14867. Currently known reputation in the community is that the East Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14868. Public motor vehicle use of the East Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14869. The East Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14870. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the East Canyon Road.

14871. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the East Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Far West Oil Well Road, B1141

14872. The Far West Oil Well Road is designated as county road number B1141 and

SGID road identification number RD190029 and is more or less 1.83 miles long.

14873. Exhibit 1202 (attached hereto and incorporated herein) contains certain information pertaining to the Far West Oil Well Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14874. In this action, the State and County seek to quiet title to the public highway right-of-way for the Far West Oil Well Road solely as it crosses United States public land as included and specifically described in Exhibit 1202. The Far West Oil Well Road includes the segment of road specifically set forth in Exhibit 1202 and as exists on the ground.

Acceptance of the Far West Oil Well Road R.S. 2477 Right-of-way Prior to October 21, 1976

14875. The Far West Oil Well Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14876. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Far West Oil Well Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14877. The Far West Oil Well Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Far West Oil Well Road using public funds pursuant to the County's governmental right and authority.

14878. Witnesses with personal knowledge of the history of the Far West Oil Well Road

confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14879. Currently known reputation in the community is that the Far West Oil Well Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14880. Public motor vehicle use of the Far West Oil Well Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14881. The Far West Oil Well Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14882. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Far West Oil Well Road.

14883. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Far West Oil Well Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Far West Road, B193

14884. The Far West Road is designated as county road number B193 and SGID road

identification number RD190147 and is more or less 0.32 miles long.

14885. Exhibit 1203 (attached hereto and incorporated herein) contains certain information pertaining to the Far West Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14886. In this action, the State and County seek to quiet title to the public highway right-of-way for the Far West Road solely as it crosses United States public land as included and specifically described in Exhibit 1203. The Far West Road includes the segment of road specifically set forth in Exhibit 1203 and as exists on the ground.

Acceptance of the Far West Road R.S. 2477 Right-of-way Prior to October 21, 1976

14887. The Far West Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14888. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Far West Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14889. The County confirmed its acceptance of the Far West Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Far West Road using public funds pursuant to the County's governmental right and authority.

14890. Witnesses with personal knowledge of the history of the Far West Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14891. Currently known reputation in the community is that the Far West Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14892. Public motor vehicle use of the Far West Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14893. The Far West Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14894. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Far West Road.

14895. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Far West Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Hecla Road, B116

14896. The Hecla Road is designated as county road number B116 and SGID road identification number RD190032 and is more or less 2.26 miles long.

14897. Exhibit 1204 (attached hereto and incorporated herein) contains certain information pertaining to the Hecla Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14898. In this action, the State and County seek to quiet title to the public highway right-of-way for the Hecla Road solely as it crosses United States public land as included and specifically described in Exhibit 1204. The Hecla Road includes the segment of road specifically set forth in Exhibit 1204 and as exists on the ground.

Acceptance of the Hecla Road R.S. 2477 Right-of-way Prior to October 21, 1976

14899. The Hecla Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14900. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Hecla Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14901. The County confirmed its acceptance of the Hecla Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Hecla Road using public funds pursuant to the County's governmental right and authority.

14902. Witnesses with personal knowledge of the history of the Hecla Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14903. Currently known reputation in the community is that the Hecla Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14904. Public motor vehicle use of the Hecla Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14905. The Hecla Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14906. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Hecla Road.

14907. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Hecla Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Home Stake Spur Road, B302

14908. The Home Stake Spur Road is designated as county road number B302 and SGID road identification number RD190334 and is more or less 0.25 miles long.

14909. Exhibit 1205 (attached hereto and incorporated herein) contains certain

information pertaining to the Home Stake Spur Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14910. In this action, the State and County seek to quiet title to the public highway right-of-way for the Home Stake Spur Road solely as it crosses United States public land as included and specifically described in Exhibit 1205. The Home Stake Spur Road includes the segment of road specifically set forth in Exhibit 1205 and as exists on the ground.

Acceptance of the Home Stake Spur Road R.S. 2477 Right-of-way Prior to October 21, 1976

14911. The Home Stake Spur Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14912. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Home Stake Spur Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14913. The appearance of the Home Stake Spur Road on the Sandstone Draw (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14914. The County confirmed its acceptance of the Home Stake Spur Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the Home Stake Spur Road using public funds pursuant to the County's governmental right and authority.

14915. Witnesses with personal knowledge of the history of the Home Stake Spur Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14916. Currently known reputation in the community is that the Home Stake Spur Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14917. Public motor vehicle use of the Home Stake Spur Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14918. The Home Stake Spur Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14919. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Home Stake Spur Road.

14920. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Home Stake Spur Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Houston Road, B319

14921. The Houston Road is designated as county road number B319 and SGID road identification number RD190350 and is more or less 3.46 miles long.

14922. Exhibit 1206 (attached hereto and incorporated herein) contains certain information pertaining to the Houston Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14923. In this action, the State and County seek to quiet title to the public highway right-of-way for the Houston Road solely as it crosses United States public land as included and specifically described in Exhibit 1206. The Houston Road includes the segment of road specifically set forth in Exhibit 1206 and as exists on the ground.

Acceptance of the Houston Road R.S. 2477 Right-of-way Prior to October 21, 1976

14924. The Houston Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14925. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Houston Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14926. The appearance of the Houston Road on the Sop Canyon (1954) and Eastland NW

(1957) USGS 7.5-minute quadrangle maps and the Eastland (1957) and Lisbon Valley (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14927. The County confirmed its acceptance of the Houston Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Houston Road using public funds pursuant to the County's governmental right and authority.

14928. Witnesses with personal knowledge of the history of the Houston Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14929. Currently known reputation in the community is that the Houston Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14930. Public motor vehicle use of the Houston Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14931. The Houston Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14932. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Houston Road.

14933. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Houston Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Iron Springs Spur Road, B371

14934. The Iron Springs Spur Road is designated as county road number B371 and SGID road identification number RD190402 and is more or less 0.97 miles long.

14935. Exhibit 1207 (attached hereto and incorporated herein) contains certain information pertaining to the Iron Springs Spur Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14936. In this action, the State and County seek to quiet title to the public highway right-of-way for the Iron Springs Spur Road solely as it crosses United States public land as included and specifically described in Exhibit 1207. The Iron Springs Spur Road includes the segment of road specifically set forth in Exhibit 1207 and as exists on the ground.

Acceptance of the Iron Springs Spur Road R.S. 2477 Right-of-way Prior to October 21, 1976

14937. The Iron Springs Spur Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14938. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Iron Springs Spur Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14939. The appearance of the Iron Springs Spur Road on the Sop Canyon (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14940. The County confirmed its acceptance of the Iron Springs Spur Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Iron Springs Spur Road using public funds pursuant to the County's governmental right and authority.

14941. Witnesses with personal knowledge of the history of the Iron Springs Spur Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14942. Currently known reputation in the community is that the Iron Springs Spur Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14943. Public motor vehicle use of the Iron Springs Spur Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

14944. The Iron Springs Spur Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14945. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Iron Springs Spur Road.

14946. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Iron Springs Spur Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Lisbon Valley Road, B113

14947. The Lisbon Valley Road is designated as county road number B113 and SGID road identification number RD190026 and is more or less 19.40 miles long.

14948. Exhibit 1208 (attached hereto and incorporated herein) contains certain information pertaining to the Lisbon Valley Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14949. In this action, the State and County seek to quiet title to the public highway right-of-way for the Lisbon Valley Road solely as it crosses United States public land as included and specifically described in Exhibit 1208. The Lisbon Valley Road includes the segment of road specifically set forth in Exhibit 1208 and as exists on the ground.

Acceptance of the Lisbon Valley Road R.S. 2477 Right-of-way Prior to October 21, 1976

14950. The Lisbon Valley Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14951. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Lisbon Valley Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14952. The appearance of the Lisbon Valley Road on the Sandstone Draw (1954), Lisbon Valley (1954), and La Sal West (1954) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954), La Sal Junction (1954), and Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14953. The County confirmed its acceptance of the Lisbon Valley Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Lisbon Valley Road using public funds pursuant to the County's governmental right and authority.

14954. Witnesses with personal knowledge of the history of the Lisbon Valley Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14955. Currently known reputation in the community is that the Lisbon Valley Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14956. Public motor vehicle use of the Lisbon Valley Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14957. The Lisbon Valley Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14958. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Lisbon Valley Road.

14959. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Lisbon Valley Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Little Valley Road, B109

14960. The Little Valley Road is designated as county road number B109 and SGID road identification number RD190018 and is more or less 5.07 miles long.

14961. Exhibit 1209 (attached hereto and incorporated herein) contains certain information pertaining to the Little Valley Road including: a map depicting the road; township,

range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14962. In this action, the State and County seek to quiet title to the public highway right-of-way for the Little Valley Road solely as it crosses United States public land as included and specifically described in Exhibit 1209. The Little Valley Road includes the segment of road specifically set forth in Exhibit 1209 and as exists on the ground.

Acceptance of the Little Valley Road R.S. 2477 Right-of-way Prior to October 21, 1976

14963. The Little Valley Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14964. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Little Valley Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14965. The appearance of the Little Valley Road on the Sop Canyon (1954) and Lisbon Valley (1954) USGS 7.5-minute quadrangle maps and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14966. The County confirmed its acceptance of the Little Valley Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Little Valley Road using public funds pursuant to the County's

governmental right and authority.

14967. Witnesses with personal knowledge of the history of the Little Valley Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14968. Currently known reputation in the community is that the Little Valley Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14969. Public motor vehicle use of the Little Valley Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14970. The Little Valley Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14971. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Little Valley Road.

14972. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Little Valley Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Old Summit Road, B318

14973. The Old Summit Road is designated as county road number B318 and SGID road identification number RD190349 and is more or less 2.28 miles long.

14974. Exhibit 1210 (attached hereto and incorporated herein) contains certain information pertaining to the Old Summit Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14975. In this action, the State and County seek to quiet title to the public highway right-of-way for the Old Summit Road solely as it crosses United States public land as included and specifically described in Exhibit 1210. The Old Summit Road includes the segment of road specifically set forth in Exhibit 1210 and as exists on the ground.

Acceptance of the Old Summit Road R.S. 2477 Right-of-way Prior to October 21, 1976

14976. The Old Summit Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14977. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Old Summit Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14978. The appearance of the Old Summit Road on the Sop Canyon (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See*

Exhibit 27 for more detailed map information.

14979. The County confirmed its acceptance of the Old Summit Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Old Summit Road using public funds pursuant to the County's governmental right and authority.

14980. Witnesses with personal knowledge of the history of the Old Summit Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14981. Currently known reputation in the community is that the Old Summit Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14982. Public motor vehicle use of the Old Summit Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14983. The Old Summit Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14984. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the Old Summit Road.

14985. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Old Summit Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Oliver Mine Road, B182

14986. The Oliver Mine Road is designated as county road number B182 and SGID road identification number RD190136 and is more or less 4.11 miles long.

14987. Exhibit 1211 (attached hereto and incorporated herein) contains certain information pertaining to the Oliver Mine Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14988. In this action, the State and County seek to quiet title to the public highway right-of-way for the Oliver Mine Road solely as it crosses United States public land as included and specifically described in Exhibit 1211. The Oliver Mine Road includes the segment of road specifically set forth in Exhibit 1211 and as exists on the ground.

Acceptance of the Oliver Mine Road R.S. 2477 Right-of-way Prior to October 21, 1976

14989. The Oliver Mine Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14990. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Oliver Mine Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14991. The appearance of the Oliver Mine Road on the La Sal West (1954) USGS 7.5-minute quadrangle map and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

14992. The County confirmed its acceptance of the Oliver Mine Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Oliver Mine Road using public funds pursuant to the County's governmental right and authority.

14993. Witnesses with personal knowledge of the history of the Oliver Mine Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14994. Currently known reputation in the community is that the Oliver Mine Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14995. Public motor vehicle use of the Oliver Mine Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

14996. The Oliver Mine Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14997. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Oliver Mine Road.

14998. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Oliver Mine Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Patterson Ranch Road, B358

14999. The Patterson Ranch Road is designated as county road number B358 and SGID road identification number RD190389 and is more or less 3.65 miles long.

15000. Exhibit 1212 (attached hereto and incorporated herein) contains certain information pertaining to the Patterson Ranch Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15001. In this action, the State and County seek to quiet title to the public highway right-of-way for the Patterson Ranch Road solely as it crosses United States public land as included and specifically described in Exhibit 1212. The Patterson Ranch Road includes the segment of road specifically set forth in Exhibit 1212 and as exists on the ground.

Acceptance of the Patterson Ranch Road R.S. 2477 Right-of-way Prior to October 21, 1976

15002. The Patterson Ranch Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15003. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Patterson Ranch Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15004. The appearance of the Patterson Ranch Road on the Lisbon Valley (1954) and Lisbon Gap (1954) USGS 7.5-minute quadrangle maps and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15005. The Patterson Ranch Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Patterson Ranch Road using public funds pursuant to the County's governmental right and authority.

15006. Witnesses with personal knowledge of the history of the Patterson Ranch Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15007. Currently known reputation in the community is that the Patterson Ranch Road has been open for all to come and go whenever convenient or necessary for more than 10 years

prior to October 21, 1976, and continuing to the present.

15008. Public motor vehicle use of the Patterson Ranch Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15009. The Patterson Ranch Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15010. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Patterson Ranch Road.

15011. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Patterson Ranch Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Peter's Wash Road, B108

15012. The Peter's Wash Road is designated as county road number B108 and SGID road identification number RD190016 and is more or less 8.30 miles long.

15013. Exhibit 1213 (attached hereto and incorporated herein) contains certain information pertaining to the Peter's Wash Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15014. In this action, the State and County seek to quiet title to the public highway right-of-way for the Peter's Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 1213. The Peter's Wash Road includes the segment of road specifically set forth in Exhibit 1213 and as exists on the ground.

Acceptance of the Peter's Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976

15015. The Peter's Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15016. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Peter's Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15017. The appearance of the Peter's Wash Road on the Church Rock (1954) and Sandstone Draw (1954) USGS 7.5-minute quadrangle maps and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15018. The County confirmed its acceptance of the Peter's Wash Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Peter's Wash Road using public funds pursuant to the County's governmental right and authority.

15019. Witnesses with personal knowledge of the history of the Peter's Wash Road

confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15020. Currently known reputation in the community is that the Peter's Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15021. Public motor vehicle use of the Peter's Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15022. The Peter's Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15023. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Peter's Wash Road.

15024. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Peter's Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Rattlesnake Road, B117

15025. The Rattlesnake Road is designated as county road number B117 and SGID road

identification number RD190034 and is more or less 2.03 miles long.

15026. Exhibit 1214 (attached hereto and incorporated herein) contains certain information pertaining to the Rattlesnake Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15027. In this action, the State and County seek to quiet title to the public highway right-of-way for the Rattlesnake Road solely as it crosses United States public land as included and specifically described in Exhibit 1214. The Rattlesnake Road includes the segment of road specifically set forth in Exhibit 1214 and as exists on the ground.

Acceptance of the Rattlesnake Road R.S. 2477 Right-of-way Prior to October 21, 1976

15028. The Rattlesnake Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15029. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Rattlesnake Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15030. The appearance of the Rattlesnake Road on the La Sal West (1954) USGS 7.5-minute quadrangle map and the La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15031. The County confirmed its acceptance of the Rattlesnake Road by 1974, when it

designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Rattlesnake Road using public funds pursuant to the County's governmental right and authority.

15032. Witnesses with personal knowledge of the history of the Rattlesnake Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15033. Currently known reputation in the community is that the Rattlesnake Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15034. Public motor vehicle use of the Rattlesnake Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15035. The Rattlesnake Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15036. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Rattlesnake Road.

15037. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Rattlesnake Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Rattlesnake Well Spur Road, B156

15038. The Rattlesnake Well Spur Road is designated as county road number B156 and SGID road identification number RD190110 and is more or less 0.30 miles long.

15039. Exhibit 1215 (attached hereto and incorporated herein) contains certain information pertaining to the Rattlesnake Well Spur Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15040. In this action, the State and County seek to quiet title to the public highway right-of-way for the Rattlesnake Well Spur Road solely as it crosses United States public land as included and specifically described in Exhibit 1215. The Rattlesnake Well Spur Road includes the segment of road specifically set forth in Exhibit 1215 and as exists on the ground.

Acceptance of the Rattlesnake Well Spur Road R.S. 2477 Right-of-way Prior to October 21, 1976

15041. The Rattlesnake Well Spur Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15042. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Rattlesnake Well Spur Road as a public highway located

on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15043. The Rattlesnake Well Spur Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Rattlesnake Well Spur Road using public funds pursuant to the County's governmental right and authority.

15044. Witnesses with personal knowledge of the history of the Rattlesnake Well Spur Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15045. Currently known reputation in the community is that the Rattlesnake Well Spur Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15046. Public motor vehicle use of the Rattlesnake Well Spur Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15047. The Rattlesnake Well Spur Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15048. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the Rattlesnake Well Spur Road.

15049. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Rattlesnake Well Spur Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Rio Algom Road, B167

15050. The Rio Algom Road is designated as county road number B167 and SGID road identification number RD190121 and is more or less 1.38 miles long.

15051. Exhibit 1216 (attached hereto and incorporated herein) contains certain information pertaining to the Rio Algom Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15052. In this action, the State and County seek to quiet title to the public highway right-of-way for the Rio Algom Road solely as it crosses United States public land as included and specifically described in Exhibit 1216. The Rio Algom Road includes the segment of road specifically set forth in Exhibit 1216 and as exists on the ground.

Acceptance of the Rio Algom Road R.S. 2477 Right-of-way Prior to October 21, 1976

15053. The Rio Algom Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15054. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Rio Algom Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15055. The County confirmed its acceptance of the Rio Algom Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Rio Algom Road using public funds pursuant to the County's governmental right and authority.

15056. Witnesses with personal knowledge of the history of the Rio Algom Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15057. Currently known reputation in the community is that the Rio Algom Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15058. Public motor vehicle use of the Rio Algom Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15059. The Rio Algom Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15060. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the Rio Algom Road.

15061. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Rio Algom Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Steen's Road, B114

15062. The Steen's Road is designated as county road number B114 and SGID road identification number RD190028 and is more or less 11.98 miles long.

15063. Exhibit 1217 (attached hereto and incorporated herein) contains certain information pertaining to the Steen's Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15064. In this action, the State and County seek to quiet title to the public highway right-of-way for the Steen's Road solely as it crosses United States public land as included and specifically described in Exhibit 1217. The Steen's Road includes the segment of road specifically set forth in Exhibit 1217 and as exists on the ground.

Acceptance of the Steen's Road R.S. 2477 Right-of-way Prior to October 21, 1976

15065. The Steen's Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15066. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Steen's Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15067. The appearance of the Steen's Road on the Sandstone Draw (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15068. The County confirmed its acceptance of the Steen's Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Steen's Road using public funds pursuant to the County's governmental right and authority.

15069. Witnesses with personal knowledge of the history of the Steen's Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15070. Currently known reputation in the community is that the Steen's Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15071. Public motor vehicle use of the Steen's Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15072. The Steen's Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15073. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Steen's Road.

15074. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Steen's Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Union Oil Road, B303

15075. The Union Oil Road is designated as county road number B303 and SGID road identification number RD190335 and is more or less 0.40 miles long.

15076. Exhibit 1218 (attached hereto and incorporated herein) contains certain information pertaining to the Union Oil Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15077. In this action, the State and County seek to quiet title to the public highway right-of-way for the Union Oil Road solely as it crosses United States public land as included and specifically described in Exhibit 1218. The Union Oil Road includes the segment of road specifically set forth in Exhibit 1218 and as exists on the ground.

Acceptance of the Union Oil Road R.S. 2477 Right-of-way Prior to October 21, 1976

15078. The Union Oil Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15079. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Union Oil Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15080. The County confirmed its acceptance of the Union Oil Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Union Oil Road using public funds pursuant to the County's governmental right and authority.

15081. Witnesses with personal knowledge of the history of the Union Oil Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15082. Currently known reputation in the community is that the Union Oil Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15083. Public motor vehicle use of the Union Oil Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

15084. The Union Oil Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15085. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Union Oil Road.

15086. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Union Oil Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Velvet Cutoff Road, B177

15087. The Velvet Cutoff Road is designated as county road number B177 and SGID road identification number RD190131 and is more or less 1.96 miles long.

15088. Exhibit 1219 (attached hereto and incorporated herein) contains certain information pertaining to the Velvet Cutoff Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15089. In this action, the State and County seek to quiet title to the public highway right-of-way for the Velvet Cutoff Road solely as it crosses United States public land as included and specifically described in Exhibit 1219. The Velvet Cutoff Road includes the segment of road specifically set forth in Exhibit 1219 and as exists on the ground.

Acceptance of the Velvet Cutoff Road R.S. 2477 Right-of-way Prior to October 21, 1976

15090. The Velvet Cutoff Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15091. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Velvet Cutoff Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15092. The appearance of the Velvet Cutoff Road on the Sop Canyon (1954) USGS 7.5-minute quadrangle map and the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15093. The Velvet Cutoff Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Velvet Cutoff Road using public funds pursuant to the County's governmental right and authority.

15094. Witnesses with personal knowledge of the history of the Velvet Cutoff Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15095. Currently known reputation in the community is that the Velvet Cutoff Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior

to October 21, 1976, and continuing to the present.

15096. Public motor vehicle use of the Velvet Cutoff Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15097. The Velvet Cutoff Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15098. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Velvet Cutoff Road.

15099. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Velvet Cutoff Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

West Coyote Road, B181

15100. The West Coyote Road is designated as county road number B181 and SGID road identification number RD190135 and is more or less 4.41 miles long.

15101. Exhibit 1220 (attached hereto and incorporated herein) contains certain information pertaining to the West Coyote Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15102. In this action, the State and County seek to quiet title to the public highway right-of-way for the West Coyote Road solely as it crosses United States public land as included and specifically described in Exhibit 1220. The West Coyote Road includes the segment of road specifically set forth in Exhibit 1220 and as exists on the ground.

Acceptance of the West Coyote Road R.S. 2477 Right-of-way Prior to October 21, 1976

15103. The West Coyote Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15104. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the West Coyote Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15105. The County confirmed its acceptance of the West Coyote Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the West Coyote Road using public funds pursuant to the County's governmental right and authority.

15106. Witnesses with personal knowledge of the history of the West Coyote Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15107. Currently known reputation in the community is that the West Coyote Road has

been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15108. Public motor vehicle use of the West Coyote Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15109. The West Coyote Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15110. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the West Coyote Road.

15111. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the West Coyote Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

West Lisbon Spur Road, B305

15112. The West Lisbon Spur Road is designated as county road number B305 and SGID road identification number RD190336 and is more or less 2.67 miles long.

15113. Exhibit 1221 (attached hereto and incorporated herein) contains certain information pertaining to the West Lisbon Spur Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate

ownership list; and a complete centerline description of the road.

15114. In this action, the State and County seek to quiet title to the public highway right-of-way for the West Lisbon Spur Road solely as it crosses United States public land as included and specifically described in Exhibit 1221. The West Lisbon Spur Road includes the segment of road specifically set forth in Exhibit 1221 and as exists on the ground.

Acceptance of the West Lisbon Spur Road R.S. 2477 Right-of-way Prior to October 21, 1976

15115. The West Lisbon Spur Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15116. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the West Lisbon Spur Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15117. The West Lisbon Spur Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the West Lisbon Spur Road using public funds pursuant to the County's governmental right and authority.

15118. Witnesses with personal knowledge of the history of the West Lisbon Spur Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15119. Currently known reputation in the community is that the West Lisbon Spur Road

has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15120. Public motor vehicle use of the West Lisbon Spur Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15121. The West Lisbon Spur Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15122. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the West Lisbon Spur Road.

15123. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the West Lisbon Spur Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Williamson Fork Road, B112

15124. The Williamson Fork Road is designated as county road number B112 and SGID road identification number RD190024 and is more or less 7.16 miles long.

15125. Exhibit 1222 (attached hereto and incorporated herein) contains certain information pertaining to the Williamson Fork Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate

ownership list; and a complete centerline description of the road.

15126. In this action, the State and County seek to quiet title to the public highway right-of-way for the Williamson Fork Road solely as it crosses United States public land as included and specifically described in Exhibit 1222. The Williamson Fork Road includes the segment of road specifically set forth in Exhibit 1222 and as exists on the ground.

Acceptance of the Williamson Fork Road R.S. 2477 Right-of-way Prior to October 21, 1976

15127. The Williamson Fork Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15128. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Williamson Fork Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15129. The appearance of the Williamson Fork Road on the Sandstone Draw (1954), Lisbon Valley (1954), and Sop Canyon (1954) USGS 7.5-minute quadrangle maps and the Lisbon Valley (1954) and Hatch Rock (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15130. The County confirmed its acceptance of the Williamson Fork Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Williamson Fork Road using public funds pursuant to the

County's governmental right and authority.

15131. Witnesses with personal knowledge of the history of the Williamson Fork Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15132. Currently known reputation in the community is that the Williamson Fork Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15133. Public motor vehicle use of the Williamson Fork Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15134. The Williamson Fork Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15135. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Williamson Fork Road.

15136. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Williamson Fork Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0467 Road

15137. The D0467 Road is designated as county road number D0467 and SGID road identification number RD191099 and is more or less 4.06 miles long.

15138. Exhibit 1223 (attached hereto and incorporated herein) contains certain information pertaining to the D0467 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15139. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0467 Road solely as it crosses United States public land as included and specifically described in Exhibit 1223. The D0467 Road includes the segment of road specifically set forth in Exhibit 1223 and as exists on the ground.

Acceptance of the D0467 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15140. The D0467 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15141. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0467 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15142. The D0467 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0467 Road pursuant to the County's governmental right and authority.

15143. Witnesses with personal knowledge of the history of the D0467 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15144. Currently known reputation in the community is that the D0467 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15145. Public motor vehicle use of the D0467 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15146. The D0467 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15147. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0467 Road.

15148. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0467 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0489 Road

15149. The D0489 Road is designated as county road number D0489 and SGID road identification number RD191106 and is more or less 4.11 miles long.

15150. Exhibit 1224 (attached hereto and incorporated herein) contains certain information pertaining to the D0489 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15151. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0489 Road solely as it crosses United States public land as included and specifically described in Exhibit 1224. The D0489 Road includes the segment of road specifically set forth in Exhibit 1224 and as exists on the ground.

Acceptance of the D0489 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15152. The D0489 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15153. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0489 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15154. The County confirmed its acceptance of the D0489 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the D0489 Road pursuant to the County's governmental right and authority.

15155. Witnesses with personal knowledge of the history of the D0489 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15156. Currently known reputation in the community is that the D0489 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15157. Public motor vehicle use of the D0489 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15158. The D0489 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15159. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0489 Road.

15160. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0489 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0490 Road

15161. The D0490 Road is designated as county road number D0490 and SGID road identification number RD191107 and is more or less 1.20 miles long.

15162. Exhibit 1225 (attached hereto and incorporated herein) contains certain information pertaining to the D0490 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15163. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0490 Road solely as it crosses United States public land as included and specifically described in Exhibit 1225. The D0490 Road includes the segment of road specifically set forth in Exhibit 1225 and as exists on the ground.

Acceptance of the D0490 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15164. The D0490 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15165. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0490 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15166. The D0490 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0490 Road pursuant to the County's governmental right and authority.

15167. Witnesses with personal knowledge of the history of the D0490 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15168. Currently known reputation in the community is that the D0490 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15169. Public motor vehicle use of the D0490 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15170. The D0490 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15171. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0490 Road.

15172. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0490 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0529 Road

15173. The D0529 Road is designated as county road number D0529 and SGID road identification number RD191129 and is more or less 0.86 miles long.

15174. Exhibit 1226 (attached hereto and incorporated herein) contains certain information pertaining to the D0529 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15175. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0529 Road solely as it crosses United States public land as included and specifically described in Exhibit 1226. The D0529 Road includes the segment of road specifically set forth in Exhibit 1226 and as exists on the ground.

Acceptance of the D0529 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15176. The D0529 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15177. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0529 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15178. The D0529 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0529 Road pursuant to the County's governmental right and authority.

15179. Witnesses with personal knowledge of the history of the D0529 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15180. Currently known reputation in the community is that the D0529 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15181. Public motor vehicle use of the D0529 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15182. The D0529 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15183. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0529 Road.

15184. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0529 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0532 Road

15185. The D0532 Road is designated as county road number D0532 and SGID road identification number RD191130 and is more or less 1.47 miles long.

15186. Exhibit 1227 (attached hereto and incorporated herein) contains certain information pertaining to the D0532 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15187. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0532 Road solely as it crosses United States public land as included and specifically described in Exhibit 1227. The D0532 Road includes the segment of road specifically set forth in Exhibit 1227 and as exists on the ground.

Acceptance of the D0532 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15188. The D0532 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15189. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0532 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15190. The appearance of the D0532 Road on the Sop Canyon (1954) USGS 7.5-minute quadrangle map and Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the

existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15191. The County confirmed its acceptance of the D0532 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0532 Road pursuant to the County's governmental right and authority.

15192. Witnesses with personal knowledge of the history of the D0532 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15193. Currently known reputation in the community is that the D0532 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15194. Public motor vehicle use of the D0532 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15195. The D0532 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15196. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0532 Road.

15197. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0532 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0536 Road

15198. The D0536 Road is designated as county road number D0536 and SGID road identification number RD191133 and is more or less 2.83 miles long.

15199. Exhibit 1228 (attached hereto and incorporated herein) contains certain information pertaining to the D0536 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15200. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0536 Road solely as it crosses United States public land as included and specifically described in Exhibit 1228. The D0536 Road includes the segment of road specifically set forth in Exhibit 1228 and as exists on the ground.

Acceptance of the D0536 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15201. The D0536 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15202. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0536 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15203. The D0536 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0536 Road pursuant to the County's governmental right and authority.

15204. Witnesses with personal knowledge of the history of the D0536 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15205. Currently known reputation in the community is that the D0536 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15206. Public motor vehicle use of the D0536 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15207. The D0536 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15208. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0536 Road.

15209. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0536 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0537 Road

15210. The D0537 Road is designated as county road number D0537 and SGID road identification number RD191134 and is more or less 1.09 miles long.

15211. Exhibit 1229 (attached hereto and incorporated herein) contains certain information pertaining to the D0537 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15212. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0537 Road solely as it crosses United States public land as included and specifically described in Exhibit 1229. The D0537 Road includes the segment of road specifically set forth in Exhibit 1229 and as exists on the ground.

Acceptance of the D0537 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15213. The D0537 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15214. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0537 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15215. The D0537 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0537 Road pursuant to the County's governmental right and authority.

15216. Witnesses with personal knowledge of the history of the D0537 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15217. Currently known reputation in the community is that the D0537 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15218. Public motor vehicle use of the D0537 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15219. The D0537 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15220. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0537 Road.

15221. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0537 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0538 Road

15222. The D0538 Road is designated as county road number D0538 and SGID road identification number RD191135 and is more or less 3.26 miles long.

15223. Exhibit 1230 (attached hereto and incorporated herein) contains certain information pertaining to the D0538 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15224. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0538 Road solely as it crosses United States public land as included and specifically described in Exhibit 1230. The D0538 Road includes the segment of road specifically set forth in Exhibit 1230 and as exists on the ground.

Acceptance of the D0538 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15225. The D0538 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15226. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0538 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15227. The D0538 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0538 Road pursuant to the County's governmental right and authority.

15228. Witnesses with personal knowledge of the history of the D0538 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15229. Currently known reputation in the community is that the D0538 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15230. Public motor vehicle use of the D0538 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15231. The D0538 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15232. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0538 Road.

15233. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0538 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0539 Road

15234. The D0539 Road is designated as county road number D0539 and SGID road identification number RD191136 and is more or less 2.35 miles long.

15235. Exhibit 1231 (attached hereto and incorporated herein) contains certain information pertaining to the D0539 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15236. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0539 Road solely as it crosses United States public land as included and specifically described in Exhibit 1231. The D0539 Road includes the segment of road specifically set forth in Exhibit 1231 and as exists on the ground.

Acceptance of the D0539 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15237. The D0539 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15238. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0539 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15239. The appearance of the D0539 Road on the Sop Canyon (1954) USGS 7.5-minute quadrangle map and Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15240. The D0539 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0539 Road pursuant to the County's governmental right and authority.

15241. Witnesses with personal knowledge of the history of the D0539 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15242. Currently known reputation in the community is that the D0539 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15243. Public motor vehicle use of the D0539 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15244. The D0539 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15245. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0539 Road.

15246. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0539 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0540 Road

15247. The D0540 Road is designated as county road number D0540 and SGID road identification number RD191137 and is more or less 0.62 miles long.

15248. Exhibit 1232 (attached hereto and incorporated herein) contains certain information pertaining to the D0540 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15249. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0540 Road solely as it crosses United States public land as included and specifically described in Exhibit 1232. The D0540 Road includes the segment of road specifically set forth in Exhibit 1232 and as exists on the ground.

Acceptance of the D0540 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15250. The D0540 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15251. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0540 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15252. The D0540 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0540 Road pursuant to the County's governmental right and authority.

15253. Witnesses with personal knowledge of the history of the D0540 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15254. Currently known reputation in the community is that the D0540 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15255. Public motor vehicle use of the D0540 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15256. The D0540 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15257. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0540 Road.

15258. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0540 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0541 Road

15259. The D0541 Road is designated as county road number D0541 and SGID road identification number RD191138 and is more or less 5.51 miles long.

15260. Exhibit 1233 (attached hereto and incorporated herein) contains certain information pertaining to the D0541 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15261. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0541 Road solely as it crosses United States public land as included and specifically described in Exhibit 1233. The D0541 Road includes the segment of road specifically set forth in Exhibit 1233 and as exists on the ground.

Acceptance of the D0541 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15262. The D0541 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15263. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0541 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15264. The D0541 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0541 Road pursuant to the County's governmental right and authority.

15265. Witnesses with personal knowledge of the history of the D0541 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15266. Currently known reputation in the community is that the D0541 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15267. Public motor vehicle use of the D0541 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15268. The D0541 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15269. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0541 Road.

15270. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0541 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0542 Road

15271. The D0542 Road is designated as county road number D0542 and SGID road identification number RD191139 and is more or less 1.61 miles long.

15272. Exhibit 1234 (attached hereto and incorporated herein) contains certain information pertaining to the D0542 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15273. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0542 Road solely as it crosses United States public land as included and specifically described in Exhibit 1234. The D0542 Road includes the segment of road specifically set forth in Exhibit 1234 and as exists on the ground.

Acceptance of the D0542 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15274. The D0542 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15275. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0542 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15276. The appearance of the D0542 Road on the Sop Canyon (1954) USGS 7.5-minute quadrangle map and Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15277. The County confirmed its acceptance of the D0542 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0542 Road pursuant to the County's governmental right and authority.

15278. Witnesses with personal knowledge of the history of the D0542 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15279. Currently known reputation in the community is that the D0542 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15280. Public motor vehicle use of the D0542 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15281. The D0542 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15282. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0542 Road.

15283. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0542 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0544 Road

15284. The D0544 Road is designated as county road number D0544 and SGID road identification number RD191140 and is more or less 3.04 miles long.

15285. Exhibit 1235 (attached hereto and incorporated herein) contains certain information pertaining to the D0544 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15286. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0544 Road solely as it crosses United States public land as included and specifically described in Exhibit 1235. The D0544 Road includes the segment of road specifically set forth in Exhibit 1235 and as exists on the ground.

Acceptance of the D0544 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15287. The D0544 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15288. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0544 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15289. The D0544 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0544 Road pursuant to the County's governmental right and authority.

15290. Witnesses with personal knowledge of the history of the D0544 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15291. Currently known reputation in the community is that the D0544 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15292. Public motor vehicle use of the D0544 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15293. The D0544 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15294. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0544 Road.

15295. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0544 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0546 Road

15296. The D0546 Road is designated as county road number D0546 and SGID road identification number RD191142 and is more or less 0.96 miles long.

15297. Exhibit 1236 (attached hereto and incorporated herein) contains certain information pertaining to the D0546 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15298. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0546 Road solely as it crosses United States public land as included and specifically described in Exhibit 1236. The D0546 Road includes the segment of road specifically set forth in Exhibit 1236 and as exists on the ground.

Acceptance of the D0546 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15299. The D0546 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15300. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0546 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15301. The D0546 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0546 Road pursuant to the County's governmental right and authority.

15302. Witnesses with personal knowledge of the history of the D0546 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15303. Currently known reputation in the community is that the D0546 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15304. Public motor vehicle use of the D0546 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15305. The D0546 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15306. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0546 Road.

15307. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0546 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0547 Road

15308. The D0547 Road is designated as county road number D0547 and SGID road identification number RD191143 and is more or less 2.56 miles long.

15309. Exhibit 1237 (attached hereto and incorporated herein) contains certain information pertaining to the D0547 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15310. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0547 Road solely as it crosses United States public land as included and specifically described in Exhibit 1237. The D0547 Road includes the segment of road specifically set forth in Exhibit 1237 and as exists on the ground.

Acceptance of the D0547 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15311. The D0547 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15312. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0547 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15313. The appearance of the D0547 Road on the Sop Canyon (1954) USGS 7.5-minute quadrangle map and Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15314. The D0547 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0547 Road pursuant to the County's governmental right and authority.

15315. Witnesses with personal knowledge of the history of the D0547 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15316. Currently known reputation in the community is that the D0547 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15317. Public motor vehicle use of the D0547 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15318. The D0547 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15319. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0547 Road.

15320. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0547 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0548 Road

15321. The D0548 Road is designated as county road number D0548 and SGID road identification number RD191144 and is more or less 0.79 miles long.

15322. Exhibit 1238 (attached hereto and incorporated herein) contains certain information pertaining to the D0548 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15323. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0548 Road solely as it crosses United States public land as included and specifically described in Exhibit 1238. The D0548 Road includes the segment of road specifically set forth in Exhibit 1238 and as exists on the ground.

Acceptance of the D0548 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15324. The D0548 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15325. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0548 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15326. The County confirmed its acceptance of the D0548 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0548 Road pursuant to the County's governmental right and authority.

15327. Witnesses with personal knowledge of the history of the D0548 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15328. Currently known reputation in the community is that the D0548 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15329. Public motor vehicle use of the D0548 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15330. The D0548 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15331. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0548 Road.

15332. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0548 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0549 Road

15333. The D0549 Road is designated as county road number D0549 and SGID road identification number RD191145 and is more or less 0.65 miles long.

15334. Exhibit 1239 (attached hereto and incorporated herein) contains certain information pertaining to the D0549 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15335. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0549 Road solely as it crosses United States public land as included and specifically described in Exhibit 1239. The D0549 Road includes the segment of road specifically set forth in Exhibit 1239 and as exists on the ground.

Acceptance of the D0549 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15336. The D0549 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15337. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0549 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15338. The D0549 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0549 Road pursuant to the County's governmental right and authority.

15339. Witnesses with personal knowledge of the history of the D0549 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15340. Currently known reputation in the community is that the D0549 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15341. Public motor vehicle use of the D0549 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15342. The D0549 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15343. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0549 Road.

15344. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0549 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0554 Road

15345. The D0554 Road is designated as county road number D0554 and SGID road identification number RD191146 and is more or less 7.06 miles long.

15346. Exhibit 1240 (attached hereto and incorporated herein) contains certain information pertaining to the D0554 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15347. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0554 Road solely as it crosses United States public land as included and specifically described in Exhibit 1240. The D0554 Road includes the segment of road specifically set forth in Exhibit 1240 and as exists on the ground.

Acceptance of the D0554 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15348. The D0554 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15349. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0554 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15350. The D0554 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0554 Road pursuant to the County's governmental right and authority.

15351. Witnesses with personal knowledge of the history of the D0554 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15352. Currently known reputation in the community is that the D0554 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15353. Public motor vehicle use of the D0554 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15354. The D0554 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15355. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0554 Road.

15356. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0554 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0555 Road

15357. The D0555 Road is designated as county road number D0555 and SGID road identification number RD191147 and is more or less 1.58 miles long.

15358. Exhibit 1241 (attached hereto and incorporated herein) contains certain information pertaining to the D0555 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15359. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0555 Road solely as it crosses United States public land as included and specifically described in Exhibit 1241. The D0555 Road includes the segment of road specifically set forth in Exhibit 1241 and as exists on the ground.

Acceptance of the D0555 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15360. The D0555 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15361. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0555 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15362. The D0555 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0555 Road pursuant to the County's governmental right and authority.

15363. Witnesses with personal knowledge of the history of the D0555 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15364. Currently known reputation in the community is that the D0555 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15365. Public motor vehicle use of the D0555 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15366. The D0555 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15367. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0555 Road.

15368. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0555 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0556 Road

15369. The D0556 Road is designated as county road number D0556 and SGID road identification number RD191148 and is more or less 2.08 miles long.

15370. Exhibit 1242 (attached hereto and incorporated herein) contains certain information pertaining to the D0556 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15371. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0556 Road solely as it crosses United States public land as included and specifically described in Exhibit 1242. The D0556 Road includes the segment of road specifically set forth in Exhibit 1242 and as exists on the ground.

Acceptance of the D0556 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15372. The D0556 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15373. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0556 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15374. The D0556 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0556 Road pursuant to the County's governmental right and authority.

15375. Witnesses with personal knowledge of the history of the D0556 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15376. Currently known reputation in the community is that the D0556 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15377. Public motor vehicle use of the D0556 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15378. The D0556 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15379. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0556 Road.

15380. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0556 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0598 Road

15381. The D0598 Road is designated as county road number D0598 and SGID road identification number RD190610 and is more or less 2.79 miles long.

15382. Exhibit 1243 (attached hereto and incorporated herein) contains certain information pertaining to the D0598 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15383. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0598 Road solely as it crosses United States public land as included and specifically described in Exhibit 1243. The D0598 Road includes the segment of road specifically set forth in Exhibit 1243 and as exists on the ground.

Acceptance of the D0598 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15384. The D0598 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15385. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0598 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15386. The D0598 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0598 Road pursuant to the County's governmental right and authority.

15387. Witnesses with personal knowledge of the history of the D0598 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15388. Currently known reputation in the community is that the D0598 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15389. Public motor vehicle use of the D0598 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15390. The D0598 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15391. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0598 Road.

15392. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0598 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0603 Road

15393. The D0603 Road is designated as county road number D0603 and SGID road identification number RD191180 and is more or less 2.14 miles long.

15394. Exhibit 1244 (attached hereto and incorporated herein) contains certain information pertaining to the D0603 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15395. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0603 Road solely as it crosses United States public land as included and specifically described in Exhibit 1244. The D0603 Road includes the segment of road specifically set forth in Exhibit 1244 and as exists on the ground.

Acceptance of the D0603 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15396. The D0603 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15397. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0603 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15398. The D0603 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0603 Road pursuant to the County's governmental right and authority.

15399. Witnesses with personal knowledge of the history of the D0603 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15400. Currently known reputation in the community is that the D0603 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15401. Public motor vehicle use of the D0603 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15402. The D0603 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15403. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0603 Road.

15404. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0603 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0879 Road

15405. The D0879 Road is designated as county road number D0879 and SGID road identification number RD191380 and is more or less 1.34 miles long.

15406. Exhibit 1245 (attached hereto and incorporated herein) contains certain information pertaining to the D0879 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15407. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0879 Road solely as it crosses United States public land as included and specifically described in Exhibit 1245. The D0879 Road includes the segment of road specifically set forth in Exhibit 1245 and as exists on the ground.

Acceptance of the D0879 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15408. The D0879 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15409. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0879 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15410. The D0879 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0879 Road pursuant to the County's governmental right and authority.

15411. Witnesses with personal knowledge of the history of the D0879 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15412. Currently known reputation in the community is that the D0879 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15413. Public motor vehicle use of the D0879 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15414. The D0879 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15415. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0879 Road.

15416. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0879 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0891 Road

15417. The D0891 Road is designated as county road number D0891 and SGID road identification number RD191391 and is more or less 1.02 miles long.

15418. Exhibit 1246 (attached hereto and incorporated herein) contains certain information pertaining to the D0891 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15419. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0891 Road solely as it crosses United States public land as included and specifically described in Exhibit 1246. The D0891 Road includes the segment of road specifically set forth in Exhibit 1246 and as exists on the ground.

Acceptance of the D0891 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15420. The D0891 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15421. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0891 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15422. The D0891 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0891 Road pursuant to the County's governmental right and authority.

15423. Witnesses with personal knowledge of the history of the D0891 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15424. Currently known reputation in the community is that the D0891 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15425. Public motor vehicle use of the D0891 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15426. The D0891 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15427. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0891 Road.

15428. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0891 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0893 Road

15429. The D0893 Road is designated as county road number D0893 and SGID road identification number RD191393 and is more or less 5.43 miles long.

15430. Exhibit 1247 (attached hereto and incorporated herein) contains certain information pertaining to the D0893 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15431. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0893 Road solely as it crosses United States public land as included and specifically described in Exhibit 1247. The D0893 Road includes the segment of road specifically set forth in Exhibit 1247 and as exists on the ground.

Acceptance of the D0893 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15432. The D0893 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15433. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0893 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15434. The D0893 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0893 Road pursuant to the County's governmental right and authority.

15435. Witnesses with personal knowledge of the history of the D0893 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15436. Currently known reputation in the community is that the D0893 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15437. Public motor vehicle use of the D0893 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15438. The D0893 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15439. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0893 Road.

15440. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0893 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0895 Road

15441. The D0895 Road is designated as county road number D0895 and SGID road identification number RD191395 and is more or less 0.96 miles long.

15442. Exhibit 1248 (attached hereto and incorporated herein) contains certain information pertaining to the D0895 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15443. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0895 Road solely as it crosses United States public land as included and specifically described in Exhibit 1248. The D0895 Road includes the segment of road specifically set forth in Exhibit 1248 and as exists on the ground.

Acceptance of the D0895 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15444. The D0895 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15445. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0895 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15446. The D0895 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0895 Road pursuant to the County's governmental right and authority.

15447. Witnesses with personal knowledge of the history of the D0895 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15448. Currently known reputation in the community is that the D0895 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15449. Public motor vehicle use of the D0895 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15450. The D0895 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15451. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0895 Road.

15452. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0895 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0898 Road

15453. The D0898 Road is designated as county road number D0898 and SGID road identification number RD191397 and is more or less 0.89 miles long.

15454. Exhibit 1249 (attached hereto and incorporated herein) contains certain information pertaining to the D0898 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15455. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0898 Road solely as it crosses United States public land as included and specifically described in Exhibit 1249. The D0898 Road includes the segment of road specifically set forth in Exhibit 1249 and as exists on the ground.

Acceptance of the D0898 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15456. The D0898 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15457. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0898 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15458. The D0898 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0898 Road pursuant to the County's governmental right and authority.

15459. Witnesses with personal knowledge of the history of the D0898 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15460. Currently known reputation in the community is that the D0898 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15461. Public motor vehicle use of the D0898 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15462. The D0898 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15463. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0898 Road.

15464. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0898 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0899 Road

15465. The D0899 Road is designated as county road number D0899 and SGID road identification number RD190629 and is more or less 1.89 miles long.

15466. Exhibit 1250 (attached hereto and incorporated herein) contains certain information pertaining to the D0899 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15467. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0899 Road solely as it crosses United States public land as included and specifically described in Exhibit 1250. The D0899 Road includes the segment of road specifically set forth in Exhibit 1250 and as exists on the ground.

Acceptance of the D0899 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15468. The D0899 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15469. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0899 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15470. The D0899 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0899 Road pursuant to the County's governmental right and authority.

15471. Witnesses with personal knowledge of the history of the D0899 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15472. Currently known reputation in the community is that the D0899 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15473. Public motor vehicle use of the D0899 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15474. The D0899 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15475. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0899 Road.

15476. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0899 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0900 Road

15477. The D0900 Road is designated as county road number D0900 and SGID road identification number RD190630 and is more or less 3.13 miles long.

15478. Exhibit 1251 (attached hereto and incorporated herein) contains certain information pertaining to the D0900 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15479. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0900 Road solely as it crosses United States public land as included and specifically described in Exhibit 1251. The D0900 Road includes the segment of road specifically set forth in Exhibit 1251 and as exists on the ground.

Acceptance of the D0900 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15480. The D0900 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15481. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0900 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15482. The D0900 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0900 Road pursuant to the County's governmental right and authority.

15483. Witnesses with personal knowledge of the history of the D0900 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15484. Currently known reputation in the community is that the D0900 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15485. Public motor vehicle use of the D0900 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15486. The D0900 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15487. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0900 Road.

15488. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0900 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0902 Road

15489. The D0902 Road is designated as county road number D0902 and SGID road identification number RD191398 and is more or less 0.34 miles long.

15490. Exhibit 1252 (attached hereto and incorporated herein) contains certain information pertaining to the D0902 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15491. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0902 Road solely as it crosses United States public land as included and specifically described in Exhibit 1252. The D0902 Road includes the segment of road specifically set forth in Exhibit 1252 and as exists on the ground.

Acceptance of the D0902 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15492. The D0902 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15493. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0902 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15494. The D0902 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0902 Road pursuant to the County's governmental right and authority.

15495. Witnesses with personal knowledge of the history of the D0902 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15496. Currently known reputation in the community is that the D0902 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15497. Public motor vehicle use of the D0902 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15498. The D0902 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15499. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0902 Road.

15500. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0902 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0903 Road

15501. The D0903 Road is designated as county road number D0903 and SGID road identification number RD191399 and is more or less 1.22 miles long.

15502. Exhibit 1253 (attached hereto and incorporated herein) contains certain information pertaining to the D0903 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15503. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0903 Road solely as it crosses United States public land as included and specifically described in Exhibit 1253. The D0903 Road includes the segment of road specifically set forth in Exhibit 1253 and as exists on the ground.

Acceptance of the D0903 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15504. The D0903 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15505. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0903 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15506. The D0903 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0903 Road pursuant to the County's governmental right and authority.

15507. Witnesses with personal knowledge of the history of the D0903 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15508. Currently known reputation in the community is that the D0903 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15509. Public motor vehicle use of the D0903 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15510. The D0903 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15511. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0903 Road.

15512. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0903 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0904 Road

15513. The D0904 Road is designated as county road number D0904 and SGID road identification number RD191400 and is more or less 0.60 miles long.

15514. Exhibit 1254 (attached hereto and incorporated herein) contains certain information pertaining to the D0904 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15515. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0904 Road solely as it crosses United States public land as included and specifically described in Exhibit 1254. The D0904 Road includes the segment of road specifically set forth in Exhibit 1254 and as exists on the ground.

Acceptance of the D0904 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15516. The D0904 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15517. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0904 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15518. The D0904 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0904 Road pursuant to the County's governmental right and authority.

15519. Witnesses with personal knowledge of the history of the D0904 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15520. Currently known reputation in the community is that the D0904 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15521. Public motor vehicle use of the D0904 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15522. The D0904 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15523. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0904 Road.

15524. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0904 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0905 Road

15525. The D0905 Road is designated as county road number D0905 and SGID road identification number RD191401 and is more or less 1.06 miles long.

15526. Exhibit 1255 (attached hereto and incorporated herein) contains certain information pertaining to the D0905 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15527. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0905 Road solely as it crosses United States public land as included and specifically described in Exhibit 1255. The D0905 Road includes the segment of road specifically set forth in Exhibit 1255 and as exists on the ground.

Acceptance of the D0905 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15528. The D0905 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15529. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0905 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15530. The D0905 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0905 Road pursuant to the County's governmental right and authority.

15531. Witnesses with personal knowledge of the history of the D0905 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15532. Currently known reputation in the community is that the D0905 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15533. Public motor vehicle use of the D0905 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15534. The D0905 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15535. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0905 Road.

15536. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0905 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0906 Road

15537. The D0906 Road is designated as county road number D0906 and SGID road identification number RD191402 and is more or less 1.28 miles long.

15538. Exhibit 1256 (attached hereto and incorporated herein) contains certain information pertaining to the D0906 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15539. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0906 Road solely as it crosses United States public land as included and specifically described in Exhibit 1256. The D0906 Road includes the segment of road specifically set forth in Exhibit 1256 and as exists on the ground.

Acceptance of the D0906 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15540. The D0906 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15541. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0906 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15542. The D0906 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0906 Road pursuant to the County's governmental right and authority.

15543. Witnesses with personal knowledge of the history of the D0906 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15544. Currently known reputation in the community is that the D0906 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15545. Public motor vehicle use of the D0906 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15546. The D0906 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15547. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0906 Road.

15548. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0906 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0907 Road

15549. The D0907 Road is designated as county road number D0907 and SGID road identification number RD191403 and is more or less 1.10 miles long.

15550. Exhibit 1257 (attached hereto and incorporated herein) contains certain information pertaining to the D0907 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15551. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0907 Road solely as it crosses United States public land as included and specifically described in Exhibit 1257. The D0907 Road includes the segment of road specifically set forth in Exhibit 1257 and as exists on the ground.

Acceptance of the D0907 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15552. The D0907 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15553. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0907 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15554. The County confirmed its acceptance of the D0907 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0907 Road pursuant to the County's governmental right and authority.

15555. Witnesses with personal knowledge of the history of the D0907 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15556. Currently known reputation in the community is that the D0907 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15557. Public motor vehicle use of the D0907 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15558. The D0907 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15559. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0907 Road.

15560. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0907 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0916 Road

15561. The D0916 Road is designated as county road number D0916 and SGID road identification number RD191406 and is more or less 2.42 miles long.

15562. Exhibit 1258 (attached hereto and incorporated herein) contains certain information pertaining to the D0916 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15563. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0916 Road solely as it crosses United States public land as included and specifically described in Exhibit 1258. The D0916 Road includes the segment of road specifically set forth in Exhibit 1258 and as exists on the ground.

Acceptance of the D0916 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15564. The D0916 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15565. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0916 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15566. The D0916 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0916 Road pursuant to the County's governmental right and authority.

15567. Witnesses with personal knowledge of the history of the D0916 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15568. Currently known reputation in the community is that the D0916 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15569. Public motor vehicle use of the D0916 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15570. The D0916 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15571. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0916 Road.

15572. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0916 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0918 Road

15573. The D0918 Road is designated as county road number D0918 and SGID road identification number RD190631 and is more or less 1.35 miles long.

15574. Exhibit 1259 (attached hereto and incorporated herein) contains certain information pertaining to the D0918 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15575. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0918 Road solely as it crosses United States public land as included and specifically described in Exhibit 1259. The D0918 Road includes the segment of road specifically set forth in Exhibit 1259 and as exists on the ground.

Acceptance of the D0918 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15576. The D0918 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15577. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0918 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15578. The D0918 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0918 Road pursuant to the County's governmental right and authority.

15579. Witnesses with personal knowledge of the history of the D0918 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15580. Currently known reputation in the community is that the D0918 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15581. Public motor vehicle use of the D0918 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15582. The D0918 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15583. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0918 Road.

15584. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0918 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0922 Road

15585. The D0922 Road is designated as county road number D0922 and SGID road identification number RD191407 and is more or less 2.10 miles long.

