road; (89) D2823 Road; (90) D2824 Road; (91) D2826 Road; (92) D2827 Road; (93) D2828 Road; (94) D2829 Road; (95) D2830 Road; (96) D2891 Road; (97) D2892 Road; (98) D2898 Road; (99) D2899 Road; (100) D2902 Road; (101) D2906 Road; (102) D2907 Road; (103) D2913 Road; (104) D2915 Road; (105) D2916 Road; (106) D2920 Road; (107) D2921 Road; (108) D2922 Road; (109) D2923 Road; (110) D2926 Road; (111) D2929 Road; (112) D2930 Road; (113) D2931 Road; (114) D2933 Road;

(115) D2934 Road; (116) D2936 Road; (117) D2937 Road; (118) D2938 Road; (119) D2939 Road; (120) D2941 Road; (121) D2943 Road; (122) D2947 Road; (123) D2948 Road; (124) D2949 Road; (125) D2956 Road; (126) D2957 Road; (127) D2959 Road; (128) D2967 Road; (129) D2969 Road; (130) D3033 Road; (131) D3034 Road; (132) D3039 Road; (133) D3040 Road; (134) D3162 Road; (135) D3163 Road; (136) D3164 Road; (137) D3169 Road; (138) D3171 Road; (139) D3175 Road; (140) D3178 Road; (141) D3180 Road; (142) D3181 Road; (143) D3183 Road; (144) D3184 Road; (145) D3186 Road; (146) D3188 Road; (147) D3195 Road; (148) D3197 Road; (149) D3199 Road; (150) D3201 Road; (151) D3202 Road; (152) D3203 Road; (153) D3204 Road; (154) D3205 Road; (155) D3218 Road; (156) D3219 Road; (157) D3226 Road; (158) D4033 Road; and (159) D5119 Road.

7386. Each right-of-way claimed in the Coyote Wash Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

7387. All rights-of-way claimed in the Coyote Wash Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

7388. All rights-of-way claimed in the Coyote Wash Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water

bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

7389. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Butts Road, B334

7390. The Butts Road is designated as county road number B334 and SGID road identification number RD190365 and is more or less 3.0 miles long.

7391. Exhibit 598 (attached hereto and incorporated herein) contains certain information pertaining to the Butts Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7392. In this action, the State and County seek to quiet title to the public highway right-of-way for the Butts Road solely as it crosses United States public land as included and specifically described in Exhibit 598. The Butts Road includes the segment of road specifically set forth in Exhibit 598 and as exists on the ground.

Acceptance of the Butts Road R.S. 2477 Right-of-way Prior to October 21, 1976

7393. The Butts Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7394. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Butts Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7395. The appearance of the Butts Road on the Piute Knoll (1957) USGS 7.5-minute quadrangle map and the Eastland (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7396. The County confirmed its acceptance of the Butts Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Butts Road using public funds pursuant to the County's governmental right and authority.

7397. Witnesses with personal knowledge of the history of the Butts Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7398. Currently known reputation in the community is that the Butts Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7399. Public motor vehicle use of the Butts Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7400. The Butts Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7401. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Butts Road.

7402. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Butts Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Copper Mill Road, B115

7403. The Copper Mill Road is designated as county road number B115 and SGID road identification number RD190030 and is more or less 4.95 miles long.

7404. Exhibit 599 (attached hereto and incorporated herein) contains certain information pertaining to the Copper Mill Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7405. In this action, the State and County seek to quiet title to the public highway right-of-way for the Copper Mill Road solely as it crosses United States public land as included and specifically described in Exhibit 599. The Copper Mill Road includes the segment of road specifically set forth in Exhibit 599 and as exists on the ground.

Acceptance of the Copper Mill Road R.S. 2477 Right-of-way Prior to October 21, 1976

7406. The Copper Mill Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7407. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Copper Mill Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7408. The appearance of the Copper Mill Road on the La Sal West (1954) and Sandstone Draw (1954) USGS 7.5-minute quadrangle maps and the La Sal Junction (1954) and Hatch Rock (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7409. The County confirmed its acceptance of the Copper Mill Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Copper Mill Road using public funds pursuant to the County's governmental right and authority.

7410. Witnesses with personal knowledge of the history of the Copper Mill Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7411. Currently known reputation in the community is that the Copper Mill Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7412. Public motor vehicle use of the Copper Mill Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7413. The Copper Mill Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7414. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Copper Mill Road.

7415. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Copper Mill Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Coyote Wash Road, B191

7416. The Coyote Wash Road is designated as county road number B191 and SGID road identification number RD190145 and is more or less 11.26 miles long.

7417. Exhibit 600 (attached hereto and incorporated herein) contains certain information pertaining to the Coyote Wash Road including: a map depicting the road; township, range and

section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7418. In this action, the State and County seek to quiet title to the public highway right-of-way for the Coyote Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 600. The Coyote Wash Road includes the segment of road specifically set forth in Exhibit 600 and as exists on the ground.

Acceptance of the Coyote Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976

7419. The Coyote Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7420. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Coyote Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7421. The appearance of the Coyote Wash Road on the La Sal West (1954), La Sal East (1954), and Lisbon Valley (1954) USGS 7.5-minute quadrangle maps and the La Sal Junction (1954), La Sal (1954), and Lisbon Valley (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7422. The County confirmed its acceptance of the Coyote Wash Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the Coyote Wash Road using public funds pursuant to the County's governmental right and authority.

7423. Witnesses with personal knowledge of the history of the Coyote Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7424. Currently known reputation in the community is that the Coyote Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7425. Public motor vehicle use of the Coyote Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7426. The Coyote Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7427. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Coyote Wash Road.

7428. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Coyote Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this

road.

East Coyote Ridge Road, B1121

7429. The East Coyote Ridge Road is designated as county road number B1121 and SGID road identification number RD190025 and is more or less 2.91 miles long.

7430. Exhibit 601 (attached hereto and incorporated herein) contains certain information pertaining to the East Coyote Ridge Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7431. In this action, the State and County seek to quiet title to the public highway right-of-way for the East Coyote Ridge Road solely as it crosses United States public land as included and specifically described in Exhibit 601. The East Coyote Ridge Road includes the segment of road specifically set forth in Exhibit 601 and as exists on the ground.

Acceptance of the East Coyote Ridge Road R.S. 2477 Right-of-way Prior to October 21, 1976

7432. The East Coyote Ridge Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7433. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the East Coyote Ridge Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7434. The appearance of the East Coyote Ridge Road on the Lisbon Valley (1954) and Sandstone Draw (1954) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) and

Lisbon Valley (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7435. The County confirmed its acceptance of the East Coyote Ridge Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the East Coyote Ridge Road using public funds pursuant to the County's governmental right and authority.

7436. Witnesses with personal knowledge of the history of the East Coyote Ridge Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7437. Currently known reputation in the community is that the East Coyote Ridge Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7438. Public motor vehicle use of the East Coyote Ridge Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7439. The East Coyote Ridge Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7440. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the East Coyote Ridge Road.

7441. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the East Coyote Ridge Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

East Lisbon Spur Road, B357

7442. The East Lisbon Spur Road is designated as county road number B357 and SGID road identification number RD190388 and is more or less 2.37 miles long.

7443. Exhibit 602 (attached hereto and incorporated herein) contains certain information pertaining to the East Lisbon Spur Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7444. In this action, the State and County seek to quiet title to the public highway right-of-way for the East Lisbon Spur Road solely as it crosses United States public land as included and specifically described in Exhibit 602. The East Lisbon Spur Road includes the segment of road specifically set forth in Exhibit 602 and as exists on the ground.

Acceptance of the East Lisbon Spur Road R.S. 2477 Right-of-way Prior to October 21, 1976

7445. The East Lisbon Spur Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7446. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the East Lisbon Spur Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7447. The County confirmed its acceptance of the East Lisbon Spur Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the East Lisbon Spur Road using public funds pursuant to the County's governmental right and authority.

7448. Witnesses with personal knowledge of the history of the East Lisbon Spur Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7449. Currently known reputation in the community is that the East Lisbon Spur Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7450. Public motor vehicle use of the East Lisbon Spur Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7451. The East Lisbon Spur Road traverses a valid and perfected R.S. 2477 public

highway right-of-way as described herein.

7452. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the East Lisbon Spur Road.

7453. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the East Lisbon Spur Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

East Lisbon Valley Road, B359

7454. The East Lisbon Valley Road is designated as county road number B359 and SGID road identification number RD190390 and is more or less 4.85 miles long.

7455. Exhibit 603 (attached hereto and incorporated herein) contains certain information pertaining to the East Lisbon Valley Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7456. In this action, the State and County seek to quiet title to the public highway right-of-way for the East Lisbon Valley Road solely as it crosses United States public land as included and specifically described in Exhibit 603. The East Lisbon Valley Road includes the segment of road specifically set forth in Exhibit 603 and as exists on the ground.

Acceptance of the East Lisbon Valley Road R.S. 2477 Right-of-way Prior to October 21, 1976

7457. The East Lisbon Valley Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7458. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the East Lisbon Valley Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7459. The appearance of the East Lisbon Valley Road on the Lisbon Gap (1954) and Summit Point (1954) USGS 7.5-minute quadrangle maps and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7460. The County confirmed its acceptance of the East Lisbon Valley Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the East Lisbon Valley Road using public funds pursuant to the County's governmental right and authority.

7461. Witnesses with personal knowledge of the history of the East Lisbon Valley Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7462. Currently known reputation in the community is that the East Lisbon Valley Road

has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7463. Public motor vehicle use of the East Lisbon Valley Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7464. The East Lisbon Valley Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7465. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the East Lisbon Valley Road.

7466. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the East Lisbon Valley Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Egnar Cutoff Road, B356

7467. The Egnar Cutoff Road is designated as county road number B356 and SGID road identification number RD190387 and is more or less 1.08 miles long.

7468. Exhibit 604 (attached hereto and incorporated herein) contains certain information pertaining to the Egnar Cutoff Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

7469. In this action, the State and County seek to quiet title to the public highway right-of-way for the Egnar Cutoff Road solely as it crosses United States public land as included and specifically described in Exhibit 604. The Egnar Cutoff Road includes the segment of road specifically set forth in Exhibit 604 and as exists on the ground.

Acceptance of the Egnar Cutoff Road R.S. 2477 Right-of-way Prior to October 21, 1976

7470. The Egnar Cutoff Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7471. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Egnar Cutoff Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7472. The appearance of the Egnar Cutoff Road on the Piute Knoll (1957) USGS 7.5-minute quadrangle map and the Eastland (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7473. The County confirmed its acceptance of the Egnar Cutoff Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Egnar Cutoff Road using public funds pursuant to the County's governmental right and authority.

7474. Witnesses with personal knowledge of the history of the Egnar Cutoff Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7475. Currently known reputation in the community is that the Egnar Cutoff Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7476. Public motor vehicle use of the Egnar Cutoff Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7477. The Egnar Cutoff Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7478. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Egnar Cutoff Road.

7479. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Egnar Cutoff Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Island Mesa Road, B301

7480. The Island Mesa Road is designated as county road number B301 and SGID road identification number RD190333 and is more or less 5.63 miles long.

7481. Exhibit 605 (attached hereto and incorporated herein) contains certain information pertaining to the Island Mesa Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7482. In this action, the State and County seek to quiet title to the public highway right-of-way for the Island Mesa Road solely as it crosses United States public land as included and specifically described in Exhibit 605. The Island Mesa Road includes the segment of road specifically set forth in Exhibit 605 and as exists on the ground.

Acceptance of the Island Mesa Road R.S. 2477 Right-of-way Prior to October 21, 1976

7483. The Island Mesa Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7484. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Island Mesa Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7485. The appearance of the Island Mesa Road on the Lisbon Gap (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See*

Exhibit 27 for more detailed map information.

7486. The County confirmed its acceptance of the Island Mesa Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Island Mesa Road using public funds pursuant to the County's governmental right and authority.

7487. Witnesses with personal knowledge of the history of the Island Mesa Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7488. Currently known reputation in the community is that the Island Mesa Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7489. Public motor vehicle use of the Island Mesa Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7490. The Island Mesa Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7491. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the Island Mesa Road.

7492. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Island Mesa Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Little Indian Canyon Road, B316

7493. The Little Indian Canyon Road is designated as county road number B316 and SGID road identification number RD190347 and is more or less 1.66 miles long.

7494. Exhibit 606 (attached hereto and incorporated herein) contains certain information pertaining to the Little Indian Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7495. In this action, the State and County seek to quiet title to the public highway right-of-way for the Little Indian Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 606. The Little Indian Canyon Road includes the segment of road specifically set forth in Exhibit 606 and as exists on the ground.

Acceptance of the Little Indian Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

7496. The Little Indian Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7497. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Little Indian Canyon Road as a public highway located on

the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7498. The appearance of the Little Indian Canyon Road on the Summit Point (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7499. The County confirmed its acceptance of the Little Indian Canyon Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Little Indian Canyon Road using public funds pursuant to the County's governmental right and authority.

7500. Witnesses with personal knowledge of the history of the Little Indian Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7501. Currently known reputation in the community is that the Little Indian Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7502. Public motor vehicle use of the Little Indian Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of

an R.S. 2477 public highway right-of-way underlying this road.

7503. The Little Indian Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7504. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Little Indian Canyon Road.

7505. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Little Indian Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

North Old Highway, B335

7506. The North Old Highway is designated as county road number B335 and SGID road identification number RD190366 and is more or less 10.16 miles long.

7507. Exhibit 607 (attached hereto and incorporated herein) contains certain information pertaining to the North Old Highway including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7508. In this action, the State and County seek to quiet title to the public highway right-of-way for the North Old Highway solely as it crosses United States public land as included and specifically described in Exhibit 607. The North Old Highway includes the segment of road specifically set forth in Exhibit 607 and as exists on the ground.

Acceptance of the North Old Highway R.S. 2477 Right-of-way Prior to October 21, 1976

7509. The North Old Highway has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7510. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the North Old Highway as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7511. The appearance of the North Old Highway on the Eastland (1954) and Northdale (1954) USGS 7.5-minute quadrangle maps and the Eastland (1957) USGS 15-minute quadrangle map evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7512. The County confirmed its acceptance of the North Old Highway by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the North Old Highway using public funds pursuant to the County's governmental right and authority.

7513. Witnesses with personal knowledge of the history of the North Old Highway confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7514. Currently known reputation in the community is that the North Old Highway has

been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7515. Public motor vehicle use of the North Old Highway as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7516. The North Old Highway traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7517. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the North Old Highway.

7518. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the North Old Highway on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Pine Ridge Road, B162

7519. The Pine Ridge Road is designated as county road number B162 and SGID road identification number RD190116 and is more or less 6.48 miles long.

7520. Exhibit 608 (attached hereto and incorporated herein) contains certain information pertaining to the Pine Ridge Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

7521. In this action, the State and County seek to quiet title to the public highway right-of-way for the Pine Ridge Road solely as it crosses United States public land as included and specifically described in Exhibit 608. The Pine Ridge Road includes the segment of road specifically set forth in Exhibit 608 and as exists on the ground.

Acceptance of the Pine Ridge Road R.S. 2477 Right-of-way Prior to October 21, 1976

7522. The Pine Ridge Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7523. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Pine Ridge Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7524. The appearance of the Pine Ridge Road on the La Sal East (1954) and Ray Mesa (1954) USGS 7.5-minute quadrangle maps and the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7525. The County confirmed its acceptance of the Pine Ridge Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Pine Ridge Road using public funds pursuant to the County's governmental right and authority.

7526. Witnesses with personal knowledge of the history of the Pine Ridge Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7527. Currently known reputation in the community is that the Pine Ridge Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7528. Public motor vehicle use of the Pine Ridge Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7529. The Pine Ridge Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7530. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Pine Ridge Road.

7531. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Pine Ridge Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Snow Ball Mine Road, B1081

7532. The Snow Ball Mine Road is designated as county road number B1081 and SGID

road identification number RD190017 and is more or less 1.45 miles long.

7533. Exhibit 609 (attached hereto and incorporated herein) contains certain information pertaining to the Snow Ball Mine Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7534. In this action, the State and County seek to quiet title to the public highway right-of-way for the Snow Ball Mine Road solely as it crosses United States public land as included and specifically described in Exhibit 609. The Snow Ball Mine Road includes the segment of road specifically set forth in Exhibit 609 and as exists on the ground.

Acceptance of the Snow Ball Mine Road R.S. 2477 Right-of-way Prior to October 21, 1976

7535. The Snow Ball Mine Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7536. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Snow Ball Mine Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7537. The County confirmed its acceptance of the Snow Ball Mine Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Snow Ball Mine Road using public funds pursuant to the County's governmental right and authority.

7538. Witnesses with personal knowledge of the history of the Snow Ball Mine Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7539. Currently known reputation in the community is that the Snow Ball Mine Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7540. Public motor vehicle use of the Snow Ball Mine Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7541. The Snow Ball Mine Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7542. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Snow Ball Mine Road.

7543. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Snow Ball Mine Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

South Old Highway, B336

7544. The South Old Highway is designated as county road number B336 and SGID road identification number RD190367 and is more or less 5.17 miles long.

7545. Exhibit 610 (attached hereto and incorporated herein) contains certain information pertaining to the South Old Highway including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7546. In this action, the State and County seek to quiet title to the public highway right-of-way for the South Old Highway solely as it crosses United States public land as included and specifically described in Exhibit 610. The South Old Highway includes the segment of road specifically set forth in Exhibit 610 and as exists on the ground.

Acceptance of the South Old Highway R.S. 2477 Right-of-way Prior to October 21, 1976

7547. The South Old Highway has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7548. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the South Old Highway as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7549. The appearance of the South Old Highway on the Eastland (1954) and Northdale (1954) USGS 7.5-minute quadrangle maps and the Eastland (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See*

Exhibit 27 for more detailed map information.

7550. The County confirmed its acceptance of the South Old Highway by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the South Old Highway using public funds pursuant to the County's governmental right and authority.

7551. Witnesses with personal knowledge of the history of the South Old Highway confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7552. Currently known reputation in the community is that the South Old Highway has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7553. Public motor vehicle use of the South Old Highway as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7554. The South Old Highway traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7555. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the South Old Highway.

7556. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the South Old Highway on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

West Summit Road, B313

7557. The West Summit Road is designated as county road number B313 and SGID road identification number RD190344 and is more or less 32.74 miles long.

7558. Exhibit 611 (attached hereto and incorporated herein) contains certain information pertaining to the West Summit Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7559. In this action, the State and County seek to quiet title to the public highway right-of-way for the West Summit Road solely as it crosses United States public land as included and specifically described in Exhibit 611. The West Summit Road includes the segment of road specifically set forth in Exhibit 611 and as exists on the ground.

Acceptance of the West Summit Road R.S. 2477 Right-of-way Prior to October 21, 1976

7560. The West Summit Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7561. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the West Summit Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7562. The appearance of the West Summit Road on the Sandstone Draw (1954), Lisbon Valley (1954), Lisbon Gap (1954), Summit Point (1954), Piute Knoll (1957), and Northdale (1954) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954), Lisbon Valley (1954), and Eastland (1957) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7563. The County confirmed its acceptance of the West Summit Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the West Summit Road using public funds pursuant to the County's governmental right and authority.

7564. Witnesses with personal knowledge of the history of the West Summit Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7565. Currently known reputation in the community is that the West Summit Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7566. Public motor vehicle use of the West Summit Road as a public thoroughfare

traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7567. The West Summit Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7568. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the West Summit Road.

7569. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the West Summit Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Wilcox North Road, B1531

7570. The Wilcox North Road is designated as county road number B1531 and SGID road identification number RD190106 and is more or less 1.30 miles long.

7571. Exhibit 612 (attached hereto and incorporated herein) contains certain information pertaining to the Wilcox North Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7572. In this action, the State and County seek to quiet title to the public highway right-of-way for the Wilcox North Road solely as it crosses United States public land as included and

specifically described in Exhibit 612. The Wilcox North Road includes the segment of road specifically set forth in Exhibit 612 and as exists on the ground.

Acceptance of the Wilcox North Road R.S. 2477 Right-of-way Prior to October 21, 1976

7573. The Wilcox North Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7574. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Wilcox North Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7575. The County confirmed its acceptance of the Wilcox North Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Wilcox North Road using public funds pursuant to the County's governmental right and authority.

7576. Witnesses with personal knowledge of the history of the Wilcox North Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7577. Currently known reputation in the community is that the Wilcox North Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7578. Public motor vehicle use of the Wilcox North Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7579. The Wilcox North Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7580. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Wilcox North Road.

7581. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Wilcox North Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Wilcox Road, B150

7582. The Wilcox Road is designated as county road number B150 and SGID road identification number RD190099 and is more or less 1.46 miles long.

7583. Exhibit 613 (attached hereto and incorporated herein) contains certain information pertaining to the Wilcox Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7584. In this action, the State and County seek to quiet title to the public highway right-

of-way for the Wilcox Road solely as it crosses United States public land as included and specifically described in Exhibit 613. The Wilcox Road includes the segment of road specifically set forth in Exhibit 613 and as exists on the ground.

Acceptance of the Wilcox Road R.S. 2477 Right-of-way Prior to October 21, 1976

7585. The Wilcox Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7586. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Wilcox Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7587. The appearance of the Wilcox Road on the La Sal West (1954) and La Sal East (1954) USGS 7.5-minute quadrangle maps and the La Sal Junction (1954) and La Sal (1954) USGS 15-minute quadrangle maps evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7588. The County confirmed its acceptance of the Wilcox Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Wilcox Road using public funds pursuant to the County's governmental right and authority.

7589. Witnesses with personal knowledge of the history of the Wilcox Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7590. Currently known reputation in the community is that the Wilcox Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7591. Public motor vehicle use of the Wilcox Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7592. The Wilcox Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7593. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Wilcox Road.

7594. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Wilcox Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Wilcox South Road, B1541

7595. The Wilcox South Road is designated as county road number B1541 and SGID road identification number RD190108 and is more or less 0.50 miles long.

7596. Exhibit 614 (attached hereto and incorporated herein) contains certain information pertaining to the Wilcox South Road including: a map depicting the road; township, range and

section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7597. In this action, the State and County seek to quiet title to the public highway right-of-way for the Wilcox South Road solely as it crosses United States public land as included and specifically described in Exhibit 614. The Wilcox South Road includes the segment of road specifically set forth in Exhibit 614 and as exists on the ground.

Acceptance of the Wilcox South Road R.S. 2477 Right-of-way Prior to October 21, 1976

7598. The Wilcox South Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7599. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Wilcox South Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7600. The County confirmed its acceptance of the Wilcox South Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Wilcox South Road using public funds pursuant to the County's governmental right and authority.

7601. Witnesses with personal knowledge of the history of the Wilcox South Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21,

1976.

7602. Currently known reputation in the community is that the Wilcox South Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7603. Public motor vehicle use of the Wilcox South Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7604. The Wilcox South Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7605. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Wilcox South Road.

7606. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Wilcox South Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Wray Mesa Road, B163

7607. The Wray Mesa Road is designated as county road number B163 and SGID road identification number RD190117 and is more or less 4.81 miles long.

7608. Exhibit 615 (attached hereto and incorporated herein) contains certain information

pertaining to the Wray Mesa Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7609. In this action, the State and County seek to quiet title to the public highway right-of-way for the Wray Mesa Road solely as it crosses United States public land as included and specifically described in Exhibit 615. The Wray Mesa Road includes the segment of road specifically set forth in Exhibit 615 and as exists on the ground.

Acceptance of the Wray Mesa Road R.S. 2477 Right-of-way Prior to October 21, 1976

7610. The Wray Mesa Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7611. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Wray Mesa Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7612. The appearance of the Wray Mesa Road on the Ray Mesa (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7613. The County confirmed its acceptance of the Wray Mesa Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the Wray Mesa Road using public funds pursuant to the County's governmental right and authority.

7614. Witnesses with personal knowledge of the history of the Wray Mesa Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7615. Currently known reputation in the community is that the Wray Mesa Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7616. Public motor vehicle use of the Wray Mesa Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7617. The Wray Mesa Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7618. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Wray Mesa Road.

7619. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Wray Mesa Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this

road.

D0557 Road

7620. The D0557 Road is designated as county road number D0557 and SGID road identification number RD191149 and is more or less 0.79 miles long.

7621. Exhibit 616 (attached hereto and incorporated herein) contains certain information pertaining to the D0557 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7622. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0557 Road solely as it crosses United States public land as included and specifically described in Exhibit 616. The D0557 Road includes the segment of road specifically set forth in Exhibit 616 and as exists on the ground.

Acceptance of the D0557 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7623. The D0557 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7624. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0557 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7625. The appearance of the D0557 Road on the Summit Point (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map

evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7626. The D0557 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0557 Road pursuant to the County's governmental right and authority.

7627. Witnesses with personal knowledge of the history of the D0557 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7628. Currently known reputation in the community is that the D0557 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7629. Public motor vehicle use of the D0557 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7630. The D0557 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7631. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0557 Road.

7632. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0557 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0558 Road

7633. The D0558 Road is designated as county road number D0558 and SGID road identification number RD191150 and is more or less 1.27 miles long.

7634. Exhibit 617 (attached hereto and incorporated herein) contains certain information pertaining to the D0558 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7635. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0558 Road solely as it crosses United States public land as included and specifically described in Exhibit 617. The D0558 Road includes the segment of road specifically set forth in Exhibit 617 and as exists on the ground.

Acceptance of the D0558 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7636. The D0558 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7637. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0558 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7638. The D0558 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0558 Road pursuant to the County's governmental right and authority.

7639. Witnesses with personal knowledge of the history of the D0558 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7640. Currently known reputation in the community is that the D0558 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7641. Public motor vehicle use of the D0558 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7642. The D0558 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7643. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0558 Road.

7644. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0558 Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0559 Road

7645. The D0559 Road is designated as county road number D0559 and SGID road identification number RD191151 and is more or less 2.38 miles long.

7646. Exhibit 618 (attached hereto and incorporated herein) contains certain information pertaining to the D0559 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7647. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0559 Road solely as it crosses United States public land as included and specifically described in Exhibit 618. The D0559 Road includes the segment of road specifically set forth in Exhibit 618 and as exists on the ground.

Acceptance of the D0559 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7648. The D0559 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7649. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0559 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7650. The appearance of the D0559 Road on the Summit Point (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map

evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7651. The D0559 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0559 Road pursuant to the County's governmental right and authority.

7652. Witnesses with personal knowledge of the history of the D0559 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7653. Currently known reputation in the community is that the D0559 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7654. Public motor vehicle use of the D0559 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7655. The D0559 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7656. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0559 Road.

7657. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0558 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0560 Road

7658. The D0560 Road is designated as county road number D0560 and SGID road identification number RD191152 and is more or less .45 miles long.

7659. Exhibit 619 (attached hereto and incorporated herein) contains certain information pertaining to the D0560 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7660. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0560 Road solely as it crosses United States public land as included and specifically described in Exhibit 619. The D0560 Road includes the segment of road specifically set forth in Exhibit 619 and as exists on the ground.

Acceptance of the D0560 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7661. The D0560 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7662. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0560 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7663. The D0560 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0560 Road pursuant to the County's governmental right and authority.

7664. Witnesses with personal knowledge of the history of the D0560 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7665. Currently known reputation in the community is that the D0560 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7666. Public motor vehicle use of the D0560 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7667. The D0560 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7668. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0560 Road.

7669. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0558 Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0562 Road

7670. The D0562 Road is designated as county road number D0562 and SGID road identification number RD191154 and is more or less 1.57 miles long.

7671. Exhibit 620 (attached hereto and incorporated herein) contains certain information pertaining to the D0562 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7672. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0562 Road solely as it crosses United States public land as included and specifically described in Exhibit 620. The D0562 Road includes the segment of road specifically set forth in Exhibit 620 and as exists on the ground.

Acceptance of the D0562 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7673. The D0562 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7674. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0562 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7675. The D0562 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0562 Road pursuant to the County's governmental right and authority.

7676. Witnesses with personal knowledge of the history of the D0562 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7677. Currently known reputation in the community is that the D0562 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7678. Public motor vehicle use of the D0562 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7679. The D0562 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7680. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0562 Road.

7681. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0562 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0563 Road

7682. The D0563 Road is designated as county road number D0563 and SGID road identification number RD191155 and is more or less 3.18 miles long.

7683. Exhibit 621 (attached hereto and incorporated herein) contains certain information pertaining to the D0563 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7684. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0563 Road solely as it crosses United States public land as included and specifically described in Exhibit 621. The D0563 Road includes the segment of road specifically set forth in Exhibit 621 and as exists on the ground.

Acceptance of the D0563 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7685. The D0563 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7686. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0563 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7687. The D0563 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0563 Road pursuant to the County's governmental

right and authority.

7688. Witnesses with personal knowledge of the history of the D0563 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7689. Currently known reputation in the community is that the D0563 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7690. Public motor vehicle use of the D0563 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7691. The D0563 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7692. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0563 Road.

7693. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0563 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0564 Road

7694. The D0564 Road is designated as county road number D0564 and SGID road

identification number RD191156 and is more or less 4.68 miles long.

7695. Exhibit 622 (attached hereto and incorporated herein) contains certain information pertaining to the D0564 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7696. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0564 Road solely as it crosses United States public land as included and specifically described in Exhibit 622. The D0564 Road includes the segment of road specifically set forth in Exhibit 622 and as exists on the ground.

Acceptance of the D0564 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7697. The D0564 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7698. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0564 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7699. The appearance of the D0564 Road on the Summit Point (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7700. The County confirmed its acceptance of the D0564 Road by 1974, when it

designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0564 Road pursuant to the County's governmental right and authority.

7701. Witnesses with personal knowledge of the history of the D0564 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7702. Currently known reputation in the community is that the D0564 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7703. Public motor vehicle use of the D0564 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7704. The D0564 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7705. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0564 Road.

7706. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0564 Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0565 Road

7707. The D0565 Road is designated as county road number D0565 and SGID road identification number RD191157 and is more or less .63 miles long.

7708. Exhibit 623 (attached hereto and incorporated herein) contains certain information pertaining to the D0565 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7709. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0565 Road solely as it crosses United States public land as included and specifically described in Exhibit 623. The D0565 Road includes the segment of road specifically set forth in Exhibit 623 and as exists on the ground.

Acceptance of the D0565 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7710. The D0565 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7711. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0565 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7712. The D0565 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0565 Road pursuant to the County's governmental right and authority.

7713. Witnesses with personal knowledge of the history of the D0565 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7714. Currently known reputation in the community is that the D0565 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7715. Public motor vehicle use of the D0565 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7716. The D0565 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7717. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0565 Road.

7718. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0565 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0924 Road

7719. The D0924 Road is designated as county road number D0924 and SGID road identification number RD191409 and is more or less .42 miles long.

7720. Exhibit 624 (attached hereto and incorporated herein) contains certain information pertaining to the D0924 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7721. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0924 Road solely as it crosses United States public land as included and specifically described in Exhibit 624. The D0924 Road includes the segment of road specifically set forth in Exhibit 624 and as exists on the ground.

Acceptance of the D0924 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7722. The D0924 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7723. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0924 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7724. The appearance of the D0924 Road on the Summit Point (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See*

Exhibit 27 for more detailed map information.

7725. The D0924 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0924 Road pursuant to the County's governmental right and authority.

7726. Witnesses with personal knowledge of the history of the D0924 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7727. Currently known reputation in the community is that the D0924 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7728. Public motor vehicle use of the D0924 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7729. The D0924 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7730. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0924 Road.

7731. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the D0924 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0952 Road

7732. The D0952 Road is designated as county road number D0952 and SGID road identification number RD191427 and is more or less 3.55 miles long.

7733. Exhibit 625 (attached hereto and incorporated herein) contains certain information pertaining to the D0952 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7734. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0952 Road solely as it crosses United States public land as included and specifically described in Exhibit 625. The D0952 Road includes the segment of road specifically set forth in Exhibit 625 and as exists on the ground.

Acceptance of the D0952 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7735. The D0952 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7736. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0952 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7737. The D0952 Road was accepted as a County highway at least 10 years prior to

October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0952 Road pursuant to the County's governmental right and authority.

7738. Witnesses with personal knowledge of the history of the D0952 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7739. Currently known reputation in the community is that the D0952 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7740. Public motor vehicle use of the D0952 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7741. The D0952 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7742. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0952 Road.

7743. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0952 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0955 Road

7744. The D0955 Road is designated as county road number D0955 and SGID road identification number RD191429 and is more or less 1.52 miles long.

7745. Exhibit 626 (attached hereto and incorporated herein) contains certain information pertaining to the D0955 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7746. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0955 Road solely as it crosses United States public land as included and specifically described in Exhibit 626. The D0955 Road includes the segment of road specifically set forth in Exhibit 626 and as exists on the ground.

Acceptance of the D0955 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7747. The D0955 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7748. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0955 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7749. The D0955 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0955 Road pursuant to the County's governmental

right and authority.

7750. Witnesses with personal knowledge of the history of the D0955 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7751. Currently known reputation in the community is that the D0955 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7752. Public motor vehicle use of the D0955 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7753. The D0955 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7754. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0955 Road.

7755. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0955 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0961 Road

7756. The D0961 Road is designated as county road number D0961 and SGID road

identification number RD191433 and is more or less .64 miles long.

7757. Exhibit 627 (attached hereto and incorporated herein) contains certain information pertaining to the D0961 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7758. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0961 Road solely as it crosses United States public land as included and specifically described in Exhibit 627. The D0961 Road includes the segment of road specifically set forth in Exhibit 627 and as exists on the ground.

Acceptance of the D0961 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7759. The D0961 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7760. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0961 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7761. The D0961 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0961 Road pursuant to the County's governmental right and authority.

7762. Witnesses with personal knowledge of the history of the D0961 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7763. Currently known reputation in the community is that the D0961 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7764. Public motor vehicle use of the D0961 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7765. The D0961 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7766. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0961 Road.

7767. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0961 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0962 Road

7768. The D0962 Road is designated as county road number D0962 and SGID road identification number RD191434 and is more or less 1.40 miles long.

7769. Exhibit 628 (attached hereto and incorporated herein) contains certain information

pertaining to the D0962 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7770. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0962 Road solely as it crosses United States public land as included and specifically described in Exhibit 628. The D0962 Road includes the segment of road specifically set forth in Exhibit 628 and as exists on the ground.

Acceptance of the D0962 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7771. The D0962 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7772. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0962 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7773. The D0962 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0962 Road pursuant to the County's governmental right and authority.

7774. Witnesses with personal knowledge of the history of the D0962 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7775. Currently known reputation in the community is that the D0962 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7776. Public motor vehicle use of the D0962 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7777. The D0962 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7778. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0962 Road.

7779. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0962 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0963 Road

7780. The D0963 Road is designated as county road number D0963 and SGID road identification number RD191435 and is more or less 1.11 miles long.

7781. Exhibit 629 (attached hereto and incorporated herein) contains certain information pertaining to the D0963 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

7782. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0963 Road solely as it crosses United States public land as included and specifically described in Exhibit 629. The D0963 Road includes the segment of road specifically set forth in Exhibit 629 and as exists on the ground.

Acceptance of the D0963 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7783. The D0963 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7784. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0963 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7785. The D0963 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0963 Road pursuant to the County's governmental right and authority.

7786. Witnesses with personal knowledge of the history of the D0963 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7787. Currently known reputation in the community is that the D0963 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

7788. Public motor vehicle use of the D0963 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7789. The D0963 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7790. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0963 Road.

7791. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0963 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0966 Road

7792. The D0966 Road is designated as county road number D0966 and SGID road identification number RD190632 and is more or less 2.40 miles long.

7793. Exhibit 630 (attached hereto and incorporated herein) contains certain information pertaining to the D0966 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7794. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D0966 Road solely as it crosses United States public land as included and specifically described in Exhibit 630. The D0966 Road includes the segment of road specifically set forth in Exhibit 630 and as exists on the ground.

Acceptance of the D0966 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7795. The D0966 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7796. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0966 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7797. The D0966 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0966 Road pursuant to the County's governmental right and authority.

7798. Witnesses with personal knowledge of the history of the D0966 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7799. Currently known reputation in the community is that the D0966 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7800. Public motor vehicle use of the D0966 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7801. The D0966 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7802. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0966 Road.

7803. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0966 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0967 Road

7804. The D0967 Road is designated as county road number D0967 and SGID road identification number RD190633 and is more or less 1.63 miles long.

7805. Exhibit 631 (attached hereto and incorporated herein) contains certain information pertaining to the D0967 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7806. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0967 Road solely as it crosses United States public land as included and specifically described in Exhibit 631. The D0967 Road includes the segment of road specifically

set forth in Exhibit 631 and as exists on the ground.

Acceptance of the D0967 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7807. The D0967 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7808. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0967 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7809. The D0967 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0967 Road pursuant to the County's governmental right and authority.

7810. Witnesses with personal knowledge of the history of the D0967 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7811. Currently known reputation in the community is that the D0967 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7812. Public motor vehicle use of the D0967 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

7813. The D0967 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7814. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0967 Road.

7815. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0967 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0968 Road

7816. The D0968 Road is designated as county road number D0968 and SGID road identification number RD191437 and is more or less .53 miles long.

7817. Exhibit 632 (attached hereto and incorporated herein) contains certain information pertaining to the D0968 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7818. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0968 Road solely as it crosses United States public land as included and specifically described in Exhibit 632. The D0968 Road includes the segment of road specifically set forth in Exhibit 632 and as exists on the ground.

Acceptance of the D0968 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7819. The D0968 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7820. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0968 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7821. The D0968 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0968 Road pursuant to the County's governmental right and authority.

7822. Witnesses with personal knowledge of the history of the D0968 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7823. Currently known reputation in the community is that the D0968 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7824. Public motor vehicle use of the D0968 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7825. The D0968 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7826. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0968 Road.

7827. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0968 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0969 Road

7828. The D0969 Road is designated as county road number D0969 and SGID road identification number RD191438 and is more or less 3.84 miles long.

7829. Exhibit 633 (attached hereto and incorporated herein) contains certain information pertaining to the D0969 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7830. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0969 Road solely as it crosses United States public land as included and specifically described in Exhibit 633. The D0969 Road includes the segment of road specifically set forth in Exhibit 633 and as exists on the ground.

Acceptance of the D0969 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7831. The D0969 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7832. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0969 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7833. The D0969 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0969 Road pursuant to the County's governmental right and authority.

7834. Witnesses with personal knowledge of the history of the D0969 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7835. Currently known reputation in the community is that the D0969 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7836. Public motor vehicle use of the D0969 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7837. The D0969 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7838. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0969 Road.

7839. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0969 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0970 Road

7840. The D0970 Road is designated as county road number D0970 and SGID road identification number RD191439 and is more or less 2.05 miles long.

7841. Exhibit 634 (attached hereto and incorporated herein) contains certain information pertaining to the D0970 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7842. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0970 Road solely as it crosses United States public land as included and specifically described in Exhibit 634. The D0970 Road includes the segment of road specifically set forth in Exhibit 634 and as exists on the ground.

Acceptance of the D0970 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7843. The D0970 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7844. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0970 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7845. The D0970 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0970 Road pursuant to the County's governmental right and authority.

7846. Witnesses with personal knowledge of the history of the D0970 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7847. Currently known reputation in the community is that the D0970 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7848. Public motor vehicle use of the D0970 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7849. The D0970 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7850. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0970 Road.

7851. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0970 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0971 Road

7852. The D0971 Road is designated as county road number D0971 and SGID road identification number RD191440 and is more or less .72 miles long.

7853. Exhibit 635 (attached hereto and incorporated herein) contains certain information pertaining to the D0971 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7854. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0971 Road solely as it crosses United States public land as included and specifically described in Exhibit 635. The D0971 Road includes the segment of road specifically set forth in Exhibit 635 and as exists on the ground.

Acceptance of the D0971 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7855. The D0971 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7856. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0971 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7857. The D0971 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0971 Road pursuant to the County's governmental right and authority.

7858. Witnesses with personal knowledge of the history of the D0971 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7859. Currently known reputation in the community is that the D0971 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7860. Public motor vehicle use of the D0971 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7861. The D0971 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7862. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0971 Road.

7863. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0971 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0973 Road

7864. The D0973 Road is designated as county road number D0973 and SGID road identification number RD191441 and is more or less 1.94 miles long.

7865. Exhibit 636 (attached hereto and incorporated herein) contains certain information pertaining to the D0973 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7866. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0973 Road solely as it crosses United States public land as included and specifically described in Exhibit 636. The D0973 Road includes the segment of road specifically set forth in Exhibit 636 and as exists on the ground.

Acceptance of the D0973 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7867. The D0973 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7868. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0973 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7869. The D0973 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0973 Road pursuant to the County's governmental right and authority.

7870. Witnesses with personal knowledge of the history of the D0973 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7871. Currently known reputation in the community is that the D0973 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7872. Public motor vehicle use of the D0973 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7873. The D0973 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7874. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0973 Road.

7875. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0973 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0978 Road

7876. The D0978 Road is designated as county road number D0978 and SGID road identification number RD190634 and is more or less 7.04 miles long.

7877. Exhibit 637 (attached hereto and incorporated herein) contains certain information pertaining to the D0978 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7878. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0978 Road solely as it crosses United States public land as included and specifically described in Exhibit 637. The D0978 Road includes the segment of road specifically set forth in Exhibit 637 and as exists on the ground.

Acceptance of the D0978 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7879. The D0978 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7880. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0978 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7881. The appearance of the D0978 Road on the Lisbon Gap (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7882. The County confirmed its acceptance of the D0978 Road by1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0978 Road pursuant to the County's governmental right and authority.

7883. Witnesses with personal knowledge of the history of the D0978 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7884. Currently known reputation in the community is that the D0978 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

7885. Public motor vehicle use of the D0978 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7886. The D0978 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7887. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0978 Road.

7888. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0978 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0979 Road

7889. The D0979 Road is designated as county road number D0979 and SGID road identification number RD190635 and is more or less .38 miles long.

7890. Exhibit 638 (attached hereto and incorporated herein) contains certain information pertaining to the D0979 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7891. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D0979 Road solely as it crosses United States public land as included and specifically described in Exhibit 638. The D0979 Road includes the segment of road specifically set forth in Exhibit 638 and as exists on the ground.

Acceptance of the D0979 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7892. The D0979 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7893. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0979 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7894. The appearance of the D0979 Road on the Lisbon Gap (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7895. The D0979 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0979 Road pursuant to the County's governmental right and authority.

7896. Witnesses with personal knowledge of the history of the D0979 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7897. Currently known reputation in the community is that the D0979 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7898. Public motor vehicle use of the D0979 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7899. The D0979 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7900. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0979 Road.

7901. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0979 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0980 Road

7902. The D0980 Road is designated as county road number D0980 and SGID road identification number RD191443 and is more or less 1.36 miles long.

7903. Exhibit 639 (attached hereto and incorporated herein) contains certain information pertaining to the D0980 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

7904. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0980 Road solely as it crosses United States public land as included and specifically described in Exhibit 639. The D0980 Road includes the segment of road specifically set forth in Exhibit 639 and as exists on the ground.

Acceptance of the D0980 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7905. The D0980 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7906. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0980 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7907. The D0980 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0980 Road pursuant to the County's governmental right and authority.

7908. Witnesses with personal knowledge of the history of the D0980 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7909. Currently known reputation in the community is that the D0980 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

7910. Public motor vehicle use of the D0980 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7911. The D0980 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7912. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0980 Road.

7913. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0980 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0981 Road

7914. The D0981 Road is designated as county road number D0981 and SGID road identification number RD191444 and is more or less 2.42 miles long.

7915. Exhibit 640 (attached hereto and incorporated herein) contains certain information pertaining to the D0981 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7916. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D0981 Road solely as it crosses United States public land as included and specifically described in Exhibit 640. The D0981 Road includes the segment of road specifically set forth in Exhibit 640 and as exists on the ground.

Acceptance of the D0981 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7917. The D0981 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7918. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0981 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7919. The appearance of the D0981 Road on the Lisbon Gap (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7920. The County confirmed its acceptance of the D0981 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0981 Road pursuant to the County's governmental right and authority.

7921. Witnesses with personal knowledge of the history of the D0981 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7922. Currently known reputation in the community is that the D0981 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7923. Public motor vehicle use of the D0981 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7924. The D0981 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7925. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0981 Road.

7926. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0981 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0982 Road

7927. The D0982 Road is designated as county road number D0982 and SGID road identification number RD191445 and is more or less 1.05 miles long.

7928. Exhibit 641 (attached hereto and incorporated herein) contains certain information pertaining to the D0982 Road including: a map depicting the road; township, range and section

references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7929. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0982 Road solely as it crosses United States public land as included and specifically described in Exhibit 641. The D0982 Road includes the segment of road specifically set forth in Exhibit 641 and as exists on the ground.

Acceptance of the D0982 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7930. The D0982 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7931. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0982 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7932. The D0982 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0982 Road pursuant to the County's governmental right and authority.

7933. Witnesses with personal knowledge of the history of the D0982 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7934. Currently known reputation in the community is that the D0982 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7935. Public motor vehicle use of the D0982 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7936. The D0982 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7937. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0982 Road.

7938. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0981 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0984 Road

7939. The D0984 Road is designated as county road number D0984 and SGID road identification number RD191446 and is more or less 2.1 miles long.

7940. Exhibit 642 (attached hereto and incorporated herein) contains certain information pertaining to the D0984 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7941. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0984 Road solely as it crosses United States public land as included and specifically described in Exhibit 642. The D0984 Road includes the segment of road specifically set forth in Exhibit 642 and as exists on the ground.

Acceptance of the D0984 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7942. The D0984 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7943. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0984 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7944. The D0984 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0984 Road pursuant to the County's governmental right and authority.

7945. Witnesses with personal knowledge of the history of the D0984 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7946. Currently known reputation in the community is that the D0984 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7947. Public motor vehicle use of the D0984 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7948. The D0984 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7949. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0984 Road.

7950. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0558 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1051 Road

7951. The D1051 Road is designated as county road number D1051 and SGID road identification number RD191476 and is more or less 1.90 miles long.

7952. Exhibit 643 (attached hereto and incorporated herein) contains certain information pertaining to the D1051 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7953. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1051 Road solely as it crosses United States public land as included and

specifically described in Exhibit 643. The D1051 Road includes the segment of road specifically set forth in Exhibit 643 and as exists on the ground.

Acceptance of the D1051 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7954. The D1051 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7955. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1051 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7956. The appearance of the D1051 Road on the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7957. The D1051 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1051 Road pursuant to the County's governmental right and authority.

7958. Witnesses with personal knowledge of the history of the D1051 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7959. Currently known reputation in the community is that the D1051 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

7960. Public motor vehicle use of the D1051 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7961. The D1051 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7962. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1051 Road.

7963. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0558 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1052 Road

7964. The D1052 Road is designated as county road number D1052 and SGID road identification number RD191477 and is more or less 5.15 miles long.

7965. Exhibit 644 (attached hereto and incorporated herein) contains certain information pertaining to the D1052 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7966. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D1052 Road solely as it crosses United States public land as included and specifically described in Exhibit 644. The D1052 Road includes the segment of road specifically set forth in Exhibit 644 and as exists on the ground.

Acceptance of the D1052 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7967. The D1052 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7968. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1052 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7969. The appearance of the D1052 Road on the La Sal (1954) and the Lisbon Valley (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

7970. The County confirmed its acceptance of the D1052 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1052 Road pursuant to the County's governmental right and authority.

7971. Witnesses with personal knowledge of the history of the D1052 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7972. Currently known reputation in the community is that the D1052 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7973. Public motor vehicle use of the D1052 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7974. The D1052 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7975. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1052 Road.

7976. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1052 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1053 Road

7977. The D1053 Road is designated as county road number D1053 and SGID road identification number RD191478 and is more or less 1.80 miles long.

7978. Exhibit 645 (attached hereto and incorporated herein) contains certain information pertaining to the D1053 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

7979. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1053 Road solely as it crosses United States public land as included and specifically described in Exhibit 645. The D1053 Road includes the segment of road specifically set forth in Exhibit 645 and as exists on the ground.

Acceptance of the D1053 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7980. The D1053 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7981. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1053 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7982. The D1053 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1053 Road pursuant to the County's governmental right and authority.

7983. Witnesses with personal knowledge of the history of the D1053 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7984. Currently known reputation in the community is that the D1053 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

7985. Public motor vehicle use of the D1053 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7986. The D1053 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7987. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1053 Road.

7988. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1053 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1054 Road

7989. The D1054 Road is designated as county road number D1054 and SGID road identification number RD191479 and is more or less .81 miles long.

7990. Exhibit 646 (attached hereto and incorporated herein) contains certain information pertaining to the D1054 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7991. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D1054 Road solely as it crosses United States public land as included and specifically described in Exhibit 646. The D1054 Road includes the segment of road specifically set forth in Exhibit 646 and as exists on the ground.

Acceptance of the D1054 Road R.S. 2477 Right-of-way Prior to October 21, 1976

7992. The D1054 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7993. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1054 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7994. The D1054 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1054 Road pursuant to the County's governmental right and authority.

7995. Witnesses with personal knowledge of the history of the D1054 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7996. Currently known reputation in the community is that the D1054 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7997. Public motor vehicle use of the D1054 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7998. The D1054 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7999. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1054 Road.

8000. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1054 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1055 Road

8001. The D1055 Road is designated as county road number D1055 and SGID road identification number RD191480 and is more or less .65 miles long.

8002. Exhibit 647 (attached hereto and incorporated herein) contains certain information pertaining to the D1055 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8003. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1055 Road solely as it crosses United States public land as included and specifically described in Exhibit 647. The D1055 Road includes the segment of road specifically

set forth in Exhibit 647 and as exists on the ground.

Acceptance of the D1055 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8004. The D1055 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8005. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1055 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8006. The D1055 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1055 Road pursuant to the County's governmental right and authority.

8007. Witnesses with personal knowledge of the history of the D1055 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8008. Currently known reputation in the community is that the D1055 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8009. Public motor vehicle use of the D1055 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

8010. The D1055 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8011. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1055 Road.

8012. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1055 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1058 Road

8013. The D1058 Road is designated as county road number D1058 and SGID road identification number RD191481 and is more or less 2.93 miles long.

8014. Exhibit 648 (attached hereto and incorporated herein) contains certain information pertaining to the D1058 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8015. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1058 Road solely as it crosses United States public land as included and specifically described in Exhibit 648. The D1058 Road includes the segment of road specifically set forth in Exhibit 648 and as exists on the ground.

Acceptance of the D1058 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8016. The D1058 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8017. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1058 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8018. The D1058 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1058 Road pursuant to the County's governmental right and authority.

8019. Witnesses with personal knowledge of the history of the D1058 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8020. Currently known reputation in the community is that the D1058 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8021. Public motor vehicle use of the D1058 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8022. The D1058 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8023. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1058 Road.

8024. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1058 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1065 Road

8025. The D1065 Road is designated as county road number D1065 and SGID road identification number RD191482 and is more or less .59 miles long.

8026. Exhibit 649 (attached hereto and incorporated herein) contains certain information pertaining to the D1065 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8027. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1065 Road solely as it crosses United States public land as included and specifically described in Exhibit 649. The D1065 Road includes the segment of road specifically set forth in Exhibit 649 and as exists on the ground.

Acceptance of the D1065 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8028. The D1065 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8029. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1065 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976

8030. The County confirmed its acceptance of the D1065 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1065 Road pursuant to the County's governmental right and authority.

8031. Witnesses with personal knowledge of the history of the D1065 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8032. Currently known reputation in the community is that the D1065 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8033. Public motor vehicle use of the D1065 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

8034. The D1065 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8035. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1065 Road.

8036. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1065 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1066 Road

8037. The D1066 Road is designated as county road number D1066 and SGID road identification number RD191483 and is more or less 2.61 miles long.

8038. Exhibit 650 (attached hereto and incorporated herein) contains certain information pertaining to the D1066 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8039. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1066 Road solely as it crosses United States public land as included and specifically described in Exhibit 650. The D1066 Road includes the segment of road specifically set forth in Exhibit 650 and as exists on the ground.

Acceptance of the D1066 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8040. The D1066 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8041. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1066 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8042. The appearance of the D1066 Road on the La Sal East (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8043. The County confirmed its acceptance of the D1066 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1066 Road pursuant to the County's governmental right and authority.

8044. Witnesses with personal knowledge of the history of the D1066 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8045. Currently known reputation in the community is that the D1066 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

8046. Public motor vehicle use of the D1066 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8047. The D1066 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8048. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1066 Road.

8049. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1066 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1067 Road

8050. The D1067 Road is designated as county road number D1067 and SGID road identification number RD191484 and is more or less .49 miles long.

8051. Exhibit 651 (attached hereto and incorporated herein) contains certain information pertaining to the D1067 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8052. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D1067 Road solely as it crosses United States public land as included and specifically described in Exhibit 651. The D1067 Road includes the segment of road specifically set forth in Exhibit 651 and as exists on the ground.

Acceptance of the D1067 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8053. The D1067 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8054. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1067 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8055. The appearance of the D1067 Road on the La Sal East (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8056. The County confirmed its acceptance of the D1067 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1067 Road pursuant to the County's governmental right and authority.

8057. Witnesses with personal knowledge of the history of the D1067 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8058. Currently known reputation in the community is that the D1067 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8059. Public motor vehicle use of the D1067 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8060. The D1067 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8061. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1067 Road.

8062. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1067 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1068 Road

8063. The D1068 Road is designated as county road number D1068 and SGID road identification number RD190640 and is more or less 2.09 miles long.

8064. Exhibit 652 (attached hereto and incorporated herein) contains certain information pertaining to the D1068 Road including: a map depicting the road; township, range and section

references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8065. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1068 Road solely as it crosses United States public land as included and specifically described in Exhibit 652. The D1068 Road includes the segment of road specifically set forth in Exhibit 652 and as exists on the ground.

Acceptance of the D1068 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8066. The D1068 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8067. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1068 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8068. The D1068 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1068 Road pursuant to the County's governmental right and authority.

8069. Witnesses with personal knowledge of the history of the D1068 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8070. Currently known reputation in the community is that the D1068 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8071. Public motor vehicle use of the D1068 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8072. The D1068 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8073. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1068 Road.

8074. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1068 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1070 Road

8075. The D1070 Road is designated as county road number D1070 and SGID road identification number RD190641 and is more or less 2.04 miles long.

8076. Exhibit 653 (attached hereto and incorporated herein) contains certain information pertaining to the D1070 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8077. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1070 Road solely as it crosses United States public land as included and specifically described in Exhibit 653. The D1070 Road includes the segment of road specifically set forth in Exhibit 653 and as exists on the ground.

Acceptance of the D1070 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8078. The D1070 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8079. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1070 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8080. The appearance of the D1070 Road on the La Sal East (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8081. The County confirmed its acceptance of the D1070 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1070 Road pursuant to the County's governmental right and authority.

8082. Witnesses with personal knowledge of the history of the D1070 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8083. Currently known reputation in the community is that the D1070 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8084. Public motor vehicle use of the D1070 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8085. The D1070 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8086. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1070 Road.

8087. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1070 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1074 Road

8088. The D1074 Road is designated as county road number D1074 and SGID road identification number RD191485 and is more or less .92 miles long.

8089. Exhibit 654 (attached hereto and incorporated herein) contains certain information

pertaining to the D1074 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8090. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1074 Road solely as it crosses United States public land as included and specifically described in Exhibit 654. The D1074 Road includes the segment of road specifically set forth in Exhibit 654 and as exists on the ground.

Acceptance of the D1074 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8091. The D1074 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8092. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1074 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8093. The D1074 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1074 Road pursuant to the County's governmental right and authority.

8094. Witnesses with personal knowledge of the history of the D1074 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8095. Currently known reputation in the community is that the D1074 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8096. Public motor vehicle use of the D1074 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8097. The D1074 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8098. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1074 Road.

8099. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1074 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1076 Road

8100. The D1076 Road is designated as county road number D1076 and SGID road identification number RD191486 and is more or less .34 miles long.

8101. Exhibit 655 (attached hereto and incorporated herein) contains certain information pertaining to the D1076 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

8102. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1076 Road solely as it crosses United States public land as included and specifically described in Exhibit 655. The D1076 Road includes the segment of road specifically set forth in Exhibit 655 and as exists on the ground.

Acceptance of the D1076 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8103. The D1076 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8104. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1076 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8105. The D1076 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1076 Road pursuant to the County's governmental right and authority.

8106. Witnesses with personal knowledge of the history of the D1076 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8107. Currently known reputation in the community is that the D1076 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

8108. Public motor vehicle use of the D1076 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8109. The D1076 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8110. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1076 Road.

8111. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1076 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1077 Road

8112. The D1077 Road is designated as county road number D1077 and SGID road identification number RD191487 and is more or less .93 miles long.

8113. Exhibit 656 (attached hereto and incorporated herein) contains certain information pertaining to the D1077 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8114. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D1077 Road solely as it crosses United States public land as included and specifically described in Exhibit 656. The D1077 Road includes the segment of road specifically set forth in Exhibit 656 and as exists on the ground.

Acceptance of the D1077 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8115. The D1077 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8116. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1077 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8117. The D1077 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1077 Road pursuant to the County's governmental right and authority.

8118. Witnesses with personal knowledge of the history of the D1077 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8119. Currently known reputation in the community is that the D1077 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8120. Public motor vehicle use of the D1077 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8121. The D1077 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8122. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1077 Road.

8123. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1077 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1078 Road

8124. The D1078 Road is designated as county road number D1078 and SGID road identification number RD191488 and is more or less .95 miles long.

8125. Exhibit 657 (attached hereto and incorporated herein) contains certain information pertaining to the D1078 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8126. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1078 Road solely as it crosses United States public land as included and specifically described in Exhibit 657. The D1078 Road includes the segment of road specifically

set forth in Exhibit 657 and as exists on the ground.

Acceptance of the D1078 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8127. The D1078 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8128. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1078 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8129. The D1078 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1078 Road pursuant to the County's governmental right and authority.

8130. Witnesses with personal knowledge of the history of the D1078 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8131. Currently known reputation in the community is that the D1078 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8132. Public motor vehicle use of the D1078 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

8133. The D1078 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8134. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1078 Road.

8135. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1078 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1079 Road

8136. The D1079 Road is designated as county road number D1079 and SGID road identification number RD191489 and is more or less 1.22 miles long.

8137. Exhibit 658 (attached hereto and incorporated herein) contains certain information pertaining to the D1079 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8138. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1079 Road solely as it crosses United States public land as included and specifically described in Exhibit 658. The D1079 Road includes the segment of road specifically set forth in Exhibit 658 and as exists on the ground.

Acceptance of the D1079 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8139. The D1079 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8140. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1079 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8141. The D1079 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1079 Road pursuant to the County's governmental right and authority.

8142. Witnesses with personal knowledge of the history of the D1079 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8143. Currently known reputation in the community is that the D1079 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8144. Public motor vehicle use of the D1079 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8145. The D1079 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8146. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1079 Road.

8147. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1079 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1082 Road

8148. The D1082 Road is designated as county road number D1082 and SGID road identification number RD190642 and is more or less 5.78 miles long.

8149. Exhibit 659 (attached hereto and incorporated herein) contains certain information pertaining to the D1082 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8150. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1082 Road solely as it crosses United States public land as included and specifically described in Exhibit 659. The D1082 Road includes the segment of road specifically set forth in Exhibit 659 and as exists on the ground.

Acceptance of the D1082 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8151. The D1082 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8152. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1082 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8153. The D1082 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1082 Road pursuant to the County's governmental right and authority.

8154. Witnesses with personal knowledge of the history of the D1082 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8155. Currently known reputation in the community is that the D1082 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8156. Public motor vehicle use of the D1082 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8157. The D1082 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8158. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1082 Road.

8159. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1082 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1083 Road

8160. The D1083 Road is designated as county road number D1083 and SGID road identification number RD190643 and is more or less 7.58 miles long.

8161. Exhibit 660 (attached hereto and incorporated herein) contains certain information pertaining to the D1083 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8162. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1083 Road solely as it crosses United States public land as included and specifically described in Exhibit 660. The D1083 Road includes the segment of road specifically set forth in Exhibit 660 and as exists on the ground.

Acceptance of the D1083 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8163. The D1083 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8164. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1083 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8165. The appearance of the D1083 Road on the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8166. The D1083 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1083 Road pursuant to the County's governmental right and authority.

8167. Witnesses with personal knowledge of the history of the D1083 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8168. Currently known reputation in the community is that the D1083 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8169. Public motor vehicle use of the D1083 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8170. The D1083 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8171. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1083 Road.

8172. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1083 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1084 Road

8173. The D1084 Road is designated as county road number D1084 and SGID road identification number RD190644 and is more or less .59 miles long.

8174. Exhibit 661 (attached hereto and incorporated herein) contains certain information pertaining to the D1084 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8175. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1084 Road solely as it crosses United States public land as included and specifically described in Exhibit 661. The D1084 Road includes the segment of road specifically

set forth in Exhibit 661 and as exists on the ground.

Acceptance of the D1084 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8176. The D1084 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8177. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1084 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8178. The appearance of the D1084 Road on the Ray Mesa (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8179. The County confirmed its acceptance of the D1084 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1084 Road pursuant to the County's governmental right and authority.

8180. Witnesses with personal knowledge of the history of the D1084 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8181. Currently known reputation in the community is that the D1084 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8182. Public motor vehicle use of the D1084 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8183. The D1084 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8184. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1084 Road.

8185. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1084 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1085 Road

8186. The D1085 Road is designated as county road number D1085 and SGID road identification number RD190645 and is more or less 2.29 miles long.

8187. Exhibit 662 (attached hereto and incorporated herein) contains certain information pertaining to the D1085 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8188. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1085 Road solely as it crosses United States public land as included and specifically described in Exhibit 662. The D1085 Road includes the segment of road specifically set forth in Exhibit 662 and as exists on the ground.

Acceptance of the D1085 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8189. The D1085 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8190. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1085 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8191. The appearance of the D1085 Road on the Ray Mesa (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8192. The County confirmed its acceptance of the D1085 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1085 Road pursuant to the County's governmental right and authority.

8193. Witnesses with personal knowledge of the history of the D1085 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8194. Currently known reputation in the community is that the D1085 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8195. Public motor vehicle use of the D1085 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8196. The D1085 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8197. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1085 Road.

8198. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1085 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1086 Road

8199. The D1086 Road is designated as county road number D1086 and SGID road identification number RD190646 and is more or less 2.85 miles long.

8200. Exhibit 663 (attached hereto and incorporated herein) contains certain information

pertaining to the D1086 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8201. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1086 Road solely as it crosses United States public land as included and specifically described in Exhibit 663. The D1086 Road includes the segment of road specifically set forth in Exhibit 663 and as exists on the ground.

Acceptance of the D1086 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8202. The D1086 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8203. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1086 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8204. The D1086 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1086 Road pursuant to the County's governmental right and authority.

8205. Witnesses with personal knowledge of the history of the D1086 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8206. Currently known reputation in the community is that the D1086 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8207. Public motor vehicle use of the D1086 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8208. The D1086 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8209. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1086 Road.

8210. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1086 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1087 Road

8211. The D1087 Road is designated as county road number D1087 and SGID road identification number RD191491 and is more or less .57 miles long.

8212. Exhibit 664 (attached hereto and incorporated herein) contains certain information pertaining to the D1087 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

8213. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1087 Road solely as it crosses United States public land as included and specifically described in Exhibit 664. The D1087 Road includes the segment of road specifically set forth in Exhibit 664 and as exists on the ground.

Acceptance of the D1087 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8214. The D1087 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8215. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1087 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8216. The appearance of the D1087 Road on the Ray Mesa (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8217. The D1087 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1087 Road pursuant to the County's governmental right and authority.

8218. Witnesses with personal knowledge of the history of the D1087 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8219. Currently known reputation in the community is that the D1087 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8220. Public motor vehicle use of the D1087 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8221. The D1087 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8222. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1087 Road.

8223. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1087 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1088 Road

8224. The D1088 Road is designated as county road number D1088 and SGID road identification number RD191492 and is more or less 3.95 miles long.

8225. Exhibit 665 (attached hereto and incorporated herein) contains certain information

pertaining to the D1088 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8226. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1088 Road solely as it crosses United States public land as included and specifically described in Exhibit 665. The D1088 Road includes the segment of road specifically set forth in Exhibit 665 and as exists on the ground.

Acceptance of the D1088 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8227. The D1088 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8228. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1088 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8229. The D1088 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1088 Road pursuant to the County's governmental right and authority.

8230. Witnesses with personal knowledge of the history of the D1088 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8231. Currently known reputation in the community is that the D1088 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8232. Public motor vehicle use of the D1088 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8233. The D1088 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8234. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1088 Road.

8235. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1088 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1089 Road

8236. The D1089 Road is designated as county road number D1089 and SGID road identification number RD190647 and is more or less 6.08 miles long.

8237. Exhibit 666 (attached hereto and incorporated herein) contains certain information pertaining to the D1089 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

8238. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1089 Road solely as it crosses United States public land as included and specifically described in Exhibit 666. The D1089 Road includes the segment of road specifically set forth in Exhibit 666 and as exists on the ground.

Acceptance of the D1089 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8239. The D1089 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8240. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1089 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8241. The D1089 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1089 Road pursuant to the County's governmental right and authority.

8242. Witnesses with personal knowledge of the history of the D1089 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8243. Currently known reputation in the community is that the D1089 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

8244. Public motor vehicle use of the D1089 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8245. The D1089 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8246. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1089 Road.

8247. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1089 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1091 Road

8248. The D1091 Road is designated as county road number D1091 and SGID road identification number RD191494 and is more or less .92 miles long.

8249. Exhibit 667 (attached hereto and incorporated herein) contains certain information pertaining to the D1091 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8250. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D1091 Road solely as it crosses United States public land as included and specifically described in Exhibit 667. The D1091 Road includes the segment of road specifically set forth in Exhibit 667 and as exists on the ground.

Acceptance of the D1091 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8251. The D1091 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8252. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1091 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8253. The D1091 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1091 Road pursuant to the County's governmental right and authority.

8254. Witnesses with personal knowledge of the history of the D1091 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8255. Currently known reputation in the community is that the D1091 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8256. Public motor vehicle use of the D1091 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8257. The D1091 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8258. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1091 Road.

8259. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1091 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1096 Road

8260. The D1096 Road is designated as county road number D1096 and SGID road identification number RD191495 and is more or less .36 miles long.

8261. Exhibit 668 (attached hereto and incorporated herein) contains certain information pertaining to the D1096 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8262. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1096 Road solely as it crosses United States public land as included and specifically described in Exhibit 668. The D1096 Road includes the segment of road specifically

set forth in Exhibit 668 and as exists on the ground.

Acceptance of the D1096 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8263. The D1096 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8264. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1096 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8265. The D1096 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1096 Road pursuant to the County's governmental right and authority.

8266. Witnesses with personal knowledge of the history of the D1096 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8267. Currently known reputation in the community is that the D1096 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8268. Public motor vehicle use of the D1096 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

8269. The D1096 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8270. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1096 Road.

8271. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1096 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2379 Road

8272. The D2379 Road is designated as county road number D2379 and SGID road identification number RD192167 and is more or less 2.29 miles long.

8273. Exhibit 669 (attached hereto and incorporated herein) contains certain information pertaining to the D2379 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8274. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2379 Road solely as it crosses United States public land as included and specifically described in Exhibit 669. The D2379 Road includes the segment of road specifically set forth in Exhibit 669 and as exists on the ground.

Acceptance of the D2379 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8275. The D2379 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8276. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2379 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8277. The D2379 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2379 Road pursuant to the County's governmental right and authority.

8278. Witnesses with personal knowledge of the history of the D2379 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8279. Currently known reputation in the community is that the D2379 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8280. Public motor vehicle use of the D2379 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8281. The D2379 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8282. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2379 Road.

8283. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2379 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2797 Road

8284. The D2797 Road is designated as county road number D2797 and SGID road identification number RD192360 and is more or less 3.12 miles long.

8285. Exhibit 670 (attached hereto and incorporated herein) contains certain information pertaining to the D2797 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8286. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2797 Road solely as it crosses United States public land as included and specifically described in Exhibit 670. The D2797 Road includes the segment of road specifically set forth in Exhibit 670 and as exists on the ground.

Acceptance of the D2797 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8287. The D2797 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8288. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2797 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8289. The appearance of the D2797 Road on the Ray Mesa (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8290. The County confirmed its acceptance of the D2797 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2797 Road pursuant to the County's governmental right and authority.