15586. Exhibit 1260 (attached hereto and incorporated herein) contains certain information pertaining to the D0922 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15587. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0922 Road solely as it crosses United States public land as included and specifically described in Exhibit 1260. The D0922 Road includes the segment of road specifically set forth in Exhibit 1260 and as exists on the ground.

Acceptance of the D0922 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15588. The D0922 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15589. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0922 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15590. The D0922 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0922 Road pursuant to the County's governmental right and authority.

15591. Witnesses with personal knowledge of the history of the D0922 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15592. Currently known reputation in the community is that the D0922 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15593. Public motor vehicle use of the D0922 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15594. The D0922 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15595. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0922 Road.

15596. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0922 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0923 Road

15597. The D0923 Road is designated as county road number D0923 and SGID road identification number RD191408 and is more or less 1.36 miles long.

15598. Exhibit 1261 (attached hereto and incorporated herein) contains certain information pertaining to the D0923 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15599. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0923 Road solely as it crosses United States public land as included and specifically described in Exhibit 1261. The D0923 Road includes the segment of road specifically set forth in Exhibit 1261 and as exists on the ground.

Acceptance of the D0923 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15600. The D0923 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15601. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0923 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15602. The D0923 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0923 Road pursuant to the County's governmental right and authority.

15603. Witnesses with personal knowledge of the history of the D0923 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15604. Currently known reputation in the community is that the D0923 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15605. Public motor vehicle use of the D0923 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15606. The D0923 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15607. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0923 Road.

15608. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0923 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0929 Road

15609. The D0929 Road is designated as county road number D0929 and SGID road identification number RD191412 and is more or less 1.82 miles long.

15610. Exhibit 1262 (attached hereto and incorporated herein) contains certain information pertaining to the D0929 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15611. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0929 Road solely as it crosses United States public land as included and specifically described in Exhibit 1262. The D0929 Road includes the segment of road specifically set forth in Exhibit 1262 and as exists on the ground.

Acceptance of the D0929 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15612. The D0929 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15613. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0929 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15614. The D0929 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0929 Road pursuant to the County's governmental right and authority.

15615. Witnesses with personal knowledge of the history of the D0929 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15616. Currently known reputation in the community is that the D0929 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15617. Public motor vehicle use of the D0929 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15618. The D0929 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15619. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0929 Road.

15620. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0929 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0933 Road

15621. The D0933 Road is designated as county road number D0933 and SGID road identification number RD191415 and is more or less 0.40 miles long.

15622. Exhibit 1263 (attached hereto and incorporated herein) contains certain information pertaining to the D0933 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15623. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0933 Road solely as it crosses United States public land as included and specifically described in Exhibit 1263. The D0933 Road includes the segment of road specifically set forth in Exhibit 1263 and as exists on the ground.

Acceptance of the D0933 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15624. The D0933 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15625. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0933 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15626. The D0933 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0933 Road pursuant to the County's governmental right and authority.

15627. Witnesses with personal knowledge of the history of the D0933 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15628. Currently known reputation in the community is that the D0933 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15629. Public motor vehicle use of the D0933 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15630. The D0933 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15631. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0933 Road.

15632. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0933 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0934 Road

15633. The D0934 Road is designated as county road number D0934 and SGID road identification number RD191416 and is more or less 1.11 miles long.

15634. Exhibit 1264 (attached hereto and incorporated herein) contains certain information pertaining to the D0934 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15635. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0934 Road solely as it crosses United States public land as included and specifically described in Exhibit 1264. The D0934 Road includes the segment of road specifically set forth in Exhibit 1264 and as exists on the ground.

Acceptance of the D0934 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15636. The D0934 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15637. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0934 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15638. The D0934 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0934 Road pursuant to the County's governmental right and authority.

15639. Witnesses with personal knowledge of the history of the D0934 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15640. Currently known reputation in the community is that the D0934 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15641. Public motor vehicle use of the D0934 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15642. The D0934 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15643. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0934 Road.

15644. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0934 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0942 Road

15645. The D0942 Road is designated as county road number D0942 and SGID road identification number RD191420 and is more or less 0.49 miles long.

15646. Exhibit 1265 (attached hereto and incorporated herein) contains certain information pertaining to the D0942 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15647. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0942 Road solely as it crosses United States public land as included and specifically described in Exhibit 1265. The D0942 Road includes the segment of road specifically set forth in Exhibit 1265 and as exists on the ground.

Acceptance of the D0942 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15648. The D0942 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15649. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0942 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15650. The D0942 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0942 Road pursuant to the County's governmental right and authority.

15651. Witnesses with personal knowledge of the history of the D0942 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15652. Currently known reputation in the community is that the D0942 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15653. Public motor vehicle use of the D0942 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15654. The D0942 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15655. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0942 Road.

15656. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0942 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0953 Road

15657. The D0953 Road is designated as county road number D0953 and SGID road identification number RD191428 and is more or less 0.81 miles long.

15658. Exhibit 1266 (attached hereto and incorporated herein) contains certain information pertaining to the D0953 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15659. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0953 Road solely as it crosses United States public land as included and specifically described in Exhibit 1266. The D0953 Road includes the segment of road specifically set forth in Exhibit 1266 and as exists on the ground.

Acceptance of the D0953 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15660. The D0953 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15661. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0953 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15662. The D0953 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0953 Road pursuant to the County's governmental right and authority.

15663. Witnesses with personal knowledge of the history of the D0953 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15664. Currently known reputation in the community is that the D0953 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15665. Public motor vehicle use of the D0953 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15666. The D0953 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15667. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0953 Road.

15668. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0953 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0957 Road

15669. The D0957 Road is designated as county road number D0957 and SGID road identification number RD191430 and is more or less 1.51 miles long.

15670. Exhibit 1267 (attached hereto and incorporated herein) contains certain information pertaining to the D0957 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15671. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0957 Road solely as it crosses United States public land as included and specifically described in Exhibit 1267. The D0957 Road includes the segment of road specifically set forth in Exhibit 1267 and as exists on the ground.

Acceptance of the D0957 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15672. The D0957 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15673. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0957 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15674. The D0957 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0957 Road pursuant to the County's governmental right and authority.

15675. Witnesses with personal knowledge of the history of the D0957 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15676. Currently known reputation in the community is that the D0957 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15677. Public motor vehicle use of the D0957 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15678. The D0957 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15679. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0957 Road.

15680. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0957 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0983 Road

15681. The D0983 Road is designated as county road number D0983 and SGID road identification number RD190636 and is more or less 4.07 miles long.

15682. Exhibit 1268 (attached hereto and incorporated herein) contains certain information pertaining to the D0983 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15683. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0983 Road solely as it crosses United States public land as included and specifically described in Exhibit 1268. The D0983 Road includes the segment of road specifically set forth in Exhibit 1268 and as exists on the ground.

Acceptance of the D0983 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15684. The D0983 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15685. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0983 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15686. The D0983 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0983 Road pursuant to the County's governmental right and authority.

15687. Witnesses with personal knowledge of the history of the D0983 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15688. Currently known reputation in the community is that the D0983 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15689. Public motor vehicle use of the D0983 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15690. The D0983 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15691. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0983 Road.

15692. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0983 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0995 Road

15693. The D0995 Road is designated as county road number D0995 and SGID road identification number RD191452 and is more or less 1.55 miles long.

15694. Exhibit 1269 (attached hereto and incorporated herein) contains certain information pertaining to the D0995 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15695. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0995 Road solely as it crosses United States public land as included and specifically described in Exhibit 1269. The D0995 Road includes the segment of road specifically set forth in Exhibit 1269 and as exists on the ground.

Acceptance of the D0995 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15696. The D0995 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15697. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0995 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15698. The D0995 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0995 Road pursuant to the County's governmental right and authority.

15699. Witnesses with personal knowledge of the history of the D0995 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15700. Currently known reputation in the community is that the D0995 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15701. Public motor vehicle use of the D0995 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15702. The D0995 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15703. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0995 Road.

15704. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0995 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0996 Road

15705. The D0996 Road is designated as county road number D0996 and SGID road identification number RD190638 and is more or less 2.90 miles long.

15706. Exhibit 1270 (attached hereto and incorporated herein) contains certain information pertaining to the D0996 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15707. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0996 Road solely as it crosses United States public land as included and specifically described in Exhibit 1270. The D0996 Road includes the segment of road specifically set forth in Exhibit 1270 and as exists on the ground.

Acceptance of the D0996 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15708. The D0996 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15709. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0996 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15710. The D0996 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0996 Road pursuant to the County's governmental right and authority.

15711. Witnesses with personal knowledge of the history of the D0996 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15712. Currently known reputation in the community is that the D0996 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15713. Public motor vehicle use of the D0996 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15714. The D0996 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15715. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0996 Road.

15716. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0996 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0997 Road

15717. The D0997 Road is designated as county road number D0997 and SGID road identification number RD191453 and is more or less 1.63 miles long.

15718. Exhibit 1271 (attached hereto and incorporated herein) contains certain information pertaining to the D0997 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15719. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0997 Road solely as it crosses United States public land as included and specifically described in Exhibit 1271. The D0997 Road includes the segment of road specifically set forth in Exhibit 1271 and as exists on the ground.

Acceptance of the D0997 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15720. The D0997 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15721. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0997 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15722. The D0997 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0997 Road pursuant to the County's governmental right and authority.

15723. Witnesses with personal knowledge of the history of the D0997 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15724. Currently known reputation in the community is that the D0997 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15725. Public motor vehicle use of the D0997 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15726. The D0997 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15727. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0997 Road.

15728. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0997 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0998 Road

15729. The D0998 Road is designated as county road number D0998 and SGID road identification number RD191454 and is more or less 0.84 miles long.

15730. Exhibit 1272 (attached hereto and incorporated herein) contains certain information pertaining to the D0998 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15731. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0998 Road solely as it crosses United States public land as included and specifically described in Exhibit 1272. The D0998 Road includes the segment of road specifically set forth in Exhibit 1272 and as exists on the ground.

Acceptance of the D0998 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15732. The D0998 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15733. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0998 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15734. The D0998 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0998 Road pursuant to the County's governmental right and authority.

15735. Witnesses with personal knowledge of the history of the D0998 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15736. Currently known reputation in the community is that the D0998 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15737. Public motor vehicle use of the D0998 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15738. The D0998 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15739. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0998 Road.

15740. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0998 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0999 Road

15741. The D0999 Road is designated as county road number D0999 and SGID road identification number RD191456 and is more or less 1.60 miles long.

15742. Exhibit 1273 (attached hereto and incorporated herein) contains certain information pertaining to the D0999 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15743. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0999 Road solely as it crosses United States public land as included and specifically described in Exhibit 1273. The D0999 Road includes the segment of road specifically set forth in Exhibit 1273 and as exists on the ground.

Acceptance of the D0999 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15744. The D0999 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15745. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0999 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15746. The D0999 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0999 Road pursuant to the County's governmental right and authority.

15747. Witnesses with personal knowledge of the history of the D0999 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15748. Currently known reputation in the community is that the D0999 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15749. Public motor vehicle use of the D0999 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15750. The D0999 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15751. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0999 Road.

15752. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0999 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1002 Road

15753. The D1002 Road is designated as county road number D1002 and SGID road identification number RD191457 and is more or less 1.17 miles long.

15754. Exhibit 1274 (attached hereto and incorporated herein) contains certain information pertaining to the D1002 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15755. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1002 Road solely as it crosses United States public land as included and specifically described in Exhibit 1274. The D1002 Road includes the segment of road specifically set forth in Exhibit 1274 and as exists on the ground.

Acceptance of the D1002 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15756. The D1002 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15757. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1002 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15758. The D1002 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1002 Road pursuant to the County's governmental right and authority.

15759. Witnesses with personal knowledge of the history of the D1002 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15760. Currently known reputation in the community is that the D1002 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15761. Public motor vehicle use of the D1002 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15762. The D1002 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15763. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1002 Road.

15764. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1002 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1003 Road

15765. The D1003 Road is designated as county road number D1003 and SGID road identification number RD191458 and is more or less 0.50 miles long.

15766. Exhibit 1275 (attached hereto and incorporated herein) contains certain information pertaining to the D1003 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15767. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1003 Road solely as it crosses United States public land as included and specifically described in Exhibit 1275. The D1003 Road includes the segment of road specifically set forth in Exhibit 1275 and as exists on the ground.

Acceptance of the D1003 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15768. The D1003 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15769. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1003 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15770. The D1003 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1003 Road pursuant to the County's governmental right and authority.

15771. Witnesses with personal knowledge of the history of the D1003 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15772. Currently known reputation in the community is that the D1003 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15773. Public motor vehicle use of the D1003 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15774. The D1003 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15775. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1003 Road.

15776. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1003 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1143 Road

15777. The D1143 Road is designated as county road number D1143 and SGID road identification number RD191517 and is more or less 2.51 miles long.

15778. Exhibit 1276 (attached hereto and incorporated herein) contains certain information pertaining to the D1143 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15779. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1143 Road solely as it crosses United States public land as included and specifically described in Exhibit 1276. The D1143 Road includes the segment of road specifically set forth in Exhibit 1276 and as exists on the ground.

Acceptance of the D1143 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15780. The D1143 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15781. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1143 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15782. The appearance of the D1143 Road on the Summit Point (1954) USGS 7.5-minute quadrangle map and Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15783. The D1143 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D1143 Road pursuant to the County's governmental right and authority.

15784. Witnesses with personal knowledge of the history of the D1143 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15785. Currently known reputation in the community is that the D1143 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15786. Public motor vehicle use of the D1143 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15787. The D1143 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15788. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1143 Road.

15789. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1143 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1174 Road

15790. The D1174 Road is designated as county road number D1174 and SGID road identification number RD191532 and is more or less 0.23 miles long.

15791. Exhibit 1277 (attached hereto and incorporated herein) contains certain information pertaining to the D1174 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15792. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1174 Road solely as it crosses United States public land as included and specifically described in Exhibit 1277. The D1174 Road includes the segment of road specifically set forth in Exhibit 1277 and as exists on the ground.

Acceptance of the D1174 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15793. The D1174 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15794. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1174 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15795. The D1174 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D1174 Road pursuant to the County's governmental right and authority.

15796. Witnesses with personal knowledge of the history of the D1174 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15797. Currently known reputation in the community is that the D1174 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15798. Public motor vehicle use of the D1174 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15799. The D1174 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15800. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1174 Road.

15801. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1174 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1175 Road

15802. The D1175 Road is designated as county road number D1175 and SGID road identification number RD191533 and is more or less 0.23 miles long.

15803. Exhibit 1278 (attached hereto and incorporated herein) contains certain information pertaining to the D1175 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15804. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1175 Road solely as it crosses United States public land as included and specifically described in Exhibit 1278. The D1175 Road includes the segment of road specifically set forth in Exhibit 1278 and as exists on the ground.

Acceptance of the D1175 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15805. The D1175 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15806. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1175 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15807. The D1175 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D1175 Road pursuant to the County's governmental right and authority.

15808. Witnesses with personal knowledge of the history of the D1175 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15809. Currently known reputation in the community is that the D1175 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15810. Public motor vehicle use of the D1175 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15811. The D1175 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15812. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1175 Road.

15813. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1175 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1589 Road

15814. The D1589 Road is designated as county road number D1589 and SGID road identification number RD191718 and is more or less 2.06 miles long.

15815. Exhibit 1279 (attached hereto and incorporated herein) contains certain information pertaining to the D1589 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15816. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1589 Road solely as it crosses United States public land as included and specifically described in Exhibit 1279. The D1589 Road includes the segment of road specifically set forth in Exhibit 1279 and as exists on the ground.

Acceptance of the D1589 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15817. The D1589 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15818. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1589 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15819. The D1589 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D1589 Road pursuant to the County's governmental right and authority.

15820. Witnesses with personal knowledge of the history of the D1589 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15821. Currently known reputation in the community is that the D1589 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15822. Public motor vehicle use of the D1589 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15823. The D1589 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15824. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1589 Road.

15825. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1589 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1591 Road

15826. The D1591 Road is designated as county road number D1591 and SGID road identification number RD191719 and is more or less 0.38 miles long.

15827. Exhibit 1280 (attached hereto and incorporated herein) contains certain information pertaining to the D1591 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15828. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1591 Road solely as it crosses United States public land as included and specifically described in Exhibit 1280. The D1591 Road includes the segment of road specifically set forth in Exhibit 1280 and as exists on the ground.

Acceptance of the D1591 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15829. The D1591 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15830. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1591 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15831. The D1591 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D1591 Road pursuant to the County's governmental right and authority.

15832. Witnesses with personal knowledge of the history of the D1591 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15833. Currently known reputation in the community is that the D1591 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15834. Public motor vehicle use of the D1591 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15835. The D1591 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15836. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1591 Road.

15837. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1591 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2361 Road

15838. The D2361 Road is designated as county road number D2361 and SGID road identification number RD192154 and is more or less 0.52 miles long.

15839. Exhibit 1281 (attached hereto and incorporated herein) contains certain information pertaining to the D2361 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15840. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2361 Road solely as it crosses United States public land as included and specifically described in Exhibit 1281. The D2361 Road includes the segment of road specifically set forth in Exhibit 1281 and as exists on the ground.

Acceptance of the D2361 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15841. The D2361 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15842. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2361 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15843. The D2361 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D2361 Road pursuant to the County's governmental right and authority.

15844. Witnesses with personal knowledge of the history of the D2361 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15845. Currently known reputation in the community is that the D2361 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15846. Public motor vehicle use of the D2361 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15847. The D2361 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15848. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2361 Road.

15849. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2361 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2378 Road

15850. The D2378 Road is designated as county road number D2378 and SGID road identification number RD192166 and is more or less 0.21 miles long.

15851. Exhibit 1282 (attached hereto and incorporated herein) contains certain information pertaining to the D2378 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15852. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2378 Road solely as it crosses United States public land as included and specifically described in Exhibit 1282. The D2378 Road includes the segment of road specifically set forth in Exhibit 1282 and as exists on the ground.

Acceptance of the D2378 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15853. The D2378 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15854. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2378 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15855. The D2378 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D2378 Road pursuant to the County's governmental right and authority.

15856. Witnesses with personal knowledge of the history of the D2378 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15857. Currently known reputation in the community is that the D2378 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15858. Public motor vehicle use of the D2378 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15859. The D2378 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15860. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2378 Road.

15861. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2378 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2971 Road

15862. The D2971 Road is designated as county road number D2971 and SGID road identification number RD192476 and is more or less 0.66 miles long.

15863. Exhibit 1283 (attached hereto and incorporated herein) contains certain information pertaining to the D2971 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15864. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2971 Road solely as it crosses United States public land as included and specifically described in Exhibit 1283. The D2971 Road includes the segment of road specifically set forth in Exhibit 1283 and as exists on the ground.

Acceptance of the D2971 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15865. The D2971 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15866. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2971 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15867. The D2971 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D2971 Road pursuant to the County's governmental right and authority.

15868. Witnesses with personal knowledge of the history of the D2971 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15869. Currently known reputation in the community is that the D2971 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15870. Public motor vehicle use of the D2971 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15871. The D2971 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15872. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2971 Road.

15873. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2971 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2979 Road

15874. The D2979 Road is designated as county road number D2979 and SGID road identification number RD192480 and is more or less 0.61 miles long.

15875. Exhibit 1284 (attached hereto and incorporated herein) contains certain information pertaining to the D2979 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15876. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2979 Road solely as it crosses United States public land as included and specifically described in Exhibit 1284. The D2979 Road includes the segment of road specifically set forth in Exhibit 1284 and as exists on the ground.

Acceptance of the D2979 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15877. The D2979 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15878. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2979 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15879. The appearance of the D2979 Road on the Sandstone Draw (1954) USGS 7.5-minute quadrangle map and Hatch Rock (1954) USGS 15-minute quadrangle map evidences the

existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15880. The D2979 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2979 Road pursuant to the County's governmental right and authority.

15881. Witnesses with personal knowledge of the history of the D2979 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15882. Currently known reputation in the community is that the D2979 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15883. Public motor vehicle use of the D2979 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15884. The D2979 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15885. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2979 Road.

15886. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2979 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2981 Road

15887. The D2981 Road is designated as county road number D2981 and SGID road identification number RD192481 and is more or less 0.43 miles long.

15888. Exhibit 1285 (attached hereto and incorporated herein) contains certain information pertaining to the D2981 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15889. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2981 Road solely as it crosses United States public land as included and specifically described in Exhibit 1285. The D2981 Road includes the segment of road specifically set forth in Exhibit 1285 and as exists on the ground.

Acceptance of the D2981 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15890. The D2981 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15891. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2981 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15892. The D2981 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2981 Road pursuant to the County's governmental right and authority.

15893. Witnesses with personal knowledge of the history of the D2981 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15894. Currently known reputation in the community is that the D2981 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15895. Public motor vehicle use of the D2981 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15896. The D2981 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15897. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2981 Road.

15898. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2981 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2982 Road

15899. The D2982 Road is designated as county road number D2982 and SGID road identification number RD192482 and is more or less 3.18 miles long.

15900. Exhibit 1286 (attached hereto and incorporated herein) contains certain information pertaining to the D2982 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15901. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2982 Road solely as it crosses United States public land as included and specifically described in Exhibit 1286. The D2982 Road includes the segment of road specifically set forth in Exhibit 1286 and as exists on the ground.

Acceptance of the D2982 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15902. The D2982 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15903. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2982 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15904. The appearance of the D2982 Road on the Lisbon Valley (1954) USGS 7.5-minute quadrangle map and Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

15905. The County confirmed its acceptance of the D2982 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2982 Road pursuant to the County's governmental right and authority.

15906. Witnesses with personal knowledge of the history of the D2982 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15907. Currently known reputation in the community is that the D2982 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15908. Public motor vehicle use of the D2982 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15909. The D2982 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15910. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2982 Road.

15911. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2982 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2983 Road

15912. The D2983 Road is designated as county road number D2983 and SGID road identification number RD192483 and is more or less 0.76 miles long.

15913. Exhibit 1287 (attached hereto and incorporated herein) contains certain information pertaining to the D2983 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15914. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2983 Road solely as it crosses United States public land as included and specifically described in Exhibit 1287. The D2983 Road includes the segment of road specifically set forth in Exhibit 1287 and as exists on the ground.

Acceptance of the D2983 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15915. The D2983 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15916. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2983 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15917. The D2983 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2983 Road pursuant to the County's governmental right and authority.

15918. Witnesses with personal knowledge of the history of the D2983 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15919. Currently known reputation in the community is that the D2983 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15920. Public motor vehicle use of the D2983 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15921. The D2983 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15922. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2983 Road.

15923. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2983 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2984 Road

15924. The D2984 Road is designated as county road number D2984 and SGID road identification number RD192484 and is more or less 0.41 miles long.

15925. Exhibit 1288 (attached hereto and incorporated herein) contains certain information pertaining to the D2984 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15926. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2984 Road solely as it crosses United States public land as included and specifically described in Exhibit 1288. The D2984 Road includes the segment of road specifically set forth in Exhibit 1288 and as exists on the ground.

Acceptance of the D2984 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15927. The D2984 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15928. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2984 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15929. The D2984 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2984 Road pursuant to the County's governmental right and authority.

15930. Witnesses with personal knowledge of the history of the D2984 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15931. Currently known reputation in the community is that the D2984 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15932. Public motor vehicle use of the D2984 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15933. The D2984 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15934. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2984 Road.

15935. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2984 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2986 Road

15936. The D2986 Road is designated as county road number D2986 and SGID road identification number RD192485 and is more or less 0.50 miles long.

15937. Exhibit 1289 (attached hereto and incorporated herein) contains certain information pertaining to the D2986 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15938. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2986 Road solely as it crosses United States public land as included and specifically described in Exhibit 1289. The D2986 Road includes the segment of road specifically set forth in Exhibit 1289 and as exists on the ground.

Acceptance of the D2986 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15939. The D2986 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15940. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2986 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15941. The D2986 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2986 Road pursuant to the County's governmental right and authority.

15942. Witnesses with personal knowledge of the history of the D2986 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15943. Currently known reputation in the community is that the D2986 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15944. Public motor vehicle use of the D2986 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15945. The D2986 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15946. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2986 Road.

15947. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2986 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2988 Road

15948. The D2988 Road is designated as county road number D2988 and SGID road identification number RD192487 and is more or less 0.27 miles long.

15949. Exhibit 1290 (attached hereto and incorporated herein) contains certain information pertaining to the D2988 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15950. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2988 Road solely as it crosses United States public land as included and specifically described in Exhibit 1290. The D2988 Road includes the segment of road specifically set forth in Exhibit 1290 and as exists on the ground.

Acceptance of the D2988 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15951. The D2988 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15952. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2988 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15953. The D2988 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2988 Road pursuant to the County's governmental right and authority.

15954. Witnesses with personal knowledge of the history of the D2988 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15955. Currently known reputation in the community is that the D2988 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15956. Public motor vehicle use of the D2988 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15957. The D2988 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15958. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2988 Road.

15959. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2988 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2989 Road

15960. The D2989 Road is designated as county road number D2989 and SGID road identification number RD192488 and is more or less 0.31 miles long.

15961. Exhibit 1291 (attached hereto and incorporated herein) contains certain information pertaining to the D2989 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15962. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2989 Road solely as it crosses United States public land as included and specifically described in Exhibit 1291. The D2989 Road includes the segment of road specifically set forth in Exhibit 1291 and as exists on the ground.

Acceptance of the D2989 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15963. The D2989 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15964. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2989 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15965. The D2989 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2989 Road pursuant to the County's governmental right and authority.

15966. Witnesses with personal knowledge of the history of the D2989 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15967. Currently known reputation in the community is that the D2989 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15968. Public motor vehicle use of the D2989 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15969. The D2989 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15970. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2989 Road.

15971. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2989 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2990 Road

15972. The D2990 Road is designated as county road number D2990 and SGID road identification number RD192489 and is more or less 1.42 miles long.

15973. Exhibit 1292 (attached hereto and incorporated herein) contains certain information pertaining to the D2990 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15974. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2990 Road solely as it crosses United States public land as included and specifically described in Exhibit 1292. The D2990 Road includes the segment of road specifically set forth in Exhibit 1292 and as exists on the ground.

Acceptance of the D2990 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15975. The D2990 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15976. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2990 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15977. The D2990 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2990 Road pursuant to the County's governmental right and authority.

15978. Witnesses with personal knowledge of the history of the D2990 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15979. Currently known reputation in the community is that the D2990 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15980. Public motor vehicle use of the D2990 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15981. The D2990 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15982. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2990 Road.

15983. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2990 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2991 Road

15984. The D2991 Road is designated as county road number D2991 and SGID road identification number RD192490 and is more or less 1.15 miles long.

15985. Exhibit 1293 (attached hereto and incorporated herein) contains certain information pertaining to the D2991 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15986. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2991 Road solely as it crosses United States public land as included and specifically described in Exhibit 1293. The D2991 Road includes the segment of road specifically set forth in Exhibit 1293 and as exists on the ground.

Acceptance of the D2991 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15987. The D2991 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

15988. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2991 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15989. The D2991 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2991 Road pursuant to the County's governmental right and authority.

15990. Witnesses with personal knowledge of the history of the D2991 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15991. Currently known reputation in the community is that the D2991 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15992. Public motor vehicle use of the D2991 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15993. The D2991 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15994. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2991 Road.

15995. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2991 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2992 Road

15996. The D2992 Road is designated as county road number D2992 and SGID road identification number RD192491 and is more or less 1.33 miles long.

15997. Exhibit 1294 (attached hereto and incorporated herein) contains certain information pertaining to the D2992 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15998. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2992 Road solely as it crosses United States public land as included and specifically described in Exhibit 1294. The D2992 Road includes the segment of road specifically set forth in Exhibit 1294 and as exists on the ground.

Acceptance of the D2992 Road R.S. 2477 Right-of-way Prior to October 21, 1976

15999. The D2992 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16000. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2992 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16001. The D2992 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2992 Road pursuant to the County's governmental right and authority.

16002. Witnesses with personal knowledge of the history of the D2992 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16003. Currently known reputation in the community is that the D2992 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16004. Public motor vehicle use of the D2992 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16005. The D2992 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16006. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2992 Road.

16007. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2992 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2993 Road

16008. The D2993 Road is designated as county road number D2993 and SGID road identification number RD192492 and is more or less 0.42 miles long.

16009. Exhibit 1295 (attached hereto and incorporated herein) contains certain information pertaining to the D2993 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16010. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2993 Road solely as it crosses United States public land as included and specifically described in Exhibit 1295. The D2993 Road includes the segment of road specifically set forth in Exhibit 1295 and as exists on the ground.

Acceptance of the D2993 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16011. The D2993 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16012. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2993 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16013. The D2993 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2993 Road pursuant to the County's governmental right and authority.

16014. Witnesses with personal knowledge of the history of the D2993 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16015. Currently known reputation in the community is that the D2993 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16016. Public motor vehicle use of the D2993 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16017. The D2993 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16018. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2993 Road.

16019. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2993 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2995 Road

16020. The D2995 Road is designated as county road number D2995 and SGID road identification number RD192494 and is more or less 0.72 miles long.

16021. Exhibit 1296 (attached hereto and incorporated herein) contains certain information pertaining to the D2995 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16022. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2995 Road solely as it crosses United States public land as included and specifically described in Exhibit 1296. The D2995 Road includes the segment of road specifically set forth in Exhibit 1296 and as exists on the ground.

Acceptance of the D2995 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16023. The D2995 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16024. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2995 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16025. The D2995 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2995 Road pursuant to the County's governmental right and authority.

16026. Witnesses with personal knowledge of the history of the D2995 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16027. Currently known reputation in the community is that the D2995 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16028. Public motor vehicle use of the D2995 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16029. The D2995 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16030. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2995 Road.

16031. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2995 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2997 Road

16032. The D2997 Road is designated as county road number D2997 and SGID road identification number RD192495 and is more or less 2.04 miles long.

16033. Exhibit 1297 (attached hereto and incorporated herein) contains certain information pertaining to the D2997 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16034. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2997 Road solely as it crosses United States public land as included and specifically described in Exhibit 1297. The D2997 Road includes the segment of road specifically set forth in Exhibit 1297 and as exists on the ground.

Acceptance of the D2997 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16035. The D2997 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16036. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2997 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16037. The appearance of the D2997 Road on the Sandstone Draw (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16038. The County confirmed its acceptance of the D2997 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2997 Road pursuant to the County's governmental right and authority.

16039. Witnesses with personal knowledge of the history of the D2997 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16040. Currently known reputation in the community is that the D2997 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16041. Public motor vehicle use of the D2997 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16042. The D2997 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16043. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2997 Road.

16044. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2997 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2998 Road

16045. The D2998 Road is designated as county road number D2998 and SGID road identification number RD192496 and is more or less 0.67 miles long.

16046. Exhibit 1298 (attached hereto and incorporated herein) contains certain information pertaining to the D2998 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16047. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2998 Road solely as it crosses United States public land as included and specifically described in Exhibit 1298. The D2998 Road includes the segment of road specifically set forth in Exhibit 1298 and as exists on the ground.

Acceptance of the D2998 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16048. The D2998 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16049. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2998 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16050. The D2998 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2998 Road pursuant to the County's governmental right and authority.

16051. Witnesses with personal knowledge of the history of the D2998 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16052. Currently known reputation in the community is that the D2998 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16053. Public motor vehicle use of the D2998 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16054. The D2998 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16055. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2998 Road.

16056. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2998 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2999 Road

16057. The D2999 Road is designated as county road number D2999 and SGID road identification number RD192497 and is more or less 0.76 miles long.

16058. Exhibit 1299 (attached hereto and incorporated herein) contains certain information pertaining to the D2999 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16059. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2999 Road solely as it crosses United States public land as included and specifically described in Exhibit 1299. The D2999 Road includes the segment of road specifically set forth in Exhibit 1299 and as exists on the ground.

Acceptance of the D2999 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16060. The D2999 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16061. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2999 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16062. The D2999 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2999 Road pursuant to the County's governmental right and authority.

16063. Witnesses with personal knowledge of the history of the D2999 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16064. Currently known reputation in the community is that the D2999 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16065. Public motor vehicle use of the D2999 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16066. The D2999 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16067. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2999 Road.

16068. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2999 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3000 Road

16069. The D3000 Road is designated as county road number D3000 and SGID road identification number RD192498 and is more or less 0.62 miles long.

16070. Exhibit 1300 (attached hereto and incorporated herein) contains certain information pertaining to the D3000 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16071. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3000 Road solely as it crosses United States public land as included and specifically described in Exhibit 1300. The D3000 Road includes the segment of road specifically set forth in Exhibit 1300 and as exists on the ground.

Acceptance of the D3000 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16072. The D3000 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16073. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3000 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16074. The D3000 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3000 Road pursuant to the County's governmental right and authority.

16075. Witnesses with personal knowledge of the history of the D3000 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16076. Currently known reputation in the community is that the D3000 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16077. Public motor vehicle use of the D3000 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16078. The D3000 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16079. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3000 Road.

16080. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3000 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3007 Road

16081. The D3007 Road is designated as county road number D3007 and SGID road identification number RD192503 and is more or less 0.67 miles long.

16082. Exhibit 1301 (attached hereto and incorporated herein) contains certain information pertaining to the D3007 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16083. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3007 Road solely as it crosses United States public land as included and specifically described in Exhibit 1301. The D3007 Road includes the segment of road specifically set forth in Exhibit 1301 and as exists on the ground.

Acceptance of the D3007 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16084. The D3007 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16085. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3007 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16086. The D3007 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3007 Road pursuant to the County's governmental right and authority.

16087. Witnesses with personal knowledge of the history of the D3007 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16088. Currently known reputation in the community is that the D3007 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16089. Public motor vehicle use of the D3007 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16090. The D3007 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16091. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3007 Road.

16092. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3007 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3023 Road

16093. The D3023 Road is designated as county road number D3023 and SGID road identification number RD192511 and is more or less 0.62 miles long.

16094. Exhibit 1302 (attached hereto and incorporated herein) contains certain information pertaining to the D3023 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16095. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3023 Road solely as it crosses United States public land as included and specifically described in Exhibit 1302. The D3023 Road includes the segment of road specifically set forth in Exhibit 1302 and as exists on the ground.

Acceptance of the D3023 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16096. The D3023 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16097. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3023 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16098. The D3023 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3023 Road pursuant to the County's governmental right and authority.

16099. Witnesses with personal knowledge of the history of the D3023 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16100. Currently known reputation in the community is that the D3023 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16101. Public motor vehicle use of the D3023 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16102. The D3023 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16103. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3023 Road.

16104. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3023 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3024 Road

16105. The D3024 Road is designated as county road number D3024 and SGID road identification number RD192512 and is more or less 0.55 miles long.

16106. Exhibit 1303 (attached hereto and incorporated herein) contains certain information pertaining to the D3024 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16107. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3024 Road solely as it crosses United States public land as included and specifically described in Exhibit 1303. The D3024 Road includes the segment of road specifically set forth in Exhibit 1303 and as exists on the ground.

Acceptance of the D3024 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16108. The D3024 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16109. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3024 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16110. The D3024 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3024 Road pursuant to the County's governmental right and authority.

16111. Witnesses with personal knowledge of the history of the D3024 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16112. Currently known reputation in the community is that the D3024 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16113. Public motor vehicle use of the D3024 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16114. The D3024 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16115. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3024 Road.

16116. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3024 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3043 Road

16117. The D3043 Road is designated as county road number D3043 and SGID road identification number RD190716 and is more or less 1.71 miles long.

16118. Exhibit 1304 (attached hereto and incorporated herein) contains certain information pertaining to the D3043 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16119. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3043 Road solely as it crosses United States public land as included and specifically described in Exhibit 1304. The D3043 Road includes the segment of road specifically set forth in Exhibit 1304 and as exists on the ground.

Acceptance of the D3043 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16120. The D3043 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16121. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3043 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16122. The D3043 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3043 Road pursuant to the County's governmental right and authority.

16123. Witnesses with personal knowledge of the history of the D3043 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16124. Currently known reputation in the community is that the D3043 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16125. Public motor vehicle use of the D3043 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16126. The D3043 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16127. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3043 Road.

16128. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3043 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3044 Road

16129. The D3044 Road is designated as county road number D3044 and SGID road identification number RD190717 and is more or less 0.91 miles long.

16130. Exhibit 1305 (attached hereto and incorporated herein) contains certain information pertaining to the D3044 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16131. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3044 Road solely as it crosses United States public land as included and specifically described in Exhibit 1305. The D3044 Road includes the segment of road specifically set forth in Exhibit 1305 and as exists on the ground.

Acceptance of the D3044 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16132. The D3044 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16133. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3044 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16134. The D3044 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3044 Road pursuant to the County's governmental right and authority.

16135. Witnesses with personal knowledge of the history of the D3044 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16136. Currently known reputation in the community is that the D3044 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16137. Public motor vehicle use of the D3044 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16138. The D3044 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16139. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3044 Road.

16140. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3044 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3045 Road

16141. The D3045 Road is designated as county road number D3045 and SGID road identification number RD192523 and is more or less 0.35 miles long.

16142. Exhibit 1306 (attached hereto and incorporated herein) contains certain information pertaining to the D3045 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16143. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3045 Road solely as it crosses United States public land as included and specifically described in Exhibit 1306. The D3045 Road includes the segment of road specifically set forth in Exhibit 1306 and as exists on the ground.

Acceptance of the D3045 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16144. The D3045 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16145. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3045 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16146. The D3045 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3045 Road pursuant to the County's governmental right and authority.

16147. Witnesses with personal knowledge of the history of the D3045 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16148. Currently known reputation in the community is that the D3045 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16149. Public motor vehicle use of the D3045 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16150. The D3045 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16151. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3045 Road.

16152. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3045 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3047 Road

16153. The D3047 Road is designated as county road number D3047 and SGID road identification number RD190718 and is more or less 1.11 miles long.

16154. Exhibit 1307 (attached hereto and incorporated herein) contains certain information pertaining to the D3047 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16155. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3047 Road solely as it crosses United States public land as included and specifically described in Exhibit 1307. The D3047 Road includes the segment of road specifically set forth in Exhibit 1307 and as exists on the ground.

Acceptance of the D3047 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16156. The D3047 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16157. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3047 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16158. The D3047 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3047 Road pursuant to the County's governmental right and authority.

16159. Witnesses with personal knowledge of the history of the D3047 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16160. Currently known reputation in the community is that the D3047 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16161. Public motor vehicle use of the D3047 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16162. The D3047 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16163. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3047 Road.

16164. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3047 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3048 Road

16165. The D3048 Road is designated as county road number D3048 and SGID road identification number RD190719 and is more or less 0.26 miles long.

16166. Exhibit 1308 (attached hereto and incorporated herein) contains certain information pertaining to the D3048 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16167. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3048 Road solely as it crosses United States public land as included and specifically described in Exhibit 1308. The D3048 Road includes the segment of road specifically set forth in Exhibit 1308 and as exists on the ground.

Acceptance of the D3048 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16168. The D3048 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16169. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3048 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16170. The D3048 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3048 Road pursuant to the County's governmental right and authority.

16171. Witnesses with personal knowledge of the history of the D3048 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16172. Currently known reputation in the community is that the D3048 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16173. Public motor vehicle use of the D3048 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16174. The D3048 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16175. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3048 Road.

16176. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3048 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3049 Road

16177. The D3049 Road is designated as county road number D3049 and SGID road identification number RD190720 and is more or less 0.45 miles long.

16178. Exhibit 1309 (attached hereto and incorporated herein) contains certain information pertaining to the D3049 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16179. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3049 Road solely as it crosses United States public land as included and specifically described in Exhibit 1309. The D3049 Road includes the segment of road specifically set forth in Exhibit 1309 and as exists on the ground.

Acceptance of the D3049 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16180. The D3049 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16181. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3049 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16182. The D3049 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3049 Road pursuant to the County's governmental right and authority.

16183. Witnesses with personal knowledge of the history of the D3049 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16184. Currently known reputation in the community is that the D3049 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16185. Public motor vehicle use of the D3049 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16186. The D3049 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16187. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3049 Road.

16188. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3049 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3052 Road

16189. The D3052 Road is designated as county road number D3052 and SGID road identification number RD190721 and is more or less 0.36 miles long.

16190. Exhibit 1310 (attached hereto and incorporated herein) contains certain information pertaining to the D3052 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16191. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3052 Road solely as it crosses United States public land as included and specifically described in Exhibit 1310. The D3052 Road includes the segment of road specifically set forth in Exhibit 1310 and as exists on the ground.

Acceptance of the D3052 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16192. The D3052 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16193. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3052 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16194. The D3052 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3052 Road pursuant to the County's governmental right and authority.

16195. Witnesses with personal knowledge of the history of the D3052 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16196. Currently known reputation in the community is that the D3052 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16197. Public motor vehicle use of the D3052 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16198. The D3052 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16199. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3052 Road.

16200. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3052 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3053 Road

16201. The D3053 Road is designated as county road number D3053 and SGID road identification number RD190722 and is more or less 0.90 miles long.

16202. Exhibit 1311 (attached hereto and incorporated herein) contains certain information pertaining to the D3053 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16203. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3053 Road solely as it crosses United States public land as included and specifically described in Exhibit 1311. The D3053 Road includes the segment of road specifically set forth in Exhibit 1311 and as exists on the ground.

Acceptance of the D3053 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16204. The D3053 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16205. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3053 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16206. The D3053 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3053 Road pursuant to the County's governmental right and authority.

16207. Witnesses with personal knowledge of the history of the D3053 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16208. Currently known reputation in the community is that the D3053 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16209. Public motor vehicle use of the D3053 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16210. The D3053 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16211. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3053 Road.

16212. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3053 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3055 Road

16213. The D3055 Road is designated as county road number D3055 and SGID road identification number RD192526 and is more or less 0.62 miles long.

16214. Exhibit 1312 (attached hereto and incorporated herein) contains certain information pertaining to the D3055 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16215. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3055 Road solely as it crosses United States public land as included and specifically described in Exhibit 1312. The D3055 Road includes the segment of road specifically set forth in Exhibit 1312 and as exists on the ground.

Acceptance of the D3055 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16216. The D3055 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16217. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3055 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16218. The D3055 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3055 Road pursuant to the County's governmental right and authority.

16219. Witnesses with personal knowledge of the history of the D3055 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16220. Currently known reputation in the community is that the D3055 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16221. Public motor vehicle use of the D3055 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16222. The D3055 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16223. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3055 Road.

16224. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3055 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3057 Road

16225. The D3057 Road is designated as county road number D3057 and SGID road identification number RD192527 and is more or less 0.51 miles long.

16226. Exhibit 1313 (attached hereto and incorporated herein) contains certain information pertaining to the D3057 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16227. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3057 Road solely as it crosses United States public land as included and specifically described in Exhibit 1313. The D3057 Road includes the segment of road specifically set forth in Exhibit 1313 and as exists on the ground.

Acceptance of the D3057 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16228. The D3057 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16229. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3057 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16230. The D3057 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3057 Road pursuant to the County's governmental right and authority.

16231. Witnesses with personal knowledge of the history of the D3057 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16232. Currently known reputation in the community is that the D3057 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16233. Public motor vehicle use of the D3057 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16234. The D3057 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16235. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3057 Road.

16236. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3057 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3058 Road

16237. The D3058 Road is designated as county road number D3058 and SGID road identification number RD192528 and is more or less 0.61 miles long.

16238. Exhibit 1314 (attached hereto and incorporated herein) contains certain information pertaining to the D3058 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16239. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3058 Road solely as it crosses United States public land as included and specifically described in Exhibit 1314. The D3058 Road includes the segment of road specifically set forth in Exhibit 1314 and as exists on the ground.

Acceptance of the D3058 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16240. The D3058 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16241. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3058 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16242. The appearance of the D3058 Road on the La Sal West (1954) USGS 7.5-minute quadrangle map and La Sal Junction (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16243. The County confirmed its acceptance of the D3058 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3058 Road pursuant to the County's governmental right and authority.

16244. Witnesses with personal knowledge of the history of the D3058 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16245. Currently known reputation in the community is that the D3058 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16246. Public motor vehicle use of the D3058 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16247. The D3058 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16248. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3058 Road.

16249. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3058 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3064 Road

16250. The D3064 Road is designated as county road number D3064 and SGID road identification number RD192531 and is more or less 0.77 miles long.

16251. Exhibit 1315 (attached hereto and incorporated herein) contains certain information pertaining to the D3064 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16252. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3064 Road solely as it crosses United States public land as included and specifically described in Exhibit 1315. The D3064 Road includes the segment of road specifically set forth in Exhibit 1315 and as exists on the ground.

Acceptance of the D3064 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16253. The D3064 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16254. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3064 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16255. The D3064 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3064 Road pursuant to the County's governmental right and authority.

16256. Witnesses with personal knowledge of the history of the D3064 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16257. Currently known reputation in the community is that the D3064 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16258. Public motor vehicle use of the D3064 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16259. The D3064 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16260. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3064 Road.

16261. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3064 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3066 Road

16262. The D3066 Road is designated as county road number D3066 and SGID road identification number RD192533 and is more or less 0.73 miles long.

16263. Exhibit 1316 (attached hereto and incorporated herein) contains certain information pertaining to the D3066 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16264. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3066 Road solely as it crosses United States public land as included and specifically described in Exhibit 1316. The D3066 Road includes the segment of road specifically set forth in Exhibit 1316 and as exists on the ground.

Acceptance of the D3066 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16265. The D3066 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16266. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3066 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16267. The D3066 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3066 Road pursuant to the County's governmental right and authority.

16268. Witnesses with personal knowledge of the history of the D3066 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16269. Currently known reputation in the community is that the D3066 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16270. Public motor vehicle use of the D3066 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16271. The D3066 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16272. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3066 Road.

16273. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3066 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3069 Road

16274. The D3069 Road is designated as county road number D3069 and SGID road identification number RD192536 and is more or less 1.42 miles long.

16275. Exhibit 1317 (attached hereto and incorporated herein) contains certain information pertaining to the D3069 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16276. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3069 Road solely as it crosses United States public land as included and specifically described in Exhibit 1317. The D3069 Road includes the segment of road specifically set forth in Exhibit 1317 and as exists on the ground.

Acceptance of the D3069 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16277. The D3069 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16278. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3069 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16279. The D3069 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3069 Road pursuant to the County's governmental right and authority.

16280. Witnesses with personal knowledge of the history of the D3069 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16281. Currently known reputation in the community is that the D3069 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16282. Public motor vehicle use of the D3069 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16283. The D3069 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16284. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3069 Road.

16285. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3069 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3070 Road

16286. The D3070 Road is designated as county road number D3070 and SGID road identification number RD192537 and is more or less 2.12 miles long.

16287. Exhibit 1318 (attached hereto and incorporated herein) contains certain information pertaining to the D3070 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16288. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3070 Road solely as it crosses United States public land as included and specifically described in Exhibit 1318. The D3070 Road includes the segment of road specifically set forth in Exhibit 1318 and as exists on the ground.

Acceptance of the D3070 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16289. The D3070 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16290. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3070 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16291. The D3070 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3070 Road pursuant to the County's governmental right and authority.

16292. Witnesses with personal knowledge of the history of the D3070 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16293. Currently known reputation in the community is that the D3070 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16294. Public motor vehicle use of the D3070 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16295. The D3070 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16296. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3070 Road.

16297. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3070 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3071 Road

16298. The D3071 Road is designated as county road number D3071 and SGID road identification number RD192538 and is more or less 1.01 miles long.

16299. Exhibit 1319 (attached hereto and incorporated herein) contains certain information pertaining to the D3071 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16300. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3071 Road solely as it crosses United States public land as included and specifically described in Exhibit 1319. The D3071 Road includes the segment of road specifically set forth in Exhibit 1319 and as exists on the ground.

Acceptance of the D3071 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16301. The D3071 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16302. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3071 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16303. The D3071 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3071 Road pursuant to the County's governmental right and authority.

16304. Witnesses with personal knowledge of the history of the D3071 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16305. Currently known reputation in the community is that the D3071 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16306. Public motor vehicle use of the D3071 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16307. The D3071 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16308. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3071 Road.

16309. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3071 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3072 Road

16310. The D3072 Road is designated as county road number D3072 and SGID road identification number RD192539 and is more or less 0.69 miles long.

16311. Exhibit 1320 (attached hereto and incorporated herein) contains certain information pertaining to the D3072 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16312. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3072 Road solely as it crosses United States public land as included and specifically described in Exhibit 1320. The D3072 Road includes the segment of road specifically set forth in Exhibit 1320 and as exists on the ground.

Acceptance of the D3072 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16313. The D3072 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16314. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3072 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16315. The D3072 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3072 Road pursuant to the County's governmental right and authority.

16316. Witnesses with personal knowledge of the history of the D3072 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16317. Currently known reputation in the community is that the D3072 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16318. Public motor vehicle use of the D3072 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16319. The D3072 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16320. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3072 Road.

16321. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3072 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3073 Road

16322. The D3073 Road is designated as county road number D3073 and SGID road identification number RD192540 and is more or less 0.89 miles long.

16323. Exhibit 1321 (attached hereto and incorporated herein) contains certain information pertaining to the D3073 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16324. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3073 Road solely as it crosses United States public land as included and specifically described in Exhibit 1321. The D3073 Road includes the segment of road specifically set forth in Exhibit 1321 and as exists on the ground.

Acceptance of the D3073 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16325. The D3073 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16326. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3073 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16327. The D3073 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3073 Road pursuant to the County's governmental right and authority.

16328. Witnesses with personal knowledge of the history of the D3073 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16329. Currently known reputation in the community is that the D3073 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16330. Public motor vehicle use of the D3073 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16331. The D3073 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16332. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3073 Road.

16333. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3073 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3074 Road

16334. The D3074 Road is designated as county road number D3074 and SGID road identification number RD190723 and is more or less 3.61 miles long.

16335. Exhibit 1322 (attached hereto and incorporated herein) contains certain information pertaining to the D3074 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16336. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3074 Road solely as it crosses United States public land as included and specifically described in Exhibit 1322. The D3074 Road includes the segment of road specifically set forth in Exhibit 1322 and as exists on the ground.

Acceptance of the D3074 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16337. The D3074 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16338. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3074 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16339. The D3074 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3074 Road pursuant to the County's governmental right and authority.

16340. Witnesses with personal knowledge of the history of the D3074 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16341. Currently known reputation in the community is that the D3074 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16342. Public motor vehicle use of the D3074 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16343. The D3074 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16344. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3074 Road.

16345. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3074 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3080 Road

16346. The D3080 Road is designated as county road number D3080 and SGID road identification number RD190724 and is more or less 3.14 miles long.

16347. Exhibit 1323 (attached hereto and incorporated herein) contains certain information pertaining to the D3080 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16348. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3080 Road solely as it crosses United States public land as included and specifically described in Exhibit 1323. The D3080 Road includes the segment of road specifically set forth in Exhibit 1323 and as exists on the ground.

Acceptance of the D3080 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16349. The D3080 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16350. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3080 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16351. The D3080 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3080 Road pursuant to the County's governmental right and authority.

16352. Witnesses with personal knowledge of the history of the D3080 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16353. Currently known reputation in the community is that the D3080 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16354. Public motor vehicle use of the D3080 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16355. The D3080 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16356. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3080 Road.

16357. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3080 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3082 Road

16358. The D3082 Road is designated as county road number D3082 and SGID road identification number RD192543 and is more or less 0.79 miles long.

16359. Exhibit 1324 (attached hereto and incorporated herein) contains certain information pertaining to the D3082 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16360. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3082 Road solely as it crosses United States public land as included and specifically described in Exhibit 1324. The D3082 Road includes the segment of road specifically set forth in Exhibit 1324 and as exists on the ground.

Acceptance of the D3082 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16361. The D3082 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16362. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3082 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16363. The D3082 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3082 Road pursuant to the County's governmental right and authority.

16364. Witnesses with personal knowledge of the history of the D3082 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16365. Currently known reputation in the community is that the D3082 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16366. Public motor vehicle use of the D3082 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16367. The D3082 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16368. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3082 Road.

16369. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3082 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3083 Road

16370. The D3083 Road is designated as county road number D3083 and SGID road identification number RD190725 and is more or less 3.59 miles long.

16371. Exhibit 1325 (attached hereto and incorporated herein) contains certain information pertaining to the D3083 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16372. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3083 Road solely as it crosses United States public land as included and specifically described in Exhibit 1325. The D3083 Road includes the segment of road specifically set forth in Exhibit 1325 and as exists on the ground.

Acceptance of the D3083 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16373. The D3083 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16374. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3083 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16375. The D3083 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3083 Road pursuant to the County's governmental right and authority.

16376. Witnesses with personal knowledge of the history of the D3083 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16377. Currently known reputation in the community is that the D3083 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16378. Public motor vehicle use of the D3083 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16379. The D3083 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16380. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3083 Road.

16381. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3083 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3084 Road

16382. The D3084 Road is designated as county road number D3084 and SGID road identification number RD190726 and is more or less 2.48 miles long.

16383. Exhibit 1326 (attached hereto and incorporated herein) contains certain information pertaining to the D3084 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16384. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3084 Road solely as it crosses United States public land as included and specifically described in Exhibit 1326. The D3084 Road includes the segment of road specifically set forth in Exhibit 1326 and as exists on the ground.

Acceptance of the D3084 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16385. The D3084 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16386. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3084 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16387. The D3084 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3084 Road pursuant to the County's governmental right and authority.

16388. Witnesses with personal knowledge of the history of the D3084 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16389. Currently known reputation in the community is that the D3084 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16390. Public motor vehicle use of the D3084 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16391. The D3084 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16392. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3084 Road.

16393. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3084 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3088 Road

16394. The D3088 Road is designated as county road number D3088 and SGID road identification number RD190728 and is more or less 1.98 miles long.

16395. Exhibit 1327 (attached hereto and incorporated herein) contains certain information pertaining to the D3088 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16396. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3088 Road solely as it crosses United States public land as included and specifically described in Exhibit 1327. The D3088 Road includes the segment of road specifically set forth in Exhibit 1327 and as exists on the ground.

Acceptance of the D3088 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16397. The D3088 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16398. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3088 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16399. The D3088 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3088 Road pursuant to the County's governmental right and authority.

16400. Witnesses with personal knowledge of the history of the D3088 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16401. Currently known reputation in the community is that the D3088 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16402. Public motor vehicle use of the D3088 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16403. The D3088 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16404. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3088 Road.

16405. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3088 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3091 Road

16406. The D3091 Road is designated as county road number D3091 and SGID road identification number RD192544 and is more or less 1.76 miles long.

16407. Exhibit 1328 (attached hereto and incorporated herein) contains certain information pertaining to the D3091 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16408. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3091 Road solely as it crosses United States public land as included and specifically described in Exhibit 1328. The D3091 Road includes the segment of road specifically set forth in Exhibit 1328 and as exists on the ground.

Acceptance of the D3091 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16409. The D3091 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16410. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3091 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16411. The D3091 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3091 Road pursuant to the County's governmental right and authority.

16412. Witnesses with personal knowledge of the history of the D3091 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16413. Currently known reputation in the community is that the D3091 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16414. Public motor vehicle use of the D3091 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16415. The D3091 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16416. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3091 Road.

16417. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3091 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3092 Road

16418. The D3092 Road is designated as county road number D3092 and SGID road identification number RD192545 and is more or less 1.52 miles long.

16419. Exhibit 1329 (attached hereto and incorporated herein) contains certain information pertaining to the D3092 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16420. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3092 Road solely as it crosses United States public land as included and specifically described in Exhibit 1329. The D3092 Road includes the segment of road specifically set forth in Exhibit 1329 and as exists on the ground.

Acceptance of the D3092 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16421. The D3092 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16422. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3092 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16423. The D3092 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3092 Road pursuant to the County's governmental right and authority.

16424. Witnesses with personal knowledge of the history of the D3092 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16425. Currently known reputation in the community is that the D3092 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16426. Public motor vehicle use of the D3092 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16427. The D3092 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16428. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3092 Road.

16429. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3092 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3094 Road

16430. The D3094 Road is designated as county road number D3094 and SGID road identification number RD192546 and is more or less 2.00 miles long.

16431. Exhibit 1330 (attached hereto and incorporated herein) contains certain information pertaining to the D3094 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16432. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3094 Road solely as it crosses United States public land as included and specifically described in Exhibit 1330. The D3094 Road includes the segment of road specifically set forth in Exhibit 1330 and as exists on the ground.

Acceptance of the D3094 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16433. The D3094 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16434. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3094 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16435. The D3094 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3094 Road pursuant to the County's governmental right and authority.

16436. Witnesses with personal knowledge of the history of the D3094 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16437. Currently known reputation in the community is that the D3094 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16438. Public motor vehicle use of the D3094 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16439. The D3094 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16440. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3094 Road.

16441. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3094 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3095 Road

16442. The D3095 Road is designated as county road number D3095 and SGID road identification number RD190729 and is more or less 1.47 miles long.

16443. Exhibit 1331 (attached hereto and incorporated herein) contains certain information pertaining to the D3095 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16444. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3095 Road solely as it crosses United States public land as included and specifically described in Exhibit 1331. The D3095 Road includes the segment of road specifically set forth in Exhibit 1331 and as exists on the ground.

Acceptance of the D3095 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16445. The D3095 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16446. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3095 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16447. The D3095 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3095 Road pursuant to the County's governmental right and authority.

16448. Witnesses with personal knowledge of the history of the D3095 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16449. Currently known reputation in the community is that the D3095 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16450. Public motor vehicle use of the D3095 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16451. The D3095 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16452. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3095 Road.

16453. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3095 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3097 Road

16454. The D3097 Road is designated as county road number D3097 and SGID road identification number RD192547 and is more or less 0.96 miles long.

16455. Exhibit 1332 (attached hereto and incorporated herein) contains certain information pertaining to the D3097 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16456. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3097 Road solely as it crosses United States public land as included and specifically described in Exhibit 1332. The D3097 Road includes the segment of road specifically set forth in Exhibit 1332 and as exists on the ground.

Acceptance of the D3097 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16457. The D3097 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16458. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3097 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16459. The D3097 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3097 Road pursuant to the County's governmental right and authority.

16460. Witnesses with personal knowledge of the history of the D3097 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16461. Currently known reputation in the community is that the D3097 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16462. Public motor vehicle use of the D3097 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16463. The D3097 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16464. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3097 Road.

16465. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3097 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3098 Road

16466. The D3098 Road is designated as county road number D3098 and SGID road identification number RD192548 and is more or less 0.86 miles long.

16467. Exhibit 1333 (attached hereto and incorporated herein) contains certain information pertaining to the D3098 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16468. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3098 Road solely as it crosses United States public land as included and specifically described in Exhibit 1333. The D3098 Road includes the segment of road specifically set forth in Exhibit 1333 and as exists on the ground.

Acceptance of the D3098 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16469. The D3098 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16470. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3098 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16471. The D3098 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3098 Road pursuant to the County's governmental right and authority.

16472. Witnesses with personal knowledge of the history of the D3098 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16473. Currently known reputation in the community is that the D3098 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16474. Public motor vehicle use of the D3098 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16475. The D3098 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16476. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3098 Road.

16477. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3098 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3099 Road

16478. The D3099 Road is designated as county road number D3099 and SGID road identification number RD192549 and is more or less 0.33 miles long.

16479. Exhibit 1334 (attached hereto and incorporated herein) contains certain information pertaining to the D3099 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16480. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3099 Road solely as it crosses United States public land as included and specifically described in Exhibit 1334. The D3099 Road includes the segment of road specifically set forth in Exhibit 1334 and as exists on the ground.

Acceptance of the D3099 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16481. The D3099 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16482. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3099 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16483. The D3099 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3099 Road pursuant to the County's governmental right and authority.

16484. Witnesses with personal knowledge of the history of the D3099 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16485. Currently known reputation in the community is that the D3099 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16486. Public motor vehicle use of the D3099 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16487. The D3099 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16488. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3099 Road.

16489. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3099 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3100 Road

16490. The D3100 Road is designated as county road number D3100 and SGID road identification number RD192550 and is more or less 0.53 miles long.

16491. Exhibit 1335 (attached hereto and incorporated herein) contains certain information pertaining to the D3100 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16492. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3100 Road solely as it crosses United States public land as included and specifically described in Exhibit 1335. The D3100 Road includes the segment of road specifically set forth in Exhibit 1335 and as exists on the ground.

Acceptance of the D3100 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16493. The D3100 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16494. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3100 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16495. The D3100 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3100 Road pursuant to the County's governmental right and authority.

16496. Witnesses with personal knowledge of the history of the D3100 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16497. Currently known reputation in the community is that the D3100 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16498. Public motor vehicle use of the D3100 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16499. The D3100 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16500. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3100 Road.

16501. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3100 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3105 Road

16502. The D3105 Road is designated as county road number D3105 and SGID road identification number RD192553 and is more or less 0.39 miles long.

16503. Exhibit 1336 (attached hereto and incorporated herein) contains certain information pertaining to the D3105 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16504. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3105 Road solely as it crosses United States public land as included and specifically described in Exhibit 1336. The D3105 Road includes the segment of road specifically set forth in Exhibit 1336 and as exists on the ground.

Acceptance of the D3105 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16505. The D3105 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16506. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3105 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16507. The D3105 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3105 Road pursuant to the County's governmental right and authority.

16508. Witnesses with personal knowledge of the history of the D3105 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16509. Currently known reputation in the community is that the D3105 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16510. Public motor vehicle use of the D3105 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16511. The D3105 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16512. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3105 Road.

16513. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3105 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3113 Road

16514. The D3113 Road is designated as county road number D3113 and SGID road identification number RD192556 and is more or less 1.16 miles long.

16515. Exhibit 1337 (attached hereto and incorporated herein) contains certain information pertaining to the D3113 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16516. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3113 Road solely as it crosses United States public land as included and specifically described in Exhibit 1337. The D3113 Road includes the segment of road specifically set forth in Exhibit 1337 and as exists on the ground.

Acceptance of the D3113 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16517. The D3113 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16518. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3113 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16519. The D3113 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3113 Road pursuant to the County's governmental right and authority.

16520. Witnesses with personal knowledge of the history of the D3113 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16521. Currently known reputation in the community is that the D3113 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16522. Public motor vehicle use of the D3113 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16523. The D3113 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16524. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3113 Road.

16525. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3113 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3114 Road

16526. The D3114 Road is designated as county road number D3114 and SGID road identification number RD192557 and is more or less 0.55 miles long.

16527. Exhibit 1338 (attached hereto and incorporated herein) contains certain information pertaining to the D3114 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16528. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3114 Road solely as it crosses United States public land as included and specifically described in Exhibit 1338. The D3114 Road includes the segment of road specifically set forth in Exhibit 1338 and as exists on the ground.

Acceptance of the D3114 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16529. The D3114 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16530. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3114 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16531. The D3114 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3114 Road pursuant to the County's governmental right and authority.

16532. Witnesses with personal knowledge of the history of the D3114 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16533. Currently known reputation in the community is that the D3114 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16534. Public motor vehicle use of the D3114 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16535. The D3114 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16536. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3114 Road.

16537. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3114 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3116 Road

16538. The D3116 Road is designated as county road number D3116 and SGID road identification number RD192558 and is more or less 1.32 miles long.

16539. Exhibit 1339 (attached hereto and incorporated herein) contains certain information pertaining to the D3116 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16540. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3116 Road solely as it crosses United States public land as included and specifically described in Exhibit 1339. The D3116 Road includes the segment of road specifically set forth in Exhibit 1339 and as exists on the ground.

Acceptance of the D3116 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16541. The D3116 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16542. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3116 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16543. The appearance of the D3116 Road on the Church Rock (1954) USGS 7.5-minute quadrangle map and Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16544. The D3116 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3116 Road pursuant to the County's governmental right and authority.

16545. Witnesses with personal knowledge of the history of the D3116 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16546. Currently known reputation in the community is that the D3116 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16547. Public motor vehicle use of the D3116 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16548. The D3116 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16549. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3116 Road.

16550. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3116 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3119 Road

16551. The D3119 Road is designated as county road number D3119 and SGID road identification number RD192560 and is more or less 4.16 miles long.

16552. Exhibit 1340 (attached hereto and incorporated herein) contains certain information pertaining to the D3119 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16553. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3119 Road solely as it crosses United States public land as included and specifically described in Exhibit 1340. The D3119 Road includes the segment of road specifically set forth in Exhibit 1340 and as exists on the ground.

Acceptance of the D3119 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16554. The D3119 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16555. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3119 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16556. The appearance of the D3119 Road on the Sandstone Draw (1954) USGS 7.5-minute quadrangle map and Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16557. The D3119 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D3119 Road pursuant to the County's governmental right and authority.

16558. Witnesses with personal knowledge of the history of the D3119 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16559. Currently known reputation in the community is that the D3119 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16560. Public motor vehicle use of the D3119 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16561. The D3119 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16562. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3119 Road.

16563. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3119 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3121 Road

16564. The D3121 Road is designated as county road number D3121 and SGID road identification number RD192561 and is more or less 1.80 miles long.

16565. Exhibit 1341 (attached hereto and incorporated herein) contains certain information pertaining to the D3121 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16566. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3121 Road solely as it crosses United States public land as included and specifically described in Exhibit 1341. The D3121 Road includes the segment of road specifically set forth in Exhibit 1341 and as exists on the ground.

Acceptance of the D3121 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16567. The D3121 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16568. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3121 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16569. The appearance of the D3121 Road on the Church Rock (1954), Sandstone Draw (1954), and Lisbon Valley (1954) USGS 7.5-minute quadrangle maps, and Hatch Rock (1954) and Lisbon Valley (1954) USGS 15-minute quadrangle maps evidences the existence, use, and

acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16570. The D3121 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3121 Road pursuant to the County's governmental right and authority.

16571. Witnesses with personal knowledge of the history of the D3121 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16572. Currently known reputation in the community is that the D3121 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16573. Public motor vehicle use of the D3121 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16574. The D3121 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16575. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3121 Road.

16576. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3121 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3122 Road

16577. The D3122 Road is designated as county road number D3122 and SGID road identification number RD192562 and is more or less 3.50 miles long.

16578. Exhibit 1342 (attached hereto and incorporated herein) contains certain information pertaining to the D3122 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16579. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3122 Road solely as it crosses United States public land as included and specifically described in Exhibit 1342. The D3122 Road includes the segment of road specifically set forth in Exhibit 1342 and as exists on the ground.

Acceptance of the D3122 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16580. The D3122 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16581. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3122 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16582. The appearance of the D3122 Road on the Sop Canyon (1954), Lisbon Valley (1954), and Church Rock (1954) USGS 7.5-minute quadrangle maps, and Hatch Rock (1954) and Lisbon Valley (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16583. The County confirmed its acceptance of the D3122 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3122 Road pursuant to the County's governmental right and authority.

16584. Witnesses with personal knowledge of the history of the D3122 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16585. Currently known reputation in the community is that the D3122 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16586. Public motor vehicle use of the D3122 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16587. The D3122 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16588. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3122 Road.

16589. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3122 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3123 Road

16590. The D3123 Road is designated as county road number D3123 and SGID road identification number RD192563 and is more or less 1.31 miles long.

16591. Exhibit 1343 (attached hereto and incorporated herein) contains certain information pertaining to the D3123 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16592. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3123 Road solely as it crosses United States public land as included and specifically described in Exhibit 1343. The D3123 Road includes the segment of road specifically set forth in Exhibit 1343 and as exists on the ground.

Acceptance of the D3123 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16593. The D3123 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16594. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3123 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16595. The appearance of the D3123 Road on the Sop Canyon (1954) USGS 7.5-minute quadrangle map and Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16596. The County confirmed its acceptance of the D3123 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3123 Road pursuant to the County's governmental right and authority.

16597. Witnesses with personal knowledge of the history of the D3123 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16598. Currently known reputation in the community is that the D3123 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16599. Public motor vehicle use of the D3123 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16600. The D3123 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16601. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3123 Road.

16602. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3123 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3130 Road

16603. The D3130 Road is designated as county road number D3130 and SGID road identification number RD192566 and is more or less 1.06 miles long.

16604. Exhibit 1344 (attached hereto and incorporated herein) contains certain information pertaining to the D3130 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16605. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3130 Road solely as it crosses United States public land as included and specifically described in Exhibit 1344. The D3130 Road includes the segment of road specifically set forth in Exhibit 1344 and as exists on the ground.

Acceptance of the D3130 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16606. The D3130 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16607. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3130 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16608. The appearance of the D3130 Road on the Lisbon Valley (1954) USGS 7.5-minute quadrangle map and Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16609. The D3130 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3130 Road pursuant to the County's governmental right and authority.

16610. Witnesses with personal knowledge of the history of the D3130 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16611. Currently known reputation in the community is that the D3130 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16612. Public motor vehicle use of the D3130 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16613. The D3130 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16614. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3130 Road.

16615. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3130 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3131 Road

16616. The D3131 Road is designated as county road number D3131 and SGID road identification number RD192567 and is more or less 0.56 miles long.

16617. Exhibit 1345 (attached hereto and incorporated herein) contains certain information pertaining to the D3131 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16618. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3131 Road solely as it crosses United States public land as included and specifically described in Exhibit 1345. The D3131 Road includes the segment of road specifically set forth in Exhibit 1345 and as exists on the ground.

Acceptance of the D3131 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16619. The D3131 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16620. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3131 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16621. The D3131 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3131 Road pursuant to the County's governmental right and authority.

16622. Witnesses with personal knowledge of the history of the D3131 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16623. Currently known reputation in the community is that the D3131 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16624. Public motor vehicle use of the D3131 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16625. The D3131 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16626. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3131 Road.

16627. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3131 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3133 Road

16628. The D3133 Road is designated as county road number D3133 and SGID road identification number RD192568 and is more or less 0.42 miles long.

16629. Exhibit 1346 (attached hereto and incorporated herein) contains certain information pertaining to the D3133 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16630. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3133 Road solely as it crosses United States public land as included and specifically described in Exhibit 1346. The D3133 Road includes the segment of road specifically set forth in Exhibit 1346 and as exists on the ground.

Acceptance of the D3133 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16631. The D3133 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16632. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3133 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16633. The D3133 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3133 Road pursuant to the County's governmental right and authority.

16634. Witnesses with personal knowledge of the history of the D3133 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16635. Currently known reputation in the community is that the D3133 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16636. Public motor vehicle use of the D3133 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16637. The D3133 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16638. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3133 Road.

16639. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3133 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3135 Road

16640. The D3135 Road is designated as county road number D3135 and SGID road identification number RD192570 and is more or less 1.07 miles long.

16641. Exhibit 1347 (attached hereto and incorporated herein) contains certain information pertaining to the D3135 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16642. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3135 Road solely as it crosses United States public land as included and specifically described in Exhibit 1347. The D3135 Road includes the segment of road specifically set forth in Exhibit 1347 and as exists on the ground.

Acceptance of the D3135 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16643. The D3135 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16644. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3135 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16645. The D3135 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3135 Road pursuant to the County's governmental right and authority.

16646. Witnesses with personal knowledge of the history of the D3135 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16647. Currently known reputation in the community is that the D3135 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16648. Public motor vehicle use of the D3135 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16649. The D3135 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16650. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3135 Road.

16651. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3135 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3136 Road

16652. The D3136 Road is designated as county road number D3136 and SGID road identification number RD192571 and is more or less 0.72 miles long.

16653. Exhibit 1348 (attached hereto and incorporated herein) contains certain information pertaining to the D3136 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16654. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3136 Road solely as it crosses United States public land as included and specifically described in Exhibit 1348. The D3136 Road includes the segment of road specifically set forth in Exhibit 1348 and as exists on the ground.

Acceptance of the D3136 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16655. The D3136 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16656. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3136 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16657. The D3136 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3136 Road pursuant to the County's governmental right and authority.

16658. Witnesses with personal knowledge of the history of the D3136 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16659. Currently known reputation in the community is that the D3136 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16660. Public motor vehicle use of the D3136 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16661. The D3136 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16662. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3136 Road.

16663. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3136 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3137 Road

16664. The D3137 Road is designated as county road number D3137 and SGID road identification number RD192572 and is more or less 1.37 miles long.

16665. Exhibit 1349 (attached hereto and incorporated herein) contains certain information pertaining to the D3137 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16666. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3137 Road solely as it crosses United States public land as included and specifically described in Exhibit 1349. The D3137 Road includes the segment of road specifically set forth in Exhibit 1349 and as exists on the ground.

Acceptance of the D3137 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16667. The D3137 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16668. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3137 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16669. The appearance of the D3137 Road on the Lisbon Valley (1954) USGS 7.5-minute quadrangle map and Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16670. The D3137 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D3137 Road pursuant to the County's governmental right and authority.

16671. Witnesses with personal knowledge of the history of the D3137 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16672. Currently known reputation in the community is that the D3137 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16673. Public motor vehicle use of the D3137 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16674. The D3137 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16675. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3137 Road.

16676. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3137 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3138 Road

16677. The D3138 Road is designated as county road number D3138 and SGID road identification number RD192573 and is more or less 2.54 miles long.

16678. Exhibit 1350 (attached hereto and incorporated herein) contains certain information pertaining to the D3138 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16679. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3138 Road solely as it crosses United States public land as included and specifically described in Exhibit 1350. The D3138 Road includes the segment of road specifically set forth in Exhibit 1350 and as exists on the ground.

Acceptance of the D3138 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16680. The D3138 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16681. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3138 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16682. The appearance of the D3138 Road on the Lisbon Valley (1954) USGS 7.5-minute quadrangle map and Lisbon Valley (1954) USGS 15-minute quadrangle map evidences

the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16683. The D3138 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3138 Road pursuant to the County's governmental right and authority.

16684. Witnesses with personal knowledge of the history of the D3138 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16685. Currently known reputation in the community is that the D3138 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16686. Public motor vehicle use of the D3138 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16687. The D3138 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16688. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3138 Road.

16689. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3138 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3139 Road

16690. The D3139 Road is designated as county road number D3139 and SGID road identification number RD192574 and is more or less 0.52 miles long.

16691. Exhibit 1351 (attached hereto and incorporated herein) contains certain information pertaining to the D3139 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16692. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3139 Road solely as it crosses United States public land as included and specifically described in Exhibit 1351. The D3139 Road includes the segment of road specifically set forth in Exhibit 1351 and as exists on the ground.

Acceptance of the D3139 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16693. The D3139 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16694. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3139 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16695. The appearance of the D3139 Road on the Lisbon Valley (1954) USGS 7.5-minute quadrangle map and Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16696. The D3139 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3139 Road pursuant to the County's governmental right and authority.

16697. Witnesses with personal knowledge of the history of the D3139 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16698. Currently known reputation in the community is that the D3139 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16699. Public motor vehicle use of the D3139 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16700. The D3139 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16701. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3139 Road.

16702. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3139 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3140 Road

16703. The D3140 Road is designated as county road number D3140 and SGID road identification number RD192575 and is more or less 2.26 miles long.

16704. Exhibit 1352 (attached hereto and incorporated herein) contains certain information pertaining to the D3140 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16705. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3140 Road solely as it crosses United States public land as included and specifically described in Exhibit 1352. The D3140 Road includes the segment of road specifically set forth in Exhibit 1352 and as exists on the ground.

Acceptance of the D3140 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16706. The D3140 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16707. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3140 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16708. The D3140 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3140 Road pursuant to the County's governmental right and authority.

16709. Witnesses with personal knowledge of the history of the D3140 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16710. Currently known reputation in the community is that the D3140 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16711. Public motor vehicle use of the D3140 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16712. The D3140 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16713. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3140 Road.

16714. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3140 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3141 Road

16715. The D3141 Road is designated as county road number D3141 and SGID road identification number RD192576 and is more or less 0.66 miles long.

16716. Exhibit 1353 (attached hereto and incorporated herein) contains certain information pertaining to the D3141 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16717. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3141 Road solely as it crosses United States public land as included and specifically described in Exhibit 1353. The D3141 Road includes the segment of road specifically set forth in Exhibit 1353 and as exists on the ground.

Acceptance of the D3141 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16718. The D3141 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16719. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3141 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16720. The D3141 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3141 Road pursuant to the County's governmental right and authority.

16721. Witnesses with personal knowledge of the history of the D3141 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16722. Currently known reputation in the community is that the D3141 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16723. Public motor vehicle use of the D3141 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16724. The D3141 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16725. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3141 Road.

16726. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3141 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3144 Road

16727. The D3144 Road is designated as county road number D3144 and SGID road identification number RD192578 and is more or less 0.49 miles long.

16728. Exhibit 1354 (attached hereto and incorporated herein) contains certain information pertaining to the D3144 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16729. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3144 Road solely as it crosses United States public land as included and specifically described in Exhibit 1354. The D3144 Road includes the segment of road specifically set forth in Exhibit 1354 and as exists on the ground.

Acceptance of the D3144 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16730. The D3144 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16731. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3144 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16732. The D3144 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3144 Road pursuant to the County's governmental right and authority.

16733. Witnesses with personal knowledge of the history of the D3144 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16734. Currently known reputation in the community is that the D3144 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16735. Public motor vehicle use of the D3144 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16736. The D3144 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16737. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3144 Road.

16738. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3144 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3145 Road

16739. The D3145 Road is designated as county road number D3145 and SGID road identification number RD192579 and is more or less 0.86 miles long.

16740. Exhibit 1355 (attached hereto and incorporated herein) contains certain information pertaining to the D3145 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16741. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3145 Road solely as it crosses United States public land as included and specifically described in Exhibit 1355. The D3145 Road includes the segment of road specifically set forth in Exhibit 1355 and as exists on the ground.

Acceptance of the D3145 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16742. The D3145 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16743. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3145 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16744. The D3145 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3145 Road pursuant to the County's governmental right and authority.

16745. Witnesses with personal knowledge of the history of the D3145 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16746. Currently known reputation in the community is that the D3145 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16747. Public motor vehicle use of the D3145 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16748. The D3145 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16749. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3145 Road.

16750. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3145 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3146 Road

16751. The D3146 Road is designated as county road number D3146 and SGID road identification number RD192580 and is more or less 0.47 miles long.

16752. Exhibit 1356 (attached hereto and incorporated herein) contains certain information pertaining to the D3146 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16753. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3146 Road solely as it crosses United States public land as included and specifically described in Exhibit 1356. The D3146 Road includes the segment of road specifically set forth in Exhibit 1356 and as exists on the ground.

Acceptance of the D3146 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16754. The D3146 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16755. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3146 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16756. The D3146 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3146 Road pursuant to the County's governmental right and authority.

16757. Witnesses with personal knowledge of the history of the D3146 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16758. Currently known reputation in the community is that the D3146 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16759. Public motor vehicle use of the D3146 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16760. The D3146 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16761. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3146 Road.

16762. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3146 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3147 Road

16763. The D3147 Road is designated as county road number D3147 and SGID road identification number RD192581 and is more or less 1.01 miles long.

16764. Exhibit 1357 (attached hereto and incorporated herein) contains certain information pertaining to the D3147 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16765. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3147 Road solely as it crosses United States public land as included and specifically described in Exhibit 1357. The D3147 Road includes the segment of road specifically set forth in Exhibit 1357 and as exists on the ground.

Acceptance of the D3147 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16766. The D3147 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16767. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3147 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16768. The D3147 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3147 Road pursuant to the County's governmental right and authority.

16769. Witnesses with personal knowledge of the history of the D3147 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16770. Currently known reputation in the community is that the D3147 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16771. Public motor vehicle use of the D3147 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16772. The D3147 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16773. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3147 Road.

16774. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3147 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3155 Road

16775. The D3155 Road is designated as county road number D3155 and SGID road identification number RD192583 and is more or less 0.39 miles long.

16776. Exhibit 1358 (attached hereto and incorporated herein) contains certain information pertaining to the D3155 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16777. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3155 Road solely as it crosses United States public land as included and specifically described in Exhibit 1358. The D3155 Road includes the segment of road specifically set forth in Exhibit 1358 and as exists on the ground.

Acceptance of the D3155 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16778. The D3155 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16779. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3155 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16780. The D3155 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3155 Road pursuant to the County's governmental right and authority.

16781. Witnesses with personal knowledge of the history of the D3155 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16782. Currently known reputation in the community is that the D3155 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16783. Public motor vehicle use of the D3155 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16784. The D3155 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16785. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3155 Road.

16786. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3155 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3158 Road

16787. The D3158 Road is designated as county road number D3158 and SGID road identification number RD192584 and is more or less 0.48 miles long.

16788. Exhibit 1359 (attached hereto and incorporated herein) contains certain information pertaining to the D3158 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16789. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3158 Road solely as it crosses United States public land as included and specifically described in Exhibit 1359. The D3158 Road includes the segment of road specifically set forth in Exhibit 1359 and as exists on the ground.

Acceptance of the D3158 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16790. The D3158 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16791. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3158 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16792. The D3158 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3158 Road pursuant to the County's governmental right and authority.

16793. Witnesses with personal knowledge of the history of the D3158 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16794. Currently known reputation in the community is that the D3158 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16795. Public motor vehicle use of the D3158 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16796. The D3158 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16797. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3158 Road.

16798. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3158 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3159 Road

16799. The D3159 Road is designated as county road number D3159 and SGID road identification number RD192585 and is more or less 1.30 miles long.

16800. Exhibit 1360 (attached hereto and incorporated herein) contains certain information pertaining to the D3159 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16801. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3159 Road solely as it crosses United States public land as included and specifically described in Exhibit 1360. The D3159 Road includes the segment of road specifically set forth in Exhibit 1360 and as exists on the ground.

Acceptance of the D3159 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16802. The D3159 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16803. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3159 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16804. The D3159 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3159 Road pursuant to the County's governmental right and authority.

16805. Witnesses with personal knowledge of the history of the D3159 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16806. Currently known reputation in the community is that the D3159 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16807. Public motor vehicle use of the D3159 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16808. The D3159 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16809. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3159 Road.

16810. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3159 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3160 Road

16811. The D3160 Road is designated as county road number D3160 and SGID road identification number RD192586 and is more or less 0.72 miles long.

16812. Exhibit 1361 (attached hereto and incorporated herein) contains certain information pertaining to the D3160 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16813. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3160 Road solely as it crosses United States public land as included and specifically described in Exhibit 1361. The D3160 Road includes the segment of road specifically set forth in Exhibit 1361 and as exists on the ground.

Acceptance of the D3160 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16814. The D3160 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16815. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3160 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16816. The D3160 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3160 Road pursuant to the County's governmental right and authority.

16817. Witnesses with personal knowledge of the history of the D3160 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16818. Currently known reputation in the community is that the D3160 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16819. Public motor vehicle use of the D3160 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16820. The D3160 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16821. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3160 Road.

16822. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3160 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3165 Road

16823. The D3165 Road is designated as county road number D3165 and SGID road identification number RD192591 and is more or less 0.16 miles long.

16824. Exhibit 1362 (attached hereto and incorporated herein) contains certain information pertaining to the D3165 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16825. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3165 Road solely as it crosses United States public land as included and specifically described in Exhibit 1362. The D3165 Road includes the segment of road specifically set forth in Exhibit 1362 and as exists on the ground.

Acceptance of the D3165 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16826. The D3165 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16827. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3165 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16828. The D3165 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3165 Road pursuant to the County's governmental right and authority.

16829. Witnesses with personal knowledge of the history of the D3165 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16830. Currently known reputation in the community is that the D3165 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16831. Public motor vehicle use of the D3165 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16832. The D3165 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16833. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3165 Road.

16834. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3165 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3166 Road

16835. The D3166 Road is designated as county road number D3166 and SGID road identification number RD192592 and is more or less 0.60 miles long.

16836. Exhibit 1363 (attached hereto and incorporated herein) contains certain information pertaining to the D3166 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16837. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3166 Road solely as it crosses United States public land as included and specifically described in Exhibit 1363. The D3166 Road includes the segment of road specifically set forth in Exhibit 1363 and as exists on the ground.

Acceptance of the D3166 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16838. The D3166 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16839. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3166 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16840. The appearance of the D3166 Road on the Lisbon Valley (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16841. The D3166 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3166 Road pursuant to the County's governmental right and authority.

16842. Witnesses with personal knowledge of the history of the D3166 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16843. Currently known reputation in the community is that the D3166 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16844. Public motor vehicle use of the D3166 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16845. The D3166 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16846. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3166 Road.

16847. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3166 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3172 Road

16848. The D3172 Road is designated as county road number D3172 and SGID road identification number RD192596 and is more or less 0.61 miles long.

16849. Exhibit 1364 (attached hereto and incorporated herein) contains certain information pertaining to the D3172 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16850. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3172 Road solely as it crosses United States public land as included and specifically described in Exhibit 1364. The D3172 Road includes the segment of road specifically set forth in Exhibit 1364 and as exists on the ground.

Acceptance of the D3172 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16851. The D3172 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16852. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3172 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16853. The D3172 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3172 Road pursuant to the County's governmental right and authority.

16854. Witnesses with personal knowledge of the history of the D3172 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16855. Currently known reputation in the community is that the D3172 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16856. Public motor vehicle use of the D3172 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16857. The D3172 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16858. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3172 Road.

16859. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3172 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3235 Road

16860. The D3235 Road is designated as county road number D3235 and SGID road identification number RD192636 and is more or less 2.36 miles long.

16861. Exhibit 1365 (attached hereto and incorporated herein) contains certain information pertaining to the D3235 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16862. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3235 Road solely as it crosses United States public land as included and specifically described in Exhibit 1365. The D3235 Road includes the segment of road specifically set forth in Exhibit 1365 and as exists on the ground.

Acceptance of the D3235 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16863. The D3235 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16864. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3235 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16865. The D3235 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3235 Road pursuant to the County's governmental right and authority.

16866. Witnesses with personal knowledge of the history of the D3235 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16867. Currently known reputation in the community is that the D3235 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16868. Public motor vehicle use of the D3235 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16869. The D3235 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16870. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3235 Road.

16871. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3235 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3242 Road

16872. The D3242 Road is designated as county road number D3242 and SGID road identification number RD192638 and is more or less 0.84 miles long.

16873. Exhibit 1366 (attached hereto and incorporated herein) contains certain information pertaining to the D3242 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16874. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3242 Road solely as it crosses United States public land as included and specifically described in Exhibit 1366. The D3242 Road includes the segment of road specifically set forth in Exhibit 1366 and as exists on the ground.

Acceptance of the D3242 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16875. The D3242 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16876. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3242 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16877. The D3242 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3242 Road pursuant to the County's governmental right and authority.

16878. Witnesses with personal knowledge of the history of the D3242 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16879. Currently known reputation in the community is that the D3242 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16880. Public motor vehicle use of the D3242 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16881. The D3242 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16882. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3242 Road.

16883. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3242 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3270 Road

16884. The D3270 Road is designated as county road number D3270 and SGID road identification number RD192645 and is more or less 0.98 miles long.

16885. Exhibit 1367 (attached hereto and incorporated herein) contains certain information pertaining to the D3270 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16886. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3270 Road solely as it crosses United States public land as included and specifically described in Exhibit 1367. The D3270 Road includes the segment of road specifically set forth in Exhibit 1367 and as exists on the ground.

Acceptance of the D3270 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16887. The D3270 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16888. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3270 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16889. The D3270 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3270 Road pursuant to the County's governmental right and authority.

16890. Witnesses with personal knowledge of the history of the D3270 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16891. Currently known reputation in the community is that the D3270 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16892. Public motor vehicle use of the D3270 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16893. The D3270 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16894. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3270 Road.

16895. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3270 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3274 Road

16896. The D3274 Road is designated as county road number D3274 and SGID road identification number RD190730 and is more or less 1.90 miles long.

16897. Exhibit 1368 (attached hereto and incorporated herein) contains certain information pertaining to the D3274 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16898. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3274 Road solely as it crosses United States public land as included and specifically described in Exhibit 1368. The D3274 Road includes the segment of road specifically set forth in Exhibit 1368 and as exists on the ground.

Acceptance of the D3274 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16899. The D3274 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16900. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3274 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16901. The D3274 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3274 Road pursuant to the County's governmental right and authority.

16902. Witnesses with personal knowledge of the history of the D3274 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16903. Currently known reputation in the community is that the D3274 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16904. Public motor vehicle use of the D3274 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16905. The D3274 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16906. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3274 Road.

16907. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3274 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4806 Road

16908. The D4806 Road is designated as county road number D4806 and SGID road identification number RD190777 and is more or less 0.37 miles long.

16909. Exhibit 1369 (attached hereto and incorporated herein) contains certain information pertaining to the D4806 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16910. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4806 Road solely as it crosses United States public land as included and specifically described in Exhibit 1369. The D4806 Road includes the segment of road specifically set forth in Exhibit 1369 and as exists on the ground.

Acceptance of the D4806 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16911. The D4806 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16912. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4806 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16913. The D4806 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4806 Road pursuant to the County's governmental right and authority.

16914. Witnesses with personal knowledge of the history of the D4806 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16915. Currently known reputation in the community is that the D4806 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16916. Public motor vehicle use of the D4806 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16917. The D4806 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16918. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4806 Road.

16919. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4806 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D5145 Road

16920. The D5145 Road is designated as county road number D5145 and SGID road identification number RD193394 and is more or less 0.80 miles long.

16921. Exhibit 1370 (attached hereto and incorporated herein) contains certain information pertaining to the D5145 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16922. In this action, the State and County seek to quiet title to the public highway right-of-way for the D5145 Road solely as it crosses United States public land as included and specifically described in Exhibit 1370. The D5145 Road includes the segment of road specifically set forth in Exhibit 1370 and as exists on the ground.

Acceptance of the D5145 Road R.S. 2477 Right-of-way Prior to October 21, 1976

16923. The D5145 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16924. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D5145 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16925. The D5145 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D5145 Road pursuant to the County's governmental right and authority.

16926. Witnesses with personal knowledge of the history of the D5145 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16927. Currently known reputation in the community is that the D5145 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16928. Public motor vehicle use of the D5145 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16929. The D5145 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16930. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D5145 Road.

16931. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D5145 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

NINETEENTH CAUSE OF ACTION – QUIET TITLE
LOCKHART BASIN AREA

16932. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

16933. The Lockhart Basin Area is located in north-central San Juan County and is shown on Exhibit 21, attached hereto and incorporated herein.

16934. The Lockhart Basin Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Lockhart Basin Spur Road, B1071; (2) Lockhart Road, B122; (3) Needles Overlook Road, B133; (4) Rustlers Cutoff Road, B168; (5) Rustlers Road, B169; (6) Rustlers Spur Road, B170; (7) D0572 Road; (8) D0584 Road; (9) D0585 Road; (10) D0586 Road; (11) D0595 Road; (12) D0605 Road; (13) D0606 Road; (14) D0607 Road; (15) D0608 Road; (16) D0655 Road; (17) D0656 Road; (18) D0658 Road; (19) D1153 Road; (20) D1346 Road; (21) D1347 Road; (22) D1355 Road; (23) D1357 Road; (24) D1358 Road; (25) D1415 Road; (26) D1416 Road; (27) D1417 Road; (28) D1469 Road; (29) D1476 Road; (30) D1477 Road; (31) D1495 Road; (32) D1497 Road; (33) D1498 Road; (34)

D1499 Road; (35) D1509 Road; (36) D1593 Road; (37) D1594 Road; (38) D1607 Road; (39) D1608 Road; (40) D1609 Road; (41) D1619 Road; (42) D1622 Road; (43) D1625 Road; (44) D1626 Road; (45) D1627 Road; (46) D1629 Road; (47) D1630 Road; (48) D1634 Road; (49) D1840 Road; (50) D1842 Road; (51) D1847 Road; (52) D1850 Road; (53) D2391 Road; (54) D2393 Road; (55) D2394 Road; (56) D2395 Road; (57) D2499 Road; (58) D2620 Road; and (59) D2740 Road.

16935. Each right-of-way claimed in the Lockhart Basin Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

16936. All rights-of-way claimed in the Lockhart Basin Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

16937. All rights-of-way claimed in the Lockhart Basin Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

16938. Prior to October 21, 1976, the State of Utah, San Juan County, and the public

through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Lockhart Basin Spur Road, B1071

16939. The Lockhart Basin Spur Road is designated as county road number B1071 and SGID road identification number RD190015 and is more or less 2.11 miles long.

16940. Exhibit 1371 (attached hereto and incorporated herein) contains certain information pertaining to the Lockhart Basin Spur Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16941. In this action, the State and County seek to quiet title to the public highway right-of-way for the Lockhart Basin Spur Road solely as it crosses United States public land as included and specifically described in Exhibit 1371. The Lockhart Basin Spur Road includes the segment of road specifically set forth in Exhibit 1371 and as exists on the ground.

Acceptance of the Lockhart Basin Spur Road R.S. 2477 Right-of-way Prior to October 21, 1976

16942. The Lockhart Basin Spur Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16943. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Lockhart Basin Spur Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16944. The appearance of the Lockhart Basin Spur Road on the Lockhart Basin (1955) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16945. The County confirmed its acceptance of the Lockhart Basin Spur Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Lockhart Basin Spur Road using public funds pursuant to the County's governmental right and authority.

16946. Witnesses with personal knowledge of the history of the Lockhart Basin Spur Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16947. Currently known reputation in the community is that the Lockhart Basin Spur Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16948. Public motor vehicle use of the Lockhart Basin Spur Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16949. The Lockhart Basin Spur Road traverses a valid and perfected R.S. 2477 public

highway right-of-way as described herein.

16950. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Lockhart Basin Spur Road.

16951. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Lockhart Basin Spur Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Lockhart Road, B122

16952. The Lockhart Road is designated as county road number B122 and SGID road identification number RD190044 and is more or less 20.55 miles long.

16953. Exhibit 1372 (attached hereto and incorporated herein) contains certain information pertaining to the Lockhart Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16954. In this action, the State and County seek to quiet title to the public highway right-of-way for the Lockhart Road solely as it crosses United States public land as included and specifically described in Exhibit 1372. The Lockhart Road includes the segment of road specifically set forth in Exhibit 1372 and as exists on the ground.

Acceptance of the Lockhart Road R.S. 2477 Right-of-way Prior to October 21, 1976

16955. The Lockhart Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16956. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Lockhart Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16957. The appearance of the Lockhart Road on the Lockhart Basin (1955) and North Six-Shooter Peak (1954) USGS 7.5-minute quadrangle maps and the Hatch Point (1954) and Harts Point (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16958. The County confirmed its acceptance of the Lockhart Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Lockhart Road using public funds pursuant to the County's governmental right and authority.

16959. Witnesses with personal knowledge of the history of the Lockhart Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16960. Currently known reputation in the community is that the Lockhart Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16961. Public motor vehicle use of the Lockhart Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16962. The Lockhart Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16963. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Lockhart Road.

16964. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Lockhart Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Needles Overlook Road, B133

16965. The Needles Overlook Road is designated as county road number B133 and SGID road identification number RD190066 and is more or less 21.99 miles long.

16966. Exhibit 1373 (attached hereto and incorporated herein) contains certain information pertaining to the Needles Overlook Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16967. In this action, the State and County seek to quiet title to the public highway right-of-way for the Needles Overlook Road solely as it crosses United States public land as included and specifically described in Exhibit 1373. The Needles Overlook Road includes the segment of road specifically set forth in Exhibit 1373 and as exists on the ground.

Acceptance of the Needles Overlook Road R.S. 2477 Right-of-way Prior to October 21, 1976

16968. The Needles Overlook Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16969. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Needles Overlook Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16970. The appearance of the Needles Overlook Road on the North Six-Shooter Peak (1954), EightMile Rock (1954), Harts Point North (1954), and Hatch Rock (1954) USGS 7.5-minute quadrangle maps and the Hatch Point (1954), Harts Point (1954), and Hatch Rock (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16971. The County confirmed its acceptance of the Needles Overlook Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Needles Overlook Road using public funds pursuant to the County's governmental right and authority.

16972. Witnesses with personal knowledge of the history of the Needles Overlook Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16973. Currently known reputation in the community is that the Needles Overlook Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16974. Public motor vehicle use of the Needles Overlook Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16975. The Needles Overlook Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16976. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Needles Overlook Road.

16977. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Needles Overlook Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Rustlers Cutoff Road, B168

16978. The Rustlers Cutoff Road is designated as county road number B168 and SGID road identification number RD190122 and is more or less 1.24 miles long.

16979. Exhibit 1374 (attached hereto and incorporated herein) contains certain information pertaining to the Rustlers Cutoff Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16980. In this action, the State and County seek to quiet title to the public highway right-of-way for the Rustlers Cutoff Road solely as it crosses United States public land as included and specifically described in Exhibit 1374. The Rustlers Cutoff Road includes the segment of road specifically set forth in Exhibit 1374 and as exists on the ground.

Acceptance of the Rustlers Cutoff Road R.S. 2477 Right-of-way Prior to October 21, 1976

16981. The Rustlers Cutoff Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16982. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Rustlers Cutoff Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16983. The Rustlers Cutoff Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Rustlers Cutoff Road using public funds

pursuant to the County's governmental right and authority.

16984. Witnesses with personal knowledge of the history of the Rustlers Cutoff Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16985. Currently known reputation in the community is that the Rustlers Cutoff Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16986. Public motor vehicle use of the Rustlers Cutoff Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16987. The Rustlers Cutoff Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16988. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Rustlers Cutoff Road.

16989. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Rustlers Cutoff Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Rustlers Road, B169

16990. The Rustlers Road is designated as county road number B169 and SGID road identification number RD190123 and is more or less 3.36 miles long.

16991. Exhibit 1375 (attached hereto and incorporated herein) contains certain information pertaining to the Rustlers Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16992. In this action, the State and County seek to quiet title to the public highway right-of-way for the Rustlers Road solely as it crosses United States public land as included and specifically described in Exhibit 1375. The Rustlers Road includes the segment of road specifically set forth in Exhibit 1375 and as exists on the ground.

Acceptance of the Rustlers Road R.S. 2477 Right-of-way Prior to October 21, 1976

16993. The Rustlers Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16994. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Rustlers Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16995. The appearance of the Rustlers Road on the Lockhart Basin (1955) and North Six-Shooter Peak (1954) USGS 7.5-minute quadrangle maps and the Hatch Point (1954) and Harts Point (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of

the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

16996. The County confirmed its acceptance of the Rustlers Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Rustlers Road using public funds pursuant to the County's governmental right and authority.

16997. Witnesses with personal knowledge of the history of the Rustlers Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16998. Currently known reputation in the community is that the Rustlers Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16999. Public motor vehicle use of the Rustlers Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17000. The Rustlers Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17001. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Rustlers Road.

17002. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Rustlers Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Rustlers Spur Road, B170

17003. The Rustlers Spur Road is designated as county road number B170 and SGID road identification number RD190124 and is more or less 2.67 miles long.

17004. Exhibit 1376 (attached hereto and incorporated herein) contains certain information pertaining to the Rustlers Spur Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17005. In this action, the State and County seek to quiet title to the public highway right-of-way for the Rustlers Spur Road solely as it crosses United States public land as included and specifically described in Exhibit 1376. The Rustlers Spur Road includes the segment of road specifically set forth in Exhibit 1376 and as exists on the ground.

Acceptance of the Rustlers Spur Road R.S. 2477 Right-of-way Prior to October 21, 1976

17006. The Rustlers Spur Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17007. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Rustlers Spur Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17008. The appearance of the Rustlers Spur Road on the Lockhart Basin (1955) USGS 7.5-minute quadrangle map and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17009. The County confirmed its acceptance of the Rustlers Spur Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Rustlers Spur Road using public funds pursuant to the County's governmental right and authority.

17010. Witnesses with personal knowledge of the history of the Rustlers Spur Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17011. Currently known reputation in the community is that the Rustlers Spur Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17012. Public motor vehicle use of the Rustlers Spur Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17013. The Rustlers Spur Road traverses a valid and perfected R.S. 2477 public highway

right-of-way as described herein.

17014. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Rustlers Spur Road.

17015. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Rustlers Spur Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0572 Road

17016. The D0572 Road is designated as county road number D0572 and SGID road identification number RD191161 and is more or less .54 miles long.

17017. Exhibit 1377 (attached hereto and incorporated herein) contains certain information pertaining to the D0572 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17018. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0572 Road solely as it crosses United States public land as included and specifically described in Exhibit 1377. The D0572 Road includes the segment of road specifically set forth in Exhibit 1377 and as exists on the ground.

Acceptance of the D0572 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17019. The D0572 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17020. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0572 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17021. The D0572 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0572 Road pursuant to the County's governmental right and authority.

17022. Witnesses with personal knowledge of the history of the D0572 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17023. Currently known reputation in the community is that the D0572 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17024. Public motor vehicle use of the D0572 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17025. The D0572 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17026. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0572 Road.

17027. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0572 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0584 Road

17028. The D0584 Road is designated as county road number D0584 and SGID road identification number RD191166 and is more or less 1.71 miles long.

17029. Exhibit 1378 (attached hereto and incorporated herein) contains certain information pertaining to the D0584 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17030. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0584 Road solely as it crosses United States public land as included and specifically described in Exhibit 1378. The D0584 Road includes the segment of road specifically set forth in Exhibit 1378 and as exists on the ground.

Acceptance of the D0584 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17031. The D0584 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17032. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0584 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17033. The D0584 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0584 Road pursuant to the County's governmental right and authority.

17034. Witnesses with personal knowledge of the history of the D0584 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17035. Currently known reputation in the community is that the D0584 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17036. Public motor vehicle use of the D0584 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17037. The D0584 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17038. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0584 Road.

17039. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0584 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0585 Road

17040. The D0585 Road is designated as county road number D0585 and SGID road identification number RD191167 and is more or less .80 miles long.

17041. Exhibit 1379 (attached hereto and incorporated herein) contains certain information pertaining to the D0585 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17042. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0585 Road solely as it crosses United States public land as included and specifically described in Exhibit 1379. The D0585 Road includes the segment of road specifically set forth in Exhibit 1379 and as exists on the ground.

Acceptance of the D0585 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17043. The D0585 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17044. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0585 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17045. The appearance of the D0585 Road on the Harts Point North (1954) and the EightMile Rock (1954) USGS 7.5-minute quadrangle maps and the Hatch Point (1954) and the Harts Point (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17046. The D0585 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0585 Road pursuant to the County's governmental right and authority.

17047. Witnesses with personal knowledge of the history of the D0585 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17048. Currently known reputation in the community is that the D0585 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

17049. Public motor vehicle use of the D0585 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17050. The D0585 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17051. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0585 Road.

17052. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0585 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0586 Road

17053. The D0586 Road is designated as county road number D0586 and SGID road identification number RD191168 and is more or less 2.61 miles long.

17054. Exhibit 1380 (attached hereto and incorporated herein) contains certain information pertaining to the D0586 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17055. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D0586 Road solely as it crosses United States public land as included and specifically described in Exhibit 1380. The D0586 Road includes the segment of road specifically set forth in Exhibit 1380 and as exists on the ground.

Acceptance of the D0586 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17056. The D0586 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17057. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0586 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17058. The D0586 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0586 Road pursuant to the County's governmental right and authority.

17059. Witnesses with personal knowledge of the history of the D0586 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17060. Currently known reputation in the community is that the D0586 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17061. Public motor vehicle use of the D0586 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17062. The D0586 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17063. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0586 Road.

17064. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0586 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0595 Road

17065. The D0595 Road is designated as county road number D0595 and SGID road identification number RD191173 and is more or less .63 miles long.

17066. Exhibit 1381 (attached hereto and incorporated herein) contains certain information pertaining to the D0595 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17067. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0595 Road solely as it crosses United States public land as included and specifically described in Exhibit 1381. The D0595 Road includes the segment of road

specifically set forth in Exhibit 1381 and as exists on the ground.

Acceptance of the D0595 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17068. The D0595 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17069. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0595 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17070. The D0595 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0595 Road pursuant to the County's governmental right and authority.

17071. Witnesses with personal knowledge of the history of the D0595 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17072. Currently known reputation in the community is that the D0595 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17073. Public motor vehicle use of the D0595 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

17074. The D0595 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17075. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0595 Road.

17076. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0595 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0605 Road

17077. The D0605 Road is designated as county road number D0605 and SGID road identification number RD191182 and is more or less 4.54 miles long.

17078. Exhibit 1382 (attached hereto and incorporated herein) contains certain information pertaining to the D0605 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17079. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0605 Road solely as it crosses United States public land as included and specifically described in Exhibit 1382. The D0605 Road includes the segment of road specifically set forth in Exhibit 1382 and as exists on the ground.

Acceptance of the D0605 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17080. The D0605 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17081. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0605 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17082. The D0605 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0605 Road pursuant to the County's governmental right and authority.

17083. Witnesses with personal knowledge of the history of the D0605 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17084. Currently known reputation in the community is that the D0605 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17085. Public motor vehicle use of the D0605 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17086. The D0605 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17087. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0605 Road.

17088. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0605 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0606 Road

17089. The D0606 Road is designated as county road number D0606 and SGID road identification number RD190611 and is more or less 1.6 miles long.

17090. Exhibit 1383 (attached hereto and incorporated herein) contains certain information pertaining to the D0606 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17091. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0606 Road solely as it crosses United States public land as included and specifically described in Exhibit 1383. The D0606 Road includes the segment of road specifically set forth in Exhibit 1383 and as exists on the ground.

Acceptance of the D0606 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17092. The D0606 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17093. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0606 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17094. The D0606 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0606 Road pursuant to the County's governmental right and authority.

17095. Witnesses with personal knowledge of the history of the D0606 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17096. Currently known reputation in the community is that the D0606 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17097. Public motor vehicle use of the D0606 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17098. The D0606 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17099. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0606 Road.

17100. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0606 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0607 Road

17101. The D0607 Road is designated as county road number D0607 and SGID road identification number RD191183 and is more or less 1 miles long.

17102. Exhibit 1384 (attached hereto and incorporated herein) contains certain information pertaining to the D0607 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17103. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0607 Road solely as it crosses United States public land as included and specifically described in Exhibit 1384. The D0607 Road includes the segment of road specifically set forth in Exhibit 1384 and as exists on the ground.

Acceptance of the D0607 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17104. The D0607 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17105. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0607 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17106. The D0607 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0607 Road pursuant to the County's governmental right and authority.

17107. Witnesses with personal knowledge of the history of the D0607 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17108. Currently known reputation in the community is that the D0607 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17109. Public motor vehicle use of the D0607 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17110. The D0607 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17111. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0607 Road.

17112. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0607 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0608 Road

17113. The D0608 Road is designated as county road number D0608 and SGID road identification number RD191184 and is more or less 4.67 miles long.

17114. Exhibit 1385 (attached hereto and incorporated herein) contains certain information pertaining to the D0608 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17115. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0608 Road solely as it crosses United States public land as included and specifically described in Exhibit 1385. The D0608 Road includes the segment of road specifically set forth in Exhibit 1385 and as exists on the ground.

Acceptance of the D0608 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17116. The D0608 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17117. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0608 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17118. The D0608 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0608 Road pursuant to the County's governmental right and authority.

17119. Witnesses with personal knowledge of the history of the D0608 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17120. Currently known reputation in the community is that the D0608 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17121. Public motor vehicle use of the D0608 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17122. The D0608 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17123. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0608 Road.

17124. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0608 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0655 Road

17125. The D0655 Road is designated as county road number D0655 and SGID road identification number RD191215 and is more or less 1.65 miles long.

17126. Exhibit 1386 (attached hereto and incorporated herein) contains certain information pertaining to the D0655 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17127. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0655 Road solely as it crosses United States public land as included and specifically described in Exhibit 1386. The D0655 Road includes the segment of road specifically set forth in Exhibit 1386 and as exists on the ground.

Acceptance of the D0655 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17128. The D0655 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17129. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0655 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17130. The appearance of the D0655 Road on the Lockhart Basin (1955) USGS 7.5-minute quadrangle map and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17131. The D0655 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0655 Road pursuant to the County's governmental right and authority.

17132. Witnesses with personal knowledge of the history of the D0655 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17133. Currently known reputation in the community is that the D0655 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17134. Public motor vehicle use of the D0655 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17135. The D0655 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17136. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0655 Road.

17137. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0655 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0656 Road

17138. The D0656 Road is designated as county road number D0656 and SGID road identification number RD191216 and is more or less 1.32 miles long.

17139. Exhibit 1387 (attached hereto and incorporated herein) contains certain information pertaining to the D0656 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17140. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0656 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1387. The D0656 Road includes the segment of road specifically set forth in Exhibit 1387 and as exists on the ground.

Acceptance of the D0656 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17141. The D0656 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17142. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0656 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17143. The D0656 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0656 Road pursuant to the County's governmental right and authority.

17144. Witnesses with personal knowledge of the history of the D0656 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17145. Currently known reputation in the community is that the D0656 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17146. Public motor vehicle use of the D0656 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17147. The D0656 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17148. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0656 Road.

17149. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0656 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0658 Road

17150. The D0658 Road is designated as county road number D0658 and SGID road identification number RD190621 and is more or less 7 miles long.

17151. Exhibit 1388 (attached hereto and incorporated herein) contains certain information pertaining to the D0658 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17152. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0658 Road solely as it crosses United States public land as included and specifically described in Exhibit 1388. The D0658 Road includes the segment of road specifically set forth in Exhibit 1388 and as exists on the ground.