8291. Witnesses with personal knowledge of the history of the D2797 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8292. Currently known reputation in the community is that the D2797 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

8293. Public motor vehicle use of the D2797 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8294. The D2797 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8295. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2797 Road.

8296. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2797 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2798 Road

8297. The D2798 Road is designated as county road number D2798 and SGID road identification number RD192361 and is more or less 1.41 miles long.

8298. Exhibit 671 (attached hereto and incorporated herein) contains certain information pertaining to the D2798 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8299. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D2798 Road solely as it crosses United States public land as included and specifically described in Exhibit 671. The D2798 Road includes the segment of road specifically set forth in Exhibit 671 and as exists on the ground.

Acceptance of the D2798 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8300. The D2798 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8301. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2798 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8302. The D2798 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2798 Road pursuant to the County's governmental right and authority.

8303. Witnesses with personal knowledge of the history of the D2798 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8304. Currently known reputation in the community is that the D2798 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8305. Public motor vehicle use of the D2798 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8306. The D2798 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8307. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2798 Road.

8308. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2798 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2799 Road

8309. The D2799 Road is designated as county road number D2799 and SGID road identification number RD192362 and is more or less .56 miles long.

8310. Exhibit 672 (attached hereto and incorporated herein) contains certain information pertaining to the D2799 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8311. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2799 Road solely as it crosses United States public land as included and specifically described in Exhibit 672. The D2799 Road includes the segment of road specifically

set forth in Exhibit 672 and as exists on the ground.

Acceptance of the D2799 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8312. The D2799 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8313. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2799 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8314. The D2799 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2799 Road pursuant to the County's governmental right and authority.

8315. Witnesses with personal knowledge of the history of the D2799 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8316. Currently known reputation in the community is that the D2799 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8317. Public motor vehicle use of the D2799 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

8318. The D2799 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8319. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2799 Road.

8320. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2799 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2800 Road

8321. The D2800 Road is designated as county road number D2800 and SGID road identification number RD192363 and is more or less .78 miles long.

8322. Exhibit 673 (attached hereto and incorporated herein) contains certain information pertaining to the D2800 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8323. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2800 Road solely as it crosses United States public land as included and specifically described in Exhibit 673. The D2800 Road includes the segment of road specifically set forth in Exhibit 673 and as exists on the ground.

Acceptance of the D2800 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8324. The D2800 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8325. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2800 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8326. The D2800 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2800 Road pursuant to the County's governmental right and authority.

8327. Witnesses with personal knowledge of the history of the D2800 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8328. Currently known reputation in the community is that the D2800 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8329. Public motor vehicle use of the D2800 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8330. The D2800 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8331. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2800 Road.

8332. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2800 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2801 Road

8333. The D2801 Road is designated as county road number D2801 and SGID road identification number RD192364 and is more or less .48 miles long.

8334. Exhibit 674 (attached hereto and incorporated herein) contains certain information pertaining to the D2801 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8335. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2801 Road solely as it crosses United States public land as included and specifically described in Exhibit 674. The D2801 Road includes the segment of road specifically set forth in Exhibit 674 and as exists on the ground.

Acceptance of the D2801 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8336. The D2801 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8337. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2801 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8338. The D2801 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2801 Road pursuant to the County's governmental right and authority.

8339. Witnesses with personal knowledge of the history of the D2801 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8340. Currently known reputation in the community is that the D2801 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8341. Public motor vehicle use of the D2801 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8342. The D2801 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8343. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2801 Road.

8344. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2801 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2803 Road

8345. The D2803 Road is designated as county road number D2803 and SGID road identification number RD192366and is more or less .41 miles long.

8346. Exhibit 675 (attached hereto and incorporated herein) contains certain information pertaining to the D2803 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8347. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2803 Road solely as it crosses United States public land as included and specifically described in Exhibit 675. The D2803 Road includes the segment of road specifically set forth in Exhibit 675 and as exists on the ground.

Acceptance of the D2803 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8348. The D2803 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8349. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2803 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8350. The D2803 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2803 Road pursuant to the County's governmental right and authority.

8351. Witnesses with personal knowledge of the history of the D2803 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8352. Currently known reputation in the community is that the D2803 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8353. Public motor vehicle use of the D2803 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8354. The D2803 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8355. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2803 Road.

8356. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2803 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2804 Road

8357. The D2804 Road is designated as county road number D2804 and SGID road identification number RD192367 and is more or less .90 miles long.

8358. Exhibit 676 (attached hereto and incorporated herein) contains certain information pertaining to the D2804 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8359. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2804 Road solely as it crosses United States public land as included and specifically described in Exhibit 676. The D2804 Road includes the segment of road specifically set forth in Exhibit 676 and as exists on the ground.

Acceptance of the D2804 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8360. The D2804 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8361. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2804 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8362. The D2804 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2804 Road pursuant to the County's governmental right and authority.

8363. Witnesses with personal knowledge of the history of the D2804 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8364. Currently known reputation in the community is that the D2804 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8365. Public motor vehicle use of the D2804 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8366. The D2804 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8367. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2804 Road.

8368. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2804 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2807 Road

8369. The D2807 Road is designated as county road number D2807 and SGID road identification number RD192369 and is more or less 1.19 miles long.

8370. Exhibit 677 (attached hereto and incorporated herein) contains certain information pertaining to the D2807 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8371. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2807 Road solely as it crosses United States public land as included and specifically described in Exhibit 677. The D2807 Road includes the segment of road specifically set forth in Exhibit 677 and as exists on the ground.

Acceptance of the D2807 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8372. The D2807 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8373. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2807 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8374. The D2807 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2807 Road pursuant to the County's governmental right and authority.

8375. Witnesses with personal knowledge of the history of the D2807 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8376. Currently known reputation in the community is that the D2807 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8377. Public motor vehicle use of the D2807 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8378. The D2807 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8379. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2807 Road.

8380. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2807 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2810 Road

8381. The D2810 Road is designated as county road number D2810 and SGID road identification number RD192370 and is more or less .79 miles long.

8382. Exhibit 678 (attached hereto and incorporated herein) contains certain information pertaining to the D2810 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8383. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2810 Road solely as it crosses United States public land as included and specifically described in Exhibit 678. The D2810 Road includes the segment of road specifically set forth in Exhibit 678 and as exists on the ground.

Acceptance of the D2810 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8384. The D2810 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8385. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2810 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8386. The D2810 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2810 Road pursuant to the County's governmental right and authority.

8387. Witnesses with personal knowledge of the history of the D2810 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8388. Currently known reputation in the community is that the D2810 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8389. Public motor vehicle use of the D2810 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8390. The D2810 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8391. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2810 Road.

8392. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2810 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2811 Road

8393. The D2811 Road is designated as county road number D2811 and SGID road identification number RD192371 and is more or less .36 miles long.

8394. Exhibit 679 (attached hereto and incorporated herein) contains certain information pertaining to the D2811 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8395. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2811 Road solely as it crosses United States public land as included and specifically described in Exhibit 679. The D2811 Road includes the segment of road specifically set forth in Exhibit 679 and as exists on the ground.

Acceptance of the D2811 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8396. The D2811 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8397. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2811 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8398. The D2811 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2811 Road pursuant to the County's governmental right and authority.

8399. Witnesses with personal knowledge of the history of the D2811 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8400. Currently known reputation in the community is that the D2811 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8401. Public motor vehicle use of the D2811 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8402. The D2811 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8403. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2811 Road.

8404. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2811 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2814 Road

8405. The D2814 Road is designated as county road number D2814 and SGID road identification number RD192372 and is more or less .80 miles long.

8406. Exhibit 680 (attached hereto and incorporated herein) contains certain information pertaining to the D2814 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8407. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2814 Road solely as it crosses United States public land as included and specifically described in Exhibit 680. The D2814 Road includes the segment of road specifically set forth in Exhibit 680 and as exists on the ground.

Acceptance of the D2814 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8408. The D2814 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8409. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2814 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8410. The D2814 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2814 Road pursuant to the County's governmental right and authority.

8411. Witnesses with personal knowledge of the history of the D2814 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8412. Currently known reputation in the community is that the D2814 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8413. Public motor vehicle use of the D2814 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8414. The D2814 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8415. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2814 Road.

8416. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2814 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2815 Road

8417. The D2815 Road is designated as county road number D2815 and SGID road identification number RD192373 and is more or less .69 miles long.

8418. Exhibit 681 (attached hereto and incorporated herein) contains certain information pertaining to the D2815 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8419. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2815 Road solely as it crosses United States public land as included and specifically described in Exhibit 681. The D2815 Road includes the segment of road specifically set forth in Exhibit 681 and as exists on the ground.

Acceptance of the D2815 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8420. The D2815 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8421. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2815 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8422. The D2815 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2815 Road pursuant to the County's governmental right and authority.

8423. Witnesses with personal knowledge of the history of the D2815 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8424. Currently known reputation in the community is that the D2815 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8425. Public motor vehicle use of the D2815 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8426. The D2815 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8427. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2815 Road.

8428. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2815 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2818 Road

8429. The D2818 Road is designated as county road number D2818 and SGID road identification number RD192376 and is more or less 1.66 miles long.

8430. Exhibit 682 (attached hereto and incorporated herein) contains certain information pertaining to the D2818 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8431. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2818 Road solely as it crosses United States public land as included and specifically described in Exhibit 682. The D2818 Road includes the segment of road specifically set forth in Exhibit 682 and as exists on the ground.

Acceptance of the D2818 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8432. The D2818 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8433. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2818 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8434. The D2818 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2818 Road pursuant to the County's governmental right and authority.

8435. Witnesses with personal knowledge of the history of the D2818 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8436. Currently known reputation in the community is that the D2818 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8437. Public motor vehicle use of the D2818 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8438. The D2818 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8439. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2818 Road.

8440. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2818 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2820 Road

8441. The D2820 Road is designated as county road number D2820 and SGID road identification number RD192377 and is more or less .78 miles long.

8442. Exhibit 683 (attached hereto and incorporated herein) contains certain information pertaining to the D2820 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8443. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2820 Road solely as it crosses United States public land as included and specifically described in Exhibit 683. The D2820 Road includes the segment of road specifically set forth in Exhibit 683 and as exists on the ground.

Acceptance of the D2820 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8444. The D2820 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8445. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2820 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8446. The D2820 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2820 Road pursuant to the County's governmental right and authority.

8447. Witnesses with personal knowledge of the history of the D2820 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8448. Currently known reputation in the community is that the D2820 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8449. Public motor vehicle use of the D2820 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8450. The D2820 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8451. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2820 Road.

8452. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2820 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2821 Road

8453. The D2821 Road is designated as county road number D2821 and SGID road identification number RD190711 and is more or less 5.62 miles long.

8454. Exhibit 684 (attached hereto and incorporated herein) contains certain information pertaining to the D2821 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8455. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2821 Road solely as it crosses United States public land as included and specifically described in Exhibit 684. The D2821 Road includes the segment of road specifically set forth in Exhibit 684 and as exists on the ground.

Acceptance of the D2821 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8456. The D2821 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8457. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2821 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8458. The D2821 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2821 Road pursuant to the County's governmental right and authority.

8459. Witnesses with personal knowledge of the history of the D2821 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8460. Currently known reputation in the community is that the D2821 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8461. Public motor vehicle use of the D2821 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8462. The D2821 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8463. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2821 Road.

8464. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2821 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2822 Road

8465. The D2822 Road is designated as county road number D2822 and SGID road identification number RD192378 and is more or less 2.79 miles long.

8466. Exhibit 685 (attached hereto and incorporated herein) contains certain information pertaining to the D2822 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8467. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2822 Road solely as it crosses United States public land as included and specifically described in Exhibit 685. The D2822 Road includes the segment of road specifically set forth in Exhibit 685 and as exists on the ground.

Acceptance of the D2822 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8468. The D2822 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8469. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2822 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8470. The D2822 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2822 Road pursuant to the County's governmental right and authority.

8471. Witnesses with personal knowledge of the history of the D2822 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8472. Currently known reputation in the community is that the D2822 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8473. Public motor vehicle use of the D2822 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8474. The D2822 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8475. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2822 Road.

8476. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2822 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2823 Road

8477. The D2823 Road is designated as county road number D2823 and SGID road identification number RD192379 and is more or less 1.10 miles long.

8478. Exhibit 686 (attached hereto and incorporated herein) contains certain information pertaining to the D2823 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8479. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2823 Road solely as it crosses United States public land as included and specifically described in Exhibit 686. The D2823 Road includes the segment of road specifically set forth in Exhibit 686 and as exists on the ground.

Acceptance of the D2823 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8480. The D2823 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8481. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2823 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8482. The D2823 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2823 Road pursuant to the County's governmental right and authority.

8483. Witnesses with personal knowledge of the history of the D2823 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8484. Currently known reputation in the community is that the D2823 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8485. Public motor vehicle use of the D2823 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8486. The D2823 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8487. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2823 Road.

8488. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2823 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2824 Road

8489. The D2824 Road is designated as county road number D2824 and SGID road identification number RD192380 and is more or less 1.20 miles long.

8490. Exhibit 687 (attached hereto and incorporated herein) contains certain information pertaining to the D2824 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8491. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2824 Road solely as it crosses United States public land as included and specifically described in Exhibit 687. The D2824 Road includes the segment of road specifically set forth in Exhibit 687 and as exists on the ground.

Acceptance of the D2824 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8492. The D2824 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8493. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2824 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8494. The D2824 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2824 Road pursuant to the County's governmental right and authority.

8495. Witnesses with personal knowledge of the history of the D2824 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8496. Currently known reputation in the community is that the D2824 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8497. Public motor vehicle use of the D2824 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8498. The D2824 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8499. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2824 Road.

8500. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2824 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2826 Road

8501. The D2826 Road is designated as county road number D2826 and SGID road identification number RD192381 and is more or less 1.80 miles long.

8502. Exhibit 688 (attached hereto and incorporated herein) contains certain information pertaining to the D2826 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8503. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2826 Road solely as it crosses United States public land as included and specifically described in Exhibit 688. The D2826 Road includes the segment of road specifically set forth in Exhibit 688 and as exists on the ground.

Acceptance of the D2826 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8504. The D2826 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8505. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2826 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8506. The D2826 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2826 Road pursuant to the County's governmental right and authority.

8507. Witnesses with personal knowledge of the history of the D2826 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8508. Currently known reputation in the community is that the D2826 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8509. Public motor vehicle use of the D2826 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8510. The D2826 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8511. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2826 Road.

8512. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2826 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2827 Road

8513. The D2827 Road is designated as county road number D2827 and SGID road identification number RD192382 and is more or less .28 miles long.

8514. Exhibit 689 (attached hereto and incorporated herein) contains certain information pertaining to the D2827 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8515. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2827 Road solely as it crosses United States public land as included and specifically described in Exhibit 689. The D2827 Road includes the segment of road specifically set forth in Exhibit 689 and as exists on the ground.

Acceptance of the D2827 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8516. The D2827 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8517. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2827 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8518. The D2827 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2827 Road pursuant to the County's governmental right and authority.

8519. Witnesses with personal knowledge of the history of the D2827 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8520. Currently known reputation in the community is that the D2827 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8521. Public motor vehicle use of the D2827 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8522. The D2827 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8523. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2827 Road.

8524. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2827 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2828 Road

8525. The D2828 Road is designated as county road number D2828 and SGID road identification number RD192383 and is more or less 2.65 miles long.

8526. Exhibit 690 (attached hereto and incorporated herein) contains certain information pertaining to the D2828 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8527. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2828 Road solely as it crosses United States public land as included and specifically described in Exhibit 690. The D2828 Road includes the segment of road specifically set forth in Exhibit 690 and as exists on the ground.

Acceptance of the D2828 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8528. The D2828 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8529. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2828 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8530. The D2828 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2828 Road pursuant to the County's governmental right and authority.

8531. Witnesses with personal knowledge of the history of the D2828 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8532. Currently known reputation in the community is that the D2828 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8533. Public motor vehicle use of the D2828 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8534. The D2828 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8535. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2828 Road.

8536. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2828 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2829 Road

8537. The D2829 Road is designated as county road number D2829 and SGID road identification number RD192384 and is more or less .46 miles long.

8538. Exhibit 691 (attached hereto and incorporated herein) contains certain information pertaining to the D2829 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8539. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2829 Road solely as it crosses United States public land as included and specifically described in Exhibit 691. The D2829 Road includes the segment of road specifically set forth in Exhibit 691 and as exists on the ground.

Acceptance of the D2829 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8540. The D2829 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8541. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2829 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8542. The D2829 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2829 Road pursuant to the County's governmental right and authority.

8543. Witnesses with personal knowledge of the history of the D2829 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8544. Currently known reputation in the community is that the D2829 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8545. Public motor vehicle use of the D2829 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8546. The D2829 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8547. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2829 Road.

8548. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2829 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2830 Road

8549. The D2830 Road is designated as county road number D2830 and SGID road identification number RD192385 and is more or less .83 miles long.

8550. Exhibit 692 (attached hereto and incorporated herein) contains certain information pertaining to the D2830 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8551. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2830 Road solely as it crosses United States public land as included and specifically described in Exhibit 692. The D2830 Road includes the segment of road specifically set forth in Exhibit 692 and as exists on the ground.

Acceptance of the D2830 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8552. The D2830 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8553. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2830 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8554. The D2830 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2830 Road pursuant to the County's governmental right and authority.

8555. Witnesses with personal knowledge of the history of the D2830 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8556. Currently known reputation in the community is that the D2830 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8557. Public motor vehicle use of the D2830 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8558. The D2830 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8559. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2830 Road.

8560. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2830 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2891 Road

8561. The D2891 Road is designated as county road number D2891 and SGID road identification number RD192420 and is more or less 1.01 miles long.

8562. Exhibit 693 (attached hereto and incorporated herein) contains certain information pertaining to the D2891 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8563. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2891 Road solely as it crosses United States public land as included and specifically described in Exhibit 693. The D2891 Road includes the segment of road specifically set forth in Exhibit 693 and as exists on the ground.

Acceptance of the D2891 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8564. The D2891 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8565. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2891 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8566. The appearance of the D2891 Road on the Ray Mesa (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8567. The D2891 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2891 Road pursuant to the County's governmental right and authority.

8568. Witnesses with personal knowledge of the history of the D2891 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8569. Currently known reputation in the community is that the D2891 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8570. Public motor vehicle use of the D2891 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8571. The D2891 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8572. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2891 Road.

8573. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2891 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2892 Road

8574. The D2892 Road is designated as county road number D2892 and SGID road identification number RD192421 and is more or less .61 miles long.

8575. Exhibit 694 (attached hereto and incorporated herein) contains certain information pertaining to the D2892 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8576. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2892 Road solely as it crosses United States public land as included and

specifically described in Exhibit 694. The D2892 Road includes the segment of road specifically set forth in Exhibit 694 and as exists on the ground.

Acceptance of the D2892 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8577. The D2892 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8578. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2892 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8579. The D2892 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2892 Road pursuant to the County's governmental right and authority.

8580. Witnesses with personal knowledge of the history of the D2892 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8581. Currently known reputation in the community is that the D2892 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8582. Public motor vehicle use of the D2892 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8583. The D2892 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8584. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2892 Road.

8585. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2892 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2898 Road

8586. The D2898 Road is designated as county road number D2898 and SGID road identification number RD192427 and is more or less .48 miles long.

8587. Exhibit 695 (attached hereto and incorporated herein) contains certain information pertaining to the D2898 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8588. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2898 Road solely as it crosses United States public land as included and specifically described in Exhibit 695. The D2898 Road includes the segment of road specifically set forth in Exhibit 695 and as exists on the ground.

Acceptance of the D2898 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8589. The D2898 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8590. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2898 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8591. The D2898 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2898 Road pursuant to the County's governmental right and authority.

8592. Witnesses with personal knowledge of the history of the D2898 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8593. Currently known reputation in the community is that the D2898 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8594. Public motor vehicle use of the D2898 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8595. The D2898 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8596. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2898 Road.

8597. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2898 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2899 Road

8598. The D2899 Road is designated as county road number D2899 and SGID road identification number RD192428 and is more or less .96 miles long.

8599. Exhibit 696 (attached hereto and incorporated herein) contains certain information pertaining to the D2899 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8600. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2899 Road solely as it crosses United States public land as included and specifically described in Exhibit 696. The D2899 Road includes the segment of road specifically set forth in Exhibit 696 and as exists on the ground.

Acceptance of the D2899 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8601. The D2899 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8602. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2899 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8603. The D2899 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2899 Road pursuant to the County's governmental right and authority.

8604. Witnesses with personal knowledge of the history of the D2899 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8605. Currently known reputation in the community is that the D2899 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8606. Public motor vehicle use of the D2899 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8607. The D2899 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8608. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2899 Road.

8609. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2899 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2902 Road

8610. The D2902 Road is designated as county road number D2902 and SGID road identification number RD192429 and is more or less .69 miles long.

8611. Exhibit 697 (attached hereto and incorporated herein) contains certain information pertaining to the D2902 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8612. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2902 Road solely as it crosses United States public land as included and specifically described in Exhibit 697. The D2902 Road includes the segment of road specifically set forth in Exhibit 697 and as exists on the ground.

Acceptance of the D2902 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8613. The D2902 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8614. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2902 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8615. The D2902 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2902 Road pursuant to the County's governmental right and authority.

8616. Witnesses with personal knowledge of the history of the D2902 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8617. Currently known reputation in the community is that the D2902 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8618. Public motor vehicle use of the D2902 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8619. The D2902 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8620. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2902 Road.

8621. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2902 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2906 Road

8622. The D2906 Road is designated as county road number D2906 and SGID road identification number RD192431 and is more or less .75 miles long.

8623. Exhibit 698 (attached hereto and incorporated herein) contains certain information pertaining to the D2906 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8624. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2906 Road solely as it crosses United States public land as included and specifically described in Exhibit 698. The D2906 Road includes the segment of road specifically set forth in Exhibit 698 and as exists on the ground.

Acceptance of the D2906 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8625. The D2906 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8626. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2906 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8627. The D2906 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2906 Road pursuant to the County's governmental right and authority.

8628. Witnesses with personal knowledge of the history of the D2906 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8629. Currently known reputation in the community is that the D2906 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8630. Public motor vehicle use of the D2906 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8631. The D2906 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8632. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2906 Road.

8633. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2906 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2907 Road

8634. The D2907 Road is designated as county road number D2907 and SGID road identification number RD192432 and is more or less .68 miles long.

8635. Exhibit 699 (attached hereto and incorporated herein) contains certain information pertaining to the D2907 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8636. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2907 Road solely as it crosses United States public land as included and specifically described in Exhibit 699. The D2907 Road includes the segment of road specifically set forth in Exhibit 699 and as exists on the ground.

Acceptance of the D2907 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8637. The D2907 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8638. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2907 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8639. The D2907 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2907 Road pursuant to the County's governmental right and authority.

8640. Witnesses with personal knowledge of the history of the D2907 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8641. Currently known reputation in the community is that the D2907 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8642. Public motor vehicle use of the D2907 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8643. The D2907 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8644. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2907 Road.

8645. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2907 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2913 Road

8646. The D2913 Road is designated as county road number D2913 and SGID road identification number RD192434 and is more or less 2.19 miles long.

8647. Exhibit 700 (attached hereto and incorporated herein) contains certain information pertaining to the D2913 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8648. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2913 Road solely as it crosses United States public land as included and specifically described in Exhibit 700. The D2913 Road includes the segment of road specifically set forth in Exhibit 700 and as exists on the ground.

Acceptance of the D2913 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8649. The D2913 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8650. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2913 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8651. The D2913 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2913 Road pursuant to the County's governmental right and authority.

8652. Witnesses with personal knowledge of the history of the D2913 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8653. Currently known reputation in the community is that the D2913 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8654. Public motor vehicle use of the D2913 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8655. The D2913 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8656. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2913 Road.

8657. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2913 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2915 Road

8658. The D2915 Road is designated as county road number D2915 and SGID road identification number RD192436 and is more or less 1.14 miles long.

8659. Exhibit 701 (attached hereto and incorporated herein) contains certain information pertaining to the D2915 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8660. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2915 Road solely as it crosses United States public land as included and specifically described in Exhibit 701. The D2915 Road includes the segment of road specifically set forth in Exhibit 701 and as exists on the ground.

Acceptance of the D2915 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8661. The D2915 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8662. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2915 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8663. The D2915 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2915 Road pursuant to the County's governmental right and authority.

8664. Witnesses with personal knowledge of the history of the D2915 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8665. Currently known reputation in the community is that the D2915 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8666. Public motor vehicle use of the D2915 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8667. The D2915 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8668. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2915 Road.

8669. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2915 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2916 Road

8670. The D2916 Road is designated as county road number D2916 and SGID road identification number RD192437 and is more or less 1.69 miles long.

8671. Exhibit 702 (attached hereto and incorporated herein) contains certain information pertaining to the D2916 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8672. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2916 Road solely as it crosses United States public land as included and specifically described in Exhibit 702. The D2916 Road includes the segment of road specifically set forth in Exhibit 702 and as exists on the ground.

Acceptance of the D2916 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8673. The D2916 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8674. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2916 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8675. The appearance of the D2916 Road on the La Sal East (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8676. The D2916 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2916 Road pursuant to the County's governmental right and authority.

8677. Witnesses with personal knowledge of the history of the D2916 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8678. Currently known reputation in the community is that the D2916 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8679. Public motor vehicle use of the D2916 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8680. The D2916 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8681. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2916 Road.

8682. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2916 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2920 Road

8683. The D2920 Road is designated as county road number D2920 and SGID road identification number RD192438 and is more or less .61 miles long.

8684. Exhibit 703 (attached hereto and incorporated herein) contains certain information pertaining to the D2920 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8685. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2920 Road solely as it crosses United States public land as included and

specifically described in Exhibit 703. The D2920 Road includes the segment of road specifically set forth in Exhibit 703 and as exists on the ground.

Acceptance of the D2920 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8686. The D2920 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8687. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2920 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8688. The D2920 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2920 Road pursuant to the County's governmental right and authority.

8689. Witnesses with personal knowledge of the history of the D2920 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8690. Currently known reputation in the community is that the D2920 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8691. Public motor vehicle use of the D2920 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8692. The D2920 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8693. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2920 Road.

8694. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2920 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2921 Road

8695. The D2921 Road is designated as county road number D2921 and SGID road identification number RD192439 and is more or less .75 miles long.

8696. Exhibit 704 (attached hereto and incorporated herein) contains certain information pertaining to the D2921 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8697. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2921 Road solely as it crosses United States public land as included and specifically described in Exhibit 704. The D2921 Road includes the segment of road specifically set forth in Exhibit 704 and as exists on the ground.

Acceptance of the D2921 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8698. The D2921 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8699. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2921 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8700. The D2921 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2921 Road pursuant to the County's governmental right and authority.

8701. Witnesses with personal knowledge of the history of the D2921 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8702. Currently known reputation in the community is that the D2921 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8703. Public motor vehicle use of the D2921 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8704. The D2921 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8705. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2921 Road.

8706. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2921 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2922 Road

8707. The D2922 Road is designated as county road number D2922 and SGID road identification number RD192440 and is more or less 1.20 miles long.

8708. Exhibit 705 (attached hereto and incorporated herein) contains certain information pertaining to the D2922 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8709. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2922 Road solely as it crosses United States public land as included and specifically described in Exhibit 705. The D2922 Road includes the segment of road specifically set forth in Exhibit 705 and as exists on the ground.

Acceptance of the D2922 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8710. The D2922 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8711. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2922 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8712. The D2922 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2922 Road pursuant to the County's governmental right and authority.

8713. Witnesses with personal knowledge of the history of the D2922 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8714. Currently known reputation in the community is that the D2922 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8715. Public motor vehicle use of the D2922 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8716. The D2922 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8717. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2922 Road.

8718. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2922 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2923 Road

8719. The D2923 Road is designated as county road number D2923 and SGID road identification number RD192441 and is more or less 3.06 miles long.

8720. Exhibit 706 (attached hereto and incorporated herein) contains certain information pertaining to the D2923 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8721. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2923 Road solely as it crosses United States public land as included and specifically described in Exhibit 706. The D2923 Road includes the segment of road specifically set forth in Exhibit 706 and as exists on the ground.

Acceptance of the D2923 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8722. The D2923 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8723. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2923 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8724. The D2923 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2923 Road pursuant to the County's governmental right and authority.

8725. Witnesses with personal knowledge of the history of the D2923 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8726. Currently known reputation in the community is that the D2923 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8727. Public motor vehicle use of the D2923 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8728. The D2923 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8729. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2923 Road.

8730. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2923 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2926 Road

8731. The D2926 Road is designated as county road number D2926 and SGID road identification number RD192443 and is more or less .69 miles long.

8732. Exhibit 707 (attached hereto and incorporated herein) contains certain information pertaining to the D2926 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8733. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2926 Road solely as it crosses United States public land as included and specifically described in Exhibit 707. The D2926 Road includes the segment of road specifically set forth in Exhibit 707 and as exists on the ground.

Acceptance of the D2926 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8734. The D2926 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8735. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2926 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8736. The D2926 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2926 Road pursuant to the County's governmental right and authority.

8737. Witnesses with personal knowledge of the history of the D2926 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8738. Currently known reputation in the community is that the D2926 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8739. Public motor vehicle use of the D2926 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8740. The D2926 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8741. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2926 Road.

8742. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2926 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2929 Road

8743. The D2929 Road is designated as county road number D2929 and SGID road identification number RD192445 and is more or less .32 miles long.

8744. Exhibit 708 (attached hereto and incorporated herein) contains certain information pertaining to the D2929 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8745. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2929 Road solely as it crosses United States public land as included and specifically described in Exhibit 708. The D2929 Road includes the segment of road specifically set forth in Exhibit 708 and as exists on the ground.

Acceptance of the D2929 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8746. The D2929 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8747. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2929 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8748. The D2929 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2929 Road pursuant to the County's governmental right and authority.

8749. Witnesses with personal knowledge of the history of the D2929 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8750. Currently known reputation in the community is that the D2929 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8751. Public motor vehicle use of the D2929 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8752. The D2929 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8753. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2929 Road.

8754. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2929 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2930 Road

8755. The D2930 Road is designated as county road number D2930 and SGID road identification number RD192446 and is more or less .31 miles long.

8756. Exhibit 709 (attached hereto and incorporated herein) contains certain information pertaining to the D2930 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8757. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2930 Road solely as it crosses United States public land as included and specifically described in Exhibit 709. The D2930 Road includes the segment of road specifically set forth in Exhibit 709 and as exists on the ground.

Acceptance of the D2930 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8758. The D2930 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8759. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2930 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8760. The D2930 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2930 Road pursuant to the County's governmental right and authority.

8761. Witnesses with personal knowledge of the history of the D2930 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8762. Currently known reputation in the community is that the D2930 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8763. Public motor vehicle use of the D2930 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8764. The D2930 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8765. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2930 Road.

8766. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2930 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2931 Road

8767. The D2931 Road is designated as county road number D2931 and SGID road identification number RD192447 and is more or less .49 miles long.

8768. Exhibit 710 (attached hereto and incorporated herein) contains certain information pertaining to the D2931 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8769. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2931 Road solely as it crosses United States public land as included and specifically described in Exhibit 710. The D2931 Road includes the segment of road specifically set forth in Exhibit 710 and as exists on the ground.

Acceptance of the D2931 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8770. The D2931 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8771. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2931 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8772. The appearance of the D2931 Road on the La Sal East (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8773. The D2931 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2931 Road pursuant to the County's governmental right and authority.

8774. Witnesses with personal knowledge of the history of the D2931 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8775. Currently known reputation in the community is that the D2931 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8776. Public motor vehicle use of the D2931 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8777. The D2931 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8778. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2931 Road.

8779. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2931 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2933 Road

8780. The D2933 Road is designated as county road number D2933 and SGID road identification number RD190714 and is more or less 3.63 miles long.

8781. Exhibit 711 (attached hereto and incorporated herein) contains certain information pertaining to the D2933 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8782. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2933 Road solely as it crosses United States public land as included and

specifically described in Exhibit 711. The D2933 Road includes the segment of road specifically set forth in Exhibit 711 and as exists on the ground.

Acceptance of the D2933 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8783. The D2933 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8784. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2933 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8785. The appearance of the D2933 Road on the La Sal East (1954) and Lisbon Valley (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8786. The County confirmed its acceptance of the D2933 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2933 Road pursuant to the County's governmental right and authority.

8787. Witnesses with personal knowledge of the history of the D2933 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8788. Currently known reputation in the community is that the D2933 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8789. Public motor vehicle use of the D2933 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8790. The D2933 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8791. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2933 Road.

8792. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2933 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2934 Road

8793. The D2934 Road is designated as county road number D2934 and SGID road identification number RD192449 and is more or less 2.11 miles long.

8794. Exhibit 712 (attached hereto and incorporated herein) contains certain information pertaining to the D2934 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

8795. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2934 Road solely as it crosses United States public land as included and specifically described in Exhibit 712. The D2934 Road includes the segment of road specifically set forth in Exhibit 712 and as exists on the ground.

Acceptance of the D2934 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8796. The D2934 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8797. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2934 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8798. The County confirmed its acceptance of the D2934 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2934 Road pursuant to the County's governmental right and authority.

8799. Witnesses with personal knowledge of the history of the D2934 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8800. Currently known reputation in the community is that the D2934 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8801. Public motor vehicle use of the D2934 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8802. The D2934 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8803. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2934 Road.

8804. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2934 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2936 Road

8805. The D2936 Road is designated as county road number D2936 and SGID road identification number RD192451 and is more or less .90 miles long.

8806. Exhibit 713 (attached hereto and incorporated herein) contains certain information pertaining to the D2936 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8807. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2936 Road solely as it crosses United States public land as included and specifically described in Exhibit 713. The D2936 Road includes the segment of road specifically set forth in Exhibit 713 and as exists on the ground.

Acceptance of the D2936 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8808. The D2936 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8809. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2936 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8810. The D2936 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2936 Road pursuant to the County's governmental right and authority.

8811. Witnesses with personal knowledge of the history of the D2936 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8812. Currently known reputation in the community is that the D2936 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8813. Public motor vehicle use of the D2936 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8814. The D2936 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8815. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2936 Road.

8816. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2936 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2937 Road

8817. The D2937 Road is designated as county road number D2937 and SGID road identification number RD190715 and is more or less 2.17 miles long.

8818. Exhibit 714 (attached hereto and incorporated herein) contains certain information pertaining to the D2937 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8819. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2937 Road solely as it crosses United States public land as included and

specifically described in Exhibit 714. The D2937 Road includes the segment of road specifically set forth in Exhibit 714 and as exists on the ground.

Acceptance of the D2937 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8820. The D2937 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8821. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2937 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8822. The appearance of the D2937 Road on the La Sal East (1954) and Lisbon Valley (1954) USGS 7.5-minute quadrangle map and the La Sal (1954) and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8823. The D2937 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2937 Road pursuant to the County's governmental right and authority.

8824. Witnesses with personal knowledge of the history of the D2937 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8825. Currently known reputation in the community is that the D2937 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8826. Public motor vehicle use of the D2937 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8827. The D2937 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8828. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2937 Road.

8829. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2937 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2938 Road

8830. The D2938 Road is designated as county road number D2938 and SGID road identification number RD192452 and is more or less 1.30 miles long.

8831. Exhibit 715 (attached hereto and incorporated herein) contains certain information pertaining to the D2938 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8832. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2938 Road solely as it crosses United States public land as included and specifically described in Exhibit 715. The D2938 Road includes the segment of road specifically set forth in Exhibit 715 and as exists on the ground.

Acceptance of the D2938 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8833. The D2938 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8834. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2938 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8835. The D2938 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2938 Road pursuant to the County's governmental right and authority.

8836. Witnesses with personal knowledge of the history of the D2938 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8837. Currently known reputation in the community is that the D2938 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8838. Public motor vehicle use of the D2938 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8839. The D2938 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8840. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2938 Road.

8841. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2938 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2939 Road

8842. The D2939 Road is designated as county road number D2939 and SGID road identification number RD192453 and is more or less .73 miles long.

8843. Exhibit 716 (attached hereto and incorporated herein) contains certain information pertaining to the D2939 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8844. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2939 Road solely as it crosses United States public land as included and

specifically described in Exhibit 716. The D2939 Road includes the segment of road specifically set forth in Exhibit 716 and as exists on the ground.

Acceptance of the D2939 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8845. The D2939 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8846. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2939 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8847. The D2939 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2939 Road pursuant to the County's governmental right and authority.

8848. Witnesses with personal knowledge of the history of the D2939 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8849. Currently known reputation in the community is that the D2939 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8850. Public motor vehicle use of the D2939 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8851. The D2939 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8852. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2939 Road.

8853. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2939 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2941 Road

8854. The D2941 Road is designated as county road number D2941 and SGID road identification number RD192455 and is more or less 1.02 miles long.

8855. Exhibit 717 (attached hereto and incorporated herein) contains certain information pertaining to the D2941 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8856. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2941 Road solely as it crosses United States public land as included and specifically described in Exhibit 717. The D2941 Road includes the segment of road specifically set forth in Exhibit 717 and as exists on the ground.

Acceptance of the D2941 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8857. The D2941 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8858. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2941 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8859. The D2941 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2941 Road pursuant to the County's governmental right and authority.

8860. Witnesses with personal knowledge of the history of the D2941 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8861. Currently known reputation in the community is that the D2941 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8862. Public motor vehicle use of the D2941 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8863. The D2941 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8864. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2941 Road.

8865. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2941 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2943 Road

8866. The D2943 Road is designated as county road number D2943 and SGID road identification number RD192457 and is more or less .96 miles long.

8867. Exhibit 718 (attached hereto and incorporated herein) contains certain information pertaining to the D2943 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8868. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2943 Road solely as it crosses United States public land as included and specifically described in Exhibit 718. The D2943 Road includes the segment of road specifically set forth in Exhibit 718 and as exists on the ground.

Acceptance of the D2943 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8869. The D2943 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8870. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2943 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8871. The D2943 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2943 Road pursuant to the County's governmental right and authority.

8872. Witnesses with personal knowledge of the history of the D2943 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8873. Currently known reputation in the community is that the D2943 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8874. Public motor vehicle use of the D2943 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8875. The D2943 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8876. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2943 Road.

8877. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2943 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2947 Road

8878. The D2947 Road is designated as county road number D2947 and SGID road identification number RD192460 and is more or less .13 miles long.

8879. Exhibit 719 (attached hereto and incorporated herein) contains certain information pertaining to the D2947 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8880. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2947 Road solely as it crosses United States public land as included and specifically described in Exhibit 719. The D2947 Road includes the segment of road specifically set forth in Exhibit 719 and as exists on the ground.

Acceptance of the D2947 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8881. The D2947 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8882. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2947 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8883. The D2947 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2947 Road pursuant to the County's governmental right and authority.

8884. Witnesses with personal knowledge of the history of the D2947 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8885. Currently known reputation in the community is that the D2947 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8886. Public motor vehicle use of the D2947 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8887. The D2947 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8888. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2947 Road.

8889. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2947 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2948 Road

8890. The D2948 Road is designated as county road number D2948 and SGID road identification number RD192461 and is more or less .38 miles long.

8891. Exhibit 720 (attached hereto and incorporated herein) contains certain information pertaining to the D2948 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8892. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2948 Road solely as it crosses United States public land as included and specifically described in Exhibit 720. The D2948 Road includes the segment of road specifically set forth in Exhibit 720 and as exists on the ground.

Acceptance of the D2948 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8893. The D2948 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8894. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2948 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8895. The D2948 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2948 Road pursuant to the County's governmental right and authority.

8896. Witnesses with personal knowledge of the history of the D2948 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8897. Currently known reputation in the community is that the D2948 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8898. Public motor vehicle use of the D2948 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8899. The D2948 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8900. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2948 Road.

8901. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2948 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2949 Road

8902. The D2949 Road is designated as county road number D2949 and SGID road identification number RD192462 and is more or less .53 miles long.

8903. Exhibit 721 (attached hereto and incorporated herein) contains certain information pertaining to the D2949 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8904. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2949 Road solely as it crosses United States public land as included and specifically described in Exhibit 721. The D2949 Road includes the segment of road specifically set forth in Exhibit 721 and as exists on the ground.

Acceptance of the D2949 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8905. The D2949 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8906. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2949 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8907. The D2949 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2949 Road pursuant to the County's governmental right and authority.

8908. Witnesses with personal knowledge of the history of the D2949 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8909. Currently known reputation in the community is that the D2949 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8910. Public motor vehicle use of the D2949 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8911. The D2949 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8912. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2949 Road.

8913. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2949 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2956 Road

8914. The D2956 Road is designated as county road number D2956 and SGID road identification number RD192469 and is more or less .49 miles long.

8915. Exhibit 722 (attached hereto and incorporated herein) contains certain information pertaining to the D2956 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8916. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2956 Road solely as it crosses United States public land as included and specifically described in Exhibit 722. The D2956 Road includes the segment of road specifically set forth in Exhibit 722 and as exists on the ground.

Acceptance of the D2956 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8917. The D2956 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8918. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2956 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8919. The D2956 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2956 Road pursuant to the County's governmental right and authority.

8920. Witnesses with personal knowledge of the history of the D2956 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8921. Currently known reputation in the community is that the D2956 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8922. Public motor vehicle use of the D2956 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8923. The D2956 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8924. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2956 Road.

8925. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2956 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2957 Road

8926. The D2957 Road is designated as county road number D2957 and SGID road identification number RD192470 and is more or less .47 miles long.

8927. Exhibit 723 (attached hereto and incorporated herein) contains certain information pertaining to the D2957 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8928. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2957 Road solely as it crosses United States public land as included and specifically described in Exhibit 723. The D2957 Road includes the segment of road specifically set forth in Exhibit 723 and as exists on the ground.

Acceptance of the D2957 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8929. The D2957 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8930. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2957 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8931. The appearance of the D2957 Road on the Summit Point (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8932. Witnesses with personal knowledge of the history of the D2957 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8933. Currently known reputation in the community is that the D2957 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8934. Public motor vehicle use of the D2957 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8935. The D2957 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8936. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2957 Road.

8937. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2957 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2959 Road

8938. The D2959 Road is designated as county road number D2959 and SGID road identification number RD192471 and is more or less .93 miles long.

8939. Exhibit 724 (attached hereto and incorporated herein) contains certain information pertaining to the D2959 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8940. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2959 Road solely as it crosses United States public land as included and specifically described in Exhibit 724. The D2959 Road includes the segment of road specifically set forth in Exhibit 724 and as exists on the ground.

Acceptance of the D2959 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8941. The D2959 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8942. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2959 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8943. The appearance of the D2959 Road on the Lisbon Valley (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8944. The County confirmed its acceptance of the D2959 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2959 Road pursuant to the County's governmental right and authority.

8945. Witnesses with personal knowledge of the history of the D2959 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8946. Currently known reputation in the community is that the D2959 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

8947. Public motor vehicle use of the D2959 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8948. The D2959 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8949. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2959 Road.

8950. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2959 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2967 Road

8951. The D2967 Road is designated as county road number D2967 and SGID road identification number RD192473 and is more or less 1.39 miles long.

8952. Exhibit 725 (attached hereto and incorporated herein) contains certain information pertaining to the D2967 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8953. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D2967 Road solely as it crosses United States public land as included and specifically described in Exhibit 725. The D2967 Road includes the segment of road specifically set forth in Exhibit 725 and as exists on the ground.

Acceptance of the D2967 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8954. The D2967 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8955. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2967 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8956. The D2967 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2967 Road pursuant to the County's governmental right and authority.

8957. Witnesses with personal knowledge of the history of the D2967 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8958. Currently known reputation in the community is that the D2967 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8959. Public motor vehicle use of the D2967 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8960. The D2967 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8961. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2967 Road.

8962. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2967 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2969 Road

8963. The D2969 Road is designated as county road number D2969 and SGID road identification number RD192475 and is more or less .70 miles long.

8964. Exhibit 726 (attached hereto and incorporated herein) contains certain information pertaining to the D2969 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8965. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2969 Road solely as it crosses United States public land as included and specifically described in Exhibit 726. The D2969 Road includes the segment of road specifically

set forth in Exhibit 726 and as exists on the ground.

Acceptance of the D2969 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8966. The D2969 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8967. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2969 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8968. The appearance of the D2969 Road on the Lisbon Valley (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

8969. The County confirmed its acceptance of the D2969 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2969 Road pursuant to the County's governmental right and authority.

8970. Witnesses with personal knowledge of the history of the D2969 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8971. Currently known reputation in the community is that the D2969 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8972. Public motor vehicle use of the D2969 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8973. The D2969 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8974. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2969 Road.

8975. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2969 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3033 Road

8976. The D3033 Road is designated as county road number D3033 and SGID road identification number RD192516 and is more or less .59 miles long.

8977. Exhibit 727 (attached hereto and incorporated herein) contains certain information pertaining to the D3033 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8978. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3033 Road solely as it crosses United States public land as included and specifically described in Exhibit 727. The D3033 Road includes the segment of road specifically set forth in Exhibit 727 and as exists on the ground.

Acceptance of the D3033 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8979. The D3033 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8980. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3033 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8981. The D3033 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3033 Road pursuant to the County's governmental right and authority.

8982. Witnesses with personal knowledge of the history of the D3033 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8983. Currently known reputation in the community is that the D3033 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8984. Public motor vehicle use of the D3033 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8985. The D3033 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8986. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3033 Road.

8987. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3033 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3034 Road

8988. The D3034 Road is designated as county road number D3034 and SGID road identification number RD192517 and is more or less .59 miles long.

8989. Exhibit 728 (attached hereto and incorporated herein) contains certain information pertaining to the D3034 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8990. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3034 Road solely as it crosses United States public land as included and

specifically described in Exhibit 728. The D3034 Road includes the segment of road specifically set forth in Exhibit 728 and as exists on the ground.

Acceptance of the D3034 Road R.S. 2477 Right-of-way Prior to October 21, 1976

8991. The D3034 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8992. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3034 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8993. The D3034 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3034 Road pursuant to the County's governmental right and authority.

8994. Witnesses with personal knowledge of the history of the D3034 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8995. Currently known reputation in the community is that the D3034 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8996. Public motor vehicle use of the D3034 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8997. The D3034 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8998. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3034 Road.

8999. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3034 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3039 Road

9000. The D3039 Road is designated as county road number D3039 and SGID road identification number RD192519 and is more or less .82 miles long.

9001. Exhibit 729 (attached hereto and incorporated herein) contains certain information pertaining to the D3039 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9002. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3039 Road solely as it crosses United States public land as included and specifically described in Exhibit 729. The D3039 Road includes the segment of road specifically set forth in Exhibit 729 and as exists on the ground.

Acceptance of the D3039 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9003. The D3039 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9004. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3039 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9005. The D3039 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3039 Road pursuant to the County's governmental right and authority.

9006. Witnesses with personal knowledge of the history of the D3039 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9007. Currently known reputation in the community is that the D3039 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9008. Public motor vehicle use of the D3039 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9009. The D3039 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9010. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3039 Road.

9011. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3039 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3040 Road

9012. The D3040 Road is designated as county road number D3040 and SGID road identification number RD192520 and is more or less .66 miles long.

9013. Exhibit 730 (attached hereto and incorporated herein) contains certain information pertaining to the D3040 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9014. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3040 Road solely as it crosses United States public land as included and specifically described in Exhibit 730. The D3040 Road includes the segment of road specifically set forth in Exhibit 730 and as exists on the ground.

Acceptance of the D3040 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9015. The D3040 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9016. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3040 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9017. The D3040 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3040 Road pursuant to the County's governmental right and authority.

9018. Witnesses with personal knowledge of the history of the D3040 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9019. Currently known reputation in the community is that the D3040 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9020. Public motor vehicle use of the D3040 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9021. The D3040 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9022. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3040 Road.

9023. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3040 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3162 Road

9024. The D3162 Road is designated as county road number D3162 and SGID road identification number RD192588 and is more or less .37 miles long.

9025. Exhibit 731 (attached hereto and incorporated herein) contains certain information pertaining to the D3162 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9026. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3162 Road solely as it crosses United States public land as included and specifically described in Exhibit 731. The D3162 Road includes the segment of road specifically set forth in Exhibit 731 and as exists on the ground.

Acceptance of the D3162 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9027. The D3162 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9028. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3162 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9029. The County confirmed its acceptance of the D3162 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3162 Road pursuant to the County's governmental right and authority.

9030. Witnesses with personal knowledge of the history of the D3162 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9031. Currently known reputation in the community is that the D3162 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9032. Public motor vehicle use of the D3162 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

9033. The D3162 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9034. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3162 Road.

9035. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3162 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3163 Road

9036. The D3163 Road is designated as county road number D3163 and SGID road identification number RD192589 and is more or less 1.15 miles long.

9037. Exhibit 732 (attached hereto and incorporated herein) contains certain information pertaining to the D3163 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9038. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3163 Road solely as it crosses United States public land as included and specifically described in Exhibit 732. The D3163 Road includes the segment of road specifically set forth in Exhibit 732 and as exists on the ground.

Acceptance of the D3163 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9039. The D3163 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9040. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3163 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9041. The appearance of the D3163 Road on the Lisbon Valley (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9042. The County confirmed its acceptance of the D3163 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3163 Road pursuant to the County's governmental right and authority.

9043. Witnesses with personal knowledge of the history of the D3163 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9044. Currently known reputation in the community is that the D3163 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

9045. Public motor vehicle use of the D3163 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9046. The D3163 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9047. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3163 Road.

9048. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3163 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3164 Road

9049. The D3164 Road is designated as county road number D3164 and SGID road identification number RD192590 and is more or less .17 miles long.

9050. Exhibit 733 (attached hereto and incorporated herein) contains certain information pertaining to the D3164 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9051. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D3164 Road solely as it crosses United States public land as included and specifically described in Exhibit 733. The D3164 Road includes the segment of road specifically set forth in Exhibit 733 and as exists on the ground.

Acceptance of the D3164 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9052. The D3164 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9053. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3164 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9054. The appearance of the D3164 Road on the Lisbon Valley (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9055. The D3164 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3164 Road pursuant to the County's governmental right and authority.

9056. Witnesses with personal knowledge of the history of the D3164 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9057. Currently known reputation in the community is that the D3164 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9058. Public motor vehicle use of the D3164 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9059. The D3164 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9060. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3164 Road.

9061. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3164 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3169 Road

9062. The D3169 Road is designated as county road number D3169 and SGID road identification number RD192594 and is more or less .43 miles long.

9063. Exhibit 734 (attached hereto and incorporated herein) contains certain information pertaining to the D3169 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

9064. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3169 Road solely as it crosses United States public land as included and specifically described in Exhibit 734. The D3169 Road includes the segment of road specifically set forth in Exhibit 734 and as exists on the ground.

Acceptance of the D3169 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9065. The D3169 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9066. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3169 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9067. The D3169 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3169 Road pursuant to the County's governmental right and authority.

9068. Witnesses with personal knowledge of the history of the D3169 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9069. Currently known reputation in the community is that the D3169 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

9070. Public motor vehicle use of the D3169 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9071. The D3169 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9072. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3169 Road.

9073. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3169 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3171 Road

9074. The D3171 Road is designated as county road number D3171 and SGID road identification number RD192595 and is more or less .56 miles long.

9075. Exhibit 735 (attached hereto and incorporated herein) contains certain information pertaining to the D3171 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9076. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D3171 Road solely as it crosses United States public land as included and specifically described in Exhibit 735. The D3171 Road includes the segment of road specifically set forth in Exhibit 735 and as exists on the ground.

Acceptance of the D3171 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9077. The D3171 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9078. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3171 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9079. The D3171 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3171 Road pursuant to the County's governmental right and authority.

9080. Witnesses with personal knowledge of the history of the D3171 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9081. Currently known reputation in the community is that the D3171 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9082. Public motor vehicle use of the D3171 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9083. The D3171 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9084. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3171 Road.

9085. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3171 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3175 Road

9086. The D3175 Road is designated as county road number D3175 and SGID road identification number RD192597 and is more or less 1.10 miles long.

9087. Exhibit 736 (attached hereto and incorporated herein) contains certain information pertaining to the D3175 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9088. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3175 Road solely as it crosses United States public land as included and specifically described in Exhibit 736. The D3175 Road includes the segment of road specifically

set forth in Exhibit 736 and as exists on the ground.

Acceptance of the D3175 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9089. The D3175 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9090. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3175 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9091. The D3175 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3175 Road pursuant to the County's governmental right and authority.

9092. Witnesses with personal knowledge of the history of the D3175 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9093. Currently known reputation in the community is that the D3175 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9094. Public motor vehicle use of the D3175 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

9095. The D3175 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9096. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3175 Road.

9097. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3175 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3178 Road

9098. The D3178 Road is designated as county road number D3178 and SGID road identification number RD192599 and is more or less 1.73 miles long.

9099. Exhibit 737 (attached hereto and incorporated herein) contains certain information pertaining to the D3178 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9100. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3178 Road solely as it crosses United States public land as included and specifically described in Exhibit 737. The D3178 Road includes the segment of road specifically set forth in Exhibit 737 and as exists on the ground.

Acceptance of the D3178 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9101. The D3178 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9102. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3178 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9103. The D3178 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3178 Road pursuant to the County's governmental right and authority.

9104. Witnesses with personal knowledge of the history of the D3178 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9105. Currently known reputation in the community is that the D3178 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9106. Public motor vehicle use of the D3178 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9107. The D3178 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9108. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3178 Road.

9109. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3178 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3180 Road

9110. The D3180 Road is designated as county road number D3180 and SGID road identification number RD192600 and is more or less .83 miles long.

9111. Exhibit 738 (attached hereto and incorporated herein) contains certain information pertaining to the D3180 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9112. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3180 Road solely as it crosses United States public land as included and specifically described in Exhibit 738. The D3180 Road includes the segment of road specifically set forth in Exhibit 738 and as exists on the ground.

Acceptance of the D3180 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9113. The D3180 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9114. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3180 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9115. The D3180 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3180 Road pursuant to the County's governmental right and authority.

9116. Witnesses with personal knowledge of the history of the D3180 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9117. Currently known reputation in the community is that the D3180 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9118. Public motor vehicle use of the D3180 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9119. The D3180 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9120. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3180 Road.

9121. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3180 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3181 Road

9122. The D3181 Road is designated as county road number D3181 and SGID road identification number RD192601 and is more or less 1.35 miles long.

9123. Exhibit 739 (attached hereto and incorporated herein) contains certain information pertaining to the D3181 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9124. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3181 Road solely as it crosses United States public land as included and specifically described in Exhibit 739. The D3181 Road includes the segment of road specifically set forth in Exhibit 739 and as exists on the ground.

Acceptance of the D3181 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9125. The D3181 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9126. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3181 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9127. The D3181 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3181 Road pursuant to the County's governmental right and authority.

9128. Witnesses with personal knowledge of the history of the D3181 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9129. Currently known reputation in the community is that the D3181 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9130. Public motor vehicle use of the D3181 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9131. The D3181 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9132. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3181 Road.

9133. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3181 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3183 Road

9134. The D3183 Road is designated as county road number D3183 and SGID road identification number RD192603 and is more or less .75 miles long.

9135. Exhibit 740 (attached hereto and incorporated herein) contains certain information pertaining to the D3183 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9136. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3183 Road solely as it crosses United States public land as included and specifically described in Exhibit 740. The D3183 Road includes the segment of road specifically set forth in Exhibit 740 and as exists on the ground.

Acceptance of the D3183 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9137. The D3183 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9138. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3183 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9139. The D3183 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3183 Road pursuant to the County's governmental right and authority.

9140. Witnesses with personal knowledge of the history of the D3183 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9141. Currently known reputation in the community is that the D3183 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9142. Public motor vehicle use of the D3183 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9143. The D3183 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9144. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3183 Road.

9145. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3183 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3184 Road

9146. The D3184 Road is designated as county road number D3184 and SGID road identification number RD192604 and is more or less 1.38 miles long.

9147. Exhibit 741 (attached hereto and incorporated herein) contains certain information pertaining to the D3184 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9148. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3184 Road solely as it crosses United States public land as included and specifically described in Exhibit 741. The D3184 Road includes the segment of road specifically set forth in Exhibit 741 and as exists on the ground.

Acceptance of the D3184 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9149. The D3184 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9150. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3184 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9151. The D3184 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3184 Road pursuant to the County's governmental right and authority.

9152. Witnesses with personal knowledge of the history of the D3184 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9153. Currently known reputation in the community is that the D3184 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9154. Public motor vehicle use of the D3184 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9155. The D3184 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9156. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3184 Road.

9157. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3184 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3186 Road

9158. The D3186 Road is designated as county road number D3186 and SGID road identification number RD192605 and is more or less .50 miles long.

9159. Exhibit 742 (attached hereto and incorporated herein) contains certain information pertaining to the D3186 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9160. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3186 Road solely as it crosses United States public land as included and specifically described in Exhibit 742. The D3186 Road includes the segment of road specifically set forth in Exhibit 742 and as exists on the ground.

Acceptance of the D3186 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9161. The D3186 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9162. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3186 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9163. The D3186 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3186 Road pursuant to the County's governmental right and authority.

9164. Witnesses with personal knowledge of the history of the D3186 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9165. Currently known reputation in the community is that the D3186 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9166. Public motor vehicle use of the D3186 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9167. The D3186 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9168. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3186 Road.

9169. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3186 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3188 Road

9170. The D3188 Road is designated as county road number D3188 and SGID road identification number RD192607 and is more or less .93 miles long.

9171. Exhibit 743 (attached hereto and incorporated herein) contains certain information pertaining to the D3188 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9172. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3188 Road solely as it crosses United States public land as included and specifically described in Exhibit 743. The D3188 Road includes the segment of road specifically set forth in Exhibit 743 and as exists on the ground.

Acceptance of the D3188 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9173. The D3188 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9174. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3188 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9175. The D3188 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3188 Road pursuant to the County's governmental right and authority.

9176. Witnesses with personal knowledge of the history of the D3188 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9177. Currently known reputation in the community is that the D3188 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9178. Public motor vehicle use of the D3188 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9179. The D3188 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9180. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3188 Road.

9181. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3188 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3195 Road

9182. The D3195 Road is designated as county road number D3195 and SGID road identification number RD192611 and is more or less 2.01 miles long.

9183. Exhibit 744 (attached hereto and incorporated herein) contains certain information pertaining to the D3195 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9184. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3195 Road solely as it crosses United States public land as included and specifically described in Exhibit 744. The D3195 Road includes the segment of road specifically set forth in Exhibit 744 and as exists on the ground.

Acceptance of the D3195 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9185. The D3195 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9186. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3195 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9187. The County confirmed its acceptance of the D3195 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3195 Road pursuant to the County's governmental right and authority.

9188. Witnesses with personal knowledge of the history of the D3195 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9189. Currently known reputation in the community is that the D3195 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9190. Public motor vehicle use of the D3195 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

9191. The D3195 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9192. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3195 Road.

9193. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3195 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3197 Road

9194. The D3197 Road is designated as county road number D3197 and SGID road identification number RD192613 and is more or less 3.10 miles long.

9195. Exhibit 745 (attached hereto and incorporated herein) contains certain information pertaining to the D3197 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9196. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3197 Road solely as it crosses United States public land as included and specifically described in Exhibit 745. The D3197 Road includes the segment of road specifically set forth in Exhibit 745 and as exists on the ground.

Acceptance of the D3197 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9197. The D3197 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9198. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3197 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9199. The D3197 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3197 Road pursuant to the County's governmental right and authority.

9200. Witnesses with personal knowledge of the history of the D3197 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9201. Currently known reputation in the community is that the D3197 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9202. Public motor vehicle use of the D3197 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9203. The D3197 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9204. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3197 Road.

9205. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3197 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3199 Road

9206. The D3199 Road is designated as county road number D3199 and SGID road identification number RD192614 and is more or less 1.75 miles long.

9207. Exhibit 746 (attached hereto and incorporated herein) contains certain information pertaining to the D3199 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9208. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3199 Road solely as it crosses United States public land as included and specifically described in Exhibit 746. The D3199 Road includes the segment of road specifically set forth in Exhibit 746 and as exists on the ground.

Acceptance of the D3199 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9209. The D3199 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9210. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3199 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9211. The D3199 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3199 Road pursuant to the County's governmental right and authority.

9212. Witnesses with personal knowledge of the history of the D3199 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9213. Currently known reputation in the community is that the D3199 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9214. Public motor vehicle use of the D3199 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9215. The D3199 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9216. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3199 Road.

9217. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3199 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3201 Road

9218. The D3201 Road is designated as county road number D3201 and SGID road identification number RD192616 and is more or less 1.34 miles long.

9219. Exhibit 747 (attached hereto and incorporated herein) contains certain information pertaining to the D3201 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9220. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3201 Road solely as it crosses United States public land as included and specifically described in Exhibit 747. The D3201 Road includes the segment of road specifically set forth in Exhibit 747 and as exists on the ground.

Acceptance of the D3201 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9221. The D3201 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9222. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3201 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9223. The D3201 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3201 Road pursuant to the County's governmental right and authority.

9224. Witnesses with personal knowledge of the history of the D3201 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9225. Currently known reputation in the community is that the D3201 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9226. Public motor vehicle use of the D3201 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9227. The D3201 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9228. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3201 Road.

9229. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3201 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3202 Road

9230. The D3202 Road is designated as county road number D3202 and SGID road identification number RD192617 and is more or less .83 miles long.

9231. Exhibit 748 (attached hereto and incorporated herein) contains certain information pertaining to the D3202 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9232. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3202 Road solely as it crosses United States public land as included and specifically described in Exhibit 748. The D3202 Road includes the segment of road specifically set forth in Exhibit 748 and as exists on the ground.

Acceptance of the D3202 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9233. The D3202 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9234. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3202 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9235. The D3202 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3202 Road pursuant to the County's governmental right and authority.

9236. Witnesses with personal knowledge of the history of the D3202 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9237. Currently known reputation in the community is that the D3202 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9238. Public motor vehicle use of the D3202 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9239. The D3202 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9240. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3202 Road.

9241. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3202 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3203 Road

9242. The D3203 Road is designated as county road number D3203 and SGID road identification number RD192618 and is more or less .41 miles long.

9243. Exhibit 749 (attached hereto and incorporated herein) contains certain information pertaining to the D3203 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9244. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3203 Road solely as it crosses United States public land as included and specifically described in Exhibit 749. The D3203 Road includes the segment of road specifically set forth in Exhibit 749 and as exists on the ground.

Acceptance of the D3203 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9245. The D3203 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9246. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3203 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9247. The D3203 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3203 Road pursuant to the County's governmental right and authority.

9248. Witnesses with personal knowledge of the history of the D3203 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9249. Currently known reputation in the community is that the D3203 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9250. Public motor vehicle use of the D3203 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9251. The D3203 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9252. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3203 Road.

9253. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3203 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3204 Road

9254. The D3204 Road is designated as county road number D3204 and SGID road identification number RD192619 and is more or less 2.39 miles long.

9255. Exhibit 750 (attached hereto and incorporated herein) contains certain information pertaining to the D3204 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9256. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3204 Road solely as it crosses United States public land as included and specifically described in Exhibit 750. The D3204 Road includes the segment of road specifically set forth in Exhibit 750 and as exists on the ground.

Acceptance of the D3204 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9257. The D3204 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9258. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3204 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9259. The D3204 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3204 Road pursuant to the County's governmental right and authority.

9260. Witnesses with personal knowledge of the history of the D3204 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9261. Currently known reputation in the community is that the D3204 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9262. Public motor vehicle use of the D3204 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9263. The D3204 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9264. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3204 Road.

9265. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3204 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3205 Road

9266. The D3205 Road is designated as county road number D3205 and SGID road identification number RD192620 and is more or less .26 miles long.

9267. Exhibit 751 (attached hereto and incorporated herein) contains certain information pertaining to the D3205 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9268. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3205 Road solely as it crosses United States public land as included and specifically described in Exhibit 751. The D3205 Road includes the segment of road specifically set forth in Exhibit 751 and as exists on the ground.

Acceptance of the D3205 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9269. The D3205 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9270. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3205 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9271. The D3205 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3205 Road pursuant to the County's governmental right and authority.

9272. Witnesses with personal knowledge of the history of the D3205 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9273. Currently known reputation in the community is that the D3205 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9274. Public motor vehicle use of the D3205 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9275. The D3205 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9276. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3205 Road.

9277. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3205 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3218 Road

9278. The D3218 Road is designated as county road number D3218 and SGID road identification number RD192626 and is more or less 3.01 miles long.

9279. Exhibit 752 (attached hereto and incorporated herein) contains certain information pertaining to the D3218 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9280. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3218 Road solely as it crosses United States public land as included and specifically described in Exhibit 752. The D3218 Road includes the segment of road specifically set forth in Exhibit 752 and as exists on the ground.

Acceptance of the D3218 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9281. The D3218 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9282. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3218 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9283. The appearance of the D3218 Road on the Summit Point (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9284. The D3218 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3218 Road pursuant to the County's governmental right and authority.

9285. Witnesses with personal knowledge of the history of the D3218 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9286. Currently known reputation in the community is that the D3218 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9287. Public motor vehicle use of the D3218 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9288. The D3218 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9289. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3218 Road.

9290. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3218 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3219 Road

9291. The D3219 Road is designated as county road number D3219 and SGID road identification number RD192627 and is more or less 2.06 miles long.

9292. Exhibit 753 (attached hereto and incorporated herein) contains certain information pertaining to the D3219 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9293. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3219 Road solely as it crosses United States public land as included and

specifically described in Exhibit 753. The D3219 Road includes the segment of road specifically set forth in Exhibit 753 and as exists on the ground.

Acceptance of the D3219 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9294. The D3219 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9295. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3219 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9296. The appearance of the D3219 Road on the Summit Point (1954) and the Lisbon Gap (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9297. The D3219 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3219 Road pursuant to the County's governmental right and authority.

9298. Witnesses with personal knowledge of the history of the D3219 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9299. Currently known reputation in the community is that the D3219 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9300. Public motor vehicle use of the D3219 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9301. The D3219 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9302. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3219 Road.

9303. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3219 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3226 Road

9304. The D3226 Road is designated as county road number D3226 and SGID road identification number RD192629 and is more or less 1.68 miles long.

9305. Exhibit 754 (attached hereto and incorporated herein) contains certain information pertaining to the D3226 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9306. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3226 Road solely as it crosses United States public land as included and specifically described in Exhibit 754. The D3226 Road includes the segment of road specifically set forth in Exhibit 754 and as exists on the ground.

Acceptance of the D3226 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9307. The D3226 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9308. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3226 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9309. The D3226 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3226 Road pursuant to the County's governmental right and authority.

9310. Witnesses with personal knowledge of the history of the D3226 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9311. Currently known reputation in the community is that the D3226 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9312. Public motor vehicle use of the D3226 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9313. The D3226 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9314. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3226 Road.

9315. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3226 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4033 Road

9316. The D4033 Road is designated as county road number D4033 and SGID road identification number RD193037 and is more or less .82 miles long.

9317. Exhibit 755 (attached hereto and incorporated herein) contains certain information pertaining to the D4033 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9318. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4033 Road solely as it crosses United States public land as included and

specifically described in Exhibit 755. The D4033 Road includes the segment of road specifically set forth in Exhibit 755 and as exists on the ground.

Acceptance of the D4033 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9319. The D4033 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9320. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4033 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9321. The D4033 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4033 Road pursuant to the County's governmental right and authority.

9322. Witnesses with personal knowledge of the history of the D4033 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9323. Currently known reputation in the community is that the D4033 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9324. Public motor vehicle use of the D4033 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9325. The D4033 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9326. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4033 Road.

9327. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4033 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D5119 Road

9328. The D5119 Road is designated as county road number D5119 and SGID road identification number RD193392 and is more or less 7.72 miles long.

9329. Exhibit 756 (attached hereto and incorporated herein) contains certain information pertaining to the D5119 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9330. In this action, the State and County seek to quiet title to the public highway right-of-way for the D5119 Road solely as it crosses United States public land as included and specifically described in Exhibit 756. The D5119 Road includes the segment of road specifically set forth in Exhibit 756 and as exists on the ground.