Acceptance of the D0658 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17153. The D0658 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17154. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0658 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17155. The appearance of the D0658 Road on the Shafer Basin (1954) USGS 7.5-minute quadrangle map and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17156. The D0658 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0658 Road pursuant to the County's governmental right and authority.

17157. Witnesses with personal knowledge of the history of the D0658 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17158. Currently known reputation in the community is that the D0658 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17159. Public motor vehicle use of the D0658 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17160. The D0658 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17161. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0658 Road.

17162. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0658 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1153 Road

17163. The D1153 Road is designated as county road number D1153 and SGID road identification number RD191521 and is more or less 1.62 miles long.

17164. Exhibit 1389 (attached hereto and incorporated herein) contains certain information pertaining to the D1153 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17165. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1153 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1389. The D1153 Road includes the segment of road specifically set forth in Exhibit 1389 and as exists on the ground.

Acceptance of the D1153 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17166. The D1153 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17167. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1153 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17168. The D1153 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1153 Road pursuant to the County's governmental right and authority.

17169. Witnesses with personal knowledge of the history of the D1153 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17170. Currently known reputation in the community is that the D1153 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17171. Public motor vehicle use of the D1153 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17172. The D1153 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17173. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1153 Road.

17174. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1153 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1346 Road

17175. The D1346 Road is designated as county road number D1346 and SGID road identification number RD190657 and is more or less 3.8 miles long.

17176. Exhibit 1390 (attached hereto and incorporated herein) contains certain information pertaining to the D1346 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17177. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1346 Road solely as it crosses United States public land as included and specifically described in Exhibit 1390. The D1346 Road includes the segment of road specifically set forth in Exhibit 1390 and as exists on the ground.

Acceptance of the D1346 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17178. The D1346 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17179. The appearance of the D1346 Road on the Harts Point North (1954) and the North Six-Shooter Peak (1954) USGS 7.5-minute quadrangle maps and the Harts Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17180. The D1346 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1346 Road pursuant to the County's governmental right and authority.

17181. Witnesses with personal knowledge of the history of the D1346 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17182. Currently known reputation in the community is that the D1346 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17183. Public motor vehicle use of the D1346 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17184. The D1346 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17185. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1346 Road.

17186. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1346 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1347 Road

17187. The D1347 Road is designated as county road number D1347 and SGID road identification number RD191600 and is more or less 1.73 miles long.

17188. Exhibit 1391 (attached hereto and incorporated herein) contains certain information pertaining to the D1347 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17189. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1347 Road solely as it crosses United States public land as included and specifically described in Exhibit 1391. The D1347 Road includes the segment of road specifically set forth in Exhibit 1391 and as exists on the ground.

Acceptance of the D1347 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17190. The D1347 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17191. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1347 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17192. The D1347 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1347 Road pursuant to the County's governmental right and authority.

17193. Witnesses with personal knowledge of the history of the D1347 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17194. Currently known reputation in the community is that the D1347 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17195. Public motor vehicle use of the D1347 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17196. The D1347 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17197. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1347 Road.

17198. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1347 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1355 Road

17199. The D1355 Road is designated as county road number D1355 and SGID road identification number RD191603 and is more or less .66 miles long.

17200. Exhibit 1392 (attached hereto and incorporated herein) contains certain information pertaining to the D1355 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17201. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1355 Road solely as it crosses United States public land as included and specifically described in Exhibit 1392. The D1355 Road includes the segment of road specifically set forth in Exhibit 1392 and as exists on the ground.

Acceptance of the D1355 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17202. The D1355 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17203. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1355 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17204. The D1355 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1355 Road pursuant to the County's governmental right and authority.

17205. Witnesses with personal knowledge of the history of the D1355 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17206. Currently known reputation in the community is that the D1355 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17207. Public motor vehicle use of the D1355 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17208. The D1355 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17209. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1355 Road.

17210. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1355 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1357 Road

17211. The D1357 Road is designated as county road number D1357 and SGID road identification number RD191605 and is more or less 1.05 miles long.

17212. Exhibit 1393 (attached hereto and incorporated herein) contains certain information pertaining to the D1357 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17213. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1357 Road solely as it crosses United States public land as included and specifically described in Exhibit 1393. The D1357 Road includes the segment of road specifically set forth in Exhibit 1393 and as exists on the ground.

Acceptance of the D1357 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17214. The D1357 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17215. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1357 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17216. The appearance of the D1357 Road on the Harts Point North (1954) and the EightMile Rock (1954) USGS 7.5-minute quadrangle maps and the Hatch Point (1954) and the Harts Point (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17217. The D1357 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1357 Road pursuant to the County's governmental right and authority.

17218. Witnesses with personal knowledge of the history of the D1357 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17219. Currently known reputation in the community is that the D1357 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

17220. Public motor vehicle use of the D1357 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17221. The D1357 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17222. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1357 Road.

17223. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1357 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1358 Road

17224. The D1358 Road is designated as county road number D1358 and SGID road identification number RD191606 and is more or less .89 miles long.

17225. Exhibit 1394 (attached hereto and incorporated herein) contains certain information pertaining to the D1358 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17226. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D1358 Road solely as it crosses United States public land as included and specifically described in Exhibit 1394. The D1358 Road includes the segment of road specifically set forth in Exhibit 1394 and as exists on the ground.

Acceptance of the D1358 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17227. The D1358 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17228. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1358 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17229. The D1358 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1358 Road pursuant to the County's governmental right and authority.

17230. Witnesses with personal knowledge of the history of the D1358 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17231. Currently known reputation in the community is that the D1358 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17232. Public motor vehicle use of the D1358 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17233. The D1358 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17234. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1358 Road.

17235. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1358 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1415 Road

17236. The D1415 Road is designated as county road number D1415 and SGID road identification number RD191633 and is more or less .74 miles long.

17237. Exhibit 1395 (attached hereto and incorporated herein) contains certain information pertaining to the D1415 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17238. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1415 Road solely as it crosses United States public land as included and specifically described in Exhibit 1395. The D1415 Road includes the segment of road

specifically set forth in Exhibit 1395 and as exists on the ground.

Acceptance of the D1415 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17239. The D1415 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17240. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1415 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17241. The D1415 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1415 Road pursuant to the County's governmental right and authority.

17242. Witnesses with personal knowledge of the history of the D1415 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17243. Currently known reputation in the community is that the D1415 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17244. Public motor vehicle use of the D1415 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

17245. The D1415 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17246. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1415 Road.

17247. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1415 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1416 Road

17248. The D1416 Road is designated as county road number D1416 and SGID road identification number RD191634 and is more or less 2.16 miles long.

17249. Exhibit 1396 (attached hereto and incorporated herein) contains certain information pertaining to the D1416 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17250. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1416 Road solely as it crosses United States public land as included and specifically described in Exhibit 1396. The D1416 Road includes the segment of road specifically set forth in Exhibit 1396 and as exists on the ground.

Acceptance of the D1416 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17251. The D1416 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17252. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1416 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17253. The D1416 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1416 Road pursuant to the County's governmental right and authority.

17254. Witnesses with personal knowledge of the history of the D1416 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17255. Currently known reputation in the community is that the D1416 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17256. Public motor vehicle use of the D1416 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17257. The D1416 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17258. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1416 Road.

17259. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1416 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1417 Road

17260. The D1417 Road is designated as county road number D1417 and SGID road identification number RD191635 and is more or less .78 miles long.

17261. Exhibit 1397 (attached hereto and incorporated herein) contains certain information pertaining to the D1417 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17262. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1417 Road solely as it crosses United States public land as included and specifically described in Exhibit 1397. The D1417 Road includes the segment of road specifically set forth in Exhibit 1397 and as exists on the ground.

Acceptance of the D1417 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17263. The D1417 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17264. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1417 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17265. The appearance of the D1417 Road on the Hatch Rock (1954) USGS 7.5-minute quadrangle map and the Hatch Rock (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17266. The D1417 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1417 Road pursuant to the County's governmental right and authority.

17267. Witnesses with personal knowledge of the history of the D1417 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17268. Currently known reputation in the community is that the D1417 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17269. Public motor vehicle use of the D1417 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17270. The D1417 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17271. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1417 Road.

17272. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1417 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1469 Road

17273. The D1469 Road is designated as county road number D1469 and SGID road identification number RD191656 and is more or less .98 miles long.

17274. Exhibit 1398 (attached hereto and incorporated herein) contains certain information pertaining to the D1469 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17275. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1469 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1398. The D1469 Road includes the segment of road specifically set forth in Exhibit 1398 and as exists on the ground.

Acceptance of the D1469 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17276. The D1469 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17277. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1469 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17278. The D1469 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1469 Road pursuant to the County's governmental right and authority.

17279. Witnesses with personal knowledge of the history of the D1469 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17280. Currently known reputation in the community is that the D1469 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17281. Public motor vehicle use of the D1469 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17282. The D1469 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17283. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1469 Road.

17284. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1469 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1476 Road

17285. The D1476 Road is designated as county road number D1476 and SGID road identification number RD191662 and is more or less 1.58 miles long.

17286. Exhibit 1399 (attached hereto and incorporated herein) contains certain information pertaining to the D1476 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17287. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1476 Road solely as it crosses United States public land as included and specifically described in Exhibit 1399. The D1476 Road includes the segment of road specifically set forth in Exhibit 1399 and as exists on the ground.

Acceptance of the D1476 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17288. The D1476 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17289. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1476 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17290. The D1476 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1476 Road pursuant to the County's governmental right and authority.

17291. Witnesses with personal knowledge of the history of the D1476 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17292. Currently known reputation in the community is that the D1476 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17293. Public motor vehicle use of the D1476 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17294. The D1476 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17295. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1476 Road.

17296. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1476 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1477 Road

17297. The D1477 Road is designated as county road number D1477 and SGID road identification number RD191663 and is more or less .46 miles long.

17298. Exhibit 1400 (attached hereto and incorporated herein) contains certain information pertaining to the D1477 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17299. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1477 Road solely as it crosses United States public land as included and specifically described in Exhibit 1400. The D1477 Road includes the segment of road specifically set forth in Exhibit 1400 and as exists on the ground.

Acceptance of the D1477 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17300. The D1477 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17301. The appearance of the D1477 Road on the North Six-Shooter Peak (1954) USGS 7.5-minute quadrangle map and the Harts Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17302. The D1477 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1477 Road pursuant to the County's governmental right and authority.

17303. Witnesses with personal knowledge of the history of the D1477 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17304. Currently known reputation in the community is that the D1477 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17305. Public motor vehicle use of the D1477 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17306. The D1477 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17307. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1477 Road.

17308. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1477 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1495 Road

17309. The D1495 Road is designated as county road number D1495 and SGID road identification number RD191673 and is more or less 3.62 miles long.

17310. Exhibit 1401 (attached hereto and incorporated herein) contains certain information pertaining to the D1495 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17311. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1495 Road solely as it crosses United States public land as included and specifically described in Exhibit 1401. The D1495 Road includes the segment of road specifically set forth in Exhibit 1401 and as exists on the ground.

Acceptance of the D1495 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17312. The D1495 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17313. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1495 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17314. The D1495 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1495 Road pursuant to the County's governmental right and authority.

17315. Witnesses with personal knowledge of the history of the D1495 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17316. Currently known reputation in the community is that the D1495 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17317. Public motor vehicle use of the D1495 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17318. The D1495 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17319. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1495 Road.

17320. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1495 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1497 Road

17321. The D1497 Road is designated as county road number D1497 and SGID road identification number RD191675 and is more or less 1.77 miles long.

17322. Exhibit 1402 (attached hereto and incorporated herein) contains certain information pertaining to the D1497 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17323. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1497 Road solely as it crosses United States public land as included and specifically described in Exhibit 1402. The D1497 Road includes the segment of road specifically set forth in Exhibit 1402 and as exists on the ground.

Acceptance of the D1497 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17324. The D1497 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17325. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1497 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17326. The D1497 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1497 Road pursuant to the County's governmental right and authority.

17327. Witnesses with personal knowledge of the history of the D1497 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17328. Currently known reputation in the community is that the D1497 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17329. Public motor vehicle use of the D1497 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17330. The D1497 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17331. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1497 Road.

17332. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1497 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1498 Road

17333. The D1498 Road is designated as county road number D1498 and SGID road identification number RD191676 and is more or less 1.61 miles long.

17334. Exhibit 1403 (attached hereto and incorporated herein) contains certain information pertaining to the D1498 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17335. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1498 Road solely as it crosses United States public land as included and specifically described in Exhibit 1403. The D1498 Road includes the segment of road specifically set forth in Exhibit 1403 and as exists on the ground.

Acceptance of the D1498 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17336. The D1498 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17337. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1498 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17338. The D1498 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1498 Road pursuant to the County's governmental right and authority.

17339. Witnesses with personal knowledge of the history of the D1498 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17340. Currently known reputation in the community is that the D1498 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17341. Public motor vehicle use of the D1498 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17342. The D1498 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17343. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1498 Road.

17344. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1498 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1499 Road

17345. The D1499 Road is designated as county road number D1499 and SGID road identification number RD191677 and is more or less .58 miles long.

17346. Exhibit 1404 (attached hereto and incorporated herein) contains certain information pertaining to the D1499 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17347. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1499 Road solely as it crosses United States public land as included and specifically described in Exhibit 1404. The D1499 Road includes the segment of road specifically set forth in Exhibit 1404 and as exists on the ground.

Acceptance of the D1499 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17348. The D1499 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17349. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1499 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17350. The D1499 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1499 Road pursuant to the County's governmental right and authority.

17351. Witnesses with personal knowledge of the history of the D1499 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17352. Currently known reputation in the community is that the D1499 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17353. Public motor vehicle use of the D1499 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17354. The D1499 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17355. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1499 Road.

17356. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1499 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1509 Road

17357. The D1509 Road is designated as county road number D1509 and SGID road identification number RD191681 and is more or less .31 miles long.

17358. Exhibit 1405 (attached hereto and incorporated herein) contains certain information pertaining to the D1509 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17359. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1509 Road solely as it crosses United States public land as included and specifically described in Exhibit 1405. The D1509 Road includes the segment of road specifically set forth in Exhibit 1405 and as exists on the ground.

Acceptance of the D1509 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17360. The D1509 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17361. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1509 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17362. The D1509 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1509 Road pursuant to the County's governmental right and authority.

17363. Witnesses with personal knowledge of the history of the D1509 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17364. Currently known reputation in the community is that the D1509 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17365. Public motor vehicle use of the D1509 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17366. The D1509 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17367. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1509 Road.

17368. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1509 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1593 Road

17369. The D1593 Road is designated as county road number D1593 and SGID road identification number RD191720 and is more or less 1.26 miles long.

17370. Exhibit 1406 (attached hereto and incorporated herein) contains certain information pertaining to the D1593 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17371. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1593 Road solely as it crosses United States public land as included and specifically described in Exhibit 1406. The D1593 Road includes the segment of road specifically set forth in Exhibit 1406 and as exists on the ground.

Acceptance of the D1593 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17372. The D1593 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17373. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1593 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17374. The County confirmed its acceptance of the D1593 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1593 Road using public funds pursuant to the County's governmental right and authority.

17375. Witnesses with personal knowledge of the history of the D1593 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17376. Currently known reputation in the community is that the D1593 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17377. Public motor vehicle use of the D1593 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

17378. The D1593 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17379. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1593 Road.

17380. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1593 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1594 Road

17381. The D1594 Road is designated as county road number D1594 and SGID road identification number RD190670 and is more or less 19.59 miles long.

17382. Exhibit 1407 (attached hereto and incorporated herein) contains certain information pertaining to the D1594 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17383. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1594 Road solely as it crosses United States public land as included and specifically described in Exhibit 1407. The D1594 Road includes the segment of road specifically set forth in Exhibit 1407 and as exists on the ground.

Acceptance of the D1594 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17384. The D1594 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17385. The appearance of the D1594 Road on the Shafer Basin (1954) and Lockhart Basin (1955) USGS 7.5-minute quadrangle maps and the Hatch Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17386. The County confirmed its acceptance of the D1594 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1594 Road pursuant to the County's governmental right and authority.

17387. Witnesses with personal knowledge of the history of the D1594 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17388. Currently known reputation in the community is that the D1594 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17389. Public motor vehicle use of the D1594 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

17390. The D1594 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17391. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1594 Road.

17392. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1594 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1607 Road

17393. The D1607 Road is designated as county road number D1607 and SGID road identification number RD191725 and is more or less 1.95 miles long.

17394. Exhibit 1408 (attached hereto and incorporated herein) contains certain information pertaining to the D1607 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17395. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1607 Road solely as it crosses United States public land as included and specifically described in Exhibit 1408. The D1607 Road includes the segment of road specifically set forth in Exhibit 1408 and as exists on the ground.

Acceptance of the D1607 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17396. The D1607 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17397. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1607 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17398. The D1607 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1607 Road pursuant to the County's governmental right and authority.

17399. Witnesses with personal knowledge of the history of the D1607 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17400. Currently known reputation in the community is that the D1607 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17401. Public motor vehicle use of the D1607 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17402. The D1607 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17403. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1607 Road.

17404. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1607 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1608 Road

17405. The D1608 Road is designated as county road number D1608 and SGID road identification number RD191726 and is more or less .62 miles long.

17406. Exhibit 1409 (attached hereto and incorporated herein) contains certain information pertaining to the D1608 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17407. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1608 Road solely as it crosses United States public land as included and specifically described in Exhibit 1409. The D1608 Road includes the segment of road specifically set forth in Exhibit 1409 and as exists on the ground.

Acceptance of the D1608 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17408. The D1608 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17409. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1608 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17410. The D1608 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1608 Road pursuant to the County's governmental right and authority.

17411. Witnesses with personal knowledge of the history of the D1608 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17412. Currently known reputation in the community is that the D1608 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17413. Public motor vehicle use of the D1608 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17414. The D1608 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17415. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1608 Road.

17416. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1608 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1609 Road

17417. The D1609 Road is designated as county road number D1609 and SGID road identification number RD191727 and is more or less .71 miles long.

17418. Exhibit 1410 (attached hereto and incorporated herein) contains certain information pertaining to the D1609 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17419. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1609 Road solely as it crosses United States public land as included and specifically described in Exhibit 1410. The D1609 Road includes the segment of road specifically set forth in Exhibit 1410 and as exists on the ground.

Acceptance of the D1609 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17420. The D1609 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17421. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1609 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17422. The D1609 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1609 Road pursuant to the County's governmental right and authority.

17423. Witnesses with personal knowledge of the history of the D1609 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17424. Currently known reputation in the community is that the D1609 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17425. Public motor vehicle use of the D1609 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17426. The D1609 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17427. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1609 Road.

17428. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1609 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1619 Road

17429. The D1619 Road is designated as county road number D1619 and SGID road identification number RD191733and is more or less 1.43 miles long.

17430. Exhibit 1411 (attached hereto and incorporated herein) contains certain information pertaining to the D1619 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17431. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1619 Road solely as it crosses United States public land as included and specifically described in Exhibit 1411. The D1619 Road includes the segment of road specifically set forth in Exhibit 1411 and as exists on the ground.

Acceptance of the D1619 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17432. The D1619 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17433. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1619 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17434. The D1619 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1619 Road pursuant to the County's governmental right and authority.

17435. Witnesses with personal knowledge of the history of the D1619 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17436. Currently known reputation in the community is that the D1619 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17437. Public motor vehicle use of the D1619 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17438. The D1619 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17439. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1619 Road.

17440. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1619 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1622 Road

17441. The D1622 Road is designated as county road number D1622 and SGID road identification number RD191736 and is more or less 1.48 miles long.

17442. Exhibit 1412 (attached hereto and incorporated herein) contains certain information pertaining to the D1622 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17443. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1622 Road solely as it crosses United States public land as included and specifically described in Exhibit 1412. The D1622 Road includes the segment of road specifically set forth in Exhibit 1412 and as exists on the ground.

Acceptance of the D1622 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17444. The D1622 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17445. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1622 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17446. The D1622 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1622 Road pursuant to the County's governmental right and authority.

17447. Witnesses with personal knowledge of the history of the D1622 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17448. Currently known reputation in the community is that the D1622 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17449. Public motor vehicle use of the D1622 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17450. The D1622 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17451. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1622 Road.

17452. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1622 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1625 Road

17453. The D1625 Road is designated as county road number D1625 and SGID road identification number RD191739 and is more or less .89 miles long.

17454. Exhibit 1413 (attached hereto and incorporated herein) contains certain information pertaining to the D1625 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17455. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1625 Road solely as it crosses United States public land as included and specifically described in Exhibit 1413. The D1625 Road includes the segment of road specifically set forth in Exhibit 1413 and as exists on the ground.

Acceptance of the D1625 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17456. The D1625 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17457. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1625 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17458. The D1625 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1625 Road pursuant to the County's governmental right and authority.

17459. Witnesses with personal knowledge of the history of the D1625 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17460. Currently known reputation in the community is that the D1625 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17461. Public motor vehicle use of the D1625 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17462. The D1625 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17463. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1625 Road.

17464. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1625 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1626 Road

17465. The D1626 Road is designated as county road number D1626 and SGID road identification number RD191740 and is more or less 1.49 miles long.

17466. Exhibit 1414 (attached hereto and incorporated herein) contains certain information pertaining to the D1626 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17467. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1626 Road solely as it crosses United States public land as included and specifically described in Exhibit 1414. The D1626 Road includes the segment of road specifically set forth in Exhibit 1414 and as exists on the ground.

Acceptance of the D1626 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17468. The D1626 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17469. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1626 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17470. The D1626 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1626 Road pursuant to the County's governmental right and authority.

17471. Witnesses with personal knowledge of the history of the D1626 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17472. Currently known reputation in the community is that the D1626 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17473. Public motor vehicle use of the D1626 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17474. The D1626 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17475. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1626 Road.

17476. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1626 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1627 Road

17477. The D1627 Road is designated as county road number D1627 and SGID road identification number RD190671 and is more or less 2.33 miles long.

17478. Exhibit 1415 (attached hereto and incorporated herein) contains certain information pertaining to the D1627 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17479. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1627 Road solely as it crosses United States public land as included and specifically described in Exhibit 1415. The D1627 Road includes the segment of road specifically set forth in Exhibit 1415 and as exists on the ground.

Acceptance of the D1627 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17480. The D1627 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17481. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1627 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17482. The D1627 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1627 Road pursuant to the County's governmental right and authority.

17483. Witnesses with personal knowledge of the history of the D1627 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17484. Currently known reputation in the community is that the D1627 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17485. Public motor vehicle use of the D1627 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17486. The D1627 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17487. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1627 Road.

17488. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1627 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1629 Road

17489. The D1629 Road is designated as county road number D1629 and SGID road identification number RD191742 and is more or less .58 miles long.

17490. Exhibit 1416 (attached hereto and incorporated herein) contains certain information pertaining to the D1629 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17491. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1629 Road solely as it crosses United States public land as included and specifically described in Exhibit 1416. The D1629 Road includes the segment of road specifically set forth in Exhibit 1416 and as exists on the ground.

Acceptance of the D1629 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17492. The D1629 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17493. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1629 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17494. The D1629 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1629 Road pursuant to the County's governmental right and authority.

17495. Witnesses with personal knowledge of the history of the D1629 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17496. Currently known reputation in the community is that the D1629 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17497. Public motor vehicle use of the D1629 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17498. The D1629 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17499. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1629 Road.

17500. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1629 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1630 Road

17501. The D1630 Road is designated as county road number D1630 and SGID road identification number RD191743 and is more or less .95 miles long.

17502. Exhibit 1417 (attached hereto and incorporated herein) contains certain information pertaining to the D1630 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17503. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1630 Road solely as it crosses United States public land as included and specifically described in Exhibit 1417. The D1630 Road includes the segment of road specifically set forth in Exhibit 1417 and as exists on the ground.

Acceptance of the D1630 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17504. The D1630 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17505. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1630 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17506. The D1630 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1630 Road pursuant to the County's governmental right and authority.

17507. Witnesses with personal knowledge of the history of the D1630 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17508. Currently known reputation in the community is that the D1630 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17509. Public motor vehicle use of the D1630 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17510. The D1630 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17511. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1630 Road.

17512. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1630 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1634 Road

17513. The D1634 Road is designated as county road number D1634 and SGID road identification number RD190673 and is more or less 1.53 miles long.

17514. Exhibit 1418 (attached hereto and incorporated herein) contains certain information pertaining to the D1634 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17515. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1634 Road solely as it crosses United States public land as included and specifically described in Exhibit 1418. The D1634 Road includes the segment of road specifically set forth in Exhibit 1418 and as exists on the ground.

Acceptance of the D1634 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17516. The D1634 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17517. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1634 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17518. The D1634 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1634 Road pursuant to the County's governmental right and authority.

17519. Witnesses with personal knowledge of the history of the D1634 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17520. Currently known reputation in the community is that the D1634 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17521. Public motor vehicle use of the D1634 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17522. The D1634 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17523. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1634 Road.

17524. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1634 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1840 Road

17525. The D1840 Road is designated as county road number D1840 and SGID road identification number RD191845 and is more or less 3.15 miles long.

17526. Exhibit 1419 (attached hereto and incorporated herein) contains certain information pertaining to the D1840 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17527. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1840 Road solely as it crosses United States public land as included and specifically described in Exhibit 1419. The D1840 Road includes the segment of road specifically set forth in Exhibit 1419 and as exists on the ground.

Acceptance of the D1840 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17528. The D1840 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17529. The D1840 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1840 Road pursuant to the County's governmental right and authority.

17530. Witnesses with personal knowledge of the history of the D1840 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17531. Currently known reputation in the community is that the D1840 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17532. Public motor vehicle use of the D1840 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17533. The D1840 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17534. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the D1840 Road.

17535. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1840 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1842 Road

17536. The D1842 Road is designated as county road number D1842 and SGID road identification number RD191846 and is more or less .26 miles long.

17537. Exhibit 1420 (attached hereto and incorporated herein) contains certain information pertaining to the D1842 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17538. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1842 Road solely as it crosses United States public land as included and specifically described in Exhibit 1420. The D1842 Road includes the segment of road specifically set forth in Exhibit 1420 and as exists on the ground.

Acceptance of the D1842 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17539. The D1842 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17540. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1842 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17541. The D1842 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1842 Road pursuant to the County's governmental right and authority.

17542. Witnesses with personal knowledge of the history of the D1842 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17543. Currently known reputation in the community is that the D1842 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17544. Public motor vehicle use of the D1842 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17545. The D1842 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17546. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1842 Road.

17547. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1842 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1847 Road

17548. The D1847 Road is designated as county road number D1847 and SGID road identification number RD191848 and is more or less .69 miles long.

17549. Exhibit 1421 (attached hereto and incorporated herein) contains certain information pertaining to the D1847 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17550. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1847 Road solely as it crosses United States public land as included and specifically described in Exhibit 1421. The D1847 Road includes the segment of road specifically set forth in Exhibit 1421 and as exists on the ground.

Acceptance of the D1847 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17551. The D1847 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17552. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1847 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17553. The D1847 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1847 Road pursuant to the County's governmental right and authority.

17554. Witnesses with personal knowledge of the history of the D1847 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17555. Currently known reputation in the community is that the D1847 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17556. Public motor vehicle use of the D1847 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17557. The D1847 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17558. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1847 Road.

17559. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1847 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1850 Road

17560. The D1850 Road is designated as county road number D1850 and SGID road identification number RD190676 and is more or less 3.75 miles long.

17561. Exhibit 1422 (attached hereto and incorporated herein) contains certain information pertaining to the D1850 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17562. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1850 Road solely as it crosses United States public land as included and specifically described in Exhibit 1422. The D1850 Road includes the segment of road specifically set forth in Exhibit 1422 and as exists on the ground.

Acceptance of the D1850 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17563. The D1850 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17564. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1850 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17565. The D1850 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1850 Road pursuant to the County's governmental right and authority.

17566. Witnesses with personal knowledge of the history of the D1850 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17567. Currently known reputation in the community is that the D1850 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17568. Public motor vehicle use of the D1850 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17569. The D1850 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17570. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1850 Road.

17571. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1850 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2391 Road

17572. The D2391 Road is designated as county road number D2391 and SGID road identification number RD192172 and is more or less .27 miles long.

17573. Exhibit 1423 (attached hereto and incorporated herein) contains certain information pertaining to the D2391 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17574. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2391 Road solely as it crosses United States public land as included and specifically described in Exhibit 1423. The D2391 Road includes the segment of road specifically set forth in Exhibit 1423 and as exists on the ground.

Acceptance of the D2391 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17575. The D2391 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17576. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2391 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17577. The D2391 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2391 Road pursuant to the County's governmental right and authority.

17578. Witnesses with personal knowledge of the history of the D2391 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17579. Currently known reputation in the community is that the D2391 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17580. Public motor vehicle use of the D2391 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17581. The D2391 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17582. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2391 Road.

17583. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2391 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2393 Road

17584. The D2393 Road is designated as county road number D2393 and SGID road identification number RD192173 and is more or less 2.07 miles long.

17585. Exhibit 1424 (attached hereto and incorporated herein) contains certain information pertaining to the D2393 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17586. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2393 Road solely as it crosses United States public land as included and specifically described in Exhibit 1424. The D2393 Road includes the segment of road specifically set forth in Exhibit 1424 and as exists on the ground.

Acceptance of the D2393 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17587. The D2393 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17588. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2393 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17589. The D2393 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2393 Road pursuant to the County's governmental right and authority.

17590. Witnesses with personal knowledge of the history of the D2393 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17591. Currently known reputation in the community is that the D2393 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17592. Public motor vehicle use of the D2393 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17593. The D2393 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17594. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2393 Road.

17595. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2393 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2394 Road

17596. The D2394 Road is designated as county road number D2394 and SGID road identification number RD192174 and is more or less .30 miles long.

17597. Exhibit 1425 (attached hereto and incorporated herein) contains certain information pertaining to the D2394 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17598. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2394 Road solely as it crosses United States public land as included and specifically described in Exhibit 1425. The D2394 Road includes the segment of road specifically set forth in Exhibit 1425 and as exists on the ground.

Acceptance of the D2394 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17599. The D2394 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17600. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2394 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17601. The appearance of the D2394 Road on the North Six-Shooter Peak (1954) and the Harts Point North (1954) USGS 7.5-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17602. The D2394 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2394 Road pursuant to the County's governmental right and authority.

17603. Witnesses with personal knowledge of the history of the D2394 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17604. Currently known reputation in the community is that the D2394 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17605. Public motor vehicle use of the D2394 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17606. The D2394 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17607. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2394 Road.

17608. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2394 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2395 Road

17609. The D2395 Road is designated as county road number D2395 and SGID road identification number RD192175 and is more or less 1.14 miles long.

17610. Exhibit 1426 (attached hereto and incorporated herein) contains certain information pertaining to the D2395 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17611. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2395 Road solely as it crosses United States public land as included and specifically described in Exhibit 1426. The D2395 Road includes the segment of road specifically set forth in Exhibit 1426 and as exists on the ground.

Acceptance of the D2395 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17612. The D2395 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17613. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2395 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17614. The appearance of the D2395 Road on the Harts Point North (1954) USGS 7.5-minute quadrangle map and the Harts Point (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17615. The D2395 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2395 Road pursuant to the County's governmental right and authority.

17616. Witnesses with personal knowledge of the history of the D2395 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17617. Currently known reputation in the community is that the D2395 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17618. Public motor vehicle use of the D2395 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17619. The D2395 Road traverses a valid and perfected R.S. 2477 public highway right-

of-way as described herein.

17620. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2395 Road.

17621. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2395 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2499 Road

17622. The D2499 Road is designated as county road number D2499 and SGID road identification number RD190704 and is more or less 1.11 miles long.

17623. Exhibit 1427 (attached hereto and incorporated herein) contains certain information pertaining to the D2499 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17624. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2499 Road solely as it crosses United States public land as included and specifically described in Exhibit 1427. The D2499 Road includes the segment of road specifically set forth in Exhibit 1427 and as exists on the ground.

Acceptance of the D2499 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17625. The D2499 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17626. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2499 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17627. The D2499 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2499 Road pursuant to the County's governmental right and authority.

17628. Witnesses with personal knowledge of the history of the D2499 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17629. Currently known reputation in the community is that the D2499 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17630. Public motor vehicle use of the D2499 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17631. The D2499 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17632. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2499 Road.

17633. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2499 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2620 Road

17634. The D2620 Road is designated as county road number D2620 and SGID road identification number RD192270 and is more or less 2.05 miles long.

17635. Exhibit 1428 (attached hereto and incorporated herein) contains certain information pertaining to the D2620 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17636. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2620 Road solely as it crosses United States public land as included and specifically described in Exhibit 1428. The D2620 Road includes the segment of road specifically set forth in Exhibit 1428 and as exists on the ground.

Acceptance of the D2620 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17637. The D2620 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17638. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2620 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17639. The D2620 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2620 Road pursuant to the County's governmental right and authority.

17640. Witnesses with personal knowledge of the history of the D2620 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17641. Currently known reputation in the community is that the D2620 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17642. Public motor vehicle use of the D2620 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17643. The D2620 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17644. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2620 Road.

17645. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2620 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2740 Road

17646. The D2740 Road is designated as county road number D2740 and SGID road identification number RD192325 and is more or less 1.91 miles long.

17647. Exhibit 1429 (attached hereto and incorporated herein) contains certain information pertaining to the D2740 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17648. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2740 Road solely as it crosses United States public land as included and specifically described in Exhibit 1429. The D2740 Road includes the segment of road specifically set forth in Exhibit 1429 and as exists on the ground.

Acceptance of the D2740 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17649. The D2740 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17650. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2740 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17651. The D2740 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2740 Road pursuant to the County's governmental right and authority.

17652. Witnesses with personal knowledge of the history of the D2740 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17653. Currently known reputation in the community is that the D2740 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17654. Public motor vehicle use of the D2740 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17655. The D2740 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17656. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2740 Road.

17657. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2740 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

TWENTIETH CAUSE OF ACTION – QUIET TITLE
MCCRACKEN MESA AREA

17658. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

17659. The McCracken Mesa Area is located in southeastern San Juan County and is shown on Exhibit 22, attached hereto and incorporated herein.

17660. The McCracken Mesa Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Adams Road, B287; (2) Alkali Seep Road, B222; (3) Alkali Windmill Road, B296; (4) Bayles Road, B208; (5) Dry Hole Road, B209; (6) Dry Hole Spur Road, B2011; (7) McCracken Mesa Road, B211; (8) Posey's Last Shot Road, B271; (9) Richard's Pond Road, B284; (10) Richmond Spring Road, B201; (11) Shearing Pen Road, B210; (12) Wibs Hill Road, B215; (13) D0694 Road; (14) D0703 Road; (15) D0704 Road; (16) D0711 Road; (17) D0714 Road; (18) D0719 Road; (19) D0740 Road; (20) D0748 Road; (21) D0751 Road; (22) D0752 Road; (23) D0756 Road; (24) D0757 Road; (25) D0758 Road; (26) D0759 Road; (27) D0764 Road; (28) D0766 Road; (29) D0767 Road; (30) D0768 Road; (31) D0771 Road; (32) D0772 Road; (33) D0773 Road; (34) D0774 Road; (35) D0775 Road; (36) D0776 Road; (37) D0779 Road; (38) D0780 Road; (39) D0787 Road; (40) D0795 Road; (41) D0796 Road; (42) D0799 Road; (43) D0802 Road; (44) D0805 Road; (45) D0808 Road; (46) D0809 Road; (47) D0813 Road; (48) D0818 Road; (49) D0820 Road; (50) D0821 Road; (51) D0822 Road; (52) D0823 Road; (53) D3817 Road; (54) D3818 Road; (55) D3819

Road; (56) D3821 Road; (57) D3823 Road; (58) D3824 Road; (59) D3825 Road; (60) D3826 Road; (61) D3827 Road; (62) D3828 Road; (63) D3895 Road; (64) D3906 Road; (65) D3914 Road; (66) D3915 Road; (67) D3921 Road; (68) D3970 Road; (69) D4060 Road; (70) D4061 Road; (71) D4064 Road; (72) D4067 Road; (73) D4068 Road; (74) D4070 Road; (75) D4074 Road; (76) D4078 Road; (77) D4087 Road; (78) D4095 Road; and (79) D4853 Road.

17661. Each right-of-way claimed in the McCracken Mesa Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

17662. All rights-of-way claimed in the McCracken Mesa Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

17663. All rights-of-way claimed in the McCracken Mesa Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

17664. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the

entire length and course of all roads as described herein, on public lands owned by the United States.

Adams Road, B287

17665. The Adams Road is designated as county road number B287 and SGID road identification number RD190320 and is more or less 4.63 miles long.

17666. Exhibit 1430 (attached hereto and incorporated herein) contains certain information pertaining to the Adams Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17667. In this action, the State and County seek to quiet title to the public highway right-of-way for the Adams Road solely as it crosses United States public land as included and specifically described in Exhibit 1430. The Adams Road includes the segment of road specifically set forth in Exhibit 1430 and as exists on the ground.

Acceptance of the Adams Road R.S. 2477 Right-of-way Prior to October 21, 1976

17668. The Adams Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17669. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Adams Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17670. The appearance of the Adams Road on the Blanding South (1957) USGS 7.5-

minute quadrangle map and the Blanding (1957) and Montezumah Creek (1962) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17671. The County confirmed its acceptance of the Adams Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Adams Road using public funds pursuant to the County's governmental right and authority.

17672. Witnesses with personal knowledge of the history of the Adams Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17673. Currently known reputation in the community is that the Adams Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17674. Public motor vehicle use of the Adams Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17675. The Adams Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17676. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Adams Road.

17677. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Adams Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Alkali Seep Road, B222

17678. The Alkali Seep Road is designated as county road number B222 and SGID road identification number RD190196 and is more or less 3.15 miles long.

17679. Exhibit 1431 (attached hereto and incorporated herein) contains certain information pertaining to the Alkali Seep Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17680. In this action, the State and County seek to quiet title to the public highway right-of-way for the Alkali Seep Road solely as it crosses United States public land as included and specifically described in Exhibit 1431. The Alkali Seep Road includes the segment of road specifically set forth in Exhibit 1431 and as exists on the ground.

Acceptance of the Alkali Seep Road R.S. 2477 Right-of-way Prior to October 21, 1976

17681. The Alkali Seep Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17682. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Alkali Seep Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17683. The appearance of the Alkali Seep Road on the Bradford Canyon (1954) USGS 7.5-minute quadrangle map and the Blanding (1957) and Montezumah Creek (1962) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17684. The County confirmed its acceptance of the Alkali Seep Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Alkali Seep Road using public funds pursuant to the County's governmental right and authority.

17685. Witnesses with personal knowledge of the history of the Alkali Seep Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17686. Currently known reputation in the community is that the Alkali Seep Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17687. Public motor vehicle use of the Alkali Seep Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

17688. The Alkali Seep Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17689. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Alkali Seep Road.

17690. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Alkali Seep Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Alkali Windmill Road, B296

17691. The Alkali Windmill Road is designated as county road number B296 and SGID road identification number RD190329 and is more or less 3.06 miles long.

17692. Exhibit 1432 (attached hereto and incorporated herein) contains certain information pertaining to the Alkali Windmill Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17693. In this action, the State and County seek to quiet title to the public highway right-of-way for the Alkali Windmill Road solely as it crosses United States public land as included and specifically described in Exhibit 1432. The Alkali Windmill Road includes the segment of road specifically set forth in Exhibit 1432 and as exists on the ground.

Acceptance of the Alkali Windmill Road R.S. 2477 Right-of-way Prior to October 21, 1976

17694. The Alkali Windmill Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17695. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Alkali Windmill Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17696. The appearance of the Alkali Windmill Road on the Bradford Canyon (1954) USGS 7.5-minute quadrangle map and the Blanding (1957) and Montezumah Creek (1962) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17697. The County confirmed its acceptance of the Alkali Windmill Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Alkali Windmill Road using public funds pursuant to the County's governmental right and authority.

17698. Witnesses with personal knowledge of the history of the Alkali Windmill Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17699. Currently known reputation in the community is that the Alkali Windmill Road

has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17700. Public motor vehicle use of the Alkali Windmill Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17701. The Alkali Windmill Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17702. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Alkali Windmill Road.

17703. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Alkali Windmill Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Bayles Road, B208

17704. The Bayles Road is designated as county road number B208 and SGID road identification number RD190168 and is more or less 6.73 miles long.

17705. Exhibit 1433 (attached hereto and incorporated herein) contains certain information pertaining to the Bayles Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list;

and a complete centerline description of the road.

17706. In this action, the State and County seek to quiet title to the public highway right-of-way for the Bayles Road solely as it crosses United States public land as included and specifically described in Exhibit 1433. The Bayles Road includes the segment of road specifically set forth in Exhibit 1433 and as exists on the ground.

Acceptance of the Bayles Road R.S. 2477 Right-of-way Prior to October 21, 1976

17707. The Bayles Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17708. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Bayles Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17709. The appearance of the Bayles Road on the Bradford Canyon (1954) and Blanding South (1957) USGS 7.5-minute quadrangle maps and the Blanding (1957) and Montezumah Creek (1962) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17710. The County confirmed its acceptance of the Bayles Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Bayles Road using public funds pursuant to the County's governmental right and authority.

17711. Witnesses with personal knowledge of the history of the Bayles Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17712. Currently known reputation in the community is that the Bayles Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17713. Public motor vehicle use of the Bayles Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17714. The Bayles Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17715. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Bayles Road.

17716. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Bayles Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Dry Hole Road, B209

17717. The Dry Hole Road is designated as county road number B209 and SGID road identification number RD190170 and is more or less 7.23 miles long.

17718. Exhibit 1434 (attached hereto and incorporated herein) contains certain information pertaining to the Dry Hole Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17719. In this action, the State and County seek to quiet title to the public highway right-of-way for the Dry Hole Road solely as it crosses United States public land as included and specifically described in Exhibit 1434. The Dry Hole Road includes the segment of road specifically set forth in Exhibit 1434 and as exists on the ground.

Acceptance of the Dry Hole Road R.S. 2477 Right-of-way Prior to October 21, 1976

17720. The Dry Hole Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17721. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Dry Hole Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17722. The appearance of the Dry Hole Road on the Bradford Canyon (1954) USGS 7.5-minute quadrangle map and the Blanding (1957) and Montezumah Creek (1962) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17723. The County confirmed its acceptance of the Dry Hole Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map.

The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Dry Hole Road using public funds pursuant to the County's governmental right and authority.

17724. Witnesses with personal knowledge of the history of the Dry Hole Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17725. Currently known reputation in the community is that the Dry Hole Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17726. Public motor vehicle use of the Dry Hole Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17727. The Dry Hole Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17728. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Dry Hole Road.

17729. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Dry Hole Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Dry Hole Spur Road, B2011

17730. The Dry Hole Spur Road is designated as county road number B2011 and SGID road identification number RD190155 and is more or less 2.24 miles long.

17731. Exhibit 1435 (attached hereto and incorporated herein) contains certain information pertaining to the Dry Hole Spur Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17732. In this action, the State and County seek to quiet title to the public highway right-of-way for the Dry Hole Spur Road solely as it crosses United States public land as included and specifically described in Exhibit 1435. The Dry Hole Spur Road includes the segment of road specifically set forth in Exhibit 1435 and as exists on the ground.

Acceptance of the Dry Hole Spur Road R.S. 2477 Right-of-way Prior to October 21, 1976

17733. The Dry Hole Spur Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17734. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Dry Hole Spur Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17735. The Dry Hole Spur Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Dry Hole Spur Road using public funds

pursuant to the County's governmental right and authority.

17736. Witnesses with personal knowledge of the history of the Dry Hole Spur Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17737. Currently known reputation in the community is that the Dry Hole Spur Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17738. Public motor vehicle use of the Dry Hole Spur Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17739. The Dry Hole Spur Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17740. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Dry Hole Spur Road.

17741. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Dry Hole Spur Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

McCracken Mesa Road, B211

17742. The McCracken Mesa Road is designated as county road number B211 and SGID road identification number RD190174 and is more or less 7.02 miles long.

17743. Exhibit 1436 (attached hereto and incorporated herein) contains certain information pertaining to the McCracken Mesa Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17744. In this action, the State and County seek to quiet title to the public highway right-of-way for the McCracken Mesa Road solely as it crosses United States public land as included and specifically described in Exhibit 1436. The McCracken Mesa Road includes the segment of road specifically set forth in Exhibit 1436 and as exists on the ground.

Acceptance of the McCracken Mesa Road R.S. 2477 Right-of-way Prior to October 21, 1976

17745. The McCracken Mesa Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17746. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the McCracken Mesa Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17747. The appearance of the McCracken Mesa Road on the Blanding South (1957) USGS 7.5-minute quadrangle map and the Blanding (1957) and Montezumah Creek (1962) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-

way underlying this road. *See* Exhibit 27 for more detailed map information.

17748. The County confirmed its acceptance of the McCracken Mesa Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the McCracken Mesa Road using public funds pursuant to the County's governmental right and authority.

17749. Witnesses with personal knowledge of the history of the McCracken Mesa Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17750. Currently known reputation in the community is that the McCracken Mesa Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17751. Public motor vehicle use of the McCracken Mesa Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17752. The McCracken Mesa Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17753. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the McCracken Mesa Road.

17754. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the McCracken Mesa Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Posey's Last Shot Road, B271

17755. The Posey's Last Shot Road is designated as county road number B271 and SGID road identification number RD190294 and is more or less 0.17 miles long.

17756. Exhibit 1437 (attached hereto and incorporated herein) contains certain information pertaining to the Posey's Last Shot Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17757. In this action, the State and County seek to quiet title to the public highway right-of-way for the Posey's Last Shot Road solely as it crosses United States public land as included and specifically described in Exhibit 1437. The Posey's Last Shot Road includes the segment of road specifically set forth in Exhibit 1437 and as exists on the ground.

Acceptance of the Posey's Last Shot Road R.S. 2477 Right-of-way Prior to October 21, 1976

17758. The Posey's Last Shot Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17759. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Posey's Last Shot Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17760. The County confirmed its acceptance of the Posey's Last Shot Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Posey's Last Shot Road using public funds pursuant to the County's governmental right and authority.

17761. Witnesses with personal knowledge of the history of the Posey's Last Shot Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17762. Currently known reputation in the community is that the Posey's Last Shot Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17763. Public motor vehicle use of the Posey's Last Shot Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17764. The Posey's Last Shot Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17765. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Posey's Last Shot Road.

17766. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Posey's Last Shot Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Richard's Pond Road, B284

17767. The Richard's Pond Road is designated as county road number B284 and SGID road identification number RD190317 and is more or less 1.25 miles long.

17768. Exhibit 1438 (attached hereto and incorporated herein) contains certain information pertaining to the Richard's Pond Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17769. In this action, the State and County seek to quiet title to the public highway right-of-way for the Richard's Pond Road solely as it crosses United States public land as included and specifically described in Exhibit 1438. The Richard's Pond Road includes the segment of road specifically set forth in Exhibit 1438 and as exists on the ground.

Acceptance of the Richard's Pond Road R.S. 2477 Right-of-way Prior to October 21, 1976

17770. The Richard's Pond Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17771. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Richard's Pond Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17772. The appearance of the Richard's Pond Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17773. The Richard's Pond Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Richard's Pond Road using public funds pursuant to the County's governmental right and authority.

17774. Witnesses with personal knowledge of the history of the Richard's Pond Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17775. Currently known reputation in the community is that the Richard's Pond Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17776. Public motor vehicle use of the Richard's Pond Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

17777. The Richard's Pond Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17778. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Richard's Pond Road.

17779. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Richard's Pond Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Richmond Spring Road, B201

17780. The Richmond Spring Road is designated as county road number B201 and SGID road identification number RD190154 and is more or less 0.84 miles long.

17781. Exhibit 1439 (attached hereto and incorporated herein) contains certain information pertaining to the Richmond Spring Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17782. In this action, the State and County seek to quiet title to the public highway right-of-way for the Richmond Spring Road solely as it crosses United States public land as included and specifically described in Exhibit 1439. The Richmond Spring Road includes the segment of road specifically set forth in Exhibit 1439 and as exists on the ground.

Acceptance of the Richmond Spring Road R.S. 2477 Right-of-way Prior to October 21, 1976

17783. The Richmond Spring Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17784. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Richmond Spring Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17785. The Richmond Spring Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Richmond Spring Road using public funds pursuant to the County's governmental right and authority.

17786. Witnesses with personal knowledge of the history of the Richmond Spring Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17787. Currently known reputation in the community is that the Richmond Spring Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17788. Public motor vehicle use of the Richmond Spring Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

17789. The Richmond Spring Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17790. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Richmond Spring Road.

17791. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Richmond Spring Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Shearing Pen Road, B210

17792. The Shearing Pen Road is designated as county road number B210 and SGID road identification number RD190172 and is more or less 3.37 miles long.

17793. Exhibit 1440 (attached hereto and incorporated herein) contains certain information pertaining to the Shearing Pen Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17794. In this action, the State and County seek to quiet title to the public highway right-of-way for the Shearing Pen Road solely as it crosses United States public land as included and specifically described in Exhibit 1440. The Shearing Pen Road includes the segment of road specifically set forth in Exhibit 1440 and as exists on the ground.

Acceptance of the Shearing Pen Road R.S. 2477 Right-of-way Prior to October 21, 1976

17795. The Shearing Pen Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17796. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Shearing Pen Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17797. The appearance of the Shearing Pen Road on the Blanding South (1957) USGS 7.5-minute quadrangle map and the Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17798. The County confirmed its acceptance of the Shearing Pen Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Shearing Pen Road using public funds pursuant to the County's governmental right and authority.

17799. Witnesses with personal knowledge of the history of the Shearing Pen Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17800. Currently known reputation in the community is that the Shearing Pen Road has

been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17801. Public motor vehicle use of the Shearing Pen Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17802. The Shearing Pen Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17803. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Shearing Pen Road.

17804. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Shearing Pen Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Wibs Hill Road, B215

17805. The Wibs Hill Road is designated as county road number B215 and SGID road identification number RD190182 and is more or less 2.08 miles long.

17806. Exhibit 1441 (attached hereto and incorporated herein) contains certain information pertaining to the Wibs Hill Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership

list; and a complete centerline description of the road.

17807. In this action, the State and County seek to quiet title to the public highway right-of-way for the Wibs Hill Road solely as it crosses United States public land as included and specifically described in Exhibit 1441. The Wibs Hill Road includes the segment of road specifically set forth in Exhibit 1441 and as exists on the ground.

Acceptance of the Wibs Hill Road R.S. 2477 Right-of-way Prior to October 21, 1976

17808. The Wibs Hill Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17809. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Wibs Hill Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17810. The appearance of the Wibs Hill Road on the Blanding North (1957) USGS 7.5-minute quadrangle map and the Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17811. The County confirmed its acceptance of the Wibs Hill Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Wibs Hill Road using public funds pursuant to the County's governmental right and authority.

17812. Witnesses with personal knowledge of the history of the Wibs Hill Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17813. Currently known reputation in the community is that the Wibs Hill Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17814. Public motor vehicle use of the Wibs Hill Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17815. The Wibs Hill Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17816. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Wibs Hill Road.

17817. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Wibs Hill Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0694 Road

17818. The D0694 Road is designated as county road number D0694 and SGID road identification number RD191249 and is more or less 0.60 miles long.

17819. Exhibit 1442 (attached hereto and incorporated herein) contains certain information pertaining to the D0694 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17820. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0694 Road solely as it crosses United States public land as included and specifically described in Exhibit 1442. The D0694 Road includes the segment of road specifically set forth in Exhibit 1442 and as exists on the ground.

Acceptance of the D0694 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17821. The D0694 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17822. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0694 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17823. The appearance of the D0694 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17824. The D0694 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0694 Road pursuant to the County's governmental right and authority.

17825. Witnesses with personal knowledge of the history of the D0694 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17826. Currently known reputation in the community is that the D0694 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17827. Public motor vehicle use of the D0694 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17828. The D0694 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17829. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0694 Road.

17830. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0694 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0703 Road

17831. The D0703 Road is designated as county road number D0703 and SGID road identification number RD191255 and is more or less 0.89 miles long.

17832. Exhibit 1443 (attached hereto and incorporated herein) contains certain information pertaining to the D0703 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17833. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0703 Road solely as it crosses United States public land as included and specifically described in Exhibit 1443. The D0703 Road includes the segment of road specifically set forth in Exhibit 1443 and as exists on the ground.

Acceptance of the D0703 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17834. The D0703 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17835. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0703 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17836. The appearance of the D0703 Road on the Blanding South (1957) USGS 7.5-minute quadrangle map, and Blanding (1957) and Montezumah Creek (1962) USGS 15-minute

quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17837. The D0703 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0703 Road pursuant to the County's governmental right and authority.

17838. Witnesses with personal knowledge of the history of the D0703 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17839. Currently known reputation in the community is that the D0703 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17840. Public motor vehicle use of the D0703 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17841. The D0703 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17842. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0703 Road.

17843. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0703 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0704 Road

17844. The D0704 Road is designated as county road number D0704 and SGID road identification number RD191256 and is more or less 1.16 miles long.

17845. Exhibit 1444 (attached hereto and incorporated herein) contains certain information pertaining to the D0704 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17846. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0704 Road solely as it crosses United States public land as included and specifically described in Exhibit 1444. The D0704 Road includes the segment of road specifically set forth in Exhibit 1444 and as exists on the ground.

Acceptance of the D0704 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17847. The D0704 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17848. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0704 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17849. The appearance of the D0704 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17850. The D0704 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0704 Road pursuant to the County's governmental right and authority.

17851. Witnesses with personal knowledge of the history of the D0704 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17852. Currently known reputation in the community is that the D0704 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17853. Public motor vehicle use of the D0704 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17854. The D0704 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17855. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0704 Road.

17856. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0704 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0711 Road

17857. The D0711 Road is designated as county road number D0711 and SGID road identification number RD191257 and is more or less 0.47 miles long.

17858. Exhibit 1445 (attached hereto and incorporated herein) contains certain information pertaining to the D0711 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17859. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0711 Road solely as it crosses United States public land as included and specifically described in Exhibit 1445. The D0711 Road includes the segment of road specifically set forth in Exhibit 1445 and as exists on the ground.

Acceptance of the D0711 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17860. The D0711 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17861. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0711 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17862. The appearance of the D0711 Road on the Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17863. The D0711 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0711 Road pursuant to the County's governmental right and authority.

17864. Witnesses with personal knowledge of the history of the D0711 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17865. Currently known reputation in the community is that the D0711 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17866. Public motor vehicle use of the D0711 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17867. The D0711 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17868. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0711 Road.

17869. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0711 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0714 Road

17870. The D0714 Road is designated as county road number D0714 and SGID road identification number RD191258 and is more or less 0.62 miles long.

17871. Exhibit 1446 (attached hereto and incorporated herein) contains certain information pertaining to the D0714 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17872. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0714 Road solely as it crosses United States public land as included and specifically described in Exhibit 1446. The D0714 Road includes the segment of road specifically set forth in Exhibit 1446 and as exists on the ground.

Acceptance of the D0714 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17873. The D0714 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17874. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0714 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17875. The appearance of the D0714 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17876. The D0714 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0714 Road pursuant to the County's governmental right and authority.

17877. Witnesses with personal knowledge of the history of the D0714 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17878. Currently known reputation in the community is that the D0714 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17879. Public motor vehicle use of the D0714 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17880. The D0714 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17881. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0714 Road.

17882. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0714 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0719 Road

17883. The D0719 Road is designated as county road number D0719 and SGID road identification number RD191260 and is more or less 0.71 miles long.

17884. Exhibit 1447 (attached hereto and incorporated herein) contains certain information pertaining to the D0719 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17885. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0719 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1447. The D0719 Road includes the segment of road specifically set forth in Exhibit 1447 and as exists on the ground.

Acceptance of the D0719 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17886. The D0719 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17887. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0719 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17888. The D0719 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0719 Road pursuant to the County's governmental right and authority.

17889. Witnesses with personal knowledge of the history of the D0719 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17890. Currently known reputation in the community is that the D0719 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17891. Public motor vehicle use of the D0719 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17892. The D0719 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17893. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0719 Road.

17894. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0719 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0740 Road

17895. The D0740 Road is designated as county road number D0740 and SGID road identification number RD191267 and is more or less 1.95 miles long.

17896. Exhibit 1448 (attached hereto and incorporated herein) contains certain information pertaining to the D0740 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17897. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0740 Road solely as it crosses United States public land as included and specifically described in Exhibit 1448. The D0740 Road includes the segment of road specifically set forth in Exhibit 1448 and as exists on the ground.

Acceptance of the D0740 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17898. The D0740 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17899. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0740 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17900. The D0740 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0740 Road pursuant to the County's governmental right and authority.

17901. Witnesses with personal knowledge of the history of the D0740 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17902. Currently known reputation in the community is that the D0740 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17903. Public motor vehicle use of the D0740 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17904. The D0740 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17905. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0740 Road.

17906. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0740 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0748 Road

17907. The D0748 Road is designated as county road number D0748 and SGID road identification number RD191272 and is more or less 2.09 miles long.

17908. Exhibit 1449 (attached hereto and incorporated herein) contains certain information pertaining to the D0748 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17909. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0748 Road solely as it crosses United States public land as included and specifically described in Exhibit 1449. The D0748 Road includes the segment of road specifically set forth in Exhibit 1449 and as exists on the ground.

Acceptance of the D0748 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17910. The D0748 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17911. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0748 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17912. The appearance of the D0748 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17913. The D0748 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0748 Road pursuant to the County's governmental right and authority.

17914. Witnesses with personal knowledge of the history of the D0748 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17915. Currently known reputation in the community is that the D0748 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17916. Public motor vehicle use of the D0748 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17917. The D0748 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17918. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0748 Road.

17919. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0748 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0751 Road

17920. The D0751 Road is designated as county road number D0751 and SGID road identification number RD191275 and is more or less 1.73 miles long.

17921. Exhibit 1450 (attached hereto and incorporated herein) contains certain information pertaining to the D0751 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17922. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0751 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1450. The D0751 Road includes the segment of road specifically set forth in Exhibit 1450 and as exists on the ground.

Acceptance of the D0751 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17923. The D0751 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17924. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0751 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17925. The appearance of the D0751 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17926. The D0751 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0751 Road pursuant to the County's governmental right and authority.

17927. Witnesses with personal knowledge of the history of the D0751 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17928. Currently known reputation in the community is that the D0751 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17929. Public motor vehicle use of the D0751 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17930. The D0751 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17931. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0751 Road.

17932. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0751 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0752 Road

17933. The D0752 Road is designated as county road number D0752 and SGID road identification number RD191276 and is more or less 1.52 miles long.

17934. Exhibit 1451 (attached hereto and incorporated herein) contains certain information pertaining to the D0752 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17935. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0752 Road solely as it crosses United States public land as included and specifically described in Exhibit 1451. The D0752 Road includes the segment of road specifically set forth in Exhibit 1451 and as exists on the ground.

Acceptance of the D0752 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17936. The D0752 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17937. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0752 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17938. The appearance of the D0752 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17939. The D0752 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0752 Road pursuant to the County's governmental right and authority.

17940. Witnesses with personal knowledge of the history of the D0752 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17941. Currently known reputation in the community is that the D0752 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17942. Public motor vehicle use of the D0752 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17943. The D0752 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17944. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0752 Road.

17945. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0752 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0756 Road

17946. The D0756 Road is designated as county road number D0756 and SGID road identification number RD191279 and is more or less 2.30 miles long.

17947. Exhibit 1452 (attached hereto and incorporated herein) contains certain information pertaining to the D0756 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17948. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0756 Road solely as it crosses United States public land as included and specifically described in Exhibit 1452. The D0756 Road includes the segment of road specifically set forth in Exhibit 1452 and as exists on the ground.

Acceptance of the D0756 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17949. The D0756 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17950. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0756 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17951. The appearance of the D0756 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17952. The County confirmed its acceptance of the D0756 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the D0756 Road pursuant to the County's governmental right and authority.

17953. Witnesses with personal knowledge of the history of the D0756 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17954. Currently known reputation in the community is that the D0756 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17955. Public motor vehicle use of the D0756 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17956. The D0756 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17957. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0756 Road.

17958. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0756 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0757 Road

17959. The D0757 Road is designated as county road number D0757 and SGID road identification number RD191280 and is more or less 6.22 miles long.

17960. Exhibit 1453 (attached hereto and incorporated herein) contains certain information pertaining to the D0757 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17961. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0757 Road solely as it crosses United States public land as included and specifically described in Exhibit 1453. The D0757 Road includes the segment of road specifically set forth in Exhibit 1453 and as exists on the ground.

Acceptance of the D0757 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17962. The D0757 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17963. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0757 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17964. The appearance of the D0757 Road on the Blanding South (1957) and Bradford Canyon (1954) USGS 7.5-minute quadrangle maps, and Blanding (1957) and Montezumah

Creek (1962) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17965. The County confirmed its acceptance of the D0757 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0757 Road pursuant to the County's governmental right and authority.

17966. Witnesses with personal knowledge of the history of the D0757 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17967. Currently known reputation in the community is that the D0757 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17968. Public motor vehicle use of the D0757 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17969. The D0757 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17970. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0757 Road.

17971. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0757 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0758 Road

17972. The D0758 Road is designated as county road number D0758 and SGID road identification number RD191281 and is more or less 2.18 miles long.

17973. Exhibit 1454 (attached hereto and incorporated herein) contains certain information pertaining to the D0758 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17974. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0758 Road solely as it crosses United States public land as included and specifically described in Exhibit 1454. The D0758 Road includes the segment of road specifically set forth in Exhibit 1454 and as exists on the ground.

Acceptance of the D0758 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17975. The D0758 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17976. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0758 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17977. The appearance of the D0758 Road on the Montezumah Creek (1962) and Blanding (1957) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17978. The D0758 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0758 Road pursuant to the County's governmental right and authority.

17979. Witnesses with personal knowledge of the history of the D0758 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17980. Currently known reputation in the community is that the D0758 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17981. Public motor vehicle use of the D0758 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17982. The D0758 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17983. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0758 Road.

17984. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0758 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0759 Road

17985. The D0759 Road is designated as county road number D0759 and SGID road identification number RD191282 and is more or less 2.14 miles long.

17986. Exhibit 1455 (attached hereto and incorporated herein) contains certain information pertaining to the D0759 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17987. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0759 Road solely as it crosses United States public land as included and specifically described in Exhibit 1455. The D0759 Road includes the segment of road specifically set forth in Exhibit 1455 and as exists on the ground.

Acceptance of the D0759 Road R.S. 2477 Right-of-way Prior to October 21, 1976

17988. The D0759 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17989. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0759 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17990. The appearance of the D0759 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

17991. The D0759 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0759 Road pursuant to the County's governmental right and authority.

17992. Witnesses with personal knowledge of the history of the D0759 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17993. Currently known reputation in the community is that the D0759 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17994. Public motor vehicle use of the D0759 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17995. The D0759 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17996. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0759 Road.

17997. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0759 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0764 Road

17998. The D0764 Road is designated as county road number D0764 and SGID road identification number RD191286 and is more or less 2.72 miles long.

17999. Exhibit 1456 (attached hereto and incorporated herein) contains certain information pertaining to the D0764 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18000. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0764 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1456. The D0764 Road includes the segment of road specifically set forth in Exhibit 1456 and as exists on the ground.

Acceptance of the D0764 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18001. The D0764 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18002. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0764 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18003. The appearance of the D0764 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18004. The D0764 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0764 Road pursuant to the County's governmental right and authority.

18005. Witnesses with personal knowledge of the history of the D0764 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18006. Currently known reputation in the community is that the D0764 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18007. Public motor vehicle use of the D0764 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18008. The D0764 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18009. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0764 Road.

18010. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0764 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0766 Road

18011. The D0766 Road is designated as county road number D0766 and SGID road identification number RD191288 and is more or less 1.55 miles long.

18012. Exhibit 1457 (attached hereto and incorporated herein) contains certain information pertaining to the D0766 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18013. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0766 Road solely as it crosses United States public land as included and specifically described in Exhibit 1457. The D0766 Road includes the segment of road specifically set forth in Exhibit 1457 and as exists on the ground.

Acceptance of the D0766 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18014. The D0766 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18015. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0766 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18016. The appearance of the D0766 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18017. The D0766 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0766 Road pursuant to the County's governmental right and authority.

18018. Witnesses with personal knowledge of the history of the D0766 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18019. Currently known reputation in the community is that the D0766 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18020. Public motor vehicle use of the D0766 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18021. The D0766 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18022. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0766 Road.

18023. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0766 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0767 Road

18024. The D0767 Road is designated as county road number D0767 and SGID road identification number RD191289 and is more or less 1.37 miles long.

18025. Exhibit 1458 (attached hereto and incorporated herein) contains certain information pertaining to the D0767 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18026. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0767 Road solely as it crosses United States public land as included and specifically described in Exhibit 1458. The D0767 Road includes the segment of road specifically set forth in Exhibit 1458 and as exists on the ground.

Acceptance of the D0767 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18027. The D0767 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18028. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0767 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18029. The appearance of the D0767 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18030. The D0767 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0767 Road pursuant to the County's governmental right and authority.

18031. Witnesses with personal knowledge of the history of the D0767 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18032. Currently known reputation in the community is that the D0767 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18033. Public motor vehicle use of the D0767 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18034. The D0767 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18035. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0767 Road.

18036. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0767 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0768 Road

18037. The D0768 Road is designated as county road number D0768 and SGID road identification number RD191290 and is more or less 1.99 miles long.

18038. Exhibit 1459 (attached hereto and incorporated herein) contains certain information pertaining to the D0768 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18039. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0768 Road solely as it crosses United States public land as included and specifically described in Exhibit 1459. The D0768 Road includes the segment of road specifically set forth in Exhibit 1459 and as exists on the ground.

Acceptance of the D0768 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18040. The D0768 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18041. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0768 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18042. The appearance of the D0768 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18043. The D0768 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0768 Road pursuant to the County's governmental right and authority.

18044. Witnesses with personal knowledge of the history of the D0768 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18045. Currently known reputation in the community is that the D0768 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18046. Public motor vehicle use of the D0768 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18047. The D0768 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18048. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0768 Road.

18049. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0768 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0771 Road

18050. The D0771 Road is designated as county road number D0771 and SGID road identification number RD191293 and is more or less 1.18 miles long.

18051. Exhibit 1460 (attached hereto and incorporated herein) contains certain information pertaining to the D0771 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18052. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0771 Road solely as it crosses United States public land as included and specifically described in Exhibit 1460. The D0771 Road includes the segment of road specifically set forth in Exhibit 1460 and as exists on the ground.

Acceptance of the D0771 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18053. The D0771 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18054. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0771 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18055. The appearance of the D0771 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18056. The County confirmed its acceptance of the D0771 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0771 Road pursuant to the County's governmental right and authority.

18057. Witnesses with personal knowledge of the history of the D0771 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18058. Currently known reputation in the community is that the D0771 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18059. Public motor vehicle use of the D0771 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18060. The D0771 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18061. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0771 Road.

18062. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0771 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0772 Road

18063. The D0772 Road is designated as county road number D0772 and SGID road identification number RD191294 and is more or less 0.63 miles long.

18064. Exhibit 1461 (attached hereto and incorporated herein) contains certain information pertaining to the D0772 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18065. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0772 Road solely as it crosses United States public land as included and specifically described in Exhibit 1461. The D0772 Road includes the segment of road specifically set forth in Exhibit 1461 and as exists on the ground.

Acceptance of the D0772 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18066. The D0772 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18067. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0772 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18068. The appearance of the D0772 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18069. The D0772 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0772 Road pursuant to the County's governmental right and authority.

18070. Witnesses with personal knowledge of the history of the D0772 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18071. Currently known reputation in the community is that the D0772 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18072. Public motor vehicle use of the D0772 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18073. The D0772 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18074. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0772 Road.

18075. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0772 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0773 Road

18076. The D0773 Road is designated as county road number D0773 and SGID road identification number RD191295 and is more or less 1.28 miles long.

18077. Exhibit 1462 (attached hereto and incorporated herein) contains certain information pertaining to the D0773 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18078. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0773 Road solely as it crosses United States public land as included and specifically described in Exhibit 1462. The D0773 Road includes the segment of road specifically set forth in Exhibit 1462 and as exists on the ground.

Acceptance of the D0773 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18079. The D0773 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18080. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0773 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18081. The appearance of the D0773 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18082. The County confirmed its acceptance of the D0773 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0773 Road pursuant to the County's governmental right and authority.

18083. Witnesses with personal knowledge of the history of the D0773 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18084. Currently known reputation in the community is that the D0773 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18085. Public motor vehicle use of the D0773 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18086. The D0773 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18087. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0773 Road.

18088. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0773 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0774 Road

18089. The D0774 Road is designated as county road number D0774 and SGID road identification number RD191296 and is more or less 1.02 miles long.

18090. Exhibit 1463 (attached hereto and incorporated herein) contains certain information pertaining to the D0774 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18091. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0774 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1463. The D0774 Road includes the segment of road specifically set forth in Exhibit 1463 and as exists on the ground.

Acceptance of the D0774 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18092. The D0774 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18093. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0774 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18094. The D0774 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0774 Road pursuant to the County's governmental right and authority.

18095. Witnesses with personal knowledge of the history of the D0774 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18096. Currently known reputation in the community is that the D0774 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18097. Public motor vehicle use of the D0774 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18098. The D0774 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18099. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0774 Road.

18100. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0774 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0775 Road

18101. The D0775 Road is designated as county road number D0775 and SGID road identification number RD191297 and is more or less 0.96 miles long.

18102. Exhibit 1464 (attached hereto and incorporated herein) contains certain information pertaining to the D0775 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18103. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0775 Road solely as it crosses United States public land as included and specifically described in Exhibit 1464. The D0775 Road includes the segment of road specifically set forth in Exhibit 1464 and as exists on the ground.

Acceptance of the D0775 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18104. The D0775 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18105. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0775 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18106. The appearance of the D0775 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18107. The County confirmed its acceptance of the D0775 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0775 Road pursuant to the County's governmental right and authority.

18108. Witnesses with personal knowledge of the history of the D0775 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18109. Currently known reputation in the community is that the D0775 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18110. Public motor vehicle use of the D0775 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18111. The D0775 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18112. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0775 Road.

18113. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0775 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0776 Road

18114. The D0776 Road is designated as county road number D0776 and SGID road identification number RD191298 and is more or less 1.32 miles long.

18115. Exhibit 1465 (attached hereto and incorporated herein) contains certain information pertaining to the D0776 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18116. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0776 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1465. The D0776 Road includes the segment of road specifically set forth in Exhibit 1465 and as exists on the ground.

Acceptance of the D0776 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18117. The D0776 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18118. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0776 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18119. The appearance of the D0776 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18120. The D0776 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0776 Road pursuant to the County's governmental right and authority.

18121. Witnesses with personal knowledge of the history of the D0776 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18122. Currently known reputation in the community is that the D0776 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18123. Public motor vehicle use of the D0776 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18124. The D0776 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18125. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0776 Road.

18126. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0776 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0779 Road

18127. The D0779 Road is designated as county road number D0779 and SGID road identification number RD191300 and is more or less 1.37 miles long.

18128. Exhibit 1466 (attached hereto and incorporated herein) contains certain information pertaining to the D0779 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18129. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0779 Road solely as it crosses United States public land as included and specifically described in Exhibit 1466. The D0779 Road includes the segment of road specifically set forth in Exhibit 1466 and as exists on the ground.

Acceptance of the D0779 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18130. The D0779 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18131. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0779 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18132. The D0779 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0779 Road pursuant to the County's governmental right and authority.

18133. Witnesses with personal knowledge of the history of the D0779 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18134. Currently known reputation in the community is that the D0779 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18135. Public motor vehicle use of the D0779 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18136. The D0779 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18137. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0779 Road.

18138. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0779 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0780 Road

18139. The D0780 Road is designated as county road number D0780 and SGID road identification number RD191301 and is more or less 0.81 miles long.

18140. Exhibit 1467 (attached hereto and incorporated herein) contains certain information pertaining to the D0780 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18141. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0780 Road solely as it crosses United States public land as included and specifically described in Exhibit 1467. The D0780 Road includes the segment of road specifically set forth in Exhibit 1467 and as exists on the ground.

Acceptance of the D0780 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18142. The D0780 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18143. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0780 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18144. The County confirmed its acceptance of the D0780 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0780 Road pursuant to the County's governmental right and authority.

18145. Witnesses with personal knowledge of the history of the D0780 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18146. Currently known reputation in the community is that the D0780 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18147. Public motor vehicle use of the D0780 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18148. The D0780 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18149. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0780 Road.

18150. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0780 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0787 Road

18151. The D0787 Road is designated as county road number D0787 and SGID road identification number RD191306 and is more or less 0.88 miles long.

18152. Exhibit 1468 (attached hereto and incorporated herein) contains certain information pertaining to the D0787 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18153. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0787 Road solely as it crosses United States public land as included and specifically described in Exhibit 1468. The D0787 Road includes the segment of road specifically set forth in Exhibit 1468 and as exists on the ground.

Acceptance of the D0787 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18154. The D0787 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18155. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0787 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18156. The D0787 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0787 Road pursuant to the County's governmental right and authority.

18157. Witnesses with personal knowledge of the history of the D0787 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18158. Currently known reputation in the community is that the D0787 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18159. Public motor vehicle use of the D0787 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18160. The D0787 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18161. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0787 Road.

18162. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0787 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0795 Road

18163. The D0795 Road is designated as county road number D0795 and SGID road identification number RD191313 and is more or less 5.07 miles long.

18164. Exhibit 1469 (attached hereto and incorporated herein) contains certain information pertaining to the D0795 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18165. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0795 Road solely as it crosses United States public land as included and specifically described in Exhibit 1469. The D0795 Road includes the segment of road specifically set forth in Exhibit 1469 and as exists on the ground.

Acceptance of the D0795 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18166. The D0795 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18167. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0795 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18168. The appearance of the D0795 Road on the Blanding South (1957) USGS 7.5-minute quadrangle map and Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18169. The D0795 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0795 Road pursuant to the County's governmental right and authority.

18170. Witnesses with personal knowledge of the history of the D0795 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18171. Currently known reputation in the community is that the D0795 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18172. Public motor vehicle use of the D0795 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18173. The D0795 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18174. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0795 Road.

18175. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0795 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0796 Road

18176. The D0796 Road is designated as county road number D0796 and SGID road identification number RD191314 and is more or less 1.34 miles long.

18177. Exhibit 1470 (attached hereto and incorporated herein) contains certain information pertaining to the D0796 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18178. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0796 Road solely as it crosses United States public land as included and specifically described in Exhibit 1470. The D0796 Road includes the segment of road specifically set forth in Exhibit 1470 and as exists on the ground.

Acceptance of the D0796 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18179. The D0796 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18180. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0796 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18181. The appearance of the D0796 Road on the Blanding South (1957) USGS 7.5-minute quadrangle map and Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18182. The D0796 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0796 Road pursuant to the County's governmental right and authority.

18183. Witnesses with personal knowledge of the history of the D0796 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18184. Currently known reputation in the community is that the D0796 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18185. Public motor vehicle use of the D0796 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18186. The D0796 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18187. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0796 Road.

18188. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0796 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0799 Road

18189. The D0799 Road is designated as county road number D0799 and SGID road identification number RD191316 and is more or less 0.69 miles long.

18190. Exhibit 1471 (attached hereto and incorporated herein) contains certain information pertaining to the D0799 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18191. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0799 Road solely as it crosses United States public land as included and specifically described in Exhibit 1471. The D0799 Road includes the segment of road specifically set forth in Exhibit 1471 and as exists on the ground.

Acceptance of the D0799 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18192. The D0799 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18193. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0799 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18194. The D0799 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0799 Road pursuant to the County's governmental right and authority.

18195. Witnesses with personal knowledge of the history of the D0799 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18196. Currently known reputation in the community is that the D0799 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18197. Public motor vehicle use of the D0799 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18198. The D0799 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18199. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0799 Road.

18200. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0799 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0802 Road

18201. The D0802 Road is designated as county road number D0802 and SGID road identification number RD191318 and is more or less 0.45 miles long.

18202. Exhibit 1472 (attached hereto and incorporated herein) contains certain information pertaining to the D0802 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18203. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0802 Road solely as it crosses United States public land as included and specifically described in Exhibit 1472. The D0802 Road includes the segment of road specifically set forth in Exhibit 1472 and as exists on the ground.

Acceptance of the D0802 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18204. The D0802 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18205. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0802 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18206. The D0802 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0802 Road pursuant to the County's governmental right and authority.

18207. Witnesses with personal knowledge of the history of the D0802 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18208. Currently known reputation in the community is that the D0802 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18209. Public motor vehicle use of the D0802 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18210. The D0802 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18211. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0802 Road.

18212. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0802 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0805 Road

18213. The D0805 Road is designated as county road number D0805 and SGID road identification number RD191321 and is more or less 0.58 miles long.

18214. Exhibit 1473 (attached hereto and incorporated herein) contains certain information pertaining to the D0805 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18215. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0805 Road solely as it crosses United States public land as included and specifically described in Exhibit 1473. The D0805 Road includes the segment of road specifically set forth in Exhibit 1473 and as exists on the ground.

Acceptance of the D0805 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18216. The D0805 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18217. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0805 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18218. The appearance of the D0805 Road on the Blanding South (1957) USGS 7.5-minute quadrangle map and Blanding (1957) USGS 15-minute quadrangle map evidences the

existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18219. The D0805 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0805 Road pursuant to the County's governmental right and authority.

18220. Witnesses with personal knowledge of the history of the D0805 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18221. Currently known reputation in the community is that the D0805 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18222. Public motor vehicle use of the D0805 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18223. The D0805 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18224. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0805 Road.

18225. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0805 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0808 Road

18226. The D0808 Road is designated as county road number D0808 and SGID road identification number RD191324 and is more or less 1.94 miles long.

18227. Exhibit 1474 (attached hereto and incorporated herein) contains certain information pertaining to the D0808 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18228. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0808 Road solely as it crosses United States public land as included and specifically described in Exhibit 1474. The D0808 Road includes the segment of road specifically set forth in Exhibit 1474 and as exists on the ground.

Acceptance of the D0808 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18229. The D0808 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18230. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0808 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18231. The D0808 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0808 Road pursuant to the County's governmental right and authority.

18232. Witnesses with personal knowledge of the history of the D0808 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18233. Currently known reputation in the community is that the D0808 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18234. Public motor vehicle use of the D0808 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18235. The D0808 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18236. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0808 Road.

18237. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0808 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0809 Road

18238. The D0809 Road is designated as county road number D0809 and SGID road identification number RD191325 and is more or less 0.90 miles long.

18239. Exhibit 1475 (attached hereto and incorporated herein) contains certain information pertaining to the D0809 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18240. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0809 Road solely as it crosses United States public land as included and specifically described in Exhibit 1475. The D0809 Road includes the segment of road specifically set forth in Exhibit 1475 and as exists on the ground.

Acceptance of the D0809 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18241. The D0809 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18242. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0809 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18243. The D0809 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0809 Road pursuant to the County's governmental right and authority.

18244. Witnesses with personal knowledge of the history of the D0809 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18245. Currently known reputation in the community is that the D0809 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18246. Public motor vehicle use of the D0809 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18247. The D0809 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18248. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0809 Road.

18249. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0809 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0813 Road

18250. The D0813 Road is designated as county road number D0813 and SGID road identification number RD191328 and is more or less 2.56 miles long.

18251. Exhibit 1476 (attached hereto and incorporated herein) contains certain information pertaining to the D0813 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18252. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0813 Road solely as it crosses United States public land as included and specifically described in Exhibit 1476. The D0813 Road includes the segment of road specifically set forth in Exhibit 1476 and as exists on the ground.

Acceptance of the D0813 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18253. The D0813 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18254. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0813 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18255. The D0813 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0813 Road pursuant to the County's governmental right and authority.

18256. Witnesses with personal knowledge of the history of the D0813 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18257. Currently known reputation in the community is that the D0813 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18258. Public motor vehicle use of the D0813 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18259. The D0813 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18260. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0813 Road.

18261. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0813 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0818 Road

18262. The D0818 Road is designated as county road number D0818 and SGID road identification number RD191330 and is more or less 1.16 miles long.

18263. Exhibit 1477 (attached hereto and incorporated herein) contains certain information pertaining to the D0818 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18264. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0818 Road solely as it crosses United States public land as included and specifically described in Exhibit 1477. The D0818 Road includes the segment of road specifically set forth in Exhibit 1477 and as exists on the ground.

Acceptance of the D0818 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18265. The D0818 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18266. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0818 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18267. The D0818 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0818 Road pursuant to the County's governmental right and authority.

18268. Witnesses with personal knowledge of the history of the D0818 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18269. Currently known reputation in the community is that the D0818 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18270. Public motor vehicle use of the D0818 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18271. The D0818 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18272. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0818 Road.

18273. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0818 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0820 Road

18274. The D0820 Road is designated as county road number D0820 and SGID road identification number RD191331 and is more or less 1.56 miles long.

18275. Exhibit 1478 (attached hereto and incorporated herein) contains certain information pertaining to the D0820 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18276. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0820 Road solely as it crosses United States public land as included and specifically described in Exhibit 1478. The D0820 Road includes the segment of road specifically set forth in Exhibit 1478 and as exists on the ground.

Acceptance of the D0820 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18277. The D0820 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18278. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0820 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18279. The D0820 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0820 Road pursuant to the County's governmental right and authority.

18280. Witnesses with personal knowledge of the history of the D0820 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18281. Currently known reputation in the community is that the D0820 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18282. Public motor vehicle use of the D0820 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18283. The D0820 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18284. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0820 Road.

18285. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0820 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0821 Road

18286. The D0821 Road is designated as county road number D0821 and SGID road identification number RD191332 and is more or less 1.63 miles long.

18287. Exhibit 1479 (attached hereto and incorporated herein) contains certain information pertaining to the D0821 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18288. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0821 Road solely as it crosses United States public land as included and specifically described in Exhibit 1479. The D0821 Road includes the segment of road specifically set forth in Exhibit 1479 and as exists on the ground.

Acceptance of the D0821 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18289. The D0821 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18290. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0821 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18291. The D0821 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0821 Road pursuant to the County's governmental right and authority.

18292. Witnesses with personal knowledge of the history of the D0821 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18293. Currently known reputation in the community is that the D0821 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18294. Public motor vehicle use of the D0821 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18295. The D0821 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18296. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0821 Road.

18297. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0821 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0822 Road

18298. The D0822 Road is designated as county road number D0822 and SGID road identification number RD191333 and is more or less 1.72 miles long.

18299. Exhibit 1480 (attached hereto and incorporated herein) contains certain information pertaining to the D0822 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18300. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0822 Road solely as it crosses United States public land as included and specifically described in Exhibit 1480. The D0822 Road includes the segment of road specifically set forth in Exhibit 1480 and as exists on the ground.

Acceptance of the D0822 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18301. The D0822 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18302. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0822 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18303. The D0822 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0822 Road pursuant to the County's governmental right and authority.

18304. Witnesses with personal knowledge of the history of the D0822 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18305. Currently known reputation in the community is that the D0822 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18306. Public motor vehicle use of the D0822 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18307. The D0822 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18308. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0822 Road.

18309. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0822 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0823 Road

18310. The D0823 Road is designated as county road number D0823 and SGID road identification number RD191334 and is more or less 1.18 miles long.

18311. Exhibit 1481 (attached hereto and incorporated herein) contains certain information pertaining to the D0823 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18312. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0823 Road solely as it crosses United States public land as included and specifically described in Exhibit 1481. The D0823 Road includes the segment of road specifically set forth in Exhibit 1481 and as exists on the ground.

Acceptance of the D0823 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18313. The D0823 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18314. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0823 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18315. The appearance of the D0823 Road on the Blanding South (1957) USGS 7.5-minute quadrangle map and Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18316. The D0823 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0823 Road pursuant to the County's governmental right and authority.

18317. Witnesses with personal knowledge of the history of the D0823 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18318. Currently known reputation in the community is that the D0823 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18319. Public motor vehicle use of the D0823 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18320. The D0823 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18321. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0823 Road.

18322. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0823 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3817 Road

18323. The D3817 Road is designated as county road number D3817 and SGID road identification number RD192920 and is more or less 0.84 miles long.

18324. Exhibit 1482 (attached hereto and incorporated herein) contains certain information pertaining to the D3817 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18325. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3817 Road solely as it crosses United States public land as included and specifically described in Exhibit 1482. The D3817 Road includes the segment of road specifically set forth in Exhibit 1482 and as exists on the ground.

Acceptance of the D3817 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18326. The D3817 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18327. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3817 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18328. The D3817 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3817 Road pursuant to the County's governmental right and authority.

18329. Witnesses with personal knowledge of the history of the D3817 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18330. Currently known reputation in the community is that the D3817 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18331. Public motor vehicle use of the D3817 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18332. The D3817 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18333. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3817 Road.

18334. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3817 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3818 Road

18335. The D3818 Road is designated as county road number D3818 and SGID road identification number RD192921 and is more or less 1.37 miles long.

18336. Exhibit 1483 (attached hereto and incorporated herein) contains certain information pertaining to the D3818 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18337. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3818 Road solely as it crosses United States public land as included and specifically described in Exhibit 1483. The D3818 Road includes the segment of road specifically set forth in Exhibit 1483 and as exists on the ground.

Acceptance of the D3818 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18338. The D3818 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18339. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3818 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18340. The D3818 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3818 Road pursuant to the County's governmental right and authority.

18341. Witnesses with personal knowledge of the history of the D3818 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18342. Currently known reputation in the community is that the D3818 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18343. Public motor vehicle use of the D3818 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18344. The D3818 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18345. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3818 Road.

18346. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3818 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3819 Road

18347. The D3819 Road is designated as county road number D3819 and SGID road identification number RD192922 and is more or less 0.31 miles long.

18348. Exhibit 1484 (attached hereto and incorporated herein) contains certain information pertaining to the D3819 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18349. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3819 Road solely as it crosses United States public land as included and specifically described in Exhibit 1484. The D3819 Road includes the segment of road specifically set forth in Exhibit 1484 and as exists on the ground.

Acceptance of the D3819 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18350. The D3819 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18351. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3819 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18352. The D3819 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3819 Road pursuant to the County's governmental right and authority.

18353. Witnesses with personal knowledge of the history of the D3819 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18354. Currently known reputation in the community is that the D3819 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18355. Public motor vehicle use of the D3819 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18356. The D3819 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18357. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3819 Road.

18358. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3819 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3821 Road

18359. The D3821 Road is designated as county road number D3821 and SGID road identification number RD192923 and is more or less 0.55 miles long.

18360. Exhibit 1485 (attached hereto and incorporated herein) contains certain information pertaining to the D3821 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18361. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3821 Road solely as it crosses United States public land as included and specifically described in Exhibit 1485. The D3821 Road includes the segment of road specifically set forth in Exhibit 1485 and as exists on the ground.

Acceptance of the D3821 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18362. The D3821 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18363. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3821 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18364. The D3821 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3821 Road pursuant to the County's governmental right and authority.

18365. Witnesses with personal knowledge of the history of the D3821 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18366. Currently known reputation in the community is that the D3821 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18367. Public motor vehicle use of the D3821 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18368. The D3821 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18369. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3821 Road.

18370. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3821 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3823 Road

18371. The D3823 Road is designated as county road number D3823 and SGID road identification number RD192925 and is more or less 0.72 miles long.

18372. Exhibit 1486 (attached hereto and incorporated herein) contains certain information pertaining to the D3823 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18373. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3823 Road solely as it crosses United States public land as included and specifically described in Exhibit 1486. The D3823 Road includes the segment of road specifically set forth in Exhibit 1486 and as exists on the ground.

Acceptance of the D3823 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18374. The D3823 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18375. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3823 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18376. The D3823 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3823 Road pursuant to the County's governmental right and authority.

18377. Witnesses with personal knowledge of the history of the D3823 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18378. Currently known reputation in the community is that the D3823 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18379. Public motor vehicle use of the D3823 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18380. The D3823 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18381. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3823 Road.

18382. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3823 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3824 Road

18383. The D3824 Road is designated as county road number D3824 and SGID road identification number RD192926 and is more or less 0.60 miles long.

18384. Exhibit 1487 (attached hereto and incorporated herein) contains certain information pertaining to the D3824 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18385. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3824 Road solely as it crosses United States public land as included and specifically described in Exhibit 1487. The D3824 Road includes the segment of road specifically set forth in Exhibit 1487 and as exists on the ground.

Acceptance of the D3824 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18386. The D3824 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18387. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3824 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18388. The D3824 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3824 Road pursuant to the County's governmental right and authority.

18389. Witnesses with personal knowledge of the history of the D3824 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18390. Currently known reputation in the community is that the D3824 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18391. Public motor vehicle use of the D3824 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18392. The D3824 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18393. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3824 Road.

18394. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3824 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3825 Road

18395. The D3825 Road is designated as county road number D3825 and SGID road identification number RD192927 and is more or less 1.24 miles long.

18396. Exhibit 1488 (attached hereto and incorporated herein) contains certain information pertaining to the D3825 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18397. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3825 Road solely as it crosses United States public land as included and specifically described in Exhibit 1488. The D3825 Road includes the segment of road specifically set forth in Exhibit 1488 and as exists on the ground.

Acceptance of the D3825 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18398. The D3825 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18399. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3825 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18400. The D3825 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3825 Road pursuant to the County's governmental right and authority.

18401. Witnesses with personal knowledge of the history of the D3825 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18402. Currently known reputation in the community is that the D3825 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18403. Public motor vehicle use of the D3825 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18404. The D3825 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18405. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3825 Road.

18406. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3825 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3826 Road

18407. The D3826 Road is designated as county road number D3826 and SGID road identification number RD192928 and is more or less 0.45 miles long.

18408. Exhibit 1489 (attached hereto and incorporated herein) contains certain information pertaining to the D3826 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18409. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3826 Road solely as it crosses United States public land as included and specifically described in Exhibit 1489. The D3826 Road includes the segment of road specifically set forth in Exhibit 1489 and as exists on the ground.

Acceptance of the D3826 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18410. The D3826 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18411. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3826 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18412. The D3826 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3826 Road pursuant to the County's governmental right and authority.

18413. Witnesses with personal knowledge of the history of the D3826 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18414. Currently known reputation in the community is that the D3826 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18415. Public motor vehicle use of the D3826 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18416. The D3826 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18417. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3826 Road.

18418. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3826 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3827 Road

18419. The D3827 Road is designated as county road number D3827 and SGID road identification number RD192929 and is more or less 0.34 miles long.

18420. Exhibit 1490 (attached hereto and incorporated herein) contains certain information pertaining to the D3827 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18421. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3827 Road solely as it crosses United States public land as included and specifically described in Exhibit 1490. The D3827 Road includes the segment of road specifically set forth in Exhibit 1490 and as exists on the ground.

Acceptance of the D3827 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18422. The D3827 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18423. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3827 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18424. The D3827 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3827 Road pursuant to the County's governmental right and authority.

18425. Witnesses with personal knowledge of the history of the D3827 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18426. Currently known reputation in the community is that the D3827 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18427. Public motor vehicle use of the D3827 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18428. The D3827 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18429. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3827 Road.

18430. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3827 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3828 Road

18431. The D3828 Road is designated as county road number D3828 and SGID road identification number RD192930 and is more or less 0.42 miles long.

18432. Exhibit 1491 (attached hereto and incorporated herein) contains certain information pertaining to the D3828 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18433. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3828 Road solely as it crosses United States public land as included and specifically described in Exhibit 1491. The D3828 Road includes the segment of road specifically set forth in Exhibit 1491 and as exists on the ground.

Acceptance of the D3828 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18434. The D3828 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18435. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3828 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18436. The D3828 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3828 Road pursuant to the County's governmental right and authority.

18437. Witnesses with personal knowledge of the history of the D3828 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18438. Currently known reputation in the community is that the D3828 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18439. Public motor vehicle use of the D3828 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18440. The D3828 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18441. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3828 Road.

18442. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3828 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3895 Road

18443. The D3895 Road is designated as county road number D3895 and SGID road identification number RD192963 and is more or less 0.87 miles long.

18444. Exhibit 1492 (attached hereto and incorporated herein) contains certain information pertaining to the D3895 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18445. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3895 Road solely as it crosses United States public land as included and specifically described in Exhibit 1492. The D3895 Road includes the segment of road specifically set forth in Exhibit 1492 and as exists on the ground.

Acceptance of the D3895 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18446. The D3895 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18447. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3895 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18448. The D3895 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3895 Road pursuant to the County's governmental right and authority.

18449. Witnesses with personal knowledge of the history of the D3895 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18450. Currently known reputation in the community is that the D3895 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18451. Public motor vehicle use of the D3895 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18452. The D3895 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18453. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3895 Road.

18454. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3895 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3906 Road

18455. The D3906 Road is designated as county road number D3906 and SGID road identification number RD192969 and is more or less 1.11 miles long.

18456. Exhibit 1493 (attached hereto and incorporated herein) contains certain information pertaining to the D3906 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18457. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3906 Road solely as it crosses United States public land as included and specifically described in Exhibit 1493. The D3906 Road includes the segment of road specifically set forth in Exhibit 1493 and as exists on the ground.

Acceptance of the D3906 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18458. The D3906 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18459. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3906 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18460. The appearance of the D3906 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18461. The County confirmed its acceptance of the D3906 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3906 Road pursuant to the County's governmental right and authority.

18462. Witnesses with personal knowledge of the history of the D3906 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18463. Currently known reputation in the community is that the D3906 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18464. Public motor vehicle use of the D3906 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18465. The D3906 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18466. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3906 Road.

18467. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3906 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3914 Road

18468. The D3914 Road is designated as county road number D3914 and SGID road identification number RD192974 and is more or less 1.29 miles long.

18469. Exhibit 1494 (attached hereto and incorporated herein) contains certain information pertaining to the D3914 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18470. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3914 Road solely as it crosses United States public land as included and specifically described in Exhibit 1494. The D3914 Road includes the segment of road specifically set forth in Exhibit 1494 and as exists on the ground.

Acceptance of the D3914 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18471. The D3914 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18472. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3914 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18473. The D3914 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3914 Road pursuant to the County's governmental right and authority.

18474. Witnesses with personal knowledge of the history of the D3914 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18475. Currently known reputation in the community is that the D3914 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18476. Public motor vehicle use of the D3914 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18477. The D3914 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18478. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3914 Road.

18479. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3914 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3915 Road

18480. The D3915 Road is designated as county road number D3915 and SGID road identification number RD192975 and is more or less 0.77 miles long.

18481. Exhibit 1495 (attached hereto and incorporated herein) contains certain information pertaining to the D3915 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18482. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3915 Road solely as it crosses United States public land as included and specifically described in Exhibit 1495. The D3915 Road includes the segment of road specifically set forth in Exhibit 1495 and as exists on the ground.

Acceptance of the D3915 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18483. The D3915 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18484. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3915 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18485. The D3915 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3915 Road pursuant to the County's governmental right and authority.

18486. Witnesses with personal knowledge of the history of the D3915 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18487. Currently known reputation in the community is that the D3915 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18488. Public motor vehicle use of the D3915 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18489. The D3915 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18490. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3915 Road.

18491. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3915 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3921 Road

18492. The D3921 Road is designated as county road number D3921 and SGID road identification number RD192979 and is more or less 1.54 miles long.

18493. Exhibit 1496 (attached hereto and incorporated herein) contains certain information pertaining to the D3921 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18494. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3921 Road solely as it crosses United States public land as included and specifically described in Exhibit 1496. The D3921 Road includes the segment of road specifically set forth in Exhibit 1496 and as exists on the ground.

Acceptance of the D3921 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18495. The D3921 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18496. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3921 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18497. The D3921 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3921 Road pursuant to the County's governmental right and authority.

18498. Witnesses with personal knowledge of the history of the D3921 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18499. Currently known reputation in the community is that the D3921 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18500. Public motor vehicle use of the D3921 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18501. The D3921 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18502. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3921 Road.

18503. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3921 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3970 Road

18504. The D3970 Road is designated as county road number D3970 and SGID road identification number RD193010 and is more or less 0.72 miles long.

18505. Exhibit 1497 (attached hereto and incorporated herein) contains certain information pertaining to the D3970 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18506. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3970 Road solely as it crosses United States public land as included and specifically described in Exhibit 1497. The D3970 Road includes the segment of road specifically set forth in Exhibit 1497 and as exists on the ground.

Acceptance of the D3970 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18507. The D3970 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18508. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3970 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18509. The D3970 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3970 Road pursuant to the County's governmental right and authority.

18510. Witnesses with personal knowledge of the history of the D3970 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18511. Currently known reputation in the community is that the D3970 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18512. Public motor vehicle use of the D3970 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18513. The D3970 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18514. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3970 Road.

18515. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3970 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4060 Road

18516. The D4060 Road is designated as county road number D4060 and SGID road identification number RD193047 and is more or less 0.47 miles long.

18517. Exhibit 1498 (attached hereto and incorporated herein) contains certain information pertaining to the D4060 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18518. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4060 Road solely as it crosses United States public land as included and specifically described in Exhibit 1498. The D4060 Road includes the segment of road specifically set forth in Exhibit 1498 and as exists on the ground.

Acceptance of the D4060 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18519. The D4060 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18520. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4060 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18521. The D4060 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4060 Road pursuant to the County's governmental right and authority.

18522. Witnesses with personal knowledge of the history of the D4060 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18523. Currently known reputation in the community is that the D4060 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18524. Public motor vehicle use of the D4060 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18525. The D4060 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18526. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4060 Road.

18527. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4060 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4061 Road

18528. The D4061 Road is designated as county road number D4061 and SGID road identification number RD193048 and is more or less 1.49 miles long.

18529. Exhibit 1499 (attached hereto and incorporated herein) contains certain information pertaining to the D4061 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18530. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4061 Road solely as it crosses United States public land as included and specifically described in Exhibit 1499. The D4061 Road includes the segment of road specifically set forth in Exhibit 1499 and as exists on the ground.

Acceptance of the D4061 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18531. The D4061 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18532. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4061 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18533. The D4061 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4061 Road pursuant to the County's governmental right and authority.

18534. Witnesses with personal knowledge of the history of the D4061 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18535. Currently known reputation in the community is that the D4061 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18536. Public motor vehicle use of the D4061 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18537. The D4061 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18538. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4061 Road.

18539. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4061 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4064 Road

18540. The D4064 Road is designated as county road number D4064 and SGID road identification number RD193051 and is more or less 0.88 miles long.

18541. Exhibit 1500 (attached hereto and incorporated herein) contains certain information pertaining to the D4064 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18542. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4064 Road solely as it crosses United States public land as included and specifically described in Exhibit 1500. The D4064 Road includes the segment of road specifically set forth in Exhibit 1500 and as exists on the ground.

Acceptance of the D4064 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18543. The D4064 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18544. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4064 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18545. The D4064 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4064 Road pursuant to the County's governmental right and authority.

18546. Witnesses with personal knowledge of the history of the D4064 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18547. Currently known reputation in the community is that the D4064 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18548. Public motor vehicle use of the D4064 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18549. The D4064 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18550. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4064 Road.

18551. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4064 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4067 Road

18552. The D4067 Road is designated as county road number D4067 and SGID road identification number RD193053 and is more or less 0.81 miles long.

18553. Exhibit 1501 (attached hereto and incorporated herein) contains certain information pertaining to the D4067 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18554. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4067 Road solely as it crosses United States public land as included and specifically described in Exhibit 1501. The D4067 Road includes the segment of road specifically set forth in Exhibit 1501 and as exists on the ground.

Acceptance of the D4067 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18555. The D4067 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18556. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4067 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18557. The D4067 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4067 Road pursuant to the County's governmental right and authority.

18558. Witnesses with personal knowledge of the history of the D4067 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18559. Currently known reputation in the community is that the D4067 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18560. Public motor vehicle use of the D4067 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18561. The D4067 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18562. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4067 Road.

18563. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4067 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4068 Road

18564. The D4068 Road is designated as county road number D4068 and SGID road identification number RD193054 and is more or less 0.78 miles long.

18565. Exhibit 1502 (attached hereto and incorporated herein) contains certain information pertaining to the D4068 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18566. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4068 Road solely as it crosses United States public land as included and specifically described in Exhibit 1502. The D4068 Road includes the segment of road specifically set forth in Exhibit 1502 and as exists on the ground.

Acceptance of the D4068 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18567. The D4068 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18568. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4068 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18569. The D4068 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4068 Road pursuant to the County's governmental right and authority.

18570. Witnesses with personal knowledge of the history of the D4068 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18571. Currently known reputation in the community is that the D4068 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18572. Public motor vehicle use of the D4068 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18573. The D4068 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18574. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4068 Road.

18575. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4068 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4070 Road

18576. The D4070 Road is designated as county road number D4070 and SGID road identification number RD193056 and is more or less 0.49 miles long.

18577. Exhibit 1503 (attached hereto and incorporated herein) contains certain information pertaining to the D4070 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18578. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4070 Road solely as it crosses United States public land as included and specifically described in Exhibit 1503. The D4070 Road includes the segment of road specifically set forth in Exhibit 1503 and as exists on the ground.

Acceptance of the D4070 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18579. The D4070 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18580. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4070 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18581. The D4070 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4070 Road pursuant to the County's governmental right and authority.

18582. Witnesses with personal knowledge of the history of the D4070 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18583. Currently known reputation in the community is that the D4070 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18584. Public motor vehicle use of the D4070 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18585. The D4070 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18586. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4070 Road.

18587. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4070 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4074 Road

18588. The D4074 Road is designated as county road number D4074 and SGID road identification number RD193058 and is more or less 1.12 miles long.

18589. Exhibit 1504 (attached hereto and incorporated herein) contains certain information pertaining to the D4074 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18590. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4074 Road solely as it crosses United States public land as included and specifically described in Exhibit 1504. The D4074 Road includes the segment of road specifically set forth in Exhibit 1504 and as exists on the ground.

Acceptance of the D4074 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18591. The D4074 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18592. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4074 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18593. The D4074 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4074 Road pursuant to the County's governmental right and authority.

18594. Witnesses with personal knowledge of the history of the D4074 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18595. Currently known reputation in the community is that the D4074 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18596. Public motor vehicle use of the D4074 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18597. The D4074 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18598. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4074 Road.

18599. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4074 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4078 Road

18600. The D4078 Road is designated as county road number D4078 and SGID road identification number RD193060 and is more or less 1.81 miles long.

18601. Exhibit 1505 (attached hereto and incorporated herein) contains certain information pertaining to the D4078 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18602. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4078 Road solely as it crosses United States public land as included and specifically described in Exhibit 1505. The D4078 Road includes the segment of road specifically set forth in Exhibit 1505 and as exists on the ground.

Acceptance of the D4078 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18603. The D4078 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18604. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4078 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18605. The appearance of the D4078 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18606. The D4078 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4078 Road pursuant to the County's governmental right and authority.

18607. Witnesses with personal knowledge of the history of the D4078 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18608. Currently known reputation in the community is that the D4078 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18609. Public motor vehicle use of the D4078 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18610. The D4078 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18611. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4078 Road.

18612. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4078 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4087 Road

18613. The D4087 Road (formerly known as two separate roads, namely D4087 Road and D4088 Road) is designated as county road number D4087 and SGID road identification number RD193062 and is more or less 0.78 miles long.

18614. Exhibit 1506 (attached hereto and incorporated herein) contains certain information pertaining to the D4087 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18615. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4087 Road solely as it crosses United States public land as included and specifically described in Exhibit 1506. The D4087 Road includes the segment of road specifically set forth in Exhibit 1506 and as exists on the ground.

Acceptance of the D4087 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18616. The D4087 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18617. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4087 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18618. The appearance of the D4087 Road on the Montezumah Creek (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18619. The D4087 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4087 Road pursuant to the County's governmental right and authority.

18620. Witnesses with personal knowledge of the history of the D4087 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18621. Currently known reputation in the community is that the D4087 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18622. Public motor vehicle use of the D4087 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18623. The D4087 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18624. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4087 Road.

18625. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4087 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4095 Road

18626. The D4095 Road is designated as county road number D4095 and SGID road identification number RD193068 and is more or less 0.80 miles long.

18627. Exhibit 1507 (attached hereto and incorporated herein) contains certain information pertaining to the D4095 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18628. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4095 Road solely as it crosses United States public land as included and specifically described in Exhibit 1507. The D4095 Road includes the segment of road specifically set forth in Exhibit 1507 and as exists on the ground.

Acceptance of the D4095 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18629. The D4095 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18630. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4095 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18631. The D4095 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4095 Road pursuant to the County's governmental right and authority.

18632. Witnesses with personal knowledge of the history of the D4095 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18633. Currently known reputation in the community is that the D4095 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18634. Public motor vehicle use of the D4095 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18635. The D4095 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18636. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4095 Road.

18637. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4095 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4853 Road

18638. The D4853 Road is designated as county road number D4853 and SGID road identification number RD193383 and is more or less 0.63 miles long.

18639. Exhibit 1508 (attached hereto and incorporated herein) contains certain information pertaining to the D4853 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18640. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4853 Road solely as it crosses United States public land as included and specifically described in Exhibit 1508. The D4853 Road includes the segment of road specifically set forth in Exhibit 1508 and as exists on the ground.

Acceptance of the D4853 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18641. The D4853 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18642. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4853 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18643. The appearance of the D4853 Road on the Blanding South (1957) USGS 7.5-minute quadrangle map and Blanding (1957) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18644. The D4853 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4853 Road pursuant to the County's governmental right and authority.

18645. Witnesses with personal knowledge of the history of the D4853 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18646. Currently known reputation in the community is that the D4853 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18647. Public motor vehicle use of the D4853 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18648. The D4853 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18649. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4853 Road.

18650. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4853 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

TWENTY-FIRST CAUSE OF ACTION – QUIET TITLE
NOKAI DOME AREA

18651. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

18652. The Nokai Dome Area is located in southwestern San Juan County and is shown on Exhibit 23, attached hereto and incorporated herein.

18653. The Nokai Dome Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Hole in the Rock Road, B2541; (2) Moki Canyon Road, B2231; (3) Nokai Dome Road, B261; (4) Nokai Wash Road, B2131; (5) North Gulch Road, B2221; (6) West Airport Road, B2511; (7) Whirlwind Crossing Road, B278; (8) D0001 Road; (9) D0002 Road; (10) D0003 Road; (11) D0004 Road; (12) D0040 Road; (13) D1184 Road; (14) D2157 Road; (15) D2192 Road; (16) D2309 Road; (17) D2621 Road; (18) D3486 Road; (19) D3495 Road; (20) D3496 Road; (21) D3509 Road; (22) D3510 Road; (23) D3511 Road; (24) D3514 Road; (25) D3517 Road; (26) D3518 Road; (27) D3520 Road; (28) D4346 Road; (29) D4347 Road; and (30) D4780 Road.

18654. Each right-of-way claimed in the Nokai Dome Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

18655. All rights-of-way claimed in the Nokai Dome Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

18656. All rights-of-way claimed in the Nokai Dome Area include a minimum right-of-

way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

18657. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Hole in the Rock Road, B2541

18658. The Hole in the Rock Road is designated as county road number B2541 and SGID road identification number RD190261 and is more or less 2.20 miles long.

18659. Exhibit 1509 (attached hereto and incorporated herein) contains certain information pertaining to the Hole in the Rock Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18660. In this action, the State and County seek to quiet title to the public highway right-of-way for the Hole in the Rock Road solely as it crosses United States public land as included and specifically described in Exhibit 1509. The Hole in the Rock Road includes the segment of road specifically set forth in Exhibit 1509 and as exists on the ground.

Acceptance of the Hole in the Rock Road R.S. 2477 Right-of-way Prior to October 21, 1976

18661. The Hole in the Rock Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18662. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Hole in the Rock Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18663. The Hole in the Rock Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Hole in the Rock Road using public funds pursuant to the County's governmental right and authority.

18664. Witnesses with personal knowledge of the history of the Hole in the Rock Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18665. Currently known reputation in the community is that the Hole in the Rock Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18666. Public motor vehicle use of the Hole in the Rock Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

18667. The Hole in the Rock Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18668. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Hole in the Rock Road.

18669. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Hole in the Rock Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Moki Canyon Road, B2231

18670. The Moki Canyon Road is designated as county road number B2231 and SGID road identification number RD190199 and is more or less 5.91 miles long.

18671. Exhibit 1510 (attached hereto and incorporated herein) contains certain information pertaining to the Moki Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18672. In this action, the State and County seek to quiet title to the public highway right-of-way for the Moki Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 1510. The Moki Canyon Road includes the segment of road specifically set forth in Exhibit 1510 and as exists on the ground.

Acceptance of the Moki Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

18673. The Moki Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18674. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Moki Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18675. The Moki Canyon Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Moki Canyon Road using public funds pursuant to the County's governmental right and authority.

18676. Witnesses with personal knowledge of the history of the Moki Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18677. Currently known reputation in the community is that the Moki Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18678. Public motor vehicle use of the Moki Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

18679. The Moki Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18680. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Moki Canyon Road.

18681. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Moki Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Nokai Dome Road, B261

18682. The Nokai Dome Road is designated as county road number B261 and SGID road identification number RD190274 and is more or less 14.56 miles long.