Acceptance of the D5119 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9331. The D5119 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9332. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D5119 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9333. The appearance of the D5119 Road on the La Sal (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9334. The County confirmed its acceptance of the D5119 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D5119 Road pursuant to the County's governmental right and authority.

9335. Witnesses with personal knowledge of the history of the D5119 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9336. Currently known reputation in the community is that the D5119 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9337. Public motor vehicle use of the D5119 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9338. The D5119 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9339. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D5119 Road.

9340. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D5119 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

ELEVENTH CAUSE OF ACTION – QUIET TITLE
FLAT IRON MESA AREA

9341. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

9342. The Flat Iron Mesa Area is located in north-central San Juan County and is shown on Exhibit 13, attached hereto and incorporated herein.

9343. The Flat Iron Mesa Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Kane Creek Road, B145; (2) D0636 Road; (3) D0637 Road; (4) D0638 Road; (5) D0663 Road; (6) D0664 Road; (7) D0665 Road; (8) D0667 Road; (9) D1573 Road; (10) D1580 Road; (11) D1635 Road; (12) D1645 Road; (13) D1653 Road; (14) D1660 Road; (15) D1667 Road; (16) D1668 Road; (17) D1669 Road; (18)

D1670 Road; (19) D1672 Road; (20) D1675 Road; (21) D1676 Road; (22) D1683 Road; (23) D1684 Road; (24) D1685 Road; (25) D1688 Road; (26) D1771 Road; (27) D1780 Road; (28) D1788 Road; (29) D1793 Road; (30) D1803 Road; (31) D1808 Road; (32) D1810 Road; (33) D1811 Road; (34) D1813 Road; (35) D1816 Road; (36) D1817 Road; (37) D1818 Road; (38) D1823 Road; (39) D1824 Road; (40) D2440 Road; (41) D2512 Road; (42) D2521 Road; (43) D2568 Road; (44) D2609 Road; and (45) D2707 Road.

9344. Each right-of-way claimed in the Flat Iron Mesa Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

9345. All rights-of-way claimed in the Flat Iron Mesa Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

9346. All rights-of-way claimed in the Flat Iron Mesa Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

9347. Prior to October 21, 1976, the State of Utah, San Juan County, and the public

through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Kane Creek Road, B145

9348. The Kane Creek Road is designated as county road number B145 and SGID road identification number RD190090 and is more or less 5.51 miles long.

9349. Exhibit 757 (attached hereto and incorporated herein) contains certain information pertaining to the Kane Creek Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9350. In this action, the State and County seek to quiet title to the public highway right-of-way for the Kane Creek Road solely as it crosses United States public land as included and specifically described in Exhibit 757. The Kane Creek Road includes the segment of road specifically set forth in Exhibit 757 and as exists on the ground.

Acceptance of the Kane Creek Road R.S. 2477 Right-of-way Prior to October 21, 1976

9351. The Kane Creek Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9352. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Kane Creek Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9353. The appearance of the Kane Creek Road on the Trough Springs Canyon (1954) USGS 7.5-minute quadrangle map and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9354. The County confirmed its acceptance of the Kane Creek Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Kane Creek Road using public funds pursuant to the County's governmental right and authority.

9355. Witnesses with personal knowledge of the history of the Kane Creek Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9356. Currently known reputation in the community is that the Kane Creek Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9357. Public motor vehicle use of the Kane Creek Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9358. The Kane Creek Road traverses a valid and perfected R.S. 2477 public highway

right-of-way as described herein.

9359. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Kane Creek Road.

9360. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Kane Creek Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0636 Road

9361. The D0636 Road is designated as county road number D0636 and SGID road identification number RD191203 and is more or less 1.49 miles long.

9362. Exhibit 758 (attached hereto and incorporated herein) contains certain information pertaining to the D0636 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9363. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0636 Road solely as it crosses United States public land as included and specifically described in Exhibit 758. The D0636 Road includes the segment of road specifically set forth in Exhibit 758 and as exists on the ground.

Acceptance of the D0636 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9364. The D0636 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9365. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0636 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9366. The D0636 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0636 Road pursuant to the County's governmental right and authority.

9367. Witnesses with personal knowledge of the history of the D0636 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9368. Currently known reputation in the community is that the D0636 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9369. Public motor vehicle use of the D0636 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9370. The D0636 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9371. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0636 Road.

9372. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0636 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0637 Road

9373. The D0637 Road is designated as county road number D0637 and SGID road identification number RD191204 and is more or less 2.34 miles long.

9374. Exhibit 759 (attached hereto and incorporated herein) contains certain information pertaining to the D0637 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9375. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0637 Road solely as it crosses United States public land as included and specifically described in Exhibit 759. The D0637 Road includes the segment of road specifically set forth in Exhibit 759 and as exists on the ground.

Acceptance of the D0637 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9376. The D0637 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9377. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0637 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9378. The D0637 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0637 Road pursuant to the County's governmental right and authority.

9379. Witnesses with personal knowledge of the history of the D0637 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9380. Currently known reputation in the community is that the D0637 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9381. Public motor vehicle use of the D0637 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9382. The D0637 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9383. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0637 Road.

9384. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0637 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0638 Road

9385. The D0638 Road is designated as county road number D0638 and SGID road identification number RD191205 and is more or less 1.54 miles long.

9386. Exhibit 760 (attached hereto and incorporated herein) contains certain information pertaining to the D0638 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9387. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0638 Road solely as it crosses United States public land as included and specifically described in Exhibit 760. The D0638 Road includes the segment of road specifically set forth in Exhibit 760 and as exists on the ground.

Acceptance of the D0638 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9388. The D0638 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9389. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0638 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9390. The appearance of the D0638 Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9391. The D0638 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0638 Road pursuant to the County's governmental right and authority.

9392. Witnesses with personal knowledge of the history of the D0638 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9393. Currently known reputation in the community is that the D0638 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9394. Public motor vehicle use of the D0638 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9395. The D0638 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9396. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0638 Road.

9397. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0638 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0663 Road

9398. The D0663 Road is designated as county road number D0663 and SGID road identification number RD191222 and is more or less 15.67 miles long.

9399. Exhibit 761 (attached hereto and incorporated herein) contains certain information pertaining to the D0663 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9400. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0663 Road solely as it crosses United States public land as included and

specifically described in Exhibit 761. The D0663 Road includes the segment of road specifically set forth in Exhibit 761 and as exists on the ground.

Acceptance of the D0663 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9401. The D0663 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9402. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0663 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9403. The appearance of the D0663 Road on the Kane Springs (1954) USGS 7.5-minute quadrangle map and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9404. The D0663 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0663 Road pursuant to the County's governmental right and authority.

9405. Witnesses with personal knowledge of the history of the D0663 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9406. Currently known reputation in the community is that the D0663 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9407. Public motor vehicle use of the D0663 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9408. The D0663 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9409. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0663 Road.

9410. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0663 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0664 Road

9411. The D0664 Road is designated as county road number D0664 and SGID road identification number RD191223 and is more or less 3.63 miles long.

9412. Exhibit 762 (attached hereto and incorporated herein) contains certain information pertaining to the D0664 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9413. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0664 Road solely as it crosses United States public land as included and specifically described in Exhibit 762. The D0664 Road includes the segment of road specifically set forth in Exhibit 762 and as exists on the ground.

Acceptance of the D0664 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9414. The D0664 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9415. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0664 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9416. The D0664 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0664 Road pursuant to the County's governmental right and authority.

9417. Witnesses with personal knowledge of the history of the D0664 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9418. Currently known reputation in the community is that the D0664 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9419. Public motor vehicle use of the D0664 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9420. The D0664 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9421. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0664 Road.

9422. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0664 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0665 Road

9423. The D0665 Road is designated as county road number D0665 and SGID road identification number RD191224 and is more or less 3.63 miles long.

9424. Exhibit 763 (attached hereto and incorporated herein) contains certain information pertaining to the D0665 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9425. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0665 Road solely as it crosses United States public land as included and

specifically described in Exhibit 763. The D0665 Road includes the segment of road specifically set forth in Exhibit 763 and as exists on the ground.

Acceptance of the D0665 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9426. The D0665 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9427. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0665 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9428. The D0665 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0665 Road pursuant to the County's governmental right and authority.

9429. Witnesses with personal knowledge of the history of the D0665 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9430. Currently known reputation in the community is that the D0665 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9431. Public motor vehicle use of the D0665 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9432. The D0665 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9433. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0665 Road.

9434. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0665 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0667 Road

9435. The D0667 Road is designated as county road number D0667 and SGID road identification number RD191226 and is more or less 2.42 miles long.

9436. Exhibit 764 (attached hereto and incorporated herein) contains certain information pertaining to the D0667 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9437. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0667 Road solely as it crosses United States public land as included and specifically described in Exhibit 764. The D0667 Road includes the segment of road specifically set forth in Exhibit 764 and as exists on the ground.

Acceptance of the D0667 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9438. The D0667 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9439. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0667 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9440. The D0667 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0667 Road pursuant to the County's governmental right and authority.

9441. Witnesses with personal knowledge of the history of the D0667 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9442. Currently known reputation in the community is that the D0667 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9443. Public motor vehicle use of the D0667 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9444. The D0667 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9445. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0667 Road.

9446. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0667 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1573 Road

9447. The D1573 Road is designated as county road number D1573 and SGID road identification number RD191709 and is more or less .74 miles long.

9448. Exhibit 765 (attached hereto and incorporated herein) contains certain information pertaining to the D1573 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9449. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1573 Road solely as it crosses United States public land as included and specifically described in Exhibit 765. The D1573 Road includes the segment of road specifically set forth in Exhibit 765 and as exists on the ground.

Acceptance of the D1573 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9450. The D1573 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9451. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1573 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9452. The D1573 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1573 Road pursuant to the County's governmental right and authority.

9453. Witnesses with personal knowledge of the history of the D1573 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9454. Currently known reputation in the community is that the D1573 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9455. Public motor vehicle use of the D1573 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9456. The D1573 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9457. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1573 Road.

9458. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1573 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1580 Road

9459. The D1580 Road is designated as county road number D1580 and SGID road identification number RD191713 and is more or less .79 miles long.

9460. Exhibit 766 (attached hereto and incorporated herein) contains certain information pertaining to the D1580 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9461. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1580 Road solely as it crosses United States public land as included and specifically described in Exhibit 766. The D1580 Road includes the segment of road specifically set forth in Exhibit 766 and as exists on the ground.

Acceptance of the D1580 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9462. The D1580 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9463. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1580 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9464. The D1580 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1580 Road pursuant to the County's governmental right and authority.

9465. Witnesses with personal knowledge of the history of the D1580 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9466. Currently known reputation in the community is that the D1580 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9467. Public motor vehicle use of the D1580 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9468. The D1580 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9469. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1580 Road.

9470. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1580 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1635 Road

9471. The D1635 Road is designated as county road number D1635 and SGID road identification number RD191745 and is more or less 0.56 miles long.

9472. Exhibit 767 (attached hereto and incorporated herein) contains certain information pertaining to the D1635 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9473. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1635 Road solely as it crosses United States public land as included and specifically described in Exhibit 767. The D1635 Road includes the segment of road specifically set forth in Exhibit 767 and as exists on the ground.

Acceptance of the D1635 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9474. The D1635 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9475. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1635 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9476. The D1635 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1635 Road pursuant to the County's governmental right and authority.

9477. Witnesses with personal knowledge of the history of the D1635 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9478. Currently known reputation in the community is that the D1635 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9479. Public motor vehicle use of the D1635 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9480. The D1635 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9481. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1635 Road.

9482. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1635 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1645 Road

9483. The D1645 Road is designated as county road number D1645 and SGID road identification number RD190674 and is more or less 13.3 miles long.

9484. Exhibit 768 (attached hereto and incorporated herein) contains certain information pertaining to the D1645 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9485. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1645 Road solely as it crosses United States public land as included and specifically described in Exhibit 768. The D1645 Road includes the segment of road specifically set forth in Exhibit 768 and as exists on the ground.

Acceptance of the D1645 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9486. The D1645 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9487. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1645 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9488. The appearance of the D1645 Road on the Trough Springs Canyon (1954) and the Kane Springs (1954) USGS 7.5-minute quadrangle maps and the La Sal Junction (1954) and Hatch Point (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9489. The County confirmed its acceptance of the D1645 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1654 Road using public funds pursuant to the County's governmental right and authority.

9490. Witnesses with personal knowledge of the history of the D1645 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9491. Currently known reputation in the community is that the D1645 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9492. Public motor vehicle use of the D1645 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9493. The D1645 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9494. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1645 Road.

9495. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1645 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1653 Road

9496. The D1653 Road is designated as county road number D1653 and SGID road identification number RD191753 and is more or less 2.54 miles long.

9497. Exhibit 769 (attached hereto and incorporated herein) contains certain information pertaining to the D1653 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9498. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1653 Road solely as it crosses United States public land as included and specifically described in Exhibit 769. The D1653 Road includes the segment of road specifically set forth in Exhibit 769 and as exists on the ground.

Acceptance of the D1653 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9499. The D1653 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9500. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1653 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9501. The D1653 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1653 Road pursuant to the County's governmental right and authority.

9502. Witnesses with personal knowledge of the history of the D1653 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9503. Currently known reputation in the community is that the D1653 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9504. Public motor vehicle use of the D1653 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9505. The D1653 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9506. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1653 Road.

9507. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1653 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1660 Road

9508. The D1660 Road is designated as county road number D1660 and SGID road identification number RD191756 and is more or less 3.52 miles long.

9509. Exhibit 770 (attached hereto and incorporated herein) contains certain information pertaining to the D1660 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9510. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1660 Road solely as it crosses United States public land as included and

specifically described in Exhibit 770. The D1660 Road includes the segment of road specifically set forth in Exhibit 770 and as exists on the ground.

Acceptance of the D1660 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9511. The D1660 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9512. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1660 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9513. The D1660 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1660 Road pursuant to the County's governmental right and authority.

9514. Witnesses with personal knowledge of the history of the D1660 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9515. Currently known reputation in the community is that the D1660 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9516. Public motor vehicle use of the D1660 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9517. The D1660 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9518. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1660 Road.

9519. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1660 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1667 Road

9520. The D1667 Road is designated as county road number D1667 and SGID road identification number RD191759 and is more or less .45 miles long.

9521. Exhibit 771 (attached hereto and incorporated herein) contains certain information pertaining to the D1667 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9522. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1667 Road solely as it crosses United States public land as included and specifically described in Exhibit 771. The D1667 Road includes the segment of road specifically set forth in Exhibit 771 and as exists on the ground.

Acceptance of the D1667 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9523. The D1667 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9524. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1667 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9525. The D1667 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1667 Road pursuant to the County's governmental right and authority.

9526. Witnesses with personal knowledge of the history of the D1667 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9527. Currently known reputation in the community is that the D1667 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9528. Public motor vehicle use of the D1667 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9529. The D1667 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9530. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1667 Road.

9531. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1667 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1668 Road

9532. The D1668 Road is designated as county road number D1668 and SGID road identification number RD191760 and is more or less .44 miles long.

9533. Exhibit 772 (attached hereto and incorporated herein) contains certain information pertaining to the D1668 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9534. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1668 Road solely as it crosses United States public land as included and specifically described in Exhibit 772. The D1668 Road includes the segment of road specifically set forth in Exhibit 772 and as exists on the ground.

Acceptance of the D1668 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9535. The D1668 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9536. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1668 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9537. The D1668 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1668 Road pursuant to the County's governmental right and authority.

9538. Witnesses with personal knowledge of the history of the D1668 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9539. Currently known reputation in the community is that the D1668 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9540. Public motor vehicle use of the D1668 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9541. The D1668 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9542. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1668 Road.

9543. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1668 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1669 Road

9544. The D1669 Road is designated as county road number D1669 and SGID road identification number RD191761 and is more or less 1.84 miles long.

9545. Exhibit 773 (attached hereto and incorporated herein) contains certain information pertaining to the D1669 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9546. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1669 Road solely as it crosses United States public land as included and specifically described in Exhibit 773. The D1669 Road includes the segment of road specifically set forth in Exhibit 773 and as exists on the ground.

Acceptance of the D1669 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9547. The D1669 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9548. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1669 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9549. The D1669 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1669 Road pursuant to the County's governmental right and authority.

9550. Witnesses with personal knowledge of the history of the D1669 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9551. Currently known reputation in the community is that the D1669 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9552. Public motor vehicle use of the D1669 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9553. The D1669 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9554. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1669 Road.

9555. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1669 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1670 Road

9556. The D1670 Road is designated as county road number D1670 and SGID road identification number RD191762 and is more or less 1.74 miles long.

9557. Exhibit 774 (attached hereto and incorporated herein) contains certain information pertaining to the D1670 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9558. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1670 Road solely as it crosses United States public land as included and specifically described in Exhibit 774. The D1670 Road includes the segment of road specifically set forth in Exhibit 774 and as exists on the ground.

Acceptance of the D1670 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9559. The D1670 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9560. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1670 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9561. The D1670 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1670 Road pursuant to the County's governmental right and authority.

9562. Witnesses with personal knowledge of the history of the D1670 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9563. Currently known reputation in the community is that the D1670 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9564. Public motor vehicle use of the D1670 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9565. The D1670 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9566. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1670 Road.

9567. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1670 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1672 Road

9568. The D1672 Road is designated as county road number D1672 and SGID road identification number RD191763 and is more or less 1.89 miles long.

9569. Exhibit 775 (attached hereto and incorporated herein) contains certain information pertaining to the D1672 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9570. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1672 Road solely as it crosses United States public land as included and specifically described in Exhibit 775. The D1672 Road includes the segment of road specifically set forth in Exhibit 775 and as exists on the ground.

Acceptance of the D1672 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9571. The D1672 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9572. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1672 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9573. The D1672 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1672 Road pursuant to the County's governmental right and authority.

9574. Witnesses with personal knowledge of the history of the D1672 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9575. Currently known reputation in the community is that the D1672 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9576. Public motor vehicle use of the D1672 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9577. The D1672 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9578. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1672 Road.

9579. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1672 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1675 Road

9580. The D1675 Road is designated as county road number D1675 and SGID road identification number RD191766 and is more or less 2.67 miles long.

9581. Exhibit 776 (attached hereto and incorporated herein) contains certain information pertaining to the D1675 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9582. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1675 Road solely as it crosses United States public land as included and specifically described in Exhibit 776. The D1675 Road includes the segment of road specifically set forth in Exhibit 776 and as exists on the ground.

Acceptance of the D1675 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9583. The D1675 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9584. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1675 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9585. The D1675 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1675 Road pursuant to the County's governmental right and authority.

9586. Witnesses with personal knowledge of the history of the D1675 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9587. Currently known reputation in the community is that the D1675 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9588. Public motor vehicle use of the D1675 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9589. The D1675 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9590. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1675 Road.

9591. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1675 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1676 Road

9592. The D1676 Road is designated as county road number D1676 and SGID road identification number RD191767 and is more or less 2.65 miles long.

9593. Exhibit 777 (attached hereto and incorporated herein) contains certain information pertaining to the D1676 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9594. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1676 Road solely as it crosses United States public land as included and specifically described in Exhibit 777. The D1676 Road includes the segment of road specifically set forth in Exhibit 777 and as exists on the ground.

Acceptance of the D1676 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9595. The D1676 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9596. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1676 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9597. The D1676 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1676 Road pursuant to the County's governmental right and authority.

9598. Witnesses with personal knowledge of the history of the D1676 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9599. Currently known reputation in the community is that the D1676 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9600. Public motor vehicle use of the D1676 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9601. The D1676 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9602. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1676 Road.

9603. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1676 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1683 Road

9604. The D1683 Road is designated as county road number D1683 and SGID road identification number RD191771 and is more or less 1.23 miles long.

9605. Exhibit 778 (attached hereto and incorporated herein) contains certain information pertaining to the D1683 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9606. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1683 Road solely as it crosses United States public land as included and specifically described in Exhibit 778. The D1683 Road includes the segment of road specifically set forth in Exhibit 778 and as exists on the ground.

Acceptance of the D1683 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9607. The D1683 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9608. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1683 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9609. The D1683 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1683 Road pursuant to the County's governmental right and authority.

9610. Witnesses with personal knowledge of the history of the D1683 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9611. Currently known reputation in the community is that the D1683 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9612. Public motor vehicle use of the D1683 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9613. The D1683 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9614. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1683 Road.

9615. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1683 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1684 Road

9616. The D1684 Road is designated as county road number D1684 and SGID road identification number RD191772 and is more or less .81 miles long.

9617. Exhibit 779 (attached hereto and incorporated herein) contains certain information pertaining to the D1684 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9618. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1684 Road solely as it crosses United States public land as included and specifically described in Exhibit 779. The D1684 Road includes the segment of road specifically set forth in Exhibit 779 and as exists on the ground.

Acceptance of the D1684 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9619. The D1684 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9620. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1684 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9621. The D1684 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1684 Road pursuant to the County's governmental right and authority.

9622. Witnesses with personal knowledge of the history of the D1684 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9623. Currently known reputation in the community is that the D1684 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9624. Public motor vehicle use of the D1684 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9625. The D1684 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9626. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1684 Road.

9627. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1684 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1685 Road

9628. The D1685 Road is designated as county road number D1685 and SGID road identification number RD191773 and is more or less .94 miles long.

9629. Exhibit 780 (attached hereto and incorporated herein) contains certain information pertaining to the D1685 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9630. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1685 Road solely as it crosses United States public land as included and specifically described in Exhibit 780. The D1685 Road includes the segment of road specifically set forth in Exhibit 780 and as exists on the ground.

Acceptance of the D1685 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9631. The D1685 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9632. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1685 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9633. The D1685 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1685 Road pursuant to the County's governmental right and authority.

9634. Witnesses with personal knowledge of the history of the D1685 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9635. Currently known reputation in the community is that the D1685 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9636. Public motor vehicle use of the D1685 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9637. The D1685 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9638. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1685 Road.

9639. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1685 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1688 Road

9640. The D1688 Road is designated as county road number D1688 and SGID road identification number RD191774 and is more or less .36 miles long.

9641. Exhibit 781 (attached hereto and incorporated herein) contains certain information pertaining to the D1688 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9642. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1688 Road solely as it crosses United States public land as included and specifically described in Exhibit 781. The D1688 Road includes the segment of road specifically set forth in Exhibit 781 and as exists on the ground.

Acceptance of the D1688 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9643. The D1688 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9644. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1688 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9645. The D1688 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1688 Road pursuant to the County's governmental right and authority.

9646. Witnesses with personal knowledge of the history of the D1688 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9647. Currently known reputation in the community is that the D1688 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9648. Public motor vehicle use of the D1688 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9649. The D1688 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9650. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1688 Road.

9651. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1688 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1771 Road

9652. The D1771 Road is designated as county road number D1771 and SGID road identification number RD191802 and is more or less .89 miles long.

9653. Exhibit 782 (attached hereto and incorporated herein) contains certain information pertaining to the D1771 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9654. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1771 Road solely as it crosses United States public land as included and specifically described in Exhibit 782. The D1771 Road includes the segment of road specifically set forth in Exhibit 782 and as exists on the ground.

Acceptance of the D1771 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9655. The D1771 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9656. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1771 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9657. The D1771 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1771 Road pursuant to the County's governmental right and authority.

9658. Witnesses with personal knowledge of the history of the D1771 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9659. Currently known reputation in the community is that the D1771 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9660. Public motor vehicle use of the D1771 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9661. The D1771 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9662. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1771 Road.

9663. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1771 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1780 Road

9664. The D1780 Road is designated as county road number D1780 and SGID road identification number RD191808 and is more or less .59 miles long.

9665. Exhibit 783 (attached hereto and incorporated herein) contains certain information pertaining to the D1780 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9666. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1780 Road solely as it crosses United States public land as included and specifically described in Exhibit 783. The D1780 Road includes the segment of road specifically set forth in Exhibit 783 and as exists on the ground.

Acceptance of the D1780 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9667. The D1780 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9668. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1780 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9669. The D1780 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1780 Road pursuant to the County's governmental right and authority.

9670. The appearance of the D1780 Road on the Trough Springs Canyon (1954) USGS 7.5-minute quadrangle map and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9671. The County confirmed its acceptance of the Kane Creek Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Kane Creek Road using public funds pursuant to the County's governmental right and authority.

9672. Witnesses with personal knowledge of the history of the D1780 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9673. Currently known reputation in the community is that the D1780 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9674. Public motor vehicle use of the D1780 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9675. The D1780 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9676. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1780 Road.

9677. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1780 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1788 Road

9678. The D1788 Road is designated as county road number D1788 and SGID road identification number RD191813 and is more or less .5 miles long.

9679. Exhibit 784 (attached hereto and incorporated herein) contains certain information

pertaining to the D1788 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9680. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1788 Road solely as it crosses United States public land as included and specifically described in Exhibit 784. The D1788 Road includes the segment of road specifically set forth in Exhibit 784 and as exists on the ground.

Acceptance of the D1788 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9681. The D1788 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9682. The appearance of the D1788 Road on the Trough Springs Canyon (1954) USGS 7.5-minute quadrangle map and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9683. The D1788 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1788 Road pursuant to the County's governmental right and authority.

9684. Witnesses with personal knowledge of the history of the D1788 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9685. Currently known reputation in the community is that the D1788 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9686. Public motor vehicle use of the D1788 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9687. The D1788 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9688. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1788 Road.

9689. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1788 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1793 Road

9690. The D1793 Road is designated as county road number D1793 and SGID road identification number RD191816 and is more or less .70 miles long.

9691. Exhibit 785 (attached hereto and incorporated herein) contains certain information pertaining to the D1793 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

9692. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1793 Road solely as it crosses United States public land as included and specifically described in Exhibit 785. The D1793 Road includes the segment of road specifically set forth in Exhibit 785 and as exists on the ground.

Acceptance of the D1793 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9693. The D1793 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9694. The appearance of the D1793 Road on the Trough Springs Canyon (1954) USGS 7.5-minute quadrangle map and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9695. The D1793 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1793 Road pursuant to the County's governmental right and authority.

9696. Witnesses with personal knowledge of the history of the D1793 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9697. Currently known reputation in the community is that the D1793 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

9698. Public motor vehicle use of the D1793 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9699. The D1793 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9700. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1793 Road.

9701. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1793 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1803 Road

9702. The D1803 Road is designated as county road number D1803 and SGID road identification number RD191823 and is more or less .39 miles long.

9703. Exhibit 786 (attached hereto and incorporated herein) contains certain information pertaining to the D1803 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9704. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D1803 Road solely as it crosses United States public land as included and specifically described in Exhibit 786. The D1803 Road includes the segment of road specifically set forth in Exhibit 786 and as exists on the ground.

Acceptance of the D1803 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9705. The D1803 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9706. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1803 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9707. The D1803 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1803 Road pursuant to the County's governmental right and authority.

9708. Witnesses with personal knowledge of the history of the D1803 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9709. Currently known reputation in the community is that the D1803 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9710. Public motor vehicle use of the D1803 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9711. The D1803 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9712. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1803 Road.

9713. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1803 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1808 Road

9714. The D1808 Road is designated as county road number D1808 and SGID road identification number RD191827 and is more or less 1.81 miles long.

9715. Exhibit 787 (attached hereto and incorporated herein) contains certain information pertaining to the D1808 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9716. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1808 Road solely as it crosses United States public land as included and specifically described in Exhibit 787. The D1808 Road includes the segment of road specifically

set forth in Exhibit 787 and as exists on the ground.

Acceptance of the D1808 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9717. The D1808 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9718. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1808 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9719. The D1808 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1808 Road pursuant to the County's governmental right and authority.

9720. Witnesses with personal knowledge of the history of the D1808 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9721. Currently known reputation in the community is that the D1808 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9722. Public motor vehicle use of the D1808 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

9723. The D1808 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9724. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1808 Road.

9725. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1808 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1810 Road

9726. The D1810 Road is designated as county road number D1810 and SGID road identification number RD191829 and is more or less 1.51 miles long.

9727. Exhibit 788 (attached hereto and incorporated herein) contains certain information pertaining to the D1810 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9728. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1810 Road solely as it crosses United States public land as included and specifically described in Exhibit 788. The D1810 Road includes the segment of road specifically set forth in Exhibit 788 and as exists on the ground.

Acceptance of the D1810 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9729. The D1810 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9730. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1810 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9731. The D1810 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1810 Road pursuant to the County's governmental right and authority.

9732. Witnesses with personal knowledge of the history of the D1810 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9733. Currently known reputation in the community is that the D1810 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9734. Public motor vehicle use of the D1810 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9735. The D1810 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9736. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1810 Road.

9737. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1810 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1811 Road

9738. The D1811 Road is designated as county road number D1811 and SGID road identification number RD191830 and is more or less 2.25 miles long.

9739. Exhibit 789 (attached hereto and incorporated herein) contains certain information pertaining to the D1811 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9740. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1811 Road solely as it crosses United States public land as included and specifically described in Exhibit 789. The D1811 Road includes the segment of road specifically set forth in Exhibit 789 and as exists on the ground.

Acceptance of the D1811 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9741. The D1811 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9742. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1811 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9743. The D1811 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1811 Road pursuant to the County's governmental right and authority.

9744. Witnesses with personal knowledge of the history of the D1811 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9745. Currently known reputation in the community is that the D1811 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9746. Public motor vehicle use of the D1811 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9747. The D1811 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9748. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1811 Road.

9749. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1811 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1813 Road

9750. The D1813 Road is designated as county road number D1813 and SGID road identification number RD191831 and is more or less 1.38 miles long.

9751. Exhibit 790 (attached hereto and incorporated herein) contains certain information pertaining to the D1813 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9752. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1813 Road solely as it crosses United States public land as included and specifically described in Exhibit 790. The D1813 Road includes the segment of road specifically set forth in Exhibit 790 and as exists on the ground.

Acceptance of the D1813 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9753. The D1813 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9754. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1813 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9755. The D1813 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1813 Road pursuant to the County's governmental right and authority.

9756. Witnesses with personal knowledge of the history of the D1813 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9757. Currently known reputation in the community is that the D1813 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9758. Public motor vehicle use of the D1813 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9759. The D1813 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9760. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1813 Road.

9761. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1813 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1816 Road

9762. The D1816 Road is designated as county road number D1816 and SGID road identification number RD191833 and is more or less 1.51 miles long.

9763. Exhibit 791 (attached hereto and incorporated herein) contains certain information pertaining to the D1816 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9764. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1816 Road solely as it crosses United States public land as included and specifically described in Exhibit 791. The D1816 Road includes the segment of road specifically set forth in Exhibit 791 and as exists on the ground.

Acceptance of the D1816 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9765. The D1816 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9766. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1816 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9767. The D1816 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1816 Road pursuant to the County's governmental right and authority.

9768. Witnesses with personal knowledge of the history of the D1816 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9769. Currently known reputation in the community is that the D1816 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9770. Public motor vehicle use of the D1816 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9771. The D1816 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9772. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1816 Road.

9773. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1816 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1817 Road

9774. The D1817 Road is designated as county road number D1817 and SGID road identification number RD191834 and is more or less .42 miles long.

9775. Exhibit 792 (attached hereto and incorporated herein) contains certain information pertaining to the D1817 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9776. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1817 Road solely as it crosses United States public land as included and specifically described in Exhibit 792. The D1817 Road includes the segment of road specifically set forth in Exhibit 792 and as exists on the ground.

Acceptance of the D1817 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9777. The D1817 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9778. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1817 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9779. The D1817 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1817 Road pursuant to the County's governmental right and authority.

9780. Witnesses with personal knowledge of the history of the D1817 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9781. Currently known reputation in the community is that the D1817 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9782. Public motor vehicle use of the D1817 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9783. The D1817 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9784. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1817 Road.

9785. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1817 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1818 Road

9786. The D1818 Road is designated as county road number D1818 and SGID road identification number RD191835 and is more or less 3.85 miles long.

9787. Exhibit 793 (attached hereto and incorporated herein) contains certain information pertaining to the D1818 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9788. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1818 Road solely as it crosses United States public land as included and specifically described in Exhibit 793. The D1818 Road includes the segment of road specifically set forth in Exhibit 793 and as exists on the ground.

Acceptance of the D1818 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9789. The D1818 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9790. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1818 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9791. The D1818 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1818 Road pursuant to the County's governmental right and authority.

9792. Witnesses with personal knowledge of the history of the D1818 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9793. Currently known reputation in the community is that the D1818 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9794. Public motor vehicle use of the D1818 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9795. The D1818 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9796. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1818 Road.

9797. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1818 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1823 Road

9798. The D1823 Road is designated as county road number D1823 and SGID road identification number RD191840 and is more or less .95 miles long.

9799. Exhibit 794 (attached hereto and incorporated herein) contains certain information pertaining to the D1823 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9800. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1823 Road solely as it crosses United States public land as included and specifically described in Exhibit 794. The D1823 Road includes the segment of road specifically set forth in Exhibit 794 and as exists on the ground.

Acceptance of the D1823 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9801. The D1823 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9802. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1823 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9803. The D1823 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1823 Road pursuant to the County's governmental right and authority.

9804. Witnesses with personal knowledge of the history of the D1823 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9805. Currently known reputation in the community is that the D1823 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9806. Public motor vehicle use of the D1823 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9807. The D1823 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9808. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1823 Road.

9809. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1823 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1824 Road

9810. The D1824 Road is designated as county road number D1824 and SGID road identification number RD191841 and is more or less 4.01 miles long.

9811. Exhibit 795 (attached hereto and incorporated herein) contains certain information pertaining to the D1824 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9812. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1824 Road solely as it crosses United States public land as included and specifically described in Exhibit 795. The D1824 Road includes the segment of road specifically set forth in Exhibit 795 and as exists on the ground.

Acceptance of the D1824 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9813. The D1824 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9814. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1824 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9815. The D1824 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1824 Road pursuant to the County's governmental right and authority.

9816. Witnesses with personal knowledge of the history of the D1824 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9817. Currently known reputation in the community is that the D1824 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9818. Public motor vehicle use of the D1824 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9819. The D1824 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9820. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1824 Road.

9821. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1824 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2440 Road

9822. The D2440 Road is designated as county road number D2440 and SGID road identification number RD192194 and is more or less .69 miles long.

9823. Exhibit 796 (attached hereto and incorporated herein) contains certain information pertaining to the D2440 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9824. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2440 Road solely as it crosses United States public land as included and specifically described in Exhibit 796. The D2440 Road includes the segment of road specifically set forth in Exhibit 796 and as exists on the ground.

Acceptance of the D2440 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9825. The D2440 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9826. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2440 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9827. The D2440 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2440 Road pursuant to the County's governmental right and authority.

9828. Witnesses with personal knowledge of the history of the D2440 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9829. Currently known reputation in the community is that the D2440 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9830. Public motor vehicle use of the D2440 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9831. The D2440 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9832. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2440 Road.

9833. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2440 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2512 Road

9834. The D2512 Road is designated as county road number D2512 and SGID road identification number RD192222 and is more or less 3.92 miles long.

9835. Exhibit 797 (attached hereto and incorporated herein) contains certain information pertaining to the D2512 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9836. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2512 Road solely as it crosses United States public land as included and specifically described in Exhibit 797. The D2512 Road includes the segment of road specifically set forth in Exhibit 797 and as exists on the ground.

Acceptance of the D2512 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9837. The D2512 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9838. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2512 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9839. The D2512 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2512 Road pursuant to the County's governmental right and authority.

9840. Witnesses with personal knowledge of the history of the D2512 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9841. Currently known reputation in the community is that the D2512 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9842. Public motor vehicle use of the D2512 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9843. The D2512 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9844. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2512 Road.

9845. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2512 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2521 Road

9846. The D2521 Road is designated as county road number D2521 and SGID road identification number RD192225 and is more or less .46 miles long.

9847. Exhibit 798 (attached hereto and incorporated herein) contains certain information pertaining to the D2521 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9848. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2521 Road solely as it crosses United States public land as included and specifically described in Exhibit 798. The D2521 Road includes the segment of road specifically set forth in Exhibit 798 and as exists on the ground.

Acceptance of the D2521 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9849. The D2521 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9850. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2521 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9851. The D2521 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2521 Road pursuant to the County's governmental right and authority.

9852. Witnesses with personal knowledge of the history of the D2521 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9853. Currently known reputation in the community is that the D2521 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9854. Public motor vehicle use of the D2521 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9855. The D2521 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9856. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2521 Road.

9857. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2521 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2568 Road

9858. The D2568 Road is designated as county road number D2568 and SGID road identification number RD192250 and is more or less .38 miles long.

9859. Exhibit 799 (attached hereto and incorporated herein) contains certain information pertaining to the D2568 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9860. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2568 Road solely as it crosses United States public land as included and specifically described in Exhibit 799. The D2568 Road includes the segment of road specifically set forth in Exhibit 799 and as exists on the ground.

Acceptance of the D2568 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9861. The D2568 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9862. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2568 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9863. The D2568 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2568 Road pursuant to the County's governmental right and authority.

9864. Witnesses with personal knowledge of the history of the D2568 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9865. Currently known reputation in the community is that the D2568 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9866. Public motor vehicle use of the D2568 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9867. The D2568 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9868. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2568 Road.

9869. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2568 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2609 Road

9870. The D2609 Road is designated as county road number D2609 and SGID road identification number RD192267 and is more or less .63 miles long.

9871. Exhibit 800 (attached hereto and incorporated herein) contains certain information pertaining to the D2609 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9872. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2609 Road solely as it crosses United States public land as included and specifically described in Exhibit 800. The D2609 Road includes the segment of road specifically set forth in Exhibit 800 and as exists on the ground.

Acceptance of the D2609 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9873. The D2609 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9874. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2609 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9875. The D2609 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2609 Road pursuant to the County's governmental right and authority.

9876. Witnesses with personal knowledge of the history of the D2609 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9877. Currently known reputation in the community is that the D2609 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9878. Public motor vehicle use of the D2609 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9879. The D2609 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9880. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2609 Road.

9881. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2609 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2707 Road

9882. The D2707 Road is designated as county road number D2707 and SGID road identification number RD192314 and is more or less .68 miles long.

9883. Exhibit 801 (attached hereto and incorporated herein) contains certain information pertaining to the D2707 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9884. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2707 Road solely as it crosses United States public land as included and specifically described in Exhibit 801. The D2707 Road includes the segment of road specifically set forth in Exhibit 801 and as exists on the ground.

Acceptance of the D2707 Road R.S. 2477 Right-of-way Prior to October 21, 1976

9885. The D2707 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9886. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2707 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9887. The D2707 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2707 Road pursuant to the County's governmental right and authority.

9888. Witnesses with personal knowledge of the history of the D2707 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9889. Currently known reputation in the community is that the D2707 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9890. Public motor vehicle use of the D2707 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9891. The D2707 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9892. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2707 Road.

9893. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2707 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

TWELFTH CAUSE OF ACTION – QUIET TITLE
FORTKNOCKER CANYON AREA

9894. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

9895. The Fortknocker Canyon Area is located in west-central San Juan County and is shown on Exhibit 14, attached hereto and incorporated herein.

9896. The Fortknocker Canyon Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Burch Canyon Road, B254; (2) Dark Canyon Airstrip Road, B2091; (3) Deer Flat Corral Road, B2791; (4) Deer Flat Road, B255; (5) Elk Mountain Road, B228; (6) Elmers Field Road, B2121; (7) Fortknocker Canyon Road, B2081; (8) Found Mesa Road, B2271; (9) Fry Canyon Ruins Road, B2141; (10) Horse Tanks Road, B2651; (11) Jack's Loop Road, B2641; (12) Jacob's Chair Road, B2261; (13) Lyman Canyon Road, B2291; (14) Sandy Mine Road, B257; (15) Short Canyon Road, B2101; (16) White Canyon North Road, B2731; (17) Wooden Shoe Road, B256; (18) D0023 Road; (19) D0067 Road; (20) D0068 Road; (21) D0069 Road; (22) D0070 Road; (23) D0071 Road; (24)

D0072 Road; (25) D0073 Road; (26) D0074 Road; (27) D0075 Road; (28) D0076 Road; (29) D0077 Road; (30) D0078 Road; (31) D0100 Road; (32) D0101 Road; (33) D0104 Road; (34) D0105 Road; (35) D0106 Road; (36) D0108 Road; (37) D0109 Road; (38) D0111 Road; (39) D0113 Road; (40) D0118 Road; (41) D0138 Road; (42) D0139 Road; (43) D0140 Road; (44) D1935 Road; (45) D1938 Road; (46) D1939 Road; (47) D1954 Road; (48) D1958 Road; (49) D2007 Road; (50) D2008 Road; (51) D2009 Road; (52) D2011 Road; (53) D2012 Road; (54) D2014 Road; (55) D2020 Road; (56) D2022 Road; (57) D2023 Road; (58) D2026 Road; (59) D2037 Road; (60) D2050 Road; (61) D2219 Road; (62) D2221 Road (63) D2222 Road; (64) D2225 Road; (65) D2226 Road; (66) D2249 Road; (67) D2251 Road; (68) D2657 Road; (69) D2663 Road; (70) D3465 Road; (71) D3468 Road; (72) D4474 Road; (73) D4849 Road; and (74) Jacob's Chair Road, D3471.

9897. Each right-of-way claimed in the Fortknocker Canyon Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

9898. All rights-of-way claimed in the Fortknocker Canyon Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

9899. All rights-of-way claimed in the Fortknocker Canyon Area include a minimum

right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

9900. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Burch Canyon Road, B254

9901. The Burch Canyon Road is designated as county road number B254 and SGID road identification number RD190260 and is more or less 15.25 miles long.

9902. Exhibit 802 (attached hereto and incorporated herein) contains certain information pertaining to the Burch Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9903. In this action, the State and County seek to quiet title to the public highway right-of-way for the Burch Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 802. The Burch Canyon Road includes the segment of road specifically set forth in Exhibit 802 and as exists on the ground.

Acceptance of the Burch Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

9904. The Burch Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9905. Aerial photography from 1975 and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Burch Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9906. The appearance of the Burch Canyon Road on the Bears Ears (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9907. The County confirmed its acceptance of the Burch Canyon Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Burch Canyon Road using public funds pursuant to the County's governmental right and authority.

9908. Witnesses with personal knowledge of the history of the Burch Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9909. Currently known reputation in the community is that the Burch Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior

to October 21, 1976, and continuing to the present.

9910. Public motor vehicle use of the Burch Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9911. The Burch Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9912. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Burch Canyon Road.

9913. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Burch Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Dark Canyon Airstrip Road, B2091

9914. The Dark Canyon Airstrip Road is designated as county road number B2091 and SGID road identification number RD190171 and is more or less 2.07 miles long.

9915. Exhibit 803 (attached hereto and incorporated herein) contains certain information pertaining to the Dark Canyon Airstrip Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9916. In this action, the State and County seek to quiet title to the public highway right-of-way for the Dark Canyon Airstrip Road solely as it crosses United States public land as included and specifically described in Exhibit 803. The Dark Canyon Airstrip Road includes the segment of road specifically set forth in Exhibit 803 and as exists on the ground.

Acceptance of the Dark Canyon Airstrip Road R.S. 2477 Right-of-way Prior to October 21, 1976

9917. The Dark Canyon Airstrip Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9918. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Dark Canyon Airstrip Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9919. The Dark Canyon Airstrip Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Dark Canyon Airstrip Road using public funds pursuant to the County's governmental right and authority.

9920. Witnesses with personal knowledge of the history of the Dark Canyon Airstrip Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9921. Currently known reputation in the community is that the Dark Canyon Airstrip Road has been open for all to come and go whenever convenient or necessary for more than 10

years prior to October 21, 1976, and continuing to the present.

9922. Public motor vehicle use of the Dark Canyon Airstrip Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9923. The Dark Canyon Airstrip Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9924. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Dark Canyon Airstrip Road.

9925. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Dark Canyon Airstrip Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Deer Flat Coral Road, B2791

9926. The Deer Flat Coral Road is designated as county road number B2791 and SGID road identification number RD190311 and is more or less 2.33 miles long.

9927. Exhibit 804 (attached hereto and incorporated herein) contains certain information pertaining to the Deer Flat Coral Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9928. In this action, the State and County seek to quiet title to the public highway right-of-way for the Deer Flat Coral Road solely as it crosses United States public land as included and specifically described in Exhibit 804. The Deer Flat Coral Road includes the segment of road specifically set forth in Exhibit 804 and as exists on the ground.

Acceptance of the Deer Flat Coral Road R.S. 2477 Right-of-way Prior to October 21, 1976

9929. The Deer Flat Coral Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9930. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Deer Flat Coral Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9931. The appearance of the Deer Flat Coral Road on The Cheesebox (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9932. The County confirmed its acceptance of the Deer Flat Coral Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Deer Flat Coral Road using public funds pursuant to the County's governmental right and authority.

9933. Witnesses with personal knowledge of the history of the Deer Flat Coral Road

confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9934. Currently known reputation in the community is that the Deer Flat Coral Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9935. Public motor vehicle use of the Deer Flat Coral Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9936. The Deer Flat Coral Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9937. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Deer Flat Coral Road.

9938. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Deer Flat Coral Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Deer Flat Road, B255

9939. The Deer Flat Road is designated as county road number B255 and SGID road

identification number RD190262 and is more or less 5.40 miles long.

9940. Exhibit 805 (attached hereto and incorporated herein) contains certain information pertaining to the Deer Flat Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9941. In this action, the State and County seek to quiet title to the public highway right-of-way for the Deer Flat Road solely as it crosses United States public land as included and specifically described in Exhibit 805. The Deer Flat Road includes the segment of road specifically set forth in Exhibit 805 and as exists on the ground.

Acceptance of the Deer Flat Road R.S. 2477 Right-of-way Prior to October 21, 1976

9942. The Deer Flat Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9943. Aerial photography from 1975 and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Deer Flat Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9944. The appearance of the Deer Flat Road on The Cheesebox (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9945. The County confirmed its acceptance of the Deer Flat Road by 1974, when it

designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Deer Flat Road using public funds pursuant to the County's governmental right and authority.

9946. Witnesses with personal knowledge of the history of the Deer Flat Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9947. Currently known reputation in the community is that the Deer Flat Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9948. Public motor vehicle use of the Deer Flat Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9949. The Deer Flat Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9950. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Deer Flat Road.

9951. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Deer Flat Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Elk Mountain Road, B228

9952. The Elk Mountain Road is designated as county road number B228 and SGID road identification number RD190208 and is more or less 31.61 miles long.

9953. Exhibit 806 (attached hereto and incorporated herein) contains certain information pertaining to the Elk Mountain Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9954. In this action, the State and County seek to quiet title to the public highway right-of-way for the Elk Mountain Road solely as it crosses United States public land as included and specifically described in Exhibit 806. The Elk Mountain Road includes the segment of road specifically set forth in Exhibit 806 and as exists on the ground.

Acceptance of the Elk Mountain Road R.S. 2477 Right-of-way Prior to October 21, 1976

9955. The Elk Mountain Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9956. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Elk Mountain Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9957. The appearance of the Elk Mountain Road on the Black Mesa Butte (1957), Mancos Jim Butte (1957), Cream Pots (1954), Kigalia Point (1954), South Long Point (1954),

and Kane Gulch (1952) USGS 7.5-minute quadrangle maps and the Brushy Basin Wash (1957) and Bears Ears (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9958. The County confirmed its acceptance of the Elk Mountain Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Elk Mountain Road using public funds pursuant to the County's governmental right and authority.

9959. Witnesses with personal knowledge of the history of the Elk Mountain Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9960. Currently known reputation in the community is that the Elk Mountain Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9961. Public motor vehicle use of the Elk Mountain Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9962. The Elk Mountain Road traverses a valid and perfected R.S. 2477 public highway

right-of-way as described herein.

9963. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Elk Mountain Road.

9964. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Elk Mountain Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Elmers Field Road, B2121

9965. The Elmers Field Road is designated as county road number B2121 and SGID road identification number RD190177and is more or less 1.08 miles long.

9966. Exhibit 807 (attached hereto and incorporated herein) contains certain information pertaining to the Elmers Field Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9967. In this action, the State and County seek to quiet title to the public highway right-of-way for the Elmers Field Road solely as it crosses United States public land as included and specifically described in Exhibit 807. The Elmers Field Road includes the segment of road specifically set forth in Exhibit 807 and as exists on the ground.

Acceptance of the Elmers Field Road R.S. 2477 Right-of-way Prior to October 21, 1976

9968. The Elmers Field Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9969. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Elmers Field Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9970. The County confirmed its acceptance of the Elmers Field Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Elmers Field Road using public funds pursuant to the County's governmental right and authority.

9971. Witnesses with personal knowledge of the history of the Elmers Field Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9972. Currently known reputation in the community is that the Elmers Field Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9973. Public motor vehicle use of the Elmers Field Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for

a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9974. The Elmers Field Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9975. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Elmers Field Road.

9976. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Elmers Field Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Fortknocker Canyon Road, B2081

9977. The Fortknocker Canyon Road is designated as county road number B2081 and SGID road identification number RD190169 and is more or less 19.58 miles long.

9978. Exhibit 808 (attached hereto and incorporated herein) contains certain information pertaining to the Fortknocker Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9979. In this action, the State and County seek to quiet title to the public highway right-of-way for the Fortknocker Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 808. The Fortknocker Canyon Road includes the

segment of road specifically set forth in Exhibit 808 and as exists on the ground.

Acceptance of the Fortknocker Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

9980. The Fortknocker Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9981. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Fortknocker Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9982. The appearance of the Fortknocker Canyon Road on the Mancos Mesa NE (1952), Indian Head Pass (1952), and Copper Point (1952) USGS 7.5-minute quadrangle maps and the Mancos Mesa (1952), Mouth of Dark Canyon (1952), and Browns Rim (1952) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9983. The County confirmed its acceptance of the Fortknocker Canyon Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Fortknocker Canyon Road using public funds pursuant to the County's governmental right and authority.

9984. Witnesses with personal knowledge of the history of the Fortknocker Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21,

1976.

9985. Currently known reputation in the community is that the Fortknocker Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9986. Public motor vehicle use of the Fortknocker Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9987. The Fortknocker Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9988. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Fortknocker Canyon Road.

9989. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Fortknocker Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Found Mesa Road, B2271

9990. The Found Mesa Road is designated as county road number B2271 and SGID road identification number RD190207 and is more or less 9.33miles long.

9991. Exhibit 809 (attached hereto and incorporated herein) contains certain information

pertaining to the Found Mesa Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9992. In this action, the State and County seek to quiet title to the public highway right-of-way for the Found Mesa Road solely as it crosses United States public land as included and specifically described in Exhibit 809. The Found Mesa Road includes the segment of road specifically set forth in Exhibit 809 and as exists on the ground.

Acceptance of the Found Mesa Road R.S. 2477 Right-of-way Prior to October 21, 1976

9993. The Found Mesa Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9994. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Found Mesa Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9995. The appearance of the Found Mesa Road on The Cheesebox (1952) and Jacobs Chair (1952) USGS 7.5-minute quadrangle maps and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

9996. The County confirmed its acceptance of the Found Mesa Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the Found Mesa Road using public funds pursuant to the County's governmental right and authority.

9997. Witnesses with personal knowledge of the history of the Found Mesa Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

9998. Currently known reputation in the community is that the Found Mesa Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9999. Public motor vehicle use of the Found Mesa Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10000. The Found Mesa Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10001. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Found Mesa Road.

10002. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Found Mesa Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this

road.

Fry Canyon Ruins Road, B2141

10003. The Fry Canyon Ruins Road is designated as county road number B2141 and SGID road identification number RD190181 and is more or less 0.62 miles long.

10004. Exhibit 810 (attached hereto and incorporated herein) contains certain information pertaining to the Fry Canyon Ruins Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10005. In this action, the State and County seek to quiet title to the public highway right-of-way for the Fry Canyon Ruins Road solely as it crosses United States public land as included and specifically described in Exhibit 810. The Fry Canyon Ruins Road includes the segment of road specifically set forth in Exhibit 810 and as exists on the ground.

Acceptance of the Fry Canyon Ruins Road R.S. 2477 Right-of-way Prior to October 21, 1976

10006. The Fry Canyon Ruins Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10007. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Fry Canyon Ruins Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10008. The County confirmed its acceptance of the Fry Canyon Ruins Road by 1974, when it designated and accepted the road as a County highway on the County's general highway

map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Fry Canyon Ruins Road using public funds pursuant to the County's governmental right and authority.

10009. Witnesses with personal knowledge of the history of the Fry Canyon Ruins Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10010. Currently known reputation in the community is that the Fry Canyon Ruins Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10011. Public motor vehicle use of the Fry Canyon Ruins Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10012. The Fry Canyon Ruins Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10013. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Fry Canyon Ruins Road.

10014. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Fry Canyon Ruins Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Horse Tanks Road, B2651

10015. The Horse Tanks Road is designated as county road number B2651 and SGID road identification number RD190283 and is more or less 0.57 miles long.

10016. Exhibit 811 (attached hereto and incorporated herein) contains certain information pertaining to the Horse Tanks Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10017. In this action, the State and County seek to quiet title to the public highway right-of-way for the Horse Tanks Road solely as it crosses United States public land as included and specifically described in Exhibit 811. The Horse Tanks Road includes the segment of road specifically set forth in Exhibit 811 and as exists on the ground.

Acceptance of the Horse Tanks Road R.S. 2477 Right-of-way Prior to October 21, 1976

10018. The Horse Tanks Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10019. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Horse Tanks Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10020. The appearance of the Horse Tanks Road on the Copper Point (1952) USGS 7.5-

minute quadrangle map and the Browns Rim (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10021. The Horse Tanks Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Horse Tanks Road using public funds pursuant to the County's governmental right and authority.

10022. Witnesses with personal knowledge of the history of the Horse Tanks Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10023. Currently known reputation in the community is that the Horse Tanks Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10024. Public motor vehicle use of the Horse Tanks Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10025. The Horse Tanks Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10026. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Horse Tanks Road.

10027. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Horse Tanks Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Jack's Loop Road, B2641

10028. The Jack's Loop Road is designated as county road number B2641 and SGID road identification number RD190281 and is more or less 2.13 miles long.

10029. Exhibit 812 (attached hereto and incorporated herein) contains certain information pertaining to the Jack's Loop Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10030. In this action, the State and County seek to quiet title to the public highway right-of-way for the Jack's Loop Road solely as it crosses United States public land as included and specifically described in Exhibit 812. The Jack's Loop Road includes the segment of road specifically set forth in Exhibit 812 and as exists on the ground.

Acceptance of the Jack's Loop Road R.S. 2477 Right-of-way Prior to October 21, 1976

10031. The Jack's Loop Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10032. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Jack's Loop Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10033. The Jack's Loop Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Jack's Loop Road using public funds pursuant to the County's governmental right and authority.

10034. Witnesses with personal knowledge of the history of the Jack's Loop Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10035. Currently known reputation in the community is that the Jack's Loop Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10036. Public motor vehicle use of the Jack's Loop Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10037. The Jack's Loop Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10038. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Jack's Loop Road.

10039. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Jack's Loop Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Jacob's Chair Road, B2261

10040. The Jacob's Chair Road is designated as county road number B2261 and SGID road identification number RD190205 and is more or less 3.06 miles long.

10041. Exhibit 813 (attached hereto and incorporated herein) contains certain information pertaining to the Jacob's Chair Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10042. In this action, the State and County seek to quiet title to the public highway right-of-way for the Jacob's Chair Road solely as it crosses United States public land as included and specifically described in Exhibit 813. The Jacob's Chair Road includes the segment of road specifically set forth in Exhibit 813 and as exists on the ground.

Acceptance of the Jacob's Chair Road R.S. 2477 Right-of-way Prior to October 21, 1976

10043. The Jacob's Chair Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10044. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Jacob's Chair Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10045. The appearance of the Jacob's Chair Road on the Jacobs Chair (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10046. The Jacob's Chair Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Jacob's Chair Road using public funds pursuant to the County's governmental right and authority.

10047. Witnesses with personal knowledge of the history of the Jacob's Chair Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10048. Currently known reputation in the community is that the Jacob's Chair Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10049. Public motor vehicle use of the Jacob's Chair Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for

a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10050. The Jacob's Chair Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10051. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Jacob's Chair Road.

10052. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Jacob's Chair Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Lyman Canyon Road, B2291

10053. The Lyman Canyon Road is designated as county road number B2291 and SGID road identification number RD190211 and is more or less 1.76 miles long.

10054. Exhibit 814 (attached hereto and incorporated herein) contains certain information pertaining to the Lyman Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10055. In this action, the State and County seek to quiet title to the public highway right-of-way for the Lyman Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 814. The Lyman Canyon Road includes the segment of road

specifically set forth in Exhibit 814 and as exists on the ground.

Acceptance of the Lyman Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

10056. The Lyman Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10057. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Lyman Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10058. The County confirmed its acceptance of the Lyman Canyon Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Lyman Canyon Road using public funds pursuant to the County's governmental right and authority.

10059. Witnesses with personal knowledge of the history of the Lyman Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10060. Currently known reputation in the community is that the Lyman Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10061. Public motor vehicle use of the Lyman Canyon Road as a public thoroughfare

traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10062. The Lyman Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10063. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Lyman Canyon Road.

10064. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Lyman Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Sandy Mine Road, B257

10065. The Sandy Mine Road is designated as county road number B257 and SGID road identification number RD190266 and is more or less 2.40 miles long.

10066. Exhibit 815 (attached hereto and incorporated herein) contains certain information pertaining to the Sandy Mine Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10067. In this action, the State and County seek to quiet title to the public highway right-of-way for the Sandy Mine Road solely as it crosses United States public land as included and

specifically described in Exhibit 815. The Sandy Mine Road includes the segment of road specifically set forth in Exhibit 815 and as exists on the ground.

Acceptance of the Sandy Mine Road R.S. 2477 Right-of-way Prior to October 21, 1976

10068. The Sandy Mine Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10069. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Sandy Mine Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10070. The appearance of the Sandy Mine Road on the WoodenShoe Buttes (1952) USGS 7.5-minute quadrangle map and the Bears Ears (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10071. The County confirmed its acceptance of the Sandy Mine Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Sandy Mine Road using public funds pursuant to the County's governmental right and authority.

10072. Witnesses with personal knowledge of the history of the Sandy Mine Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21,

1976.

10073. Currently known reputation in the community is that the Sandy Mine Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10074. Public motor vehicle use of the Sandy Mine Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10075. The Sandy Mine Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10076. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Sandy Mine Road.

10077. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Sandy Mine Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Short Canyon Road, B2101

10078. The Short Canyon Road is designated as county road number B2101 and SGID road identification number RD190173 and is more or less 2.58 miles long.

10079. Exhibit 816 (attached hereto and incorporated herein) contains certain information

pertaining to the Short Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10080. In this action, the State and County seek to quiet title to the public highway right-of-way for the Short Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 816. The Short Canyon Road includes the segment of road specifically set forth in Exhibit 816 and as exists on the ground.

Acceptance of the Short Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

10081. The Short Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10082. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Short Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10083. The appearance of the Short Canyon Road on the Mancos Mesa NE (1952), Indian Head Pass (1952), and Copper Point (1952) USGS 7.5-minute quadrangle maps and the Mouth of Dark Canyon (1952), Browns Rim (1952), and Mancos Mesa (1952) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10084. The County confirmed its acceptance of the Short Canyon Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map.

The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Short Canyon Road using public funds pursuant to the County's governmental right and authority.

10085. Witnesses with personal knowledge of the history of the Short Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10086. Currently known reputation in the community is that the Short Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10087. Public motor vehicle use of the Short Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10088. The Short Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10089. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Short Canyon Road.

10090. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Short Canyon Road on lands owned by the United States as described herein

and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

White Canyon North Road, B2731

10091. The White Canyon North Road is designated as county road number B2731 and SGID road identification number RD190299 and is more or less 5.18 miles long.

10092. Exhibit 817 (attached hereto and incorporated herein) contains certain information pertaining to the White Canyon North Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10093. In this action, the State and County seek to quiet title to the public highway right-of-way for the White Canyon North Road solely as it crosses United States public land as included and specifically described in Exhibit 817. The White Canyon North Road includes the segment of road specifically set forth in Exhibit 817 and as exists on the ground.

Acceptance of the White Canyon North Road R.S. 2477 Right-of-way Prior to October 21, 1976

10094. The White Canyon North Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10095. The appearance of the White Canyon North Road on the Copper Point (1952) USGS 7.5-minute quadrangle map and the Brown Rims (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10096. The County confirmed its acceptance of the White Canyon North Road by 1974,

when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the White Canyon North Road using public funds pursuant to the County's governmental right and authority.

10097. Witnesses with personal knowledge of the history of the White Canyon North Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10098. Currently known reputation in the community is that the White Canyon North Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10099. Public motor vehicle use of the White Canyon North Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10100. The White Canyon North Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10101. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the White Canyon North Road.

10102. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the White Canyon North Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Wooden Shoe Road, B256

10103. The Wooden Shoe Road is designated as county road number B256 and SGID road identification number RD190264 and is more or less 43.13 miles long.

10104. Exhibit 818 (attached hereto and incorporated herein) contains certain information pertaining to the Wooden Shoe Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10105. In this action, the State and County seek to quiet title to the public highway right-of-way for the Wooden Shoe Road solely as it crosses United States public land as included and specifically described in Exhibit 818. The Wooden Shoe Road includes the segment of road specifically set forth in Exhibit 818 and as exists on the ground.

Acceptance of the Wooden Shoe Road R.S. 2477 Right-of-way Prior to October 21, 1976

10106. The Wooden Shoe Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10107. Aerial photography from 1975 and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Wooden Shoe Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10108. The appearance of the Wooden Shoe Road on the Black Steer Canyon (1952), Cheesebox (1952), WoodenShoe Buttes (1952), and Kigalia Point (1954) USGS 7.5-minute quadrangle maps and the Mouth of the Dark Canyon (1952) Natural Bridges (1952), and Bears Ears (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10109. The County confirmed its acceptance of the Wooden Shoe Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Wooden Shoe Road using public funds pursuant to the County's governmental right and authority.

10110. Witnesses with personal knowledge of the history of the Wooden Shoe Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10111. Currently known reputation in the community is that the Wooden Shoe Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10112. Public motor vehicle use of the Wooden Shoe Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10113. The Wooden Shoe Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10114. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Wooden Shoe Road.

10115. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Wooden Shoe Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0023 Road

10116. The D0023 Road is designated as county road number D0023 and SGID road identification number RD190867 and is more or less 1.49 miles long.

10117. Exhibit 819 (attached hereto and incorporated herein) contains certain information pertaining to the D0023 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10118. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0023 Road solely as it crosses United States public land as included and specifically described in Exhibit 819. The D0023 Road includes the segment of road specifically set forth in Exhibit 819 and as exists on the ground.

Acceptance of the D0023 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10119. The D0023 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10120. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0023 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10121. The D0023 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0023 Road pursuant to the County's governmental right and authority.

10122. Witnesses with personal knowledge of the history of the D0023 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10123. Currently known reputation in the community is that the D0023 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10124. Public motor vehicle use of the D0023 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10125. The D0023 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10126. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0023 Road.

10127. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0023 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0067 Road

10128. The D0067 Road is designated as county road number D0067 and SGID road identification number RD190902 and is more or less 1.64 miles long.

10129. Exhibit 820 (attached hereto and incorporated herein) contains certain information pertaining to the D0067 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10130. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0067 Road solely as it crosses United States public land as included and specifically described in Exhibit 820. The D0067 Road includes the segment of road specifically set forth in Exhibit 820 and as exists on the ground.

Acceptance of the D0067 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10131. The D0067 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10132. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0067 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10133. The D0067 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0067 Road pursuant to the County's governmental right and authority.

10134. Witnesses with personal knowledge of the history of the D0067 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10135. Currently known reputation in the community is that the D0067 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10136. Public motor vehicle use of the D0067 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10137. The D0067 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10138. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0067 Road.

10139. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0067 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0068 Road

10140. The D0068 Road is designated as county road number D0068 and SGID road identification number RD190903 and is more or less 3.62 miles long.

10141. Exhibit 821 (attached hereto and incorporated herein) contains certain information pertaining to the D0068 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10142. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0068 Road solely as it crosses United States public land as included and specifically described in Exhibit 821. The D0068 Road includes the segment of road specifically set forth in Exhibit 821 and as exists on the ground.

Acceptance of the D0068 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10143. The D0068 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10144. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0068 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10145. The appearance of the D0068 Road on The Cheesebox (1952) and the Moss Back Butte (1952) USGS 7.5-minute quadrangle maps and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10146. The County confirmed its acceptance of the D0068 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0068 Road pursuant to the County's governmental right and authority.

10147. Witnesses with personal knowledge of the history of the D0068 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10148. Currently known reputation in the community is that the D0068 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

10149. Public motor vehicle use of the D0068 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10150. The D0068 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10151. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0068 Road.

10152. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0068 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0069 Road

10153. The D0069 Road is designated as county road number D0069 and SGID road identification number RD190904 and is more or less 1.18 miles long.

10154. Exhibit 822 (attached hereto and incorporated herein) contains certain information pertaining to the D0069 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10155. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D0069 Road solely as it crosses United States public land as included and specifically described in Exhibit 822. The D0069 Road includes the segment of road specifically set forth in Exhibit 822 and as exists on the ground.

Acceptance of the D0069 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10156. The D0069 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10157. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0069 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10158. The appearance of the D0069 Road on The Cheesebox (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10159. The County confirmed its acceptance of the D0069 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0069 Road pursuant to the County's governmental right and authority.

10160. Witnesses with personal knowledge of the history of the D0069 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10161. Currently known reputation in the community is that the D0069 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10162. Public motor vehicle use of the D0069 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10163. The D0069 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10164. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0069 Road.

10165. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0069 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0070 Road

10166. The D0070 Road is designated as county road number D0070 and SGID road identification number RD190905 and is more or less .93 miles long.

10167. Exhibit 823 (attached hereto and incorporated herein) contains certain information pertaining to the D0070 Road including: a map depicting the road; township, range and section

references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10168. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0070 Road solely as it crosses United States public land as included and specifically described in Exhibit 823. The D0070 Road includes the segment of road specifically set forth in Exhibit 823 and as exists on the ground.

Acceptance of the D0070 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10169. The D0070 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10170. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0070 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10171. The appearance of the D0069 Road on The Cheesebox (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10172. The D0070 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0070 Road pursuant to the County's governmental right and authority.

10173. Witnesses with personal knowledge of the history of the D0070 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10174. Currently known reputation in the community is that the D0070 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10175. Public motor vehicle use of the D0070 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10176. The D0070 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10177. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0070 Road.

10178. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0070 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0071 Road

10179. The D0071 Road is designated as county road number D0071 and SGID road identification number RD190906 and is more or less 1.09 miles long.

10180. Exhibit 824 (attached hereto and incorporated herein) contains certain information pertaining to the D0071 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10181. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0071 Road solely as it crosses United States public land as included and specifically described in Exhibit 824. The D0071 Road includes the segment of road specifically set forth in Exhibit 824 and as exists on the ground.

Acceptance of the D0071 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10182. The D0071 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10183. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0071 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10184. The D0071 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0071 Road pursuant to the County's governmental right and authority.

10185. Witnesses with personal knowledge of the history of the D0071 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10186. Currently known reputation in the community is that the D0071 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10187. Public motor vehicle use of the D0071 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10188. The D0071 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10189. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0071 Road.

10190. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0071 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0072 Road

10191. The D0072 Road is designated as county road number D0072 and SGID road identification number RD190907 and is more or less 1.52 miles long.

10192. Exhibit 825 (attached hereto and incorporated herein) contains certain information pertaining to the D0072 Road including: a map depicting the road; township, range and section

references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10193. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0072 Road solely as it crosses United States public land as included and specifically described in Exhibit 825. The D0072 Road includes the segment of road specifically set forth in Exhibit 825 and as exists on the ground.

Acceptance of the D0072 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10194. The D0072 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10195. Aerial photography from 1975 and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0072 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10196. The appearance of the D0072 Road on The Cheesebox (1952) and the WoodenShoe Buttes (1952) USGS 7.5-minute quadrangle maps and the Natural Bridges (1952) and the Bears Ears (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10197. The D0072 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0072 Road pursuant to the County's governmental

right and authority.

10198. Witnesses with personal knowledge of the history of the D0072 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10199. Currently known reputation in the community is that the D0072 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10200. Public motor vehicle use of the D0072 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10201. The D0072 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10202. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0072 Road.