18683. Exhibit 1511 (attached hereto and incorporated herein) contains certain information pertaining to the Nokai Dome Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18684. In this action, the State and County seek to quiet title to the public highway right-of-way for the Nokai Dome Road solely as it crosses United States public land as included and specifically described in Exhibit 1511. The Nokai Dome Road includes the segment of road specifically set forth in Exhibit 1511 and as exists on the ground.

Acceptance of the Nokai Dome Road R.S. 2477 Right-of-way Prior to October 21, 1976

18685. The Nokai Dome Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18686. Aerial photography from 1974 and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Nokai Dome Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18687. The appearance of the Nokai Dome Road on the Lake Canyon (1953) and Clay Hills (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18688. The County confirmed its acceptance of the Nokai Dome Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Nokai Dome Road using public funds pursuant to the County's governmental right and authority.

18689. Witnesses with personal knowledge of the history of the Nokai Dome Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18690. Currently known reputation in the community is that the Nokai Dome Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior

to October 21, 1976, and continuing to the present.

18691. Public motor vehicle use of the Nokai Dome Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18692. The Nokai Dome Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18693. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Nokai Dome Road.

18694. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Nokai Dome Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Nokai Wash Road, B2131

18695. The Nokai Wash Road is designated as county road number B2131 and SGID road identification number RD190179 and is more or less 1.88 miles long.

18696. Exhibit 1512 (attached hereto and incorporated herein) contains certain information pertaining to the Nokai Wash Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18697. In this action, the State and County seek to quiet title to the public highway right-of-way for the Nokai Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 1512. The Nokai Wash Road includes the segment of road specifically set forth in Exhibit 1512 and as exists on the ground.

Acceptance of the Nokai Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976

18698. The Nokai Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18699. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Nokai Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18700. The Nokai Wash Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Nokai Wash Road using public funds pursuant to the County's governmental right and authority.

18701. Witnesses with personal knowledge of the history of the Nokai Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18702. Currently known reputation in the community is that the Nokai Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior

to October 21, 1976, and continuing to the present.

18703. Public motor vehicle use of the Nokai Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18704. The Nokai Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18705. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Nokai Wash Road.

18706. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Nokai Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

North Gulch Road, B2221

18707. The North Gulch Road is designated as county road number B2221 and SGID road identification number RD190197 and is more or less 6.34 miles long.

18708. Exhibit 1513 (attached hereto and incorporated herein) contains certain information pertaining to the North Gulch Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18709. In this action, the State and County seek to quiet title to the public highway right-of-way for the North Gulch Road solely as it crosses United States public land as included and specifically described in Exhibit 1513. The North Gulch Road includes the segment of road specifically set forth in Exhibit 1513 and as exists on the ground.

Acceptance of the North Gulch Road R.S. 2477 Right-of-way Prior to October 21, 1976

18710. The North Gulch Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18711. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the North Gulch Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18712. The North Gulch Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the North Gulch Road using public funds pursuant to the County's governmental right and authority.

18713. Witnesses with personal knowledge of the history of the North Gulch Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18714. Currently known reputation in the community is that the North Gulch Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior

to October 21, 1976, and continuing to the present.

18715. Public motor vehicle use of the North Gulch Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18716. The North Gulch Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18717. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the North Gulch Road.

18718. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the North Gulch Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

West Airport Road, B2511

18719. The West Airport Road is designated as county road number B2511 and SGID road identification number RD190255 and is more or less 7.79 miles long.

18720. Exhibit 1514 (attached hereto and incorporated herein) contains certain information pertaining to the West Airport Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18721. In this action, the State and County seek to quiet title to the public highway right-of-way for the West Airport Road solely as it crosses United States public land as included and specifically described in Exhibit 1514. The West Airport Road includes the segment of road specifically set forth in Exhibit 1514 and as exists on the ground.

Acceptance of the West Airport Road R.S. 2477 Right-of-way Prior to October 21, 1976

18722. The West Airport Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18723. Aerial photography from 1974 and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the West Airport Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18724. The West Airport Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the West Airport Road using public funds pursuant to the County's governmental right and authority.

18725. Witnesses with personal knowledge of the history of the West Airport Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18726. Currently known reputation in the community is that the West Airport Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior

to October 21, 1976, and continuing to the present.

18727. Public motor vehicle use of the West Airport Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18728. The West Airport Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18729. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the West Airport Road.

18730. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the West Airport Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Whirlwind Crossing Road, B278

18731. The Whirlwind Crossing Road is designated as county road number B278 and SGID road identification number RD190308 and is more or less 11.43 miles long.

18732. Exhibit 1515 (attached hereto and incorporated herein) contains certain information pertaining to the Whirlwind Crossing Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18733. In this action, the State and County seek to quiet title to the public highway right-of-way for the Whirlwind Crossing Road solely as it crosses United States public land as included and specifically described in Exhibit 1515. The Whirlwind Crossing Road includes the segment of road specifically set forth in Exhibit 1515 and as exists on the ground.

Acceptance of the Whirlwind Crossing Road R.S. 2477 Right-of-way Prior to October 21, 1976

18734. The Whirlwind Crossing Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18735. Aerial photography from 1974 and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Whirlwind Crossing Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18736. The appearance of the Whirlwind Crossing Road on the Mike Mesa (1952), Whirlwind Draw (1952), and Clay Hills (1952) USGS 7.5-minute quadrangle maps and the Clay Hills (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18737. The County confirmed its acceptance of the Whirlwind Crossing Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Whirlwind Crossing Road using public funds pursuant to the County's governmental right and authority.

18738. Witnesses with personal knowledge of the history of the Whirlwind Crossing

Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18739. Currently known reputation in the community is that the Whirlwind Crossing Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18740. Public motor vehicle use of the Whirlwind Crossing Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18741. The Whirlwind Crossing Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18742. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Whirlwind Crossing Road.

18743. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Whirlwind Crossing Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0001 Road

18744. The D0001 Road is designated as county road number D0001 and SGID road

identification number RD190539 and is more or less 20.83 miles long.

18745. Exhibit 1516 (attached hereto and incorporated herein) contains certain information pertaining to the D0001 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18746. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0001 Road solely as it crosses United States public land as included and specifically described in Exhibit 1516. The D0001 Road includes the segment of road specifically set forth in Exhibit 1516 and as exists on the ground.

Acceptance of the D0001 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18747. The D0001 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18748. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D0001 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18749. The County confirmed its acceptance of the D0001 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0001 Road pursuant to the County's governmental right and authority.

18750. Witnesses with personal knowledge of the history of the D0001 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18751. Currently known reputation in the community is that the D0001 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18752. Public motor vehicle use of the D0001 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18753. The D0001 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18754. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0001 Road.

18755. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0001 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0002 Road

18756. The D0002 Road is designated as county road number D0002 and SGID road identification number RD190540 and is more or less 2.07 miles long.

18757. Exhibit 1517 (attached hereto and incorporated herein) contains certain information pertaining to the D0002 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18758. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0002 Road solely as it crosses United States public land as included and specifically described in Exhibit 1517. The D0002 Road includes the segment of road specifically set forth in Exhibit 1517 and as exists on the ground.

Acceptance of the D0002 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18759. The D0002 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18760. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D0002 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18761. The appearance of the D0002 Road on the Lake Canyon (1953) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18762. The County confirmed its acceptance of the D0002 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the D0002 Road pursuant to the County's governmental right and authority.

18763. Witnesses with personal knowledge of the history of the D0002 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18764. Currently known reputation in the community is that the D0002 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18765. Public motor vehicle use of the D0002 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18766. The D0002 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18767. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0002 Road.

18768. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0002 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0003 Road

18769. The D0003 Road is designated as county road number D0003 and SGID road identification number RD190857 and is more or less 0.22 miles long.

18770. Exhibit 1518 (attached hereto and incorporated herein) contains certain information pertaining to the D0003 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18771. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0003 Road solely as it crosses United States public land as included and specifically described in Exhibit 1518. The D0003 Road includes the segment of road specifically set forth in Exhibit 1518 and as exists on the ground.

Acceptance of the D0003 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18772. The D0003 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18773. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0003 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18774. The D0003 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0003 Road pursuant to the County's governmental

right and authority.

18775. Witnesses with personal knowledge of the history of the D0003 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18776. Currently known reputation in the community is that the D0003 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18777. Public motor vehicle use of the D0003 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18778. The D0003 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18779. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0003 Road.

18780. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0003 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0004 Road

18781. The D0004 Road is designated as county road number D0004 and SGID road

identification number RD190541 and is more or less 1.12 miles long.

18782. Exhibit 1519 (attached hereto and incorporated herein) contains certain information pertaining to the D0004 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18783. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0004 Road solely as it crosses United States public land as included and specifically described in Exhibit 1519. The D0004 Road includes the segment of road specifically set forth in Exhibit 1519 and as exists on the ground.

Acceptance of the D0004 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18784. The D0004 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18785. The D0004 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0004 Road pursuant to the County's governmental right and authority.

18786. Witnesses with personal knowledge of the history of the D0004 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18787. Currently known reputation in the community is that the D0004 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

18788. Public motor vehicle use of the D0004 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18789. The D0004 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18790. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0004 Road.

18791. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0004 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0040 Road

18792. The D0040 Road is designated as county road number D0040 and SGID road identification number RD190880 and is more or less 2.88 miles long.

18793. Exhibit 1520 (attached hereto and incorporated herein) contains certain information pertaining to the D0040 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18794. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D0040 Road solely as it crosses United States public land as included and specifically described in Exhibit 1520. The D0040 Road includes the segment of road specifically set forth in Exhibit 1520 and as exists on the ground.

Acceptance of the D0040 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18795. The D0040 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18796. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0040 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18797. The appearance of the D0040 Road on the Red House Spring (1952) and the Clay Hills (1952) USGS 7.5-minute quadrangle maps and the Grand Gulch (1963) and the Clay Hills (1954) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18798. The D0040 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0040 Road pursuant to the County's governmental right and authority.

18799. Witnesses with personal knowledge of the history of the D0040 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18800. Currently known reputation in the community is that the D0040 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18801. Public motor vehicle use of the D0040 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18802. The D0040 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18803. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0040 Road.

18804. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0040 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1184 Road

18805. The D1184 Road is designated as county road number D1184 and SGID road identification number RD190651 and is more or less 13.13 miles long.

18806. Exhibit 1521 (attached hereto and incorporated herein) contains certain information pertaining to the D1184 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list;

and a complete centerline description of the road.

18807. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1184 Road solely as it crosses United States public land as included and specifically described in Exhibit 1521. The D1184 Road includes the segment of road specifically set forth in Exhibit 1521 and as exists on the ground.

Acceptance of the D1184 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18808. The D1184 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18809. The D1184 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1184 Road pursuant to the County's governmental right and authority.

18810. Witnesses with personal knowledge of the history of the D1184 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18811. Currently known reputation in the community is that the D1184 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18812. Public motor vehicle use of the D1184 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

18813. The D1184 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18814. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1184 Road.

18815. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1184 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2157 Road

18816. The D2157 Road is designated as county road number D2157 and SGID road identification number RD192046 and is more or less 0.15 miles long.

18817. Exhibit 1522 (attached hereto and incorporated herein) contains certain information pertaining to the D2157 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18818. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2157 Road solely as it crosses United States public land as included and specifically described in Exhibit 1522. The D2157 Road includes the segment of road specifically set forth in Exhibit 1522 and as exists on the ground.

Acceptance of the D2157 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18819. The D2157 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18820. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D2157 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18821. The appearance of the D2157 Road on the Lake Canyon (1953) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18822. The D2157 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2157 Road pursuant to the County's governmental right and authority.

18823. Witnesses with personal knowledge of the history of the D2157 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18824. Currently known reputation in the community is that the D2157 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18825. Public motor vehicle use of the D2157 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18826. The D2157 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18827. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2157 Road.

18828. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2157 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2192 Road

18829. The D2192 Road is designated as county road number D2192 and SGID road identification number RD192067 and is more or less 0.92 miles long.

18830. Exhibit 1523 (attached hereto and incorporated herein) contains certain information pertaining to the D2192 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18831. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2192 Road solely as it crosses United States public land as included and specifically described in Exhibit 1523. The D2192 Road includes the segment of road

specifically set forth in Exhibit 1523 and as exists on the ground.

Acceptance of the D2192 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18832. The D2192 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18833. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2192 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18834. The appearance of the D2192 Road on the Red House Spring (1952) USGS 7.5-minute quadrangle map and the Grand Gulch (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18835. The D2192 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2192 Road pursuant to the County's governmental right and authority.

18836. Witnesses with personal knowledge of the history of the D2192 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18837. Currently known reputation in the community is that the D2192 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

18838. Public motor vehicle use of the D2192 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18839. The D2192 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18840. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2192 Road.

18841. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2192 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2309 Road

18842. The D2309 Road is designated as county road number D2309 and SGID road identification number RD192130 and is more or less 6.74 miles long.

18843. Exhibit 1524 (attached hereto and incorporated herein) contains certain information pertaining to the D2309 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18844. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D2309 Road solely as it crosses United States public land as included and specifically described in Exhibit 1524. The D2309 Road includes the segment of road specifically set forth in Exhibit 1524 and as exists on the ground.

Acceptance of the D2309 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18845. The D2309 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18846. The County confirmed its acceptance of the D2309 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2309 Road pursuant to the County's governmental right and authority.

18847. Witnesses with personal knowledge of the history of the D2309 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18848. Currently known reputation in the community is that the D2309 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18849. Public motor vehicle use of the D2309 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18850. The D2309 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18851. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2309 Road.

18852. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2309 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2621 Road

18853. The D2621 Road is designated as county road number D2621 and SGID road identification number RD192271 and is more or less 3.88 miles long.

18854. Exhibit 1525 (attached hereto and incorporated herein) contains certain information pertaining to the D2621 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18855. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2621 Road solely as it crosses United States public land as included and specifically described in Exhibit 1525. The D2621 Road includes the segment of road specifically set forth in Exhibit 1525 and as exists on the ground.

Acceptance of the D2621 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18856. The D2621 Road has long served as a public highway providing access to and

across public land. This road serves the public's transportation needs.

18857. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2621 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18858. The D2621 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2621 Road pursuant to the County's governmental right and authority.

18859. Witnesses with personal knowledge of the history of the D2621 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18860. Currently known reputation in the community is that the D2621 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18861. Public motor vehicle use of the D2621 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18862. The D2621 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18863. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2621 Road.

18864. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2621 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3486 Road

18865. The D3486 Road is designated as county road number D3486 and SGID road identification number RD190734 and is more or less 12.08 miles long.

18866. Exhibit 1526 (attached hereto and incorporated herein) contains certain information pertaining to the D3486 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18867. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3486 Road solely as it crosses United States public land as included and specifically described in Exhibit 1526. The D3486 Road includes the segment of road specifically set forth in Exhibit 1526 and as exists on the ground.

Acceptance of the D3486 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18868. The D3486 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18869. Aerial photography from 1976 confirms the historical use, existence, and

acceptance of the right-of-way for the D3486 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18870. The County confirmed its acceptance of the D3486 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3486 Road pursuant to the County's governmental right and authority.

18871. Witnesses with personal knowledge of the history of the D3486 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18872. Currently known reputation in the community is that the D3486 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18873. Public motor vehicle use of the D3486 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18874. The D3486 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18875. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3486 Road.

18876. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3486 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3495 Road

18877. The D3495 Road is designated as county road number D3495 and SGID road identification number RD193408 and is more or less 1.18 miles long.

18878. Exhibit 1527 (attached hereto and incorporated herein) contains certain information pertaining to the D3495 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18879. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3495 Road solely as it crosses United States public land as included and specifically described in Exhibit 1527. The D3495 Road includes the segment of road specifically set forth in Exhibit 1527 and as exists on the ground.

Acceptance of the D3495 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18880. The D3495 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18881. The D3495 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D3495 Road pursuant to the County's governmental right and authority.

18882. Witnesses with personal knowledge of the history of the D3495 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18883. Currently known reputation in the community is that the D3495 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18884. Public motor vehicle use of the D3495 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18885. The D3495 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18886. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3495 Road.

18887. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3495 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3496 Road

18888. The D3496 Road is designated as county road number D3496 and SGID road identification number RD193406 and is more or less 0.98 miles long.

18889. Exhibit 1528 (attached hereto and incorporated herein) contains certain information pertaining to the D3496 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18890. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3496 Road solely as it crosses United States public land as included and specifically described in Exhibit 1528. The D3496 Road includes the segment of road specifically set forth in Exhibit 1528 and as exists on the ground.

Acceptance of the D3496 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18891. The D3496 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18892. The D3496 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3496 Road pursuant to the County's governmental right and authority.

18893. Witnesses with personal knowledge of the history of the D3496 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18894. Currently known reputation in the community is that the D3496 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18895. Public motor vehicle use of the D3496 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18896. The D3496 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18897. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3496 Road.

18898. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3496 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3509 Road

18899. The D3509 Road is designated as county road number D3509 and SGID road identification number RD192737 and is more or less 0.73 miles long.

18900. Exhibit 1529 (attached hereto and incorporated herein) contains certain information pertaining to the D3509 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list;

and a complete centerline description of the road.

18901. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3509 Road solely as it crosses United States public land as included and specifically described in Exhibit 1529. The D3509 Road includes the segment of road specifically set forth in Exhibit 1529 and as exists on the ground.

Acceptance of the D3509 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18902. The D3509 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18903. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3509 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18904. The appearance of the D3509 Road on the Clay Hills (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18905. The D3509 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3509 Road pursuant to the County's governmental right and authority.

18906. Witnesses with personal knowledge of the history of the D3509 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18907. Currently known reputation in the community is that the D3509 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18908. Public motor vehicle use of the D3509 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18909. The D3509 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18910. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3509 Road.

18911. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3509 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3510 Road

18912. The D3510 Road is designated as county road number D3510 and SGID road identification number RD192738 and is more or less 0.63 miles long.

18913. Exhibit 1530 (attached hereto and incorporated herein) contains certain information pertaining to the D3510 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18914. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3510 Road solely as it crosses United States public land as included and specifically described in Exhibit 1530. The D3510 Road includes the segment of road specifically set forth in Exhibit 1530 and as exists on the ground.

Acceptance of the D3510 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18915. The D3510 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18916. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3510 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18917. The appearance of the D3510 Road on the Clay Hills (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18918. The D3510 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3510 Road pursuant to the County's governmental right and authority.

18919. Witnesses with personal knowledge of the history of the D3510 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18920. Currently known reputation in the community is that the D3510 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18921. Public motor vehicle use of the D3510 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18922. The D3510 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18923. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3510 Road.

18924. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3510 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3511 Road

18925. The D3511 Road is designated as county road number D3511 and SGID road identification number RD192739 and is more or less 1.74 miles long.

18926. Exhibit 1531 (attached hereto and incorporated herein) contains certain

information pertaining to the D3511 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18927. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3511 Road solely as it crosses United States public land as included and specifically described in Exhibit 1531. The D3511 Road includes the segment of road specifically set forth in Exhibit 1531 and as exists on the ground.

Acceptance of the D3511 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18928. The D3511 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18929. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3511 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18930. The appearance of the D3511 Road on the Clay Hills (1954) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

18931. The D3511 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3511 Road pursuant to the County's governmental right and authority.

18932. Witnesses with personal knowledge of the history of the D3511 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18933. Currently known reputation in the community is that the D3511 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18934. Public motor vehicle use of the D3511 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18935. The D3511 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18936. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3511 Road.

18937. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3511 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3514 Road

18938. The D3514 Road is designated as county road number D3514 and SGID road identification number RD192741 and is more or less 2.54 miles long.

18939. Exhibit 1532 (attached hereto and incorporated herein) contains certain information pertaining to the D3514 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18940. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3514 Road solely as it crosses United States public land as included and specifically described in Exhibit 1532. The D3514 Road includes the segment of road specifically set forth in Exhibit 1532 and as exists on the ground.

Acceptance of the D3514 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18941. The D3514 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18942. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3514 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18943. The D3514 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3514 Road pursuant to the County's governmental right and authority.

18944. Witnesses with personal knowledge of the history of the D3514 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18945. Currently known reputation in the community is that the D3514 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18946. Public motor vehicle use of the D3514 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18947. The D3514 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18948. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3514 Road.

18949. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3514 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3517 Road

18950. The D3517 Road is designated as county road number D3517 and SGID road identification number RD192743 and is more or less 6.10 miles long.

18951. Exhibit 1533 (attached hereto and incorporated herein) contains certain information pertaining to the D3517 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18952. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3517 Road solely as it crosses United States public land as included and specifically described in Exhibit 1533. The D3517 Road includes the segment of road specifically set forth in Exhibit 1533 and as exists on the ground.

Acceptance of the D3517 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18953. The D3517 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18954. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3517 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18955. The D3517 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3517 Road pursuant to the County's governmental right and authority.

18956. Witnesses with personal knowledge of the history of the D3517 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18957. Currently known reputation in the community is that the D3517 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18958. Public motor vehicle use of the D3517 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18959. The D3517 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18960. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3517 Road.

18961. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3517 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3518 Road

18962. The D3518 Road is designated as county road number D3518 and SGID road identification number RD192744 and is more or less 0.86 miles long.

18963. Exhibit 1534 (attached hereto and incorporated herein) contains certain information pertaining to the D3518 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18964. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3518 Road solely as it crosses United States public land as included and specifically described in Exhibit 1534. The D3518 Road includes the segment of road specifically set forth in Exhibit 1534 and as exists on the ground.

Acceptance of the D3518 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18965. The D3518 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18966. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3518 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18967. The D3518 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3518 Road pursuant to the County's governmental right and authority.

18968. Witnesses with personal knowledge of the history of the D3518 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18969. Currently known reputation in the community is that the D3518 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18970. Public motor vehicle use of the D3518 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18971. The D3518 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18972. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3518 Road.

18973. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3518 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3520 Road

18974. The D3520 Road is designated as county road number D3520 and SGID road identification number RD192745 and is more or less 3.73 miles long.

18975. Exhibit 1535 (attached hereto and incorporated herein) contains certain information pertaining to the D3520 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18976. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3520 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1535. The D3520 Road includes the segment of road specifically set forth in Exhibit 1535 and as exists on the ground.

Acceptance of the D3520 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18977. The D3520 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18978. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3520 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18979. The County confirmed its acceptance of the D3520 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3520 Road pursuant to the County's governmental right and authority.

18980. Witnesses with personal knowledge of the history of the D3520 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18981. Currently known reputation in the community is that the D3520 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18982. Public motor vehicle use of the D3520 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18983. The D3520 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18984. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3520 Road.

18985. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3520 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4346 Road

18986. The D4346 Road is designated as county road number D4346 and SGID road identification number RD193172 and is more or less 2.77 miles long.

18987. Exhibit 1536 (attached hereto and incorporated herein) contains certain information pertaining to the D4346 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18988. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4346 Road solely as it crosses United States public land as included and specifically described in Exhibit 1536. The D4346 Road includes the segment of road

specifically set forth in Exhibit 1536 and as exists on the ground.

Acceptance of the D4346 Road R.S. 2477 Right-of-way Prior to October 21, 1976

18989. The D4346 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18990. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D4346 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18991. The D4346 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4346 Road pursuant to the County's governmental right and authority.

18992. Witnesses with personal knowledge of the history of the D4346 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18993. Currently known reputation in the community is that the D4346 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18994. Public motor vehicle use of the D4346 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

18995. The D4346 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18996. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4346 Road.

18997. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4346 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4347 Road

18998. The D4347 Road is designated as county road number D4347 and SGID road identification number RD193173 and is more or less 0.26 miles long.

18999. Exhibit 1537 (attached hereto and incorporated herein) contains certain information pertaining to the D4347 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19000. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4347 Road solely as it crosses United States public land as included and specifically described in Exhibit 1537. The D4347 Road includes the segment of road specifically set forth in Exhibit 1537 and as exists on the ground.

Acceptance of the D4347 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19001. The D4347 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19002. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D4347 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19003. The D4347 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4347 Road pursuant to the County's governmental right and authority.

19004. Witnesses with personal knowledge of the history of the D4347 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19005. Currently known reputation in the community is that the D4347 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19006. Public motor vehicle use of the D4347 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19007. The D4347 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19008. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4347 Road.

19009. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4347 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4780 Road

19010. The D4780 Road is designated as county road number D4780 and SGID road identification number RD193337 and is more or less 0.54 miles long.

19011. Exhibit 1538 (attached hereto and incorporated herein) contains certain information pertaining to the D4780 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19012. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4780 Road solely as it crosses United States public land as included and specifically described in Exhibit 1538. The D4780 Road includes the segment of road specifically set forth in Exhibit 1538 and as exists on the ground.

Acceptance of the D4780 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19013. The D4780 Road has long served as a public highway providing access to and

across public land. This road serves the public's transportation needs.

19014. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D4780 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19015. The D4780 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4780 Road pursuant to the County's governmental right and authority.

19016. Witnesses with personal knowledge of the history of the D4780 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19017. Currently known reputation in the community is that the D4780 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19018. Public motor vehicle use of the D4780 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19019. The D4780 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19020. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4780 Road.

19021. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4780 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

TWENTY-SECOND CAUSE OF ACTION – QUIET TITLE
RED CANYON AREA

19022. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

19023. The Red Canyon Area is located in west-central San Juan County and is shown on Exhibit 24, attached hereto and incorporated herein.

19024. The Red Canyon Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Blue Notch Road, B2061; (2) Fry Mesa Road, B2371; (3) Happy Jack Road, B2071; (4) Mossback Road, B2431; (5) Mossback Dugway Road, B2591; (6) Radium King Road, B258; (7) Red Canyon Road, B259; (8) D0009 Road; (9) D0010 Road; (10) D0012 Road; (11) D0013 Road; (12) D0015 Road; (13) D0016 Road; (14) D0017 Road; (15) D0018 Road; (16) D0019 Road; (17) D0022 Road; (18) D0024 Road; (19) D0025 Road; (20) D0026 Road; (21) D0027 Road; (22) D0029 Road; (23) D0030 Road; (24) D0033 Road; (25) D0036 Road; (26) D0037 Road; (27) D0065 Road; (28) D0066 Road; (29) D1166 Road; (30) D2029 Road; (31) D2030 Road; (32) D2031 Road; (33) D2034 Road; (34) D2035 Road; (35) D2041 Road; (36) D2042 Road; (37) D2043 Road; (38) D2052 Road; (39) D2053 Road; (40) D2161 Road; (41) D2168 Road; (42) D2171 Road; (43) D2174 Road; (44)

D2177 Road; (45) D2185 Road; (46) D3483 Road; (47) D3538 Road; (48) D3539 Road; (49) D3540 Road; (50) D3542 Road; (51) D3564 Road; (52) D3565 Road; (53) D3573 Road; (54) D3574 Road; (55) D3577 Road; (56) D3580 Road; (57) D3581 Road; (58) D3589 Road; (59) D3594 Road; (60) D3596 Road; (61) D3600 Road; (62) D3602 Road; (63) D3604 Road; (64) D3605 Road; and (65) D3629 Road.

19025. Each right-of-way claimed in the Red Canyon Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

19026. All rights-of-way claimed in the Red Canyon Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

19027. All rights-of-way claimed in the Red Canyon Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

19028. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the

entire length and course of all roads as described herein, on public lands owned by the United States.

Blue Notch Road, B2061

19029. The Blue Notch Road is designated as county road number B2061 and SGID road identification number RD190165 and is more or less 13.02 miles long.

19030. Exhibit 1539 (attached hereto and incorporated herein) contains certain information pertaining to the Blue Notch Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19031. In this action, the State and County seek to quiet title to the public highway right-of-way for the Blue Notch Road solely as it crosses United States public land as included and specifically described in Exhibit 1539. The Blue Notch Road includes the segment of road specifically set forth in Exhibit 1539 and as exists on the ground.

Acceptance of the Blue Notch Road R.S. 2477 Right-of-way Prior to October 21, 1976

19032. The Blue Notch Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19033. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Blue Notch Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19034. The County confirmed its acceptance of the Blue Notch Road by 1974, when it

designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Blue Notch Road using public funds pursuant to the County's governmental right and authority.

19035. Witnesses with personal knowledge of the history of the Blue Notch Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19036. Currently known reputation in the community is that the Blue Notch Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19037. Public motor vehicle use of the Blue Notch Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19038. The Blue Notch Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19039. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Blue Notch Road.

19040. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Blue Notch Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Fry Mesa Road, B2371

19041. The Fry Mesa Road is designated as county road number B2371 and SGID road identification number RD190227 and is more or less 2.07 miles long.

19042. Exhibit 1540 (attached hereto and incorporated herein) contains certain information pertaining to the Fry Mesa Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19043. In this action, the State and County seek to quiet title to the public highway right-of-way for the Fry Mesa Road solely as it crosses United States public land as included and specifically described in Exhibit 1540. The Fry Mesa Road includes the segment of road specifically set forth in Exhibit 1540 and as exists on the ground.

Acceptance of the Fry Mesa Road R.S. 2477 Right-of-way Prior to October 21, 1976

19044. The Fry Mesa Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19045. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Fry Mesa Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19046. The appearance of the Fry Mesa Road on The Cheesebox (1952) and Moss Back Butte (1952) USGS 7.5-minute quadrangle maps and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19047. The Fry Mesa Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Fry Mesa Road using public funds pursuant to the County's governmental right and authority.

19048. Witnesses with personal knowledge of the history of the Fry Mesa Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19049. Currently known reputation in the community is that the Fry Mesa Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19050. Public motor vehicle use of the Fry Mesa Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19051. The Fry Mesa Road traverses a valid and perfected R.S. 2477 public highway

right-of-way as described herein.

19052. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Fry Mesa Road.

19053. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Fry Mesa Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Happy Jack Road, B2071

19054. The Happy Jack Road is designated as county road number B2071 and SGID road identification number RD190167 and is more or less 0.97 miles long.

19055. Exhibit 1541 (attached hereto and incorporated herein) contains certain information pertaining to the Happy Jack Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19056. In this action, the State and County seek to quiet title to the public highway right-of-way for the Happy Jack Road solely as it crosses United States public land as included and specifically described in Exhibit 1541. The Happy Jack Road includes the segment of road specifically set forth in Exhibit 1541 and as exists on the ground.

Acceptance of the Happy Jack Road R.S. 2477 Right-of-way Prior to October 21, 1976

19057. The Happy Jack Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19058. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Happy Jack Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19059. The County confirmed its acceptance of the Happy Jack Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Happy Jack Road using public funds pursuant to the County's governmental right and authority.

19060. Witnesses with personal knowledge of the history of the Happy Jack Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19061. Currently known reputation in the community is that the Happy Jack Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19062. Public motor vehicle use of the Happy Jack Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19063. The Happy Jack Road traverses a valid and perfected R.S. 2477 public highway

right-of-way as described herein.

19064. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Happy Jack Road.

19065. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Happy Jack Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Mossback Road, B2431

19066. The Mossback Road is designated as county road number B2431 and SGID road identification number RD190239 and is more or less 13.13 miles long.

19067. Exhibit 1542 (attached hereto and incorporated herein) contains certain information pertaining to the Mossback Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19068. In this action, the State and County seek to quiet title to the public highway right-of-way for the Mossback Road solely as it crosses United States public land as included and specifically described in Exhibit 1542. The Mossback Road includes the segment of road specifically set forth in Exhibit 1542 and as exists on the ground.

Acceptance of the Mossback Road R.S. 2477 Right-of-way Prior to October 21, 1976

19069. The Mossback Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19070. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Mossback Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19071. The appearance of the Mossback Road on the Fry Spring (1952) and Moss Back Butte (1952) USGS 7.5-minute quadrangle maps and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19072. The County confirmed its acceptance of the Mossback Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Mossback Road using public funds pursuant to the County's governmental right and authority.

19073. Witnesses with personal knowledge of the history of the Mossback Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19074. Currently known reputation in the community is that the Mossback Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

19075. Public motor vehicle use of the Mossback Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19076. The Mossback Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19077. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Mossback Road.

19078. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Mossback Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Mossback Dugway Road, B2591

19079. The Mossback Dugway Road is designated as county road number B2591 and SGID road identification number RD190271 and is more or less 4.09 miles long.

19080. Exhibit 1543 (attached hereto and incorporated herein) contains certain information pertaining to the Mossback Dugway Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19081. In this action, the State and County seek to quiet title to the public highway right-of-way for the Mossback Dugway Road solely as it crosses United States public land as included and specifically described in Exhibit 1543. The Mossback Dugway Road includes the segment of road specifically set forth in Exhibit 1543 and as exists on the ground.

Acceptance of the Mossback Dugway Road R.S. 2477 Right-of-way Prior to October 21, 1976

19082. The Mossback Dugway Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19083. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Mossback Dugway Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19084. The Mossback Dugway Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Mossback Dugway Road using public funds pursuant to the County's governmental right and authority.

19085. Witnesses with personal knowledge of the history of the Mossback Dugway Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19086. Currently known reputation in the community is that the Mossback Dugway Road has been open for all to come and go whenever convenient or necessary for more than 10 years

prior to October 21, 1976, and continuing to the present.

19087. Public motor vehicle use of the Mossback Dugway Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19088. The Mossback Dugway Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19089. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Mossback Dugway Road.

19090. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Mossback Dugway Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Radium King Road, B258

19091. The Radium King Road is designated as county road number B258 and SGID road identification number RD190268 and is more or less 23.02 miles long.

19092. Exhibit 1544 (attached hereto and incorporated herein) contains certain information pertaining to the Radium King Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19093. In this action, the State and County seek to quiet title to the public highway right-of-way for the Radium King Road solely as it crosses United States public land as included and specifically described in Exhibit 1544. The Radium King Road includes the segment of road specifically set forth in Exhibit 1544 and as exists on the ground.

Acceptance of the Radium King Road R.S. 2477 Right-of-way Prior to October 21, 1976

19094. The Radium King Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19095. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Radium King Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19096. The appearance of the Radium King Road on the Jacobs Chair (1952), Fry Spring (1952), and Moss Back Butte (1952) USGS 7.5-minute quadrangle maps and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19097. The County confirmed its acceptance of the Radium King Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Radium King Road using public funds pursuant to the County's governmental right and authority.

19098. Witnesses with personal knowledge of the history of the Radium King Road

confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19099. Currently known reputation in the community is that the Radium King Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19100. Public motor vehicle use of the Radium King Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19101. The Radium King Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19102. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Radium King Road.

19103. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Radium King Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Red Canyon Road, B259

19104. The Red Canyon Road is designated as county road number B259 and SGID road

identification number RD190270 and is more or less 30.39 miles long.

19105. Exhibit 1545 (attached hereto and incorporated herein) contains certain information pertaining to the Red Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19106. In this action, the State and County seek to quiet title to the public highway right-of-way for the Red Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 1545. The Red Canyon Road includes the segment of road specifically set forth in Exhibit 1545 and as exists on the ground.

Acceptance of the Red Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

19107. The Red Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19108. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Red Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19109. The appearance of the Red Canyon Road on the Red House Spring (1952), Fry Spring (1952), Chocolate Drop (1952), and Good Hope Bay (1952) USGS 7.5-minute quadrangle maps and the Natural Bridges (1952), Grand Gulch (1963), and Mancos Mesa (1952) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19110. The County confirmed its acceptance of the Red Canyon Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Red Canyon Road using public funds pursuant to the County's governmental right and authority.

19111. Witnesses with personal knowledge of the history of the Red Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19112. Currently known reputation in the community is that the Red Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19113. Public motor vehicle use of the Red Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19114. The Red Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19115. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Red Canyon Road.

19116. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Red Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0009 Road

19117. The D0009 Road is designated as county road number D0009 and SGID road identification number RD190860 and is more or less 0.99 miles long.

19118. Exhibit 1546 (attached hereto and incorporated herein) contains certain information pertaining to the D0009 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19119. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0009 Road solely as it crosses United States public land as included and specifically described in Exhibit 1546. The D0009 Road includes the segment of road specifically set forth in Exhibit 1546 and as exists on the ground.

Acceptance of the D0009 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19120. The D0009 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19121. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0009 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography

continues to show the road as it existed prior to October 21, 1976.

19122. The D0009 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0009 Road pursuant to the County's governmental right and authority.

19123. Witnesses with personal knowledge of the history of the D0009 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19124. Currently known reputation in the community is that the D0009 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19125. Public motor vehicle use of the D0009 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19126. The D0009 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19127. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0009 Road.

19128. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the D0009 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0010 Road

19129. The D0010 Road is designated as county road number D0010 and SGID road identification number RD190861 and is more or less 2.73 miles long.

19130. Exhibit 1547 (attached hereto and incorporated herein) contains certain information pertaining to the D0010 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19131. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0010 Road solely as it crosses United States public land as included and specifically described in Exhibit 1547. The D0010 Road includes the segment of road specifically set forth in Exhibit 1547 and as exists on the ground.

Acceptance of the D0010 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19132. The D0010 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19133. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0010 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19134. The D0010 Road was accepted as a County highway at least 10 years prior to

October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0010 Road pursuant to the County's governmental right and authority.

19135. Witnesses with personal knowledge of the history of the D0010 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19136. Currently known reputation in the community is that the D0010 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19137. Public motor vehicle use of the D0010 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19138. The D0010 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19139. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0010 Road.

19140. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0010 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0012 Road

19141. The D0012 Road is designated as county road number D0012 and SGID road identification number RD190542 and is more or less 10.23 miles long.

19142. Exhibit 1548 (attached hereto and incorporated herein) contains certain information pertaining to the D0012 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19143. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0012 Road solely as it crosses United States public land as included and specifically described in Exhibit 1548. The D0012 Road includes the segment of road specifically set forth in Exhibit 1548 and as exists on the ground.

Acceptance of the D0012 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19144. The D0012 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19145. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0012 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19146. The appearance of the D0012 Road on the Chocolate Drop (1952) USGS 7.5-minute quadrangle map and the Mancos Mesa (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See*

Exhibit 27 for more detailed map information.

19147. The D0012 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0012 Road pursuant to the County's governmental right and authority.

19148. Witnesses with personal knowledge of the history of the D0012 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19149. Currently known reputation in the community is that the D0012 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19150. Public motor vehicle use of the D0012 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19151. The D0012 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19152. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0012 Road.

19153. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the D0012 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0013 Road

19154. The D0013 Road is designated as county road number D0013 and SGID road identification number RD190543 and is more or less 9.04 miles long.

19155. Exhibit 1549 (attached hereto and incorporated herein) contains certain information pertaining to the D0013 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19156. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0013 Road solely as it crosses United States public land as included and specifically described in Exhibit 1549. The D0013 Road includes the segment of road specifically set forth in Exhibit 1549 and as exists on the ground.

Acceptance of the D0013 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19157. The D0013 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19158. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0013 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19159. The County confirmed its acceptance of the D0013 Road by 1974, when it

designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0013 Road pursuant to the County's governmental right and authority.

19160. Witnesses with personal knowledge of the history of the D0013 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19161. Currently known reputation in the community is that the D0013 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19162. Public motor vehicle use of the D0013 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19163. The D0013 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19164. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0013 Road.

19165. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0013 Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0015 Road

19166. The D0015 Road is designated as county road number D0015 and SGID road identification number RD190545 and is more or less 5.79 miles long.

19167. Exhibit 1550 (attached hereto and incorporated herein) contains certain information pertaining to the D0015 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19168. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0015 Road solely as it crosses United States public land as included and specifically described in Exhibit 1550. The D0015 Road includes the segment of road specifically set forth in Exhibit 1550 and as exists on the ground.

Acceptance of the D0015 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19169. The D0015 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19170. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0015 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19171. The appearance of the D0015 Road on the Good Hope Bay (1952) USGS 7.5-minute quadrangle map and the Mancos Mesa (1952) USGS 15-minute quadrangle map

evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19172. The County confirmed its acceptance of the D0015 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0015 Road pursuant to the County's governmental right and authority.

19173. Witnesses with personal knowledge of the history of the D0015 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19174. Currently known reputation in the community is that the D0015 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19175. Public motor vehicle use of the D0015 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19176. The D0015 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19177. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the D0015 Road.

19178. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0015 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0016 Road

19179. The D0016 Road is designated as county road number D0016 and SGID road identification number RD190863 and is more or less 3.75 miles long.

19180. Exhibit 1551 (attached hereto and incorporated herein) contains certain information pertaining to the D0016 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19181. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0016 Road solely as it crosses United States public land as included and specifically described in Exhibit 1551. The D0016 Road includes the segment of road specifically set forth in Exhibit 1551 and as exists on the ground.

Acceptance of the D0016 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19182. The D0016 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19183. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0016 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography

continues to show the road as it existed prior to October 21, 1976.

19184. The D0016 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0016 Road pursuant to the County's governmental right and authority.

19185. Witnesses with personal knowledge of the history of the D0016 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19186. Currently known reputation in the community is that the D0016 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19187. Public motor vehicle use of the D0016 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19188. The D0016 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19189. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0016 Road.

19190. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the D0016 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0017 Road

19191. The D0017 Road is designated as county road number D0017 and SGID road identification number RD190546 and is more or less 9.44 miles long.

19192. Exhibit 1552 (attached hereto and incorporated herein) contains certain information pertaining to the D0017 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19193. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0017 Road solely as it crosses United States public land as included and specifically described in Exhibit 1552. The D0017 Road includes the segment of road specifically set forth in Exhibit 1552 and as exists on the ground.

Acceptance of the D0017 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19194. The D0017 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19195. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0017 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19196. The D0017 Road was accepted as a County highway at least 10 years prior to

October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0017 Road pursuant to the County's governmental right and authority.

19197. Witnesses with personal knowledge of the history of the D0017 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19198. Currently known reputation in the community is that the D0017 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19199. Public motor vehicle use of the D0017 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19200. The D0017 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19201. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0017 Road.

19202. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0017 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0018 Road

19203. The D0018 Road is designated as county road number D0018 and SGID road identification number RD190864 and is more or less 1.25 miles long.

19204. Exhibit 1553 (attached hereto and incorporated herein) contains certain information pertaining to the D0018 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19205. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0018 Road solely as it crosses United States public land as included and specifically described in Exhibit 1553. The D0018 Road includes the segment of road specifically set forth in Exhibit 1553 and as exists on the ground.

Acceptance of the D0018 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19206. The D0018 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19207. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0018 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19208. The D0018 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0018 Road pursuant to the County's governmental

right and authority.

19209. Witnesses with personal knowledge of the history of the D0018 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19210. Currently known reputation in the community is that the D0018 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19211. Public motor vehicle use of the D0018 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19212. The D0018 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19213. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0018 Road.

19214. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0018 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0019 Road

19215. The D0019 Road is designated as county road number D0019 and SGID road

identification number RD190547 and is more or less 7.08 miles long.

19216. Exhibit 1554 (attached hereto and incorporated herein) contains certain information pertaining to the D0019 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19217. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0019 Road solely as it crosses United States public land as included and specifically described in Exhibit 1554. The D0019 Road includes the segment of road specifically set forth in Exhibit 1554 and as exists on the ground.

Acceptance of the D0019 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19218. The D0019 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19219. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0019 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19220. The D0019 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0019 Road pursuant to the County's governmental right and authority.

19221. Witnesses with personal knowledge of the history of the D0019 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19222. Currently known reputation in the community is that the D0019 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19223. Public motor vehicle use of the D0019 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19224. The D0019 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19225. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0019 Road.

19226. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0019 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0022 Road

19227. The D0022 Road is designated as county road number D0022 and SGID road identification number RD190866 and is more or less 1.37 miles long.

19228. Exhibit 1555 (attached hereto and incorporated herein) contains certain

information pertaining to the D0022 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19229. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0022 Road solely as it crosses United States public land as included and specifically described in Exhibit 1555. The D0022 Road includes the segment of road specifically set forth in Exhibit 1555 and as exists on the ground.

Acceptance of the D0022 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19230. The D0022 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19231. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0022 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19232. The D0022 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0022 Road pursuant to the County's governmental right and authority.

19233. Witnesses with personal knowledge of the history of the D0022 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19234. Currently known reputation in the community is that the D0022 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19235. Public motor vehicle use of the D0022 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19236. The D0022 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19237. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0022 Road.

19238. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0022 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0024 Road

19239. The D0024 Road is designated as county road number D0024 and SGID road identification number RD190868 and is more or less 1.62 miles long.

19240. Exhibit 1556 (attached hereto and incorporated herein) contains certain information pertaining to the D0024 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list;

and a complete centerline description of the road.

19241. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0024 Road solely as it crosses United States public land as included and specifically described in Exhibit 1556. The D0024 Road includes the segment of road specifically set forth in Exhibit 1556 and as exists on the ground.

Acceptance of the D0024 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19242. The D0024 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19243. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0024 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19244. The County confirmed its acceptance of the D0024 Road by 1974, when it designated and accepted the road as a county highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0024 Road pursuant to the County's governmental right and authority.

19245. Witnesses with personal knowledge of the history of the D0024 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19246. Currently known reputation in the community is that the D0024 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19247. Public motor vehicle use of the D0024 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19248. The D0024 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19249. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0024 Road.

19250. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0024 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0025 Road

19251. The D0025 Road is designated as county road number D0025 and SGID road identification number RD190869 and is more or less 1.63 miles long.

19252. Exhibit 1557 (attached hereto and incorporated herein) contains certain information pertaining to the D0025 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19253. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0025 Road solely as it crosses United States public land as included and specifically described in Exhibit 1557. The D0025 Road includes the segment of road specifically set forth in Exhibit 1557 and as exists on the ground.

Acceptance of the D0025 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19254. The D0025 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19255. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0025 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19256. The D0025 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0025 Road pursuant to the County's governmental right and authority.

19257. Witnesses with personal knowledge of the history of the D0025 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19258. Currently known reputation in the community is that the D0025 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19259. Public motor vehicle use of the D0025 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19260. The D0025 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19261. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0025 Road.

19262. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0025 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0026 Road

19263. The D0026 Road is designated as county road number D0026 and SGID road identification number RD190870 and is more or less 1.01 miles long.

19264. Exhibit 1558 (attached hereto and incorporated herein) contains certain information pertaining to the D0026 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19265. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0026 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1558. The D0026 Road includes the segment of road specifically set forth in Exhibit 1558 and as exists on the ground.

Acceptance of the D0026 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19266. The D0026 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19267. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0026 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19268. The D0026 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0026 Road pursuant to the County's governmental right and authority.

19269. Witnesses with personal knowledge of the history of the D0026 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19270. Currently known reputation in the community is that the D0026 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19271. Public motor vehicle use of the D0026 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19272. The D0026 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19273. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0026 Road.

19274. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0026 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0027 Road

19275. The D0027 Road is designated as county road number D0027 and SGID road identification number RD190871 and is more or less 1.35 miles long.

19276. Exhibit 1559 (attached hereto and incorporated herein) contains certain information pertaining to the D0027 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19277. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0027 Road solely as it crosses United States public land as included and specifically described in Exhibit 1559. The D0027 Road includes the segment of road specifically set forth in Exhibit 1559 and as exists on the ground.

Acceptance of the D0027 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19278. The D0027 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19279. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0027 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19280. The D0027 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0027 Road pursuant to the County's governmental right and authority.

19281. Witnesses with personal knowledge of the history of the D0027 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19282. Currently known reputation in the community is that the D0027 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19283. Public motor vehicle use of the D0027 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19284. The D0027 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19285. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0027 Road.

19286. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0027 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0029 Road

19287. The D0029 Road is designated as county road number D0029 and SGID road identification number RD190548 and is more or less 7.34 miles long.

19288. Exhibit 1560 (attached hereto and incorporated herein) contains certain information pertaining to the D0029 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19289. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0029 Road solely as it crosses United States public land as included and specifically described in Exhibit 1560. The D0029 Road includes the segment of road specifically set forth in Exhibit 1560 and as exists on the ground.

Acceptance of the D0029 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19290. The D0029 Road has long served as a public highway providing access to and

across public land. This road serves the public's transportation needs.

19291. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0029 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19292. The D0029 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0029 Road pursuant to the County's governmental right and authority.

19293. Witnesses with personal knowledge of the history of the D0029 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19294. Currently known reputation in the community is that the D0029 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19295. Public motor vehicle use of the D0029 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19296. The D0029 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19297. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0029 Road.

19298. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0029 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0030 Road

19299. The D0030 Road is designated as county road number D0030 and SGID road identification number RD190873 and is more or less 4.73 miles long.

19300. Exhibit 1561 (attached hereto and incorporated herein) contains certain information pertaining to the D0030 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19301. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0030 Road solely as it crosses United States public land as included and specifically described in Exhibit 1561. The D0030 Road includes the segment of road specifically set forth in Exhibit 1561 and as exists on the ground.

Acceptance of the D0030 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19302. The D0030 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19303. Aerial photography from 1975 confirms the historical use, existence, and

acceptance of the right-of-way for the D0030 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19304. The D0030 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0030 Road pursuant to the County's governmental right and authority.

19305. Witnesses with personal knowledge of the history of the D0030 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19306. Currently known reputation in the community is that the D0030 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19307. Public motor vehicle use of the D0030 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19308. The D0030 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19309. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the D0030 Road.

19310. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0030 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0033 Road

19311. The D0033 Road is designated as county road number D0033 and SGID road identification number RD190876 and is more or less 0.37 miles long.

19312. Exhibit 1562 (attached hereto and incorporated herein) contains certain information pertaining to the D0033 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19313. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0033 Road solely as it crosses United States public land as included and specifically described in Exhibit 1562. The D0033 Road includes the segment of road specifically set forth in Exhibit 1562 and as exists on the ground.

Acceptance of the D0033 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19314. The D0033 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19315. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0033 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography

continues to show the road as it existed prior to October 21, 1976.

19316. The D0033 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0033 Road pursuant to the County's governmental right and authority.

19317. Witnesses with personal knowledge of the history of the D0033 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19318. Currently known reputation in the community is that the D0033 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19319. Public motor vehicle use of the D0033 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19320. The D0033 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19321. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0033 Road.

19322. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the D0033 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0036 Road

19323. The D0036 Road is designated as county road number D0036 and SGID road identification number RD190549 and is more or less 3.78 miles long.

19324. Exhibit 1563 (attached hereto and incorporated herein) contains certain information pertaining to the D0036 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19325. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0036 Road solely as it crosses United States public land as included and specifically described in Exhibit 1563. The D0036 Road includes the segment of road specifically set forth in Exhibit 1563 and as exists on the ground.

Acceptance of the D0036 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19326. The D0036 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19327. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0036 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19328. The County confirmed its acceptance of the D0036 Road by 1974, when it

designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0036 Road pursuant to the County's governmental right and authority.

19329. Witnesses with personal knowledge of the history of the D0036 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19330. Currently known reputation in the community is that the D0036 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19331. Public motor vehicle use of the D0036 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19332. The D0036 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19333. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0036 Road.

19334. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0036 Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0037 Road

19335. The D0037 Road is designated as county road number D0037 and SGID road identification number RD190550 and is more or less 9.78 miles long.

19336. Exhibit 1564 (attached hereto and incorporated herein) contains certain information pertaining to the D0037 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19337. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0037 Road solely as it crosses United States public land as included and specifically described in Exhibit 1564. The D0037 Road includes the segment of road specifically set forth in Exhibit 1564 and as exists on the ground.

Acceptance of the D0037 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19338. The D0037 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19339. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0037 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19340. The County confirmed its acceptance of the D0037 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map.

The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0037 Road pursuant to the County's governmental right and authority.

19341. Witnesses with personal knowledge of the history of the D0037 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19342. Currently known reputation in the community is that the D0037 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19343. Public motor vehicle use of the D0037 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19344. The D0037 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19345. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0037 Road.

19346. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0037 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0065 Road

19347. The D0065 Road is designated as county road number D0065 and SGID road identification number RD190900 and is more or less 0.42 miles long.

19348. Exhibit 1565 (attached hereto and incorporated herein) contains certain information pertaining to the D0065 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19349. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0065 Road solely as it crosses United States public land as included and specifically described in Exhibit 1565. The D0065 Road includes the segment of road specifically set forth in Exhibit 1565 and as exists on the ground.

Acceptance of the D0065 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19350. The D0065 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19351. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0065 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19352. The appearance of the D0065 Road on the Moss Back Butte (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See*

Exhibit 27 for more detailed map information.

19353. The D0065 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0065 Road pursuant to the County's governmental right and authority.

19354. Witnesses with personal knowledge of the history of the D0065 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19355. Currently known reputation in the community is that the D0065 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19356. Public motor vehicle use of the D0065 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19357. The D0065 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19358. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0065 Road.

19359. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the D0065 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0066 Road

19360. The D0066 Road is designated as county road number D0066 and SGID road identification number RD190901 and is more or less 2.49 miles long.

19361. Exhibit 1566 (attached hereto and incorporated herein) contains certain information pertaining to the D0066 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19362. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0066 Road solely as it crosses United States public land as included and specifically described in Exhibit 1566. The D0066 Road includes the segment of road specifically set forth in Exhibit 1566 and as exists on the ground.

Acceptance of the D0066 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19363. The D0066 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19364. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0066 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19365. The appearance of the D0066 Road on the Moss Back Butte (1952) USGS 7.5-

minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19366. The County confirmed its acceptance of the D0066 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0066 Road pursuant to the County's governmental right and authority.

19367. Witnesses with personal knowledge of the history of the D0066 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19368. Currently known reputation in the community is that the D0066 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19369. Public motor vehicle use of the D0066 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19370. The D0066 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19371. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0066 Road.

19372. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0066 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1166 Road

19373. The D1166 Road is designated as county road number D1166 and SGID road identification number RD191526 and is more or less 2.10 miles long.

19374. Exhibit 1567 (attached hereto and incorporated herein) contains certain information pertaining to the D1166 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19375. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1166 Road solely as it crosses United States public land as included and specifically described in Exhibit 1567. The D1166 Road includes the segment of road specifically set forth in Exhibit 1567 and as exists on the ground.

Acceptance of the D1166 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19376. The D1166 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19377. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D1166 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19378. The D1166 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1166 Road pursuant to the County's governmental right and authority.

19379. Witnesses with personal knowledge of the history of the D1166 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19380. Currently known reputation in the community is that the D1166 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19381. Public motor vehicle use of the D1166 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19382. The D1166 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19383. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1166 Road.

19384. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1166 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2029 Road

19385. The D2029 Road is designated as county road number D2029 and SGID road identification number RD191958 and is more or less 0.62 miles long.

19386. Exhibit 1568 (attached hereto and incorporated herein) contains certain information pertaining to the D2029 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19387. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2029 Road solely as it crosses United States public land as included and specifically described in Exhibit 1568. The D2029 Road includes the segment of road specifically set forth in Exhibit 1568 and as exists on the ground.

Acceptance of the D2029 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19388. The D2029 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19389. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2029 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19390. The D2029 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2029 Road pursuant to the County's governmental right and authority.

19391. Witnesses with personal knowledge of the history of the D2029 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19392. Currently known reputation in the community is that the D2029 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19393. Public motor vehicle use of the D2029 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19394. The D2029 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19395. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2029 Road.