10203. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0072 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0073 Road

10204. The D0073 Road is designated as county road number D0073 and SGID road

identification number RD190908 and is more or less 2.65 miles long.

10205. Exhibit 826 (attached hereto and incorporated herein) contains certain information pertaining to the D0073 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10206. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0073 Road solely as it crosses United States public land as included and specifically described in Exhibit 826. The D0073 Road includes the segment of road specifically set forth in Exhibit 826 and as exists on the ground.

Acceptance of the D0073 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10207. The D0073 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10208. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0073 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10209. The appearance of the D0073 Road on the WoodenShoe Buttes (1952) USGS 7.5-minute quadrangle map and the Bears Ears (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10210. The D0073 Road was accepted as a County highway at least 10 years prior to

October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0073 Road pursuant to the County's governmental right and authority.

10211. Witnesses with personal knowledge of the history of the D0073 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10212. Currently known reputation in the community is that the D0073 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10213. Public motor vehicle use of the D0073 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10214. The D0073 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10215. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0073 Road.

10216. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0073 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0074 Road

10217. The D0074 Road is designated as county road number D0074 and SGID road identification number RD190555 and is more or less 7.69 miles long.

10218. Exhibit 827 (attached hereto and incorporated herein) contains certain information pertaining to the D0074 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10219. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0074 Road solely as it crosses United States public land as included and specifically described in Exhibit 827. The D0074 Road includes the segment of road specifically set forth in Exhibit 827 and as exists on the ground.

Acceptance of the D0074 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10220. The D0074 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10221. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0074 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10222. The appearance of the D0074 Road on The Cheesebox (1952) and the Black Steer Canyon (1952) USGS 7.5-minute quadrangle maps and the Natural Bridges (1952) and the Dark Canyon (1952) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance

of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10223. The County confirmed its acceptance of the D0074 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0074 Road pursuant to the County's governmental right and authority.

10224. Witnesses with personal knowledge of the history of the D0074 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10225. Currently known reputation in the community is that the D0074 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10226. Public motor vehicle use of the D0074 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10227. The D0074 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10228. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0074 Road.

10229. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0074 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0075 Road

10230. The D0075 Road is designated as county road number D0075 and SGID road identification number RD190909 and is more or less .95 miles long.

10231. Exhibit 828 (attached hereto and incorporated herein) contains certain information pertaining to the D0075 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10232. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0075 Road solely as it crosses United States public land as included and specifically described in Exhibit 828. The D0075 Road includes the segment of road specifically set forth in Exhibit 828 and as exists on the ground.

Acceptance of the D0075 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10233. The D0075 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10234. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0075 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10235. The appearance of the D0075 Road on The Cheesebox (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10236. The D0075 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0075 Road pursuant to the County's governmental right and authority.

10237. Witnesses with personal knowledge of the history of the D0075 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10238. Currently known reputation in the community is that the D0075 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10239. Public motor vehicle use of the D0075 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10240. The D0075 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10241. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0075 Road.

10242. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0075 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0076 Road

10243. The D0076 Road is designated as county road number D0076 and SGID road identification number RD190556 and is more or less 8.33 miles long.

10244. Exhibit 829 (attached hereto and incorporated herein) contains certain information pertaining to the D0076 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10245. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0076 Road solely as it crosses United States public land as included and specifically described in Exhibit 829. The D0076 Road includes the segment of road specifically set forth in Exhibit 829 and as exists on the ground.

Acceptance of the D0076 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10246. The D0076 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10247. Aerial photography from 1975 and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0076 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10248. The D0076 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0076 Road pursuant to the County's governmental right and authority.

10249. Witnesses with personal knowledge of the history of the D0076 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10250. Currently known reputation in the community is that the D0076 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10251. Public motor vehicle use of the D0076 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10252. The D0076 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10253. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0076 Road.

10254. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0076 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0077 Road

10255. The D0077 Road is designated as county road number D0077 and SGID road identification number RD190910 and is more or less .80 miles long.

10256. Exhibit 830 (attached hereto and incorporated herein) contains certain information pertaining to the D0077 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10257. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0077 Road solely as it crosses United States public land as included and specifically described in Exhibit 830. The D0077 Road includes the segment of road specifically set forth in Exhibit 830 and as exists on the ground.

Acceptance of the D0077 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10258. The D0077 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10259. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0077 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10260. The appearance of the D0077 Road on the WoodenShoe Buttes (1952) USGS 7.5-minute quadrangle map and the Bears Ears (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10261. The D0077 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0077 Road pursuant to the County's governmental right and authority.

10262. Witnesses with personal knowledge of the history of the D0077 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10263. Currently known reputation in the community is that the D0077 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10264. Public motor vehicle use of the D0077 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10265. The D0077 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10266. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0077 Road.

10267. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0077 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0078 Road

10268. The D0078 Road is designated as county road number D0078 and SGID road identification number RD190911 and is more or less 2.88 miles long.

10269. Exhibit 831 (attached hereto and incorporated herein) contains certain information pertaining to the D0078 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10270. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0078 Road solely as it crosses United States public land as included and specifically described in Exhibit 831. The D0078 Road includes the segment of road specifically set forth in Exhibit 831 and as exists on the ground.

Acceptance of the D0078 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10271. The D0078 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10272. Aerial photography from 1975 and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0078 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10273. The County confirmed its acceptance of the D0078 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0078 Road pursuant to the County's governmental right and authority.

10274. Witnesses with personal knowledge of the history of the D0078 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10275. Currently known reputation in the community is that the D0078 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10276. Public motor vehicle use of the D0078 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10277. The D0078 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10278. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the D0078 Road.

10279. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0078 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0100 Road

10280. The D0100 Road is designated as county road number D0100 and SGID road identification number RD190929 and is more or less .70 miles long.

10281. Exhibit 832 (attached hereto and incorporated herein) contains certain information pertaining to the D0100 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10282. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0100 Road solely as it crosses United States public land as included and specifically described in Exhibit 832. The D0100 Road includes the segment of road specifically set forth in Exhibit 832 and as exists on the ground.

Acceptance of the D0100 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10283. The D0100 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10284. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0100 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10285. The appearance of the D0100 Road on the Kane Gulch (1952) USGS 7.5-minute quadrangle map and the Bears Ears (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10286. The D0100 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0100 Road pursuant to the County's governmental right and authority.

10287. Witnesses with personal knowledge of the history of the D0100 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10288. Currently known reputation in the community is that the D0100 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10289. Public motor vehicle use of the D0100 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10290. The D0100 Road traverses a valid and perfected R.S. 2477 public highway right-

of-way as described herein.

10291. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0100 Road.

10292. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0100 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0101 Road

10293. The D0101 Road is designated as county road number D0101 and SGID road identification number RD190930 and is more or less .54 miles long.

10294. Exhibit 833 (attached hereto and incorporated herein) contains certain information pertaining to the D0101 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10295. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0101 Road solely as it crosses United States public land as included and specifically described in Exhibit 833. The D0101 Road includes the segment of road specifically set forth in Exhibit 833 and as exists on the ground.

Acceptance of the D0101 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10296. The D0101 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10297. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0101 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10298. The appearance of the D0101 Road on Bears Ears (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10299. The D0101 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0101 Road pursuant to the County's governmental right and authority.

10300. Witnesses with personal knowledge of the history of the D0101 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10301. Currently known reputation in the community is that the D0101 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10302. Public motor vehicle use of the D0101 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10303. The D0101 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10304. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0101 Road.

10305. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0101 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0104 Road

10306. The D0104 Road is designated as county road number D0104 and SGID road identification number RD190933 and is more or less .34 miles long.

10307. Exhibit 834 (attached hereto and incorporated herein) contains certain information pertaining to the D0104 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10308. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0104 Road solely as it crosses United States public land as included and specifically described in Exhibit 834. The D0104 Road includes the segment of road specifically set forth in Exhibit 834 and as exists on the ground.

Acceptance of the D0104 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10309. The D0104 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10310. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0104 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10311. The D0104 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0104 Road pursuant to the County's governmental right and authority.

10312. Witnesses with personal knowledge of the history of the D0104 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10313. Currently known reputation in the community is that the D0104 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10314. Public motor vehicle use of the D0104 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10315. The D0104 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10316. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0104 Road.

10317. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0104 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0105 Road

10318. The D0105 Road is designated as county road number D0105 and SGID road identification number RD190934 and is more or less 1.29 miles long.

10319. Exhibit 835 (attached hereto and incorporated herein) contains certain information pertaining to the D0105 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10320. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0105 Road solely as it crosses United States public land as included and specifically described in Exhibit 835. The D0105 Road includes the segment of road specifically set forth in Exhibit 835 and as exists on the ground.

Acceptance of the D0105 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10321. The D0105 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10322. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0105 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10323. The D0105 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0105 Road pursuant to the County's governmental right and authority.

10324. Witnesses with personal knowledge of the history of the D0105 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10325. Currently known reputation in the community is that the D0105 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10326. Public motor vehicle use of the D0105 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10327. The D0105 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10328. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0105 Road.

10329. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0105 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0106 Road

10330. The D0106 Road is designated as county road number D0106 and SGID road identification number RD190935 and is more or less 2.71 miles long.

10331. Exhibit 836 (attached hereto and incorporated herein) contains certain information pertaining to the D0106 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10332. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0106 Road solely as it crosses United States public land as included and specifically described in Exhibit 836. The D0106 Road includes the segment of road specifically set forth in Exhibit 836 and as exists on the ground.

Acceptance of the D0106 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10333. The D0106 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10334. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0106 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10335. The D0106 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0106 Road pursuant to the County's governmental right and authority.

10336. Witnesses with personal knowledge of the history of the D0106 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10337. Currently known reputation in the community is that the D0106 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10338. Public motor vehicle use of the D0106 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10339. The D0106 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10340. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0106 Road.

10341. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0106 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0108 Road

10342. The D0108 Road is designated as county road number D0108 and SGID road identification number RD190936 and is more or less 1.02 miles long.

10343. Exhibit 837 (attached hereto and incorporated herein) contains certain information pertaining to the D0108 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10344. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0108 Road solely as it crosses United States public land as included and specifically described in Exhibit 837. The D0108 Road includes the segment of road specifically set forth in Exhibit 837 and as exists on the ground.

Acceptance of the D0108 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10345. The D0108 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10346. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0108 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10347. The D0108 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0108 Road pursuant to the County's governmental right and authority.

10348. Witnesses with personal knowledge of the history of the D0108 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10349. Currently known reputation in the community is that the D0108 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10350. Public motor vehicle use of the D0108 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10351. The D0108 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10352. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0108 Road.

10353. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0108 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0109 Road

10354. The D0109 Road is designated as county road number D0109 and SGID road identification number RD190938 and is more or less 1.85 miles long.

10355. Exhibit 838 (attached hereto and incorporated herein) contains certain information pertaining to the D0109 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10356. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0109 Road solely as it crosses United States public land as included and specifically described in Exhibit 838. The D0109 Road includes the segment of road specifically set forth in Exhibit 838 and as exists on the ground.

Acceptance of the D0109 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10357. The D0109 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10358. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0109 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10359. The D0109 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0109 Road pursuant to the County's governmental right and authority.

10360. Witnesses with personal knowledge of the history of the D0109 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10361. Currently known reputation in the community is that the D0109 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10362. Public motor vehicle use of the D0109 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10363. The D0109 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10364. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0109 Road.

10365. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0109 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0111 Road

10366. The D0111 Road is designated as county road number D0111 and SGID road identification number RD190940 and is more or less 2.48 miles long.

10367. Exhibit 839 (attached hereto and incorporated herein) contains certain information pertaining to the D0111 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10368. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0111 Road solely as it crosses United States public land as included and specifically described in Exhibit 839. The D0111 Road includes the segment of road specifically set forth in Exhibit 839 and as exists on the ground.

Acceptance of the D0111 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10369. The D0111 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10370. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0111 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10371. The D0111 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0111 Road pursuant to the County's governmental right and authority.

10372. Witnesses with personal knowledge of the history of the D0111 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10373. Currently known reputation in the community is that the D0111 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10374. Public motor vehicle use of the D0111 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10375. The D0111 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10376. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0111 Road.

10377. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0111 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0113 Road

10378. The D0113 Road is designated as county road number D0113 and SGID road identification number RD190943 and is more or less .41 miles long.

10379. Exhibit 840 (attached hereto and incorporated herein) contains certain information pertaining to the D0113 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10380. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0113 Road solely as it crosses United States public land as included and specifically described in Exhibit 840. The D0113 Road includes the segment of road specifically set forth in Exhibit 840 and as exists on the ground.

Acceptance of the D0113 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10381. The D0113 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10382. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0113 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10383. The appearance of the D0113 Road on the WoodenShoe Buttes (1952) USGS 7.5-minute quadrangle map and the Bears Ears (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10384. The D0113 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0113 Road pursuant to the County's governmental right and authority.

10385. Witnesses with personal knowledge of the history of the D0113 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10386. Currently known reputation in the community is that the D0113 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10387. Public motor vehicle use of the D0113 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10388. The D0113 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10389. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0113 Road.

10390. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0113 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0118 Road

10391. The D0118 Road is designated as county road number D0118 and SGID road identification number RD190944 and is more or less .56 miles long.

10392. Exhibit 841 (attached hereto and incorporated herein) contains certain information pertaining to the D0118 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10393. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0118 Road solely as it crosses United States public land as included and

specifically described in Exhibit 841. The D0118 Road includes the segment of road specifically set forth in Exhibit 841 and as exists on the ground.

Acceptance of the D0118 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10394. The D0118 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10395. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0118 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10396. The appearance of the D0118 Road on the Kane Gulch (1952) USGS 7.5-minute quadrangle map and the Bears Ears (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10397. The D0118 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0118 Road pursuant to the County's governmental right and authority.

10398. Witnesses with personal knowledge of the history of the D0118 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10399. Currently known reputation in the community is that the D0118 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10400. Public motor vehicle use of the D0118 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10401. The D0118 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10402. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0118 Road.

10403. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0118 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0138 Road

10404. The D0138 Road is designated as county road number D0138 and SGID road identification number RD190948 and is more or less 7.29 miles long.

10405. Exhibit 842 (attached hereto and incorporated herein) contains certain information pertaining to the D0138 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10406. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0138 Road solely as it crosses United States public land as included and specifically described in Exhibit 842. The D0138 Road includes the segment of road specifically set forth in Exhibit 842 and as exists on the ground.

Acceptance of the D0138 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10407. The D0138 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10408. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0138 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10409. The D0138 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0138 Road pursuant to the County's governmental right and authority.

10410. Witnesses with personal knowledge of the history of the D0138 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10411. Currently known reputation in the community is that the D0138 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10412. Public motor vehicle use of the D0138 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10413. The D0138 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10414. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0138 Road.

10415. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0138 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0139 Road

10416. The D0139 Road is designated as county road number D0139 and SGID road identification number RD190949 and is more or less 1.67 miles long.

10417. Exhibit 843 (attached hereto and incorporated herein) contains certain information pertaining to the D0139 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10418. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0139 Road solely as it crosses United States public land as included and

specifically described in Exhibit 843. The D0139 Road includes the segment of road specifically set forth in Exhibit 843 and as exists on the ground.

Acceptance of the D0139 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10419. The D0139 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10420. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0139 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10421. The D0139 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0139 Road pursuant to the County's governmental right and authority.

10422. Witnesses with personal knowledge of the history of the D0139 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10423. Currently known reputation in the community is that the D0139 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10424. Public motor vehicle use of the D0139 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10425. The D0139 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10426. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0139 Road.

10427. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0139 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0140 Road

10428. The D0140 Road is designated as county road number D0140 and SGID road identification number RD190951 and is more or less 0.65 miles long.

10429. Exhibit 844 (attached hereto and incorporated herein) contains certain information pertaining to the D0140 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10430. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0140 Road solely as it crosses United States public land as included and specifically described in Exhibit 844. The D0140 Road includes the segment of road specifically set forth in Exhibit 844 and as exists on the ground.

Acceptance of the D0140 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10431. The D0140 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10432. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0140 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10433. The D0140 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0140 Road pursuant to the County's governmental right and authority.

10434. Witnesses with personal knowledge of the history of the D0140 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10435. Currently known reputation in the community is that the D0140 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10436. Public motor vehicle use of the D0140 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10437. The D0140 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10438. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0140 Road.

10439. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0140 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1935 Road

10440. The D1935 Road is designated as county road number D1935 and SGID road identification number RD191899 and is more or less 1.19 miles long.

10441. Exhibit 845 (attached hereto and incorporated herein) contains certain information pertaining to the D1935 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10442. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1935 Road solely as it crosses United States public land as included and specifically described in Exhibit 845. The D1935 Road includes the segment of road specifically set forth in Exhibit 845 and as exists on the ground.

Acceptance of the D1935 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10443. The D1935 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10444. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D1935 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10445. The D1935 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1935 Road pursuant to the County's governmental right and authority.

10446. Witnesses with personal knowledge of the history of the D1935 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10447. Currently known reputation in the community is that the D1935 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10448. Public motor vehicle use of the D1935 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10449. The D1935 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10450. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1935 Road.

10451. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1935 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1938 Road

10452. The D1938 Road is designated as county road number D1938 and SGID road identification number RD190686 and is more or less 16.16 miles long.

10453. Exhibit 846 (attached hereto and incorporated herein) contains certain information pertaining to the D1938 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10454. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1938 Road solely as it crosses United States public land as included and specifically described in Exhibit 846. The D1938 Road includes the segment of road specifically set forth in Exhibit 846 and as exists on the ground.

Acceptance of the D1938 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10455. The D1938 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10456. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D1938 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10457. The D1938 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1938 Road pursuant to the County's governmental right and authority.

10458. Witnesses with personal knowledge of the history of the D1938 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10459. Currently known reputation in the community is that the D1938 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10460. Public motor vehicle use of the D1938 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10461. The D1938 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10462. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1938 Road.

10463. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1938 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1939 Road

10464. The D1939 Road is designated as county road number D1939 and SGID road identification number RD190687 and is more or less 2.28 miles long.

10465. Exhibit 847 (attached hereto and incorporated herein) contains certain information pertaining to the D1939 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10466. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1939 Road solely as it crosses United States public land as included and specifically described in Exhibit 847. The D1939 Road includes the segment of road specifically set forth in Exhibit 847 and as exists on the ground.

Acceptance of the D1939 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10467. The D1939 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10468. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D1939 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10469. The D1939 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1939 Road pursuant to the County's governmental right and authority.

10470. Witnesses with personal knowledge of the history of the D1939 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10471. Currently known reputation in the community is that the D1939 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10472. Public motor vehicle use of the D1939 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10473. The D1939 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10474. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1939 Road.

10475. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1939 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1954 Road

10476. The D1954 Road is designated as county road number D1954 and SGID road identification number RD190689 and is more or less 3.20 miles long.

10477. Exhibit 848 (attached hereto and incorporated herein) contains certain information pertaining to the D1954 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10478. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1954 Road solely as it crosses United States public land as included and specifically described in Exhibit 848. The D1954 Road includes the segment of road specifically set forth in Exhibit 848 and as exists on the ground.

Acceptance of the D1954 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10479. The D1954 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10480. The D1954 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1954 Road pursuant to the County's governmental right and authority.

10481. Witnesses with personal knowledge of the history of the D1954 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10482. Currently known reputation in the community is that the D1954 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10483. Public motor vehicle use of the D1954 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10484. The D1954 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10485. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the D1954 Road.

10486. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1954 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1958 Road

10487. The D1958 Road is designated as county road number D1958 and SGID road identification number RD191906 and is more or less .60 miles long.

10488. Exhibit 849 (attached hereto and incorporated herein) contains certain information pertaining to the D1958 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10489. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1958 Road solely as it crosses United States public land as included and specifically described in Exhibit 849. The D1958 Road includes the segment of road specifically set forth in Exhibit 849 and as exists on the ground.

Acceptance of the D1958 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10490. The D1958 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10491. The appearance of the D1958 Road on the Copper Point (1952) USGS 7.5-minute quadrangle map and the Browns Rim (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more

detailed map information.

10492. The D1958 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1958 Road pursuant to the County's governmental right and authority.

10493. The D1958 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1958 Road pursuant to the County's governmental right and authority.

10494. Witnesses with personal knowledge of the history of the D1958 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10495. Currently known reputation in the community is that the D1958 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10496. Public motor vehicle use of the D1958 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10497. The D1958 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10498. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1958 Road.

10499. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1958 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2007 Road

10500. The D2007 Road is designated as county road number D2007 and SGID road identification number RD191942 and is more or less 1.60 miles long.

10501. Exhibit 850 (attached hereto and incorporated herein) contains certain information pertaining to the D2007 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10502. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2007 Road solely as it crosses United States public land as included and specifically described in Exhibit 850. The D2007 Road includes the segment of road specifically set forth in Exhibit 850 and as exists on the ground.

Acceptance of the D2007 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10503. The D2007 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10504. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2007 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10505. The D2007 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2007 Road pursuant to the County's governmental right and authority.

10506. Witnesses with personal knowledge of the history of the D2007 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10507. Currently known reputation in the community is that the D2007 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10508. Public motor vehicle use of the D2007 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10509. The D2007 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10510. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2007 Road.

10511. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2007 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2008 Road

10512. The D2008 Road is designated as county road number D2008 and SGID road identification number RD191943 and is more or less 1.14 miles long.

10513. Exhibit 851 (attached hereto and incorporated herein) contains certain information pertaining to the D2008 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10514. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2008 Road solely as it crosses United States public land as included and specifically described in Exhibit 851. The D2008 Road includes the segment of road specifically set forth in Exhibit 851 and as exists on the ground.

Acceptance of the D2008 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10515. The D2008 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10516. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2008 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10517. The D2008 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2008 Road pursuant to the County's governmental right and authority.

10518. Witnesses with personal knowledge of the history of the D2008 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10519. Currently known reputation in the community is that the D2008 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10520. Public motor vehicle use of the D2008 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10521. The D2008 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10522. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2008 Road.

10523. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2008 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2009 Road

10524. The D2009 Road is designated as county road number D2009 and SGID road identification number RD191944 and is more or less .64 miles long.

10525. Exhibit 852 (attached hereto and incorporated herein) contains certain information pertaining to the D2009 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10526. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2009 Road solely as it crosses United States public land as included and specifically described in Exhibit 852. The D2009 Road includes the segment of road specifically set forth in Exhibit 852 and as exists on the ground.

Acceptance of the D2009 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10527. The D2009 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10528. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2009 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10529. The D2009 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2009 Road pursuant to the County's governmental right and authority.

10530. Witnesses with personal knowledge of the history of the D2009 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10531. Currently known reputation in the community is that the D2009 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10532. Public motor vehicle use of the D2009 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10533. The D2009 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10534. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2009 Road.

10535. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2009 Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2011 Road

10536. The D2011 Road is designated as county road number D2011 and SGID road identification number RD191946 and is more or less .62 miles long.

10537. Exhibit 853 (attached hereto and incorporated herein) contains certain information pertaining to the D2011 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10538. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2011 Road solely as it crosses United States public land as included and specifically described in Exhibit 853. The D2011 Road includes the segment of road specifically set forth in Exhibit 853 and as exists on the ground.

Acceptance of the D2011 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10539. The D2011 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10540. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2011 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10541. The D2011 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D2011 Road pursuant to the County's governmental right and authority.

10542. Witnesses with personal knowledge of the history of the D2011 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10543. Currently known reputation in the community is that the D2011 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10544. Public motor vehicle use of the D2011 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10545. The D2011 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10546. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2011 Road.

10547. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2011 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2012 Road

10548. The D2012 Road is designated as county road number D2012 and SGID road identification number RD191947 and is more or less .37 miles long.

10549. Exhibit 854 (attached hereto and incorporated herein) contains certain information pertaining to the D2012 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10550. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2012 Road solely as it crosses United States public land as included and specifically described in Exhibit 854. The D2012 Road includes the segment of road specifically set forth in Exhibit 854 and as exists on the ground.

Acceptance of the D2012 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10551. The D2012 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10552. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2012 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10553. The D2012 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2012 Road pursuant to the County's governmental

right and authority.

10554. Witnesses with personal knowledge of the history of the D2012 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10555. Currently known reputation in the community is that the D2012 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10556. Public motor vehicle use of the D2012 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10557. The D2012 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10558. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2012 Road.

10559. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2012 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2014 Road

10560. The D2014 Road is designated as county road number D2014 and SGID road

identification number RD191948 and is more or less .11 miles long.

10561. Exhibit 855 (attached hereto and incorporated herein) contains certain information pertaining to the D2014 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10562. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2014 Road solely as it crosses United States public land as included and specifically described in Exhibit 855. The D2014 Road includes the segment of road specifically set forth in Exhibit 855 and as exists on the ground.

Acceptance of the D2014 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10563. The D2014 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10564. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2014 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10565. The D2014 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2014 Road pursuant to the County's governmental right and authority.

10566. Witnesses with personal knowledge of the history of the D2014 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10567. Currently known reputation in the community is that the D2014 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10568. Public motor vehicle use of the D2014 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10569. The D2014 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10570. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2014 Road.

10571. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2014 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2020 Road

10572. The D2020 Road is designated as county road number D2020 and SGID road identification number RD191951 and is more or less 2.00 miles long.

10573. Exhibit 856 (attached hereto and incorporated herein) contains certain information

pertaining to the D2020 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10574. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2020 Road solely as it crosses United States public land as included and specifically described in Exhibit 856. The D2020 Road includes the segment of road specifically set forth in Exhibit 856 and as exists on the ground.

Acceptance of the D2020 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10575. The D2020 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10576. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2020 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10577. The D2020 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2020 Road pursuant to the County's governmental right and authority.

10578. Witnesses with personal knowledge of the history of the D2020 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10579. Currently known reputation in the community is that the D2020 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10580. Public motor vehicle use of the D2020 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10581. The D2020 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10582. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2020 Road.

10583. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2020 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2022 Road

10584. The D2022 Road is designated as county road number D2022 and SGID road identification number RD191953 and is more or less .14 miles long.

10585. Exhibit 857 (attached hereto and incorporated herein) contains certain information pertaining to the D2022 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

10586. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2022 Road solely as it crosses United States public land as included and specifically described in Exhibit 857. The D2022 Road includes the segment of road specifically set forth in Exhibit 857 and as exists on the ground.

Acceptance of the D2022 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10587. The D2022 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10588. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2022 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10589. The D2022 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2022 Road pursuant to the County's governmental right and authority.

10590. Witnesses with personal knowledge of the history of the D2022 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10591. Currently known reputation in the community is that the D2022 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

10592. Public motor vehicle use of the D2022 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10593. The D2022 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10594. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2022 Road.

10595. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2022 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2023 Road

10596. The D2023 Road is designated as county road number D2023 and SGID road identification number RD191954 and is more or less 1.84 miles long.

10597. Exhibit 858 (attached hereto and incorporated herein) contains certain information pertaining to the D2023 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10598. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D2023 Road solely as it crosses United States public land as included and specifically described in Exhibit 858. The D2023 Road includes the segment of road specifically set forth in Exhibit 858 and as exists on the ground.

Acceptance of the D2023 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10599. The D2023 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10600. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2023 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10601. The D2023 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2023 Road pursuant to the County's governmental right and authority.

10602. Witnesses with personal knowledge of the history of the D2023 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10603. Currently known reputation in the community is that the D2023 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10604. Public motor vehicle use of the D2023 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10605. The D2023 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10606. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2023 Road.

10607. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2023 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2026 Road

10608. The D2026 Road is designated as county road number D2026 and SGID road identification number RD191956 and is more or less .48 miles long.

10609. Exhibit 859 (attached hereto and incorporated herein) contains certain information pertaining to the D2026 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10610. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2026 Road solely as it crosses United States public land as included and specifically described in Exhibit 859. The D2026 Road includes the segment of road specifically

set forth in Exhibit 859 and as exists on the ground.

Acceptance of the D2026 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10611. The D2026 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10612. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2026 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10613. The D2026 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2026 Road pursuant to the County's governmental right and authority.

10614. Witnesses with personal knowledge of the history of the D2026 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10615. Currently known reputation in the community is that the D2026 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10616. Public motor vehicle use of the D2026 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

10617. The D2026 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10618. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2026 Road.

10619. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2026 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2037 Road

10620. The D2037 Road is designated as county road number D2037 and SGID road identification number RD191966 and is more or less 4.32 miles long.

10621. Exhibit 860 (attached hereto and incorporated herein) contains certain information pertaining to the D2037 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10622. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2037 Road solely as it crosses United States public land as included and specifically described in Exhibit 860. The D2037 Road includes the segment of road specifically set forth in Exhibit 860 and as exists on the ground.

Acceptance of the D2037 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10623. The D2037 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10624. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2037 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10625. The County confirmed its acceptance of the D2037 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2037 Road pursuant to the County's governmental right and authority.

10626. Witnesses with personal knowledge of the history of the D2037 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10627. Currently known reputation in the community is that the D2037 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10628. Public motor vehicle use of the D2037 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

10629. The D2037 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10630. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2037 Road.

10631. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2037 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2050 Road

10632. The D2050 Road is designated as county road number D2050 and SGID road identification number RD191972 and is more or less 1.30 miles long.

10633. Exhibit 861 (attached hereto and incorporated herein) contains certain information pertaining to the D2050 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10634. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2050 Road solely as it crosses United States public land as included and specifically described in Exhibit 861. The D2050 Road includes the segment of road specifically set forth in Exhibit 861 and as exists on the ground.

Acceptance of the D2050 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10635. The D2050 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10636. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2050 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10637. The appearance of the D2050 Road on Jacobs Chair (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10638. The D2050 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2050 Road pursuant to the County's governmental right and authority.

10639. Witnesses with personal knowledge of the history of the D2050 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10640. Currently known reputation in the community is that the D2050 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10641. Public motor vehicle use of the D2050 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10642. The D2050 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10643. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2050 Road.

10644. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2050 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2219 Road

10645. The D2219 Road is designated as county road number D2219 and SGID road identification number RD192084 and is more or less .73 miles long.

10646. Exhibit 862 (attached hereto and incorporated herein) contains certain information pertaining to the D2219 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10647. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2219 Road solely as it crosses United States public land as included and

specifically described in Exhibit 862. The D2219 Road includes the segment of road specifically set forth in Exhibit 862 and as exists on the ground.

Acceptance of the D2219 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10648. The D2219 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10649. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2219 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10650. The D2219 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2219 Road pursuant to the County's governmental right and authority.

10651. Witnesses with personal knowledge of the history of the D2219 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10652. Currently known reputation in the community is that the D2219 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10653. Public motor vehicle use of the D2219 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10654. The D2219 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10655. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2219 Road.

10656. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2219 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2221 Road

10657. The D2221 Road is designated as county road number D2221 and SGID road identification number RD192086 and is more or less .70 miles long.

10658. Exhibit 863 (attached hereto and incorporated herein) contains certain information pertaining to the D2221 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10659. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2221 Road solely as it crosses United States public land as included and specifically described in Exhibit 863. The D2221 Road includes the segment of road specifically set forth in Exhibit 863 and as exists on the ground.

Acceptance of the D2221 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10660. The D2221 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10661. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2221 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10662. The appearance of the D2221 Road on The Cheesebox (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10663. The County confirmed its acceptance of the D2221 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2221 Road pursuant to the County's governmental right and authority.

10664. Witnesses with personal knowledge of the history of the D2221 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10665. Currently known reputation in the community is that the D2221 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

10666. Public motor vehicle use of the D2221 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10667. The D2221 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10668. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2221 Road.

10669. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2221 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2222 Road

10670. The D2222 Road is designated as county road number D2222 and SGID road identification number RD192087 and is more or less 1.16 miles long.

10671. Exhibit 864 (attached hereto and incorporated herein) contains certain information pertaining to the D2222 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10672. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D2222 Road solely as it crosses United States public land as included and specifically described in Exhibit 864. The D2222 Road includes the segment of road specifically set forth in Exhibit 864 and as exists on the ground.

Acceptance of the D2222 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10673. The D2222 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10674. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2222 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10675. The D2222 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2222 Road pursuant to the County's governmental right and authority.

10676. Witnesses with personal knowledge of the history of the D2222 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10677. Currently known reputation in the community is that the D2222 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10678. Public motor vehicle use of the D2222 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10679. The D2222 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10680. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2222 Road.

10681. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2222 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2225 Road

10682. The D2225 Road is designated as county road number D2225 and SGID road identification number RD192088 and is more or less .84 miles long.

10683. Exhibit 865 (attached hereto and incorporated herein) contains certain information pertaining to the D2225 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10684. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2225 Road solely as it crosses United States public land as included and specifically described in Exhibit 865. The D2225 Road includes the segment of road specifically

set forth in Exhibit 865 and as exists on the ground.

Acceptance of the D2225 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10685. The D2225 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10686. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2225 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10687. The D2225 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2225 Road pursuant to the County's governmental right and authority.

10688. Witnesses with personal knowledge of the history of the D2225 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10689. Currently known reputation in the community is that the D2225 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10690. Public motor vehicle use of the D2225 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

10691. The D2225 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10692. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2225 Road.

10693. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2225 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2226 Road

10694. The D2226 Road is designated as county road number D2226 and SGID road identification number RD192089 and is more or less 0.47 miles long.

10695. Exhibit 866 (attached hereto and incorporated herein) contains certain information pertaining to the D2226 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10696. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2226 Road solely as it crosses United States public land as included and specifically described in Exhibit 866. The D2226 Road includes the segment of road specifically set forth in Exhibit 866 and as exists on the ground.

Acceptance of the D2226 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10697. The D2226 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10698. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2226 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10699. The D2226 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2226 Road pursuant to the County's governmental right and authority.

10700. Witnesses with personal knowledge of the history of the D2226 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10701. Currently known reputation in the community is that the D2226 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10702. Public motor vehicle use of the D2226 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10703. The D2226 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10704. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2226 Road.

10705. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2226 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2249 Road

10706. The D2249 Road is designated as county road number D2249 and SGID road identification number RD192104 and is more or less .56 miles long.

10707. Exhibit 867 (attached hereto and incorporated herein) contains certain information pertaining to the D2249 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10708. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2249 Road solely as it crosses United States public land as included and specifically described in Exhibit 867. The D2249 Road includes the segment of road specifically set forth in Exhibit 867 and as exists on the ground.

Acceptance of the D2249 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10709. The D2249 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10710. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2249 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10711. The appearance of the D2249 Road on WoodenShoe Buttes (1952) USGS 7.5-minute quadrangle map and the Bears Ears (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10712. The County confirmed its acceptance of the D2249 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2249 Road pursuant to the County's governmental right and authority.

10713. Witnesses with personal knowledge of the history of the D2249 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10714. Currently known reputation in the community is that the D2249 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

10715. Public motor vehicle use of the D2249 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10716. The D2249 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10717. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2249 Road.

10718. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2249 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2251 Road

10719. The D2251 Road is designated as county road number D2251 and SGID road identification number RD192106 and is more or less 1.09 miles long.

10720. Exhibit 868 (attached hereto and incorporated herein) contains certain information pertaining to the D2251 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10721. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D2251 Road solely as it crosses United States public land as included and specifically described in Exhibit 868. The D2251 Road includes the segment of road specifically set forth in Exhibit 868 and as exists on the ground.

Acceptance of the D2251 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10722. The D2251 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10723. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2251 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10724. The D2251 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2251 Road pursuant to the County's governmental right and authority.

10725. Witnesses with personal knowledge of the history of the D2251 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10726. Currently known reputation in the community is that the D2251 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10727. Public motor vehicle use of the D2251 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10728. The D2251 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10729. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2251 Road.

10730. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2251 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2657 Road

10731. The D2657 Road is designated as county road number D2657 and SGID road identification number RD192289 and is more or less .55 miles long.

10732. Exhibit 869 (attached hereto and incorporated herein) contains certain information pertaining to the D2657 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10733. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2657 Road solely as it crosses United States public land as included and specifically described in Exhibit 869. The D2657 Road includes the segment of road specifically

set forth in Exhibit 869 and as exists on the ground.

Acceptance of the D2657 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10734. The D2657 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10735. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2657 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10736. The D2657 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2657 Road pursuant to the County's governmental right and authority.

10737. Witnesses with personal knowledge of the history of the D2657 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10738. Currently known reputation in the community is that the D2657 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10739. Public motor vehicle use of the D2657 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

10740. The D2657 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10741. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2657 Road.

10742. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2657 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2663 Road

10743. The D2663 Road is designated as county road number D2663 and SGID road identification number RD192292 and is more or less .40 miles long.

10744. Exhibit 870 (attached hereto and incorporated herein) contains certain information pertaining to the D2663 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10745. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2663 Road solely as it crosses United States public land as included and specifically described in Exhibit 870. The D2663 Road includes the segment of road specifically set forth in Exhibit 870 and as exists on the ground.

Acceptance of the D2663 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10746. The D2663 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10747. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2663 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10748. The D2663 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2663 Road pursuant to the County's governmental right and authority.

10749. Witnesses with personal knowledge of the history of the D2663 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10750. Currently known reputation in the community is that the D2663 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10751. Public motor vehicle use of the D2663 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10752. The D2663 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10753. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2663 Road.

10754. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2663 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3465 Road

10755. The D3465 Road is designated as county road number D3465 and SGID road identification number RD192725 and is more or less 1.39 miles long.

10756. Exhibit 871 (attached hereto and incorporated herein) contains certain information pertaining to the D3465 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10757. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3465 Road solely as it crosses United States public land as included and specifically described in Exhibit 871. The D3465 Road includes the segment of road specifically set forth in Exhibit 871 and as exists on the ground.

Acceptance of the D3465 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10758. The D3465 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10759. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3465 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10760. The D3465 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3465 Road pursuant to the County's governmental right and authority.

10761. Witnesses with personal knowledge of the history of the D3465 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10762. Currently known reputation in the community is that the D3465 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10763. Public motor vehicle use of the D3465 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10764. The D3465 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10765. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3465 Road.

10766. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3465 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3468 Road

10767. The D3468 Road is designated as county road number D3468 and SGID road identification number RD192728 and is more or less .76 miles long.

10768. Exhibit 872 (attached hereto and incorporated herein) contains certain information pertaining to the D3468 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10769. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3468 Road solely as it crosses United States public land as included and specifically described in Exhibit 872. The D3468 Road includes the segment of road specifically set forth in Exhibit 872 and as exists on the ground.

Acceptance of the D3468 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10770. The D3468 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10771. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3468 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10772. The D3468 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3468 Road pursuant to the County's governmental right and authority.

10773. Witnesses with personal knowledge of the history of the D3468 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10774. Currently known reputation in the community is that the D3468 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10775. Public motor vehicle use of the D3468 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10776. The D3468 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10777. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3468 Road.

10778. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3468 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4474 Road

10779. The D4474 Road is designated as county road number D4474 and SGID road identification number RD193212 and is more or less .40 miles long.

10780. Exhibit 873 (attached hereto and incorporated herein) contains certain information pertaining to the D4474 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10781. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4474 Road solely as it crosses United States public land as included and specifically described in Exhibit 873. The D4474 Road includes the segment of road specifically set forth in Exhibit 873 and as exists on the ground.

Acceptance of the D4474 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10782. The D4474 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10783. The appearance of the D4474 Road on the Mancos Mesa NE (1952) USGS 7.5-minute quadrangle map and the Mancos Mesa (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10784. The County confirmed its acceptance of the D4474 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4474 Road pursuant to the County's governmental right and authority.

10785. Witnesses with personal knowledge of the history of the D4474 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10786. Currently known reputation in the community is that the D4474 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10787. Public motor vehicle use of the D4474 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

10788. The D4474 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10789. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4474 Road.

10790. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4474 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4849 Road

10791. The D4849 Road is designated as county road number D4849 and SGID road identification number RD193380 and is more or less 2.09 miles long.

10792. Exhibit 874 (attached hereto and incorporated herein) contains certain information pertaining to the D4849 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10793. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4849 Road solely as it crosses United States public land as included and specifically described in Exhibit 874. The D4849 Road includes the segment of road specifically set forth in Exhibit 874 and as exists on the ground.

Acceptance of the D4849 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10794. The D4849 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10795. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4849 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10796. The D4849 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4849 Road pursuant to the County's governmental right and authority.

10797. Witnesses with personal knowledge of the history of the D4849 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10798. Currently known reputation in the community is that the D4849 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10799. Public motor vehicle use of the D4849 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10800. The D4849 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10801. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4849 Road.

10802. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4849 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Jacob's Chair Road, D3471

10803. The Jacob's Chair Road is designated as county road number D3471 and SGID road identification number RD190731 and is more or less 2.36 miles long.

10804. Exhibit 875 (attached hereto and incorporated herein) contains certain information pertaining to the Jacob's Chair Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10805. In this action, the State and County seek to quiet title to the public highway right-of-way for the Jacob's Chair Road solely as it crosses United States public land as included and specifically described in Exhibit 875. The Jacob's Chair Road includes the segment of road specifically set forth in Exhibit 875 and as exists on the ground.

Acceptance of the Jacob's Chair Road R.S. 2477 Right-of-way Prior to October 21, 1976

10806. The Jacob's Chair Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10807. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Jacob's Chair Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10808. The Jacob's Chair Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Jacob's Chair Road pursuant to the County's governmental right and authority.

10809. Witnesses with personal knowledge of the history of the Jacob's Chair Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10810. Currently known reputation in the community is that the Jacob's Chair Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10811. Public motor vehicle use of the Jacob's Chair Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

10812. The Jacob's Chair Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10813. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Jacob's Chair Road.

10814. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Jacob's Chair Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

THIRTEENTH CAUSE OF ACTION – QUIET TITLE
GRANDVIEW POINT AREA

10815. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

10816. The Grandview Point Area is located in northwestern San Juan County and is shown on Exhibit 15, attached hereto and incorporated herein.

10817. The Grandview Point Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Grandview Point Road, B143; (2) Schafer Basin Road, B142; and (3) D0660 Road.

10818. Each right-of-way claimed in the Grandview Point Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access,

traveling in and through the area, or any other legitimate purpose.

10819. All rights-of-way claimed in the Grandview Point Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

10820. All rights-of-way claimed in the Grandview Point Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

10821. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Grandview Point Road, B143

10822. The Grandview Point Road is designated as county road number B143 and SGID road identification number RD190086 and is more or less 15.36 miles long.

10823. Exhibit 876 (attached hereto and incorporated herein) contains certain information pertaining to the Grandview Point Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10824. In this action, the State and County seek to quiet title to the public highway right-of-way for the Grandview Point Road solely as it crosses United States public land as included and specifically described in Exhibit 876. The Grandview Point Road includes the segment of road specifically set forth in Exhibit 876 and as exists on the ground.

Acceptance of the Grandview Point Road R.S. 2477 Right-of-way Prior to October 21, 1976

10825. The Grandview Point Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10826. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Grandview Point Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10827. The appearance of the Grandview Point Road on the Musselman Arch (1952) and Monument Basin (1948) USGS 7.5-minute quadrangle maps and the Upheaval Dome (1951) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10828. The County confirmed its acceptance of the Grandview Point Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Grandview Point Road using public funds pursuant to the County's governmental right and authority.

10829. Witnesses with personal knowledge of the history of the Grandview Point Road

confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10830. Currently known reputation in the community is that the Grandview Point Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10831. Public motor vehicle use of the Grandview Point Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10832. The Grandview Point Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10833. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Grandview Point Road.

10834. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Grandview Point Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Schafer Basin Road, B142

10835. The Schafer Basin Road is designated as county road number B142 and SGID

road identification number RD190084 and is more or less 17.05 miles long.

10836. Exhibit 877 (attached hereto and incorporated herein) contains certain information pertaining to the Schafer Basin Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10837. In this action, the State and County seek to quiet title to the public highway right-of-way for the Schafer Basin Road solely as it crosses United States public land as included and specifically described in Exhibit 877. The Schafer Basin Road includes the segment of road specifically set forth in Exhibit 877 and as exists on the ground.

Acceptance of the Schafer Basin Road R.S. 2477 Right-of-way Prior to October 21, 1976

10838. The Schafer Basin Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10839. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Schafer Basin Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10840. The appearance of the Schafer Basin Road on the Shafer Basin (1954) USGS 7.5-minute quadrangle map and the Hatch Point (1954) and Upheaval Dome (1951) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10841. The County confirmed its acceptance of the Schafer Basin Road by 1974, when it

designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Schafer Basin Road using public funds pursuant to the County's governmental right and authority.

10842. Witnesses with personal knowledge of the history of the Schafer Basin Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10843. Currently known reputation in the community is that the Schafer Basin Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10844. Public motor vehicle use of the Schafer Basin Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10845. The Schafer Basin Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10846. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Schafer Basin Road.

10847. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Schafer Basin Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0660 Road

10848. The D0660 Road is designated as county road number D0660 and SGID road identification number RD191218 and is more or less 1.7 miles long.

10849. Exhibit 878 (attached hereto and incorporated herein) contains certain information pertaining to the D0660 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10850. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0660 Road solely as it crosses United States public land as included and specifically described in Exhibit 878. The D0660 Road includes the segment of road specifically set forth in Exhibit 878 and as exists on the ground.

Acceptance of the D0660 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10851. The D0660 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10852. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0660 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10853. The D0660 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0660 Road pursuant to the County's governmental right and authority.

10854. Witnesses with personal knowledge of the history of the D0660 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10855. Currently known reputation in the community is that the D0660 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10856. Public motor vehicle use of the D0660 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10857. The D0660 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10858. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0660 Road.

10859. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0660 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

FOURTEENTH CAUSE OF ACTION – QUIET TITLE
HART POINT AREA

10860. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

10861. The Hart Point Area is located in north-central San Juan County and is shown on Exhibit 16, attached hereto and incorporated herein.

10862. The Hart Point Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Flat's Road, B139; (2) Hart Point Road, B121; (3) Jail Rock Road, B1151; (4) Lightning Draw Road, B141; (5) Mail Station Road, B138; (6) Mail Station Spur Road, B158; (7) North Flats Road, B137; (8) Sugar Loaf Road, B140; (9) D0502 Road; (10) D0505 Road; (11) D0506 Road; (12) D0507 Road; (13) D0508 Road; (14) D0510 Road; (15) D0511 Road; (16) D0512 Road; (17) D0513 Road; (18) D0514 Road; (19) D0515 Road; (20) D0516 Road; (21) D0517 Road; (22) D0518 Road; (23) D0519 Road; (24) D0520 Road; (25) D0525 Road; (26) D0526 Road; (27) D0527 Road; (28) D0578 Road; (29) D0579 Road; (30) D0580 Road; (31) D0581 Road; (32) D0582 Road; (33) D0589 Road; (34) D0590 Road; (35) D0591 Road; (36) D0592 Road; (37) D0593 Road; (38) D0601 Road; (39) D1025 Road; (40) D1026 Road; (41) D1029 Road; (42) D1210 Road; (43) D1236 Road; (44) D1237 Road; (45) D1239 Road; (46) D1241 Road; (47) D1246 Road; (48) D1247 Road; (49) D1250 Road; (50) D1252 Road; (51) D1261 Road; (52) D1264 Road; (53) D1272 Road; (54) D1277 Road; (55) D1279 Road; (56) D1281 Road; (57) D1283 Road; (58) D1285 Road; (59)

D1286 Road; (60) D1301 Road; (61) D1305 Road; (62) D1309 Road; (63) D1310 Road; (64) D1314 Road; (65) D1315 Road; (66) D1317 Road; (67) D1321 Road; (68) D1326 Road; (69) D1337 Road; (70) D1339 Road; (71) D1393 Road; (72) D1397 Road; (73) D1402 Road; (74) 1431 Road; and (75) D3279 Road.

10863. Each right-of-way claimed in the Hart Point Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

10864. All rights-of-way claimed in the Hart Point Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

10865. All rights-of-way claimed in the Hart Point Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

10866. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United

States.

Flat's Road, B139

10867. The Flat's Road is designated as county road number B139 and SGID road identification number RD190078 and is more or less 3.16 miles long.

10868. Exhibit 879 (attached hereto and incorporated herein) contains certain information pertaining to the Flat's Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10869. In this action, the State and County seek to quiet title to the public highway right-of-way for the Flat's Road solely as it crosses United States public land as included and specifically described in Exhibit 879. The Flat's Road includes the segment of road specifically set forth in Exhibit 879 and as exists on the ground.

Acceptance of the Flat's Road R.S. 2477 Right-of-way Prior to October 21, 1976

10870. The Flat's Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10871. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Flat's Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10872. The County confirmed its acceptance of the Flat's Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map.

The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Flat's Road using public funds pursuant to the County's governmental right and authority.

10873. Witnesses with personal knowledge of the history of the Flat's Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10874. Currently known reputation in the community is that the Flat's Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10875. Public motor vehicle use of the Flat's Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10876. The Flat's Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10877. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Flat's Road.

10878. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Flat's Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Hart Point Road, B121

10879. The Hart Point Road is designated as county road number B121 and SGID road identification number RD190042 and is more or less 12.31 miles long.

10880. Exhibit 880 (attached hereto and incorporated herein) contains certain information pertaining to the Hart Point Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10881. In this action, the State and County seek to quiet title to the public highway right-of-way for the Hart Point Road solely as it crosses United States public land as included and specifically described in Exhibit 880. The Hart Point Road includes the segment of road specifically set forth in Exhibit 880 and as exists on the ground.

Acceptance of the Hart Point Road R.S. 2477 Right-of-way Prior to October 21, 1976

10882. The Hart Point Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10883. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Hart Point Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10884. The appearance of the Hart Point Road on the Harts Point North (1954), Harts Point South (1954), Photograph Gap (1954), and Monticello Lake (1957) USGS 7.5-minute quadrangle maps and the Harts Point (1954), Hatch Rock (1954), and Monticello (1957) USGS

15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10885. The County confirmed its acceptance of the Hart Point Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Hart Point Road using public funds pursuant to the County's governmental right and authority.

10886. Witnesses with personal knowledge of the history of the Hart Point Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10887. Currently known reputation in the community is that the Hart Point Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10888. Public motor vehicle use of the Hart Point Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10889. The Hart Point Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10890. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the Hart Point Road.

10891. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Hart Point Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Jail Rock Road, B1151

10892. The Jail Rock Road is designated as county road number B1151 and SGID road identification number RD190031 and is more or less 1.23 miles long.

10893. Exhibit 881 (attached hereto and incorporated herein) contains certain information pertaining to the Jail Rock Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10894. In this action, the State and County seek to quiet title to the public highway right-of-way for the Jail Rock Road solely as it crosses United States public land as included and specifically described in Exhibit 881. The Jail Rock Road includes the segment of road specifically set forth in Exhibit 881 and as exists on the ground.

Acceptance of the Jail Rock Road R.S. 2477 Right-of-way Prior to October 21, 1976

10895. The Jail Rock Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10896. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Jail Rock Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10897. The Jail Rock Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Jail Rock Road using public funds pursuant to the County's governmental right and authority.

10898. Witnesses with personal knowledge of the history of the Jail Rock Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10899. Currently known reputation in the community is that the Jail Rock Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10900. Public motor vehicle use of the Jail Rock Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10901. The Jail Rock Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10902. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Jail Rock Road.

10903. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Jail Rock Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Lighting Draw Road, B141

10904. The Lighting Draw Road is designated as county road number B141 and SGID road identification number RD190082 and is more or less 2.11 miles long.

10905. Exhibit 882 (attached hereto and incorporated herein) contains certain information pertaining to the Lighting Draw Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10906. In this action, the State and County seek to quiet title to the public highway right-of-way for the Lighting Draw Road solely as it crosses United States public land as included and specifically described in Exhibit 882. The Lighting Draw Road includes the segment of road specifically set forth in Exhibit 882 and as exists on the ground.

Acceptance of the Lighting Draw Road R.S. 2477 Right-of-way Prior to October 21, 1976

10907. The Lighting Draw Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10908. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Lighting Draw Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10909. The appearance of the Lighting Draw Road on the Photograph Gap (1954) and Church Rock (1954) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10910. The County confirmed its acceptance of the Lighting Draw Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Lighting Draw Road using public funds pursuant to the County's governmental right and authority.

10911. Witnesses with personal knowledge of the history of the Lighting Draw Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10912. Currently known reputation in the community is that the Lighting Draw Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10913. Public motor vehicle use of the Lighting Draw Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10914. The Lighting Draw Road traverses a valid and perfected R.S. 2477 public

highway right-of-way as described herein.

10915. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Lighting Draw Road.

10916. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Lighting Draw Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Mail Station Road, B138

10917. The Mail Station Road is designated as county road number B138 and SGID road identification number RD190076 and is more or less 5.83 miles long.

10918. Exhibit 883 (attached hereto and incorporated herein) contains certain information pertaining to the Mail Station Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10919. In this action, the State and County seek to quiet title to the public highway right-of-way for the Mail Station Road solely as it crosses United States public land as included and specifically described in Exhibit 883. The Mail Station Road includes the segment of road specifically set forth in Exhibit 883 and as exists on the ground.

Acceptance of the Mail Station Road R.S. 2477 Right-of-way Prior to October 21, 1976

10920. The Mail Station Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10921. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Mail Station Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10922. The appearance of the Mail Station Road on the Hatch Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) 15 USGS minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10923. The County confirmed its acceptance of the Mail Station Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Mail Station Road using public funds pursuant to the County's governmental right and authority.

10924. Witnesses with personal knowledge of the history of the Mail Station Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10925. Currently known reputation in the community is that the Mail Station Road has

been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10926. Public motor vehicle use of the Mail Station Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10927. The Mail Station Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10928. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Mail Station Road.

10929. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Mail Station Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Mail Station Spur Road, B158

10930. The Mail Station Spur Road is designated as county road number B158 and SGID road identification number RD190112 and is more or less 2.27 miles long.

10931. Exhibit 884 (attached hereto and incorporated herein) contains certain information pertaining to the Mail Station Spur Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list;

and a complete centerline description of the road.

10932. In this action, the State and County seek to quiet title to the public highway right-of-way for the Mail Station Spur Road solely as it crosses United States public land as included and specifically described in Exhibit 884. The Mail Station Spur Road includes the segment of road specifically set forth in Exhibit 884 and as exists on the ground.

Acceptance of the Mail Station Spur Road R.S. 2477 Right-of-way Prior to October 21, 1976

10933. The Mail Station Spur Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10934. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Mail Station Spur Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10935. The appearance of the Mail Station Spur Road on the Hatch Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10936. The County confirmed its acceptance of the Mail Station Spur Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Mail Station Spur Road using public funds pursuant to the County's governmental right and authority.

10937. Witnesses with personal knowledge of the history of the Mail Station Spur Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10938. Currently known reputation in the community is that the Mail Station Spur Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10939. Public motor vehicle use of the Mail Station Spur Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10940. The Mail Station Spur Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10941. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Mail Station Spur Road.

10942. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Mail Station Spur Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

North Flats Road, B137

10943. The North Flats Road is designated as county road number B137 and SGID road identification number RD190074 and is more or less 12.88 miles long.

10944. Exhibit 885 (attached hereto and incorporated herein) contains certain information pertaining to the North Flats Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10945. In this action, the State and County seek to quiet title to the public highway right-of-way for the North Flats Road solely as it crosses United States public land as included and specifically described in Exhibit 885. The North Flats Road includes the segment of road specifically set forth in Exhibit 885 and as exists on the ground.

Acceptance of the North Flats Road R.S. 2477 Right-of-way Prior to October 21, 1976

10946. The North Flats Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10947. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the North Flats Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10948. The appearance of the North Flats Road on the Hatch Rock (1954) and Photograph Gap (1954) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way

underlying this road. *See* Exhibit 27 for more detailed map information.

10949. The County confirmed its acceptance of the North Flats Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the North Flats Road using public funds pursuant to the County's governmental right and authority.

10950. Witnesses with personal knowledge of the history of the North Flats Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10951. Currently known reputation in the community is that the North Flats Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10952. Public motor vehicle use of the North Flats Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10953. The North Flats Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10954. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the North Flats Road.

10955. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the North Flats Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Sugar Loaf Road, B140

10956. The Sugar Loaf Road is designated as county road number B140 and SGID road identification number RD190080 and is more or less 5.19 miles long.

10957. Exhibit 886 (attached hereto and incorporated herein) contains certain information pertaining to the Sugar Loaf Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10958. In this action, the State and County seek to quiet title to the public highway right-of-way for the Sugar Loaf Road solely as it crosses United States public land as included and specifically described in Exhibit 886. The Sugar Loaf Road includes the segment of road specifically set forth in Exhibit 886 and as exists on the ground.

Acceptance of the Sugar Loaf Road R.S. 2477 Right-of-way Prior to October 21, 1976

10959. The Sugar Loaf Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10960. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Sugar Loaf Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10961. The appearance of the Sugar Loaf Road on the Photograph Gap (1954) and Church Rock (1954) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10962. The County confirmed its acceptance of the Sugar Loaf Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Sugar Loaf Road using public funds pursuant to the County's governmental right and authority.

10963. Witnesses with personal knowledge of the history of the Sugar Loaf Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10964. Currently known reputation in the community is that the Sugar Loaf Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10965. Public motor vehicle use of the Sugar Loaf Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10966. The Sugar Loaf Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10967. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Sugar Loaf Road.

10968. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Sugar Loaf Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0502 Road

10969. The D0502 Road is designated as county road number D0502 and SGID road identification number RD191114 and is more or less .34 miles long.

10970. Exhibit 887 (attached hereto and incorporated herein) contains certain information pertaining to the D0502 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10971. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0502 Road solely as it crosses United States public land as included and specifically described in Exhibit 887. The D0502 Road includes the segment of road specifically set forth in Exhibit 887 and as exists on the ground.

Acceptance of the D0502 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10972. The D0502 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10973. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0502 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10974. The County confirmed its acceptance of the D0502 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0502 Road pursuant to the County's governmental right and authority.

10975. Witnesses with personal knowledge of the history of the D0502 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10976. Currently known reputation in the community is that the D0502 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10977. Public motor vehicle use of the D0502 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

10978. The D0502 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10979. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0502 Road.

10980. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0502 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0505 Road

10981. The D0505 Road is designated as county road number D0505 and SGID road identification number RD191116 and is more or less .88 miles long.

10982. Exhibit 888 (attached hereto and incorporated herein) contains certain information pertaining to the D0505 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10983. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0505 Road solely as it crosses United States public land as included and specifically described in Exhibit 888. The D0505 Road includes the segment of road specifically set forth in Exhibit 888 and as exists on the ground.

Acceptance of the D0505 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10984. The D0505 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10985. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0505 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10986. The D0505 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0505 Road pursuant to the County's governmental right and authority.

10987. Witnesses with personal knowledge of the history of the D0505 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10988. Currently known reputation in the community is that the D0505 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10989. Public motor vehicle use of the D0505 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10990. The D0505 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10991. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0505 Road.

10992. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0505 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0506 Road

10993. The D0506 Road is designated as county road number D0506 and SGID road identification number RD190592 and is more or less 3.38 miles long.

10994. Exhibit 889 (attached hereto and incorporated herein) contains certain information pertaining to the D0506 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10995. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0506 Road solely as it crosses United States public land as included and specifically described in Exhibit 889. The D0506 Road includes the segment of road specifically set forth in Exhibit 889 and as exists on the ground.

Acceptance of the D0506 Road R.S. 2477 Right-of-way Prior to October 21, 1976

10996. The D0506 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10997. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0506 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10998. The appearance of the D0506 Road on the Photograph Gap (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

10999. The County confirmed its acceptance of the D0506 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0506 Road pursuant to the County's governmental right and authority.

11000. Witnesses with personal knowledge of the history of the D0506 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11001. Currently known reputation in the community is that the D0506 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

11002. Public motor vehicle use of the D0506 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11003. The D0506 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11004. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0506 Road.

11005. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0506 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0507 Road

11006. The D0507 Road is designated as county road number D0507 and SGID road identification number RD190593 and is more or less 4.71 miles long.

11007. Exhibit 890 (attached hereto and incorporated herein) contains certain information pertaining to the D0507 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11008. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D0507 Road solely as it crosses United States public land as included and specifically described in Exhibit 890. The D0507 Road includes the segment of road specifically set forth in Exhibit 890 and as exists on the ground.

Acceptance of the D0507 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11009. The D0507 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11010. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0507 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11011. The D0507 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0507 Road pursuant to the County's governmental right and authority.

11012. Witnesses with personal knowledge of the history of the D0507 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11013. Currently known reputation in the community is that the D0507 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11014. Public motor vehicle use of the D0507 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11015. The D0507 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11016. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0507 Road.

11017. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0507 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0508 Road

11018. The D0508 Road is designated as county road number D0508 and SGID road identification number RD191117 and is more or less 2.71 miles long.

11019. Exhibit 891 (attached hereto and incorporated herein) contains certain information pertaining to the D0508 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11020. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0508 Road solely as it crosses United States public land as included and specifically described in Exhibit 891. The D0508 Road includes the segment of road specifically

set forth in Exhibit 891 and as exists on the ground.

Acceptance of the D0508 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11021. The D0508 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11022. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0508 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11023. The D0508 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0508 Road pursuant to the County's governmental right and authority.

11024. Witnesses with personal knowledge of the history of the D0508 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11025. Currently known reputation in the community is that the D0508 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11026. Public motor vehicle use of the D0508 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

11027. The D0508 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11028. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0508 Road.

11029. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0508 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0510 Road

11030. The D0510 Road is designated as county road number D0510 and SGID road identification number RD191118 and is more or less 1.51 miles long.

11031. Exhibit 892 (attached hereto and incorporated herein) contains certain information pertaining to the D0510 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11032. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0510 Road solely as it crosses United States public land as included and specifically described in Exhibit 892. The D0510 Road includes the segment of road specifically set forth in Exhibit 892 and as exists on the ground.

Acceptance of the D0510 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11033. The D0510 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11034. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0510 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11035. The D0510 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0510 Road pursuant to the County's governmental right and authority.

11036. Witnesses with personal knowledge of the history of the D0510 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11037. Currently known reputation in the community is that the D0510 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11038. Public motor vehicle use of the D0510 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11039. The D0510 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11040. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0510 Road.

11041. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0510 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0511 Road

11042. The D0511 Road is designated as county road number D0511 and SGID road identification number RD191119 and is more or less 2.01 miles long.

11043. Exhibit 893 (attached hereto and incorporated herein) contains certain information pertaining to the D0511 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11044. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0511 Road solely as it crosses United States public land as included and specifically described in Exhibit 893. The D0511 Road includes the segment of road specifically set forth in Exhibit 893 and as exists on the ground.

Acceptance of the D0511 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11045. The D0511 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11046. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0511 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11047. The D0511 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0511 Road pursuant to the County's governmental right and authority.

11048. Witnesses with personal knowledge of the history of the D0511 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11049. Currently known reputation in the community is that the D0511 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11050. Public motor vehicle use of the D0511 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11051. The D0511 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11052. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0511 Road.

11053. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0511 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0512 Road

11054. The D0512 Road is designated as county road number D0512 and SGID road identification number RD191120 and is more or less .70 miles long.

11055. Exhibit 894 (attached hereto and incorporated herein) contains certain information pertaining to the D0512 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11056. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0512 Road solely as it crosses United States public land as included and specifically described in Exhibit 894. The D0512 Road includes the segment of road specifically set forth in Exhibit 894 and as exists on the ground.

Acceptance of the D0512 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11057. The D0512 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11058. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0512 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11059. The D0512 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0512 Road pursuant to the County's governmental right and authority.

11060. Witnesses with personal knowledge of the history of the D0512 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11061. Currently known reputation in the community is that the D0512 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11062. Public motor vehicle use of the D0512 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11063. The D0512 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11064. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0512 Road.

11065. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0512 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0513 Road

11066. The D0513 Road is designated as county road number D0513 and SGID road identification number RD191121 and is more or less .84 miles long.

11067. Exhibit 895 (attached hereto and incorporated herein) contains certain information pertaining to the D0513 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11068. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0513 Road solely as it crosses United States public land as included and specifically described in Exhibit 895. The D0513 Road includes the segment of road specifically set forth in Exhibit 895 and as exists on the ground.

Acceptance of the D0513 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11069. The D0513 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11070. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0513 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11071. The D0513 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0513 Road pursuant to the County's governmental right and authority.

11072. Witnesses with personal knowledge of the history of the D0513 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11073. Currently known reputation in the community is that the D0513 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11074. Public motor vehicle use of the D0513 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11075. The D0513 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11076. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0513 Road.

11077. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0513 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0514 Road

11078. The D0514 Road is designated as county road number D0514 and SGID road identification number RD191122 and is more or less 2.25 miles long.

11079. Exhibit 896 (attached hereto and incorporated herein) contains certain information pertaining to the D0514 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11080. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0514 Road solely as it crosses United States public land as included and specifically described in Exhibit 896. The D0514 Road includes the segment of road specifically set forth in Exhibit 896 and as exists on the ground.

Acceptance of the D0514 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11081. The D0514 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11082. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0514 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11083. The D0514 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0514 Road pursuant to the County's governmental right and authority.

11084. Witnesses with personal knowledge of the history of the D0514 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11085. Currently known reputation in the community is that the D0514 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11086. Public motor vehicle use of the D0514 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11087. The D0514 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11088. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0514 Road.

11089. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0514 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0515 Road

11090. The D0515 Road is designated as county road number D0515 and SGID road identification number RD190594 and is more or less 1.49 miles long.

11091. Exhibit 897 (attached hereto and incorporated herein) contains certain information pertaining to the D0515 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11092. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0515 Road solely as it crosses United States public land as included and specifically described in Exhibit 897. The D0515 Road includes the segment of road specifically set forth in Exhibit 897 and as exists on the ground.

Acceptance of the D0515 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11093. The D0515 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11094. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0515 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11095. The D0515 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0515 Road pursuant to the County's governmental right and authority.

11096. Witnesses with personal knowledge of the history of the D0515 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11097. Currently known reputation in the community is that the D0515 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11098. Public motor vehicle use of the D0515 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11099. The D0515 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11100. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0515 Road.

11101. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0515 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0516 Road

11102. The D0516 Road is designated as county road number D0516 and SGID road identification number RD190595 and is more or less 2.87 miles long.

11103. Exhibit 898 (attached hereto and incorporated herein) contains certain information pertaining to the D0516 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11104. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0516 Road solely as it crosses United States public land as included and specifically described in Exhibit 898. The D0516 Road includes the segment of road specifically set forth in Exhibit 898 and as exists on the ground.

Acceptance of the D0516 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11105. The D0516 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11106. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0516 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11107. The D0516 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0516 Road pursuant to the County's governmental right and authority.

11108. Witnesses with personal knowledge of the history of the D0516 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11109. Currently known reputation in the community is that the D0516 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11110. Public motor vehicle use of the D0516 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11111. The D0516 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11112. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0516 Road.

11113. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0516 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0517 Road

11114. The D0517 Road is designated as county road number D0517 and SGID road identification number RD190596 and is more or less 2.47 miles long.

11115. Exhibit 899 (attached hereto and incorporated herein) contains certain information pertaining to the D0517 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11116. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0517 Road solely as it crosses United States public land as included and specifically described in Exhibit 899. The D0517 Road includes the segment of road specifically set forth in Exhibit 899 and as exists on the ground.

Acceptance of the D0517 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11117. The D0517 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11118. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0517 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11119. The D0517 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0517 Road pursuant to the County's governmental right and authority.

11120. Witnesses with personal knowledge of the history of the D0517 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11121. Currently known reputation in the community is that the D0517 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11122. Public motor vehicle use of the D0517 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11123. The D0517 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11124. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0517 Road.

11125. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0517 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0518 Road

11126. The D0518 Road is designated as county road number D0518 and SGID road identification number RD190597 and is more or less 2.37 miles long.

11127. Exhibit 900 (attached hereto and incorporated herein) contains certain information pertaining to the D0518 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11128. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0518 Road solely as it crosses United States public land as included and specifically described in Exhibit 900. The D0518 Road includes the segment of road specifically set forth in Exhibit 900 and as exists on the ground.

Acceptance of the D0518 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11129. The D0518 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11130. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0518 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11131. The D0518 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0518 Road pursuant to the County's governmental right and authority.

11132. Witnesses with personal knowledge of the history of the D0518 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11133. Currently known reputation in the community is that the D0518 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11134. Public motor vehicle use of the D0518 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11135. The D0518 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11136. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0518 Road.

11137. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0518 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0519 Road

11138. The D0519 Road is designated as county road number D0519 and SGID road identification number RD190598 and is more or less 1.52 miles long.