19396. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2029 Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2030 Road

19397. The D2030 Road is designated as county road number D2030 and SGID road identification number RD191959 and is more or less 0.48 miles long.

19398. Exhibit 1569 (attached hereto and incorporated herein) contains certain information pertaining to the D2030 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19399. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2030 Road solely as it crosses United States public land as included and specifically described in Exhibit 1569. The D2030 Road includes the segment of road specifically set forth in Exhibit 1569 and as exists on the ground.

Acceptance of the D2030 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19400. The D2030 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19401. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2030 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19402. The D2030 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D2030 Road pursuant to the County's governmental right and authority.

19403. Witnesses with personal knowledge of the history of the D2030 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19404. Currently known reputation in the community is that the D2030 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19405. Public motor vehicle use of the D2030 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19406. The D2030 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19407. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2030 Road.

19408. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2030 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2031 Road

19409. The D2031 Road is designated as county road number D2031 and SGID road identification number RD191960 and is more or less 0.81 miles long.

19410. Exhibit 1570 (attached hereto and incorporated herein) contains certain information pertaining to the D2031 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19411. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2031 Road solely as it crosses United States public land as included and specifically described in Exhibit 1570. The D2031 Road includes the segment of road specifically set forth in Exhibit 1570 and as exists on the ground.

Acceptance of the D2031 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19412. The D2031 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19413. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2031 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19414. The appearance of the D2031 Road on The Cheesebox (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more

detailed map information.

19415. The D2031 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2031 Road pursuant to the County's governmental right and authority.

19416. Witnesses with personal knowledge of the history of the D2031 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19417. Currently known reputation in the community is that the D2031 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19418. Public motor vehicle use of the D2031 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19419. The D2031 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19420. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2031 Road.

19421. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the D2031 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2034 Road

19422. The D2034 Road is designated as county road number D2034 and SGID road identification number RD191963 and is more or less 1.04 miles long.

19423. Exhibit 1571 (attached hereto and incorporated herein) contains certain information pertaining to the D2034 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19424. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2034 Road solely as it crosses United States public land as included and specifically described in Exhibit 1571. The D2034 Road includes the segment of road specifically set forth in Exhibit 1571 and as exists on the ground.

Acceptance of the D2034 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19425. The D2034 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19426. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2034 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19427. The appearance of the D2034 Road on The Cheesebox (1952) USGS 7.5-minute

quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19428. The D2034 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2034 Road pursuant to the County's governmental right and authority.

19429. Witnesses with personal knowledge of the history of the D2034 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19430. Currently known reputation in the community is that the D2034 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19431. Public motor vehicle use of the D2034 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19432. The D2034 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19433. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the D2034 Road.

19434. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2034 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2035 Road

19435. The D2035 Road is designated as county road number D2035 and SGID road identification number RD191964 and is more or less 0.32 miles long.

19436. Exhibit 1572 (attached hereto and incorporated herein) contains certain information pertaining to the D2035 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19437. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2035 Road solely as it crosses United States public land as included and specifically described in Exhibit 1572. The D2035 Road includes the segment of road specifically set forth in Exhibit 1572 and as exists on the ground.

Acceptance of the D2035 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19438. The D2035 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19439. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2035 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography

continues to show the road as it existed prior to October 21, 1976.

19440. The D2035 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2035 Road pursuant to the County's governmental right and authority.

19441. Witnesses with personal knowledge of the history of the D2035 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19442. Currently known reputation in the community is that the D2035 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19443. Public motor vehicle use of the D2035 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19444. The D2035 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19445. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2035 Road.

19446. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the D2035 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2041 Road

19447. The D2041 Road is designated as county road number D2041 and SGID road identification number RD191969 and is more or less 4.52 miles long.

19448. Exhibit 1573 (attached hereto and incorporated herein) contains certain information pertaining to the D2041 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19449. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2041 Road solely as it crosses United States public land as included and specifically described in Exhibit 1573. The D2041 Road includes the segment of road specifically set forth in Exhibit 1573 and as exists on the ground.

Acceptance of the D2041 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19450. The D2041 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19451. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2041 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19452. The D2041 Road was accepted as a County highway at least 10 years prior to

October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2041 Road pursuant to the County's governmental right and authority.

19453. Witnesses with personal knowledge of the history of the D2041 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19454. Currently known reputation in the community is that the D2041 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19455. Public motor vehicle use of the D2041 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19456. The D2041 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19457. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2041 Road.

19458. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2041 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2042 Road

19459. The D2042 Road is designated as county road number D2042 and SGID road identification number RD191970 and is more or less 5.16 miles long.

19460. Exhibit 1574 (attached hereto and incorporated herein) contains certain information pertaining to the D2042 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19461. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2042 Road solely as it crosses United States public land as included and specifically described in Exhibit 1574. The D2042 Road includes the segment of road specifically set forth in Exhibit 1574 and as exists on the ground.

Acceptance of the D2042 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19462. The D2042 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19463. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2042 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19464. The D2042 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2042 Road pursuant to the County's governmental

right and authority.

19465. Witnesses with personal knowledge of the history of the D2042 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19466. Currently known reputation in the community is that the D2042 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19467. Public motor vehicle use of the D2042 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19468. The D2042 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19469. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2042 Road.

19470. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2042 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2043 Road

19471. The D2043 Road is designated as county road number D2043 and SGID road

identification number RD190690 and is more or less 5.58 miles long.

19472. Exhibit 1575 (attached hereto and incorporated herein) contains certain information pertaining to the D2043 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19473. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2043 Road solely as it crosses United States public land as included and specifically described in Exhibit 1575. The D2043 Road includes the segment of road specifically set forth in Exhibit 1575 and as exists on the ground.

Acceptance of the D2043 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19474. The D2043 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19475. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2043 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19476. The D2043 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2043 Road pursuant to the County's governmental right and authority.

19477. Witnesses with personal knowledge of the history of the D2043 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19478. Currently known reputation in the community is that the D2043 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19479. Public motor vehicle use of the D2043 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19480. The D2043 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19481. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2043 Road.

19482. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2043 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2052 Road

19483. The D2052 Road is designated as county road number D2052 and SGID road identification number RD190691 and is more or less 4.18 miles long.

19484. Exhibit 1576 (attached hereto and incorporated herein) contains certain

information pertaining to the D2052 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19485. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2052 Road solely as it crosses United States public land as included and specifically described in Exhibit 1576. The D2052 Road includes the segment of road specifically set forth in Exhibit 1576 and as exists on the ground.

Acceptance of the D2052 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19486. The D2052 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19487. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2052 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19488. The D2052 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2052 Road pursuant to the County's governmental right and authority.

19489. Witnesses with personal knowledge of the history of the D2052 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19490. Currently known reputation in the community is that the D2052 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19491. Public motor vehicle use of the D2052 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19492. The D2052 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19493. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2052 Road.

19494. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2052 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2053 Road

19495. The D2053 Road is designated as county road number D2053 and SGID road identification number RD191973 and is more or less 2.39 miles long.

19496. Exhibit 1577 (attached hereto and incorporated herein) contains certain information pertaining to the D2053 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list;

and a complete centerline description of the road.

19497. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2053 Road solely as it crosses United States public land as included and specifically described in Exhibit 1577. The D2053 Road includes the segment of road specifically set forth in Exhibit 1577 and as exists on the ground.

Acceptance of the D2053 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19498. The D2053 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19499. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2053 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19500. The D2053 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2053 Road pursuant to the County's governmental right and authority.

19501. Witnesses with personal knowledge of the history of the D2053 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19502. Currently known reputation in the community is that the D2053 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

19503. Public motor vehicle use of the D2053 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19504. The D2053 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19505. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2053 Road.

19506. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2053 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2161 Road

19507. The D2161 Road is designated as county road number D2161 and SGID road identification number RD192049 and is more or less 0.49 miles long.

19508. Exhibit 1578 (attached hereto and incorporated herein) contains certain information pertaining to the D2161 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19509. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D2161 Road solely as it crosses United States public land as included and specifically described in Exhibit 1578. The D2161 Road includes the segment of road specifically set forth in Exhibit 1578 and as exists on the ground.

Acceptance of the D2161 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19510. The D2161 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19511. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2161 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19512. The D2161 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2161 Road pursuant to the County's governmental right and authority.

19513. Witnesses with personal knowledge of the history of the D2161 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19514. Currently known reputation in the community is that the D2161 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19515. Public motor vehicle use of the D2161 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19516. The D2161 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19517. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2161 Road.

19518. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2161 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2168 Road

19519. The D2168 Road is designated as county road number D2168 and SGID road identification number RD190694 and is more or less 2.31 miles long.

19520. Exhibit 1579 (attached hereto and incorporated herein) contains certain information pertaining to the D2168 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19521. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2168 Road solely as it crosses United States public land as included and specifically described in Exhibit 1579. The D2168 Road includes the segment of road

specifically set forth in Exhibit 1579 and as exists on the ground.

Acceptance of the D2168 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19522. The D2168 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19523. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2168 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19524. The D2168 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2168 Road pursuant to the County's governmental right and authority.

19525. Witnesses with personal knowledge of the history of the D2168 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19526. Currently known reputation in the community is that the D2168 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19527. Public motor vehicle use of the D2168 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

19528. The D2168 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19529. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2168 Road.

19530. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2168 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2171 Road

19531. The D2171 Road is designated as county road number D2171 and SGID road identification number RD190695 and is more or less 4.22 miles long.

19532. Exhibit 1580 (attached hereto and incorporated herein) contains certain information pertaining to the D2171 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19533. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2171 Road solely as it crosses United States public land as included and specifically described in Exhibit 1580. The D2171 Road includes the segment of road specifically set forth in Exhibit 1580 and as exists on the ground.

Acceptance of the D2171 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19534. The D2171 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19535. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2171 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19536. The D2171 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2171 Road pursuant to the County's governmental right and authority.

19537. Witnesses with personal knowledge of the history of the D2171 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19538. Currently known reputation in the community is that the D2171 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19539. Public motor vehicle use of the D2171 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19540. The D2171 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19541. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2171 Road.

19542. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2171 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2174 Road

19543. The D2174 Road is designated as county road number D2174 and SGID road identification number RD192056 and is more or less 1.80 miles long.

19544. Exhibit 1581 (attached hereto and incorporated herein) contains certain information pertaining to the D2174 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19545. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2174 Road solely as it crosses United States public land as included and specifically described in Exhibit 1581. The D2174 Road includes the segment of road specifically set forth in Exhibit 1581 and as exists on the ground.

Acceptance of the D2174 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19546. The D2174 Road has long served as a public highway providing access to and

across public land. This road serves the public's transportation needs.

19547. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2174 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19548. The D2174 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2174 Road pursuant to the County's governmental right and authority.

19549. Witnesses with personal knowledge of the history of the D2174 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19550. Currently known reputation in the community is that the D2174 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19551. Public motor vehicle use of the D2174 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19552. The D2174 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19553. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2174 Road.

19554. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2174 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2177 Road

19555. The D2177 Road is designated as county road number D2177 and SGID road identification number RD192057 and is more or less 0.10 miles long.

19556. Exhibit 1582 (attached hereto and incorporated herein) contains certain information pertaining to the D2177 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19557. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2177 Road solely as it crosses United States public land as included and specifically described in Exhibit 1582. The D2177 Road includes the segment of road specifically set forth in Exhibit 1582 and as exists on the ground.

Acceptance of the D2177 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19558. The D2177 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19559. Aerial photography from 1976 confirms the historical use, existence, and

acceptance of the right-of-way for the D2177 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19560. The D2177 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2177 Road pursuant to the County's governmental right and authority.

19561. Witnesses with personal knowledge of the history of the D2177 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19562. Currently known reputation in the community is that the D2177 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19563. Public motor vehicle use of the D2177 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19564. The D2177 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19565. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the D2177 Road.

19566. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2177 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2185 Road

19567. The D2185 Road is designated as county road number D2185 and SGID road identification number RD192063 and is more or less 0.62 miles long.

19568. Exhibit 1583 (attached hereto and incorporated herein) contains certain information pertaining to the D2185 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19569. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2185 Road solely as it crosses United States public land as included and specifically described in Exhibit 1583. The D2185 Road includes the segment of road specifically set forth in Exhibit 1583 and as exists on the ground.

Acceptance of the D2185 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19570. The D2185 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19571. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2185 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography

continues to show the road as it existed prior to October 21, 1976.

19572. The appearance of the D2185 Road on the Fry Spring (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19573. The D2185 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2185 Road pursuant to the County's governmental right and authority.

19574. Witnesses with personal knowledge of the history of the D2185 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19575. Currently known reputation in the community is that the D2185 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19576. Public motor vehicle use of the D2185 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19577. The D2185 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19578. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2185 Road.

19579. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2185 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3483 Road

19580. The D3483 Road is designated as county road number D3483 and SGID road identification number RD190732 and is more or less 5.74 miles long.

19581. Exhibit 1584 (attached hereto and incorporated herein) contains certain information pertaining to the D3483 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19582. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3483 Road solely as it crosses United States public land as included and specifically described in Exhibit 1584. The D3483 Road includes the segment of road specifically set forth in Exhibit 1584 and as exists on the ground.

Acceptance of the D3483 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19583. The D3483 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19584. Aerial photography from 1976 confirms the historical use, existence, and

acceptance of the right-of-way for the D3483 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19585. The D3483 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3483 Road pursuant to the County's governmental right and authority.

19586. Witnesses with personal knowledge of the history of the D3483 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19587. Currently known reputation in the community is that the D3483 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19588. Public motor vehicle use of the D3483 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19589. The D3483 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19590. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the D3483 Road.

19591. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3483 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3538 Road

19592. The D3538 Road is designated as county road number D3538 and SGID road identification number RD192748 and is more or less 0.51 miles long.

19593. Exhibit 1585 (attached hereto and incorporated herein) contains certain information pertaining to the D3538 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19594. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3538 Road solely as it crosses United States public land as included and specifically described in Exhibit 1585. The D3538 Road includes the segment of road specifically set forth in Exhibit 1585 and as exists on the ground.

Acceptance of the D3538 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19595. The D3538 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19596. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3538 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography

continues to show the road as it existed prior to October 21, 1976.

19597. The D3538 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3538 Road pursuant to the County's governmental right and authority.

19598. Witnesses with personal knowledge of the history of the D3538 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19599. Currently known reputation in the community is that the D3538 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19600. Public motor vehicle use of the D3538 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19601. The D3538 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19602. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3538 Road.

19603. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the D3538 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3539 Road

19604. The D3539 Road is designated as county road number D3539 and SGID road identification number RD192749 and is more or less 1.37 miles long.

19605. Exhibit 1586 (attached hereto and incorporated herein) contains certain information pertaining to the D3539 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19606. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3539 Road solely as it crosses United States public land as included and specifically described in Exhibit 1586. The D3539 Road includes the segment of road specifically set forth in Exhibit 1586 and as exists on the ground.

Acceptance of the D3539 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19607. The D3539 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19608. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3539 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19609. The D3539 Road was accepted as a County highway at least 10 years prior to

October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3539 Road pursuant to the County's governmental right and authority.

19610. Witnesses with personal knowledge of the history of the D3539 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19611. Currently known reputation in the community is that the D3539 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19612. Public motor vehicle use of the D3539 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19613. The D3539 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19614. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3539 Road.

19615. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3539 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3540 Road

19616. The D3540 Road is designated as county road number D3540 and SGID road identification number RD192750 and is more or less 1.06 miles long.

19617. Exhibit 1587 (attached hereto and incorporated herein) contains certain information pertaining to the D3540 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19618. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3540 Road solely as it crosses United States public land as included and specifically described in Exhibit 1587. The D3540 Road includes the segment of road specifically set forth in Exhibit 1587 and as exists on the ground.

Acceptance of the D3540 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19619. The D3540 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19620. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3540 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19621. The D3540 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3540 Road pursuant to the County's governmental

right and authority.

19622. Witnesses with personal knowledge of the history of the D3540 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19623. Currently known reputation in the community is that the D3540 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19624. Public motor vehicle use of the D3540 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19625. The D3540 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19626. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3540 Road.

19627. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3540 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3542 Road

19628. The D3542 Road is designated as county road number D3542 and SGID road

identification number RD192752 and is more or less 0.40 miles long.

19629. Exhibit 1588 (attached hereto and incorporated herein) contains certain information pertaining to the D3542 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19630. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3542 Road solely as it crosses United States public land as included and specifically described in Exhibit 1588. The D3542 Road includes the segment of road specifically set forth in Exhibit 1588 and as exists on the ground.

Acceptance of the D3542 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19631. The D3542 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19632. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3542 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19633. The D3542 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3542 Road pursuant to the County's governmental right and authority.

19634. Witnesses with personal knowledge of the history of the D3542 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19635. Currently known reputation in the community is that the D3542 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19636. Public motor vehicle use of the D3542 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19637. The D3542 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19638. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3542 Road.

19639. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3542 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3564 Road

19640. The D3564 Road is designated as county road number D3564 and SGID road identification number RD192765 and is more or less 0.57 miles long.

19641. Exhibit 1589 (attached hereto and incorporated herein) contains certain

information pertaining to the D3564 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19642. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3564 Road solely as it crosses United States public land as included and specifically described in Exhibit 1589. The D3564 Road includes the segment of road specifically set forth in Exhibit 1589 and as exists on the ground.

Acceptance of the D3564 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19643. The D3564 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19644. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3564 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19645. The appearance of the D3564 Road on the Moss Back Butte (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19646. The D3564 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3564 Road pursuant to the County's governmental

right and authority.

19647. Witnesses with personal knowledge of the history of the D3564 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19648. Currently known reputation in the community is that the D3564 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19649. Public motor vehicle use of the D3564 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19650. The D3564 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19651. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3564 Road.

19652. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3564 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3565 Road

19653. The D3565 Road is designated as county road number D3565 and SGID road

identification number RD192766 and is more or less 1.25 miles long.

19654. Exhibit 1590 (attached hereto and incorporated herein) contains certain information pertaining to the D3565 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19655. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3565 Road solely as it crosses United States public land as included and specifically described in Exhibit 1590. The D3565 Road includes the segment of road specifically set forth in Exhibit 1590 and as exists on the ground.

Acceptance of the D3565 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19656. The D3565 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19657. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3565 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19658. The D3565 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3565 Road pursuant to the County's governmental right and authority.

19659. Witnesses with personal knowledge of the history of the D3565 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19660. Currently known reputation in the community is that the D3565 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19661. Public motor vehicle use of the D3565 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19662. The D3565 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19663. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3565 Road.

19664. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3565 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3573 Road

19665. The D3573 Road is designated as county road number D3573 and SGID road identification number RD192774 and is more or less 1.03 miles long.

19666. Exhibit 1591 (attached hereto and incorporated herein) contains certain

information pertaining to the D3573 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19667. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3573 Road solely as it crosses United States public land as included and specifically described in Exhibit 1591. The D3573 Road includes the segment of road specifically set forth in Exhibit 1591 and as exists on the ground.

Acceptance of the D3573 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19668. The D3573 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19669. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3573 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19670. The D3573 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3573 Road pursuant to the County's governmental right and authority.

19671. Witnesses with personal knowledge of the history of the D3573 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19672. Currently known reputation in the community is that the D3573 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19673. Public motor vehicle use of the D3573 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19674. The D3573 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19675. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3573 Road.

19676. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3573 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3574 Road

19677. The D3574 Road is designated as county road number D3574 and SGID road identification number RD192775 and is more or less 0.63 miles long.

19678. Exhibit 1592 (attached hereto and incorporated herein) contains certain information pertaining to the D3574 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list;

and a complete centerline description of the road.

19679. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3574 Road solely as it crosses United States public land as included and specifically described in Exhibit 1592. The D3574 Road includes the segment of road specifically set forth in Exhibit 1592 and as exists on the ground.

Acceptance of the D3574 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19680. The D3574 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19681. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3574 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19682. The D3574 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3574 Road pursuant to the County's governmental right and authority.

19683. Witnesses with personal knowledge of the history of the D3574 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19684. Currently known reputation in the community is that the D3574 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

19685. Public motor vehicle use of the D3574 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19686. The D3574 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19687. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3574 Road.

19688. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3574 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3577 Road

19689. The D3577 Road is designated as county road number D3577 and SGID road identification number RD192776 and is more or less 1.69 miles long.

19690. Exhibit 1593 (attached hereto and incorporated herein) contains certain information pertaining to the D3577 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19691. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D3577 Road solely as it crosses United States public land as included and specifically described in Exhibit 1593. The D3577 Road includes the segment of road specifically set forth in Exhibit 1593 and as exists on the ground.

Acceptance of the D3577 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19692. The D3577 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19693. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3577 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19694. The D3577 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3577 Road pursuant to the County's governmental right and authority.

19695. Witnesses with personal knowledge of the history of the D3577 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19696. Currently known reputation in the community is that the D3577 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19697. Public motor vehicle use of the D3577 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19698. The D3577 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19699. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3577 Road.

19700. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3577 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3580 Road

19701. The D3580 Road is designated as county road number D3580 and SGID road identification number RD192778 and is more or less 0.46 miles long.

19702. Exhibit 1594 (attached hereto and incorporated herein) contains certain information pertaining to the D3580 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19703. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3580 Road solely as it crosses United States public land as included and specifically described in Exhibit 1594. The D3580 Road includes the segment of road

specifically set forth in Exhibit 1594 and as exists on the ground.

Acceptance of the D3580 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19704. The D3580 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19705. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3580 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19706. The D3580 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3580 Road pursuant to the County's governmental right and authority.

19707. Witnesses with personal knowledge of the history of the D3580 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19708. Currently known reputation in the community is that the D3580 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19709. Public motor vehicle use of the D3580 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

19710. The D3580 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19711. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3580 Road.

19712. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3580 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3581 Road

19713. The D3581 Road is designated as county road number D3581 and SGID road identification number RD192779 and is more or less 3.16 miles long.

19714. Exhibit 1595 (attached hereto and incorporated herein) contains certain information pertaining to the D3581 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19715. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3581 Road solely as it crosses United States public land as included and specifically described in Exhibit 1595. The D3581 Road includes the segment of road specifically set forth in Exhibit 1595 and as exists on the ground.

Acceptance of the D3581 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19716. The D3581 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19717. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3581 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19718. The County confirmed its acceptance of the D3581 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3581 Road pursuant to the County's governmental right and authority.

19719. Witnesses with personal knowledge of the history of the D3581 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19720. Currently known reputation in the community is that the D3581 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19721. Public motor vehicle use of the D3581 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

19722. The D3581 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19723. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3581 Road.

19724. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3581 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3589 Road

19725. The D3589 Road is designated as county road number D3589 and SGID road identification number RD192786 and is more or less 1.70 miles long.

19726. Exhibit 1596 (attached hereto and incorporated herein) contains certain information pertaining to the D3589 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19727. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3589 Road solely as it crosses United States public land as included and specifically described in Exhibit 1596. The D3589 Road includes the segment of road specifically set forth in Exhibit 1596 and as exists on the ground.

Acceptance of the D3589 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19728. The D3589 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19729. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3589 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19730. The D3589 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3589 Road pursuant to the County's governmental right and authority.

19731. Witnesses with personal knowledge of the history of the D3589 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19732. Currently known reputation in the community is that the D3589 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19733. Public motor vehicle use of the D3589 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19734. The D3589 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19735. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3589 Road.

19736. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3589 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3594 Road

19737. The D3594 Road is designated as county road number D3594 and SGID road identification number RD192791 and is more or less 0.45 miles long.

19738. Exhibit 1597 (attached hereto and incorporated herein) contains certain information pertaining to the D3594 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19739. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3594 Road solely as it crosses United States public land as included and specifically described in Exhibit 1597. The D3594 Road includes the segment of road specifically set forth in Exhibit 1597 and as exists on the ground.

Acceptance of the D3594 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19740. The D3594 Road has long served as a public highway providing access to and

across public land. This road serves the public's transportation needs.

19741. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3594 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19742. The D3594 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3594 Road pursuant to the County's governmental right and authority.

19743. Witnesses with personal knowledge of the history of the D3594 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19744. Currently known reputation in the community is that the D3594 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19745. Public motor vehicle use of the D3594 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19746. The D3594 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19747. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3594 Road.

19748. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3594 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3596 Road

19749. The D3596 Road is designated as county road number D3596 and SGID road identification number RD192793 and is more or less 0.55 miles long.

19750. Exhibit 1598 (attached hereto and incorporated herein) contains certain information pertaining to the D3596 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19751. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3596 Road solely as it crosses United States public land as included and specifically described in Exhibit 1598. The D3596 Road includes the segment of road specifically set forth in Exhibit 1598 and as exists on the ground.

Acceptance of the D3596 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19752. The D3596 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19753. Aerial photography from 1976 confirms the historical use, existence, and

acceptance of the right-of-way for the D3596 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19754. The D3596 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3596 Road pursuant to the County's governmental right and authority.

19755. Witnesses with personal knowledge of the history of the D3596 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19756. Currently known reputation in the community is that the D3596 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19757. Public motor vehicle use of the D3596 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19758. The D3596 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19759. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the D3596 Road.

19760. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3596 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3600 Road

19761. The D3600 Road is designated as county road number D3600 and SGID road identification number RD192797 and is more or less 0.48 miles long.

19762. Exhibit 1599 (attached hereto and incorporated herein) contains certain information pertaining to the D3600 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19763. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3600 Road solely as it crosses United States public land as included and specifically described in Exhibit 1599. The D3600 Road includes the segment of road specifically set forth in Exhibit 1599 and as exists on the ground.

Acceptance of the D3600 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19764. The D3600 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19765. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3600 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography

continues to show the road as it existed prior to October 21, 1976.

19766. The D3600 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3600 Road pursuant to the County's governmental right and authority.

19767. Witnesses with personal knowledge of the history of the D3600 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19768. Currently known reputation in the community is that the D3600 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19769. Public motor vehicle use of the D3600 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19770. The D3600 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19771. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3600 Road.

19772. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the D3600 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3602 Road

19773. The D3602 Road is designated as county road number D3602 and SGID road identification number RD192799 and is more or less 0.21 miles long.

19774. Exhibit 1600 (attached hereto and incorporated herein) contains certain information pertaining to the D3602 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19775. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3602 Road solely as it crosses United States public land as included and specifically described in Exhibit 1600. The D3602 Road includes the segment of road specifically set forth in Exhibit 1600 and as exists on the ground.

Acceptance of the D3602 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19776. The D3602 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19777. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3602 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19778. The D3602 Road was accepted as a County highway at least 10 years prior to

October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3602 Road pursuant to the County's governmental right and authority.

19779. Witnesses with personal knowledge of the history of the D3602 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19780. Currently known reputation in the community is that the D3602 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19781. Public motor vehicle use of the D3602 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19782. The D3602 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19783. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3602 Road.

19784. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3602 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3604 Road

19785. The D3604 Road is designated as county road number D3604 and SGID road identification number RD192800 and is more or less 0.57 miles long.

19786. Exhibit 1601 (attached hereto and incorporated herein) contains certain information pertaining to the D3604 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19787. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3604 Road solely as it crosses United States public land as included and specifically described in Exhibit 1601. The D3604 Road includes the segment of road specifically set forth in Exhibit 1601 and as exists on the ground.

Acceptance of the D3604 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19788. The D3604 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19789. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3604 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19790. The D3604 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3604 Road pursuant to the County's governmental

right and authority.

19791. Witnesses with personal knowledge of the history of the D3604 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19792. Currently known reputation in the community is that the D3604 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19793. Public motor vehicle use of the D3604 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19794. The D3604 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19795. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3604 Road.

19796. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3604 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3605 Road

19797. The D3605 Road is designated as county road number D3605 and SGID road

identification number RD192801 and is more or less 0.30 miles long.

19798. Exhibit 1602 (attached hereto and incorporated herein) contains certain information pertaining to the D3605 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19799. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3605 Road solely as it crosses United States public land as included and specifically described in Exhibit 1602. The D3605 Road includes the segment of road specifically set forth in Exhibit 1602 and as exists on the ground.

Acceptance of the D3605 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19800. The D3605 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19801. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3605 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19802. The appearance of the D3605 Road on the Moss Back Butte (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19803. The D3605 Road was accepted as a County highway at least 10 years prior to

October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3605 Road pursuant to the County's governmental right and authority.

19804. Witnesses with personal knowledge of the history of the D3605 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19805. Currently known reputation in the community is that the D3605 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19806. Public motor vehicle use of the D3605 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19807. The D3605 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19808. Without confirmation from the United States, a cloud remains on the State and County’s title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3605 Road.

19809. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3605 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3629 Road

19810. The D3629 Road is designated as county road number D3629 and SGID road identification number RD192815 and is more or less 0.52 miles long.

19811. Exhibit 1603 (attached hereto and incorporated herein) contains certain information pertaining to the D3629 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19812. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3629 Road solely as it crosses United States public land as included and specifically described in Exhibit 1603. The D3629 Road includes the segment of road specifically set forth in Exhibit 1603 and as exists on the ground.

Acceptance of the D3629 Road R.S. 2477 Right-of-way Prior to October 21, 1976

19813. The D3629 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19814. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3629 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19815. The D3629 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3629 Road pursuant to the County's governmental

right and authority.

19816. Witnesses with personal knowledge of the history of the D3629 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19817. Currently known reputation in the community is that the D3629 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19818. Public motor vehicle use of the D3629 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19819. The D3629 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19820. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3629 Road.

19821. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3629 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

TWENTY-THIRD CAUSE OF ACTION – QUIET TITLE
SLICK HORN AREA

19822. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

19823. The Slick Horn Area is located in south-central San Juan County and is shown on Exhibit 25, attached hereto and incorporated herein.

19824. The Slick Horn Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Collins Spring Road, B260; (2) Harmony Flat Road, B2311; (3) Hat Flat Road, B2531; (4) Head of Johns Canyon Road, B2211; (5) John's Canyon Road, B244; (6) Mexican Hat Boat Launch Road, B2241; (7) Mexican Hat North Road, B2151; (8) Mexican Hat Road, B272; (9) Mormon Trail Road, B2301; (10) Muley Point Road, B241; (11) Point Lookout Road, B203; (12) Sheiks Flat Road, B250; (13) Slick Horn Road, B245; (14) South Road, B251; (15) Todie Flat Road, B2361; (16) D0043 Road; (17) D0044 Road; (18) D0045 Road; (19) D0046 Road; (20) D0047 Road; (21) D0048 Road; (22) D0049 Road; (23) D0053 Road; (24) D0054 Road; (25) D0055 Road; (26) D0056 Road; (27) D0058 Road; (28) D0059 Road; (29) D0061 Road; (30) D0062 Road; (31) D0064 Road; (32) D0084 Road; (33) D0091 Road; (34) D0094 Road; (35) D0103 Road; (36) D0457 Road; (37) D0458 Road; (38) D0462 Road; (39) D2191 Road; (40) D2195 Road; (41) D2199 Road; (42) D2201 Road; (43) D2202 Road; (44) D2204 Road; (45) D2208 Road; (46) D2214 Road; (47) D2229 Road; (48) D2233 Road; (49) D2235 Road; (50) D3608 Road; (51) D3610 Road; (52) D3613 Road; (53) D3615 Road; (54) D3618 Road; (55) D3620 Road; (56) D3623 Road; (57) D3626 Road; (58) D3632 Road; (59) D3633 Road; (60) D3634 Road; (61) D3636 Road; (62) D3640 Road; (63) D3643 Road; (64) D3726 Road; (65) D4251 Road; (66) D4303 Road; (67) D4305 Road; (68) D4312 Road; (69) D4319 Road; (70) D4321 Road; (71) D4324 Road; (72) D4326 Road; (73) D4341 Road; (74) D4371 Road; (75) D4707 Road; and (76) D4736 Road.

19825. Each right-of-way claimed in the Slick Horn Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

19826. All rights-of-way claimed in the Slick Horn Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

19827. All rights-of-way claimed in the Slick Horn Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

19828. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Collins Spring Road, B260

19829. The Collins Spring Road is designated as county road number B260 and SGID road identification number RD190272 and is more or less 6.90 miles long.

19830. Exhibit 1604 (attached hereto and incorporated herein) contains certain information pertaining to the Collins Spring Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19831. In this action, the State and County seek to quiet title to the public highway right-of-way for the Collins Spring Road solely as it crosses United States public land as included and specifically described in Exhibit 1604. The Collins Spring Road includes the segment of road specifically set forth in Exhibit 1604 and as exists on the ground.

Acceptance of the Collins Spring Road R.S. 2477 Right-of-way Prior to October 21, 1976

19832. The Collins Spring Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19833. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Collins Spring Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19834. The appearance of the Collins Spring Road on the Red House Spring (1952) USGS 7.5-minute quadrangle map and the Natural Bridges (1952) and Grand Gulch (1963) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19835. The County confirmed its acceptance of the Collins Spring Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map.

The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Collins Spring Road using public funds pursuant to the County's governmental right and authority.

19836. Witnesses with personal knowledge of the history of the Collins Spring Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19837. Currently known reputation in the community is that the Collins Spring Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19838. Public motor vehicle use of the Collins Spring Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19839. The Collins Spring Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19840. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Collins Spring Road.

19841. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Collins Spring Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Harmony Flat Road, B2311

19842. The Harmony Flat Road is designated as county road number B2311 and SGID road identification number RD190215 and is more or less 4.39 miles long.

19843. Exhibit 1605 (attached hereto and incorporated herein) contains certain information pertaining to the Harmony Flat Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19844. In this action, the State and County seek to quiet title to the public highway right-of-way for the Harmony Flat Road solely as it crosses United States public land as included and specifically described in Exhibit 1605. The Harmony Flat Road includes the segment of road specifically set forth in Exhibit 1605 and as exists on the ground.

Acceptance of the Harmony Flat Road R.S. 2477 Right-of-way Prior to October 21, 1976

19845. The Harmony Flat Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19846. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Harmony Flat Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19847. The appearance of the Harmony Flat Road on the Cedar Mesa (1963) USGS 15-

minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19848. The Harmony Flat Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Harmony Flat Road using public funds pursuant to the County's governmental right and authority.

19849. Witnesses with personal knowledge of the history of the Harmony Flat Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19850. Currently known reputation in the community is that the Harmony Flat Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19851. Public motor vehicle use of the Harmony Flat Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19852. The Harmony Flat Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19853. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title

action to establish clear title to the right-of-way underlying the Harmony Flat Road.

19854. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Harmony Flat Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Hat Flat Road, B2531

19855. The Hat Flat Road is designated as county road number B2531 and SGID road identification number RD190259 and is more or less 2.52 miles long.

19856. Exhibit 1606 (attached hereto and incorporated herein) contains certain information pertaining to the Hat Flat Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19857. In this action, the State and County seek to quiet title to the public highway right-of-way for the Hat Flat Road solely as it crosses United States public land as included and specifically described in Exhibit 1606. The Hat Flat Road includes the segment of road specifically set forth in Exhibit 1606 and as exists on the ground.

Acceptance of the Hat Flat Road R.S. 2477 Right-of-way Prior to October 21, 1976

19858. The Hat Flat Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19859. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Hat Flat Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19860. The appearance of the Hat Flat Road on the Grand Gulch (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19861. The County confirmed its acceptance of the Hat Flat Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Hat Flat Road using public funds pursuant to the County's governmental right and authority.

19862. Witnesses with personal knowledge of the history of the Hat Flat Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19863. Currently known reputation in the community is that the Hat Flat Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19864. Public motor vehicle use of the Hat Flat Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19865. The Hat Flat Road traverses a valid and perfected R.S. 2477 public highway right-

of-way as described herein.

19866. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Hat Flat Road.

19867. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Hat Flat Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Head of Johns Canyon Road, B2211

19868. The Head of Johns Canyon Road is designated as county road number B2211 and SGID road identification number RD190195 and is more or less 3.80 miles long.

19869. Exhibit 1607 (attached hereto and incorporated herein) contains certain information pertaining to the Head of Johns Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19870. In this action, the State and County seek to quiet title to the public highway right-of-way for the Head of Johns Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 1607. The Head of Johns Canyon Road includes the segment of road specifically set forth in Exhibit 1607 and as exists on the ground.

Acceptance of the Head of Johns Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

19871. The Head of Johns Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19872. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Head of Johns Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19873. The appearance of the Head of Johns Canyon Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19874. The Head of Johns Canyon Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Head of Johns Canyon Road using public funds pursuant to the County's governmental right and authority.

19875. Witnesses with personal knowledge of the history of the Head of Johns Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19876. Currently known reputation in the community is that the Head of Johns Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19877. Public motor vehicle use of the Head of Johns Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of

an R.S. 2477 public highway right-of-way underlying this road.

19878. The Head of Johns Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19879. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Head of Johns Canyon Road.

19880. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Head of Johns Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

John's Canyon Road, B244

19881. The John's Canyon Road is designated as county road number B244 and SGID road identification number RD190240 and is more or less 14.63 miles long.

19882. Exhibit 1608 (attached hereto and incorporated herein) contains certain information pertaining to the John's Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19883. In this action, the State and County seek to quiet title to the public highway right-of-way for the John's Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 1608. The John's Canyon Road includes the segment of road specifically set forth in Exhibit 1608 and as exists on the ground.

Acceptance of the John's Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976

19884. The John's Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19885. Aerial photography from 1974 and 1975 confirms the historical use, existence, and acceptance of the right-of-way for the John's Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19886. The appearance of the John's Canyon Road on the Cedar Mesa (1963), Grand Gulch (1963), Goulding (1963), and Mexican Hat (1963) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19887. The County confirmed its acceptance of the John's Canyon Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the John's Canyon Road using public funds pursuant to the County's governmental right and authority.

19888. Witnesses with personal knowledge of the history of the John's Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19889. Currently known reputation in the community is that the John's Canyon Road has

been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19890. Public motor vehicle use of the John's Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19891. The John's Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19892. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the John's Canyon Road.

19893. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the John's Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Mexican Hat Boat Launch Road, B2241

19894. The Mexican Hat Boat Launch Road is designated as county road number B2241 and SGID road identification number RD190201 and is more or less 0.43 miles long.

19895. Exhibit 1609 (attached hereto and incorporated herein) contains certain information pertaining to the Mexican Hat Boat Launch Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient

estate ownership list; and a complete centerline description of the road.

19896. In this action, the State and County seek to quiet title to the public highway right-of-way for the Mexican Hat Boat Launch Road solely as it crosses United States public land as included and specifically described in Exhibit 1609. The Mexican Hat Boat Launch Road includes the segment of road specifically set forth in Exhibit 1609 and as exists on the ground.

Acceptance of the Mexican Hat Boat Launch Road R.S. 2477 Right-of-way Prior to October 21, 1976

19897. The Mexican Hat Boat Launch Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19898. The appearance of the Mexican Hat Boat Launch Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19899. The Mexican Hat Boat Launch Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Mexican Hat Boat Launch Road using public funds pursuant to the County's governmental right and authority.

19900. Witnesses with personal knowledge of the history of the Mexican Hat Boat Launch Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19901. Currently known reputation in the community is that the Mexican Hat Boat Launch Road has been open for all to come and go whenever convenient or necessary for more

than 10 years prior to October 21, 1976, and continuing to the present.

19902. Public motor vehicle use of the Mexican Hat Boat Launch Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19903. The Mexican Hat Boat Launch Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19904. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Mexican Hat Boat Launch Road.

19905. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Mexican Hat Boat Launch Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Mexican Hat North Road, B2151

19906. The Mexican Hat North Road is designated as county road number B2151 and SGID road identification number RD190183 and is more or less 1.71 miles long.

19907. Exhibit 1610 (attached hereto and incorporated herein) contains certain information pertaining to the Mexican Hat North Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19908. In this action, the State and County seek to quiet title to the public highway right-of-way for the Mexican Hat North Road solely as it crosses United States public land as included and specifically described in Exhibit 1610. The Mexican Hat North Road includes the segment of road specifically set forth in Exhibit 1610 and as exists on the ground.

Acceptance of the Mexican Hat North Road R.S. 2477 Right-of-way Prior to October 21, 1976

19909. The Mexican Hat North Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19910. The appearance of the Mexican Hat North Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19911. The County confirmed its acceptance of the Mexican Hat North Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Mexican Hat North Road using public funds pursuant to the County's governmental right and authority.

19912. Witnesses with personal knowledge of the history of the Mexican Hat North Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19913. Currently known reputation in the community is that the Mexican Hat North Road has been open for all to come and go whenever convenient or necessary for more than 10 years

prior to October 21, 1976, and continuing to the present.

19914. Public motor vehicle use of the Mexican Hat North Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19915. The Mexican Hat North Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19916. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Mexican Hat North Road.

19917. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Mexican Hat North Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Mexican Hat Road, B272

19918. The Mexican Hat Road is designated as county road number B272 and SGID road identification number RD190296 and is more or less 0.85 miles long.

19919. Exhibit 1611 (attached hereto and incorporated herein) contains certain information pertaining to the Mexican Hat Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19920. In this action, the State and County seek to quiet title to the public highway right-of-way for the Mexican Hat Road solely as it crosses United States public land as included and specifically described in Exhibit 1611. The Mexican Hat Road includes the segment of road specifically set forth in Exhibit 1611 and as exists on the ground.

Acceptance of the Mexican Hat Road R.S. 2477 Right-of-way Prior to October 21, 1976

19921. The Mexican Hat Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19922. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the Mexican Hat Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19923. The appearance of the Mexican Hat Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19924. The County confirmed its acceptance of the Mexican Hat Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Mexican Hat Road using public funds pursuant to the County's governmental right and authority.

19925. Witnesses with personal knowledge of the history of the Mexican Hat Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a

continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19926. Currently known reputation in the community is that the Mexican Hat Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19927. Public motor vehicle use of the Mexican Hat Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19928. The Mexican Hat Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19929. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Mexican Hat Road.

19930. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Mexican Hat Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Mormon Trail Road, B2301

19931. The Mormon Trail Road is designated as county road number B2301 and SGID road identification number RD190213 and is more or less 2.78 miles long.

19932. Exhibit 1612 (attached hereto and incorporated herein) contains certain information pertaining to the Mormon Trail Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19933. In this action, the State and County seek to quiet title to the public highway right-of-way for the Mormon Trail Road solely as it crosses United States public land as included and specifically described in Exhibit 1612. The Mormon Trail Road includes the segment of road specifically set forth in Exhibit 1612 and as exists on the ground.

Acceptance of the Mormon Trail Road R.S. 2477 Right-of-way Prior to October 21, 1976

19934. The Mormon Trail Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19935. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Mormon Trail Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19936. The appearance of the Mormon Trail Road on the Kane Gulch (1952) USGS 7.5-minute quadrangle map and the Bears Ears (1954) and Moss Back Butte (1952) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19937. The Mormon Trail Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way

by managing, maintaining, or improving the Mormon Trail Road using public funds pursuant to the County's governmental right and authority.

19938. Witnesses with personal knowledge of the history of the Mormon Trail Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19939. Currently known reputation in the community is that the Mormon Trail Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19940. Public motor vehicle use of the Mormon Trail Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19941. The Mormon Trail Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19942. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Mormon Trail Road.

19943. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Mormon Trail Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Muley Point Road, B241

19944. The Muley Point Road is designated as county road number B241 and SGID road identification number RD190234 and is more or less 5.00 miles long.

19945. Exhibit 1613 (attached hereto and incorporated herein) contains certain information pertaining to the Muley Point Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19946. In this action, the State and County seek to quiet title to the public highway right-of-way for the Muley Point Road solely as it crosses United States public land as included and specifically described in Exhibit 1613. The Muley Point Road includes the segment of road specifically set forth in Exhibit 1613 and as exists on the ground.

Acceptance of the Muley Point Road R.S. 2477 Right-of-way Prior to October 21, 1976

19947. The Muley Point Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19948. Aerial photography from 1974 and 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Muley Point Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19949. The appearance of the Muley Point Road on the Mexican Hat (1963) and Cedar

Mesa (1963) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19950. The County confirmed its acceptance of the Muley Point Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Muley Point Road using public funds pursuant to the County's governmental right and authority.

19951. Witnesses with personal knowledge of the history of the Muley Point Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19952. Currently known reputation in the community is that the Muley Point Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19953. Public motor vehicle use of the Muley Point Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19954. The Muley Point Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19955. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Muley Point Road.

19956. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Muley Point Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Point Lookout Road, B203

19957. The Point Lookout Road is designated as county road number B203 and SGID road identification number RD190158 and is more or less 8.04 miles long.

19958. Exhibit 1614 (attached hereto and incorporated herein) contains certain information pertaining to the Point Lookout Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19959. In this action, the State and County seek to quiet title to the public highway right-of-way for the Point Lookout Road solely as it crosses United States public land as included and specifically described in Exhibit 1614. The Point Lookout Road includes the segment of road specifically set forth in Exhibit 1614 and as exists on the ground.

Acceptance of the Point Lookout Road R.S. 2477 Right-of-way Prior to October 21, 1976

19960. The Point Lookout Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19961. Aerial photography from 1974, 1975, and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Point Lookout Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19962. The appearance of the Point Lookout Road on the Grand Gulch (1963) and Cedar Mesa (1963) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19963. The County confirmed its acceptance of the Point Lookout Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Point Lookout Road using public funds pursuant to the County's governmental right and authority.

19964. Witnesses with personal knowledge of the history of the Point Lookout Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19965. Currently known reputation in the community is that the Point Lookout Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19966. Public motor vehicle use of the Point Lookout Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for

a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19967. The Point Lookout Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19968. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Point Lookout Road.

19969. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Point Lookout Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Sheiks Flat Road, B250

19970. The Sheiks Flat Road is designated as county road number B250 and SGID road identification number RD190252 and is more or less 4.87 miles long.

19971. Exhibit 1615 (attached hereto and incorporated herein) contains certain information pertaining to the Sheiks Flat Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19972. In this action, the State and County seek to quiet title to the public highway right-of-way for the Sheiks Flat Road solely as it crosses United States public land as included and specifically described in Exhibit 1615. The Sheiks Flat Road includes the segment of road

specifically set forth in Exhibit 1615 and as exists on the ground.

Acceptance of the Sheiks Flat Road R.S. 2477 Right-of-way Prior to October 21, 1976

19973. The Sheiks Flat Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19974. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Sheiks Flat Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19975. The appearance of the Sheiks Flat Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19976. The County confirmed its acceptance of the Sheiks Flat Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Sheiks Flat Road using public funds pursuant to the County's governmental right and authority.

19977. Witnesses with personal knowledge of the history of the Sheiks Flat Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19978. Currently known reputation in the community is that the Sheiks Flat Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior

to October 21, 1976, and continuing to the present.

19979. Public motor vehicle use of the Sheiks Flat Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19980. The Sheiks Flat Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19981. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Sheiks Flat Road.

19982. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Sheiks Flat Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Slick Horn Road, B245

19983. The Slick Horn Road is designated as county road number B245 and SGID road identification number RD190242 and is more or less 12.26 miles long.

19984. Exhibit 1616 (attached hereto and incorporated herein) contains certain information pertaining to the Slick Horn Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19985. In this action, the State and County seek to quiet title to the public highway right-of-way for the Slick Horn Road solely as it crosses United States public land as included and specifically described in Exhibit 1616. The Slick Horn Road includes the segment of road specifically set forth in Exhibit 1616 and as exists on the ground.

Acceptance of the Slick Horn Road R.S. 2477 Right-of-way Prior to October 21, 1976

19986. The Slick Horn Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

19987. Aerial photography from 1975 and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Slick Horn Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19988. The appearance of the Slick Horn Road on the Cedar Mesa (1963) and Grand Gulch (1963) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

19989. The County confirmed its acceptance of the Slick Horn Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Slick Horn Road using public funds pursuant to the County's governmental right and authority.

19990. Witnesses with personal knowledge of the history of the Slick Horn Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

19991. Currently known reputation in the community is that the Slick Horn Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

19992. Public motor vehicle use of the Slick Horn Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19993. The Slick Horn Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19994. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Slick Horn Road.

19995. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Slick Horn Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

South Road, B251

19996. The South Road is designated as county road number B251 and SGID road identification number RD190254 and is more or less 2.58 miles long.

19997. Exhibit 1617 (attached hereto and incorporated herein) contains certain

information pertaining to the South Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19998. In this action, the State and County seek to quiet title to the public highway right-of-way for the South Road solely as it crosses United States public land as included and specifically described in Exhibit 1617. The South Road includes the segment of road specifically set forth in Exhibit 1617 and as exists on the ground.

Acceptance of the South Road R.S. 2477 Right-of-way Prior to October 21, 1976

19999. The South Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20000. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the South Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20001. The appearance of the South Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20002. The County confirmed its acceptance of the South Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the South Road using public funds pursuant to the County's

governmental right and authority.

20003. Witnesses with personal knowledge of the history of the South Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20004. Currently known reputation in the community is that the South Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20005. Public motor vehicle use of the South Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20006. The South Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20007. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the South Road.

20008. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the South Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Todie Flat Road, B2361

20009. The Todie Flat Road is designated as county road number B2361 and SGID road

identification number RD190225 and is more or less 1.19 miles long.

20010. Exhibit 1618 (attached hereto and incorporated herein) contains certain information pertaining to the Todie Flat Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20011. In this action, the State and County seek to quiet title to the public highway right-of-way for the Todie Flat Road solely as it crosses United States public land as included and specifically described in Exhibit 1618. The Todie Flat Road includes the segment of road specifically set forth in Exhibit 1618 and as exists on the ground.

Acceptance of the Todie Flat Road R.S. 2477 Right-of-way Prior to October 21, 1976

20012. The Todie Flat Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20013. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Todie Flat Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20014. The appearance of the Todie Flat Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20015. The Todie Flat Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the Todie Flat Road using public funds pursuant to the County's governmental right and authority.

20016. Witnesses with personal knowledge of the history of the Todie Flat Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20017. Currently known reputation in the community is that the Todie Flat Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20018. Public motor vehicle use of the Todie Flat Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20019. The Todie Flat Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20020. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Todie Flat Road.

20021. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Todie Flat Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0043 Road

20022. The D0043 Road is designated as county road number D0043 and SGID road identification number RD190552 and is more or less 16.31 miles long.

20023. Exhibit 1619 (attached hereto and incorporated herein) contains certain information pertaining to the D0043 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20024. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0043 Road solely as it crosses United States public land as included and specifically described in Exhibit 1619. The D0043 Road includes the segment of road specifically set forth in Exhibit 1619 and as exists on the ground.

Acceptance of the D0043 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20025. The D0043 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20026. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D0043 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20027. The appearance of the D0043 Road on the Grand Gulch (1963) and Cedar Mesa (1963) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20028. The D0043 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0043 Road pursuant to the County's governmental right and authority.

20029. Witnesses with personal knowledge of the history of the D0043 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20030. Currently known reputation in the community is that the D0043 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20031. Public motor vehicle use of the D0043 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20032. The D0043 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20033. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0043 Road.

20034. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0043 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0044 Road

20035. The D0044 Road is designated as county road number D0044 and SGID road identification number RD190553 and is more or less 1.74 miles long.

20036. Exhibit 1620 (attached hereto and incorporated herein) contains certain information pertaining to the D0044 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20037. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0044 Road solely as it crosses United States public land as included and specifically described in Exhibit 1620. The D0044 Road includes the segment of road specifically set forth in Exhibit 1620 and as exists on the ground.

Acceptance of the D0044 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20038. The D0044 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20039. The appearance of the D0044 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20040. The D0044 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0044 Road pursuant to the County's governmental right and authority.

20041. Witnesses with personal knowledge of the history of the D0044 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20042. Currently known reputation in the community is that the D0044 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20043. Public motor vehicle use of the D0044 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20044. The D0044 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20045. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0044 Road.

20046. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0044 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0045 Road

20047. The D0045 Road is designated as county road number D0045 and SGID road identification number RD190882 and is more or less 0.70 miles long.

20048. Exhibit 1621 (attached hereto and incorporated herein) contains certain information pertaining to the D0045 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20049. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0045 Road solely as it crosses United States public land as included and specifically described in Exhibit 1621. The D0045 Road includes the segment of road specifically set forth in Exhibit 1621 and as exists on the ground.

Acceptance of the D0045 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20050. The D0045 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20051. Aerial photography from 1974 and 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0045 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20052. The appearance of the D0045 Road on the Grand Gulch (1963) and Cedar Mesa (1963) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20053. The D0045 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0045 Road pursuant to the County's governmental right and authority.

20054. Witnesses with personal knowledge of the history of the D0045 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20055. Currently known reputation in the community is that the D0045 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20056. Public motor vehicle use of the D0045 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20057. The D0045 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20058. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0045 Road.

20059. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0045 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0046 Road

20060. The D0046 Road is designated as county road number D0046 and SGID road identification number RD190883 and is more or less 4.99 miles long.

20061. Exhibit 1622 (attached hereto and incorporated herein) contains certain information pertaining to the D0046 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20062. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0046 Road solely as it crosses United States public land as included and specifically described in Exhibit 1622. The D0046 Road includes the segment of road specifically set forth in Exhibit 1622 and as exists on the ground.

Acceptance of the D0046 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20063. The D0046 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20064. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0046 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20065. The D0046 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0046 Road pursuant to the County's governmental right and authority.

20066. Witnesses with personal knowledge of the history of the D0046 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20067. Currently known reputation in the community is that the D0046 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20068. Public motor vehicle use of the D0046 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20069. The D0046 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20070. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0046 Road.

20071. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0046 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0047 Road

20072. The D0047 Road is designated as county road number D0047 and SGID road identification number RD190884 and is more or less 0.44 miles long.

20073. Exhibit 1623 (attached hereto and incorporated herein) contains certain information pertaining to the D0047 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20074. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0047 Road solely as it crosses United States public land as included and specifically described in Exhibit 1623. The D0047 Road includes the segment of road specifically set forth in Exhibit 1623 and as exists on the ground.

Acceptance of the D0047 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20075. The D0047 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20076. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0047 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20077. The D0047 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0047 Road pursuant to the County's governmental right and authority.

20078. Witnesses with personal knowledge of the history of the D0047 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20079. Currently known reputation in the community is that the D0047 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20080. Public motor vehicle use of the D0047 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20081. The D0047 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20082. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0047 Road.

20083. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0047 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0048 Road

20084. The D0048 Road is designated as county road number D0048 and SGID road identification number RD190885 and is more or less 11.03 miles long.

20085. Exhibit 1624 (attached hereto and incorporated herein) contains certain information pertaining to the D0048 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20086. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0048 Road solely as it crosses United States public land as included and specifically described in Exhibit 1624. The D0048 Road includes the segment of road specifically set forth in Exhibit 1624 and as exists on the ground.

Acceptance of the D0048 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20087. The D0048 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20088. Aerial photography from 1974 and 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0048 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20089. The appearance of the D0048 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20090. The D0048 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0048 Road pursuant to the County's governmental right and authority.

20091. Witnesses with personal knowledge of the history of the D0048 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20092. Currently known reputation in the community is that the D0048 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20093. Public motor vehicle use of the D0048 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20094. The D0048 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20095. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0048 Road.