11139. Exhibit 901 (attached hereto and incorporated herein) contains certain information pertaining to the D0519 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11140. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0519 Road solely as it crosses United States public land as included and specifically described in Exhibit 901. The D0519 Road includes the segment of road specifically set forth in Exhibit 901 and as exists on the ground.

Acceptance of the D0519 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11141. The D0519 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11142. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0519 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11143. The D0519 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0519 Road pursuant to the County's governmental right and authority.

11144. Witnesses with personal knowledge of the history of the D0519 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11145. Currently known reputation in the community is that the D0519 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11146. Public motor vehicle use of the D0519 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11147. The D0519 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11148. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0519 Road.

11149. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0519 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0520 Road

11150. The D0520 Road is designated as county road number D0520 and SGID road identification number RD191123 and is more or less .85 miles long.

11151. Exhibit 902 (attached hereto and incorporated herein) contains certain information pertaining to the D0520 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11152. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0520 Road solely as it crosses United States public land as included and specifically described in Exhibit 902. The D0520 Road includes the segment of road specifically set forth in Exhibit 902 and as exists on the ground.

Acceptance of the D0520 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11153. The D0520 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11154. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0520 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11155. The appearance of the D0520 Road on the Harts Point South (1954) USGS 7.5-minute quadrangle map and the Harts Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

11156. The D0520 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0520 Road pursuant to the County's governmental right and authority.

11157. Witnesses with personal knowledge of the history of the D0520 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11158. Currently known reputation in the community is that the D0520 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11159. Public motor vehicle use of the D0520 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11160. The D0520 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11161. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0520 Road.

11162. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0520 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0525 Road

11163. The D0525 Road is designated as county road number D0525 and SGID road identification number RD191126 and is more or less 3.04 miles long.

11164. Exhibit 903 (attached hereto and incorporated herein) contains certain information pertaining to the D0525 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11165. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0525 Road solely as it crosses United States public land as included and

specifically described in Exhibit 903. The D0525 Road includes the segment of road specifically set forth in Exhibit 903 and as exists on the ground.

Acceptance of the D0525 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11166. The D0525 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11167. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0525 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11168. The D0525 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0525 Road pursuant to the County's governmental right and authority.

11169. Witnesses with personal knowledge of the history of the D0525 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11170. Currently known reputation in the community is that the D0525 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11171. Public motor vehicle use of the D0525 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11172. The D0525 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11173. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0525 Road.

11174. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0525 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0526 Road

11175. The D0526 Road is designated as county road number D0526 and SGID road identification number RD191127 and is more or less 2.86 miles long.

11176. Exhibit 904 (attached hereto and incorporated herein) contains certain information pertaining to the D0526 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11177. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0526 Road solely as it crosses United States public land as included and specifically described in Exhibit 904. The D0526 Road includes the segment of road specifically set forth in Exhibit 904 and as exists on the ground.

Acceptance of the D0526 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11178. The D0526 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11179. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0526 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11180. The D0526 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0526 Road pursuant to the County's governmental right and authority.

11181. Witnesses with personal knowledge of the history of the D0526 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11182. Currently known reputation in the community is that the D0526 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11183. Public motor vehicle use of the D0526 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11184. The D0526 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11185. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0526 Road.

11186. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0526 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0527 Road

11187. The D0527 Road is designated as county road number D0527 and SGID road identification number RD191128 and is more or less 2.37 miles long.

11188. Exhibit 905 (attached hereto and incorporated herein) contains certain information pertaining to the D0527 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11189. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0527 Road solely as it crosses United States public land as included and specifically described in Exhibit 905. The D0527 Road includes the segment of road specifically set forth in Exhibit 905 and as exists on the ground.

Acceptance of the D0527 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11190. The D0527 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11191. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0527 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11192. The appearance of the D0527 Road on the Photograph Gap (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

11193. The County confirmed its acceptance of the D0527 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0527 Road pursuant to the County's governmental right and authority.

11194. Witnesses with personal knowledge of the history of the D0527 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11195. Currently known reputation in the community is that the D0527 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

11196. Public motor vehicle use of the D0527 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11197. The D0527 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11198. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0527 Road.

11199. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0527 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0578 Road

11200. The D0578 Road is designated as county road number D0578 and SGID road identification number RD190602 and is more or less 2.82 miles long.

11201. Exhibit 906 (attached hereto and incorporated herein) contains certain information pertaining to the D0578 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11202. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D0578 Road solely as it crosses United States public land as included and specifically described in Exhibit 906. The D0578 Road includes the segment of road specifically set forth in Exhibit 906 and as exists on the ground.

Acceptance of the D0578 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11203. The D0578 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11204. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0578 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11205. The D0578 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0578 Road pursuant to the County's governmental right and authority.

11206. Witnesses with personal knowledge of the history of the D0578 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11207. Currently known reputation in the community is that the D0578 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11208. Public motor vehicle use of the D0578 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11209. The D0578 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11210. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0578 Road.

11211. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0578 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0579 Road

11212. The D0579 Road is designated as county road number D0579 and SGID road identification number RD190603 and is more or less 6.44 miles long.

11213. Exhibit 907 (attached hereto and incorporated herein) contains certain information pertaining to the D0579 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11214. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0579 Road solely as it crosses United States public land as included and specifically described in Exhibit 907. The D0579 Road includes the segment of road specifically

set forth in Exhibit 907 and as exists on the ground.

Acceptance of the D0579 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11215. The D0579 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11216. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0579 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11217. The D0579 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0579 Road pursuant to the County's governmental right and authority.

11218. Witnesses with personal knowledge of the history of the D0579 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11219. Currently known reputation in the community is that the D0579 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11220. Public motor vehicle use of the D0579 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

11221. The D0579 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11222. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0579 Road.

11223. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0579 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0580 Road

11224. The D0580 Road is designated as county road number D0580 and SGID road identification number RD190604 and is more or less 3.5 miles long.

11225. Exhibit 908 (attached hereto and incorporated herein) contains certain information pertaining to the D0580 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11226. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0580 Road solely as it crosses United States public land as included and specifically described in Exhibit 908. The D0580 Road includes the segment of road specifically set forth in Exhibit 908 and as exists on the ground.

Acceptance of the D0580 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11227. The D0580 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11228. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0580 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11229. The D0580 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0580 Road pursuant to the County's governmental right and authority.

11230. Witnesses with personal knowledge of the history of the D0580 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11231. Currently known reputation in the community is that the D0580 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11232. Public motor vehicle use of the D0580 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11233. The D0580 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11234. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0580 Road.

11235. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0580 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0581 Road

11236. The D0581 Road is designated as county road number D0581 and SGID road identification number RD191165 and is more or less 1.18 miles long.

11237. Exhibit 909 (attached hereto and incorporated herein) contains certain information pertaining to the D0581 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11238. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0581 Road solely as it crosses United States public land as included and specifically described in Exhibit 909. The D0581 Road includes the segment of road specifically set forth in Exhibit 909 and as exists on the ground.

Acceptance of the D0581 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11239. The D0581 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11240. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0581 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11241. The D0581 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0581 Road pursuant to the County's governmental right and authority.

11242. Witnesses with personal knowledge of the history of the D0581 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11243. Currently known reputation in the community is that the D0581 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11244. Public motor vehicle use of the D0581 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11245. The D0581 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11246. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0581 Road.

11247. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0581 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0582 Road

11248. The D0582 Road is designated as county road number D0582 and SGID road identification number RD190605 and is more or less 1.69 miles long.

11249. Exhibit 910 (attached hereto and incorporated herein) contains certain information pertaining to the D0582 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11250. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0582 Road solely as it crosses United States public land as included and specifically described in Exhibit 910. The D0582 Road includes the segment of road specifically set forth in Exhibit 910 and as exists on the ground.

Acceptance of the D0582 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11251. The D0582 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11252. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0582 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11253. The D0582 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0582 Road pursuant to the County's governmental right and authority.

11254. Witnesses with personal knowledge of the history of the D0582 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11255. Currently known reputation in the community is that the D0582 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11256. Public motor vehicle use of the D0582 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11257. The D0582 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11258. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0582 Road.

11259. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0582 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0589 Road

11260. The D0589 Road is designated as county road number D0589 and SGID road identification number RD191169 and is more or less .69 miles long.

11261. Exhibit 911 (attached hereto and incorporated herein) contains certain information pertaining to the D0589 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11262. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0589 Road solely as it crosses United States public land as included and specifically described in Exhibit 911. The D0589 Road includes the segment of road specifically set forth in Exhibit 911 and as exists on the ground.

Acceptance of the D0589 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11263. The D0589 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11264. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0589 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11265. The D0589 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0589 Road pursuant to the County's governmental right and authority.

11266. Witnesses with personal knowledge of the history of the D0589 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11267. Currently known reputation in the community is that the D0589 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11268. Public motor vehicle use of the D0589 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11269. The D0589 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11270. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0589 Road.

11271. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0589 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0590 Road

11272. The D0590 Road is designated as county road number D0590 and SGID road identification number RD190608 and is more or less .8 miles long.

11273. Exhibit 912 (attached hereto and incorporated herein) contains certain information pertaining to the D0590 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11274. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0590 Road solely as it crosses United States public land as included and specifically described in Exhibit 912. The D0590 Road includes the segment of road specifically set forth in Exhibit 912 and as exists on the ground.

Acceptance of the D0590 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11275. The D0590 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11276. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0590 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11277. The D0590 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0590 Road pursuant to the County's governmental right and authority.

11278. Witnesses with personal knowledge of the history of the D0590 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11279. Currently known reputation in the community is that the D0590 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11280. Public motor vehicle use of the D0590 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11281. The D0590 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11282. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0590 Road.

11283. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0590 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0591 Road

11284. The D0591 Road is designated as county road number D0591 and SGID road identification number RD191170 and is more or less 1.26 miles long.

11285. Exhibit 913 (attached hereto and incorporated herein) contains certain information pertaining to the D0591 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11286. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0591 Road solely as it crosses United States public land as included and specifically described in Exhibit 913. The D0591 Road includes the segment of road specifically set forth in Exhibit 913 and as exists on the ground.

Acceptance of the D0591 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11287. The D0591 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11288. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0591 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11289. The appearance of the D0591 Road on the Hatch Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

11290. The D0591 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0591 Road pursuant to the County's governmental right and authority.

11291. Witnesses with personal knowledge of the history of the D0591 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11292. Currently known reputation in the community is that the D0591 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11293. Public motor vehicle use of the D0591 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11294. The D0591 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11295. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0591 Road.

11296. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0591 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0592 Road

11297. The D0592 Road is designated as county road number D0592 and SGID road identification number RD190609 and is more or less 1.31 miles long.

11298. Exhibit 914 (attached hereto and incorporated herein) contains certain information pertaining to the D0592 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11299. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0592 Road solely as it crosses United States public land as included and

specifically described in Exhibit 914. The D0592 Road includes the segment of road specifically set forth in Exhibit 914 and as exists on the ground.

Acceptance of the D0592 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11300. The D0592 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11301. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0592 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11302. The appearance of the D0592 Road on the Hatch Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

11303. The County confirmed its acceptance of the D0592 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0592 Road pursuant to the County's governmental right and authority.

11304. Witnesses with personal knowledge of the history of the D0592 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11305. Currently known reputation in the community is that the D0592 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11306. Public motor vehicle use of the D0592 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11307. The D0592 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11308. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0592 Road.

11309. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0592 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0593 Road

11310. The D0593 Road is designated as county road number D0593 and SGID road identification number RD191171 and is more or less 1.53 miles long.

11311. Exhibit 915 (attached hereto and incorporated herein) contains certain information pertaining to the D0593 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

11312. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0593 Road solely as it crosses United States public land as included and specifically described in Exhibit 915. The D0593 Road includes the segment of road specifically set forth in Exhibit 915 and as exists on the ground.

Acceptance of the D0593 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11313. The D0593 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11314. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0593 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11315. The County confirmed its acceptance of the D0593 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0593 Road pursuant to the County's governmental right and authority.

11316. Witnesses with personal knowledge of the history of the D0593 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11317. Currently known reputation in the community is that the D0593 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11318. Public motor vehicle use of the D0593 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11319. The D0593 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11320. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0593 Road.

11321. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0593 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0601 Road

11322. The D0601 Road is designated as county road number D0601 and SGID road identification number RD191178 and is more or less 2.13 miles long.

11323. Exhibit 916 (attached hereto and incorporated herein) contains certain information pertaining to the D0601 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11324. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0601 Road solely as it crosses United States public land as included and specifically described in Exhibit 916. The D0601 Road includes the segment of road specifically set forth in Exhibit 916 and as exists on the ground.

Acceptance of the D0601 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11325. The D0601 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11326. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0601 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11327. The appearance of the D0601 Road on the Hatch Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

11328. The D0601 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0601 Road pursuant to the County's governmental right and authority.

11329. Witnesses with personal knowledge of the history of the D0601 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11330. Currently known reputation in the community is that the D0601 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11331. Public motor vehicle use of the D0601 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11332. The D0601 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11333. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0601 Road.

11334. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0601 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1025 Road

11335. The D1025 Road is designated as county road number D1025 and SGID road identification number RD191473 and is more or less .58 miles long.

11336. Exhibit 917 (attached hereto and incorporated herein) contains certain information pertaining to the D1025 Road including: a map depicting the road; township, range and section

references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11337. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1025 Road solely as it crosses United States public land as included and specifically described in Exhibit 917. The D1025 Road includes the segment of road specifically set forth in Exhibit 917 and as exists on the ground.

Acceptance of the D1025 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11338. The D1025 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11339. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1025 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11340. The D1025 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1025 Road pursuant to the County's governmental right and authority.

11341. Witnesses with personal knowledge of the history of the D1025 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11342. Currently known reputation in the community is that the D1025 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11343. Public motor vehicle use of the D1025 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11344. The D1025 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11345. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1025 Road.

11346. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1025 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1026 Road

11347. The D1026 Road is designated as county road number D1026 and SGID road identification number RD190639 and is more or less .62 miles long.

11348. Exhibit 918 (attached hereto and incorporated herein) contains certain information pertaining to the D1026 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11349. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1026 Road solely as it crosses United States public land as included and specifically described in Exhibit 918. The D1026 Road includes the segment of road specifically set forth in Exhibit 918 and as exists on the ground.

Acceptance of the D1026 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11350. The D1026 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11351. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1026 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11352. The D1026 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1026 Road pursuant to the County's governmental right and authority.

11353. Witnesses with personal knowledge of the history of the D1026 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11354. Currently known reputation in the community is that the D1026 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11355. Public motor vehicle use of the D1026 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11356. The D1026 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11357. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1026 Road.

11358. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1026 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1029 Road

11359. The D1029 Road is designated as county road number D1029 and SGID road identification number RD191474 and is more or less .41 miles long.

11360. Exhibit 919 (attached hereto and incorporated herein) contains certain information pertaining to the D1029 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11361. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1029 Road solely as it crosses United States public land as included and

specifically described in Exhibit 919. The D1029 Road includes the segment of road specifically set forth in Exhibit 919 and as exists on the ground.

Acceptance of the D1029 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11362. The D1029 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11363. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1029 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11364. The D1029 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1029 Road pursuant to the County's governmental right and authority.

11365. Witnesses with personal knowledge of the history of the D1029 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11366. Currently known reputation in the community is that the D1029 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11367. Public motor vehicle use of the D1029 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11368. The D1029 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11369. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1029 Road.

11370. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1029 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1210 Road

11371. The D1210 Road is designated as county road number D1210 and SGID road identification number RD191545 and is more or less .62 miles long.

11372. Exhibit 920 (attached hereto and incorporated herein) contains certain information pertaining to the D1210 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11373. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1210 Road solely as it crosses United States public land as included and specifically described in Exhibit 920. The D1210 Road includes the segment of road specifically set forth in Exhibit 920 and as exists on the ground.

Acceptance of the D1210 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11374. The D1210 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11375. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1210 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11376. The D1210 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1210 Road pursuant to the County's governmental right and authority.

11377. Witnesses with personal knowledge of the history of the D1210 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11378. Currently known reputation in the community is that the D1210 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11379. Public motor vehicle use of the D1210 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11380. The D1210 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11381. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1210 Road.

11382. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1210 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1236 Road

11383. The D1236 Road is designated as county road number D1236 and SGID road identification number RD191554 and is more or less 1.91 miles long.

11384. Exhibit 921 (attached hereto and incorporated herein) contains certain information pertaining to the D1236 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11385. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1236 Road solely as it crosses United States public land as included and specifically described in Exhibit 921. The D1236 Road includes the segment of road specifically set forth in Exhibit 921 and as exists on the ground.

Acceptance of the D1236 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11386. The D1236 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11387. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1236 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11388. The D1236 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1236 Road pursuant to the County's governmental right and authority.

11389. Witnesses with personal knowledge of the history of the D1236 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11390. Currently known reputation in the community is that the D1236 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11391. Public motor vehicle use of the D1236 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11392. The D1236 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11393. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1236 Road.

11394. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1236 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1237 Road

11395. The D1237 Road is designated as county road number D1237 and SGID road identification number RD191555 and is more or less .41 miles long.

11396. Exhibit 922 (attached hereto and incorporated herein) contains certain information pertaining to the D1237 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11397. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1237 Road solely as it crosses United States public land as included and specifically described in Exhibit 922. The D1237 Road includes the segment of road specifically set forth in Exhibit 922 and as exists on the ground.

Acceptance of the D1237 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11398. The D1237 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11399. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1237 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11400. The D1237 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1237 Road pursuant to the County's governmental right and authority.

11401. Witnesses with personal knowledge of the history of the D1237 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11402. Currently known reputation in the community is that the D1237 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11403. Public motor vehicle use of the D1237 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11404. The D1237 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11405. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1237 Road.

11406. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1237 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1239 Road

11407. The D1239 Road is designated as county road number D1239 and SGID road identification number RD191556 and is more or less .34 miles long.

11408. Exhibit 923 (attached hereto and incorporated herein) contains certain information pertaining to the D1239 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11409. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1239 Road solely as it crosses United States public land as included and specifically described in Exhibit 923. The D1239 Road includes the segment of road specifically set forth in Exhibit 923 and as exists on the ground.

Acceptance of the D1239 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11410. The D1239 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11411. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1239 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11412. The D1239 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1239 Road pursuant to the County's governmental right and authority.

11413. Witnesses with personal knowledge of the history of the D1239 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11414. Currently known reputation in the community is that the D1239 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11415. Public motor vehicle use of the D1239 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11416. The D1239 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11417. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1239 Road.

11418. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1239 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1241 Road

11419. The D1241 Road is designated as county road number D1241 and SGID road identification number RD191558 and is more or less .25 miles long.

11420. Exhibit 924 (attached hereto and incorporated herein) contains certain information pertaining to the D1241 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11421. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1241 Road solely as it crosses United States public land as included and specifically described in Exhibit 924. The D1241 Road includes the segment of road specifically set forth in Exhibit 924 and as exists on the ground.

Acceptance of the D1241 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11422. The D1241 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11423. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1241 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11424. The D1241 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1241 Road pursuant to the County's governmental right and authority.

11425. Witnesses with personal knowledge of the history of the D1241 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11426. Currently known reputation in the community is that the D1241 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11427. Public motor vehicle use of the D1241 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11428. The D1241 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11429. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1241 Road.

11430. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1241 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1246 Road

11431. The D1246 Road is designated as county road number D1246 and SGID road identification number RD191560 and is more or less .75 miles long.

11432. Exhibit 925 (attached hereto and incorporated herein) contains certain information pertaining to the D1246 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11433. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1246 Road solely as it crosses United States public land as included and specifically described in Exhibit 925. The D1246 Road includes the segment of road specifically set forth in Exhibit 925 and as exists on the ground.

Acceptance of the D1246 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11434. The D1246 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11435. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1246 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11436. The D1246 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1246 Road pursuant to the County's governmental right and authority.

11437. Witnesses with personal knowledge of the history of the D1246 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11438. Currently known reputation in the community is that the D1246 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11439. Public motor vehicle use of the D1246 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11440. The D1246 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11441. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1246 Road.

11442. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1246 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1247 Road

11443. The D1247 Road is designated as county road number D1247 and SGID road identification number RD191561 and is more or less .94 miles long.

11444. Exhibit 926 (attached hereto and incorporated herein) contains certain information pertaining to the D1247 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11445. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1247 Road solely as it crosses United States public land as included and specifically described in Exhibit 926. The D1247 Road includes the segment of road specifically set forth in Exhibit 926 and as exists on the ground.

Acceptance of the D1247 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11446. The D1247 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11447. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1247 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11448. The D1247 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1247 Road pursuant to the County's governmental right and authority.

11449. Witnesses with personal knowledge of the history of the D1247 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11450. Currently known reputation in the community is that the D1247 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11451. Public motor vehicle use of the D1247 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11452. The D1247 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11453. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1247 Road.

11454. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1247 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1250 Road

11455. The D1250 Road is designated as county road number D1250 and SGID road identification number RD191564 and is more or less 1.92 miles long.

11456. Exhibit 927 (attached hereto and incorporated herein) contains certain information pertaining to the D1250 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11457. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1250 Road solely as it crosses United States public land as included and specifically described in Exhibit 927. The D1250 Road includes the segment of road specifically set forth in Exhibit 927 and as exists on the ground.

Acceptance of the D1250 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11458. The D1250 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11459. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1250 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11460. The D1250 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1250 Road pursuant to the County's governmental right and authority.

11461. Witnesses with personal knowledge of the history of the D1250 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11462. Currently known reputation in the community is that the D1250 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11463. Public motor vehicle use of the D1250 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11464. The D1250 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11465. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1250 Road.

11466. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1250 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1252 Road

11467. The D1252 Road is designated as county road number D1252 and SGID road identification number RD191565 and is more or less .5 miles long.

11468. Exhibit 928 (attached hereto and incorporated herein) contains certain information pertaining to the D1252 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11469. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1252 Road solely as it crosses United States public land as included and specifically described in Exhibit 928. The D1252 Road includes the segment of road specifically set forth in Exhibit 928 and as exists on the ground.

Acceptance of the D1252 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11470. The D1252 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11471. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1252 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11472. The D1252 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1252 Road pursuant to the County's governmental right and authority.

11473. Witnesses with personal knowledge of the history of the D1252 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11474. Currently known reputation in the community is that the D1252 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11475. Public motor vehicle use of the D1252 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11476. The D1252 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11477. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1252 Road.

11478. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1252 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1261 Road

11479. The D1261 Road is designated as county road number D1261 and SGID road identification number RD190654 and is more or less 1.01 miles long.

11480. Exhibit 929 (attached hereto and incorporated herein) contains certain information pertaining to the D1261 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11481. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1261 Road solely as it crosses United States public land as included and specifically described in Exhibit 929. The D1261 Road includes the segment of road specifically set forth in Exhibit 929 and as exists on the ground.

Acceptance of the D1261 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11482. The D1261 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11483. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1261 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11484. The D1261 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1261 Road pursuant to the County's governmental right and authority.

11485. Witnesses with personal knowledge of the history of the D1261 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11486. Currently known reputation in the community is that the D1261 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11487. Public motor vehicle use of the D1261 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11488. The D1261 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11489. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1261 Road.

11490. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1261 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1264 Road

11491. The D1264 Road is designated as county road number D1264 and SGID road identification number RD191567 and is more or less 1.27 miles long.

11492. Exhibit 930 (attached hereto and incorporated herein) contains certain information pertaining to the D1264 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11493. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1264 Road solely as it crosses United States public land as included and specifically described in Exhibit 930. The D1264 Road includes the segment of road specifically set forth in Exhibit 930 and as exists on the ground.

Acceptance of the D1264 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11494. The D1264 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11495. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1264 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11496. The D1264 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1264 Road pursuant to the County's governmental right and authority.

11497. Witnesses with personal knowledge of the history of the D1264 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11498. Currently known reputation in the community is that the D1264 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11499. Public motor vehicle use of the D1264 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11500. The D1264 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11501. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1264 Road.

11502. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1264 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1272 Road

11503. The D1272 Road is designated as county road number D1272 and SGID road identification number RD190655 and is more or less 1.97 miles long.

11504. Exhibit 931 (attached hereto and incorporated herein) contains certain information pertaining to the D1272 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11505. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1272 Road solely as it crosses United States public land as included and specifically described in Exhibit 931. The D1272 Road includes the segment of road specifically set forth in Exhibit 931 and as exists on the ground.

Acceptance of the D1272 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11506. The D1272 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11507. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1272 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11508. The D1272 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1272 Road pursuant to the County's governmental right and authority.

11509. Witnesses with personal knowledge of the history of the D1272 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11510. Currently known reputation in the community is that the D1272 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11511. Public motor vehicle use of the D1272 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11512. The D1272 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11513. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1272 Road.

11514. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1272 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1277 Road

11515. The D1277 Road is designated as county road number D1277 and SGID road identification number RD191569 and is more or less 1.23 miles long.

11516. Exhibit 932 (attached hereto and incorporated herein) contains certain information pertaining to the D1277 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11517. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1277 Road solely as it crosses United States public land as included and specifically described in Exhibit 932. The D1277 Road includes the segment of road specifically set forth in Exhibit 932 and as exists on the ground.

Acceptance of the D1277 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11518. The D1277 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11519. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1277 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11520. The D1277 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1277 Road pursuant to the County's governmental right and authority.

11521. Witnesses with personal knowledge of the history of the D1277 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11522. Currently known reputation in the community is that the D1277 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11523. Public motor vehicle use of the D1277 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11524. The D1277 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11525. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1277 Road.

11526. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1277 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1279 Road

11527. The D1279 Road is designated as county road number D1279 and SGID road identification number RD191570 and is more or less .38 miles long.

11528. Exhibit 933 (attached hereto and incorporated herein) contains certain information pertaining to the D1279 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11529. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1279 Road solely as it crosses United States public land as included and specifically described in Exhibit 933. The D1279 Road includes the segment of road specifically set forth in Exhibit 933 and as exists on the ground.

Acceptance of the D1279 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11530. The D1279 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11531. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1279 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11532. The D1279 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1279 Road pursuant to the County's governmental right and authority.

11533. Witnesses with personal knowledge of the history of the D1279 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11534. Currently known reputation in the community is that the D1279 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11535. Public motor vehicle use of the D1279 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11536. The D1279 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11537. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1279 Road.

11538. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1279 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1281 Road

11539. The D1281 Road is designated as county road number D1281 and SGID road identification number RD191572 and is more or less 1.07 miles long.

11540. Exhibit 934 (attached hereto and incorporated herein) contains certain information pertaining to the D1281 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11541. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1281 Road solely as it crosses United States public land as included and specifically described in Exhibit 934. The D1281 Road includes the segment of road specifically set forth in Exhibit 934 and as exists on the ground.

Acceptance of the D1281 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11542. The D1281 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11543. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1281 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11544. The D1281 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1281 Road pursuant to the County's governmental right and authority.

11545. Witnesses with personal knowledge of the history of the D1281 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11546. Currently known reputation in the community is that the D1281 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11547. Public motor vehicle use of the D1281 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11548. The D1281 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11549. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1281 Road.

11550. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1281 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1283 Road

11551. The D1283 Road is designated as county road number D1283 and SGID road identification number RD191573 and is more or less .67 miles long.

11552. Exhibit 935 (attached hereto and incorporated herein) contains certain information pertaining to the D1283 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11553. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1283 Road solely as it crosses United States public land as included and specifically described in Exhibit 935. The D1283 Road includes the segment of road specifically set forth in Exhibit 935 and as exists on the ground.

Acceptance of the D1283 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11554. The D1283 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11555. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1283 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11556. The D1283 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1283 Road pursuant to the County's governmental right and authority.

11557. Witnesses with personal knowledge of the history of the D1283 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11558. Currently known reputation in the community is that the D1283 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11559. Public motor vehicle use of the D1283 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11560. The D1283 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11561. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1283 Road.

11562. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1283 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1285 Road

11563. The D1285 Road is designated as county road number D1285 and SGID road identification number RD191575 and is more or less 1.58 miles long.

11564. Exhibit 936 (attached hereto and incorporated herein) contains certain information pertaining to the D1285 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11565. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1285 Road solely as it crosses United States public land as included and specifically described in Exhibit 936. The D1285 Road includes the segment of road specifically set forth in Exhibit 936 and as exists on the ground.

Acceptance of the D1285 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11566. The D1285 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11567. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1285 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11568. The D1285 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1285 Road pursuant to the County's governmental right and authority.

11569. Witnesses with personal knowledge of the history of the D1285 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11570. Currently known reputation in the community is that the D1285 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11571. Public motor vehicle use of the D1285 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11572. The D1285 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11573. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1285 Road.

11574. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1285 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1286 Road

11575. The D1286 Road is designated as county road number D1286 and SGID road identification number RD191576 and is more or less .61 miles long.

11576. Exhibit 937 (attached hereto and incorporated herein) contains certain information pertaining to the D1286 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11577. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1286 Road solely as it crosses United States public land as included and specifically described in Exhibit 937. The D1286 Road includes the segment of road specifically set forth in Exhibit 937 and as exists on the ground.

Acceptance of the D1286 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11578. The D1286 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11579. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1286 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11580. The D1286 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1286 Road pursuant to the County's governmental right and authority.

11581. Witnesses with personal knowledge of the history of the D1286 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11582. Currently known reputation in the community is that the D1286 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11583. Public motor vehicle use of the D1286 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11584. The D1286 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11585. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1286 Road.

11586. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1286 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1301 Road

11587. The D1301 Road is designated as county road number D1301 and SGID road identification number RD191582 and is more or less .34 miles long.

11588. Exhibit 938 (attached hereto and incorporated herein) contains certain information pertaining to the D1301 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11589. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1301 Road solely as it crosses United States public land as included and specifically described in Exhibit 938. The D1301 Road includes the segment of road specifically set forth in Exhibit 938 and as exists on the ground.

Acceptance of the D1301 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11590. The D1301 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11591. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1301 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11592. The D1301 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1301 Road pursuant to the County's governmental right and authority.

11593. Witnesses with personal knowledge of the history of the D1301 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11594. Currently known reputation in the community is that the D1301 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11595. Public motor vehicle use of the D1301 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11596. The D1301 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11597. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1301 Road.

11598. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1301 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1305 Road

11599. The D1305 Road is designated as county road number D1305 and SGID road identification number RD191583 and is more or less .47 miles long.

11600. Exhibit 939 (attached hereto and incorporated herein) contains certain information pertaining to the D1305 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11601. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1305 Road solely as it crosses United States public land as included and specifically described in Exhibit 939. The D1305 Road includes the segment of road specifically set forth in Exhibit 939 and as exists on the ground.

Acceptance of the D1305 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11602. The D1305 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11603. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1305 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11604. The D1305 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1305 Road pursuant to the County's governmental right and authority.

11605. Witnesses with personal knowledge of the history of the D1305 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11606. Currently known reputation in the community is that the D1305 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11607. Public motor vehicle use of the D1305 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11608. The D1305 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11609. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1305 Road.

11610. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1305 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1309 Road

11611. The D1309 Road is designated as county road number D1309 and SGID road identification number RD191584 and is more or less .37 miles long.

11612. Exhibit 940 (attached hereto and incorporated herein) contains certain information pertaining to the D1309 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11613. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1309 Road solely as it crosses United States public land as included and specifically described in Exhibit 940. The D1309 Road includes the segment of road specifically set forth in Exhibit 940 and as exists on the ground.

Acceptance of the D1309 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11614. The D1309 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11615. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1309 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11616. The D1309 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1309 Road pursuant to the County's governmental right and authority.

11617. Witnesses with personal knowledge of the history of the D1309 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11618. Currently known reputation in the community is that the D1309 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11619. Public motor vehicle use of the D1309 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11620. The D1309 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11621. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1309 Road.

11622. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1309 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1310 Road

11623. The D1310 Road is designated as county road number D1310 and SGID road identification number RD191585 and is more or less 1.44 miles long.

11624. Exhibit 941 (attached hereto and incorporated herein) contains certain information pertaining to the D1310 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11625. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1310 Road solely as it crosses United States public land as included and specifically described in Exhibit 941. The D1310 Road includes the segment of road specifically set forth in Exhibit 941 and as exists on the ground.

Acceptance of the D1310 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11626. The D1310 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11627. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1310 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11628. The D1310 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1310 Road pursuant to the County's governmental right and authority.

11629. Witnesses with personal knowledge of the history of the D1310 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11630. Currently known reputation in the community is that the D1310 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11631. Public motor vehicle use of the D1310 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11632. The D1310 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11633. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1310 Road.

11634. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1310 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1314 Road

11635. The D1314 Road is designated as county road number D1314 and SGID road identification number RD191586 and is more or less .68 miles long.

11636. Exhibit 942 (attached hereto and incorporated herein) contains certain information pertaining to the D1314 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11637. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1314 Road solely as it crosses United States public land as included and specifically described in Exhibit 942. The D1314 Road includes the segment of road specifically set forth in Exhibit 942 and as exists on the ground.

Acceptance of the D1314 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11638. The D1314 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11639. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1314 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11640. The appearance of the D1314 Road on the Harts Point South (1954) USGS 7.5-minute quadrangle map and the Harts Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

11641. The D1314 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1314 Road pursuant to the County's governmental right and authority.

11642. Witnesses with personal knowledge of the history of the D1314 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11643. Currently known reputation in the community is that the D1314 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11644. Public motor vehicle use of the D1314 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11645. The D1314 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11646. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1314 Road.

11647. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1314 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1315 Road

11648. The D1315 Road is designated as county road number D1315 and SGID road identification number RD191587 and is more or less .36 miles long.

11649. Exhibit 943 (attached hereto and incorporated herein) contains certain information pertaining to the D1315 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11650. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1315 Road solely as it crosses United States public land as included and

specifically described in Exhibit 943. The D1315 Road includes the segment of road specifically set forth in Exhibit 943 and as exists on the ground.

Acceptance of the D1315 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11651. The D1315 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11652. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1315 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11653. The County confirmed its acceptance of the D1315 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1315 Road pursuant to the County's governmental right and authority.

11654. Witnesses with personal knowledge of the history of the D1315 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11655. Currently known reputation in the community is that the D1315 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11656. Public motor vehicle use of the D1315 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11657. The D1315 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11658. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1315 Road.

11659. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1315 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1317 Road

11660. The D1317 Road is designated as county road number D1317 and SGID road identification number RD191589 and is more or less .99 miles long.

11661. Exhibit 944 (attached hereto and incorporated herein) contains certain information pertaining to the D1317 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11662. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1317 Road solely as it crosses United States public land as included and specifically described in Exhibit 944. The D1317 Road includes the segment of road specifically

set forth in Exhibit 944 and as exists on the ground.

Acceptance of the D1317 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11663. The D1317 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11664. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1317 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11665. The D1317 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1317 Road pursuant to the County's governmental right and authority.

11666. Witnesses with personal knowledge of the history of the D1317 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11667. Currently known reputation in the community is that the D1317 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11668. Public motor vehicle use of the D1317 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

11669. The D1317 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11670. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1317 Road.

11671. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1317 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1321 Road

11672. The D1321 Road is designated as county road number D1321 and SGID road identification number RD191591 and is more or less .46 miles long.

11673. Exhibit 945 (attached hereto and incorporated herein) contains certain information pertaining to the D1321 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11674. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1321 Road solely as it crosses United States public land as included and specifically described in Exhibit 945. The D1321 Road includes the segment of road specifically set forth in Exhibit 945 and as exists on the ground.

Acceptance of the D1321 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11675. The D1321 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11676. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1321 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11677. The D1321 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1321 Road pursuant to the County's governmental right and authority.

11678. Witnesses with personal knowledge of the history of the D1321 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11679. Currently known reputation in the community is that the D1321 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11680. Public motor vehicle use of the D1321 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11681. The D1321 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11682. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1321 Road.

11683. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1321 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1326 Road

11684. The D1326 Road is designated as county road number D1326 and SGID road identification number RD191593 and is more or less .81 miles long.

11685. Exhibit 946 (attached hereto and incorporated herein) contains certain information pertaining to the D1326 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11686. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1326 Road solely as it crosses United States public land as included and specifically described in Exhibit 946. The D1326 Road includes the segment of road specifically set forth in Exhibit 946 and as exists on the ground.

Acceptance of the D1326 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11687. The D1326 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11688. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1326 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11689. The D1326 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1326 Road pursuant to the County's governmental right and authority.

11690. Witnesses with personal knowledge of the history of the D1326 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11691. Currently known reputation in the community is that the D1326 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11692. Public motor vehicle use of the D1326 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11693. The D1326 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11694. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1326 Road.

11695. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1326 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1337 Road

11696. The D1337 Road is designated as county road number D1337 and SGID road identification number RD191595 and is more or less .76 miles long.

11697. Exhibit 947 (attached hereto and incorporated herein) contains certain information pertaining to the D1337 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11698. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1337 Road solely as it crosses United States public land as included and specifically described in Exhibit 947. The D1337 Road includes the segment of road specifically set forth in Exhibit 947 and as exists on the ground.

Acceptance of the D1337 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11699. The D1337 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11700. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1337 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11701. The D1337 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1337 Road pursuant to the County's governmental right and authority.

11702. Witnesses with personal knowledge of the history of the D1337 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11703. Currently known reputation in the community is that the D1337 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11704. Public motor vehicle use of the D1337 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11705. The D1337 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11706. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1337 Road.

11707. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1337 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1339 Road

11708. The D1339 Road is designated as county road number D1339 and SGID road identification number RD191596 and is more or less .48 miles long.

11709. Exhibit 948 (attached hereto and incorporated herein) contains certain information pertaining to the D1339 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11710. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1339 Road solely as it crosses United States public land as included and specifically described in Exhibit 948. The D1339 Road includes the segment of road specifically set forth in Exhibit 948 and as exists on the ground.

Acceptance of the D1339 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11711. The D1339 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11712. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1339 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11713. The D1339 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1339 Road pursuant to the County's governmental right and authority.

11714. Witnesses with personal knowledge of the history of the D1339 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11715. Currently known reputation in the community is that the D1339 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11716. Public motor vehicle use of the D1339 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11717. The D1339 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11718. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1339 Road.

11719. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1339 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1393 Road

11720. The D1393 Road is designated as county road number D1393 and SGID road identification number RD191625 and is more or less 1.08 miles long.

11721. Exhibit 949 (attached hereto and incorporated herein) contains certain information pertaining to the D1393 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11722. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1393 Road solely as it crosses United States public land as included and specifically described in Exhibit 949. The D1393 Road includes the segment of road specifically set forth in Exhibit 949 and as exists on the ground.

Acceptance of the D1393 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11723. The D1393 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11724. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1393 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11725. The D1393 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1393 Road pursuant to the County's governmental right and authority.

11726. Witnesses with personal knowledge of the history of the D1393 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11727. Currently known reputation in the community is that the D1393 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11728. Public motor vehicle use of the D1393 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11729. The D1393 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11730. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1393 Road.

11731. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1393 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1397 Road

11732. The D1397 Road, formerly known as D1397 Road (RD191626) and D1400 Road (RD191627), is designated as county road number D1397 and SGID road identification number RD191626 and is more or less 2.19 miles long.

11733. Exhibit 950 (attached hereto and incorporated herein) contains certain information pertaining to the D1397 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11734. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1397 Road solely as it crosses United States public land as included and specifically described in Exhibit 950. The D1397 Road includes the segment of road specifically set forth in Exhibit 950 and as exists on the ground.

Acceptance of the D1397 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11735. The D1397 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11736. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1397 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11737. The D1397 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1397 Road pursuant to the County's governmental right and authority.

11738. Witnesses with personal knowledge of the history of the D1397 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11739. Currently known reputation in the community is that the D1397 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11740. Public motor vehicle use of the D1397 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11741. The D1397 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11742. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1397 Road.

11743. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1397 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1402 Road

11744. The D1402 Road is designated as county road number D1402 and SGID road identification number RD191628 and is more or less .86 miles long.

11745. Exhibit 951 (attached hereto and incorporated herein) contains certain information pertaining to the D1402 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11746. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1402 Road solely as it crosses United States public land as included and specifically described in Exhibit 951. The D1402 Road includes the segment of road specifically set forth in Exhibit 951 and as exists on the ground.

Acceptance of the D1402 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11747. The D1402 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11748. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1402 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11749. The D1402 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1402 Road pursuant to the County's governmental right and authority.

11750. Witnesses with personal knowledge of the history of the D1402 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11751. Currently known reputation in the community is that the D1402 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11752. Public motor vehicle use of the D1402 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11753. The D1402 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11754. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1402 Road.

11755. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1402 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1431 Road

11756. The D1431 Road is designated as county road number D1431 and SGID road identification number RD191644 and is more or less 0.20 miles long.

11757. Exhibit 952 (attached hereto and incorporated herein) contains certain information pertaining to the D1431 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11758. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1431 Road solely as it crosses United States public land as included and specifically described in Exhibit 952. The D1431 Road includes the segment of road specifically set forth in Exhibit 952 and as exists on the ground.

Acceptance of the D1431 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11759. The D1431 Road has long served as a public highway providing access to and

across public land. This road serves the public's transportation needs.

11760. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1431 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11761. The D1431 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1431 Road pursuant to the County's governmental right and authority.

11762. Witnesses with personal knowledge of the history of the D1431 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11763. Currently known reputation in the community is that the D1431 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11764. Public motor vehicle use of the D1431 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11765. The D1431 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11766. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1431 Road.

11767. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1431 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3279 Road

11768. The D3279 Road is designated as county road number D3279 and SGID road identification number RD192649 and is more or less 25.67 miles long.

11769. Exhibit 953 (attached hereto and incorporated herein) contains certain information pertaining to the D3279 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11770. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3279 Road solely as it crosses United States public land as included and specifically described in Exhibit 953. The D3279 Road includes the segment of road specifically set forth in Exhibit 953 and as exists on the ground.

Acceptance of the D3279 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11771. The D3279 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11772. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3279 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11773. The appearance of the D3279 Road on the Harts Point North (1954), the Hatch Rock (1954) and the Photograph Gap (1954) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) and the Harts Point (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

11774. The County confirmed its acceptance of the D3279 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3279 Road pursuant to the County's governmental right and authority.

11775. Witnesses with personal knowledge of the history of the D3279 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11776. Currently known reputation in the community is that the D3279 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11777. Public motor vehicle use of the D3279 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11778. The D3279 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11779. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3279 Road.

11780. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3279 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

FIFTEENTH CAUSE OF ACTION – QUIET TITLE
HATCH POINT AREA

11781. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

11782. The Hatch Point Area is located in north-central San Juan County and is shown on Exhibit 17, attached hereto and incorporated herein.

11783. The Hatch Point Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Big Indian Road, B106; (2) Flat Iron Mesa Road, B164; (3) Hatch Point Road, B132; (4) Looking Glass Road, B131; (5) Wilson Arch Road, B179; (6) D0587 Road; (7) D0588 Road; (8) D0599 Road; (9) D0600 Road; (10) D0602 Road; (11) D0609 Road; (12) D0610 Road; (13) D0611 Road; (14) D0612 Road; (15) D0613 Road; (16) D0614 Road; (17) D0615 Road; (18) D0616 Road; (19) D0617 Road; (20) D0620

Road; (21) D0621 Road; (22) D0624 Road; (23) D0625 Road; (24) D0627 Road; (25) D0628 Road; (26) D0632 Road; (27) D0633 Road; (28) D0634 Road; (29) D0635 Road; (30) D0661 Road; (31) D0662 Road; (32) D0988 Road; (33) D1172 Road; (34) D1422 Road; (35) D1425 Road; (36) D1428 Road; (37) D1429 Road; (38) D1481 Road; (39) D1482 Road; (40) D1506 Road; (41) D1508 Road; (42) D1510 Road; (43) D1513 Road; (44) D1514 Road; (45) D1515 Road; (46) D1516 Road; (47) D1527 Road; (48) D1528 Road; (49) D1536 Road; (50) D1546 Road; (51) D1548 Road; (52) D1552 Road; (53) D1553 Road; (54) D1557 Road; (55) D1558 Road; (56) D1563 Road; (57) D1564 Road; (58) D1574 Road; (59) D1578 Road; (60) D1584 Road; (61) D1585 Road; (62) D1586 Road; (63) D1772 Road; (64) D1775 Road; (65) D1777 Road; (66) D1781 Road; (67) D1783 Road; (68) D1784 Road; (69) D2396 Road; (70) D2402 Road; (71) D2406 Road; (72) D2408 Road; (73) D2410 Road; (74) D2417 Road; (75) D2431 Road; (76) D2435 Road; (77) D2436 Road; (78) D2437 Road; (79) D2515 Road; (80) D2742 Road; (81) D4816 Road; (82) D4817 Road; (83) D4818 Road; (84) D4819 Road; (85) D4834 Road; (86) D4837 Road; (87) D4838 Road; (88) D4840 Road; (89) D4841 Road; (90) D4843 Road; (91) D4846 Road; (92) D5227 Road; and (93) D5228 Road.

11784. Each right-of-way claimed in the Hatch Point Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

11785. All rights-of-way claimed in the Hatch Point Area are sufficient in scope for

general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

11786. All rights-of-way claimed in the Hatch Point Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

11787. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Big Indian Road, B106

11788. The Big Indian Road is designated as county road number B106 and SGID road identification number RD190012 and is more or less 8.24 miles long.

11789. Exhibit 954 (attached hereto and incorporated herein) contains certain information pertaining to the Big Indian Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11790. In this action, the State and County seek to quiet title to the public highway right-of-way for the Big Indian Road solely as it crosses United States public land as included and

specifically described in Exhibit 954. The Big Indian Road includes the segment of road specifically set forth in Exhibit 954 and as exists on the ground.

Acceptance of the Big Indian Road R.S. 2477 Right-of-way Prior to October 21, 1976

11791. The Big Indian Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11792. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Big Indian Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11793. The appearance of the Big Indian Road on the EightMile Rock (1954), Harts Point North (1954), and Hatch Rock (1954) USGS 7.5-minute quadrangle maps and the Hatch Point (1954), Harts Point (1954), and Hatch Rock (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

11794. The County confirmed its acceptance of the Big Indian Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Big Indian Road using public funds pursuant to the County's governmental right and authority.

11795. Witnesses with personal knowledge of the history of the Big Indian Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11796. Currently known reputation in the community is that the Big Indian Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11797. Public motor vehicle use of the Big Indian Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11798. The Big Indian Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11799. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Big Indian Road.

11800. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Big Indian Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Flat Iron Mesa Road, B164

11801. The Flat Iron Mesa Road is designated as county road number B164 and SGID road identification number RD190118 and is more or less 6.99 miles long.

11802. Exhibit 955 (attached hereto and incorporated herein) contains certain information

pertaining to the Flat Iron Mesa Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11803. In this action, the State and County seek to quiet title to the public highway right-of-way for the Flat Iron Mesa Road solely as it crosses United States public land as included and specifically described in Exhibit 955. The Flat Iron Mesa Road includes the segment of road specifically set forth in Exhibit 955 and as exists on the ground.

Acceptance of the Flat Iron Mesa Road R.S. 2477 Right-of-way Prior to October 21, 1976

11804. The Flat Iron Mesa Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11805. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Flat Iron Mesa Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11806. The appearance of the Flat Iron Mesa Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

11807. The County confirmed its acceptance of the Flat Iron Mesa Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the Flat Iron Mesa Road using public funds pursuant to the County's governmental right and authority.

11808. Witnesses with personal knowledge of the history of the Flat Iron Mesa Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11809. Currently known reputation in the community is that the Flat Iron Mesa Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11810. Public motor vehicle use of the Flat Iron Mesa Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11811. The Flat Iron Mesa Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11812. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Flat Iron Mesa Road.

11813. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Flat Iron Mesa Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Hatch Point Road, B132

11814. The Hatch Point Road is designated as county road number B132 and SGID road identification number RD190064 and is more or less 18.78 miles long.

11815. Exhibit 956 (attached hereto and incorporated herein) contains certain information pertaining to the Hatch Point Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11816. In this action, the State and County seek to quiet title to the public highway right-of-way for the Hatch Point Road solely as it crosses United States public land as included and specifically described in Exhibit 956. The Hatch Point Road includes the segment of road specifically set forth in Exhibit 956 and as exists on the ground.

Acceptance of the Hatch Point Road R.S. 2477 Right-of-way Prior to October 21, 1976

11817. The Hatch Point Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11818. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Hatch Point Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11819. The County confirmed its acceptance of the Hatch Point Road by 1974, when it

designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Hatch Point Road using public funds pursuant to the County's governmental right and authority.

11820. Witnesses with personal knowledge of the history of the Hatch Point Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11821. Currently known reputation in the community is that the Hatch Point Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11822. Public motor vehicle use of the Hatch Point Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11823. The Hatch Point Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11824. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Hatch Point Road.

11825. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Hatch Point Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Looking Glass Road, B131

11826. The Looking Glass Road is designated as county road number B131 and SGID road identification number RD190062 and is more or less 11.78 miles long.

11827. Exhibit 957 (attached hereto and incorporated herein) contains certain information pertaining to the Looking Glass Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11828. In this action, the State and County seek to quiet title to the public highway right-of-way for the Looking Glass Road solely as it crosses United States public land as included and specifically described in Exhibit 957. The Looking Glass Road includes the segment of road specifically set forth in Exhibit 957 and as exists on the ground.

Acceptance of the Looking Glass Road R.S. 2477 Right-of-way Prior to October 21, 1976

11829. The Looking Glass Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11830. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Looking Glass Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11831. The appearance of the Looking Glass Road on the Hatch Rock (1954) and La Sal Junction (1954) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

11832. The County confirmed its acceptance of the Looking Glass Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Looking Glass Road using public funds pursuant to the County's governmental right and authority.

11833. Witnesses with personal knowledge of the history of the Looking Glass Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11834. Currently known reputation in the community is that the Looking Glass Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11835. Public motor vehicle use of the Looking Glass Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

11836. The Looking Glass Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11837. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Looking Glass Road.

11838. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Looking Glass Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Wilson Arch Road, B179

11839. The Wilson Arch Road is designated as county road number B179 and SGID road identification number RD190133 and is more or less 5.81 miles long.

11840. Exhibit 958 (attached hereto and incorporated herein) contains certain information pertaining to the Wilson Arch Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11841. In this action, the State and County seek to quiet title to the public highway right-of-way for the Wilson Arch Road solely as it crosses United States public land as included and specifically described in Exhibit 958. The Wilson Arch Road includes the segment of road specifically set forth in Exhibit 958 and as exists on the ground.

Acceptance of the Wilson Arch Road R.S. 2477 Right-of-way Prior to October 21, 1976

11842. The Wilson Arch Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11843. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Wilson Arch Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11844. The appearance of the Wilson Arch Road on the Sandstone Draw (1954), Hatch Rock (1954), La Sal Junction (1954), and La Sal West (1954) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) and La Sal Junction (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

11845. The County confirmed its acceptance of the Wilson Arch Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Wilson Arch Road using public funds pursuant to the County's governmental right and authority.

11846. Witnesses with personal knowledge of the history of the Wilson Arch Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11847. Currently known reputation in the community is that the Wilson Arch Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11848. Public motor vehicle use of the Wilson Arch Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11849. The Wilson Arch Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11850. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Wilson Arch Road.

11851. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Wilson Arch Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0587 Road

11852. The D0587 Road is designated as county road number D0587 and SGID road identification number RD190606 and is more or less 3.86 miles long.

11853. Exhibit 959 (attached hereto and incorporated herein) contains certain information pertaining to the D0587 Road including: a map depicting the road; township, range and section

references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11854. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0587 Road solely as it crosses United States public land as included and specifically described in Exhibit 959. The D0587 Road includes the segment of road specifically set forth in Exhibit 959 and as exists on the ground.

Acceptance of the D0587 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11855. The D0587 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11856. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0587 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11857. The appearance of the D0587 Road on the Harts Point North (1954), the EightMile Rock (1954) and the La Sal Junction (1954) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) and the Harts Point (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

11858. The County confirmed its acceptance of the D0587 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the D0587 Road pursuant to the County's governmental right and authority.

11859. Witnesses with personal knowledge of the history of the D0587 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11860. Currently known reputation in the community is that the D0587 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11861. Public motor vehicle use of the D0587 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11862. The D0587 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11863. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0587 Road.

11864. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0587 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0588 Road

11865. The D0588 Road is designated as county road number D0587 and SGID road identification number RD190676 and is more or less 3.43 miles long.

11866. Exhibit 960 (attached hereto and incorporated herein) contains certain information pertaining to the D0588 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11867. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0588 Road solely as it crosses United States public land as included and specifically described in Exhibit 960. The D0588 Road includes the segment of road specifically set forth in Exhibit 960 and as exists on the ground.

Acceptance of the D0588 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11868. The D0588 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11869. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0588 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11870. The D0588 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0588 Road pursuant to the County's governmental

right and authority.

11871. Witnesses with personal knowledge of the history of the D0588 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11872. Currently known reputation in the community is that the D0588 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11873. Public motor vehicle use of the D0588 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11874. The D0588 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11875. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0588 Road.

11876. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0588 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0599 Road

11877. The D0599 Road is designated as county road number D0599 and SGID road

identification number RD191176 and is more or less .59 miles long.

11878. Exhibit 961 (attached hereto and incorporated herein) contains certain information pertaining to the D0599 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11879. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0599 Road solely as it crosses United States public land as included and specifically described in Exhibit 961. The D0599 Road includes the segment of road specifically set forth in Exhibit 961 and as exists on the ground.

Acceptance of the D0599 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11880. The D0599 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11881. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0599 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11882. The appearance of the D0599 Road on the Hatch Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information

11883. The D0599 Road was accepted as a County highway at least 10 years prior to

October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0599 Road pursuant to the County's governmental right and authority.

11884. Witnesses with personal knowledge of the history of the D0599 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11885. Currently known reputation in the community is that the D0599 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11886. Public motor vehicle use of the D0599 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11887. The D0599 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11888. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0599 Road.

11889. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0599 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0600 Road

11890. The D0600 Road is designated as county road number D0600 and SGID road identification number RD191177 and is more or less 2.11 miles long.

11891. Exhibit 962 (attached hereto and incorporated herein) contains certain information pertaining to the D0600 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11892. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0600 Road solely as it crosses United States public land as included and specifically described in Exhibit 962. The D0600 Road includes the segment of road specifically set forth in Exhibit 962 and as exists on the ground.

Acceptance of the D0600 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11893. The D0600 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11894. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0600 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11895. The appearance of the D0600 Road on the Hatch Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the

existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information

11896. The County confirmed its acceptance of the D0600 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0600 Road using public funds pursuant to the County's governmental right and authority

11897. Witnesses with personal knowledge of the history of the D0600 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11898. Currently known reputation in the community is that the D0600 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11899. Public motor vehicle use of the D0600 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11900. The D0600 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11901. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the D0600 Road.

11902. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0600 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0602 Road

11903. The D0602 Road is designated as county road number D0602 and SGID road identification number RD191179 and is more or less 1.32 miles long.

11904. Exhibit 963 (attached hereto and incorporated herein) contains certain information pertaining to the D0602 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11905. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0602 Road solely as it crosses United States public land as included and specifically described in Exhibit 963. The D0602 Road includes the segment of road specifically set forth in Exhibit 963 and as exists on the ground.

Acceptance of the D0602 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11906. The D0602 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11907. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0602 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11908. The D0602 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0602 Road pursuant to the County's governmental right and authority.

11909. Witnesses with personal knowledge of the history of the D0602 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11910. Currently known reputation in the community is that the D0602 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11911. Public motor vehicle use of the D0602 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11912. The D0602 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11913. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0602 Road.

11914. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0602 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0609 Road

11915. The D0609 Road is designated as county road number D0609 and SGID road identification number RD191185 and is more or less 4.53 miles long.

11916. Exhibit 964 (attached hereto and incorporated herein) contains certain information pertaining to the D0609 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11917. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0609 Road solely as it crosses United States public land as included and specifically described in Exhibit 964. The D0609 Road includes the segment of road specifically set forth in Exhibit 964 and as exists on the ground.

Acceptance of the D0609 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11918. The D0609 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11919. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0609 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11920. The D0609 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0609 Road pursuant to the County's governmental right and authority.

11921. Witnesses with personal knowledge of the history of the D0609 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11922. Currently known reputation in the community is that the D0609 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11923. Public motor vehicle use of the D0609 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11924. The D0609 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11925. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0609 Road.

11926. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0609 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0610 Road

11927. The D0610 Road is designated as county road number D0610 and SGID road identification number RD190612 and is more or less 5.58 miles long.

11928. Exhibit 965 (attached hereto and incorporated herein) contains certain information pertaining to the D0610 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11929. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0610 Road solely as it crosses United States public land as included and specifically described in Exhibit 965. The D0610 Road includes the segment of road specifically set forth in Exhibit 965 and as exists on the ground.

Acceptance of the D0610 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11930. The D0610 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11931. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0610 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11932. The appearance of the D0610 Road on the EightMile Rock (1954) and La Sal Junction (1954) USGS 7.5-minute quadrangle maps and the Hatch Point (1954) and La Sal Junction (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information

11933. The County confirmed its acceptance of the D0610 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0610 Road pursuant to the County's governmental right and authority.

11934. Witnesses with personal knowledge of the history of the D0610 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11935. Currently known reputation in the community is that the D0610 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11936. Public motor vehicle use of the D0610 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11937. The D0610 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11938. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0610 Road.

11939. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0610 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0611 Road

11940. The D0611 Road is designated as county road number D0611 and SGID road identification number RD191186 and is more or less .98 miles long.

11941. Exhibit 966 (attached hereto and incorporated herein) contains certain information pertaining to the D0611 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11942. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0611 Road solely as it crosses United States public land as included and specifically described in Exhibit 966. The D0611 Road includes the segment of road specifically set forth in Exhibit 966 and as exists on the ground.

Acceptance of the D0611 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11943. The D0611 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11944. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0611 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11945. The D0611 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0611 Road pursuant to the County's governmental right and authority.

11946. Witnesses with personal knowledge of the history of the D0611 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11947. Currently known reputation in the community is that the D0611 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11948. Public motor vehicle use of the D0611 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11949. The D0611 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11950. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0611 Road.

11951. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0611 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0612 Road

11952. The D0612 Road is designated as county road number D0612 and SGID road identification number RD191187 and is more or less 1.52 miles long.

11953. Exhibit 967 (attached hereto and incorporated herein) contains certain information pertaining to the D0612 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11954. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0612 Road solely as it crosses United States public land as included and specifically described in Exhibit 967. The D0612 Road includes the segment of road specifically set forth in Exhibit 967 and as exists on the ground.

Acceptance of the D0612 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11955. The D0612 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11956. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0612 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11957. The appearance of the D0612 Road on the EightMile Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information

11958. The D0612 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0612 Road pursuant to the County's governmental right and authority.

11959. Witnesses with personal knowledge of the history of the D0612 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11960. Currently known reputation in the community is that the D0612 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11961. Public motor vehicle use of the D0612 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

11962. The D0612 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11963. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0612 Road.

11964. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0612 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0613 Road

11965. The D0613 Road is designated as county road number D0613 and SGID road identification number RD191188 and is more or less .98 miles long.

11966. Exhibit 968 (attached hereto and incorporated herein) contains certain information pertaining to the D0613 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11967. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0613 Road solely as it crosses United States public land as included and specifically described in Exhibit 968. The D0613 Road includes the segment of road specifically set forth in Exhibit 968 and as exists on the ground.

Acceptance of the D0613 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11968. The D0613 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11969. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0613 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11970. The D0613 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0613 Road pursuant to the County's governmental right and authority.

11971. Witnesses with personal knowledge of the history of the D0613 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11972. Currently known reputation in the community is that the D0613 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11973. Public motor vehicle use of the D0613 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11974. The D0613 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11975. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0613 Road.

11976. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0613 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0614 Road

11977. The D0614 Road is designated as county road number D0614 and SGID road identification number RD191189 and is more or less 10.77 miles long.

11978. Exhibit 969 (attached hereto and incorporated herein) contains certain information pertaining to the D0614 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11979. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0614 Road solely as it crosses United States public land as included and specifically described in Exhibit 969. The D0614 Road includes the segment of road specifically set forth in Exhibit 969 and as exists on the ground.

Acceptance of the D0614 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11980. The D0614 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11981. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0614 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11982. The appearance of the D0614 Road on the EightMile Rock (1954) and Trough Springs Canyon (1954) USGS 7.5-minute quadrangle maps and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information

11983. The D0614 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0614 Road pursuant to the County's governmental right and authority.

11984. Witnesses with personal knowledge of the history of the D0614 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11985. Currently known reputation in the community is that the D0614 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11986. Public motor vehicle use of the D0614 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11987. The D0614 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11988. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0614 Road.

11989. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0614 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0615 Road

11990. The D0615 Road is designated as county road number D0615 and SGID road identification number RD190613 and is more or less 3.84 miles long.

11991. Exhibit 970 (attached hereto and incorporated herein) contains certain information pertaining to the D0615 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11992. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0615 Road solely as it crosses United States public land as included and

specifically described in Exhibit 970. The D0615 Road includes the segment of road specifically set forth in Exhibit 970 and as exists on the ground.

Acceptance of the D0615 Road R.S. 2477 Right-of-way Prior to October 21, 1976

11993. The D0615 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11994. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0615 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11995. The appearance of the D0615 Road on the EightMile Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information

11996. The County confirmed its acceptance of the D0615 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0615 Road pursuant to the County's governmental right and authority.

11997. Witnesses with personal knowledge of the history of the D0615 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11998. Currently known reputation in the community is that the D0615 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11999. Public motor vehicle use of the D0615 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12000. The D0615 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12001. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0615 Road.

12002. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0615 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0616 Road

12003. The D0616 Road is designated as county road number D0616 and SGID road identification number RD190614 and is more or less 4.04 miles long.

12004. Exhibit 971 (attached hereto and incorporated herein) contains certain information pertaining to the D0616 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

12005. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0616 Road solely as it crosses United States public land as included and specifically described in Exhibit 971. The D0616 Road includes the segment of road specifically set forth in Exhibit 971 and as exists on the ground.

Acceptance of the D0616 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12006. The D0616 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12007. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0616 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12008. The appearance of the D0616 Road on the EightMile Rock (1954) and the La Sal Junction (1954) USGS 7.5-minute quadrangle maps and the Hatch Point (1954) and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information

12009. The County confirmed its acceptance of the D0616 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0616 Road pursuant to the County's governmental right and authority.

12010. Witnesses with personal knowledge of the history of the D0616 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12011. Currently known reputation in the community is that the D0616 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12012. Public motor vehicle use of the D0616 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12013. The D0616 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12014. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0616 Road.

12015. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0616 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0617 Road

12016. The D0617 Road is designated as county road number D0617 and SGID road identification number RD191190 and is more or less .68 miles long.

12017. Exhibit 972 (attached hereto and incorporated herein) contains certain information pertaining to the D0617 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12018. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0617 Road solely as it crosses United States public land as included and specifically described in Exhibit 972. The D0617 Road includes the segment of road specifically set forth in Exhibit 972 and as exists on the ground.

Acceptance of the D0617 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12019. The D0617 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12020. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0617 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12021. The D0617 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0617 Road pursuant to the County's governmental right and authority.

12022. Witnesses with personal knowledge of the history of the D0617 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12023. Currently known reputation in the community is that the D0617 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12024. Public motor vehicle use of the D0617 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12025. The D0617 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12026. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0617 Road.

12027. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0617 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0620 Road

12028. The D0620 Road is designated as county road number D0620 and SGID road identification number RD191192 and is more or less .80 miles long.

12029. Exhibit 973 (attached hereto and incorporated herein) contains certain information pertaining to the D0620 Road including: a map depicting the road; township, range and section

references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12030. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0620 Road solely as it crosses United States public land as included and specifically described in Exhibit 973. The D0620 Road includes the segment of road specifically set forth in Exhibit 973 and as exists on the ground.

Acceptance of the D0620 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12031. The D0620 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12032. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0620 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12033. The D0620 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0620 Road pursuant to the County's governmental right and authority.

12034. Witnesses with personal knowledge of the history of the D0620 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12035. Currently known reputation in the community is that the D0620 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12036. Public motor vehicle use of the D0620 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12037. The D0620 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12038. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0620 Road.

12039. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0620 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0621 Road

12040. The D0621 Road is designated as county road number D0621 and SGID road identification number RD190615 and is more or less 11.68 miles long.

12041. Exhibit 974 (attached hereto and incorporated herein) contains certain information pertaining to the D0621 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12042. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0621 Road solely as it crosses United States public land as included and specifically described in Exhibit 974. The D0621 Road includes the segment of road specifically set forth in Exhibit 974 and as exists on the ground.

Acceptance of the D0621 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12043. The D0621 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12044. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0621 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12045. The appearance of the D0621 Road on the EightMile Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information

12046. The County confirmed its acceptance of the D0621 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0621 Road pursuant to the County's governmental right and authority.

12047. Witnesses with personal knowledge of the history of the D0621 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12048. Currently known reputation in the community is that the D0621 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12049. Public motor vehicle use of the D0621 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12050. The D0621 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12051. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0621 Road.

12052. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0621 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0624 Road

12053. The D0624 Road is designated as county road number D0624 and SGID road identification number RD190616 and is more or less 5.37 miles long.

12054. Exhibit 975 (attached hereto and incorporated herein) contains certain information

pertaining to the D0624 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12055. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0624 Road solely as it crosses United States public land as included and specifically described in Exhibit 975. The D0624 Road includes the segment of road specifically set forth in Exhibit 975 and as exists on the ground.

Acceptance of the D0624 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12056. The D0624 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12057. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0624 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12058. The D0624 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0624 Road pursuant to the County's governmental right and authority.

12059. Witnesses with personal knowledge of the history of the D0624 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12060. Currently known reputation in the community is that the D0624 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12061. Public motor vehicle use of the D0624 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12062. The D0624 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12063. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0624 Road.

12064. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0624 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0625 Road

12065. The D0625 Road is designated as county road number D0625 and SGID road identification number RD191194 and is more or less 2.81 miles long.

12066. Exhibit 976 (attached hereto and incorporated herein) contains certain information pertaining to the D0625 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

12067. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0625 Road solely as it crosses United States public land as included and specifically described in Exhibit 976. The D0625 Road includes the segment of road specifically set forth in Exhibit 976 and as exists on the ground.

Acceptance of the D0625 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12068. The D0625 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12069. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0625 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12070. The appearance of the D0625 Road on the EightMile Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information

12071. The D0625 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0625 Road pursuant to the County's governmental right and authority.

12072. Witnesses with personal knowledge of the history of the D0625 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12073. Currently known reputation in the community is that the D0625 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12074. Public motor vehicle use of the D0625 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12075. The D0625 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12076. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0625 Road.

12077. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0625 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0627 Road

12078. The D0627 Road is designated as county road number D0627 and SGID road identification number RD191195 and is more or less 2.5 miles long.

12079. Exhibit 977 (attached hereto and incorporated herein) contains certain information

pertaining to the D0627 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12080. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0627 Road solely as it crosses United States public land as included and specifically described in Exhibit 977. The D0627 Road includes the segment of road specifically set forth in Exhibit 977 and as exists on the ground.

Acceptance of the D0627 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12081. The D0627 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12082. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0627 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12083. The D0627 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0627 Road pursuant to the County's governmental right and authority.

12084. Witnesses with personal knowledge of the history of the D0627 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12085. Currently known reputation in the community is that the D0627 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12086. Public motor vehicle use of the D0627 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12087. The D0627 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12088. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0627 Road.

12089. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0627 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0628 Road

12090. The D0628 Road is designated as county road number D0628 and SGID road identification number RD191196 and is more or less 4.09 miles long.

12091. Exhibit 978 (attached hereto and incorporated herein) contains certain information pertaining to the D0628 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a

complete centerline description of the road.

12092. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0628 Road solely as it crosses United States public land as included and specifically described in Exhibit 978. The D0628 Road includes the segment of road specifically set forth in Exhibit 978 and as exists on the ground.

Acceptance of the D0628 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12093. The D0628 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12094. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0628 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12095. The D0628 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0628 Road pursuant to the County's governmental right and authority.

12096. Witnesses with personal knowledge of the history of the D0628 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12097. Currently known reputation in the community is that the D0628 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

12098. Public motor vehicle use of the D0628 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12099. The D0628 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12100. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0628 Road.

12101. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0628 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0632 Road

12102. The D0632 Road is designated as county road number D0632 and SGID road identification number RD191199 and is more or less 4.39 miles long.

12103. Exhibit 979 (attached hereto and incorporated herein) contains certain information pertaining to the D0632 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12104. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D0632 Road solely as it crosses United States public land as included and specifically described in Exhibit 979. The D0632 Road includes the segment of road specifically set forth in Exhibit 979 and as exists on the ground.

Acceptance of the D0632 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12105. The D0632 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12106. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0632 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12107. The D0632 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0632 Road pursuant to the County's governmental right and authority.

12108. Witnesses with personal knowledge of the history of the D0632 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12109. Currently known reputation in the community is that the D0632 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12110. Public motor vehicle use of the D0632 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12111. The D0632 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12112. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0632 Road.

12113. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0632 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0633 Road

12114. The D0633 Road is designated as county road number D0633 and SGID road identification number RD191200 and is more or less 1.74 miles long.

12115. Exhibit 980 (attached hereto and incorporated herein) contains certain information pertaining to the D0633 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12116. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0633 Road solely as it crosses United States public land as included and specifically described in Exhibit 980. The D0633 Road includes the segment of road specifically

set forth in Exhibit 980 and as exists on the ground.

Acceptance of the D0633 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12117. The D0633 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12118. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0633 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12119. The D0633 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0633 Road pursuant to the County's governmental right and authority.

12120. Witnesses with personal knowledge of the history of the D0633 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12121. Currently known reputation in the community is that the D0633 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12122. Public motor vehicle use of the D0633 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

12123. The D0633 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12124. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0633 Road.

12125. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0633 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0634 Road

12126. The D0634 Road is designated as county road number D0634 and SGID road identification number RD191201 and is more or less 1.9 miles long.

12127. Exhibit 981 (attached hereto and incorporated herein) contains certain information pertaining to the D0634 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12128. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0634 Road solely as it crosses United States public land as included and specifically described in Exhibit 981. The D0634 Road includes the segment of road specifically set forth in Exhibit 981 and as exists on the ground.

Acceptance of the D0634 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12129. The D0634 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12130. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0634 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12131. The D0634 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0634 Road pursuant to the County's governmental right and authority.

12132. Witnesses with personal knowledge of the history of the D0634 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12133. Currently known reputation in the community is that the D0634 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12134. Public motor vehicle use of the D0634 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12135. The D0634 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12136. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0634 Road.

12137. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0634 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0635 Road

12138. The D0635 Road is designated as county road number D0635 and SGID road identification number RD191202 and is more or less 2.05 miles long.

12139. Exhibit 982 (attached hereto and incorporated herein) contains certain information pertaining to the D0635 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12140. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0635 Road solely as it crosses United States public land as included and specifically described in Exhibit 982. The D0635 Road includes the segment of road specifically set forth in Exhibit 982 and as exists on the ground.

Acceptance of the D0635 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12141. The D0635 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12142. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0635 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12143. The D0635 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0635 Road pursuant to the County's governmental right and authority.

12144. Witnesses with personal knowledge of the history of the D0635 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12145. Currently known reputation in the community is that the D0635 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12146. Public motor vehicle use of the D0635 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12147. The D0635 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12148. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0635 Road.

12149. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0635 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0661 Road

12150. The D0661 Road is designated as county road number D0661 and SGID road identification number RD191220 and is more or less 4.03 miles long.

12151. Exhibit 983 (attached hereto and incorporated herein) contains certain information pertaining to the D0661 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12152. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0661 Road solely as it crosses United States public land as included and specifically described in Exhibit 983. The D0661 Road includes the segment of road specifically set forth in Exhibit 983 and as exists on the ground.

Acceptance of the D0661 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12153. The D0661 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12154. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0661 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12155. The D0661 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0661 Road pursuant to the County's governmental right and authority.

12156. Witnesses with personal knowledge of the history of the D0661 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12157. Currently known reputation in the community is that the D0661 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12158. Public motor vehicle use of the D0661 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12159. The D0661 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12160. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0661 Road.

12161. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0661 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0662 Road

12162. The D0662 Road is designated as county road number D0662 and SGID road identification number RD191221and is more or less 1.99 miles long.

12163. Exhibit 984 (attached hereto and incorporated herein) contains certain information pertaining to the D0662 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12164. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0662 Road solely as it crosses United States public land as included and specifically described in Exhibit 984. The D0662 Road includes the segment of road specifically set forth in Exhibit 984 and as exists on the ground.

Acceptance of the D0662 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12165. The D0662 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12166. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0662 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12167. The D0662 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0662 Road pursuant to the County's governmental right and authority.

12168. Witnesses with personal knowledge of the history of the D0662 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12169. Currently known reputation in the community is that the D0662 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12170. Public motor vehicle use of the D0662 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12171. The D0662 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12172. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0662 Road.

12173. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0662 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0988 Road

12174. The D0988 Road is designated as county road number D0988 and SGID road identification number RD191447 and is more or less .57 miles long.

12175. Exhibit 985 (attached hereto and incorporated herein) contains certain information pertaining to the D0988 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12176. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0988 Road solely as it crosses United States public land as included and specifically described in Exhibit 985. The D0988 Road includes the segment of road specifically set forth in Exhibit 985 and as exists on the ground.

Acceptance of the D0988 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12177. The D0988 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12178. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0988 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12179. The D0988 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0988 Road pursuant to the County's governmental right and authority.

12180. Witnesses with personal knowledge of the history of the D0988 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12181. Currently known reputation in the community is that the D0988 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12182. Public motor vehicle use of the D0988 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12183. The D0988 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12184. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0988 Road.

12185. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0988 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1172 Road

12186. The D1172 Road is designated as county road number D1172 and SGID road identification number RD191531 and is more or less .44 miles long.

12187. Exhibit 986 (attached hereto and incorporated herein) contains certain information pertaining to the D1172 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12188. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1172 Road solely as it crosses United States public land as included and specifically described in Exhibit 986. The D1172 Road includes the segment of road specifically set forth in Exhibit 986 and as exists on the ground.

Acceptance of the D1172 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12189. The D1172 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12190. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1172 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12191. The D1172 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1172 Road pursuant to the County's governmental right and authority.

12192. Witnesses with personal knowledge of the history of the D1172 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12193. Currently known reputation in the community is that the D1172 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12194. Public motor vehicle use of the D1172 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12195. The D1172 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12196. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1172 Road.

12197. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1172 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1422 Road

12198. The D1422 Road is designated as county road number D1422 and SGID road identification number RD191639 and is more or less 1.33 miles long.

12199. Exhibit 987 (attached hereto and incorporated herein) contains certain information pertaining to the D1422 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12200. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1422 Road solely as it crosses United States public land as included and specifically described in Exhibit 987. The D1422 Road includes the segment of road specifically set forth in Exhibit 987 and as exists on the ground.

Acceptance of the D1422 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12201. The D1422 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12202. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1422 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12203. The D1422 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1422 Road pursuant to the County's governmental right and authority.

12204. Witnesses with personal knowledge of the history of the D1422 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12205. Currently known reputation in the community is that the D1422 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12206. Public motor vehicle use of the D1422 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12207. The D1422 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12208. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1422 Road.

12209. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1422 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1425 Road

12210. The D1425 Road is designated as county road number D1425 and SGID road identification number RD191640 and is more or less .51 miles long.

12211. Exhibit 988 (attached hereto and incorporated herein) contains certain information pertaining to the D1425 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12212. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1425 Road solely as it crosses United States public land as included and specifically described in Exhibit 988. The D1425 Road includes the segment of road specifically set forth in Exhibit 988 and as exists on the ground.

Acceptance of the D1425 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12213. The D1425 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12214. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1425 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12215. The D1425 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1425 Road pursuant to the County's governmental right and authority.

12216. Witnesses with personal knowledge of the history of the D1425 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12217. Currently known reputation in the community is that the D1425 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12218. Public motor vehicle use of the D1425 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12219. The D1425 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12220. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1425 Road.

12221. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1425 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1428 Road

12222. The D1428 Road is designated as county road number D1428 and SGID road identification number RD191641 and is more or less 1.6 miles long.

12223. Exhibit 989 (attached hereto and incorporated herein) contains certain information pertaining to the D1428 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12224. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1428 Road solely as it crosses United States public land as included and specifically described in Exhibit 989. The D1428 Road includes the segment of road specifically set forth in Exhibit 989 and as exists on the ground.

Acceptance of the D1428 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12225. The D1428 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12226. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1428 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12227. The D1428 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1428 Road pursuant to the County's governmental right and authority.

12228. Witnesses with personal knowledge of the history of the D1428 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12229. Currently known reputation in the community is that the D1428 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12230. Public motor vehicle use of the D1428 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12231. The D1428 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12232. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1428 Road.

12233. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1428 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1429 Road

12234. The D1429 Road is designated as county road number D1429 and SGID road identification number RD191642 and is more or less 2.21 miles long.

12235. Exhibit 990 (attached hereto and incorporated herein) contains certain information pertaining to the D1429 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12236. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1429 Road solely as it crosses United States public land as included and specifically described in Exhibit 990. The D1429 Road includes the segment of road specifically set forth in Exhibit 990 and as exists on the ground.

Acceptance of the D1429 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12237. The D1429 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12238. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1429 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12239. The D1429 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1429 Road pursuant to the County's governmental right and authority.

12240. Witnesses with personal knowledge of the history of the D1429 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12241. Currently known reputation in the community is that the D1429 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12242. Public motor vehicle use of the D1429 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12243. The D1429 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12244. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1429 Road.

12245. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1429 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1481 Road

12246. The D1481 Road is designated as county road number D1481 and SGID road identification number RD191666 and is more or less 1.96 miles long.

12247. Exhibit 991 (attached hereto and incorporated herein) contains certain information pertaining to the D1481 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12248. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1481 Road solely as it crosses United States public land as included and specifically described in Exhibit 991. The D1481 Road includes the segment of road specifically set forth in Exhibit 991 and as exists on the ground.

Acceptance of the D1481 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12249. The D1481 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12250. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1481 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12251. The D1481 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1481 Road pursuant to the County's governmental right and authority.

12252. Witnesses with personal knowledge of the history of the D1481 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12253. Currently known reputation in the community is that the D1481 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12254. Public motor vehicle use of the D1481 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12255. The D1481 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12256. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1481 Road.

12257. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1481 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1482 Road

12258. The D1482 Road is designated as county road number D1482 and SGID road identification number RD191667 and is more or less .91 miles long.

12259. Exhibit 992 (attached hereto and incorporated herein) contains certain information pertaining to the D1482 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12260. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1482 Road solely as it crosses United States public land as included and specifically described in Exhibit 992. The D1482 Road includes the segment of road specifically set forth in Exhibit 992 and as exists on the ground.

Acceptance of the D1482 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12261. The D1482 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12262. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1482 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12263. The D1482 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1482 Road pursuant to the County's governmental right and authority.

12264. Witnesses with personal knowledge of the history of the D1482 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12265. Currently known reputation in the community is that the D1482 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12266. Public motor vehicle use of the D1482 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12267. The D1482 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12268. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1482 Road.

12269. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1482 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1506 Road

12270. The D1506 Road is designated as county road number D1506 and SGID road identification number RD191679 and is more or less 2.35 miles long.

12271. Exhibit 993 (attached hereto and incorporated herein) contains certain information pertaining to the D1506 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12272. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1506 Road solely as it crosses United States public land as included and specifically described in Exhibit 993. The D1506 Road includes the segment of road specifically set forth in Exhibit 993 and as exists on the ground.

Acceptance of the D1506 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12273. The D1506 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12274. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1506 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12275. The D1506 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1506 Road pursuant to the County's governmental right and authority.

12276. Witnesses with personal knowledge of the history of the D1506 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12277. Currently known reputation in the community is that the D1506 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12278. Public motor vehicle use of the D1506 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12279. The D1506 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12280. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1506 Road.

12281. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1506 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1508 Road

12282. The D1508 Road is designated as county road number D1508 and SGID road identification number RD191680 and is more or less .57 miles long.

12283. Exhibit 994 (attached hereto and incorporated herein) contains certain information pertaining to the D1508 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12284. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1508 Road solely as it crosses United States public land as included and specifically described in Exhibit 994. The D1508 Road includes the segment of road specifically set forth in Exhibit 994 and as exists on the ground.

Acceptance of the D1508 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12285. The D1508 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12286. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1508 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12287. The D1508 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1508 Road pursuant to the County's governmental right and authority.

12288. Witnesses with personal knowledge of the history of the D1508 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12289. Currently known reputation in the community is that the D1508 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12290. Public motor vehicle use of the D1508 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12291. The D1508 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12292. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1508 Road.

12293. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1508 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1510 Road

12294. The D1510 Road is designated as county road number D1510 and SGID road identification number RD191682 and is more or less .43 miles long.

12295. Exhibit 995 (attached hereto and incorporated herein) contains certain information pertaining to the D1510 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12296. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1510 Road solely as it crosses United States public land as included and specifically described in Exhibit 995. The D1510 Road includes the segment of road specifically set forth in Exhibit 995 and as exists on the ground.

Acceptance of the D1510 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12297. The D1510 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12298. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1510 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12299. The D1510 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1510 Road pursuant to the County's governmental right and authority.

12300. Witnesses with personal knowledge of the history of the D1510 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12301. Currently known reputation in the community is that the D1510 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12302. Public motor vehicle use of the D1510 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12303. The D1510 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12304. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1510 Road.

12305. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1510 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1513 Road

12306. The D1513 Road is designated as county road number D1513 and SGID road identification number RD191683 and is more or less 1.29 miles long.

12307. Exhibit 996 (attached hereto and incorporated herein) contains certain information pertaining to the D1513 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12308. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1513 Road solely as it crosses United States public land as included and specifically described in Exhibit 996. The D1513 Road includes the segment of road specifically set forth in Exhibit 996 and as exists on the ground.

Acceptance of the D1513 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12309. The D1513 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12310. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1513 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12311. The D1513 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1513 Road pursuant to the County's governmental right and authority.

12312. Witnesses with personal knowledge of the history of the D1513 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12313. Currently known reputation in the community is that the D1513 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12314. Public motor vehicle use of the D1513 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12315. The D1513 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12316. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1513 Road.

12317. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1513 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1514 Road

12318. The D1514 Road is designated as county road number D1514 and SGID road identification number RD191684 and is more or less 2.02 miles long.

12319. Exhibit 997 (attached hereto and incorporated herein) contains certain information pertaining to the D1514 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12320. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1514 Road solely as it crosses United States public land as included and specifically described in Exhibit 997. The D1514 Road includes the segment of road specifically set forth in Exhibit 997 and as exists on the ground.

Acceptance of the D1514 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12321. The D1514 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12322. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1514 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12323. The D1514 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1514 Road pursuant to the County's governmental right and authority.

12324. Witnesses with personal knowledge of the history of the D1514 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12325. Currently known reputation in the community is that the D1514 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12326. Public motor vehicle use of the D1514 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12327. The D1514 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12328. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1514 Road.

12329. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1514 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1515 Road

12330. The D1515 Road is designated as county road number D1515 and SGID road identification number RD190665 and is more or less 5.01 miles long.

12331. Exhibit 998 (attached hereto and incorporated herein) contains certain information pertaining to the D1515 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12332. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1515 Road solely as it crosses United States public land as included and specifically described in Exhibit 998. The D1515 Road includes the segment of road specifically set forth in Exhibit 998 and as exists on the ground.

Acceptance of the D1515 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12333. The D1515 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12334. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1515 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12335. The D1515 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1515 Road pursuant to the County's governmental right and authority.

12336. Witnesses with personal knowledge of the history of the D1515 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12337. Currently known reputation in the community is that the D1515 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12338. Public motor vehicle use of the D1515 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12339. The D1515 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12340. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1515 Road.

12341. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1515 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1516 Road

12342. The D1516 Road is designated as county road number D1516 and SGID road identification number RD190666 and is more or less 1.94 miles long.

12343. Exhibit 999 (attached hereto and incorporated herein) contains certain information pertaining to the D1516 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12344. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1516 Road solely as it crosses United States public land as included and specifically described in Exhibit 999. The D1516 Road includes the segment of road specifically set forth in Exhibit 999 and as exists on the ground.

Acceptance of the D1516 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12345. The D1516 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12346. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1516 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12347. The D1516 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1516 Road pursuant to the County's governmental right and authority.

12348. Witnesses with personal knowledge of the history of the D1516 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12349. Currently known reputation in the community is that the D1516 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12350. Public motor vehicle use of the D1516 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12351. The D1516 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12352. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1516 Road.

12353. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1516 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1527 Road

12354. The D1527 Road is designated as county road number D1527 and SGID road identification number RD191687 and is more or less .66 miles long.

12355. Exhibit 1000 (attached hereto and incorporated herein) contains certain information pertaining to the D1527 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12356. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1527 Road solely as it crosses United States public land as included and specifically described in Exhibit 1000. The D1527 Road includes the segment of road specifically set forth in Exhibit 1000 and as exists on the ground.

Acceptance of the D1527 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12357. The D1527 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12358. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1527 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12359. The D1527 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1527 Road pursuant to the County's governmental right and authority.

12360. Witnesses with personal knowledge of the history of the D1527 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12361. Currently known reputation in the community is that the D1527 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12362. Public motor vehicle use of the D1527 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12363. The D1527 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12364. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1527 Road.

12365. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1527 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1528 Road

12366. The D1528 Road is designated as county road number D1528 and SGID road identification number RD191688 and is more or less 1.55 miles long.

12367. Exhibit 1001 (attached hereto and incorporated herein) contains certain information pertaining to the D1528 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12368. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1528 Road solely as it crosses United States public land as included and specifically described in Exhibit 1001. The D1528 Road includes the segment of road specifically set forth in Exhibit 1001 and as exists on the ground.

Acceptance of the D1528 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12369. The D1528 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12370. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1528 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12371. The D1528 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1528 Road pursuant to the County's governmental right and authority.

12372. Witnesses with personal knowledge of the history of the D1528 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12373. Currently known reputation in the community is that the D1528 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12374. Public motor vehicle use of the D1528 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12375. The D1528 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12376. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1528 Road.

12377. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1528 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1536 Road

12378. The D1536 Road is designated as county road number D1536 and SGID road identification number RD191690 and is more or less 2.57 miles long.

12379. Exhibit 1002 (attached hereto and incorporated herein) contains certain information pertaining to the D1536 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12380. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1536 Road solely as it crosses United States public land as included and specifically described in Exhibit 1002. The D1536 Road includes the segment of road specifically set forth in Exhibit 1002 and as exists on the ground.

Acceptance of the D1536 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12381. The D1536 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12382. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1536 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12383. The D1536 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1536 Road pursuant to the County's governmental right and authority.

12384. Witnesses with personal knowledge of the history of the D1536 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12385. Currently known reputation in the community is that the D1536 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12386. Public motor vehicle use of the D1536 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12387. The D1536 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12388. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1536 Road.

12389. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1536 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1546 Road

12390. The D1546 Road is designated as county road number D1546 and SGID road identification number RD191695 and is more or less 3.1 miles long.

12391. Exhibit 1003 (attached hereto and incorporated herein) contains certain information pertaining to the D1546 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12392. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1546 Road solely as it crosses United States public land as included and specifically described in Exhibit 1003. The D1546 Road includes the segment of road specifically set forth in Exhibit 1003 and as exists on the ground.

Acceptance of the D1546 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12393. The D1546 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12394. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1546 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12395. The D1546 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1546 Road pursuant to the County's governmental right and authority.

12396. Witnesses with personal knowledge of the history of the D1546 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12397. Currently known reputation in the community is that the D1546 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12398. Public motor vehicle use of the D1546 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12399. The D1546 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12400. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1546 Road.

12401. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1546 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1548 Road

12402. The D1548 Road is designated as county road number D1548 and SGID road identification number RD191696 and is more or less .25 miles long.

12403. Exhibit 1004 (attached hereto and incorporated herein) contains certain information pertaining to the D1548 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12404. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1548 Road solely as it crosses United States public land as included and specifically described in Exhibit 1004. The D1548 Road includes the segment of road specifically set forth in Exhibit 1004 and as exists on the ground.

Acceptance of the D1548 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12405. The D1548 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12406. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1548 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12407. The D1548 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1548 Road pursuant to the County's governmental right and authority.

12408. Witnesses with personal knowledge of the history of the D1548 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12409. Currently known reputation in the community is that the D1548 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12410. Public motor vehicle use of the D1548 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12411. The D1548 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12412. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1548 Road.

12413. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1548 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1552 Road

12414. The D1552 Road is designated as county road number D1552 and SGID road identification number RD191699 and is more or less .88 miles long.

12415. Exhibit 1005 (attached hereto and incorporated herein) contains certain information pertaining to the D1552 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12416. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1552 Road solely as it crosses United States public land as included and specifically described in Exhibit 1005. The D1552 Road includes the segment of road specifically set forth in Exhibit 1005 and as exists on the ground.

Acceptance of the D1552 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12417. The D1552 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12418. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1552 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12419. The D1552 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1552 Road pursuant to the County's governmental right and authority.

12420. Witnesses with personal knowledge of the history of the D1552 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12421. Currently known reputation in the community is that the D1552 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12422. Public motor vehicle use of the D1552 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12423. The D1552 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12424. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1552 Road.

12425. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1552 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1553 Road

12426. The D1553 Road is designated as county road number D1553 and SGID road identification number RD191700 and is more or less 3.64 miles long.

12427. Exhibit 1006 (attached hereto and incorporated herein) contains certain information pertaining to the D1553 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12428. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1553 Road solely as it crosses United States public land as included and specifically described in Exhibit 1006. The D1553 Road includes the segment of road specifically set forth in Exhibit 1006 and as exists on the ground.

Acceptance of the D1553 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12429. The D1553 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12430. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1553 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12431. The D1553 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1553 Road pursuant to the County's governmental right and authority.

12432. Witnesses with personal knowledge of the history of the D1553 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12433. Currently known reputation in the community is that the D1553 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12434. Public motor vehicle use of the D1553 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12435. The D1553 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12436. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1553 Road.

12437. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1553 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1557 Road

12438. The D1557 Road is designated as county road number D1557 and SGID road identification number RD191702 and is more or less .63 miles long.

12439. Exhibit 1007 (attached hereto and incorporated herein) contains certain information pertaining to the D1557 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12440. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1557 Road solely as it crosses United States public land as included and specifically described in Exhibit 1007. The D1557 Road includes the segment of road specifically set forth in Exhibit 1007 and as exists on the ground.

Acceptance of the D1557 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12441. The D1557 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12442. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1557 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12443. The D1557 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1557 Road pursuant to the County's governmental right and authority.

12444. Witnesses with personal knowledge of the history of the D1557 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12445. Currently known reputation in the community is that the D1557 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12446. Public motor vehicle use of the D1557 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12447. The D1557 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12448. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1557 Road.

12449. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1557 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1558 Road

12450. The D1558 Road is designated as county road number D1558 and SGID road identification number RD191703 and is more or less 1.15 miles long.

12451. Exhibit 1008 (attached hereto and incorporated herein) contains certain information pertaining to the D1558 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12452. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1558 Road solely as it crosses United States public land as included and specifically described in Exhibit 1008. The D1558 Road includes the segment of road specifically set forth in Exhibit 1008 and as exists on the ground.

Acceptance of the D1558 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12453. The D1558 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12454. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1558 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12455. The D1558 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1558 Road pursuant to the County's governmental right and authority.

12456. Witnesses with personal knowledge of the history of the D1558 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12457. Currently known reputation in the community is that the D1558 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12458. Public motor vehicle use of the D1558 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12459. The D1558 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12460. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1558 Road.

12461. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1558 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1563 Road

12462. The D1563 Road is designated as county road number D1563 and SGID road identification number RD191704 and is more or less 2.52 miles long.

12463. Exhibit 1009 (attached hereto and incorporated herein) contains certain information pertaining to the D1563 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12464. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1563 Road solely as it crosses United States public land as included and specifically described in Exhibit 1009. The D1563 Road includes the segment of road specifically set forth in Exhibit 1009 and as exists on the ground.

Acceptance of the D1563 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12465. The D1563 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12466. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1563 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12467. The D1563 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1563 Road pursuant to the County's governmental right and authority.

12468. Witnesses with personal knowledge of the history of the D1563 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12469. Currently known reputation in the community is that the D1563 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12470. Public motor vehicle use of the D1563 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12471. The D1563 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12472. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1563 Road.

12473. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1563 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1564 Road

12474. The D1564 Road is designated as county road number D1564 and SGID road identification number RD191705 and is more or less 1.15 miles long.

12475. Exhibit 1010 (attached hereto and incorporated herein) contains certain information pertaining to the D1564 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12476. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1564 Road solely as it crosses United States public land as included and specifically described in Exhibit 1010. The D1564 Road includes the segment of road specifically set forth in Exhibit 1010 and as exists on the ground.

Acceptance of the D1564 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12477. The D1564 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12478. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1564 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12479. The D1564 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1564 Road pursuant to the County's governmental right and authority.

12480. Witnesses with personal knowledge of the history of the D1564 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12481. Currently known reputation in the community is that the D1564 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12482. Public motor vehicle use of the D1564 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12483. The D1564 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12484. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1564 Road.

12485. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1564 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1574 Road

12486. The D1574 Road is designated as county road number D1574 and SGID road identification number RD191710 and is more or less 1.01 miles long.

12487. Exhibit 1011 (attached hereto and incorporated herein) contains certain information pertaining to the D1574 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12488. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1574 Road solely as it crosses United States public land as included and specifically described in Exhibit 1011. The D1574 Road includes the segment of road specifically set forth in Exhibit 1011 and as exists on the ground.

Acceptance of the D1574 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12489. The D1574 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12490. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1574 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12491. The D1574 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1574 Road pursuant to the County's governmental right and authority.

12492. Witnesses with personal knowledge of the history of the D1574 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12493. Currently known reputation in the community is that the D1574 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12494. Public motor vehicle use of the D1574 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12495. The D1574 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12496. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1574 Road.

12497. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1574 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1578 Road

12498. The D1578 Road is designated as county road number D1578 and SGID road identification number RD191711 and is more or less .31 miles long.

12499. Exhibit 1012 (attached hereto and incorporated herein) contains certain information pertaining to the D1578 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12500. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1578 Road solely as it crosses United States public land as included and specifically described in Exhibit 1012. The D1578 Road includes the segment of road specifically set forth in Exhibit 1012 and as exists on the ground.

Acceptance of the D1578 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12501. The D1578 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12502. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1578 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12503. The D1578 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1578 Road pursuant to the County's governmental right and authority.

12504. Witnesses with personal knowledge of the history of the D1578 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12505. Currently known reputation in the community is that the D1578 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12506. Public motor vehicle use of the D1578 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12507. The D1578 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12508. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1578 Road.

12509. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1578 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1584 Road

12510. The D1584 Road is designated as county road number D1584 and SGID road identification number RD191715 and is more or less .38 miles long.

12511. Exhibit 1013 (attached hereto and incorporated herein) contains certain information pertaining to the D1584 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12512. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1584 Road solely as it crosses United States public land as included and specifically described in Exhibit 1013. The D1584 Road includes the segment of road specifically set forth in Exhibit 1013 and as exists on the ground.

Acceptance of the D1584 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12513. The D1584 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12514. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1584 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12515. The D1584 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1584 Road pursuant to the County's governmental right and authority.

12516. Witnesses with personal knowledge of the history of the D1584 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12517. Currently known reputation in the community is that the D1584 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12518. Public motor vehicle use of the D1584 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12519. The D1584 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12520. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1584 Road.

12521. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1584 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1585 Road

12522. The D1585 Road is designated as county road number D1585 and SGID road identification number RD191716 and is more or less .61 miles long.

12523. Exhibit 1014 (attached hereto and incorporated herein) contains certain information pertaining to the D1585 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12524. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1585 Road solely as it crosses United States public land as included and specifically described in Exhibit 1014. The D1585 Road includes the segment of road specifically set forth in Exhibit 1014 and as exists on the ground.

Acceptance of the D1585 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12525. The D1585 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12526. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1585 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12527. The D1585 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1585 Road pursuant to the County's governmental right and authority.

12528. Witnesses with personal knowledge of the history of the D1585 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12529. Currently known reputation in the community is that the D1585 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12530. Public motor vehicle use of the D1585 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12531. The D1585 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12532. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1585 Road.

12533. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1585 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1586 Road

12534. The D1586 Road is designated as county road number D1586 and SGID road identification number RD191717 and is more or less 1.11 miles long.

12535. Exhibit 1015 (attached hereto and incorporated herein) contains certain information pertaining to the D1586 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12536. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1586 Road solely as it crosses United States public land as included and specifically described in Exhibit 1015. The D1586 Road includes the segment of road specifically set forth in Exhibit 1015 and as exists on the ground.

Acceptance of the D1586 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12537. The D1586 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12538. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1586 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12539. The D1586 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1586 Road pursuant to the County's governmental right and authority.

12540. Witnesses with personal knowledge of the history of the D1586 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12541. Currently known reputation in the community is that the D1586 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12542. Public motor vehicle use of the D1586 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12543. The D1586 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12544. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1586 Road.

12545. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1586 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1772 Road

12546. The D1772 Road is designated as county road number D1772 and SGID road identification number RD190675 and is more or less 1.14 miles long.

12547. Exhibit 1016 (attached hereto and incorporated herein) contains certain information pertaining to the D1772 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12548. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1772 Road solely as it crosses United States public land as included and specifically described in Exhibit 1016. The D1772 Road includes the segment of road specifically set forth in Exhibit 1016 and as exists on the ground.

Acceptance of the D1772 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12549. The D1772 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12550. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1772 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12551. The D1772 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1772 Road pursuant to the County's governmental right and authority.

12552. Witnesses with personal knowledge of the history of the D1772 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12553. Currently known reputation in the community is that the D1772 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12554. Public motor vehicle use of the D1772 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12555. The D1772 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12556. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1772 Road.

12557. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1772 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1775 Road

12558. The D1775 Road, formerly known as D1775 Road (RD191805) and D2599 Road (RD192263), is designated as county road number D1775 and SGID road identification number RD191805 and is more or less 0.75 miles long.

12559. Exhibit 1017 (attached hereto and incorporated herein) contains certain information pertaining to the D1775 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12560. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1775 Road solely as it crosses United States public land as included and specifically described in Exhibit 1017. The D1775 Road includes the segment of road specifically set forth in Exhibit 1017 and as exists on the ground.

Acceptance of the D1775 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12561. The D1775 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12562. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1775 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12563. The D1775 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1775 Road pursuant to the County's governmental right and authority.

12564. Witnesses with personal knowledge of the history of the D1775 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12565. Currently known reputation in the community is that the D1775 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12566. Public motor vehicle use of the D1775 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12567. The D1775 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12568. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1775 Road.

12569. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1775 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1777 Road

12570. The D1777 Road is designated as county road number D1777 and SGID road identification number RD191806 and is more or less .61 miles long.

12571. Exhibit 1018 (attached hereto and incorporated herein) contains certain information pertaining to the D1777 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12572. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1777 Road solely as it crosses United States public land as included and specifically described in Exhibit 1018. The D1777 Road includes the segment of road specifically set forth in Exhibit 1018 and as exists on the ground.

Acceptance of the D1777 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12573. The D1777 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12574. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1777 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12575. The D1777 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1777 Road pursuant to the County's governmental right and authority.

12576. Witnesses with personal knowledge of the history of the D1777 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12577. Currently known reputation in the community is that the D1777 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12578. Public motor vehicle use of the D1777 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12579. The D1777 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12580. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1777 Road.

12581. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1777 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1781 Road

12582. The D1781 Road is designated as county road number D1781 and SGID road identification number RD191809 and is more or less .96 miles long.

12583. Exhibit 1019 (attached hereto and incorporated herein) contains certain information pertaining to the D1781 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12584. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1781 Road solely as it crosses United States public land as included and specifically described in Exhibit 1019. The D1781 Road includes the segment of road specifically set forth in Exhibit 1019 and as exists on the ground.

Acceptance of the D1781 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12585. The D1781 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12586. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1781 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12587. The D1781 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1781 Road pursuant to the County's governmental right and authority.

12588. Witnesses with personal knowledge of the history of the D1781 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12589. Currently known reputation in the community is that the D1781 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12590. Public motor vehicle use of the D1781 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12591. The D1781 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12592. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1781 Road.

12593. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1781 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1783 Road

12594. The D1783 Road is designated as county road number D1783 and SGID road identification number RD191811 and is more or less 2.47 miles long.

12595. Exhibit 1020 (attached hereto and incorporated herein) contains certain information pertaining to the D1783 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12596. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1783 Road solely as it crosses United States public land as included and specifically described in Exhibit 1020. The D1783 Road includes the segment of road specifically set forth in Exhibit 1020 and as exists on the ground.

Acceptance of the D1783 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12597. The D1783 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12598. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1783 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12599. The D1783 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1783 Road pursuant to the County's governmental right and authority.

12600. Witnesses with personal knowledge of the history of the D1783 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12601. Currently known reputation in the community is that the D1783 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12602. Public motor vehicle use of the D1783 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12603. The D1783 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12604. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1783 Road.

12605. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1783 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1784 Road

12606. The D1784 Road is designated as county road number D1784 and SGID road identification number RD191812 and is more or less .58 miles long.

12607. Exhibit 1021 (attached hereto and incorporated herein) contains certain information pertaining to the D1784 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12608. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1784 Road solely as it crosses United States public land as included and specifically described in Exhibit 1021. The D1784 Road includes the segment of road specifically set forth in Exhibit 1021 and as exists on the ground.

Acceptance of the D1784 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12609. The D1784 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12610. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1784 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12611. The D1784 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1784 Road pursuant to the County's governmental right and authority.

12612. Witnesses with personal knowledge of the history of the D1784 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12613. Currently known reputation in the community is that the D1784 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12614. Public motor vehicle use of the D1784 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12615. The D1784 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12616. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1784 Road.

12617. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1784 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2396 Road

12618. The D2396 Road is designated as county road number D2396 and SGID road identification number RD192176 and is more or less .23 miles long.

12619. Exhibit 1022 (attached hereto and incorporated herein) contains certain information pertaining to the D2396 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12620. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2396 Road solely as it crosses United States public land as included and specifically described in Exhibit 1022. The D2396 Road includes the segment of road specifically set forth in Exhibit 1022 and as exists on the ground.

Acceptance of the D2396 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12621. The D2396 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12622. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2396 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12623. The appearance of the D2396 Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information

12624. The D2396 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2396 Road pursuant to the County's governmental right and authority.

12625. Witnesses with personal knowledge of the history of the D2396 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12626. Currently known reputation in the community is that the D2396 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12627. Public motor vehicle use of the D2396 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12628. The D2396 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12629. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2396 Road.

12630. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2396 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2402 Road

12631. The D2402 Road is designated as county road number D2402 and SGID road identification number RD192178 and is more or less 2.08 miles long.

12632. Exhibit 1023 (attached hereto and incorporated herein) contains certain information pertaining to the D2402 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12633. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2402 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1023. The D2402 Road includes the segment of road specifically set forth in Exhibit 1023 and as exists on the ground.

Acceptance of the D2402 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12634. The D2402 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12635. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2402 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12636. The D2402 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2402 Road pursuant to the County's governmental right and authority.

12637. Witnesses with personal knowledge of the history of the D2402 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12638. Currently known reputation in the community is that the D2402 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12639. Public motor vehicle use of the D2402 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12640. The D2402 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12641. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2402 Road.

12642. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2402 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2406 Road

12643. The D2406 Road is designated as county road number D2406 and SGID road identification number RD192179 and is more or less .66 miles long.

12644. Exhibit 1024 (attached hereto and incorporated herein) contains certain information pertaining to the D2406 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12645. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2406 Road solely as it crosses United States public land as included and specifically described in Exhibit 1024. The D2406 Road includes the segment of road specifically set forth in Exhibit 1024 and as exists on the ground.

Acceptance of the D2406 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12646. The D2406 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12647. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2406 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12648. The appearance of the D2406 Road on the EightMile Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information

12649. The D2406 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2406 Road pursuant to the County's governmental right and authority.

12650. Witnesses with personal knowledge of the history of the D2406 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12651. Currently known reputation in the community is that the D2406 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12652. Public motor vehicle use of the D2406 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12653. The D2406 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12654. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2406 Road.

12655. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2406 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2408 Road

12656. The D2408 Road is designated as county road number D2408 and SGID road identification number RD192180 and is more or less .17 miles long.

12657. Exhibit 1025 (attached hereto and incorporated herein) contains certain information pertaining to the D2408 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12658. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2408 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1025. The D2408 Road includes the segment of road specifically set forth in Exhibit 1025 and as exists on the ground.

Acceptance of the D2408 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12659. The D2408 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12660. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2408 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12661. The D2408 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2408 Road pursuant to the County's governmental right and authority.

12662. Witnesses with personal knowledge of the history of the D2408 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12663. Currently known reputation in the community is that the D2408 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12664. Public motor vehicle use of the D2408 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12665. The D2408 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12666. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2408 Road.

12667. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2408 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2410 Road

12668. The D2410 Road is designated as county road number D2410 and SGID road identification number RD192182 and is more or less .60 miles long.

12669. Exhibit 1026 (attached hereto and incorporated herein) contains certain information pertaining to the D2410 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12670. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2410 Road solely as it crosses United States public land as included and specifically described in Exhibit 1026. The D2410 Road includes the segment of road specifically set forth in Exhibit 1026 and as exists on the ground.

Acceptance of the D2410 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12671. The D2410 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12672. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2410 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12673. The D2410 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2410 Road pursuant to the County's governmental right and authority.

12674. Witnesses with personal knowledge of the history of the D2410 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12675. Currently known reputation in the community is that the D2410 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12676. Public motor vehicle use of the D2410 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12677. The D2410 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12678. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2410 Road.

12679. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2410 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2417 Road

12680. The D2417 Road is designated as county road number D2417 and SGID road identification number RD192185 and is more or less 1.63 miles long.

12681. Exhibit 1027 (attached hereto and incorporated herein) contains certain information pertaining to the D2417 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12682. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2417 Road solely as it crosses United States public land as included and specifically described in Exhibit 1027. The D2417 Road includes the segment of road specifically set forth in Exhibit 1027 and as exists on the ground.

Acceptance of the D2417 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12683. The D2417 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12684. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2417 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12685. The D2417 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2417 Road pursuant to the County's governmental right and authority.

12686. Witnesses with personal knowledge of the history of the D2417 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12687. Currently known reputation in the community is that the D2417 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12688. Public motor vehicle use of the D2417 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12689. The D2417 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12690. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2417 Road.

12691. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2417 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2431 Road

12692. The D2431 Road is designated as county road number D2431 and SGID road identification number RD192188 and is more or less 1.26 miles long.

12693. Exhibit 1028 (attached hereto and incorporated herein) contains certain information pertaining to the D2431 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12694. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2431 Road solely as it crosses United States public land as included and specifically described in Exhibit 1028. The D2431 Road includes the segment of road specifically set forth in Exhibit 1028 and as exists on the ground.

Acceptance of the D2431 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12695. The D2431 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12696. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2431 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12697. The appearance of the D2431 Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information

12698. The County confirmed its acceptance of the D2431 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2431 Road pursuant to the County's governmental right and authority.

12699. Witnesses with personal knowledge of the history of the D2431 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12700. Currently known reputation in the community is that the D2431 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

12701. Public motor vehicle use of the D2431 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12702. The D2431 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12703. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2431 Road.

12704. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2431 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2435 Road

12705. The D2435 Road is designated as county road number D2435 and SGID road identification number RD192190 and is more or less .78 miles long.

12706. Exhibit 1029 (attached hereto and incorporated herein) contains certain information pertaining to the D2435 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12707. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D2435 Road solely as it crosses United States public land as included and specifically described in Exhibit 1029. The D2435 Road includes the segment of road specifically set forth in Exhibit 1029 and as exists on the ground.

Acceptance of the D2435 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12708. The D2435 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12709. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2435 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12710. The D2435 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2435 Road pursuant to the County's governmental right and authority.

12711. Witnesses with personal knowledge of the history of the D2435 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12712. Currently known reputation in the community is that the D2435 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12713. Public motor vehicle use of the D2435 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12714. The D2435 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12715. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2435 Road.

12716. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2435 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2436 Road

12717. The D2436 Road is designated as county road number D2436 and SGID road identification number RD192191 and is more or less .34 miles long.

12718. Exhibit 1030 (attached hereto and incorporated herein) contains certain information pertaining to the D2436 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12719. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2436 Road solely as it crosses United States public land as included and specifically described in Exhibit 1030. The D2436 Road includes the segment of road

specifically set forth in Exhibit 1030 and as exists on the ground.

Acceptance of the D2436 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12720. The D2436 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12721. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2436 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12722. The D2436 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2436 Road pursuant to the County's governmental right and authority.

12723. Witnesses with personal knowledge of the history of the D2436 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12724. Currently known reputation in the community is that the D2436 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12725. Public motor vehicle use of the D2436 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

12726. The D2436 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12727. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2436 Road.

12728. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2436 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2437 Road

12729. The D2437 Road is designated as county road number D2437 and SGID road identification number RD192192 and is more or less .69 miles long.

12730. Exhibit 1031 (attached hereto and incorporated herein) contains certain information pertaining to the D2437 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12731. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2437 Road solely as it crosses United States public land as included and specifically described in Exhibit 1031. The D2437 Road includes the segment of road specifically set forth in Exhibit 1031 and as exists on the ground.

Acceptance of the D2437 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12732. The D2437 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12733. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2437 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12734. The D2437 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2437 Road pursuant to the County's governmental right and authority.

12735. Witnesses with personal knowledge of the history of the D2437 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12736. Currently known reputation in the community is that the D2437 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12737. Public motor vehicle use of the D2437 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12738. The D2437 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12739. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2437 Road.

12740. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2437 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2515 Road

12741. The D2515 Road is designated as county road number D2515 and SGID road identification number RD192223 and is more or less .51 miles long.

12742. Exhibit 1032 (attached hereto and incorporated herein) contains certain information pertaining to the D2515 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12743. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2515 Road solely as it crosses United States public land as included and specifically described in Exhibit 1032. The D2515 Road includes the segment of road specifically set forth in Exhibit 1032 and as exists on the ground.

Acceptance of the D2515 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12744. The D2515 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12745. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2515 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12746. The D2515 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2515 Road pursuant to the County's governmental right and authority.

12747. Witnesses with personal knowledge of the history of the D2515 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12748. Currently known reputation in the community is that the D2515 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12749. Public motor vehicle use of the D2515 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12750. The D2515 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12751. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2515 Road.

12752. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2515 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2742 Road

12753. The D2742 Road is designated as county road number D2742 and SGID road identification number RD190710 and is more or less 1.32 miles long.

12754. Exhibit 1033 (attached hereto and incorporated herein) contains certain information pertaining to the D2742 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12755. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2742 Road solely as it crosses United States public land as included and specifically described in Exhibit 1033. The D2742 Road includes the segment of road specifically set forth in Exhibit 1033 and as exists on the ground.

Acceptance of the D2742 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12756. The D2742 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12757. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2742 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12758. The D2742 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2742 Road pursuant to the County's governmental right and authority.

12759. Witnesses with personal knowledge of the history of the D2742 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12760. Currently known reputation in the community is that the D2742 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12761. Public motor vehicle use of the D2742 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12762. The D2742 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12763. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2742 Road.

12764. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2742 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4816 Road

12765. The D4816 Road is designated as county road number D4816 and SGID road identification number RD193358 and is more or less 1.79 miles long.

12766. Exhibit 1034 (attached hereto and incorporated herein) contains certain information pertaining to the D4816 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12767. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4816 Road solely as it crosses United States public land as included and specifically described in Exhibit 1034. The D4816 Road includes the segment of road specifically set forth in Exhibit 1034 and as exists on the ground.

Acceptance of the D4816 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12768. The D4816 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12769. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4816 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12770. The D4816 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4816 Road pursuant to the County's governmental right and authority.

12771. Witnesses with personal knowledge of the history of the D4816 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12772. Currently known reputation in the community is that the D4816 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12773. Public motor vehicle use of the D4816 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12774. The D4816 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12775. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4816 Road.

12776. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4816 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4817 Road

12777. The D4817 Road is designated as county road number D4817 and SGID road identification number RD193359 and is more or less .95 miles long.

12778. Exhibit 1035 (attached hereto and incorporated herein) contains certain information pertaining to the D4817 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12779. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4817 Road solely as it crosses United States public land as included and specifically described in Exhibit 1035. The D4817 Road includes the segment of road specifically set forth in Exhibit 1035 and as exists on the ground.

Acceptance of the D4817 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12780. The D4817 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12781. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4817 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12782. The D4817 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4817 Road pursuant to the County's governmental right and authority.

12783. Witnesses with personal knowledge of the history of the D4817 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12784. Currently known reputation in the community is that the D4817 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12785. Public motor vehicle use of the D4817 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12786. The D4817 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12787. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4817 Road.

12788. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4817 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4818 Road

12789. The D4818 Road is designated as county road number D4818 and SGID road identification number RD193360 and is more or less 1.18 miles long.

12790. Exhibit 1036 (attached hereto and incorporated herein) contains certain information pertaining to the D4818 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12791. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4818 Road solely as it crosses United States public land as included and specifically described in Exhibit 1036. The D4818 Road includes the segment of road specifically set forth in Exhibit 1036 and as exists on the ground.

Acceptance of the D4818 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12792. The D4818 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12793. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4818 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12794. The D4818 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4818 Road pursuant to the County's governmental right and authority.

12795. Witnesses with personal knowledge of the history of the D4818 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12796. Currently known reputation in the community is that the D4818 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12797. Public motor vehicle use of the D4818 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12798. The D4818 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12799. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4818 Road.

12800. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4818 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4819 Road

12801. The D4819 Road is designated as county road number D4819 and SGID road identification number RD193361 and is more or less .55 miles long.

12802. Exhibit 1037 (attached hereto and incorporated herein) contains certain information pertaining to the D4819 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12803. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4819 Road solely as it crosses United States public land as included and specifically described in Exhibit 1037. The D4819 Road includes the segment of road specifically set forth in Exhibit 1037 and as exists on the ground.

Acceptance of the D4819 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12804. The D4819 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12805. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4819 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12806. The D4819 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4819 Road pursuant to the County's governmental right and authority.

12807. Witnesses with personal knowledge of the history of the D4819 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12808. Currently known reputation in the community is that the D4819 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12809. Public motor vehicle use of the D4819 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12810. The D4819 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12811. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4819 Road.

12812. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4819 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4834 Road

12813. The D4834 Road is designated as county road number D4834 and SGID road identification number RD193370 and is more or less .88 miles long.

12814. Exhibit 1038 (attached hereto and incorporated herein) contains certain information pertaining to the D4834 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12815. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4834 Road solely as it crosses United States public land as included and specifically described in Exhibit 1038. The D4834 Road includes the segment of road specifically set forth in Exhibit 1038 and as exists on the ground.

Acceptance of the D4834 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12816. The D4834 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12817. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4834 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12818. The D4834 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4834 Road pursuant to the County's governmental right and authority.

12819. Witnesses with personal knowledge of the history of the D4834 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12820. Currently known reputation in the community is that the D4834 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12821. Public motor vehicle use of the D4834 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12822. The D4834 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12823. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4834 Road.

12824. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4834 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4837 Road

12825. The D4837 Road is designated as county road number D4837 and SGID road identification number RD1923371 and is more or less .25 miles long.

12826. Exhibit 1039 (attached hereto and incorporated herein) contains certain information pertaining to the D4837 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12827. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4837 Road solely as it crosses United States public land as included and specifically described in Exhibit 1039. The D4837 Road includes the segment of road specifically set forth in Exhibit 1039 and as exists on the ground.

Acceptance of the D4837 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12828. The D4837 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12829. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4837 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12830. The D4837 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4837 Road pursuant to the County's governmental right and authority.

12831. Witnesses with personal knowledge of the history of the D4837 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12832. Currently known reputation in the community is that the D4837 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12833. Public motor vehicle use of the D4837 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12834. The D4837 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12835. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4837 Road.

12836. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4837 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4838 Road

12837. The D4838 Road is designated as county road number D4838 and SGID road identification number RD193372 and is more or less .42 miles long.

12838. Exhibit 1040 (attached hereto and incorporated herein) contains certain information pertaining to the D4838 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12839. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4838 Road solely as it crosses United States public land as included and specifically described in Exhibit 1040. The D4838 Road includes the segment of road specifically set forth in Exhibit 1040 and as exists on the ground.

Acceptance of the D4838 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12840. The D4838 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12841. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4838 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12842. The D4838 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4838 Road pursuant to the County's governmental right and authority.

12843. Witnesses with personal knowledge of the history of the D4838 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12844. Currently known reputation in the community is that the D4838 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12845. Public motor vehicle use of the D4838 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12846. The D4838 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12847. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4838 Road.

12848. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4838 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4840 Road

12849. The D4840 Road is designated as county road number D4840 and SGID road identification number RD193373 and is more or less .49 miles long.

12850. Exhibit 1041 (attached hereto and incorporated herein) contains certain information pertaining to the D4840 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12851. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4840 Road solely as it crosses United States public land as included and specifically described in Exhibit 1041. The D4840 Road includes the segment of road specifically set forth in Exhibit 1041 and as exists on the ground.

Acceptance of the D4840 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12852. The D4840 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12853. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4840 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12854. The D4840 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4840 Road pursuant to the County's governmental right and authority.

12855. Witnesses with personal knowledge of the history of the D4840 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12856. Currently known reputation in the community is that the D4840 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12857. Public motor vehicle use of the D4840 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12858. The D4840 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12859. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4840 Road.

12860. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4840 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4841 Road

12861. The D4841 Road is designated as county road number D4841 and SGID road identification number RD193374 and is more or less .42 miles long.

12862. Exhibit 1042 (attached hereto and incorporated herein) contains certain information pertaining to the D4841 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12863. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4841 Road solely as it crosses United States public land as included and specifically described in Exhibit 1042. The D4841 Road includes the segment of road specifically set forth in Exhibit 1042 and as exists on the ground.

Acceptance of the D4841 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12864. The D4841 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12865. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4841 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12866. The D4841 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4841 Road pursuant to the County's governmental right and authority.

12867. Witnesses with personal knowledge of the history of the D4841 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12868. Currently known reputation in the community is that the D4841 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12869. Public motor vehicle use of the D4841 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12870. The D4841 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12871. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4841 Road.

12872. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4841 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4843 Road

12873. The D4843 Road is designated as county road number D4843 and SGID road identification number RD193376 and is more or less .78 miles long.

12874. Exhibit 1043 (attached hereto and incorporated herein) contains certain information pertaining to the D4843 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12875. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4843 Road solely as it crosses United States public land as included and specifically described in Exhibit 1043. The D4843 Road includes the segment of road specifically set forth in Exhibit 1043 and as exists on the ground.

Acceptance of the D4843 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12876. The D4843 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12877. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4843 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12878. The D4843 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4843 Road pursuant to the County's governmental right and authority.

12879. Witnesses with personal knowledge of the history of the D4843 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12880. Currently known reputation in the community is that the D4843 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12881. Public motor vehicle use of the D4843 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12882. The D4843 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12883. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4843 Road.

12884. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4843 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4846 Road

12885. The D4846 Road is designated as county road number D4846 and SGID road identification number RD193378 and is more or less .51 miles long.

12886. Exhibit 1044 (attached hereto and incorporated herein) contains certain information pertaining to the D4846 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12887. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4846 Road solely as it crosses United States public land as included and specifically described in Exhibit 1044. The D4846 Road includes the segment of road specifically set forth in Exhibit 1044 and as exists on the ground.

Acceptance of the D4846 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12888. The D4846 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12889. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4846 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12890. The D4846 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4846 Road pursuant to the County's governmental right and authority.

12891. Witnesses with personal knowledge of the history of the D4846 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12892. Currently known reputation in the community is that the D4846 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12893. Public motor vehicle use of the D4846 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12894. The D4846 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12895. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4846 Road.

12896. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4846 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D5227 Road

12897. The D5227 Road is designated as county road number D5227 and SGID road identification number RD193401 and is more or less .5 miles long.

12898. Exhibit 1045 (attached hereto and incorporated herein) contains certain information pertaining to the D5227 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12899. In this action, the State and County seek to quiet title to the public highway right-of-way for the D5227 Road solely as it crosses United States public land as included and specifically described in Exhibit 1045. The D5227 Road includes the segment of road specifically set forth in Exhibit 1045 and as exists on the ground.

Acceptance of the D5227 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12900. The D5227 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12901. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D5227 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12902. The D5227 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D5227 Road pursuant to the County's governmental right and authority.

12903. Witnesses with personal knowledge of the history of the D5227 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12904. Currently known reputation in the community is that the D5227 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12905. Public motor vehicle use of the D5227 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12906. The D5227 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12907. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D5227 Road.

12908. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D5227 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D5228 Road

12909. The D5228 Road is designated as county road number D5228 and SGID road identification number RD193402 and is more or less .79 miles long.

12910. Exhibit 1046 (attached hereto and incorporated herein) contains certain information pertaining to the D5228 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12911. In this action, the State and County seek to quiet title to the public highway right-of-way for the D5228 Road solely as it crosses United States public land as included and specifically described in Exhibit 1046. The D5228 Road includes the segment of road specifically set forth in Exhibit 1046 and as exists on the ground.

Acceptance of the D5228 Road R.S. 2477 Right-of-way Prior to October 21, 1976

12912. The D5228 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12913. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D5228 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12914. The D5228 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D5228 Road pursuant to the County's governmental right and authority.

12915. Witnesses with personal knowledge of the history of the D5228 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12916. Currently known reputation in the community is that the D5228 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12917. Public motor vehicle use of the D5228 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12918. The D5228 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12919. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D5228 Road.

12920. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D5228 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

SIXTEENTH CAUSE OF ACTION – QUIET TITLE
JOHNSON CREEK AREA

12921. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

12922. The Johnson Creek Area is located in central San Juan County and is shown on Exhibit 18, attached hereto and incorporated herein.

12923. The Johnson Creek Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Bull Dog Road, B264; (2) Dude Ranch Road, B110; (3) East Big Canyon Road, B295; (4) Head of the Ditch Road, B292; (5) Johnson Creek Road, B285; (6) North Creek Road, B101; (7) Peter's Point Road, B160; (8) Radio Hill Road, B2491; (9) South Cottonwood Road, B227; (10) Spring Creek Pit Road, B172; (11) Spring Creek Road, B103; (12) Water Treatment Plant Road, B159; (13) West Big Canyon Road, B294; (14) D0322 Road; (15) D0333 Road; (16) D0334 Road; (17) D0336 Road; (18) D0339 Road; (19) D0340 Road; (20) D0342 Road; (21) D0348 Road; (22) D0349 Road; (23) D0350 Road; (24) D0476 Road; (25) D0480 Road; (26) D0484 Road; (27) D0485 Road; (28)

D0521 Road; (29) D0524 Road; (30) D1011 Road; (31) D1112 Road; (32) D1188 Road; (33) D1191 Road; (34) D1196 Road; (35) D1202 Road; (36) D1226 Road; (37) D1228 Road; (38) D1371 Road; (39) D1372 Road; (40) D1380 Road; (41) D1766 Road; (42) D1943 Road; (43) D1976 Road; (44) D1977 Road; (45) 1978 Road; (46) D1984 Road; (47) D1987 Road; (48) D1988 Road; (49) D1989 Road; (50) D3359 Road; (51) D3420 Road; (52) D3425 Road; (53) D3427 Road; (54) D3428 Road; (55) D3429 Road; (56) D3431 Road; (57) D3433 Road; (58) D3442 Road; (59) D5168 Road; and (60) D5200 Road.

12924. Each right-of-way claimed in the Johnson Creek Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

12925. All rights-of-way claimed in the Johnson Creek Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

12926. All rights-of-way claimed in the Johnson Creek Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

12927. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Bull Dog Road, B264

12928. The Bull Dog Road is designated as county road number B264 and SGID road identification number RD190280 and is more or less 4.26 miles long.

12929. Exhibit 1047 (attached hereto and incorporated herein) contains certain information pertaining to the Bull Dog Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12930. In this action, the State and County seek to quiet title to the public highway right-of-way for the Bull Dog Road solely as it crosses United States public land as included and specifically described in Exhibit 1047. The Bull Dog Road includes the segment of road specifically set forth in Exhibit 1047 and as exists on the ground.

Acceptance of the Bull Dog Road R.S. 2477 Right-of-way Prior to October 21, 1976

12931. The Bull Dog Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12932. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Bull Dog Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12933. The appearance of the Bull Dog Road on the Blanding North (1957) USGS 7.5-minute quadrangle map and the Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

12934. The County confirmed its acceptance of the Bull Dog Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Bull Dog Road using public funds pursuant to the County's governmental right and authority.

12935. Witnesses with personal knowledge of the history of the Bull Dog Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12936. Currently known reputation in the community is that the Bull Dog Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12937. Public motor vehicle use of the Bull Dog Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12938. The Bull Dog Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12939. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Bull Dog Road.

12940. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Bull Dog Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Dude Ranch Road, B110

12941. The Dude Ranch Road is designated as county road number B110 and SGID road identification number RD190020 and is more or less 13.62 miles long.

12942. Exhibit 1048 (attached hereto and incorporated herein) contains certain information pertaining to the Dude Ranch Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12943. In this action, the State and County seek to quiet title to the public highway right-of-way for the Dude Ranch Road solely as it crosses United States public land as included and specifically described in Exhibit 1048. The Dude Ranch Road includes the segment of road specifically set forth in Exhibit 1048 and as exists on the ground.

Acceptance of the Dude Ranch Road R.S. 2477 Right-of-way Prior to October 21, 1976

12944. The Dude Ranch Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12945. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Dude Ranch Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12946. The appearance of the Dude Ranch Road on the Blanding North (1957) and Abajo Peak (1954) USGS 7.5-minute quadrangle maps and the Blanding (1957) and Monticello (1957) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

12947. The County confirmed its acceptance of the Dude Ranch Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Dude Ranch Road using public funds pursuant to the County's governmental right and authority.

12948. Witnesses with personal knowledge of the history of the Dude Ranch Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12949. Currently known reputation in the community is that the Dude Ranch Road has

been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12950. Public motor vehicle use of the Dude Ranch Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12951. The Dude Ranch Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12952. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Dude Ranch Road.

12953. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Dude Ranch Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

East Big Canyon Road, B295

12954. The East Big Canyon Road is designated as county road number B295 and SGID road identification number RD190328 and is more or less 1.25 miles long.

12955. Exhibit 1049 (attached hereto and incorporated herein) contains certain information pertaining to the East Big Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate

ownership list; and a complete centerline description of the road.

12956. In this action, the State and County seek to quiet title to the public highway right-of-way for the East Big Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 1049. The East Big Canyon Road includes the segment of road specifically set forth in Exhibit 1049 and as exists on the ground.

Acceptance of the East Big Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

12957. The East Big Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12958. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the East Big Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12959. The appearance of the East Big Canyon Road on the Mancos Jim Butte (1957) USGS 7.5-minute quadrangle map and the Brushy Basin Wash (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

12960. The County confirmed its acceptance of the East Big Canyon Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the East Big Canyon Road using public funds pursuant to the County's governmental right and authority.

12961. Witnesses with personal knowledge of the history of the East Big Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12962. Currently known reputation in the community is that the East Big Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12963. Public motor vehicle use of the East Big Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12964. The East Big Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12965. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the East Big Canyon Road.

12966. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the East Big Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Head of the Ditch Road, B292

12967. The Head of the Ditch Road is designated as county road number B292 and SGID road identification number RD190325 and is more or less 0.80 miles long.

12968. Exhibit 1050 (attached hereto and incorporated herein) contains certain information pertaining to the Head of the Ditch Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12969. In this action, the State and County seek to quiet title to the public highway right-of-way for the Head of the Ditch Road solely as it crosses United States public land as included and specifically described in Exhibit 1050. The Head of the Ditch Road includes the segment of road specifically set forth in Exhibit 1050 and as exists on the ground.

Acceptance of the Head of the Ditch Road R.S. 2477 Right-of-way Prior to October 21, 1976

12970. The Head of the Ditch Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12971. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Head of the Ditch Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12972. The appearance of the Head of the Ditch Road on the Mancos Jim Butte (1957) USGS 7.5-minute quadrangle map and the Brushy Basin Wash (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this

road. *See* Exhibit 27 for more detailed map information.

12973. The County confirmed its acceptance of the Head of the Ditch Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Head of the Ditch Road using public funds pursuant to the County's governmental right and authority.

12974. Witnesses with personal knowledge of the history of the Head of the Ditch Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12975. Currently known reputation in the community is that the Head of the Ditch Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12976. Public motor vehicle use of the Head of the Ditch Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12977. The Head of the Ditch Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12978. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the Head of the Ditch Road.

12979. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Head of the Ditch Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Johnson Creek Road, B285

12980. The Johnson Creek Road is designated as county road number B285 and SGID road identification number RD190318 and is more or less 29.32 miles long.

12981. Exhibit 1051 (attached hereto and incorporated herein) contains certain information pertaining to the Johnson Creek Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12982. In this action, the State and County seek to quiet title to the public highway right-of-way for the Johnson Creek Road solely as it crosses United States public land as included and specifically described in Exhibit 1051. The Johnson Creek Road includes the segment of road specifically set forth in Exhibit 1051 and as exists on the ground.

Acceptance of the Johnson Creek Road R.S. 2477 Right-of-way Prior to October 21, 1976

12983. The Johnson Creek Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12984. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Johnson Creek Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12985. The appearance of the Johnson Creek Road on the Blanding North (1957), Mancos Jim Butte (1957), Mount Linnaeus (1954), Abajo Peak (1954), and Monticello Lake (1957) USGS 7.5-minute quadrangle maps and the Blanding (1957), Brushy Basin Wash (1957), Mt Linnaeus (1954), and Monticello (1957) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

12986. The County confirmed its acceptance of the Johnson Creek Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Johnson Creek Road using public funds pursuant to the County's governmental right and authority.

12987. Witnesses with personal knowledge of the history of the Johnson Creek Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12988. Currently known reputation in the community is that the Johnson Creek Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12989. Public motor vehicle use of the Johnson Creek Road as a public thoroughfare

traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12990. The Johnson Creek Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12991. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Johnson Creek Road.

12992. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Johnson Creek Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

North Creek Road, B101

12993. The North Creek Road is designated as county road number B101 and SGID road identification number RD190002 and is more or less 17.74 miles long.

12994. Exhibit 1052 (attached hereto and incorporated herein) contains certain information pertaining to the North Creek Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12995. In this action, the State and County seek to quiet title to the public highway right-of-way for the North Creek Road solely as it crosses United States public land as included and

specifically described in Exhibit 1052. The North Creek Road includes the segment of road specifically set forth in Exhibit 1052 and as exists on the ground.

Acceptance of the North Creek Road R.S. 2477 Right-of-way Prior to October 21, 1976

12996. The North Creek Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12997. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the North Creek Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12998. The appearance of the North Creek Road on the Monticello South (1954), Abajo Peak (1954), and Monticello Lake (1957) USGS 7.5-minute quadrangle maps and the Monticello (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

12999. The County confirmed its acceptance of the North Creek Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the North Creek Road using public funds pursuant to the County's governmental right and authority.

13000. Witnesses with personal knowledge of the history of the North Creek Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21,

1976.

13001. Currently known reputation in the community is that the North Creek Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13002. Public motor vehicle use of the North Creek Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13003. The North Creek Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13004. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the North Creek Road.

13005. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the North Creek Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Peter's Point Road, B160

13006. The Peter's Point Road is designated as county road number B160 and SGID road identification number RD190114 and is more or less 10.02 miles long.

13007. Exhibit 1053 (attached hereto and incorporated herein) contains certain

information pertaining to the Peter's Point Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13008. In this action, the State and County seek to quiet title to the public highway right-of-way for the Peter's Point Road solely as it crosses United States public land as included and specifically described in Exhibit 1053. The Peter's Point Road includes the segment of road specifically set forth in Exhibit 1053 and as exists on the ground.

Acceptance of the Peter's Point Road R.S. 2477 Right-of-way Prior to October 21, 1976

13009. The Peter's Point Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13010. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Peter's Point Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13011. The appearance of the Peter's Point Road on the Monticello Lake (1957) and Monticello North (1957) USGS 7.5-minute quadrangle maps and the Monticello (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13012. The County confirmed its acceptance of the Peter's Point Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the Peter's Point Road using public funds pursuant to the County's governmental right and authority.

13013. Witnesses with personal knowledge of the history of the Peter's Point Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13014. Currently known reputation in the community is that the Peter's Point Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13015. Public motor vehicle use of the Peter's Point Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13016. The Peter's Point Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13017. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Peter's Point Road.

13018. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Peter's Point Road on lands owned by the United States as described herein

and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Radio Hill Road, B2491

13019. The Radio Hill Road is designated as county road number B2491 and SGID road identification number RD190251 and is more or less 1.82 miles long.

13020. Exhibit 1054 (attached hereto and incorporated herein) contains certain information pertaining to the Radio Hill Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13021. In this action, the State and County seek to quiet title to the public highway right-of-way for the Radio Hill Road solely as it crosses United States public land as included and specifically described in Exhibit 1054. The Radio Hill Road includes the segment of road specifically set forth in Exhibit 1054 and as exists on the ground.

Acceptance of the Radio Hill Road R.S. 2477 Right-of-way Prior to October 21, 1976

13022. The Radio Hill Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13023. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Radio Hill Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13024. The appearance of the Radio Hill Road on the Blanding North (1957) USGS 7.5-

minute quadrangle map and the Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13025. The County confirmed its acceptance of the Radio Hill Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Radio Hill Road using public funds pursuant to the County's governmental right and authority.

13026. Witnesses with personal knowledge of the history of the Radio Hill Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13027. Currently known reputation in the community is that the Radio Hill Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13028. Public motor vehicle use of the Radio Hill Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13029. The Radio Hill Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13030. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Radio Hill Road.

13031. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Radio Hill Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

South Cottonwood Road, B227

13032. The South Cottonwood Road is designated as county road number B227 and SGID road identification number RD190206 and is more or less 17.39 miles long.

13033. Exhibit 1055 (attached hereto and incorporated herein) contains certain information pertaining to the South Cottonwood Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13034. In this action, the State and County seek to quiet title to the public highway right-of-way for the South Cottonwood Road solely as it crosses United States public land as included and specifically described in Exhibit 1055. The South Cottonwood Road includes the segment of road specifically set forth in Exhibit 1055 and as exists on the ground.

Acceptance of the South Cottonwood Road R.S. 2477 Right-of-way Prior to October 21, 1976

13035. The South Cottonwood Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13036. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the South Cottonwood Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13037. The appearance of the South Cottonwood Road on the Mancos Jim Butte (1957), Cream Pots (1954), and Chippean Rocks (1954) USGS 7.5-minute quadrangle maps and the Brushy Basin Wash (1957) and Mt Linnaeus (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13038. The County confirmed its acceptance of the South Cottonwood Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the South Cottonwood Road using public funds pursuant to the County's governmental right and authority.

13039. Witnesses with personal knowledge of the history of the South Cottonwood Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13040. Currently known reputation in the community is that the South Cottonwood Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13041. Public motor vehicle use of the South Cottonwood Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13042. The South Cottonwood Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13043. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the South Cottonwood Road.

13044. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the South Cottonwood Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Spring Creek Pit Road, B172

13045. The Spring Creek Pit Road is designated as county road number B172 and SGID road identification number RD190126 and is more or less 0.19 miles long.

13046. Exhibit 1056 (attached hereto and incorporated herein) contains certain information pertaining to the Spring Creek Pit Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13047. In this action, the State and County seek to quiet title to the public highway right-

of-way for the Spring Creek Pit Road solely as it crosses United States public land as included and specifically described in Exhibit 1056. The Spring Creek Pit Road includes the segment of road specifically set forth in Exhibit 1056 and as exists on the ground.

Acceptance of the Spring Creek Pit Road R.S. 2477 Right-of-way Prior to October 21, 1976

13048. The Spring Creek Pit Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13049. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Spring Creek Pit Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13050. The County confirmed its acceptance of the Spring Creek Pit Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Spring Creek Pit Road using public funds pursuant to the County's governmental right and authority.

13051. Witnesses with personal knowledge of the history of the Spring Creek Pit Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13052. Currently known reputation in the community is that the Spring Creek Pit Road has been open for all to come and go whenever convenient or necessary for more than 10 years

prior to October 21, 1976, and continuing to the present.

13053. Public motor vehicle use of the Spring Creek Pit Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13054. The Spring Creek Pit Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13055. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Spring Creek Pit Road.

13056. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Spring Creek Pit Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Spring Creek Road, B103

13057. The Spring Creek Road is designated as county road number B103 and SGID road identification number RD190006 and is more or less 9.36 miles long.

13058. Exhibit 1057 (attached hereto and incorporated herein) contains certain information pertaining to the Spring Creek Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13059. In this action, the State and County seek to quiet title to the public highway right-of-way for the Spring Creek Road solely as it crosses United States public land as included and specifically described in Exhibit 1057. The Spring Creek Road includes the segment of road specifically set forth in Exhibit 1057 and as exists on the ground.

Acceptance of the Spring Creek Road R.S. 2477 Right-of-way Prior to October 21, 1976

13060. The Spring Creek Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13061. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Spring Creek Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13062. The appearance of the Spring Creek Road on the Monticello Lake (1957) and Monticello North (1957) USGS 7.5-minute quadrangle maps and the Monticello (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13063. The County confirmed its acceptance of the Spring Creek Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Spring Creek Road using public funds pursuant to the County's governmental right and authority.

13064. Witnesses with personal knowledge of the history of the Spring Creek Road

confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13065. Currently known reputation in the community is that the Spring Creek Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13066. Public motor vehicle use of the Spring Creek Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13067. The Spring Creek Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13068. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Spring Creek Road.

13069. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Spring Creek Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Water Treatment Plant Road, B159

13070. The Water Treatment Plant Road is designated as county road number B159 and

SGID road identification number RD190113 and is more or less 0.83 miles long.

13071. Exhibit 1058 (attached hereto and incorporated herein) contains certain information pertaining to the Water Treatment Plant Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13072. In this action, the State and County seek to quiet title to the public highway right-of-way for the Water Treatment Plant Road solely as it crosses United States public land as included and specifically described in Exhibit 1058. The Water Treatment Plant Road includes the segment of road specifically set forth in Exhibit 1058 and as exists on the ground.

Acceptance of the Water Treatment Plant Road R.S. 2477 Right-of-way Prior to October 21, 1976

13073. The Water Treatment Plant Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13074. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Water Treatment Plant Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13075. The appearance of the Water Treatment Plant Road on the Monticello South (1954) USGS 7.5-minute quadrangle map and the Monticello (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13076. The County confirmed its acceptance of the Water Treatment Plant Road by 1974,

when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Water Treatment Plant Road using public funds pursuant to the County's governmental right and authority.

13077. Witnesses with personal knowledge of the history of the Water Treatment Plant Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13078. Currently known reputation in the community is that the Water Treatment Plant Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13079. Public motor vehicle use of the Water Treatment Plant Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13080. The Water Treatment Plant Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13081. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Water Treatment Plant Road.

13082. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Water Treatment Plant Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

West Big Canyon Road, B294

13083. The West Big Canyon Road is designated as county road number B294 and SGID road identification number RD190327 and is more or less 0.46 miles long.

13084. Exhibit 1059 (attached hereto and incorporated herein) contains certain information pertaining to the West Big Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13085. In this action, the State and County seek to quiet title to the public highway right-of-way for the West Big Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 1059. The West Big Canyon Road includes the segment of road specifically set forth in Exhibit 1059 and as exists on the ground.

Acceptance of the West Big Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

13086. The West Big Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13087. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the West Big Canyon Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13088. The appearance of the West Big Canyon Road on the Mancos Jim Butte (1957) USGS 7.5-minute quadrangle map and the Brushy Basin Wash (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13089. The County confirmed its acceptance of the West Big Canyon Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the West Big Canyon Road using public funds pursuant to the County's governmental right and authority.

13090. Witnesses with personal knowledge of the history of the West Big Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13091. Currently known reputation in the community is that the West Big Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13092. Public motor vehicle use of the West Big Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

13093. The West Big Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13094. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the West Big Canyon Road.

13095. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the West Big Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0322 Road

13096. The D0322 Road is designated as county road number D0322 and SGID road identification number RD191050 and is more or less 0.46 miles long.

13097. Exhibit 1060 (attached hereto and incorporated herein) contains certain information pertaining to the D0322 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13098. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0322 Road solely as it crosses United States public land as included and specifically described in Exhibit 1060. The D0322 Road includes the segment of road specifically set forth in Exhibit 1060 and as exists on the ground.

Acceptance of the D0322 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13099. The D0322 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13100. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0322 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13101. The D0322 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0322 Road pursuant to the County's governmental right and authority.

13102. Witnesses with personal knowledge of the history of the D0322 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13103. Currently known reputation in the community is that the D0322 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13104. Public motor vehicle use of the D0322 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13105. The D0322 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13106. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0322 Road.

13107. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0322 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0333 Road

13108. The D0333 Road is designated as county road number D0333 and SGID road identification number RD191054 and is more or less 4.85 miles long.

13109. Exhibit 1061 (attached hereto and incorporated herein) contains certain information pertaining to the D0333 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13110. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0333 Road solely as it crosses United States public land as included and specifically described in Exhibit 1061. The D0333 Road includes the segment of road specifically set forth in Exhibit 1061 and as exists on the ground.

Acceptance of the D0333 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13111. The D0333 Road has long served as a public highway providing access to and

across public land. This road serves the public's transportation needs.

13112. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0333 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13113. The County confirmed its acceptance of the D0333 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0333 Road pursuant to the County's governmental right and authority.

13114. Witnesses with personal knowledge of the history of the D0333 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13115. Currently known reputation in the community is that the D0333 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13116. Public motor vehicle use of the D0333 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13117. The D0333 Road traverses a valid and perfected R.S. 2477 public highway right-

of-way as described herein.

13118. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0333 Road.

13119. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0333 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0334 Road

13120. The D0334 Road is designated as county road number D0334 and SGID road identification number RD191055 and is more or less 2.18 miles long.

13121. Exhibit 1062 (attached hereto and incorporated herein) contains certain information pertaining to the D0334 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13122. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0334 Road solely as it crosses United States public land as included and specifically described in Exhibit 1062. The D0334 Road includes the segment of road specifically set forth in Exhibit 1062 and as exists on the ground.

Acceptance of the D0334 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13123. The D0334 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13124. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0334 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13125. The appearance of the D0334 Road on the Mancos Jim Butte (1957) USGS 7.5-minute quadrangle map and the Brushy Basin Wash (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13126. The D0334 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0334 Road pursuant to the County's governmental right and authority.

13127. Witnesses with personal knowledge of the history of the D0334 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13128. Currently known reputation in the community is that the D0334 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13129. Public motor vehicle use of the D0334 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

13130. The D0334 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13131. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0334 Road.

13132. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0334 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0336 Road

13133. The D0336 Road is designated as county road number D0336 and SGID road identification number RD191057 and is more or less 2.98 miles long.

13134. Exhibit 1063 (attached hereto and incorporated herein) contains certain information pertaining to the D0336 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13135. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0336 Road solely as it crosses United States public land as included and specifically described in Exhibit 1063. The D0336 Road includes the segment of road specifically set forth in Exhibit 1063 and as exists on the ground.

Acceptance of the D0336 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13136. The D0336 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13137. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0336 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13138. The D0336 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0336 Road pursuant to the County's governmental right and authority.

13139. Witnesses with personal knowledge of the history of the D0336 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13140. Currently known reputation in the community is that the D0336 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13141. Public motor vehicle use of the D0336 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13142. The D0336 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13143. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0336 Road.

13144. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0336 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0339 Road

13145. The D0339 Road is designated as county road number D0339 and SGID road identification number RD191060 and is more or less 1.32 miles long.

13146. Exhibit 1064 (attached hereto and incorporated herein) contains certain information pertaining to the D0339 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13147. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0339 Road solely as it crosses United States public land as included and specifically described in Exhibit 1064. The D0339 Road includes the segment of road specifically set forth in Exhibit 1064 and as exists on the ground.

Acceptance of the D0339 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13148. The D0339 Road has long served as a public highway providing access to and

across public land. This road serves the public's transportation needs.

13149. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0339 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13150. The D0339 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0339 Road pursuant to the County's governmental right and authority.

13151. Witnesses with personal knowledge of the history of the D0339 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13152. Currently known reputation in the community is that the D0339 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13153. Public motor vehicle use of the D0339 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13154. The D0339 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13155. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0339 Road.

13156. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0339 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0340 Road

13157. The D0340 Road is designated as county road number D0340 and SGID road identification number RD191061 and is more or less 2.74 miles long.

13158. Exhibit 1065 (attached hereto and incorporated herein) contains certain information pertaining to the D0340 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13159. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0340 Road solely as it crosses United States public land as included and specifically described in Exhibit 1065. The D0340 Road includes the segment of road specifically set forth in Exhibit 1065 and as exists on the ground.

Acceptance of the D0340 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13160. The D0340 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13161. Aerial photography from 1975 confirms the historical use, existence, and

acceptance of the right-of-way for the D0340 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13162. The appearance of the D0340 Road on the Mancos Jim Butte (1957) USGS 7.5-minute quadrangle map and the Brushy Basin Wash (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13163. The County confirmed its acceptance of the D0340 Road by 1974, when it designated and accepted the road as a county highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0340 Road pursuant to the County's governmental right and authority.

13164. Witnesses with personal knowledge of the history of the D0340 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13165. Currently known reputation in the community is that the D0340 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13166. Public motor vehicle use of the D0340 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

13167. The D0340 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13168. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0340 Road.

13169. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0340 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0342 Road

13170. The D0342 Road is designated as county road number D0342 and SGID road identification number RD191062 and is more or less 2.78 miles long.

13171. Exhibit 1066 (attached hereto and incorporated herein) contains certain information pertaining to the D0342 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13172. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0342 Road solely as it crosses United States public land as included and specifically described in Exhibit 1066. The D0342 Road includes the segment of road specifically set forth in Exhibit 1066 and as exists on the ground.

Acceptance of the D0342 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13173. The D0342 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13174. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0342 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13175. The D0342 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0342 Road pursuant to the County's governmental right and authority.

13176. Witnesses with personal knowledge of the history of the D0342 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13177. Currently known reputation in the community is that the D0342 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13178. Public motor vehicle use of the D0342 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13179. The D0342 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13180. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0342 Road.

13181. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0342 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0348 Road

13182. The D0348 Road is designated as county road number D0348 and SGID road identification number RD191063 and is more or less 0.62 miles long.

13183. Exhibit 1067 (attached hereto and incorporated herein) contains certain information pertaining to the D0348 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13184. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0348 Road solely as it crosses United States public land as included and specifically described in Exhibit 1067. The D0348 Road includes the segment of road specifically set forth in Exhibit 1067 and as exists on the ground.

Acceptance of the D0348 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13185. The D0348 Road has long served as a public highway providing access to and

across public land. This road serves the public's transportation needs.

13186. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0348 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13187. The D0348 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0348 Road pursuant to the County's governmental right and authority.

13188. Witnesses with personal knowledge of the history of the D0348 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13189. Currently known reputation in the community is that the D0348 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13190. Public motor vehicle use of the D0348 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13191. The D0348 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13192. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0348 Road.

13193. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0348 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0349 Road

13194. The D0349 Road is designated as county road number D0349 and SGID road identification number RD191064 and is more or less 3.63 miles long.

13195. Exhibit 1068 (attached hereto and incorporated herein) contains certain information pertaining to the D0349 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13196. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0349 Road solely as it crosses United States public land as included and specifically described in Exhibit 1068. The D0349 Road includes the segment of road specifically set forth in Exhibit 1068 and as exists on the ground.

Acceptance of the D0349 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13197. The D0349 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13198. Aerial photography from 1975 confirms the historical use, existence, and

acceptance of the right-of-way for the D0349 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13199. The County confirmed its acceptance of the D0349 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0349 Road pursuant to the County's governmental right and authority.

13200. Witnesses with personal knowledge of the history of the D0349 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13201. Currently known reputation in the community is that the D0349 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13202. Public motor vehicle use of the D0349 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13203. The D0349 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13204. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0349 Road.

13205. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0349 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0350 Road

13206. The D0350 Road is designated as county road number D0350 and SGID road identification number RD191065 and is more or less 1.85 miles long.

13207. Exhibit 1069 (attached hereto and incorporated herein) contains certain information pertaining to the D0350 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13208. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0350 Road solely as it crosses United States public land as included and specifically described in Exhibit 1069. The D0350 Road includes the segment of road specifically set forth in Exhibit 1069 and as exists on the ground.

Acceptance of the D0350 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13209. The D0350 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13210. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0350 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13211. The appearance of the D0350 Road on the Mancos Jim Butte (1957) USGS 7.5-minute quadrangle map and the Brushy Basin Wash (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13212. The D0350 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0350 Road pursuant to the County's governmental right and authority.

13213. Witnesses with personal knowledge of the history of the D0350 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13214. Currently known reputation in the community is that the D0350 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13215. Public motor vehicle use of the D0350 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13216. The D0350 Road traverses a valid and perfected R.S. 2477 public highway right-

of-way as described herein.

13217. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0350 Road.

13218. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0350 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0476 Road

13219. The D0476 Road is designated as county road number D0476 and SGID road identification number RD190587 and is more or less 7.28 miles long.

13220. Exhibit 1070 (attached hereto and incorporated herein) contains certain information pertaining to the D0476 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13221. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0476 Road solely as it crosses United States public land as included and specifically described in Exhibit 1070. The D0476 Road includes the segment of road specifically set forth in Exhibit 1070 and as exists on the ground.

Acceptance of the D0476 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13222. The D0476 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13223. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0476 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13224. The appearance of the D0476 Road on the Photograph Gap (1954) and the Monticello Lake (1957) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) and the Monticello (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13225. The D0476 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0476 Road pursuant to the County's governmental right and authority.

13226. Witnesses with personal knowledge of the history of the D0476 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13227. Currently known reputation in the community is that the D0476 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13228. Public motor vehicle use of the D0476 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13229. The D0476 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13230. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0476 Road.

13231. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0476 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0480 Road

13232. The D0480 Road is designated as county road number D0480 and SGID road identification number RD191103 and is more or less 6.71 miles long.

13233. Exhibit 1071 (attached hereto and incorporated herein) contains certain information pertaining to the D0480 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13234. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0480 Road solely as it crosses United States public land as included and specifically described in Exhibit 1071. The D0480 Road includes the segment of road specifically set forth in Exhibit 1071 and as exists on the ground.

Acceptance of the D0480 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13235. The D0480 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13236. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0480 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13237. The appearance of the D0480 Road on the Photograph Gap (1954) and the Monticello Lake (1957) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) and the Monticello (1957) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13238. The County confirmed its acceptance of the D0480 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0480 Road pursuant to the County's governmental right and authority.

13239. Witnesses with personal knowledge of the history of the D0480 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13240. Currently known reputation in the community is that the D0480 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13241. Public motor vehicle use of the D0480 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13242. The D0480 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13243. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0480 Road.

13244. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0480 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0484 Road

13245. The D0484 Road is designated as county road number D0484 and SGID road identification number RD191104 and is more or less 3.20 miles long.

13246. Exhibit 1072 (attached hereto and incorporated herein) contains certain information pertaining to the D0484 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13247. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0484 Road solely as it crosses United States public land as included and specifically described in Exhibit 1072. The D0484 Road includes the segment of road specifically set forth in Exhibit 1072 and as exists on the ground.

Acceptance of the D0484 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13248. The D0484 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13249. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0484 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13250. The appearance of the D0484 Road on the Monticello Lake (1957) USGS 7.5-minute quadrangle map and the Monticello (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13251. The County confirmed its acceptance of the D0484 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0484 Road pursuant to the County's governmental right and authority.

13252. Witnesses with personal knowledge of the history of the D0484 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13253. Currently known reputation in the community is that the D0484 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13254. Public motor vehicle use of the D0484 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13255. The D0484 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13256. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0484 Road.

13257. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0484 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0485 Road

13258. The D0485 Road is designated as county road number D0485 and SGID road identification number RD191105 and is more or less 4.16 miles long.

13259. Exhibit 1073 (attached hereto and incorporated herein) contains certain

information pertaining to the D0485 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13260. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0485 Road solely as it crosses United States public land as included and specifically described in Exhibit 1073. The D0485 Road includes the segment of road specifically set forth in Exhibit 1073 and as exists on the ground.

Acceptance of the D0485 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13261. The D0485 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13262. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0485 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13263. The appearance of the D0485 Road on the Monticello Lake (1957) USGS 7.5-minute quadrangle map and the Monticello (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13264. The County confirmed its acceptance of the D0485 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the D0485 Road pursuant to the County's governmental right and authority.

13265. Witnesses with personal knowledge of the history of the D0485 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13266. Currently known reputation in the community is that the D0485 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13267. Public motor vehicle use of the D0485 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13268. The D0485 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13269. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0485 Road.

13270. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0485 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0521 Road

13271. The D0521 Road is designated as county road number D0521 and SGID road identification number RD191125 and is more or less 2.38 miles long.

13272. Exhibit 1074 (attached hereto and incorporated herein) contains certain information pertaining to the D0521 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13273. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0521 Road solely as it crosses United States public land as included and specifically described in Exhibit 1074. The D0521 Road includes the segment of road specifically set forth in Exhibit 1074 and as exists on the ground.

Acceptance of the D0521 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13274. The D0521 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13275. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0521 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13276. The appearance of the D0521 Road on the Photograph Gap (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for

more detailed map information.

13277. The County confirmed its acceptance of the D0521 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0521 Road pursuant to the County's governmental right and authority.

13278. Witnesses with personal knowledge of the history of the D0521 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13279. Currently known reputation in the community is that the D0521 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13280. Public motor vehicle use of the D0521 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13281. The D0521 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13282. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0521 Road.

13283. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0521 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0524 Road

13284. The D0524 Road is designated as county road number D0524 and SGID road identification number RD190599 and is more or less 3.90 miles long.

13285. Exhibit 1075 (attached hereto and incorporated herein) contains certain information pertaining to the D0524 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13286. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0524 Road solely as it crosses United States public land as included and specifically described in Exhibit 1075. The D0524 Road includes the segment of road specifically set forth in Exhibit 1075 and as exists on the ground.

Acceptance of the D0524 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13287. The D0524 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13288. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0524 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13289. The D0524 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0524 Road pursuant to the County's governmental right and authority.

13290. Witnesses with personal knowledge of the history of the D0524 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13291. Currently known reputation in the community is that the D0524 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13292. Public motor vehicle use of the D0524 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13293. The D0524 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13294. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0524 Road.

13295. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0524 Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1011 Road

13296. The D1011 Road is designated as county road number D1011 and SGID road identification number RD191464 and is more or less 0.77 miles long.

13297. Exhibit 1076 (attached hereto and incorporated herein) contains certain information pertaining to the D1011 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13298. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1011 Road solely as it crosses United States public land as included and specifically described in Exhibit 1076. The D1011 Road includes the segment of road specifically set forth in Exhibit 1076 and as exists on the ground.

Acceptance of the D1011 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13299. The D1011 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13300. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1011 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13301. The D1011 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D1011 Road pursuant to the County's governmental right and authority.

13302. Witnesses with personal knowledge of the history of the D1011 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13303. Currently known reputation in the community is that the D1011 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13304. Public motor vehicle use of the D1011 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13305. The D1011 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13306. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1011 Road.

13307. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1011 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1112 Road

13308. The D1112 Road is designated as county road number D1112 and SGID road identification number RD191500 and is more or less 2.65 miles long.

13309. Exhibit 1077 (attached hereto and incorporated herein) contains certain information pertaining to the D1112 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13310. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1112 Road solely as it crosses United States public land as included and specifically described in Exhibit 1077. The D1112 Road includes the segment of road specifically set forth in Exhibit 1077 and as exists on the ground.

Acceptance of the D1112 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13311. The D1112 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13312. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1112 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13313. The appearance of the D1112 Road on the Photograph Gap (1954) and the Monticello Lake (1957) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) and the Monticello (1957) USGS 15-minute quadrangle maps evidences the existence, use, and

acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13314. The D1112 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1112 Road pursuant to the County's governmental right and authority.

13315. Witnesses with personal knowledge of the history of the D1112 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13316. Currently known reputation in the community is that the D1112 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13317. Public motor vehicle use of the D1112 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13318. The D1112 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13319. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1112 Road.

13320. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1112 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1188 Road

13321. The D1188 Road is designated as county road number D1188 and SGID road identification number RD191537 and is more or less 0.92 miles long.

13322. Exhibit 1078 (attached hereto and incorporated herein) contains certain information pertaining to the D1188 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13323. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1188 Road solely as it crosses United States public land as included and specifically described in Exhibit 1078. The D1188 Road includes the segment of road specifically set forth in Exhibit 1078 and as exists on the ground.

Acceptance of the D1188 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13324. The D1188 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13325. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1188 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13326. The D1188 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1188 Road pursuant to the County's governmental right and authority.

13327. Witnesses with personal knowledge of the history of the D1188 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13328. Currently known reputation in the community is that the D1188 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13329. Public motor vehicle use of the D1188 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13330. The D1188 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13331. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1188 Road.

13332. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1188 Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1191 Road

13333. The D1191 Road is designated as county road number D1191 and SGID road identification number RD191538 and is more or less 0.67 miles long.

13334. Exhibit 1079 (attached hereto and incorporated herein) contains certain information pertaining to the D1191 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13335. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1191 Road solely as it crosses United States public land as included and specifically described in Exhibit 1079. The D1191 Road includes the segment of road specifically set forth in Exhibit 1079 and as exists on the ground.

Acceptance of the D1191 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13336. The D1191 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13337. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1191 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13338. The D1191 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D1191 Road pursuant to the County's governmental right and authority.

13339. Witnesses with personal knowledge of the history of the D1191 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13340. Currently known reputation in the community is that the D1191 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13341. Public motor vehicle use of the D1191 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13342. The D1191 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13343. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1191 Road.

13344. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1191 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1196 Road

13345. The D1196 Road is designated as county road number D1196 and SGID road identification number RD191539 and is more or less 0.99 miles long.

13346. Exhibit 1080 (attached hereto and incorporated herein) contains certain information pertaining to the D1196 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13347. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1196 Road solely as it crosses United States public land as included and specifically described in Exhibit 1080. The D1196 Road includes the segment of road specifically set forth in Exhibit 1080 and as exists on the ground.

Acceptance of the D1196 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13348. The D1196 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13349. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1196 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13350. The D1196 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1196 Road pursuant to the County's governmental

right and authority.

13351. Witnesses with personal knowledge of the history of the D1196 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13352. Currently known reputation in the community is that the D1196 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13353. Public motor vehicle use of the D1196 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13354. The D1196 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13355. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1196 Road.

13356. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1196 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1202 Road

13357. The D1202 Road is designated as county road number D1202 and SGID road

identification number RD191541 and is more or less 0.48 miles long.

13358. Exhibit 1081 (attached hereto and incorporated herein) contains certain information pertaining to the D1202 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13359. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1202 Road solely as it crosses United States public land as included and specifically described in Exhibit 1081. The D1202 Road includes the segment of road specifically set forth in Exhibit 1081 and as exists on the ground.

Acceptance of the D1202 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13360. The D1202 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13361. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1202 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13362. The D1202 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1202 Road pursuant to the County's governmental right and authority.

13363. Witnesses with personal knowledge of the history of the D1202 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13364. Currently known reputation in the community is that the D1202 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13365. Public motor vehicle use of the D1202 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13366. The D1202 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13367. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1202 Road.

13368. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1202 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1226 Road

13369. The D1226 Road is designated as county road number D1226 and SGID road identification number RD191552 and is more or less 0.87 miles long.

13370. Exhibit 1082 (attached hereto and incorporated herein) contains certain

information pertaining to the D1226 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13371. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1226 Road solely as it crosses United States public land as included and specifically described in Exhibit 1082. The D1226 Road includes the segment of road specifically set forth in Exhibit 1082 and as exists on the ground.

Acceptance of the D1226 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13372. The D1226 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13373. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1226 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13374. The D1226 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1226 Road pursuant to the County's governmental right and authority.

13375. Witnesses with personal knowledge of the history of the D1226 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13376. Currently known reputation in the community is that the D1226 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13377. Public motor vehicle use of the D1226 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13378. The D1226 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13379. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1226 Road.

13380. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1226 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1228 Road

13381. The D1228 Road is designated as county road number D1228 and SGID road identification number RD191553 and is more or less 1.63 miles long.

13382. Exhibit 1083 (attached hereto and incorporated herein) contains certain information pertaining to the D1228 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list;

and a complete centerline description of the road.

13383. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1228 Road solely as it crosses United States public land as included and specifically described in Exhibit 1083. The D1228 Road includes the segment of road specifically set forth in Exhibit 1083 and as exists on the ground.

Acceptance of the D1228 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13384. The D1228 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13385. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1228 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13386. The D1228 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1228 Road pursuant to the County's governmental right and authority.

13387. Witnesses with personal knowledge of the history of the D1228 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13388. Currently known reputation in the community is that the D1228 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

13389. Public motor vehicle use of the D1228 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13390. The D1228 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13391. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1228 Road.

13392. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1228 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1371 Road

13393. The D1371 Road is designated as county road number D1371 and SGID road identification number RD191613 and is more or less 0.62 miles long.

13394. Exhibit 1084 (attached hereto and incorporated herein) contains certain information pertaining to the D1371 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13395. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D1371 Road solely as it crosses United States public land as included and specifically described in Exhibit 1084. The D1371 Road includes the segment of road specifically set forth in Exhibit 1084 and as exists on the ground.

Acceptance of the D1371 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13396. The D1371 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13397. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1371 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13398. The D1371 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1371 Road pursuant to the County's governmental right and authority.

13399. Witnesses with personal knowledge of the history of the D1371 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13400. Currently known reputation in the community is that the D1371 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13401. Public motor vehicle use of the D1371 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13402. The D1371 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13403. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1371 Road.

13404. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1371 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1372 Road

13405. The D1372 Road is designated as county road number D1372 and SGID road identification number RD191614 and is more or less 0.54 miles long.

13406. Exhibit 1085 (attached hereto and incorporated herein) contains certain information pertaining to the D1372 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13407. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1372 Road solely as it crosses United States public land as included and specifically described in Exhibit 1085. The D1372 Road includes the segment of road

specifically set forth in Exhibit 1085 and as exists on the ground.

Acceptance of the D1372 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13408. The D1372 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13409. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1372 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13410. The D1372 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1372 Road pursuant to the County's governmental right and authority.

13411. Witnesses with personal knowledge of the history of the D1372 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13412. Currently known reputation in the community is that the D1372 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13413. Public motor vehicle use of the D1372 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

13414. The D1372 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13415. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1372 Road.

13416. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1372 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1380 Road

13417. The D1380 Road is designated as county road number D1380 and SGID road identification number RD191617 and is more or less 1.23 miles long.

13418. Exhibit 1086 (attached hereto and incorporated herein) contains certain information pertaining to the D1380 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13419. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1380 Road solely as it crosses United States public land as included and specifically described in Exhibit 1086. The D1380 Road includes the segment of road specifically set forth in Exhibit 1086 and as exists on the ground.

Acceptance of the D1380 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13420. The D1380 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13421. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1380 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13422. The D1380 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1380 Road pursuant to the County's governmental right and authority.

13423. Witnesses with personal knowledge of the history of the D1380 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13424. Currently known reputation in the community is that the D1380 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13425. Public motor vehicle use of the D1380 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13426. The D1380 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13427. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1380 Road.

13428. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1380 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1766 Road

13429. The D1766 Road is designated as county road number D1766 and SGID road identification number RD191798 and is more or less 4.11 miles long.

13430. Exhibit 1087 (attached hereto and incorporated herein) contains certain information pertaining to the D1766 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13431. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1766 Road solely as it crosses United States public land as included and specifically described in Exhibit 1087. The D1766 Road includes the segment of road specifically set forth in Exhibit 1087 and as exists on the ground.

Acceptance of the D1766 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13432. The D1766 Road has long served as a public highway providing access to and

across public land. This road serves the public's transportation needs.

13433. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1766 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13434. The appearance of the D1766 Road on the Cream Pots (1954) and the Mancos Jim Butte (1957) USGS 7.5-minute quadrangle maps and the Brushy Basin Wash (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13435. The County confirmed its acceptance of the D1766 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1766 Road pursuant to the County's governmental right and authority.

13436. Witnesses with personal knowledge of the history of the D1766 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13437. Currently known reputation in the community is that the D1766 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13438. Public motor vehicle use of the D1766 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13439. The D1766 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13440. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1766 Road.

13441. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1766 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1943 Road

13442. The D1943 Road is designated as county road number D1943 and SGID road identification number RD191902 and is more or less 0.42 miles long.

13443. Exhibit 1088 (attached hereto and incorporated herein) contains certain information pertaining to the D1943 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13444. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1943 Road solely as it crosses United States public land as included and specifically described in Exhibit 1088. The D1943 Road includes the segment of road

specifically set forth in Exhibit 1088 and as exists on the ground.

Acceptance of the D1943 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13445. The D1943 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13446. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1943 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13447. The D1943 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1943 Road pursuant to the County's governmental right and authority.

13448. Witnesses with personal knowledge of the history of the D1943 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13449. Currently known reputation in the community is that the D1943 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13450. Public motor vehicle use of the D1943 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

13451. The D1943 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13452. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1943 Road.

13453. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1943 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1976 Road

13454. The D1976 Road is designated as county road number D1976 and SGID road identification number RD191917 and is more or less 0.33 miles long.

13455. Exhibit 1089 (attached hereto and incorporated herein) contains certain information pertaining to the D1976 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13456. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1976 Road solely as it crosses United States public land as included and specifically described in Exhibit 1089. The D1976 Road includes the segment of road specifically set forth in Exhibit 1089 and as exists on the ground.

Acceptance of the D1976 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13457. The D1976 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13458. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1976 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13459. The D1976 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1976 Road pursuant to the County's governmental right and authority.

13460. Witnesses with personal knowledge of the history of the D1976 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13461. Currently known reputation in the community is that the D1976 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13462. Public motor vehicle use of the D1976 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13463. The D1976 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13464. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1976 Road.

13465. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1976 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1977 Road

13466. The D1977 Road is designated as county road number D1977 and SGID road identification number RD191918 and is more or less 0.77 miles long.

13467. Exhibit 1090 (attached hereto and incorporated herein) contains certain information pertaining to the D1977 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13468. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1977 Road solely as it crosses United States public land as included and specifically described in Exhibit 1090. The D1977 Road includes the segment of road specifically set forth in Exhibit 1090 and as exists on the ground.

Acceptance of the D1977 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13469. The D1977 Road has long served as a public highway providing access to and

across public land. This road serves the public's transportation needs.

13470. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1977 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13471. The D1977 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1977 Road pursuant to the County's governmental right and authority.

13472. Witnesses with personal knowledge of the history of the D1977 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13473. Currently known reputation in the community is that the D1977 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13474. Public motor vehicle use of the D1977 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13475. The D1977 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13476. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1977 Road.

13477. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1977 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1978 Road

13478. The D1978 Road is designated as county road number D1978 and SGID road identification number RD191919 and is more or less 0.41 miles long.

13479. Exhibit 1091 (attached hereto and incorporated herein) contains certain information pertaining to the D1978 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13480. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1978 Road solely as it crosses United States public land as included and specifically described in Exhibit 1091. The D1978 Road includes the segment of road specifically set forth in Exhibit 1091 and as exists on the ground.

Acceptance of the D1978 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13481. The D1978 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13482. Aerial photography from 1975 confirms the historical use, existence, and

acceptance of the right-of-way for the D1978 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13483. The D1978 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1978 Road pursuant to the County's governmental right and authority.

13484. Witnesses with personal knowledge of the history of the D1978 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13485. Currently known reputation in the community is that the D1978 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13486. Public motor vehicle use of the D1978 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13487. The D1978 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13488. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the D1978 Road.

13489. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1978 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1984 Road

13490. The D1984 Road is designated as county road number D1984 and SGID road identification number RD191923 and is more or less 0.66 miles long.

13491. Exhibit 1092 (attached hereto and incorporated herein) contains certain information pertaining to the D1984 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13492. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1984 Road solely as it crosses United States public land as included and specifically described in Exhibit 1092. The D1984 Road includes the segment of road specifically set forth in Exhibit 1092 and as exists on the ground.

Acceptance of the D1984 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13493. The D1984 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13494. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1984 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography

continues to show the road as it existed prior to October 21, 1976.

13495. The D1984 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1984 Road pursuant to the County's governmental right and authority.

13496. Witnesses with personal knowledge of the history of the D1984 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13497. Currently known reputation in the community is that the D1984 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13498. Public motor vehicle use of the D1984 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13499. The D1984 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13500. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1984 Road.

13501. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the D1984 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1987 Road

13502. The D1987 Road is designated as county road number D1987 and SGID road identification number RD191925 and is more or less 1.32 miles long.

13503. Exhibit 1093 (attached hereto and incorporated herein) contains certain information pertaining to the D1987 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13504. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1987 Road solely as it crosses United States public land as included and specifically described in Exhibit 1093. The D1987 Road includes the segment of road specifically set forth in Exhibit 1093 and as exists on the ground.

Acceptance of the D1987 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13505. The D1987 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13506. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1987 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13507. The D1987 Road was accepted as a County highway at least 10 years prior to

October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1987 Road pursuant to the County's governmental right and authority.

13508. Witnesses with personal knowledge of the history of the D1987 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13509. Currently known reputation in the community is that the D1987 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13510. Public motor vehicle use of the D1987 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13511. The D1987 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13512. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1987 Road.

13513. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1987 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1988 Road

13514. The D1988 Road is designated as county road number D1988 and SGID road identification number RD191926 and is more or less 1.96 miles long.

13515. Exhibit 1094 (attached hereto and incorporated herein) contains certain information pertaining to the D1988 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13516. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1988 Road solely as it crosses United States public land as included and specifically described in Exhibit 1094. The D1988 Road includes the segment of road specifically set forth in Exhibit 1094 and as exists on the ground.

Acceptance of the D1988 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13517. The D1988 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13518. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1988 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13519. The County confirmed its acceptance of the D1988 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the D1988 Road pursuant to the County's governmental right and authority.

13520. Witnesses with personal knowledge of the history of the D1988 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13521. Currently known reputation in the community is that the D1988 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13522. Public motor vehicle use of the D1988 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13523. The D1988 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13524. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1988 Road.

13525. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1988 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1989 Road

13526. The D1989 Road is designated as county road number D1989 and SGID road identification number RD191927 and is more or less 1.97 miles long.

13527. Exhibit 1095 (attached hereto and incorporated herein) contains certain information pertaining to the D1989 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13528. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1989 Road solely as it crosses United States public land as included and specifically described in Exhibit 1095. The D1989 Road includes the segment of road specifically set forth in Exhibit 1095 and as exists on the ground.

Acceptance of the D1989 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13529. The D1989 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13530. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1989 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13531. The D1989 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1989 Road pursuant to the County's governmental

right and authority.

13532. Witnesses with personal knowledge of the history of the D1989 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13533. Currently known reputation in the community is that the D1989 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13534. Public motor vehicle use of the D1989 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13535. The D1989 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13536. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1989 Road.

13537. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1989 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3359 Road

13538. The D3359 Road is designated as county road number D3359 and SGID road

identification number RD192652 and is more or less 2.95 miles long.

13539. Exhibit 1096 (attached hereto and incorporated herein) contains certain information pertaining to the D3359 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13540. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3359 Road solely as it crosses United States public land as included and specifically described in Exhibit 1096. The D3359 Road includes the segment of road specifically set forth in Exhibit 1096 and as exists on the ground.

Acceptance of the D3359 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13541. The D3359 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13542. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3359 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13543. The appearance of the D3359 Road on the Blanding North (1957) USGS 7.5-minute quadrangle map and the Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13544. The D3359 Road was accepted as a County highway at least 10 years prior to

October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3359 Road pursuant to the County's governmental right and authority.

13545. Witnesses with personal knowledge of the history of the D3359 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13546. Currently known reputation in the community is that the D3359 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13547. Public motor vehicle use of the D3359 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13548. The D3359 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13549. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3359 Road.

13550. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3359 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3420 Road

13551. The D3420 Road is designated as county road number D3420 and SGID road identification number RD192693 and is more or less 1.27 miles long.

13552. Exhibit 1097 (attached hereto and incorporated herein) contains certain information pertaining to the D3420 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13553. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3420 Road solely as it crosses United States public land as included and specifically described in Exhibit 1097. The D3420 Road includes the segment of road specifically set forth in Exhibit 1097 and as exists on the ground.

Acceptance of the D3420 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13554. The D3420 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13555. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3420 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13556. The appearance of the D3420 Road on the Blanding North (1957) USGS 7.5-minute quadrangle map and the Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more

detailed map information.

13557. The County confirmed its acceptance of the D3420 Road by 1974, when it designated and accepted the road as a county highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3420 Road pursuant to the County's governmental right and authority.

13558. Witnesses with personal knowledge of the history of the D3420 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13559. Currently known reputation in the community is that the D3420 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13560. Public motor vehicle use of the D3420 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13561. The D3420 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13562. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3420 Road.

13563. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3420 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3425 Road

13564. The D3425 Road is designated as county road number D3425 and SGID road identification number RD192695 and is more or less 2.50 miles long.

13565. Exhibit 1098 (attached hereto and incorporated herein) contains certain information pertaining to the D3425 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13566. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3425 Road solely as it crosses United States public land as included and specifically described in Exhibit 1098. The D3425 Road includes the segment of road specifically set forth in Exhibit 1098 and as exists on the ground.

Acceptance of the D3425 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13567. The D3425 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13568. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3425 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13569. The D3425 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3425 Road pursuant to the County's governmental right and authority.

13570. Witnesses with personal knowledge of the history of the D3425 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13571. Currently known reputation in the community is that the D3425 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13572. Public motor vehicle use of the D3425 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13573. The D3425 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13574. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3425 Road.

13575. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3425 Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3427 Road

13576. The D3427 Road is designated as county road number D3427 and SGID road identification number RD192697 and is more or less 2.53 miles long.

13577. Exhibit 1099 (attached hereto and incorporated herein) contains certain information pertaining to the D3427 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13578. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3427 Road solely as it crosses United States public land as included and specifically described in Exhibit 1099. The D3427 Road includes the segment of road specifically set forth in Exhibit 1099 and as exists on the ground.

Acceptance of the D3427 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13579. The D3427 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13580. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3427 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13581. The appearance of the D3427 Road on the Blanding North (1957) USGS 7.5-minute quadrangle map and the Blanding (1957) USGS 15-minute quadrangle map evidences the

existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13582. The D3427 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3427 Road pursuant to the County's governmental right and authority.

13583. Witnesses with personal knowledge of the history of the D3427 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13584. Currently known reputation in the community is that the D3427 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13585. Public motor vehicle use of the D3427 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13586. The D3427 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13587. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3427 Road.

13588. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3427 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3428 Road

13589. The D3428 Road is designated as county road number D3428 and SGID road identification number RD192698 and is more or less 2.64 miles long.

13590. Exhibit 1100 (attached hereto and incorporated herein) contains certain information pertaining to the D3428 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13591. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3428 Road solely as it crosses United States public land as included and specifically described in Exhibit 1100. The D3428 Road includes the segment of road specifically set forth in Exhibit 1100 and as exists on the ground.

Acceptance of the D3428 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13592. The D3428 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13593. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3428 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13594. The appearance of the D3428 Road on the Blanding North (1957) USGS 7.5-minute quadrangle map and the Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13595. The D3428 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3428 Road pursuant to the County's governmental right and authority.

13596. Witnesses with personal knowledge of the history of the D3428 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13597. Currently known reputation in the community is that the D3428 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13598. Public motor vehicle use of the D3428 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13599. The D3428 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13600. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3428 Road.

13601. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3428 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3429 Road

13602. The D3429 Road is designated as county road number D3429 and SGID road identification number RD192699 and is more or less 1.57 miles long.

13603. Exhibit 1101 (attached hereto and incorporated herein) contains certain information pertaining to the D3429 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13604. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3429 Road solely as it crosses United States public land as included and specifically described in Exhibit 1101. The D3429 Road includes the segment of road specifically set forth in Exhibit 1101 and as exists on the ground.

Acceptance of the D3429 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13605. The D3429 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13606. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3429 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13607. The D3429 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3429 Road pursuant to the County's governmental right and authority.

13608. Witnesses with personal knowledge of the history of the D3429 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13609. Currently known reputation in the community is that the D3429 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13610. Public motor vehicle use of the D3429 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13611. The D3429 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13612. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3429 Road.

13613. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3429 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3431 Road

13614. The D3431 Road is designated as county road number D3431 and SGID road identification number RD192701 and is more or less 0.87 miles long.

13615. Exhibit 1102 (attached hereto and incorporated herein) contains certain information pertaining to the D3431 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13616. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3431 Road solely as it crosses United States public land as included and specifically described in Exhibit 1102. The D3431 Road includes the segment of road specifically set forth in Exhibit 1102 and as exists on the ground.

Acceptance of the D3431 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13617. The D3431 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13618. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3431 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13619. The appearance of the D3431 Road on the Blanding North (1957) USGS 7.5-minute quadrangle map and the Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13620. The D3431 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3431 Road pursuant to the County's governmental right and authority.

13621. Witnesses with personal knowledge of the history of the D3431 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13622. Currently known reputation in the community is that the D3431 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13623. Public motor vehicle use of the D3431 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13624. The D3431 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13625. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3431 Road.

13626. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3431 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3433 Road

13627. The D3433 Road is designated as county road number D3433 and SGID road identification number RD192703 and is more or less 1.11 miles long.

13628. Exhibit 1103 (attached hereto and incorporated herein) contains certain information pertaining to the D3433 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13629. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3433 Road solely as it crosses United States public land as included and specifically described in Exhibit 1103. The D3433 Road includes the segment of road specifically set forth in Exhibit 1103 and as exists on the ground.

Acceptance of the D3433 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13630. The D3433 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13631. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3433 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13632. The D3433 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3433 Road pursuant to the County's governmental right and authority.

13633. Witnesses with personal knowledge of the history of the D3433 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13634. Currently known reputation in the community is that the D3433 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13635. Public motor vehicle use of the D3433 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13636. The D3433 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13637. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3433 Road.

13638. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3433 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3442 Road

13639. The D3442 Road is designated as county road number D3442 and SGID road identification number RD192709 and is more or less 0.26 miles long.

13640. Exhibit 1104 (attached hereto and incorporated herein) contains certain information pertaining to the D3442 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13641. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3442 Road solely as it crosses United States public land as included and specifically described in Exhibit 1104. The D3442 Road includes the segment of road specifically set forth in Exhibit 1104 and as exists on the ground.

Acceptance of the D3442 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13642. The D3442 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13643. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3442 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13644. The D3442 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3442 Road pursuant to the County's governmental right and authority.

13645. Witnesses with personal knowledge of the history of the D3442 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13646. Currently known reputation in the community is that the D3442 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13647. Public motor vehicle use of the D3442 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13648. The D3442 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13649. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3442 Road.

13650. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3442 Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D5168 Road

13651. The D5168 Road is designated as county road number D5168 and SGID road identification number RD193395 and is more or less 2.26 miles long.

13652. Exhibit 1105 (attached hereto and incorporated herein) contains certain information pertaining to the D5168 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13653. In this action, the State and County seek to quiet title to the public highway right-of-way for the D5168 Road solely as it crosses United States public land as included and specifically described in Exhibit 1105. The D5168 Road includes the segment of road specifically set forth in Exhibit 1105 and as exists on the ground.

Acceptance of the D5168 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13654. The D5168 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13655. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D5168 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13656. The appearance of the D5168 Road on the Monticello Lake (1957) USGS 7.5-minute quadrangle map and the Monticello (1957) USGS 15-minute quadrangle map evidences

the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13657. The D5168 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D5168 Road pursuant to the County's governmental right and authority.

13658. Witnesses with personal knowledge of the history of the D5168 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13659. Currently known reputation in the community is that the D5168 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13660. Public motor vehicle use of the D5168 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13661. The D5168 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13662. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D5168 Road.

13663. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D5168 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D5200 Road

13664. The D5200 Road is designated as county road number D5200 and SGID road identification number RD190779 and is more or less 2.82 miles long.

13665. Exhibit 1106 (attached hereto and incorporated herein) contains certain information pertaining to the D5200 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13666. In this action, the State and County seek to quiet title to the public highway right-of-way for the D5200 Road solely as it crosses United States public land as included and specifically described in Exhibit 1106. The D5200 Road includes the segment of road specifically set forth in Exhibit 1106 and as exists on the ground.

Acceptance of the D5200 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13667. The D5200 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13668. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D5200 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13669. The D5200 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D5200 Road pursuant to the County's governmental right and authority.

13670. Witnesses with personal knowledge of the history of the D5200 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13671. Currently known reputation in the community is that the D5200 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13672. Public motor vehicle use of the D5200 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13673. The D5200 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13674. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D5200 Road.

13675. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D5200 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

SEVENTEENTH CAUSE OF ACTION – QUIET TITLE
LA SAL LOOP ROAD AREA

13676. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

13677. The La Sal Loop Road Area is located in northeastern San Juan County and is shown on Exhibit 19, attached hereto and incorporated herein.

13678. The La Sal Loop Road Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Black Ridge Road, B174; (2) Brown's Hole Road, B130; (3) Ken's Lake Road, B175; (4) La Sal Loop Road, B127; (5) Lackey Basin Road, B155; (6) Pack Creek Road, B128; (7) Pole Canyon Road, B173; (8) Yellow Circle Road, B129; (9) D0468 Road; (10) D0631 Road; (11) D0639 Road; (12) D0640 Road; (13) D0641 Road; (14) D0643 Road; (15) D0644 Road; (16) D0645 Road; (17) D0646 Road; (18) D0647 Road; (19) D0649 Road; (20) D0650 Road; (21) D0651 Road; (22) D0669 Road; (23) D0670 Road; (24) D0671 Road; (25) D0672 Road; (26) D0673 Road; (27) D0674 Road; (28) D0676 Road; (29) D0678 Road; (30) D0680 Road; (31) D0682 Road; (32) D0684 Road; (33) D0685 Road; (34) D0686 Road; (35) D0687 Road; (36) D1006 Road; (37) D1007 Road; (38) D1008 Road; (39) D1009 Road; (40) D1010 Road; (41) D1012 Road; (42) D1014 Road; (43) D1016 Road; (44) D1018 Road; (45) D1019 Road; (46) D1020 Road; (47) D1705 Road; (48) D1755 Road; (49) D2442 Road; (50) D2522 Road; (51) D2751 Road; (52) D2758 Road; (53) D2760 Road; (54) D2765 Road; (55) D2769 Road; (56) D2770 Road; (57) D2773

Road; (58) D2775 Road; (59) D2782 Road; (60) D2783 Road; (61) D2784 Road; (62) D2790 Road; (63) D2835 Road; (64) D2836 Road; (65) D2837 Road; (66) D2838 Road; (67) D2842 Road; (68) D2843 Road; (69) D2847 Road; (70) D2849 Road; (71) D2851 Road; (72) D2854 Road; (73) D2859 Road; (74) D2860 Road; (75) D2871 Road; (76) D2872 Road; (77) D2873 Road; (78) D2874 Road; (79) D2876 Road; (80) D2878 Road; (81) D2888 Road; (82) D3002 Road; (83) D3003 Road; (84) D3009 Road; (85) D3011 Road; (86) D3012 Road; (87) D3015 Road; (88) D5118 Road; (89) D5216 Road; (90) D5229 Road; and (91) D5232 Road.

13679. Each right-of-way claimed in the La Sal Loop Road Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

13680. All rights-of-way claimed in the La Sal Loop Road Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

13681. All rights-of-way claimed in the La Sal Loop Road Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

13682. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Black Ridge Road, B174

13683. The Black Ridge Road is designated as county road number B174 and SGID road identification number RD190128 and is more or less 10.46 miles long.

13684. Exhibit 1107 (attached hereto and incorporated herein) contains certain information pertaining to the Black Ridge Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13685. In this action, the State and County seek to quiet title to the public highway right-of-way for the Black Ridge Road solely as it crosses United States public land as included and specifically described in Exhibit 1107. The Black Ridge Road includes the segment of road specifically set forth in Exhibit 1107 and as exists on the ground.

Acceptance of the Black Ridge Road R.S. 2477 Right-of-way Prior to October 21, 1976

13686. The Black Ridge Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13687. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Black Ridge Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13688. The appearance of the Black Ridge Road on the La Sal West (1954), La Sal Junction (1954), and Kane Springs (1954) USGS 7.5-minute quadrangle maps and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13689. The County confirmed its acceptance of the Black Ridge Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Black Ridge Road using public funds pursuant to the County's governmental right and authority.

13690. Witnesses with personal knowledge of the history of the Black Ridge Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13691. Currently known reputation in the community is that the Black Ridge Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13692. Public motor vehicle use of the Black Ridge Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

13693. The Black Ridge Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13694. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Black Ridge Road.

13695. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Black Ridge Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Brown's Hole Road, B130

13696. The Brown's Hole Road is designated as county road number B130 and SGID road identification number RD190060 and is more or less 4.45 miles long.

13697. Exhibit 1108 (attached hereto and incorporated herein) contains certain information pertaining to the Brown's Hole Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13698. In this action, the State and County seek to quiet title to the public highway right-of-way for the Brown's Hole Road solely as it crosses United States public land as included and specifically described in Exhibit 1108. The Brown's Hole Road includes the segment of road specifically set forth in Exhibit 1108 and as exists on the ground.

Acceptance of the Brown's Hole Road R.S. 2477 Right-of-way Prior to October 21, 1976

13699. The Brown's Hole Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13700. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Brown's Hole Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13701. The appearance of the Brown's Hole Road on the La Sal West (1954) and La Sal Junction (1954) USGS 7.5-minute quadrangle maps and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13702. The County confirmed its acceptance of the Brown's Hole Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Brown's Hole Road using public funds pursuant to the County's governmental right and authority.

13703. Witnesses with personal knowledge of the history of the Brown's Hole Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13704. Currently known reputation in the community is that the Brown's Hole Road has

been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13705. Public motor vehicle use of the Brown's Hole Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13706. The Brown's Hole Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13707. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Brown's Hole Road.

13708. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Brown's Hole Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Ken's Lake Road, B175

13709. The Ken's Lake Road is designated as county road number B175 and SGID road identification number RD190129 and is more or less 2.30 miles long.

13710. Exhibit 1109 (attached hereto and incorporated herein) contains certain information pertaining to the Ken's Lake Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership

list; and a complete centerline description of the road.

13711. In this action, the State and County seek to quiet title to the public highway right-of-way for the Ken's Lake Road solely as it crosses United States public land as included and specifically described in Exhibit 1109. The Ken's Lake Road includes the segment of road specifically set forth in Exhibit 1109 and as exists on the ground.

Acceptance of the Ken's Lake Road R.S. 2477 Right-of-way Prior to October 21, 1976

13712. The Ken's Lake Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13713. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Ken's Lake Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13714. The appearance of the Ken's Lake Road on the Kane Springs (1954) USGS 7.5-minute quadrangle map and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13715. The County confirmed its acceptance of the Ken's Lake Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Ken's Lake Road using public funds pursuant to the County's governmental right and authority.

13716. Witnesses with personal knowledge of the history of the Ken's Lake Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13717. Currently known reputation in the community is that the Ken's Lake Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13718. Public motor vehicle use of the Ken's Lake Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13719. The Ken's Lake Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13720. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Ken's Lake Road.

13721. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Ken's Lake Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

La Sal Loop Road, B127

13722. The La Sal Loop Road is designated as county road number B127 and SGID road identification number RD190054 and is more or less 16.07 miles long.

13723. Exhibit 1110 (attached hereto and incorporated herein) contains certain information pertaining to the La Sal Loop Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13724. In this action, the State and County seek to quiet title to the public highway right-of-way for the La Sal Loop Road solely as it crosses United States public land as included and specifically described in Exhibit 1110. The La Sal Loop Road includes the segment of road specifically set forth in Exhibit 1110 and as exists on the ground.

Acceptance of the La Sal Loop Road R.S. 2477 Right-of-way Prior to October 21, 1976

13725. The La Sal Loop Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13726. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the La Sal Loop Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13727. The appearance of the La Sal Loop Road on the Kane Springs (1954) and Mount Tukuhnikivatz (1954) USGS 7.5-minute quadrangle maps and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way

underlying this road. *See* Exhibit 27 for more detailed map information.

13728. The County confirmed its acceptance of the La Sal Loop Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the La Sal Loop Road using public funds pursuant to the County's governmental right and authority.

13729. Witnesses with personal knowledge of the history of the La Sal Loop Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13730. Currently known reputation in the community is that the La Sal Loop Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13731. Public motor vehicle use of the La Sal Loop Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13732. The La Sal Loop Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13733. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the La Sal Loop Road.

13734. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the La Sal Loop Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Lackey Basin Road, B155

13735. The Lackey Basin Road is designated as county road number B155 and SGID road identification number RD190109 and is more or less 1.57 miles long.

13736. Exhibit 1111 (attached hereto and incorporated herein) contains certain information pertaining to the Lackey Basin Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13737. In this action, the State and County seek to quiet title to the public highway right-of-way for the Lackey Basin Road solely as it crosses United States public land as included and specifically described in Exhibit 1111. The Lackey Basin Road includes the segment of road specifically set forth in Exhibit 1111 and as exists on the ground.

Acceptance of the Lackey Basin Road R.S. 2477 Right-of-way Prior to October 21, 1976

13738. The Lackey Basin Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13739. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Lackey Basin Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13740. The appearance of the Lackey Basin Road on the La Sal West (1954) USGS 7.5-minute quadrangle map and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13741. The County confirmed its acceptance of the Lackey Basin Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Lackey Basin Road using public funds pursuant to the County's governmental right and authority.

13742. Witnesses with personal knowledge of the history of the Lackey Basin Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13743. Currently known reputation in the community is that the Lackey Basin Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13744. Public motor vehicle use of the Lackey Basin Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

13745. The Lackey Basin Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13746. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Lackey Basin Road.

13747. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Lackey Basin Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Pack Creek Road, B128

13748. The Pack Creek Road is designated as county road number B128 and SGID road identification number RD190056 and is more or less 3.46 miles long.

13749. Exhibit 1112 (attached hereto and incorporated herein) contains certain information pertaining to the Pack Creek Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13750. In this action, the State and County seek to quiet title to the public highway right-of-way for the Pack Creek Road solely as it crosses United States public land as included and specifically described in Exhibit 1112. The Pack Creek Road includes the segment of road specifically set forth in Exhibit 1112 and as exists on the ground.

Acceptance of the Pack Creek Road R.S. 2477 Right-of-way Prior to October 21, 1976

13751. The Pack Creek Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13752. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Pack Creek Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13753. The appearance of the Pack Creek Road on the Kane Springs (1954) and Mount Tukuhnikivatz (1954) USGS 7.5-minute quadrangle maps and the La Sal Junction (1954) USG 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13754. The County confirmed its acceptance of the Pack Creek Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Pack Creek Road using public funds pursuant to the County's governmental right and authority.

13755. Witnesses with personal knowledge of the history of the Pack Creek Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13756. Currently known reputation in the community is that the Pack Creek Road has

been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13757. Public motor vehicle use of the Pack Creek Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13758. The Pack Creek Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13759. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Pack Creek Road.

13760. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Pack Creek Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Pole Canyon Road, B173

13761. The Pole Canyon Road is designated as county road number B173 and SGID road identification number RD190127 and is more or less 6.84 miles long.

13762. Exhibit 1113 (attached hereto and incorporated herein) contains certain information pertaining to the Pole Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership

list; and a complete centerline description of the road.

13763. In this action, the State and County seek to quiet title to the public highway right-of-way for the Pole Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 1113. The Pole Canyon Road includes the segment of road specifically set forth in Exhibit 1113 and as exists on the ground.

Acceptance of the Pole Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

13764. The Pole Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13765. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Pole Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13766. The appearance of the Pole Canyon Road on the Kane Springs (1954) USGS 7.5-minute quadrangle map and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13767. The County confirmed its acceptance of the Pole Canyon Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Pole Canyon Road using public funds pursuant to the County's governmental right and authority.

13768. Witnesses with personal knowledge of the history of the Pole Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13769. Currently known reputation in the community is that the Pole Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13770. Public motor vehicle use of the Pole Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13771. The Pole Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13772. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Pole Canyon Road.

13773. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Pole Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Yellow Circle Road, B129

13774. The Yellow Circle Road is designated as county road number B129 and SGID road identification number RD190058 and is more or less 1.59 miles long.

13775. Exhibit 1114 (attached hereto and incorporated herein) contains certain information pertaining to the Yellow Circle Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13776. In this action, the State and County seek to quiet title to the public highway right-of-way for the Yellow Circle Road solely as it crosses United States public land as included and specifically described in Exhibit 1114. The Yellow Circle Road includes the segment of road specifically set forth in Exhibit 1114 and as exists on the ground.

Acceptance of the Yellow Circle Road R.S. 2477 Right-of-way Prior to October 21, 1976

13777. The Yellow Circle Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13778. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Yellow Circle Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13779. The appearance of the Yellow Circle Road on the Kane Springs (1954) USGS 7.5-minute quadrangle map and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See*

Exhibit 27 for more detailed map information.

13780. The County confirmed its acceptance of the Yellow Circle Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Yellow Circle Road using public funds pursuant to the County's governmental right and authority.

13781. Witnesses with personal knowledge of the history of the Yellow Circle Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13782. Currently known reputation in the community is that the Yellow Circle Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13783. Public motor vehicle use of the Yellow Circle Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13784. The Yellow Circle Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13785. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the Yellow Circle Road.

13786. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Yellow Circle Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0468 Road

13787. The D0468 Road is designated as county road number D0468 and SGID road identification number RD191100 and is more or less 1.99 miles long.

13788. Exhibit 1115 (attached hereto and incorporated herein) contains certain information pertaining to the D0468 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13789. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0468 Road solely as it crosses United States public land as included and specifically described in Exhibit 1115. The D0468 Road includes the segment of road specifically set forth in Exhibit 1115 and as exists on the ground.

Acceptance of the D0468 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13790. The D0468 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13791. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0468 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13792. The County confirmed its acceptance of the D0468 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0468 Road pursuant to the County's governmental right and authority.

13793. Witnesses with personal knowledge of the history of the D0468 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13794. Currently known reputation in the community is that the D0468 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13795. Public motor vehicle use of the D0468 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13796. The D0468 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13797. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0468 Road.

13798. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0468 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0631 Road

13799. The D0631 Road is designated as county road number D0631 and SGID road identification number RD191198 and is more or less 0.90 miles long.

13800. Exhibit 1116 (attached hereto and incorporated herein) contains certain information pertaining to the D0631 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13801. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0631 Road solely as it crosses United States public land as included and specifically described in Exhibit 1116. The D0631 Road includes the segment of road specifically set forth in Exhibit 1116 and as exists on the ground.

Acceptance of the D0631 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13802. The D0631 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13803. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0631 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13804. The appearance of the D0631 Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13805. The County confirmed its acceptance of the D0631 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0631 Road pursuant to the County's governmental right and authority.

13806. Witnesses with personal knowledge of the history of the D0631 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13807. Currently known reputation in the community is that the D0631 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13808. Public motor vehicle use of the D0631 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13809. The D0631 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13810. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0631 Road.

13811. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0631 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0639 Road

13812. The D0639 Road is designated as county road number D0639 and SGID road identification number RD191206 and is more or less 0.25 miles long.

13813. Exhibit 1117 (attached hereto and incorporated herein) contains certain information pertaining to the D0639 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13814. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0639 Road solely as it crosses United States public land as included and specifically described in Exhibit 1117. The D0639 Road includes the segment of road specifically set forth in Exhibit 1117 and as exists on the ground.

Acceptance of the D0639 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13815. The D0639 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13816. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0639 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13817. The D0639 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0639 Road pursuant to the County's governmental right and authority.

13818. Witnesses with personal knowledge of the history of the D0639 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13819. Currently known reputation in the community is that the D0639 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13820. Public motor vehicle use of the D0639 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13821. The D0639 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13822. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0639 Road.

13823. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0639 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0640 Road

13824. The D0640 Road is designated as county road number D0640 and SGID road identification number RD191207 and is more or less 5.47 miles long.

13825. Exhibit 1118 (attached hereto and incorporated herein) contains certain information pertaining to the D0640 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13826. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0640 Road solely as it crosses United States public land as included and specifically described in Exhibit 1118. The D0640 Road includes the segment of road specifically set forth in Exhibit 1118 and as exists on the ground.

Acceptance of the D0640 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13827. The D0640 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13828. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0640 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13829. The appearance of the D0640 Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13830. The County confirmed its acceptance of the D0640 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0640 Road pursuant to the County's governmental right and authority.

13831. Witnesses with personal knowledge of the history of the D0640 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13832. Currently known reputation in the community is that the D0640 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13833. Public motor vehicle use of the D0640 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13834. The D0640 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13835. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0640 Road.

13836. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0640 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0641 Road

13837. The D0641 Road is designated as county road number D0641 and SGID road identification number RD190617 and is more or less 1.72 miles long.

13838. Exhibit 1119 (attached hereto and incorporated herein) contains certain information pertaining to the D0641 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13839. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0641 Road solely as it crosses United States public land as included and specifically described in Exhibit 1119. The D0641 Road includes the segment of road specifically set forth in Exhibit 1119 and as exists on the ground.

Acceptance of the D0641 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13840. The D0641 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13841. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0641 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13842. The appearance of the D0641 Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13843. The D0641 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0641 Road pursuant to the County's governmental right and authority.

13844. Witnesses with personal knowledge of the history of the D0641 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13845. Currently known reputation in the community is that the D0641 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13846. Public motor vehicle use of the D0641 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13847. The D0641 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13848. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0641 Road.

13849. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0641 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0643 Road

13850. The D0643 Road is designated as county road number D0643 and SGID road identification number RD191208 and is more or less 0.75 miles long.

13851. Exhibit 1120 (attached hereto and incorporated herein) contains certain information pertaining to the D0643 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13852. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0643 Road solely as it crosses United States public land as included and specifically described in Exhibit 1120. The D0643 Road includes the segment of road specifically set forth in Exhibit 1120 and as exists on the ground.

Acceptance of the D0643 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13853. The D0643 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13854. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0643 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13855. The D0643 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0643 Road pursuant to the County's governmental right and authority.

13856. Witnesses with personal knowledge of the history of the D0643 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13857. Currently known reputation in the community is that the D0643 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13858. Public motor vehicle use of the D0643 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13859. The D0643 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13860. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0643 Road.

13861. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0643 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0644 Road

13862. The D0644 Road is designated as county road number D0644 and SGID road identification number RD191209 and is more or less 0.43 miles long.

13863. Exhibit 1121 (attached hereto and incorporated herein) contains certain information pertaining to the D0644 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13864. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0644 Road solely as it crosses United States public land as included and specifically described in Exhibit 1121. The D0644 Road includes the segment of road specifically set forth in Exhibit 1121 and as exists on the ground.

Acceptance of the D0644 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13865. The D0644 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13866. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0644 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13867. The appearance of the D0644 Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13868. The D0644 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0644 Road pursuant to the County's governmental right and authority.

13869. Witnesses with personal knowledge of the history of the D0644 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13870. Currently known reputation in the community is that the D0644 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13871. Public motor vehicle use of the D0644 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13872. The D0644 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13873. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0644 Road.

13874. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0644 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0645 Road

13875. The D0645 Road is designated as county road number D0645 and SGID road identification number RD190618 and is more or less 3.68 miles long.

13876. Exhibit 1122 (attached hereto and incorporated herein) contains certain information pertaining to the D0645 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13877. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0645 Road solely as it crosses United States public land as included and specifically described in Exhibit 1122. The D0645 Road includes the segment of road specifically set forth in Exhibit 1122 and as exists on the ground.

Acceptance of the D0645 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13878. The D0645 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13879. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0645 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13880. The appearance of the D0645 Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences

the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13881. The County confirmed its acceptance of the D0645 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0645 Road pursuant to the County's governmental right and authority.

13882. Witnesses with personal knowledge of the history of the D0645 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13883. Currently known reputation in the community is that the D0645 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13884. Public motor vehicle use of the D0645 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13885. The D0645 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13886. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0645 Road.

13887. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0645 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0646 Road

13888. The D0646 Road is designated as county road number D0646 and SGID road identification number RD190619 and is more or less 5.06 miles long.

13889. Exhibit 1123 (attached hereto and incorporated herein) contains certain information pertaining to the D0646 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13890. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0646 Road solely as it crosses United States public land as included and specifically described in Exhibit 1123. The D0646 Road includes the segment of road specifically set forth in Exhibit 1123 and as exists on the ground.

Acceptance of the D0646 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13891. The D0646 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13892. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0646 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13893. The appearance of the D0646 Road on the La Sal Junction (1954) and Kane Springs (1954) USGS 7.5-minute quadrangle maps, and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13894. The County confirmed its acceptance of the D0646 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0646 Road pursuant to the County's governmental right and authority.

13895. Witnesses with personal knowledge of the history of the D0646 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13896. Currently known reputation in the community is that the D0646 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13897. Public motor vehicle use of the D0646 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13898. The D0646 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13899. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0646 Road.

13900. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0646 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0647 Road

13901. The D0647 Road is designated as county road number D0647 and SGID road identification number RD191210 and is more or less 0.38 miles long.

13902. Exhibit 1124 (attached hereto and incorporated herein) contains certain information pertaining to the D0647 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13903. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0647 Road solely as it crosses United States public land as included and specifically described in Exhibit 1124. The D0647 Road includes the segment of road specifically set forth in Exhibit 1124 and as exists on the ground.

Acceptance of the D0647 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13904. The D0647 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13905. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0647 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13906. The D0647 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0647 Road pursuant to the County's governmental right and authority.

13907. Witnesses with personal knowledge of the history of the D0647 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13908. Currently known reputation in the community is that the D0647 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13909. Public motor vehicle use of the D0647 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13910. The D0647 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13911. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0647 Road.

13912. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0647 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0649 Road

13913. The D0649 Road is designated as county road number D0649 and SGID road identification number RD190620 and is more or less 1.44 miles long.

13914. Exhibit 1125 (attached hereto and incorporated herein) contains certain information pertaining to the D0649 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13915. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0649 Road solely as it crosses United States public land as included and specifically described in Exhibit 1125. The D0649 Road includes the segment of road specifically set forth in Exhibit 1125 and as exists on the ground.

Acceptance of the D0649 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13916. The D0649 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13917. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0649 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13918. The D0649 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0649 Road pursuant to the County's governmental right and authority.

13919. Witnesses with personal knowledge of the history of the D0649 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13920. Currently known reputation in the community is that the D0649 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13921. Public motor vehicle use of the D0649 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13922. The D0649 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13923. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0649 Road.

13924. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0649 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0650 Road

13925. The D0650 Road is designated as county road number D0650 and SGID road identification number RD191212 and is more or less 1.79 miles long.

13926. Exhibit 1126 (attached hereto and incorporated herein) contains certain information pertaining to the D0650 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13927. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0650 Road solely as it crosses United States public land as included and specifically described in Exhibit 1126. The D0650 Road includes the segment of road specifically set forth in Exhibit 1126 and as exists on the ground.

Acceptance of the D0650 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13928. The D0650 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13929. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0650 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13930. The D0650 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0650 Road pursuant to the County's governmental right and authority.

13931. Witnesses with personal knowledge of the history of the D0650 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13932. Currently known reputation in the community is that the D0650 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13933. Public motor vehicle use of the D0650 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13934. The D0650 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13935. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0650 Road.

13936. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0650 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0651 Road

13937. The D0651 Road is designated as county road number D0651 and SGID road identification number RD191213 and is more or less 1.69 miles long.

13938. Exhibit 1127 (attached hereto and incorporated herein) contains certain information pertaining to the D0651 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13939. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0651 Road solely as it crosses United States public land as included and specifically described in Exhibit 1127. The D0651 Road includes the segment of road specifically set forth in Exhibit 1127 and as exists on the ground.

Acceptance of the D0651 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13940. The D0651 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13941. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0651 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13942. The appearance of the D0651 Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13943. The D0651 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0651 Road pursuant to the County's governmental right and authority.

13944. Witnesses with personal knowledge of the history of the D0651 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13945. Currently known reputation in the community is that the D0651 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13946. Public motor vehicle use of the D0651 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13947. The D0651 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13948. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0651 Road.

13949. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0651 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0669 Road

13950. The D0669 Road is designated as county road number D0669 and SGID road identification number RD191228 and is more or less 1.94 miles long.

13951. Exhibit 1128 (attached hereto and incorporated herein) contains certain information pertaining to the D0669 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13952. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0669 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1128. The D0669 Road includes the segment of road specifically set forth in Exhibit 1128 and as exists on the ground.

Acceptance of the D0669 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13953. The D0669 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13954. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0669 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13955. The appearance of the D0669 Road on the Kane Springs (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13956. The D0669 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0669 Road pursuant to the County's governmental right and authority.

13957. Witnesses with personal knowledge of the history of the D0669 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13958. Currently known reputation in the community is that the D0669 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13959. Public motor vehicle use of the D0669 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13960. The D0669 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13961. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0669 Road.

13962. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0669 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0670 Road

13963. The D0670 Road is designated as county road number D0670 and SGID road identification number RD191229 and is more or less 2.35 miles long.

13964. Exhibit 1129 (attached hereto and incorporated herein) contains certain information pertaining to the D0670 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13965. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0670 Road solely as it crosses United States public land as included and specifically described in Exhibit 1129. The D0670 Road includes the segment of road specifically set forth in Exhibit 1129 and as exists on the ground.

Acceptance of the D0670 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13966. The D0670 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13967. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0670 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13968. The appearance of the D0670 Road on the Kane Springs (1954) and Mount Tukuhnikivatz (1954) USGS 7.5-minute quadrangle maps, and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13969. The County confirmed its acceptance of the D0670 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the D0670 Road pursuant to the County's governmental right and authority.

13970. Witnesses with personal knowledge of the history of the D0670 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13971. Currently known reputation in the community is that the D0670 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13972. Public motor vehicle use of the D0670 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13973. The D0670 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13974. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0670 Road.

13975. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0670 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0671 Road

13976. The D0671 Road is designated as county road number D0671 and SGID road identification number RD191230 and is more or less 6.44 miles long.

13977. Exhibit 1130 (attached hereto and incorporated herein) contains certain information pertaining to the D0671 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13978. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0671 Road solely as it crosses United States public land as included and specifically described in Exhibit 1130. The D0671 Road includes the segment of road specifically set forth in Exhibit 1130 and as exists on the ground.

Acceptance of the D0671 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13979. The D0671 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13980. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0671 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13981. The appearance of the D0671 Road on the Kane Springs (1954) and Mount Tukuhnikivatz (1954) USGS 7.5-minute quadrangle maps, and La Sal Junction (1954) USGS 15-

minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13982. The County confirmed its acceptance of the D0671 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0671 Road pursuant to the County's governmental right and authority.

13983. Witnesses with personal knowledge of the history of the D0671 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13984. Currently known reputation in the community is that the D0671 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13985. Public motor vehicle use of the D0671 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13986. The D0671 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13987. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0671 Road.

13988. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0671 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0672 Road

13989. The D0672 Road is designated as county road number D0672 and SGID road identification number RD191231 and is more or less 6.15 miles long.

13990. Exhibit 1131 (attached hereto and incorporated herein) contains certain information pertaining to the D0672 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13991. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0672 Road solely as it crosses United States public land as included and specifically described in Exhibit 1131. The D0672 Road includes the segment of road specifically set forth in Exhibit 1131 and as exists on the ground.

Acceptance of the D0672 Road R.S. 2477 Right-of-way Prior to October 21, 1976

13992. The D0672 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13993. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0672 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13994. The appearance of the D0672 Road on the Kane Springs (1954) and Mount Tukuhnikivatz (1954) USGS 7.5-minute quadrangle maps and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

13995. The County confirmed its acceptance of the D0672 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0672 Road pursuant to the County's governmental right and authority.

13996. Witnesses with personal knowledge of the history of the D0672 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

13997. Currently known reputation in the community is that the D0672 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13998. Public motor vehicle use of the D0672 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13999. The D0672 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14000. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0672 Road.

14001. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0672 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0673 Road

14002. The D0673 Road is designated as county road number D0673 and SGID road identification number RD191232 and is more or less 2.33 miles long.

14003. Exhibit 1132 (attached hereto and incorporated herein) contains certain information pertaining to the D0673 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14004. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0673 Road solely as it crosses United States public land as included and specifically described in Exhibit 1132. The D0673 Road includes the segment of road specifically set forth in Exhibit 1132 and as exists on the ground.

Acceptance of the D0673 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14005. The D0673 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14006. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0673 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14007. Witnesses with personal knowledge of the history of the D0673 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14008. Currently known reputation in the community is that the D0673 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14009. Public motor vehicle use of the D0673 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14010. The D0673 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14011. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0673 Road.

14012. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0673 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0674 Road

14013. The D0674 Road is designated as county road number D0674 and SGID road identification number RD191233 and is more or less 2.86 miles long.

14014. Exhibit 1133 (attached hereto and incorporated herein) contains certain information pertaining to the D0674 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14015. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0674 Road solely as it crosses United States public land as included and specifically described in Exhibit 1133. The D0674 Road includes the segment of road specifically set forth in Exhibit 1133 and as exists on the ground.

Acceptance of the D0674 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14016. The D0674 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14017. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0674 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14018. The D0674 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0674 Road pursuant to the County's governmental right and authority.

14019. Witnesses with personal knowledge of the history of the D0674 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14020. Currently known reputation in the community is that the D0674 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14021. Public motor vehicle use of the D0674 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14022. The D0674 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14023. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0674 Road.

14024. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0674 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0676 Road

14025. The D0676 Road is designated as county road number D0676 and SGID road identification number RD191235 and is more or less 0.69 miles long.

14026. Exhibit 1134 (attached hereto and incorporated herein) contains certain information pertaining to the D0676 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14027. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0676 Road solely as it crosses United States public land as included and specifically described in Exhibit 1134. The D0676 Road includes the segment of road specifically set forth in Exhibit 1134 and as exists on the ground.

Acceptance of the D0676 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14028. The D0676 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14029. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0676 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14030. The D0676 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0676 Road pursuant to the County's governmental right and authority.

14031. Witnesses with personal knowledge of the history of the D0676 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14032. Currently known reputation in the community is that the D0676 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14033. Public motor vehicle use of the D0676 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14034. The D0676 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14035. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0676 Road.

14036. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0676 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0678 Road

14037. The D0678 Road is designated as county road number D0678 and SGID road identification number RD191237 and is more or less 2.75 miles long.

14038. Exhibit 1135 (attached hereto and incorporated herein) contains certain information pertaining to the D0678 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14039. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0678 Road solely as it crosses United States public land as included and specifically described in Exhibit 1135. The D0678 Road includes the segment of road specifically set forth in Exhibit 1135 and as exists on the ground.

Acceptance of the D0678 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14040. The D0678 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14041. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0678 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14042. The appearance of the D0678 Road on the Kane Springs (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14043. The D0678 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0678 Road pursuant to the County's governmental right and authority.

14044. Witnesses with personal knowledge of the history of the D0678 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14045. Currently known reputation in the community is that the D0678 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14046. Public motor vehicle use of the D0678 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14047. The D0678 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14048. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0678 Road.

14049. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0678 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0680 Road

14050. The D0680 Road is designated as county road number D0680 and SGID road identification number RD191238 and is more or less 1.49 miles long.

14051. Exhibit 1136 (attached hereto and incorporated herein) contains certain information pertaining to the D0680 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14052. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0680 Road solely as it crosses United States public land as included and specifically described in Exhibit 1136. The D0680 Road includes the segment of road specifically set forth in Exhibit 1136 and as exists on the ground.

Acceptance of the D0680 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14053. The D0680 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14054. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0680 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14055. The appearance of the D0680 Road on the Kane Springs (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14056. The County confirmed its acceptance of the D0680 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0680 Road pursuant to the County's governmental right and authority.

14057. Witnesses with personal knowledge of the history of the D0680 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14058. Currently known reputation in the community is that the D0680 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14059. Public motor vehicle use of the D0680 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14060. The D0680 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14061. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0680 Road.

14062. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0680 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0682 Road

14063. The D0682 Road is designated as county road number D0682 and SGID road identification number RD191240 and is more or less 0.63 miles long.

14064. Exhibit 1137 (attached hereto and incorporated herein) contains certain information pertaining to the D0682 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14065. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0682 Road solely as it crosses United States public land as included and specifically described in Exhibit 1137. The D0682 Road includes the segment of road specifically set forth in Exhibit 1137 and as exists on the ground.

Acceptance of the D0682 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14066. The D0682 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14067. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0682 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14068. The appearance of the D0682 Road on the La Sal West (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14069. The D0682 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0682 Road pursuant to the County's governmental right and authority.

14070. Witnesses with personal knowledge of the history of the D0682 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14071. Currently known reputation in the community is that the D0682 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14072. Public motor vehicle use of the D0682 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14073. The D0682 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14074. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0682 Road.

14075. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0682 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0684 Road

14076. The D0684 Road is designated as county road number D0684 and SGID road identification number RD191241 and is more or less 0.77 miles long.

14077. Exhibit 1138 (attached hereto and incorporated herein) contains certain information pertaining to the D0684 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14078. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0684 Road solely as it crosses United States public land as included and specifically described in Exhibit 1138. The D0684 Road includes the segment of road specifically set forth in Exhibit 1138 and as exists on the ground.

Acceptance of the D0684 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14079. The D0684 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14080. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0684 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14081. The appearance of the D0684 Road on the Kane Springs (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14082. The County confirmed its acceptance of the D0684 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map.

The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0684 Road pursuant to the County's governmental right and authority.

14083. Witnesses with personal knowledge of the history of the D0684 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14084. Currently known reputation in the community is that the D0684 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14085. Public motor vehicle use of the D0684 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14086. The D0684 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14087. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0684 Road.

14088. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0684 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0685 Road

14089. The D0685 Road is designated as county road number D0685 and SGID road identification number RD191242 and is more or less 0.07 miles long.

14090. Exhibit 1139 (attached hereto and incorporated herein) contains certain information pertaining to the D0685 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14091. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0685 Road solely as it crosses United States public land as included and specifically described in Exhibit 1139. The D0685 Road includes the segment of road specifically set forth in Exhibit 1139 and as exists on the ground.

Acceptance of the D0685 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14092. The D0685 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14093. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0685 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14094. The D0685 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0685 Road pursuant to the County's governmental right and authority.

14095. Witnesses with personal knowledge of the history of the D0685 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14096. Currently known reputation in the community is that the D0685 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14097. Public motor vehicle use of the D0685 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14098. The D0685 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14099. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0685 Road.

14100. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0685 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0686 Road

14101. The D0686 Road is designated as county road number D0686 and SGID road identification number RD191243 and is more or less 0.85 miles long.

14102. Exhibit 1140 (attached hereto and incorporated herein) contains certain information pertaining to the D0686 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14103. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0686 Road solely as it crosses United States public land as included and specifically described in Exhibit 1140. The D0686 Road includes the segment of road specifically set forth in Exhibit 1140 and as exists on the ground.

Acceptance of the D0686 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14104. The D0686 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14105. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0686 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14106. The D0686 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0686 Road pursuant to the County's governmental right and authority.

14107. Witnesses with personal knowledge of the history of the D0686 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14108. Currently known reputation in the community is that the D0686 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14109. Public motor vehicle use of the D0686 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14110. The D0686 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14111. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0686 Road.

14112. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0686 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0687 Road

14113. The D0687 Road is designated as county road number D0687 and SGID road identification number RD191244 and is more or less 7.21 miles long.

14114. Exhibit 1141 (attached hereto and incorporated herein) contains certain information pertaining to the D0687 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14115. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0687 Road solely as it crosses United States public land as included and specifically described in Exhibit 1141. The D0687 Road includes the segment of road specifically set forth in Exhibit 1141 and as exists on the ground.

Acceptance of the D0687 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14116. The D0687 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14117. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0687 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14118. The appearance of the D0687 Road on the La Sal West (1954) and Mount Tukuhnikivatz (1954) USGS 7.5-minute quadrangle maps, and La Sal Junction (1954) USGS 15-

minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14119. The County confirmed its acceptance of the D0687 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0687 Road pursuant to the County's governmental right and authority.

14120. Witnesses with personal knowledge of the history of the D0687 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14121. Currently known reputation in the community is that the D0687 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14122. Public motor vehicle use of the D0687 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14123. The D0687 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14124. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0687 Road.

14125. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0687 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1006 Road

14126. The D1006 Road is designated as county road number D1006 and SGID road identification number RD191459 and is more or less 2.92 miles long.

14127. Exhibit 1142 (attached hereto and incorporated herein) contains certain information pertaining to the D1006 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14128. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1006 Road solely as it crosses United States public land as included and specifically described in Exhibit 1142. The D1006 Road includes the segment of road specifically set forth in Exhibit 1142 and as exists on the ground.

Acceptance of the D1006 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14129. The D1006 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14130. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1006 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14131. The D1006 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1006 Road pursuant to the County's governmental right and authority.

14132. Witnesses with personal knowledge of the history of the D1006 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14133. Currently known reputation in the community is that the D1006 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14134. Public motor vehicle use of the D1006 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14135. The D1006 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14136. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1006 Road.

14137. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1006 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1007 Road

14138. The D1007 Road is designated as county road number D1007 and SGID road identification number RD191460 and is more or less 4.09 miles long.

14139. Exhibit 1143 (attached hereto and incorporated herein) contains certain information pertaining to the D1007 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14140. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1007 Road solely as it crosses United States public land as included and specifically described in Exhibit 1143. The D1007 Road includes the segment of road specifically set forth in Exhibit 1143 and as exists on the ground.

Acceptance of the D1007 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14141. The D1007 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14142. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1007 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14143. The appearance of the D1007 Road on the La Sal West (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14144. The D1007 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1007 Road pursuant to the County's governmental right and authority.

14145. Witnesses with personal knowledge of the history of the D1007 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14146. Currently known reputation in the community is that the D1007 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14147. Public motor vehicle use of the D1007 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14148. The D1007 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14149. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1007 Road.

14150. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1007 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1008 Road

14151. The D1008 Road is designated as county road number D1008 and SGID road identification number RD191461 and is more or less 0.85 miles long.

14152. Exhibit 1144 (attached hereto and incorporated herein) contains certain information pertaining to the D1008 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14153. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1008 Road solely as it crosses United States public land as included and specifically described in Exhibit 1144. The D1008 Road includes the segment of road specifically set forth in Exhibit 1144 and as exists on the ground.

Acceptance of the D1008 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14154. The D1008 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14155. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1008 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14156. The D1008 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1008 Road pursuant to the County's governmental right and authority.

14157. Witnesses with personal knowledge of the history of the D1008 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14158. Currently known reputation in the community is that the D1008 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14159. Public motor vehicle use of the D1008 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14160. The D1008 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14161. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1008 Road.

14162. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1008 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1009 Road

14163. The D1009 Road is designated as county road number D1009 and SGID road identification number RD191462 and is more or less 5.66 miles long.

14164. Exhibit 1145 (attached hereto and incorporated herein) contains certain information pertaining to the D1009 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14165. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1009 Road solely as it crosses United States public land as included and specifically described in Exhibit 1145. The D1009 Road includes the segment of road specifically set forth in Exhibit 1145 and as exists on the ground.

Acceptance of the D1009 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14166. The D1009 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14167. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1009 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14168. The D1009 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1009 Road pursuant to the County's governmental right and authority.

14169. Witnesses with personal knowledge of the history of the D1009 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14170. Currently known reputation in the community is that the D1009 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14171. Public motor vehicle use of the D1009 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14172. The D1009 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14173. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1009 Road.

14174. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1009 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1010 Road

14175. The D1010 Road is designated as county road number D1010 and SGID road identification number RD191463 and is more or less 2.42 miles long.

14176. Exhibit 1146 (attached hereto and incorporated herein) contains certain information pertaining to the D1010 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14177. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1010 Road solely as it crosses United States public land as included and specifically described in Exhibit 1146. The D1010 Road includes the segment of road specifically set forth in Exhibit 1146 and as exists on the ground.

Acceptance of the D1010 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14178. The D1010 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14179. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1010 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14180. The D1010 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1010 Road pursuant to the County's governmental right and authority.

14181. Witnesses with personal knowledge of the history of the D1010 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14182. Currently known reputation in the community is that the D1010 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14183. Public motor vehicle use of the D1010 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14184. The D1010 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14185. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1010 Road.

14186. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1010 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1012 Road

14187. The D1012 Road is designated as county road number D1012 and SGID road identification number RD191465 and is more or less 1.25 miles long.

14188. Exhibit 1147 (attached hereto and incorporated herein) contains certain information pertaining to the D1012 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14189. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1012 Road solely as it crosses United States public land as included and specifically described in Exhibit 1147. The D1012 Road includes the segment of road specifically set forth in Exhibit 1147 and as exists on the ground.

Acceptance of the D1012 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14190. The D1012 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14191. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1012 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14192. The D1012 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1012 Road pursuant to the County's governmental right and authority.

14193. Witnesses with personal knowledge of the history of the D1012 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14194. Currently known reputation in the community is that the D1012 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14195. Public motor vehicle use of the D1012 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14196. The D1012 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14197. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1012 Road.

14198. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1012 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1014 Road

14199. The D1014 Road is designated as county road number D1014 and SGID road identification number RD191466 and is more or less 1.12 miles long.

14200. Exhibit 1148 (attached hereto and incorporated herein) contains certain information pertaining to the D1014 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14201. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1014 Road solely as it crosses United States public land as included and specifically described in Exhibit 1148. The D1014 Road includes the segment of road specifically set forth in Exhibit 1148 and as exists on the ground.

Acceptance of the D1014 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14202. The D1014 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14203. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1014 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14204. The D1014 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1014 Road pursuant to the County's governmental right and authority.

14205. Witnesses with personal knowledge of the history of the D1014 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14206. Currently known reputation in the community is that the D1014 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14207. Public motor vehicle use of the D1014 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14208. The D1014 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14209. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1014 Road.

14210. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1014 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1016 Road

14211. The D1016 Road is designated as county road number D1016 and SGID road identification number RD191468 and is more or less 0.49 miles long.

14212. Exhibit 1149 (attached hereto and incorporated herein) contains certain information pertaining to the D1016 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14213. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1016 Road solely as it crosses United States public land as included and specifically described in Exhibit 1149. The D1016 Road includes the segment of road specifically set forth in Exhibit 1149 and as exists on the ground.

Acceptance of the D1016 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14214. The D1016 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14215. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1016 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14216. The D1016 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1016 Road pursuant to the County's governmental right and authority.

14217. Witnesses with personal knowledge of the history of the D1016 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14218. Currently known reputation in the community is that the D1016 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14219. Public motor vehicle use of the D1016 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14220. The D1016 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14221. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1016 Road.

14222. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1016 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1018 Road

14223. The D1018 Road is designated as county road number D1018 and SGID road identification number RD191469 and is more or less 8.53 miles long.

14224. Exhibit 1150 (attached hereto and incorporated herein) contains certain information pertaining to the D1018 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14225. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1018 Road solely as it crosses United States public land as included and specifically described in Exhibit 1150. The D1018 Road includes the segment of road specifically set forth in Exhibit 1150 and as exists on the ground.

Acceptance of the D1018 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14226. The D1018 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14227. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1018 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14228. The appearance of the D1018 Road on the La Sal West (1954) and La Sal East (1954) USGS 7.5-minute quadrangle maps, and La Sal Junction (1954) and La Sal (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14229. The County confirmed its acceptance of the D1018 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1018 Road pursuant to the County's governmental right and authority.

14230. Witnesses with personal knowledge of the history of the D1018 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14231. Currently known reputation in the community is that the D1018 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14232. Public motor vehicle use of the D1018 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14233. The D1018 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14234. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1018 Road.

14235. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1018 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1019 Road

14236. The D1019 Road is designated as county road number D1019 and SGID road identification number RD191470 and is more or less 1.27 miles long.

14237. Exhibit 1151 (attached hereto and incorporated herein) contains certain information pertaining to the D1019 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14238. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1019 Road solely as it crosses United States public land as included and specifically described in Exhibit 1151. The D1019 Road includes the segment of road specifically set forth in Exhibit 1151 and as exists on the ground.

Acceptance of the D1019 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14239. The D1019 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14240. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1019 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14241. The D1019 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1019 Road pursuant to the County's governmental right and authority.

14242. Witnesses with personal knowledge of the history of the D1019 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14243. Currently known reputation in the community is that the D1019 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14244. Public motor vehicle use of the D1019 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14245. The D1019 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14246. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1019 Road.

14247. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1019 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1020 Road

14248. The D1020 Road is designated as county road number D1020 and SGID road identification number RD191471 and is more or less 0.99 miles long.

14249. Exhibit 1152 (attached hereto and incorporated herein) contains certain information pertaining to the D1020 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14250. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1020 Road solely as it crosses United States public land as included and specifically described in Exhibit 1152. The D1020 Road includes the segment of road specifically set forth in Exhibit 1152 and as exists on the ground.

Acceptance of the D1020 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14251. The D1020 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14252. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1020 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14253. The D1020 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1020 Road pursuant to the County's governmental right and authority.

14254. Witnesses with personal knowledge of the history of the D1020 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14255. Currently known reputation in the community is that the D1020 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14256. Public motor vehicle use of the D1020 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14257. The D1020 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14258. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1020 Road.

14259. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1020 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1705 Road

14260. The D1705 Road is designated as county road number D1705 and SGID road identification number RD191783 and is more or less 0.61 miles long.

14261. Exhibit 1153 (attached hereto and incorporated herein) contains certain information pertaining to the D1705 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14262. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1705 Road solely as it crosses United States public land as included and specifically described in Exhibit 1153. The D1705 Road includes the segment of road specifically set forth in Exhibit 1153 and as exists on the ground.

Acceptance of the D1705 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14263. The D1705 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14264. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1705 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14265. The D1705 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1705 Road pursuant to the County's governmental right and authority.

14266. Witnesses with personal knowledge of the history of the D1705 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14267. Currently known reputation in the community is that the D1705 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14268. Public motor vehicle use of the D1705 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14269. The D1705 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14270. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1705 Road.

14271. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1705 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1755 Road

14272. The D1755 Road is designated as county road number D1755 and SGID road identification number RD191795 and is more or less 0.53 miles long.

14273. Exhibit 1154 (attached hereto and incorporated herein) contains certain information pertaining to the D1755 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14274. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1755 Road solely as it crosses United States public land as included and specifically described in Exhibit 1154. The D1755 Road includes the segment of road specifically set forth in Exhibit 1154 and as exists on the ground.

Acceptance of the D1755 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14275. The D1755 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14276. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1755 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14277. The appearance of the D1755 Road on the Kane Springs (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14278. The County confirmed its acceptance of the D1755 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the D1755 Road pursuant to the County's governmental right and authority.

14279. Witnesses with personal knowledge of the history of the D1755 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14280. Currently known reputation in the community is that the D1755 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14281. Public motor vehicle use of the D1755 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14282. The D1755 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14283. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1755 Road.

14284. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1755 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2442 Road

14285. The D2442 Road is designated as county road number D2442 and SGID road identification number RD192196 and is more or less 0.32 miles long.

14286. Exhibit 1155 (attached hereto and incorporated herein) contains certain information pertaining to the D2442 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14287. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2442 Road solely as it crosses United States public land as included and specifically described in Exhibit 1155. The D2442 Road includes the segment of road specifically set forth in Exhibit 1155 and as exists on the ground.

Acceptance of the D2442 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14288. The D2442 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14289. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2442 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14290. The appearance of the D2442 Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences

the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14291. The D2442 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2442 Road pursuant to the County's governmental right and authority.

14292. Witnesses with personal knowledge of the history of the D2442 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14293. Currently known reputation in the community is that the D2442 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14294. Public motor vehicle use of the D2442 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14295. The D2442 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14296. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2442 Road.

14297. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2442 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2522 Road

14298. The D2522 Road is designated as county road number D2522 and SGID road identification number RD192226 and is more or less 1.29 miles long.

14299. Exhibit 1156 (attached hereto and incorporated herein) contains certain information pertaining to the D2522 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14300. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2522 Road solely as it crosses United States public land as included and specifically described in Exhibit 1156. The D2522 Road includes the segment of road specifically set forth in Exhibit 1156 and as exists on the ground.

Acceptance of the D2522 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14301. The D2522 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14302. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2522 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14303. The appearance of the D2522 Road on the Kane Springs (1954) and Mount Tukuhnikivatz (1954) USGS 7.5-minute quadrangle maps, and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14304. The D2522 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2522 Road pursuant to the County's governmental right and authority.

14305. Witnesses with personal knowledge of the history of the D2522 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14306. Currently known reputation in the community is that the D2522 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14307. Public motor vehicle use of the D2522 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14308. The D2522 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14309. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2522 Road.

14310. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2522 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2751 Road

14311. The D2751 Road is designated as county road number D2751 and SGID road identification number RD192330 and is more or less 0.43 miles long.

14312. Exhibit 1157 (attached hereto and incorporated herein) contains certain information pertaining to the D2751 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14313. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2751 Road solely as it crosses United States public land as included and specifically described in Exhibit 1157. The D2751 Road includes the segment of road specifically set forth in Exhibit 1157 and as exists on the ground.

Acceptance of the D2751 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14314. The D2751 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14315. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2751 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14316. The appearance of the D2751 Road on the Kane Springs (1954) and Mount Tukuhnikivatz (1954) USGS 7.5-minute quadrangle maps, and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14317. The County confirmed its acceptance of the D2751 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2751 Road pursuant to the County's governmental right and authority.

14318. Witnesses with personal knowledge of the history of the D2751 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14319. Currently known reputation in the community is that the D2751 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14320. Public motor vehicle use of the D2751 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14321. The D2751 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14322. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2751 Road.

14323. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2751 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2758 Road

14324. The D2758 Road is designated as county road number D2758 and SGID road identification number RD192332 and is more or less 0.91 miles long.

14325. Exhibit 1158 (attached hereto and incorporated herein) contains certain information pertaining to the D2758 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14326. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2758 Road solely as it crosses United States public land as included and specifically described in Exhibit 1158. The D2758 Road includes the segment of road specifically set forth in Exhibit 1158 and as exists on the ground.

Acceptance of the D2758 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14327. The D2758 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14328. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2758 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14329. The appearance of the D2758 Road on the Kane Springs (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14330. The D2758 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2758 Road pursuant to the County's governmental right and authority.

14331. Witnesses with personal knowledge of the history of the D2758 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14332. Currently known reputation in the community is that the D2758 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14333. Public motor vehicle use of the D2758 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14334. The D2758 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14335. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2758 Road.

14336. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2758 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2760 Road

14337. The D2760 Road is designated as county road number D2760 and SGID road identification number RD192334 and is more or less 1.29 miles long.

14338. Exhibit 1159 (attached hereto and incorporated herein) contains certain information pertaining to the D2760 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14339. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2760 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1159. The D2760 Road includes the segment of road specifically set forth in Exhibit 1159 and as exists on the ground.

Acceptance of the D2760 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14340. The D2760 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14341. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2760 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14342. The appearance of the D2760 Road on the Kane Springs (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14343. The D2760 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2760 Road pursuant to the County's governmental right and authority.

14344. Witnesses with personal knowledge of the history of the D2760 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14345. Currently known reputation in the community is that the D2760 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14346. Public motor vehicle use of the D2760 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14347. The D2760 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14348. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2760 Road.

14349. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2760 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2765 Road

14350. The D2765 Road is designated as county road number D2765 and SGID road identification number RD192335 and is more or less 1.09 miles long.

14351. Exhibit 1160 (attached hereto and incorporated herein) contains certain information pertaining to the D2765 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14352. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2765 Road solely as it crosses United States public land as included and specifically described in Exhibit 1160. The D2765 Road includes the segment of road specifically set forth in Exhibit 1160 and as exists on the ground.

Acceptance of the D2765 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14353. The D2765 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14354. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2765 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14355. The appearance of the D2765 Road on the Kane Springs (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14356. The D2765 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2765 Road pursuant to the County's governmental right and authority.

14357. Witnesses with personal knowledge of the history of the D2765 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14358. Currently known reputation in the community is that the D2765 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14359. Public motor vehicle use of the D2765 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14360. The D2765 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14361. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2765 Road.

14362. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2765 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2769 Road

14363. The D2769 Road is designated as county road number D2769 and SGID road identification number RD192339 and is more or less 1.32 miles long.

14364. Exhibit 1161 (attached hereto and incorporated herein) contains certain information pertaining to the D2769 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14365. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2769 Road solely as it crosses United States public land as included and specifically described in Exhibit 1161. The D2769 Road includes the segment of road specifically set forth in Exhibit 1161 and as exists on the ground.

Acceptance of the D2769 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14366. The D2769 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14367. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2769 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14368. The D2769 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2769 Road pursuant to the County's governmental right and authority.

14369. Witnesses with personal knowledge of the history of the D2769 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14370. Currently known reputation in the community is that the D2769 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14371. Public motor vehicle use of the D2769 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14372. The D2769 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14373. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2769 Road.

14374. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2769 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2770 Road

14375. The D2770 Road is designated as county road number D2770 and SGID road identification number RD192340 and is more or less 0.81 miles long.

14376. Exhibit 1162 (attached hereto and incorporated herein) contains certain information pertaining to the D2770 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14377. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2770 Road solely as it crosses United States public land as included and specifically described in Exhibit 1162. The D2770 Road includes the segment of road specifically set forth in Exhibit 1162 and as exists on the ground.

Acceptance of the D2770 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14378. The D2770 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14379. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2770 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14380. The D2770 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2770 Road pursuant to the County's governmental right and authority.

14381. Witnesses with personal knowledge of the history of the D2770 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14382. Currently known reputation in the community is that the D2770 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14383. Public motor vehicle use of the D2770 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14384. The D2770 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14385. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2770 Road.

14386. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2770 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2773 Road

14387. The D2773 Road is designated as county road number D2773 and SGID road identification number RD192343 and is more or less 2.67 miles long.

14388. Exhibit 1163 (attached hereto and incorporated herein) contains certain information pertaining to the D2773 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14389. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2773 Road solely as it crosses United States public land as included and specifically described in Exhibit 1163. The D2773 Road includes the segment of road specifically set forth in Exhibit 1163 and as exists on the ground.

Acceptance of the D2773 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14390. The D2773 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14391. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2773 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14392. The appearance of the D2773 Road on the Kane Springs (1954) and Mount Tukuhnikivatz (1954) USGS 7.5-minute quadrangle maps, and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14393. The County confirmed its acceptance of the D2773 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map.

The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2773 Road pursuant to the County's governmental right and authority.

14394. Witnesses with personal knowledge of the history of the D2773 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14395. Currently known reputation in the community is that the D2773 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14396. Public motor vehicle use of the D2773 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14397. The D2773 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14398. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2773 Road.

14399. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2773 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2775 Road

14400. The D2775 Road is designated as county road number D2775 and SGID road identification number RD192345 and is more or less 0.23 miles long.

14401. Exhibit 1164 (attached hereto and incorporated herein) contains certain information pertaining to the D2775 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14402. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2775 Road solely as it crosses United States public land as included and specifically described in Exhibit 1164. The D2775 Road includes the segment of road specifically set forth in Exhibit 1164 and as exists on the ground.

Acceptance of the D2775 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14403. The D2775 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14404. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2775 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14405. The appearance of the D2775 Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences

the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14406. The County confirmed its acceptance of the D2775 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2775 Road pursuant to the County's governmental right and authority.

14407. Witnesses with personal knowledge of the history of the D2775 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14408. Currently known reputation in the community is that the D2775 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14409. Public motor vehicle use of the D2775 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14410. The D2775 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14411. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2775 Road.

14412. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2775 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2782 Road

14413. The D2782 Road is designated as county road number D2782 and SGID road identification number RD192349 and is more or less 2.53 miles long.

14414. Exhibit 1165 (attached hereto and incorporated herein) contains certain information pertaining to the D2782 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14415. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2782 Road solely as it crosses United States public land as included and specifically described in Exhibit 1165. The D2782 Road includes the segment of road specifically set forth in Exhibit 1165 and as exists on the ground.

Acceptance of the D2782 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14416. The D2782 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14417. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2782 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14418. The appearance of the D2782 Road on the La Sal Junction (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14419. The County confirmed its acceptance of the D2782 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2782 Road pursuant to the County's governmental right and authority.

14420. Witnesses with personal knowledge of the history of the D2782 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14421. Currently known reputation in the community is that the D2782 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14422. Public motor vehicle use of the D2782 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14423. The D2782 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14424. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2782 Road.

14425. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2782 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2783 Road

14426. The D2783 Road is designated as county road number D2783 and SGID road identification number RD192350 and is more or less 0.48 miles long.

14427. Exhibit 1166 (attached hereto and incorporated herein) contains certain information pertaining to the D2783 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14428. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2783 Road solely as it crosses United States public land as included and specifically described in Exhibit 1166. The D2783 Road includes the segment of road specifically set forth in Exhibit 1166 and as exists on the ground.

Acceptance of the D2783 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14429. The D2783 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14430. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2783 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14431. The D2783 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2783 Road pursuant to the County's governmental right and authority.

14432. Witnesses with personal knowledge of the history of the D2783 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14433. Currently known reputation in the community is that the D2783 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14434. Public motor vehicle use of the D2783 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14435. The D2783 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14436. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2783 Road.

14437. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2783 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2784 Road

14438. The D2784 Road is designated as county road number D2784 and SGID road identification number RD192351 and is more or less 2.31 miles long.

14439. Exhibit 1167 (attached hereto and incorporated herein) contains certain information pertaining to the D2784 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14440. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2784 Road solely as it crosses United States public land as included and specifically described in Exhibit 1167. The D2784 Road includes the segment of road specifically set forth in Exhibit 1167 and as exists on the ground.

Acceptance of the D2784 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14441. The D2784 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14442. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2784 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14443. The D2784 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2784 Road pursuant to the County's governmental right and authority.

14444. Witnesses with personal knowledge of the history of the D2784 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14445. Currently known reputation in the community is that the D2784 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14446. Public motor vehicle use of the D2784 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14447. The D2784 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14448. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2784 Road.

14449. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2784 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2790 Road

14450. The D2790 Road is designated as county road number D2790 and SGID road identification number RD192357 and is more or less 0.60 miles long.

14451. Exhibit 1168 (attached hereto and incorporated herein) contains certain information pertaining to the D2790 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14452. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2790 Road solely as it crosses United States public land as included and specifically described in Exhibit 1168. The D2790 Road includes the segment of road specifically set forth in Exhibit 1168 and as exists on the ground.

Acceptance of the D2790 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14453. The D2790 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14454. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2790 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14455. The D2790 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2790 Road pursuant to the County's governmental right and authority.

14456. Witnesses with personal knowledge of the history of the D2790 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14457. Currently known reputation in the community is that the D2790 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14458. Public motor vehicle use of the D2790 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14459. The D2790 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14460. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2790 Road.

14461. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2790 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2835 Road

14462. The D2835 Road is designated as county road number D2835 and SGID road identification number RD192388 and is more or less 1.68 miles long.

14463. Exhibit 1169 (attached hereto and incorporated herein) contains certain information pertaining to the D2835 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14464. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2835 Road solely as it crosses United States public land as included and specifically described in Exhibit 1169. The D2835 Road includes the segment of road specifically set forth in Exhibit 1169 and as exists on the ground.

Acceptance of the D2835 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14465. The D2835 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14466. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2835 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14467. The D2835 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2835 Road pursuant to the County's governmental right and authority.

14468. Witnesses with personal knowledge of the history of the D2835 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14469. Currently known reputation in the community is that the D2835 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14470. Public motor vehicle use of the D2835 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14471. The D2835 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14472. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2835 Road.

14473. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2835 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2836 Road

14474. The D2836 Road is designated as county road number D2836 and SGID road identification number RD192389 and is more or less 0.57 miles long.

14475. Exhibit 1170 (attached hereto and incorporated herein) contains certain information pertaining to the D2836 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14476. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2836 Road solely as it crosses United States public land as included and specifically described in Exhibit 1170. The D2836 Road includes the segment of road specifically set forth in Exhibit 1170 and as exists on the ground.

Acceptance of the D2836 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14477. The D2836 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14478. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2836 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14479. The D2836 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2836 Road pursuant to the County's governmental right and authority.

14480. Witnesses with personal knowledge of the history of the D2836 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14481. Currently known reputation in the community is that the D2836 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14482. Public motor vehicle use of the D2836 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14483. The D2836 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14484. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2836 Road.

14485. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2836 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2837 Road

14486. The D2837 Road is designated as county road number D2837 and SGID road identification number RD192390 and is more or less 0.63 miles long.

14487. Exhibit 1171 (attached hereto and incorporated herein) contains certain information pertaining to the D2837 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14488. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2837 Road solely as it crosses United States public land as included and specifically described in Exhibit 1171. The D2837 Road includes the segment of road specifically set forth in Exhibit 1171 and as exists on the ground.

Acceptance of the D2837 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14489. The D2837 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14490. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2837 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14491. The D2837 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2837 Road pursuant to the County's governmental right and authority.

14492. Witnesses with personal knowledge of the history of the D2837 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14493. Currently known reputation in the community is that the D2837 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14494. Public motor vehicle use of the D2837 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14495. The D2837 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14496. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2837 Road.

14497. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2837 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2838 Road

14498. The D2838 Road is designated as county road number D2838 and SGID road identification number RD192391 and is more or less 0.51 miles long.

14499. Exhibit 1172 (attached hereto and incorporated herein) contains certain information pertaining to the D2838 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14500. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2838 Road solely as it crosses United States public land as included and specifically described in Exhibit 1172. The D2838 Road includes the segment of road specifically set forth in Exhibit 1172 and as exists on the ground.

Acceptance of the D2838 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14501. The D2838 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14502. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2838 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14503. The D2838 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2838 Road pursuant to the County's governmental right and authority.

14504. Witnesses with personal knowledge of the history of the D2838 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14505. Currently known reputation in the community is that the D2838 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14506. Public motor vehicle use of the D2838 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14507. The D2838 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14508. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2838 Road.

14509. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2838 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2842 Road

14510. The D2842 Road is designated as county road number D2842 and SGID road identification number RD192395 and is more or less 0.99 miles long.

14511. Exhibit 1173 (attached hereto and incorporated herein) contains certain information pertaining to the D2842 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14512. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2842 Road solely as it crosses United States public land as included and specifically described in Exhibit 1173. The D2842 Road includes the segment of road specifically set forth in Exhibit 1173 and as exists on the ground.

Acceptance of the D2842 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14513. The D2842 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14514. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2842 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14515. The D2842 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2842 Road pursuant to the County's governmental right and authority.

14516. Witnesses with personal knowledge of the history of the D2842 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14517. Currently known reputation in the community is that the D2842 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14518. Public motor vehicle use of the D2842 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14519. The D2842 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14520. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2842 Road.

14521. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2842 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2843 Road

14522. The D2843 Road is designated as county road number D2843 and SGID road identification number RD192396 and is more or less 0.56 miles long.

14523. Exhibit 1174 (attached hereto and incorporated herein) contains certain information pertaining to the D2843 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14524. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2843 Road solely as it crosses United States public land as included and specifically described in Exhibit 1174. The D2843 Road includes the segment of road specifically set forth in Exhibit 1174 and as exists on the ground.

Acceptance of the D2843 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14525. The D2843 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14526. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2843 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14527. The D2843 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2843 Road pursuant to the County's governmental right and authority.

14528. Witnesses with personal knowledge of the history of the D2843 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14529. Currently known reputation in the community is that the D2843 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14530. Public motor vehicle use of the D2843 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14531. The D2843 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14532. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2843 Road.

14533. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2843 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2847 Road

14534. The D2847 Road is designated as county road number D2847 and SGID road identification number RD192398 and is more or less 0.41 miles long.

14535. Exhibit 1175 (attached hereto and incorporated herein) contains certain information pertaining to the D2847 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14536. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2847 Road solely as it crosses United States public land as included and specifically described in Exhibit 1175. The D2847 Road includes the segment of road specifically set forth in Exhibit 1175 and as exists on the ground.

Acceptance of the D2847 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14537. The D2847 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14538. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2847 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14539. The appearance of the D2847 Road on the La Sal West (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14540. The County confirmed its acceptance of the D2847 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2847 Road pursuant to the County's governmental right and authority.

14541. Witnesses with personal knowledge of the history of the D2847 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14542. Currently known reputation in the community is that the D2847 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14543. Public motor vehicle use of the D2847 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14544. The D2847 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14545. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2847 Road.

14546. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2847 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2849 Road

14547. The D2849 Road is designated as county road number D2849 and SGID road identification number RD192399 and is more or less 0.37 miles long.

14548. Exhibit 1176 (attached hereto and incorporated herein) contains certain information pertaining to the D2849 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14549. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2849 Road solely as it crosses United States public land as included and specifically described in Exhibit 1176. The D2849 Road includes the segment of road specifically set forth in Exhibit 1176 and as exists on the ground.

Acceptance of the D2849 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14550. The D2849 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14551. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2849 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14552. The D2849 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2849 Road pursuant to the County's governmental right and authority.

14553. Witnesses with personal knowledge of the history of the D2849 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14554. Currently known reputation in the community is that the D2849 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14555. Public motor vehicle use of the D2849 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14556. The D2849 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14557. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2849 Road.

14558. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2849 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2851 Road

14559. The D2851 Road is designated as county road number D2851 and SGID road identification number RD192400 and is more or less 0.64 miles long.

14560. Exhibit 1177 (attached hereto and incorporated herein) contains certain information pertaining to the D2851 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14561. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2851 Road solely as it crosses United States public land as included and specifically described in Exhibit 1177. The D2851 Road includes the segment of road specifically set forth in Exhibit 1177 and as exists on the ground.

Acceptance of the D2851 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14562. The D2851 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14563. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2851 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14564. The D2851 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2851 Road pursuant to the County's governmental right and authority.

14565. Witnesses with personal knowledge of the history of the D2851 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14566. Currently known reputation in the community is that the D2851 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14567. Public motor vehicle use of the D2851 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14568. The D2851 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14569. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2851 Road.

14570. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2851 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2854 Road

14571. The D2854 Road is designated as county road number D2854 and SGID road identification number RD192402 and is more or less 0.43 miles long.

14572. Exhibit 1178 (attached hereto and incorporated herein) contains certain information pertaining to the D2854 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14573. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2854 Road solely as it crosses United States public land as included and specifically described in Exhibit 1178. The D2854 Road includes the segment of road specifically set forth in Exhibit 1178 and as exists on the ground.

Acceptance of the D2854 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14574. The D2854 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14575. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2854 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14576. The D2854 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2854 Road pursuant to the County's governmental right and authority.

14577. Witnesses with personal knowledge of the history of the D2854 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14578. Currently known reputation in the community is that the D2854 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14579. Public motor vehicle use of the D2854 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14580. The D2854 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14581. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2854 Road.

14582. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2854 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2859 Road

14583. The D2859 Road is designated as county road number D2859 and SGID road identification number RD192405 and is more or less 1.50 miles long.

14584. Exhibit 1179 (attached hereto and incorporated herein) contains certain information pertaining to the D2859 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14585. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2859 Road solely as it crosses United States public land as included and specifically described in Exhibit 1179. The D2859 Road includes the segment of road specifically set forth in Exhibit 1179 and as exists on the ground.

Acceptance of the D2859 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14586. The D2859 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14587. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2859 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14588. The D2859 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2859 Road pursuant to the County's governmental right and authority.

14589. Witnesses with personal knowledge of the history of the D2859 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14590. Currently known reputation in the community is that the D2859 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14591. Public motor vehicle use of the D2859 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14592. The D2859 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14593. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2859 Road.

14594. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2859 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2860 Road

14595. The D2860 Road is designated as county road number D2860 and SGID road identification number RD192406 and is more or less 0.60 miles long.

14596. Exhibit 1180 (attached hereto and incorporated herein) contains certain information pertaining to the D2860 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14597. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2860 Road solely as it crosses United States public land as included and specifically described in Exhibit 1180. The D2860 Road includes the segment of road specifically set forth in Exhibit 1180 and as exists on the ground.

Acceptance of the D2860 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14598. The D2860 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14599. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2860 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14600. The D2860 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2860 Road pursuant to the County's governmental right and authority.

14601. Witnesses with personal knowledge of the history of the D2860 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14602. Currently known reputation in the community is that the D2860 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14603. Public motor vehicle use of the D2860 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14604. The D2860 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14605. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2860 Road.

14606. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2860 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2871 Road

14607. The D2871 Road is designated as county road number D2871 and SGID road identification number RD192407 and is more or less 1.49 miles long.

14608. Exhibit 1181 (attached hereto and incorporated herein) contains certain information pertaining to the D2871 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14609. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2871 Road solely as it crosses United States public land as included and specifically described in Exhibit 1181. The D2871 Road includes the segment of road specifically set forth in Exhibit 1181 and as exists on the ground.

Acceptance of the D2871 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14610. The D2871 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14611. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2871 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14612. The D2871 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2871 Road pursuant to the County's governmental right and authority.

14613. Witnesses with personal knowledge of the history of the D2871 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14614. Currently known reputation in the community is that the D2871 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14615. Public motor vehicle use of the D2871 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14616. The D2871 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14617. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2871 Road.

14618. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2871 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2872 Road

14619. The D2872 Road is designated as county road number D2872 and SGID road identification number RD192408 and is more or less 3.20 miles long.

14620. Exhibit 1182 (attached hereto and incorporated herein) contains certain information pertaining to the D2872 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14621. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2872 Road solely as it crosses United States public land as included and specifically described in Exhibit 1182. The D2872 Road includes the segment of road specifically set forth in Exhibit 1182 and as exists on the ground.

Acceptance of the D2872 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14622. The D2872 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14623. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2872 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14624. The D2872 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2872 Road pursuant to the County's governmental right and authority.

14625. Witnesses with personal knowledge of the history of the D2872 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14626. Currently known reputation in the community is that the D2872 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14627. Public motor vehicle use of the D2872 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14628. The D2872 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14629. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2872 Road.

14630. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2872 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2873 Road

14631. The D2873 Road is designated as county road number D2873 and SGID road identification number RD192409 and is more or less 0.64 miles long.

14632. Exhibit 1183 (attached hereto and incorporated herein) contains certain information pertaining to the D2873 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14633. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2873 Road solely as it crosses United States public land as included and specifically described in Exhibit 1183. The D2873 Road includes the segment of road specifically set forth in Exhibit 1183 and as exists on the ground.

Acceptance of the D2873 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14634. The D2873 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14635. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2873 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14636. The D2873 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2873 Road pursuant to the County's governmental right and authority.

14637. Witnesses with personal knowledge of the history of the D2873 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14638. Currently known reputation in the community is that the D2873 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14639. Public motor vehicle use of the D2873 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14640. The D2873 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14641. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2873 Road.

14642. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2873 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2874 Road

14643. The D2874 Road is designated as county road number D2874 and SGID road identification number RD192410 and is more or less 2.07 miles long.

14644. Exhibit 1184 (attached hereto and incorporated herein) contains certain information pertaining to the D2874 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14645. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2874 Road solely as it crosses United States public land as included and specifically described in Exhibit 1184. The D2874 Road includes the segment of road specifically set forth in Exhibit 1184 and as exists on the ground.

Acceptance of the D2874 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14646. The D2874 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14647. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2874 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14648. The D2874 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2874 Road pursuant to the County's governmental right and authority.

14649. Witnesses with personal knowledge of the history of the D2874 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14650. Currently known reputation in the community is that the D2874 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14651. Public motor vehicle use of the D2874 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14652. The D2874 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14653. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2874 Road.

14654. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2874 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2876 Road

14655. The D2876 Road is designated as county road number D2876 and SGID road identification number RD192412 and is more or less 1.01 miles long.

14656. Exhibit 1185 (attached hereto and incorporated herein) contains certain information pertaining to the D2876 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14657. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2876 Road solely as it crosses United States public land as included and specifically described in Exhibit 1185. The D2876 Road includes the segment of road specifically set forth in Exhibit 1185 and as exists on the ground.

Acceptance of the D2876 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14658. The D2876 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14659. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2876 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14660. The D2876 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2876 Road pursuant to the County's governmental right and authority.

14661. Witnesses with personal knowledge of the history of the D2876 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14662. Currently known reputation in the community is that the D2876 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14663. Public motor vehicle use of the D2876 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14664. The D2876 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14665. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2876 Road.

14666. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2876 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2878 Road

14667. The D2878 Road is designated as county road number D2878 and SGID road identification number RD192414 and is more or less 0.77 miles long.

14668. Exhibit 1186 (attached hereto and incorporated herein) contains certain information pertaining to the D2878 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14669. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2878 Road solely as it crosses United States public land as included and specifically described in Exhibit 1186. The D2878 Road includes the segment of road specifically set forth in Exhibit 1186 and as exists on the ground.

Acceptance of the D2878 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14670. The D2878 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14671. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2878 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14672. The D2878 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2878 Road pursuant to the County's governmental right and authority.

14673. Witnesses with personal knowledge of the history of the D2878 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14674. Currently known reputation in the community is that the D2878 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14675. Public motor vehicle use of the D2878 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14676. The D2878 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14677. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2878 Road.

14678. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2878 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2888 Road

14679. The D2888 Road is designated as county road number D2888 and SGID road identification number RD190713 and is more or less 1.94 miles long.

14680. Exhibit 1187 (attached hereto and incorporated herein) contains certain information pertaining to the D2888 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14681. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2888 Road solely as it crosses United States public land as included and specifically described in Exhibit 1187. The D2888 Road includes the segment of road specifically set forth in Exhibit 1187 and as exists on the ground.

Acceptance of the D2888 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14682. The D2888 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14683. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2888 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14684. The appearance of the D2888 Road on the La Sal Junction (1954) and La Sal West (1954) USGS 7.5-minute quadrangle maps, and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14685. The D2888 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2888 Road pursuant to the County's governmental right and authority.

14686. Witnesses with personal knowledge of the history of the D2888 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14687. Currently known reputation in the community is that the D2888 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14688. Public motor vehicle use of the D2888 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14689. The D2888 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14690. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2888 Road.

14691. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2888 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3002 Road

14692. The D3002 Road is designated as county road number D3002 and SGID road identification number RD192500 and is more or less 0.38 miles long.

14693. Exhibit 1188 (attached hereto and incorporated herein) contains certain information pertaining to the D3002 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14694. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3002 Road solely as it crosses United States public land as included and specifically described in Exhibit 1188. The D3002 Road includes the segment of road specifically set forth in Exhibit 1188 and as exists on the ground.

Acceptance of the D3002 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14695. The D3002 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14696. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3002 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14697. The D3002 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3002 Road pursuant to the County's governmental right and authority.

14698. Witnesses with personal knowledge of the history of the D3002 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14699. Currently known reputation in the community is that the D3002 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14700. Public motor vehicle use of the D3002 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14701. The D3002 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14702. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3002 Road.

14703. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3002 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3003 Road

14704. The D3003 Road is designated as county road number D3003 and SGID road identification number RD192501 and is more or less 0.54 miles long.

14705. Exhibit 1189 (attached hereto and incorporated herein) contains certain information pertaining to the D3003 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14706. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3003 Road solely as it crosses United States public land as included and specifically described in Exhibit 1189. The D3003 Road includes the segment of road specifically set forth in Exhibit 1189 and as exists on the ground.

Acceptance of the D3003 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14707. The D3003 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14708. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3003 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14709. The D3003 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3003 Road pursuant to the County's governmental right and authority.

14710. Witnesses with personal knowledge of the history of the D3003 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14711. Currently known reputation in the community is that the D3003 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14712. Public motor vehicle use of the D3003 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14713. The D3003 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14714. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3003 Road.

14715. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3003 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3009 Road

14716. The D3009 Road is designated as county road number D3009 and SGID road identification number RD192504 and is more or less 1.98 miles long.

14717. Exhibit 1190 (attached hereto and incorporated herein) contains certain information pertaining to the D3009 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14718. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3009 Road solely as it crosses United States public land as included and specifically described in Exhibit 1190. The D3009 Road includes the segment of road specifically set forth in Exhibit 1190 and as exists on the ground.

Acceptance of the D3009 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14719. The D3009 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14720. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3009 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14721. The D3009 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3009 Road pursuant to the County's governmental right and authority.

14722. Witnesses with personal knowledge of the history of the D3009 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14723. Currently known reputation in the community is that the D3009 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14724. Public motor vehicle use of the D3009 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14725. The D3009 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14726. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3009 Road.

14727. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3009 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3011 Road

14728. The D3011 Road is designated as county road number D3011 and SGID road identification number RD192506 and is more or less 1.00 miles long.

14729. Exhibit 1191 (attached hereto and incorporated herein) contains certain information pertaining to the D3011 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14730. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3011 Road solely as it crosses United States public land as included and specifically described in Exhibit 1191. The D3011 Road includes the segment of road specifically set forth in Exhibit 1191 and as exists on the ground.

Acceptance of the D3011 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14731. The D3011 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14732. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3011 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14733. The D3011 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3011 Road pursuant to the County's governmental right and authority.

14734. Witnesses with personal knowledge of the history of the D3011 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14735. Currently known reputation in the community is that the D3011 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14736. Public motor vehicle use of the D3011 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14737. The D3011 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14738. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3011 Road.

14739. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3011 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3012 Road

14740. The D3012 Road is designated as county road number D3012 and SGID road identification number RD192507 and is more or less 1.51 miles long.

14741. Exhibit 1192 (attached hereto and incorporated herein) contains certain information pertaining to the D3012 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14742. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3012 Road solely as it crosses United States public land as included and specifically described in Exhibit 1192. The D3012 Road includes the segment of road specifically set forth in Exhibit 1192 and as exists on the ground.

Acceptance of the D3012 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14743. The D3012 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14744. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3012 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14745. The D3012 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3012 Road pursuant to the County's governmental right and authority.

14746. Witnesses with personal knowledge of the history of the D3012 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14747. Currently known reputation in the community is that the D3012 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14748. Public motor vehicle use of the D3012 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14749. The D3012 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14750. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3012 Road.

14751. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3012 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3015 Road

14752. The D3015 Road is designated as county road number D3015 and SGID road identification number RD192508 and is more or less 0.56 miles long.

14753. Exhibit 1193 (attached hereto and incorporated herein) contains certain information pertaining to the D3015 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14754. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3015 Road solely as it crosses United States public land as included and specifically described in Exhibit 1193. The D3015 Road includes the segment of road specifically set forth in Exhibit 1193 and as exists on the ground.

Acceptance of the D3015 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14755. The D3015 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14756. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3015 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14757. The D3015 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3015 Road pursuant to the County's governmental right and authority.

14758. Witnesses with personal knowledge of the history of the D3015 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14759. Currently known reputation in the community is that the D3015 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14760. Public motor vehicle use of the D3015 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14761. The D3015 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14762. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3015 Road.

14763. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3015 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D5118 Road

14764. The D5118 Road is designated as county road number D5118 and SGID road identification number RD193391 and is more or less 0.14 miles long.

14765. Exhibit 1194 (attached hereto and incorporated herein) contains certain information pertaining to the D5118 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14766. In this action, the State and County seek to quiet title to the public highway right-of-way for the D5118 Road solely as it crosses United States public land as included and specifically described in Exhibit 1194. The D5118 Road includes the segment of road specifically set forth in Exhibit 1194 and as exists on the ground.

Acceptance of the D5118 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14767. The D5118 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14768. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D5118 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14769. The D5118 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D5118 Road pursuant to the County's governmental right and authority.

14770. Witnesses with personal knowledge of the history of the D5118 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14771. Currently known reputation in the community is that the D5118 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14772. Public motor vehicle use of the D5118 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14773. The D5118 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14774. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D5118 Road.

14775. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D5118 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D5216 Road

14776. The D5216 Road is designated as county road number D5216 and SGID road identification number RD193400 and is more or less 0.77 miles long.

14777. Exhibit 1195 (attached hereto and incorporated herein) contains certain information pertaining to the D5216 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14778. In this action, the State and County seek to quiet title to the public highway right-of-way for the D5216 Road solely as it crosses United States public land as included and specifically described in Exhibit 1195. The D5216 Road includes the segment of road specifically set forth in Exhibit 1195 and as exists on the ground.

Acceptance of the D5216 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14779. The D5216 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14780. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D5216 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14781. The appearance of the D5216 Road on the La Sal West (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14782. The County confirmed its acceptance of the D5216 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map.

The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D5216 Road pursuant to the County's governmental right and authority.

14783. Witnesses with personal knowledge of the history of the D5216 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14784. Currently known reputation in the community is that the D5216 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14785. Public motor vehicle use of the D5216 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14786. The D5216 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14787. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D5216 Road.

14788. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D5216 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D5229 Road

14789. The D5229 Road is designated as county road number D5229 and SGID road identification number RD193403 and is more or less 0.63 miles long.

14790. Exhibit 1196 (attached hereto and incorporated herein) contains certain information pertaining to the D5229 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14791. In this action, the State and County seek to quiet title to the public highway right-of-way for the D5229 Road solely as it crosses United States public land as included and specifically described in Exhibit 1196. The D5229 Road includes the segment of road specifically set forth in Exhibit 1196 and as exists on the ground.

Acceptance of the D5229 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14792. The D5229 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14793. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D5229 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14794. The D5229 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D5229 Road pursuant to the County's governmental right and authority.

14795. Witnesses with personal knowledge of the history of the D5229 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14796. Currently known reputation in the community is that the D5229 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14797. Public motor vehicle use of the D5229 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14798. The D5229 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14799. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D5229 Road.

14800. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D5229 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D5232 Road

14801. The D5232 Road is designated as county road number D5232 and SGID road identification number RD193404 and is more or less 1.16 miles long.

14802. Exhibit 1197 (attached hereto and incorporated herein) contains certain information pertaining to the D5232 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14803. In this action, the State and County seek to quiet title to the public highway right-of-way for the D5232 Road solely as it crosses United States public land as included and specifically described in Exhibit 1197. The D5232 Road includes the segment of road specifically set forth in Exhibit 1197 and as exists on the ground.

Acceptance of the D5232 Road R.S. 2477 Right-of-way Prior to October 21, 1976

14804. The D5232 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14805. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D5232 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14806. The D5232 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D5232 Road pursuant to the County's governmental right and authority.

14807. Witnesses with personal knowledge of the history of the D5232 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14808. Currently known reputation in the community is that the D5232 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14809. Public motor vehicle use of the D5232 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14810. The D5232 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14811. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D5232 Road.

14812. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D5232 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

EIGHTEENTH CAUSE OF ACTION – QUIET TITLE
LISBON VALLEY AREA

14813. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

14814. The Lisbon Valley Area is located in northeastern San Juan County and is shown on Exhibit 20, attached hereto and incorporated herein.

14815. The Lisbon Valley Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Big Indian Spur Road, B111; (2) Bryan Road, B324; (3) Deer Neck Road, B323; (4) East Canyon Road, B105; (5) Far West Oil Well Road, B1141; (6) Far West Road, B193; (7) Hecla Road, B116; (8) Home Stake Spur Road, B302; (9) Houston Road, B319; (10) Iron Springs Spur Road, B371; (11) Lisbon Valley Road, B113; (12) Little Valley Road, B109; (13) Old Summit Road, B318; (14) Oliver Mine Road, B182; (15) Patterson Ranch Road, B358; (16) Peter's Wash Road, B108; (17) Rattlesnake Road, B117; (18) Rattlesnake Well Spur Road, B156; (19) Rio Algom Road, B167; (20) Steen's Road, B114; (21) Union Oil Road, B303; (22) Velvet Cutoff Road, B177; (23) West Coyote Road, B181; (24) West Lisbon Spur Road, B305; (25) Williamson Fork Road, B112; (26) D0467 Road; (27) D0489 Road; (28) D0490 Road; (29) D0529 Road; (30) D0532 Road; (31) D0536 Road; (32) D0537 Road; (33) D0538 Road; (34) D0539 Road; (35) D0540 Road; (36) D0541 Road; (37) D0542 Road; (38) D0544 Road; (39) D0546 Road; (40) D0547 Road; (41) D0548 Road; (42) D0549 Road; (43) D0554 Road; (44) D0555 Road; (45) D0556 Road; (46) D0598 Road; (47) D0603 Road; (48) D0879 Road; (49) D0891 Road; (50) D0893 Road; (51) D0895 Road; (52) D0898 Road; (53) D0899 Road; (54) D0900 Road; (55) D0902 Road; (56) D0903 Road; (57) D0904 Road; (58) D0905 Road; (59) D0906 Road; (60) D0907 Road; (61) D0916 Road;

(62) D0918 Road; (63) D0922 Road; (64) D0923 Road; (65) D0929 Road; (66) D0933 Road; (67) D0934 Road; (68) D0942 Road; (69) D0953 Road; (70) D0957 Road; (71) D0983 Road; (72) D0995 Road; (73) D0996 Road; (74) D0997 Road; (75) D0998 Road; (76) D0999 Road; (77) D1002 Road; (78) D1003 Road; (79) D1143 Road; (80) D1174 Road; (81) D1175 Road; (82) D1589 Road; (83) D1591 Road; (84) D2361 Road; (85) D2378 Road; (86) D2971 Road; (87) D2979 Road; (88) D2981 Road; (89) D2982 Road; (90) D2983 Road; (91) D2984 Road; (92) D2986 Road; (93) D2988 Road; (94) D2989 Road; (95) D2990 Road; (96) D2991 Road; (97) D2992 Road; (98) D2993 Road; (99) D2995 Road; (100) D2997 Road; (101) D2998 Road; (102) D2999 Road; (103) D3000 Road; (104) D3007 Road; (105) D3023 Road; (106) D3024 Road; (107) D3043 Road; (108) D3044 Road; (109) D3045 Road; (110) D3047 Road; (111) D3048 Road; (112) D3049 Road; (113) D3052 Road; (114) D3053 Road; (115) D3055 Road; (116) D3057 Road; (117) D3058 Road; (118) D3064 Road; (119) D3066 Road; (120) D3069 Road; (121) D3070 Road; (122) D3071 Road; (123) D3072 Road; (124) D3073 Road; (125) D3074 Road; (126) D3080 Road; (127) D3082 Road; (128) D3083 Road; (129) D3084 Road; (130) D3088 Road; (131) D3091 Road; (132) D3092 Road; (133) D3094 Road; (134) D3095 Road; (135) D3097 Road; (136) D3098 Road; (137) D3099 Road; (138) D3100 Road; (139) D3105 Road; (140) D3113 Road; (141) D3114 Road; (142) D3116 Road; (143) D3119 Road; (144) D3121 Road; (145) D3122 Road; (146) D3123 Road; (147) D3130 Road; (148) D3131 Road; (149) D3133 Road; (150) D3135 Road; (151) D3136 Road; (152) D3137 Road; (153) D3138 Road; (154) D3139 Road; (155) D3140 Road; (156) D3141 Road; (157) D3144 Road; (158) D3145 Road; (159) D3146 Road; (160) D3147 Road; (161) D3155 Road; (162) D3158

Road; (163) D3159 Road; (164) D3160 Road; (165) D3165 Road; (166) D3166 Road; (167) D3172 Road; (168) D3235 Road; (169) D3242 Road; (170) D3270 Road; (171) D3274 Road; (172) D4806 Road; and (173) D5145 Road.

14816. Each right-of-way claimed in the Lisbon Valley Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

14817. All rights-of-way claimed in the Lisbon Valley Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

14818. All rights-of-way claimed in the Lisbon Valley Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

14819. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Big Indian Spur Road, B111

14820. The Big Indian Spur Road is designated as county road number B111 and SGID road identification number RD190022 and is more or less 3.70 miles long.

14821. Exhibit 1198 (attached hereto and incorporated herein) contains certain information pertaining to the Big Indian Spur Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14822. In this action, the State and County seek to quiet title to the public highway right-of-way for the Big Indian Spur Road solely as it crosses United States public land as included and specifically described in Exhibit 1198. The Big Indian Spur Road includes the segment of road specifically set forth in Exhibit 1198 and as exists on the ground.

Acceptance of the Big Indian Spur Road R.S. 2477 Right-of-way Prior to October 21, 1976

14823. The Big Indian Spur Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14824. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Big Indian Spur Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14825. The appearance of the Big Indian Spur Road on the Sandstone Draw (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See*

Exhibit 27 for more detailed map information.

14826. The County confirmed its acceptance of the Big Indian Spur Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Big Indian Spur Road using public funds pursuant to the County's governmental right and authority.

14827. Witnesses with personal knowledge of the history of the Big Indian Spur Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14828. Currently known reputation in the community is that the Big Indian Spur Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14829. Public motor vehicle use of the Big Indian Spur Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14830. The Big Indian Spur Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14831. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the Big Indian Spur Road.

14832. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Big Indian Spur Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Bryan Road, B324

14833. The Bryan Road is designated as county road number B324 and SGID road identification number RD190355 and is more or less 4.88 miles long.

14834. Exhibit 1199 (attached hereto and incorporated herein) contains certain information pertaining to the Bryan Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14835. In this action, the State and County seek to quiet title to the public highway right-of-way for the Bryan Road solely as it crosses United States public land as included and specifically described in Exhibit 1199. The Bryan Road includes the segment of road specifically set forth in Exhibit 1199 and as exists on the ground.

Acceptance of the Bryan Road R.S. 2477 Right-of-way Prior to October 21, 1976

14836. The Bryan Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14837. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Bryan Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14838. The appearance of the Bryan Road on the Sop Canyon (1954) and Summit Point (1954) USGS 7.5-minute quadrangle maps and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14839. The County confirmed its acceptance of the Bryan Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Bryan Road using public funds pursuant to the County's governmental right and authority.

14840. Witnesses with personal knowledge of the history of the Bryan Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14841. Currently known reputation in the community is that the Bryan Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14842. Public motor vehicle use of the Bryan Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14843. The Bryan Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14844. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Bryan Road.

14845. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Bryan Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Deer Neck Road, B323

14846. The Deer Neck Road is designated as county road number B323 and SGID road identification number RD190354 and is more or less 8.65 miles long.

14847. Exhibit 1200 (attached hereto and incorporated herein) contains certain information pertaining to the Deer Neck Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14848. In this action, the State and County seek to quiet title to the public highway right-of-way for the Deer Neck Road solely as it crosses United States public land as included and specifically described in Exhibit 1200. The Deer Neck Road includes the segment of road specifically set forth in Exhibit 1200 and as exists on the ground.

Acceptance of the Deer Neck Road R.S. 2477 Right-of-way Prior to October 21, 1976

14849. The Deer Neck Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14850. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Deer Neck Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14851. The appearance of the Deer Neck Road on the Lisbon Valley (1954) and Sop Canyon (1954) USGS 7.5-minute quadrangle maps and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14852. The County confirmed its acceptance of the Deer Neck Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Deer Neck Road using public funds pursuant to the County's governmental right and authority.

14853. Witnesses with personal knowledge of the history of the Deer Neck Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14854. Currently known reputation in the community is that the Deer Neck Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior

to October 21, 1976, and continuing to the present.

14855. Public motor vehicle use of the Deer Neck Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14856. The Deer Neck Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14857. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Deer Neck Road.

14858. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Deer Neck Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

East Canyon Road, B105

14859. The East Canyon Road is designated as county road number B105 and SGID road identification number RD190010 and is more or less 8.33 miles long.

14860. Exhibit 1201 (attached hereto and incorporated herein) contains certain information pertaining to the East Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14861. In this action, the State and County seek to quiet title to the public highway right-of-way for the East Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 1201. The East Canyon Road includes the segment of road specifically set forth in Exhibit 1201 and as exists on the ground.

Acceptance of the East Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

14862. The East Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14863. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the East Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14864. The appearance of the East Canyon Road on the Church Rock (1954) and Sop Canyon (1954) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) and Lisbon Valley (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14865. The County confirmed its acceptance of the East Canyon Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the East Canyon Road using public funds pursuant to the County's governmental right and authority.

14866. Witnesses with personal knowledge of the history of the East Canyon Road

confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.