20096. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0048 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0049 Road

20097. The D0049 Road is designated as county road number D0049 and SGID road identification number RD190886 and is more or less 1.11 miles long.

20098. Exhibit 1625 (attached hereto and incorporated herein) contains certain information pertaining to the D0049 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20099. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0049 Road solely as it crosses United States public land as included and specifically described in Exhibit 1625. The D0049 Road includes the segment of road specifically set forth in Exhibit 1625 and as exists on the ground.

Acceptance of the D0049 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20100. The D0049 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20101. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0049 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20102. The appearance of the D0049 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20103. The D0049 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0049 Road pursuant to the County's governmental right and authority.

20104. Witnesses with personal knowledge of the history of the D0049 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20105. Currently known reputation in the community is that the D0049 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20106. Public motor vehicle use of the D0049 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20107. The D0049 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20108. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0049 Road.

20109. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0049 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0053 Road

20110. The D0053 Road is designated as county road number D0053 and SGID road identification number RD190890 and is more or less 1.36 miles long.

20111. Exhibit 1626 (attached hereto and incorporated herein) contains certain information pertaining to the D0053 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20112. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0053 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1626. The D0053 Road includes the segment of road specifically set forth in Exhibit 1626 and as exists on the ground.

Acceptance of the D0053 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20113. The D0053 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20114. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0053 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20115. The appearance of the D0053 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20116. The D0053 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0053 Road pursuant to the County's governmental right and authority.

20117. Witnesses with personal knowledge of the history of the D0053 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20118. Currently known reputation in the community is that the D0053 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20119. Public motor vehicle use of the D0053 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20120. The D0053 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20121. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0053 Road.

20122. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0053 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0054 Road

20123. The D0054 Road is designated as county road number D0054 and SGID road identification number RD190891 and is more or less 1.07 miles long.

20124. Exhibit 1627 (attached hereto and incorporated herein) contains certain information pertaining to the D0054 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20125. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0054 Road solely as it crosses United States public land as included and specifically described in Exhibit 1627. The D0054 Road includes the segment of road specifically set forth in Exhibit 1627 and as exists on the ground.

Acceptance of the D0054 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20126. The D0054 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20127. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0054 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20128. The appearance of the D0054 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20129. The D0054 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0054 Road pursuant to the County's governmental right and authority.

20130. Witnesses with personal knowledge of the history of the D0054 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20131. Currently known reputation in the community is that the D0054 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20132. Public motor vehicle use of the D0054 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20133. The D0054 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20134. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0054 Road.

20135. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0054 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0055 Road

20136. The D0055 Road is designated as county road number D0055 and SGID road identification number RD190892 and is more or less 1.78 miles long.

20137. Exhibit 1628 (attached hereto and incorporated herein) contains certain information pertaining to the D0055 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20138. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0055 Road solely as it crosses United States public land as included and specifically described in Exhibit 1628. The D0055 Road includes the segment of road specifically set forth in Exhibit 1628 and as exists on the ground.

Acceptance of the D0055 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20139. The D0055 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20140. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0055 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20141. The D0055 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0055 Road pursuant to the County's governmental right and authority.

20142. Witnesses with personal knowledge of the history of the D0055 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20143. Currently known reputation in the community is that the D0055 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20144. Public motor vehicle use of the D0055 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20145. The D0055 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20146. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0055 Road.

20147. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0055 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0056 Road

20148. The D0056 Road is designated as county road number D0056 and SGID road identification number RD190893 and is more or less 1.94 miles long.

20149. Exhibit 1629 (attached hereto and incorporated herein) contains certain information pertaining to the D0056 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20150. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0056 Road solely as it crosses United States public land as included and specifically described in Exhibit 1629. The D0056 Road includes the segment of road specifically set forth in Exhibit 1629 and as exists on the ground.

Acceptance of the D0056 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20151. The D0056 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20152. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0056 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20153. The appearance of the D0056 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20154. The D0056 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D0056 Road pursuant to the County's governmental right and authority.

20155. Witnesses with personal knowledge of the history of the D0056 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20156. Currently known reputation in the community is that the D0056 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20157. Public motor vehicle use of the D0056 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20158. The D0056 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20159. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0056 Road.

20160. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0056 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0058 Road

20161. The D0058 Road is designated as county road number D0058 and SGID road identification number RD190894 and is more or less 0.40 miles long.

20162. Exhibit 1630 (attached hereto and incorporated herein) contains certain information pertaining to the D0058 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20163. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0058 Road solely as it crosses United States public land as included and specifically described in Exhibit 1630. The D0058 Road includes the segment of road specifically set forth in Exhibit 1630 and as exists on the ground.

Acceptance of the D0058 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20164. The D0058 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20165. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0058 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20166. The appearance of the D0058 Road on the Grand Gulch (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20167. The D0058 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0058 Road pursuant to the County's governmental right and authority.

20168. Witnesses with personal knowledge of the history of the D0058 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20169. Currently known reputation in the community is that the D0058 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20170. Public motor vehicle use of the D0058 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20171. The D0058 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20172. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0058 Road.

20173. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0058 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0059 Road

20174. The D0059 Road is designated as county road number D0059 and SGID road identification number RD190895 and is more or less 3.50 miles long.

20175. Exhibit 1631 (attached hereto and incorporated herein) contains certain information pertaining to the D0059 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20176. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0059 Road solely as it crosses United States public land as included and specifically described in Exhibit 1631. The D0059 Road includes the segment of road specifically set forth in Exhibit 1631 and as exists on the ground.

Acceptance of the D0059 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20177. The D0059 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20178. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0059 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20179. The appearance of the D0059 Road on the Grand Gulch (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20180. The County confirmed its acceptance of the D0059 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0059 Road pursuant to the County's governmental right and authority.

20181. Witnesses with personal knowledge of the history of the D0059 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20182. Currently known reputation in the community is that the D0059 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20183. Public motor vehicle use of the D0059 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20184. The D0059 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20185. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0059 Road.

20186. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0059 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0061 Road

20187. The D0061 Road is designated as county road number D0061 and SGID road identification number RD190897 and is more or less 1.52 miles long.

20188. Exhibit 1632 (attached hereto and incorporated herein) contains certain information pertaining to the D0061 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20189. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0061 Road solely as it crosses United States public land as included and specifically described in Exhibit 1632. The D0061 Road includes the segment of road specifically set forth in Exhibit 1632 and as exists on the ground.

Acceptance of the D0061 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20190. The D0061 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20191. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0061 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20192. The appearance of the D0061 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20193. The D0061 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0061 Road pursuant to the County's governmental right and authority.

20194. Witnesses with personal knowledge of the history of the D0061 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20195. Currently known reputation in the community is that the D0061 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20196. Public motor vehicle use of the D0061 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20197. The D0061 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20198. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0061 Road.

20199. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0061 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0062 Road

20200. The D0062 Road is designated as county road number D0062 and SGID road identification number RD190898 and is more or less 1.99 miles long.

20201. Exhibit 1633 (attached hereto and incorporated herein) contains certain information pertaining to the D0062 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20202. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0062 Road solely as it crosses United States public land as included and specifically described in Exhibit 1633. The D0062 Road includes the segment of road specifically set forth in Exhibit 1633 and as exists on the ground.

Acceptance of the D0062 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20203. The D0062 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20204. Aerial photography from 1975 and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0062 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20205. The appearance of the D0062 Road on the Grand Gulch (1963) and Cedar Mesa (1963) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20206. The D0062 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0062 Road pursuant to the County's governmental right and authority.

20207. Witnesses with personal knowledge of the history of the D0062 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20208. Currently known reputation in the community is that the D0062 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20209. Public motor vehicle use of the D0062 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20210. The D0062 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20211. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0062 Road.

20212. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0062 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0064 Road

20213. The D0064 Road is designated as county road number D0064 and SGID road identification number RD190899 and is more or less 0.70 miles long.

20214. Exhibit 1634 (attached hereto and incorporated herein) contains certain information pertaining to the D0064 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20215. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0064 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1634. The D0064 Road includes the segment of road specifically set forth in Exhibit 1634 and as exists on the ground.

Acceptance of the D0064 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20216. The D0064 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20217. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D0064 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20218. The D0064 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0064 Road pursuant to the County's governmental right and authority.

20219. Witnesses with personal knowledge of the history of the D0064 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20220. Currently known reputation in the community is that the D0064 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20221. Public motor vehicle use of the D0064 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20222. The D0064 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20223. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0064 Road.

20224. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0064 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0084 Road

20225. The D0084 Road is designated as county road number D0084 and SGID road identification number RD190917 and is more or less 3.01 miles long.

20226. Exhibit 1635 (attached hereto and incorporated herein) contains certain information pertaining to the D0084 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20227. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0084 Road solely as it crosses United States public land as included and specifically described in Exhibit 1635. The D0084 Road includes the segment of road specifically set forth in Exhibit 1635 and as exists on the ground.

Acceptance of the D0084 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20228. The D0084 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20229. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0084 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20230. The appearance of the D0084 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20231. The D0084 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0084 Road pursuant to the County's governmental right and authority.

20232. Witnesses with personal knowledge of the history of the D0084 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20233. Currently known reputation in the community is that the D0084 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20234. Public motor vehicle use of the D0084 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20235. The D0084 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20236. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0084 Road.

20237. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0084 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0091 Road

20238. The D0091 Road is designated as county road number D0091 and SGID road identification number RD190922 and is more or less 6.20 miles long.

20239. Exhibit 1636 (attached hereto and incorporated herein) contains certain information pertaining to the D0091 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20240. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0091 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1636. The D0091 Road includes the segment of road specifically set forth in Exhibit 1636 and as exists on the ground.

Acceptance of the D0091 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20241. The D0091 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20242. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D0091 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20243. The appearance of the D0091 Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20244. The D0091 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0091 Road pursuant to the County's governmental right and authority.

20245. Witnesses with personal knowledge of the history of the D0091 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20246. Currently known reputation in the community is that the D0091 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20247. Public motor vehicle use of the D0091 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20248. The D0091 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20249. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0091 Road.

20250. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0091 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0094 Road

20251. The D0094 Road is designated as county road number D0094 and SGID road identification number RD190925 and is more or less 0.93 miles long.

20252. Exhibit 1637 (attached hereto and incorporated herein) contains certain information pertaining to the D0094 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20253. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0094 Road solely as it crosses United States public land as included and specifically described in Exhibit 1637. The D0094 Road includes the segment of road specifically set forth in Exhibit 1637 and as exists on the ground.

Acceptance of the D0094 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20254. The D0094 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20255. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0094 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20256. The appearance of the D0094 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20257. The D0094 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0094 Road pursuant to the County's governmental right and authority.

20258. Witnesses with personal knowledge of the history of the D0094 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20259. Currently known reputation in the community is that the D0094 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20260. Public motor vehicle use of the D0094 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20261. The D0094 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20262. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0094 Road.

20263. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0094 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0103 Road

20264. The D0103 Road is designated as county road number D0103 and SGID road identification number RD190932 and is more or less 0.49 miles long.

20265. Exhibit 1638 (attached hereto and incorporated herein) contains certain information pertaining to the D0103 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20266. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0103 Road solely as it crosses United States public land as included and specifically described in Exhibit 1638. The D0103 Road includes the segment of road specifically set forth in Exhibit 1638 and as exists on the ground.

Acceptance of the D0103 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20267. The D0103 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20268. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0103 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20269. The D0103 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0103 Road pursuant to the County's governmental right and authority.

20270. Witnesses with personal knowledge of the history of the D0103 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20271. Currently known reputation in the community is that the D0103 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20272. Public motor vehicle use of the D0103 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20273. The D0103 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20274. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0103 Road.

20275. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0103 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0457 Road

20276. The D0457 Road is designated as county road number D0457 and SGID road identification number RD191090 and is more or less 0.44 miles long.

20277. Exhibit 1639 (attached hereto and incorporated herein) contains certain information pertaining to the D0457 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20278. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0457 Road solely as it crosses United States public land as included and specifically described in Exhibit 1639. The D0457 Road includes the segment of road specifically set forth in Exhibit 1639 and as exists on the ground.

Acceptance of the D0457 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20279. The D0457 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20280. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0457 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20281. The D0457 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0457 Road pursuant to the County's governmental right and authority.

20282. Witnesses with personal knowledge of the history of the D0457 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20283. Currently known reputation in the community is that the D0457 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20284. Public motor vehicle use of the D0457 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20285. The D0457 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20286. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0457 Road.

20287. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0457 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0458 Road

20288. The D0458 Road is designated as county road number D0458 and SGID road identification number RD191091 and is more or less 0.45 miles long.

20289. Exhibit 1640 (attached hereto and incorporated herein) contains certain information pertaining to the D0458 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20290. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0458 Road solely as it crosses United States public land as included and specifically described in Exhibit 1640. The D0458 Road includes the segment of road specifically set forth in Exhibit 1640 and as exists on the ground.

Acceptance of the D0458 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20291. The D0458 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20292. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0458 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20293. The D0458 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0458 Road pursuant to the County's governmental right and authority.

20294. Witnesses with personal knowledge of the history of the D0458 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20295. Currently known reputation in the community is that the D0458 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20296. Public motor vehicle use of the D0458 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20297. The D0458 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20298. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0458 Road.

20299. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0458 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0462 Road

20300. The D0462 Road is designated as county road number D0462 and SGID road identification number RD191094 and is more or less 0.80 miles long.

20301. Exhibit 1641 (attached hereto and incorporated herein) contains certain information pertaining to the D0462 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20302. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0462 Road solely as it crosses United States public land as included and specifically described in Exhibit 1641. The D0462 Road includes the segment of road specifically set forth in Exhibit 1641 and as exists on the ground.

Acceptance of the D0462 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20303. The D0462 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20304. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0462 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20305. The D0462 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0462 Road pursuant to the County's governmental right and authority.

20306. Witnesses with personal knowledge of the history of the D0462 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20307. Currently known reputation in the community is that the D0462 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20308. Public motor vehicle use of the D0462 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20309. The D0462 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20310. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0462 Road.

20311. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0462 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2191 Road

20312. The D2191 Road is designated as county road number D2191 and SGID road identification number RD192066 and is more or less 3.20 miles long.

20313. Exhibit 1642 (attached hereto and incorporated herein) contains certain information pertaining to the D2191 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20314. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2191 Road solely as it crosses United States public land as included and specifically described in Exhibit 1642. The D2191 Road includes the segment of road specifically set forth in Exhibit 1642 and as exists on the ground.

Acceptance of the D2191 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20315. The D2191 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20316. The appearance of the D2191 Road on the Grand Gulch (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20317. The D2191 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2191 Road pursuant to the County's governmental right and authority.

20318. Witnesses with personal knowledge of the history of the D2191 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20319. Currently known reputation in the community is that the D2191 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20320. Public motor vehicle use of the D2191 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20321. The D2191 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20322. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2191 Road.

20323. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2191 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2195 Road

20324. The D2195 Road is designated as county road number D2195 and SGID road identification number RD192070 and is more or less 0.68 miles long.

20325. Exhibit 1643 (attached hereto and incorporated herein) contains certain information pertaining to the D2195 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20326. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2195 Road solely as it crosses United States public land as included and specifically described in Exhibit 1643. The D2195 Road includes the segment of road specifically set forth in Exhibit 1643 and as exists on the ground.

Acceptance of the D2195 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20327. The D2195 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20328. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D2195 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20329. The D2195 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2195 Road pursuant to the County's governmental right and authority.

20330. Witnesses with personal knowledge of the history of the D2195 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20331. Currently known reputation in the community is that the D2195 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20332. Public motor vehicle use of the D2195 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20333. The D2195 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20334. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2195 Road.

20335. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2195 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2199 Road

20336. The D2199 Road is designated as county road numberD2199 and SGID road identification number RD192071 and is more or less 0.24 miles long.

20337. Exhibit 1644 (attached hereto and incorporated herein) contains certain information pertaining to the D2199 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20338. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2199 Road solely as it crosses United States public land as included and specifically described in Exhibit 1644. The D2199 Road includes the segment of road specifically set forth in Exhibit 1644 and as exists on the ground.

Acceptance of the D2199 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20339. The D2199 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20340. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2199 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20341. The D2199 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2199 Road pursuant to the County's governmental right and authority.

20342. Witnesses with personal knowledge of the history of the D2199 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20343. Currently known reputation in the community is that the D2199 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20344. Public motor vehicle use of the D2199 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20345. The D2199 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20346. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2199 Road.

20347. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2199 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2201 Road

20348. The D2201 Road is designated as county road number D2201 and SGID road identification number RD192073 and is more or less 0.33 miles long.

20349. Exhibit 1645 (attached hereto and incorporated herein) contains certain information pertaining to the D2201 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20350. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2201 Road solely as it crosses United States public land as included and specifically described in Exhibit 1645. The D2201 Road includes the segment of road specifically set forth in Exhibit 1645 and as exists on the ground.

Acceptance of the D2201 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20351. The D2201 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20352. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2201 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20353. The D2201 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2201 Road pursuant to the County's governmental right and authority.

20354. Witnesses with personal knowledge of the history of the D2201 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20355. Currently known reputation in the community is that the D2201 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20356. Public motor vehicle use of the D2201 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20357. The D2201 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20358. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2201 Road.

20359. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2201 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2202 Road

20360. The D2202 Road is designated as county road number D2202 and SGID road identification number RD192074 and is more or less 0.18 miles long.

20361. Exhibit 1646 (attached hereto and incorporated herein) contains certain information pertaining to the D2202 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20362. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2202 Road solely as it crosses United States public land as included and specifically described in Exhibit 1646. The D2202 Road includes the segment of road specifically set forth in Exhibit 1646 and as exists on the ground.

Acceptance of the D2202 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20363. The D2202 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20364. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2202 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20365. The appearance of the D2202 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20366. The D2202 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2202 Road pursuant to the County's governmental right and authority.

20367. Witnesses with personal knowledge of the history of the D2202 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20368. Currently known reputation in the community is that the D2202 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20369. Public motor vehicle use of the D2202 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20370. The D2202 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20371. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2202 Road.

20372. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2202 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2204 Road

20373. The D2204 Road is designated as county road number D2204 and SGID road identification number RD192075 and is more or less 0.30 miles long.

20374. Exhibit 1647 (attached hereto and incorporated herein) contains certain information pertaining to the D2204 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20375. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2204 Road solely as it crosses United States public land as included and specifically described in Exhibit 1647. The D2204 Road includes the segment of road specifically set forth in Exhibit 1647 and as exists on the ground.

Acceptance of the D2204 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20376. The D2204 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20377. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2204 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20378. The D2204 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2204 Road pursuant to the County's governmental right and authority.

20379. Witnesses with personal knowledge of the history of the D2204 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20380. Currently known reputation in the community is that the D2204 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20381. Public motor vehicle use of the D2204 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20382. The D2204 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20383. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2204 Road.

20384. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2204 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2208 Road

20385. The D2208 Road is designated as county road number D2208 and SGID road identification number RD192077 and is more or less 0.77 miles long.

20386. Exhibit 1648 (attached hereto and incorporated herein) contains certain information pertaining to the D2208 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20387. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2208 Road solely as it crosses United States public land as included and specifically described in Exhibit 1648. The D2208 Road includes the segment of road specifically set forth in Exhibit 1648 and as exists on the ground.

Acceptance of the D2208 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20388. The D2208 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20389. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2208 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20390. The D2208 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2208 Road pursuant to the County's governmental right and authority.

20391. Witnesses with personal knowledge of the history of the D2208 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20392. Currently known reputation in the community is that the D2208 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20393. Public motor vehicle use of the D2208 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20394. The D2208 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20395. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2208 Road.

20396. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2208 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2214 Road

20397. The D2214 Road is designated as county road number D2214 and SGID road identification number RD192081 and is more or less 0.38 miles long.

20398. Exhibit 1649 (attached hereto and incorporated herein) contains certain information pertaining to the D2214 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20399. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2214 Road solely as it crosses United States public land as included and specifically described in Exhibit 1649. The D2214 Road includes the segment of road specifically set forth in Exhibit 1649 and as exists on the ground.

Acceptance of the D2214 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20400. The D2214 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20401. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2214 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20402. The D2214 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2214 Road pursuant to the County's governmental right and authority.

20403. Witnesses with personal knowledge of the history of the D2214 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20404. Currently known reputation in the community is that the D2214 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20405. Public motor vehicle use of the D2214 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20406. The D2214 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20407. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2214 Road.

20408. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2214 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2229 Road

20409. The D2229 Road is designated as county road number D2229 and SGID road identification number RD192092 and is more or less 0.92 miles long.

20410. Exhibit 1650 (attached hereto and incorporated herein) contains certain information pertaining to the D2229 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20411. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2229 Road solely as it crosses United States public land as included and specifically described in Exhibit 1650. The D2229 Road includes the segment of road specifically set forth in Exhibit 1650 and as exists on the ground.

Acceptance of the D2229 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20412. The D2229 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20413. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2229 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20414. The appearance of the D2229 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20415. The D2229 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the D2229 Road pursuant to the County's governmental right and authority.

20416. Witnesses with personal knowledge of the history of the D2229 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20417. Currently known reputation in the community is that the D2229 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20418. Public motor vehicle use of the D2229 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20419. The D2229 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20420. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2229 Road.

20421. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2229 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2233 Road

20422. The D2233 Road is designated as county road number D2233 and SGID road identification number RD190698 and is more or less 2.09 miles long.

20423. Exhibit 1651 (attached hereto and incorporated herein) contains certain information pertaining to the D2233 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20424. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2233 Road solely as it crosses United States public land as included and specifically described in Exhibit 1651. The D2233 Road includes the segment of road specifically set forth in Exhibit 1651 and as exists on the ground.

Acceptance of the D2233 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20425. The D2233 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20426. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2233 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20427. The appearance of the D2233 Road on the Kane Gulch (1952) USGS 7.5-minute quadrangle map and Bears Ears (1954) USGS 15-minute quadrangle map evidences the

existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20428. The D2233 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2233 Road pursuant to the County's governmental right and authority.

20429. Witnesses with personal knowledge of the history of the D2233 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20430. Currently known reputation in the community is that the D2233 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20431. Public motor vehicle use of the D2233 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20432. The D2233 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20433. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2233 Road.

20434. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2233 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2235 Road

20435. The D2235 Road is designated as county road number D2235 and SGID road identification number RD192094 and is more or less 3.44 miles long.

20436. Exhibit 1652 (attached hereto and incorporated herein) contains certain information pertaining to the D2235 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20437. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2235 Road solely as it crosses United States public land as included and specifically described in Exhibit 1652. The D2235 Road includes the segment of road specifically set forth in Exhibit 1652 and as exists on the ground.

Acceptance of the D2235 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20438. The D2235 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20439. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2235 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20440. The D2235 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2235 Road pursuant to the County's governmental right and authority.

20441. Witnesses with personal knowledge of the history of the D2235 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20442. Currently known reputation in the community is that the D2235 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20443. Public motor vehicle use of the D2235 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20444. The D2235 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20445. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2235 Road.

20446. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2235 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3608 Road

20447. The D3608 Road is designated as county road number D3608 and SGID road identification number RD192802 and is more or less 2.55 miles long.

20448. Exhibit 1653 (attached hereto and incorporated herein) contains certain information pertaining to the D3608 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20449. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3608 Road solely as it crosses United States public land as included and specifically described in Exhibit 1653. The D3608 Road includes the segment of road specifically set forth in Exhibit 1653 and as exists on the ground.

Acceptance of the D3608 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20450. The D3608 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20451. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3608 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20452. The D3608 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3608 Road pursuant to the County's governmental right and authority.

20453. Witnesses with personal knowledge of the history of the D3608 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20454. Currently known reputation in the community is that the D3608 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20455. Public motor vehicle use of the D3608 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20456. The D3608 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20457. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3608 Road.

20458. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3608 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3610 Road

20459. The D3610 Road is designated as county road number D3610 and SGID road identification number RD190739 and is more or less 2.35 miles long.

20460. Exhibit 1654 (attached hereto and incorporated herein) contains certain information pertaining to the D3610 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20461. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3610 Road solely as it crosses United States public land as included and specifically described in Exhibit 1654. The D3610 Road includes the segment of road specifically set forth in Exhibit 1654 and as exists on the ground.

Acceptance of the D3610 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20462. The D3610 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20463. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3610 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20464. The appearance of the D3610 Road on the Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20465. The D3610 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3610 Road pursuant to the County's governmental right and authority.

20466. Witnesses with personal knowledge of the history of the D3610 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20467. Currently known reputation in the community is that the D3610 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20468. Public motor vehicle use of the D3610 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20469. The D3610 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20470. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3610 Road.

20471. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3610 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3613 Road

20472. The D3613 Road is designated as county road number D3613 and SGID road identification number RD192805 and is more or less 4.17 miles long.

20473. Exhibit 1655 (attached hereto and incorporated herein) contains certain information pertaining to the D3613 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20474. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3613 Road solely as it crosses United States public land as included and specifically described in Exhibit 1655. The D3613 Road includes the segment of road specifically set forth in Exhibit 1655 and as exists on the ground.

Acceptance of the D3613 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20475. The D3613 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20476. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3613 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20477. The D3613 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3613 Road pursuant to the County's governmental right and authority.

20478. Witnesses with personal knowledge of the history of the D3613 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20479. Currently known reputation in the community is that the D3613 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20480. Public motor vehicle use of the D3613 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20481. The D3613 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20482. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3613 Road.

20483. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3613 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3615 Road

20484. The D3615 Road is designated as county road number D3615 and SGID road identification number RD190741 and is more or less 4.93 miles long.

20485. Exhibit 1656 (attached hereto and incorporated herein) contains certain information pertaining to the D3615 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20486. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3615 Road solely as it crosses United States public land as included and specifically described in Exhibit 1656. The D3615 Road includes the segment of road specifically set forth in Exhibit 1656 and as exists on the ground.

Acceptance of the D3615 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20487. The D3615 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20488. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3615 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20489. The appearance of the D3615 Road on the Moss Back Butte (1952) USGS 7.5-minute quadrangle map and Natural Bridges (1952) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20490. The D3615 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3615 Road pursuant to the County's governmental right and authority.

20491. Witnesses with personal knowledge of the history of the D3615 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20492. Currently known reputation in the community is that the D3615 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20493. Public motor vehicle use of the D3615 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20494. The D3615 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20495. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3615 Road.

20496. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3615 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3618 Road

20497. The D3618 Road is designated as county road number D3618 and SGID road identification number RD192806 and is more or less 2.25 miles long.

20498. Exhibit 1657 (attached hereto and incorporated herein) contains certain information pertaining to the D3618 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20499. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3618 Road solely as it crosses United States public land as included and specifically described in Exhibit 1657. The D3618 Road includes the segment of road specifically set forth in Exhibit 1657 and as exists on the ground.

Acceptance of the D3618 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20500. The D3618 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20501. Aerial photography from 1975 and 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3618 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20502. The D3618 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3618 Road pursuant to the County's governmental right and authority.

20503. Witnesses with personal knowledge of the history of the D3618 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20504. Currently known reputation in the community is that the D3618 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20505. Public motor vehicle use of the D3618 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20506. The D3618 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20507. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3618 Road.

20508. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3618 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3620 Road

20509. The D3620 Road is designated as county road number D3620 and SGID road identification number RD192808 and is more or less 2.49 miles long.

20510. Exhibit 1658 (attached hereto and incorporated herein) contains certain information pertaining to the D3620 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20511. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3620 Road solely as it crosses United States public land as included and specifically described in Exhibit 1658. The D3620 Road includes the segment of road specifically set forth in Exhibit 1658 and as exists on the ground.

Acceptance of the D3620 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20512. The D3620 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20513. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3620 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20514. The D3620 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3620 Road pursuant to the County's governmental right and authority.

20515. Witnesses with personal knowledge of the history of the D3620 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20516. Currently known reputation in the community is that the D3620 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20517. Public motor vehicle use of the D3620 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20518. The D3620 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20519. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3620 Road.

20520. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3620 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3623 Road

20521. The D3623 Road is designated as county road number D3623 and SGID road identification number RD192811 and is more or less 0.82 miles long.

20522. Exhibit 1659 (attached hereto and incorporated herein) contains certain information pertaining to the D3623 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20523. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3623 Road solely as it crosses United States public land as included and specifically described in Exhibit 1659. The D3623 Road includes the segment of road specifically set forth in Exhibit 1659 and as exists on the ground.

Acceptance of the D3623 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20524. The D3623 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20525. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3623 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20526. The D3623 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3623 Road pursuant to the County's governmental right and authority.

20527. Witnesses with personal knowledge of the history of the D3623 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20528. Currently known reputation in the community is that the D3623 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20529. Public motor vehicle use of the D3623 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20530. The D3623 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20531. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3623 Road.

20532. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3623 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3626 Road

20533. The D3626 Road is designated as county road number D3626 and SGID road identification number RD192812 and is more or less 0.81 miles long.

20534. Exhibit 1660 (attached hereto and incorporated herein) contains certain information pertaining to the D3626 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20535. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3626 Road solely as it crosses United States public land as included and specifically described in Exhibit 1660. The D3626 Road includes the segment of road specifically set forth in Exhibit 1660 and as exists on the ground.

Acceptance of the D3626 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20536. The D3626 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20537. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D3626 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20538. The D3626 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3626 Road pursuant to the County's governmental right and authority.

20539. Witnesses with personal knowledge of the history of the D3626 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20540. Currently known reputation in the community is that the D3626 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20541. Public motor vehicle use of the D3626 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20542. The D3626 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20543. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3626 Road.

20544. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3626 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3632 Road

20545. The D3632 Road is designated as county road number D3632 and SGID road identification number RD192817 and is more or less 1.08 miles long.

20546. Exhibit 1661 (attached hereto and incorporated herein) contains certain information pertaining to the D3632 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20547. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3632 Road solely as it crosses United States public land as included and specifically described in Exhibit 1661. The D3632 Road includes the segment of road specifically set forth in Exhibit 1661 and as exists on the ground.

Acceptance of the D3632 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20548. The D3632 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20549. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3632 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20550. The D3632 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3632 Road pursuant to the County's governmental right and authority.

20551. Witnesses with personal knowledge of the history of the D3632 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20552. Currently known reputation in the community is that the D3632 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20553. Public motor vehicle use of the D3632 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20554. The D3632 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20555. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3632 Road.

20556. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3632 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3633 Road

20557. The D3633 Road is designated as county road number D3633 and SGID road identification number RD192818 and is more or less 1.02 miles long.

20558. Exhibit 1662 (attached hereto and incorporated herein) contains certain information pertaining to the D3633 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20559. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3633 Road solely as it crosses United States public land as included and specifically described in Exhibit 1662. The D3633 Road includes the segment of road specifically set forth in Exhibit 1662 and as exists on the ground.

Acceptance of the D3633 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20560. The D3633 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20561. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3633 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20562. The D3633 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3633 Road pursuant to the County's governmental right and authority.

20563. Witnesses with personal knowledge of the history of the D3633 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20564. Currently known reputation in the community is that the D3633 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20565. Public motor vehicle use of the D3633 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20566. The D3633 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20567. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3633 Road.

20568. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3633 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3634 Road

20569. The D3634 Road is designated as county road number D3634 and SGID road identification number RD192819 and is more or less 0.41 miles long.

20570. Exhibit 1663 (attached hereto and incorporated herein) contains certain information pertaining to the D3634 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20571. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3634 Road solely as it crosses United States public land as included and specifically described in Exhibit 1663. The D3634 Road includes the segment of road specifically set forth in Exhibit 1663 and as exists on the ground.

Acceptance of the D3634 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20572. The D3634 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20573. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3634 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20574. The D3634 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3634 Road pursuant to the County's governmental right and authority.

20575. Witnesses with personal knowledge of the history of the D3634 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20576. Currently known reputation in the community is that the D3634 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20577. Public motor vehicle use of the D3634 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20578. The D3634 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20579. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3634 Road.

20580. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3634 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3636 Road

20581. The D3636 Road is designated as county road number D3636 and SGID road identification number RD192820 and is more or less 0.62 miles long.

20582. Exhibit 1664 (attached hereto and incorporated herein) contains certain information pertaining to the D3636 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20583. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3636 Road solely as it crosses United States public land as included and specifically described in Exhibit 1664. The D3636 Road includes the segment of road specifically set forth in Exhibit 1664 and as exists on the ground.

Acceptance of the D3636 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20584. The D3636 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20585. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3636 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20586. The D3636 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3636 Road pursuant to the County's governmental right and authority.

20587. Witnesses with personal knowledge of the history of the D3636 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20588. Currently known reputation in the community is that the D3636 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20589. Public motor vehicle use of the D3636 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20590. The D3636 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20591. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3636 Road.

20592. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3636 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3640 Road

20593. The D3640 Road is designated as county road number D3640 and SGID road identification number RD192822 and is more or less 0.54 miles long.

20594. Exhibit 1665 (attached hereto and incorporated herein) contains certain information pertaining to the D3640 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20595. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3640 Road solely as it crosses United States public land as included and specifically described in Exhibit 1665. The D3640 Road includes the segment of road specifically set forth in Exhibit 1665 and as exists on the ground.

Acceptance of the D3640 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20596. The D3640 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20597. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3640 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20598. The D3640 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3640 Road pursuant to the County's governmental right and authority.

20599. Witnesses with personal knowledge of the history of the D3640 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20600. Currently known reputation in the community is that the D3640 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20601. Public motor vehicle use of the D3640 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20602. The D3640 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20603. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3640 Road.

20604. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3640 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3643 Road

20605. The D3643 Road is designated as county road number D3643 and SGID road identification number RD192823 and is more or less 0.15 miles long.

20606. Exhibit 1666 (attached hereto and incorporated herein) contains certain information pertaining to the D3643 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20607. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3643 Road solely as it crosses United States public land as included and specifically described in Exhibit 1666. The D3643 Road includes the segment of road specifically set forth in Exhibit 1666 and as exists on the ground.

Acceptance of the D3643 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20608. The D3643 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20609. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3643 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20610. The D3643 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3643 Road pursuant to the County's governmental right and authority.

20611. Witnesses with personal knowledge of the history of the D3643 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20612. Currently known reputation in the community is that the D3643 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20613. Public motor vehicle use of the D3643 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20614. The D3643 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20615. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3643 Road.

20616. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3643 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D3726 Road

20617. The D3726 Road is designated as county road number D3726 and SGID road identification number RD190748 and is more or less 1.86 miles long.

20618. Exhibit 1667 (attached hereto and incorporated herein) contains certain information pertaining to the D3726 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20619. In this action, the State and County seek to quiet title to the public highway right-of-way for the D3726 Road solely as it crosses United States public land as included and specifically described in Exhibit 1667. The D3726 Road includes the segment of road specifically set forth in Exhibit 1667 and as exists on the ground.

Acceptance of the D3726 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20620. The D3726 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20621. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D3726 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20622. The D3726 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D3726 Road pursuant to the County's governmental right and authority.

20623. Witnesses with personal knowledge of the history of the D3726 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20624. Currently known reputation in the community is that the D3726 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20625. Public motor vehicle use of the D3726 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20626. The D3726 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20627. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D3726 Road.

20628. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D3726 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4251 Road

20629. The D4251 Road is designated as county road number D4251 and SGID road identification number RD193139 and is more or less 0.86 miles long.

20630. Exhibit 1668 (attached hereto and incorporated herein) contains certain information pertaining to the D4251 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20631. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4251 Road solely as it crosses United States public land as included and specifically described in Exhibit 1668. The D4251 Road includes the segment of road specifically set forth in Exhibit 1668 and as exists on the ground.

Acceptance of the D4251 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20632. The D4251 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20633. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4251 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20634. The D4251 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4251 Road pursuant to the County's governmental right and authority.

20635. Witnesses with personal knowledge of the history of the D4251 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20636. Currently known reputation in the community is that the D4251 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20637. Public motor vehicle use of the D4251 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20638. The D4251 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20639. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4251 Road.

20640. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4251 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4303 Road

20641. The D4303 Road is designated as county road number D4303 and SGID road identification number RD193157 and is more or less 0.87 miles long.

20642. Exhibit 1669 (attached hereto and incorporated herein) contains certain information pertaining to the D4303 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20643. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4303 Road solely as it crosses United States public land as included and specifically described in Exhibit 1669. The D4303 Road includes the segment of road specifically set forth in Exhibit 1669 and as exists on the ground.

Acceptance of the D4303 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20644. The D4303 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20645. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4303 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20646. The D4303 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4303 Road pursuant to the County's governmental right and authority.

20647. Witnesses with personal knowledge of the history of the D4303 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20648. Currently known reputation in the community is that the D4303 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20649. Public motor vehicle use of the D4303 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20650. The D4303 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20651. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4303 Road.

20652. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4303 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4305 Road

20653. The D4305 Road is designated as county road number D4305 and SGID road identification number RD193158 and is more or less 1.82 miles long.

20654. Exhibit 1670 (attached hereto and incorporated herein) contains certain information pertaining to the D4305 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20655. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4305 Road solely as it crosses United States public land as included and specifically described in Exhibit 1670. The D4305 Road includes the segment of road specifically set forth in Exhibit 1670 and as exists on the ground.

Acceptance of the D4305 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20656. The D4305 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20657. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4305 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20658. The D4305 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4305 Road pursuant to the County's governmental right and authority.

20659. Witnesses with personal knowledge of the history of the D4305 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20660. Currently known reputation in the community is that the D4305 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20661. Public motor vehicle use of the D4305 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20662. The D4305 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20663. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4305 Road.

20664. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4305 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4312 Road

20665. The D4312 Road is designated as county road number D4312 and SGID road identification number RD193159 and is more or less 0.21 miles long.

20666. Exhibit 1671 (attached hereto and incorporated herein) contains certain information pertaining to the D4312 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20667. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4312 Road solely as it crosses United States public land as included and specifically described in Exhibit 1671. The D4312 Road includes the segment of road specifically set forth in Exhibit 1671 and as exists on the ground.

Acceptance of the D4312 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20668. The D4312 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20669. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4312 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20670. The D4312 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4312 Road pursuant to the County's governmental right and authority.

20671. Witnesses with personal knowledge of the history of the D4312 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20672. Currently known reputation in the community is that the D4312 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20673. Public motor vehicle use of the D4312 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20674. The D4312 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20675. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4312 Road.

20676. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4312 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4319 Road

20677. The D4319 Road is designated as county road number D4319 and SGID road identification number RD190765 and is more or less 5.86 miles long.

20678. Exhibit 1672 (attached hereto and incorporated herein) contains certain information pertaining to the D4319 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20679. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4319 Road solely as it crosses United States public land as included and specifically described in Exhibit 1672. The D4319 Road includes the segment of road specifically set forth in Exhibit 1672 and as exists on the ground.

Acceptance of the D4319 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20680. The D4319 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20681. The appearance of the D4319 Road on the Grand Gulch (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20682. The D4319 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4319 Road pursuant to the County's governmental right and authority.

20683. Witnesses with personal knowledge of the history of the D4319 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20684. Currently known reputation in the community is that the D4319 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20685. Public motor vehicle use of the D4319 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20686. The D4319 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20687. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4319 Road.

20688. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4319 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4321 Road

20689. The D4321 Road is designated as county road number D4321 and SGID road identification number RD193161 and is more or less 0.72 miles long.

20690. Exhibit 1673 (attached hereto and incorporated herein) contains certain information pertaining to the D4321 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20691. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4321 Road solely as it crosses United States public land as included and specifically described in Exhibit 1673. The D4321 Road includes the segment of road specifically set forth in Exhibit 1673 and as exists on the ground.

Acceptance of the D4321 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20692. The D4321 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20693. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D4321 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20694. The appearance of the D4321 Road on the Grand Gulch (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20695. The D4321 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4321 Road pursuant to the County's governmental right and authority.

20696. Witnesses with personal knowledge of the history of the D4321 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20697. Currently known reputation in the community is that the D4321 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20698. Public motor vehicle use of the D4321 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20699. The D4321 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20700. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4321 Road.

20701. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4321 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4324 Road

20702. The D4324 Road is designated as county road number D4324 and SGID road identification number RD193162 and is more or less 5.87 miles long.

20703. Exhibit 1674 (attached hereto and incorporated herein) contains certain information pertaining to the D4324 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20704. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4324 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1674. The D4324 Road includes the segment of road specifically set forth in Exhibit 1674 and as exists on the ground.

Acceptance of the D4324 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20705. The D4324 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20706. The appearance of the D4324 Road on the Red House Spring (1952) USGS 7.5-minute quadrangle map and Grand Gulch (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20707. The County confirmed its acceptance of the D4324 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4324 Road pursuant to the County's governmental right and authority.

20708. Witnesses with personal knowledge of the history of the D4324 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20709. Currently known reputation in the community is that the D4324 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20710. Public motor vehicle use of the D4324 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20711. The D4324 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20712. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4324 Road.

20713. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4324 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4326 Road

20714. The D4326 Road is designated as county road number D4326 and SGID road identification number RD193164 and is more or less 0.66 miles long.

20715. Exhibit 1675 (attached hereto and incorporated herein) contains certain information pertaining to the D4326 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20716. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4326 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1675. The D4326 Road includes the segment of road specifically set forth in Exhibit 1675 and as exists on the ground.

Acceptance of the D4326 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20717. The D4326 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20718. The D4326 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4326 Road pursuant to the County's governmental right and authority.

20719. Witnesses with personal knowledge of the history of the D4326 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20720. Currently known reputation in the community is that the D4326 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20721. Public motor vehicle use of the D4326 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20722. The D4326 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20723. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4326 Road.

20724. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4326 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4341 Road

20725. The D4341 Road is designated as county road number D4341 and SGID road identification number RD193171 and is more or less 1.03 miles long.

20726. Exhibit 1676 (attached hereto and incorporated herein) contains certain information pertaining to the D4341 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20727. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4341 Road solely as it crosses United States public land as included and specifically described in Exhibit 1676. The D4341 Road includes the segment of road specifically set forth in Exhibit 1676 and as exists on the ground.

Acceptance of the D4341 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20728. The D4341 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20729. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the D4341 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20730. The D4341 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4341 Road pursuant to the County's governmental right and authority.

20731. Witnesses with personal knowledge of the history of the D4341 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20732. Currently known reputation in the community is that the D4341 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20733. Public motor vehicle use of the D4341 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20734. The D4341 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20735. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4341 Road.

20736. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4341 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4371 Road

20737. The D4371 Road is designated as county road number D4371 and SGID road identification number RD193177 and is more or less 0.68 miles long.

20738. Exhibit 1677 (attached hereto and incorporated herein) contains certain information pertaining to the D4371 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20739. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4371 Road solely as it crosses United States public land as included and specifically described in Exhibit 1677. The D4371 Road includes the segment of road specifically set forth in Exhibit 1677 and as exists on the ground.

Acceptance of the D4371 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20740. The D4371 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20741. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4371 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20742. The D4371 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4371 Road pursuant to the County's governmental right and authority.

20743. Witnesses with personal knowledge of the history of the D4371 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20744. Currently known reputation in the community is that the D4371 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20745. Public motor vehicle use of the D4371 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20746. The D4371 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20747. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4371 Road.

20748. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4371 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4707 Road

20749. The D4707 Road is designated as county road number D4707 and SGID road identification number RD193307 and is more or less 3.18 miles long.

20750. Exhibit 1678 (attached hereto and incorporated herein) contains certain information pertaining to the D4707 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20751. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4707 Road solely as it crosses United States public land as included and specifically described in Exhibit 1678. The D4707 Road includes the segment of road specifically set forth in Exhibit 1678 and as exists on the ground.

Acceptance of the D4707 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20752. The D4707 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20753. The appearance of the D4707 Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20754. The D4707 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4707 Road pursuant to the County's governmental right and authority.

20755. Witnesses with personal knowledge of the history of the D4707 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20756. Currently known reputation in the community is that the D4707 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20757. Public motor vehicle use of the D4707 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20758. The D4707 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20759. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4707 Road.

20760. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4707 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4736 Road

20761. The D4736 Road is designated as county road number D4736 and SGID road identification number RD193322 and is more or less 0.74 miles long.

20762. Exhibit 1679 (attached hereto and incorporated herein) contains certain information pertaining to the D4736 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20763. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4736 Road solely as it crosses United States public land as included and specifically described in Exhibit 1679. The D4736 Road includes the segment of road specifically set forth in Exhibit 1679 and as exists on the ground.

Acceptance of the D4736 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20764. The D4736 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20765. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4736 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20766. The D4736 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4736 Road pursuant to the County's governmental right and authority.

20767. Witnesses with personal knowledge of the history of the D4736 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20768. Currently known reputation in the community is that the D4736 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20769. Public motor vehicle use of the D4736 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20770. The D4736 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20771. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4736 Road.

20772. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4736 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

TWENTY-FOURTH CAUSE OF ACTION – QUIET TITLE
SNOW FLAT AREA

20773. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

20774. The Snow Flat Area is located in south-central San Juan County and is shown on Exhibit 26, attached hereto and incorporated herein.

20775. The Snow Flat Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Cigarette Spring Road, B239; (2) Lime Creek Road, B226; (3) Lime Ridge Road, B2351; (4) Mexican Hat Rock Road, B2161; (5) Snow Flat Road, B237; (6) Valley of the Gods Road, B242; (7) D0050 Road; (8) D0051 Road; (9) D0052 Road; (10) D0057 Road; (11) D0080 Road; (12) D0081 Road; (13) D0082 Road; (14) D0085 Road; (15) D0086 Road; (16) D0087 Road; (17) D0092 Road; (18) D0164 Road; (19) D0165 Road; (20) D0171 Road; (21) D0172 Road; (22) D0173 Road; (23) D0174 Road; (24) D0179 Road; (25) D0180 Road; (26) D0208 Road; (27) D1122 Road; (28) D1168 Road; (29) D2200 Road; (30) D2267 Road; (31) D2268 Road; (32) D2271 Road; (33) D2294 Road; (34) D2536 Road; (35) D4197 Road; (36) D4222 Road; (37) D4273 Road; (38) D4602 Road; (39) D4611 Road; (40) D4612 Road; (41) D4629 Road; (42) D4645 Road; (43) D4647 Road; (44)

D4665 Road; (45) D4668 Road; (46) D4669 Road; (47) D4729 Road; (48) D4730 Road; (49) D4742 Road; (50) D4798 Road; and (51) D4803 Road.

20776. Each right-of-way claimed in the Snow Flat Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

20777. All rights-of-way claimed in the Snow Flat Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

20778. All rights-of-way claimed in the Snow Flat Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

20779. Prior to October 21, 1976, the State of Utah, San Juan County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Cigarette Spring Road, B239

20780. The Cigarette Spring Road is designated as county road number B239 and SGID road identification number RD190230 and is more or less 8.71 miles long.

20781. Exhibit 1680 (attached hereto and incorporated herein) contains certain information pertaining to the Cigarette Spring Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20782. In this action, the State and County seek to quiet title to the public highway right-of-way for the Cigarette Spring Road solely as it crosses United States public land as included and specifically described in Exhibit 1680. The Cigarette Spring Road includes the segment of road specifically set forth in Exhibit 1680 and as exists on the ground.

Acceptance of the Cigarette Spring Road R.S. 2477 Right-of-way Prior to October 21, 1976

20783. The Cigarette Spring Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20784. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Cigarette Spring Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20785. The appearance of the Cigarette Spring Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20786. The County confirmed its acceptance of the Cigarette Spring Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Cigarette Spring Road using public funds pursuant to the County's governmental right and authority.

20787. Witnesses with personal knowledge of the history of the Cigarette Spring Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20788. Currently known reputation in the community is that the Cigarette Spring Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20789. Public motor vehicle use of the Cigarette Spring Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20790. The Cigarette Spring Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20791. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Cigarette Spring Road.

20792. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Cigarette Spring Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Lime Creek Road, B226

20793. The Lime Creek Road is designated as county road number B226 and SGID road identification number RD190204 and is more or less 3.64 miles long.

20794. Exhibit 1681 (attached hereto and incorporated herein) contains certain information pertaining to the Lime Creek Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20795. In this action, the State and County seek to quiet title to the public highway right-of-way for the Lime Creek Road solely as it crosses United States public land as included and specifically described in Exhibit 1681. The Lime Creek Road includes the segment of road specifically set forth in Exhibit 1681 and as exists on the ground.

Acceptance of the Lime Creek Road R.S. 2477 Right-of-way Prior to October 21, 1976

20796. The Lime Creek Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20797. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Lime Creek Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20798. The appearance of the Lime Creek Road on the Bluff SW (1962) USGS 7.5-minute quadrangle map and the Cedar Mesa (1963) and Bluff (1962) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20799. The County confirmed its acceptance of the Lime Creek Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Lime Creek Road using public funds pursuant to the County's governmental right and authority.

20800. Witnesses with personal knowledge of the history of the Lime Creek Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20801. Currently known reputation in the community is that the Lime Creek Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20802. Public motor vehicle use of the Lime Creek Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477

public highway right-of-way underlying this road.

20803. The Lime Creek Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20804. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Lime Creek Road.

20805. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Lime Creek Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Lime Ridge Road, B2351

20806. The Lime Ridge Road is designated as county road number B2351 and SGID road identification number RD190223 and is more or less 4.60 miles long.

20807. Exhibit 1682 (attached hereto and incorporated herein) contains certain information pertaining to the Lime Ridge Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20808. In this action, the State and County seek to quiet title to the public highway right-of-way for the Lime Ridge Road solely as it crosses United States public land as included and specifically described in Exhibit 1682. The Lime Ridge Road includes the segment of road specifically set forth in Exhibit 1682 and as exists on the ground.

Acceptance of the Lime Ridge Road R.S. 2477 Right-of-way Prior to October 21, 1976

20809. The Lime Ridge Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20810. Aerial photography from 1974 and 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Lime Ridge Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20811. The appearance of the Lime Ridge Road on the Bluff SW (1962) USGS 7.5-minute quadrangle map and the Bluff (1962) and Boundary Butte (1962) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20812. The County confirmed its acceptance of the Lime Ridge Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Lime Ridge Road using public funds pursuant to the County's governmental right and authority.

20813. Witnesses with personal knowledge of the history of the Lime Ridge Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20814. Currently known reputation in the community is that the Lime Ridge Road has

been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20815. Public motor vehicle use of the Lime Ridge Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20816. The Lime Ridge Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20817. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Lime Ridge Road.

20818. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Lime Ridge Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Mexican Hat Rock Road, B2161

20819. The Mexican Hat Rock Road is designated as county road number B2161 and SGID road identification number RD190185 and is more or less 2.19 miles long.

20820. Exhibit 1683 (attached hereto and incorporated herein) contains certain information pertaining to the Mexican Hat Rock Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate

ownership list; and a complete centerline description of the road.

20821. In this action, the State and County seek to quiet title to the public highway right-of-way for the Mexican Hat Rock Road solely as it crosses United States public land as included and specifically described in Exhibit 1683. The Mexican Hat Rock Road includes the segment of road specifically set forth in Exhibit 1683 and as exists on the ground.

Acceptance of the Mexican Hat Rock Road R.S. 2477 Right-of-way Prior to October 21, 1976

20822. The Mexican Hat Rock Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20823. The appearance of the Mexican Hat Rock Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20824. The County confirmed its acceptance of the Mexican Hat Rock Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Mexican Hat Rock Road using public funds pursuant to the County's governmental right and authority.

20825. Witnesses with personal knowledge of the history of the Mexican Hat Rock Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20826. Currently known reputation in the community is that the Mexican Hat Rock Road

has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20827. Public motor vehicle use of the Mexican Hat Rock Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20828. The Mexican Hat Rock Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20829. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Mexican Hat Rock Road.

20830. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Mexican Hat Rock Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Snow Flat Road, B237

20831. The Snow Flat Road is designated as county road number B237 and SGID road identification number RD190226 and is more or less 22.95 miles long.

20832. Exhibit 1684 (attached hereto and incorporated herein) contains certain information pertaining to the Snow Flat Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership

list; and a complete centerline description of the road.

20833. In this action, the State and County seek to quiet title to the public highway right-of-way for the Snow Flat Road solely as it crosses United States public land as included and specifically described in Exhibit 1684. The Snow Flat Road includes the segment of road specifically set forth in Exhibit 1684 and as exists on the ground.

Acceptance of the Snow Flat Road R.S. 2477 Right-of-way Prior to October 21, 1976

20834. The Snow Flat Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20835. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Snow Flat Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20836. The appearance of the Snow Flat Road on the Bluff SW (1962) and Bluff NW (1962) USGS 7.5-minute quadrangle maps and the Cedar Mesa (1963) and Bluff (1962) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20837. The County confirmed its acceptance of the Snow Flat Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Snow Flat Road using public funds pursuant to the County's governmental right and authority.

20838. Witnesses with personal knowledge of the history of the Snow Flat Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20839. Currently known reputation in the community is that the Snow Flat Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20840. Public motor vehicle use of the Snow Flat Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20841. The Snow Flat Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20842. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Snow Flat Road.

20843. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Snow Flat Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Valley of the Gods Road, B242

20844. The Valley of the Gods Road is designated as county road number B242 and

SGID road identification number RD190236 and is more or less 16.32 miles long.

20845. Exhibit 1685 (attached hereto and incorporated herein) contains certain information pertaining to the Valley of the Gods Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20846. In this action, the State and County seek to quiet title to the public highway right-of-way for the Valley of the Gods Road solely as it crosses United States public land as included and specifically described in Exhibit 1685. The Valley of the Gods Road includes the segment of road specifically set forth in Exhibit 1685 and as exists on the ground.

Acceptance of the Valley of the Gods Road R.S. 2477 Right-of-way Prior to October 21, 1976

20847. The Valley of the Gods Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20848. Aerial photography from 1974 and 1975 confirms the historical use, existence, and acceptance of the right-of-way for the Valley of the Gods Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20849. The appearance of the Valley of the Gods Road on the Cedar Mesa (1963) and Mexican Hat (1963) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20850. The County confirmed its acceptance of the Valley of the Gods Road by 1974,

when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Valley of the Gods Road using public funds pursuant to the County's governmental right and authority.

20851. Witnesses with personal knowledge of the history of the Valley of the Gods Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20852. Currently known reputation in the community is that the Valley of the Gods Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20853. Public motor vehicle use of the Valley of the Gods Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20854. The Valley of the Gods Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20855. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Valley of the Gods Road.

20856. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Valley of the Gods Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0050 Road

20857. The D0050 Road is designated as county road number D0050 and SGID road identification number RD190887 and is more or less .51 miles long.

20858. Exhibit 1686 (attached hereto and incorporated herein) contains certain information pertaining to the D0050 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20859. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0050 Road solely as it crosses United States public land as included and specifically described in Exhibit 1686. The D0050 Road includes the segment of road specifically set forth in Exhibit 1686 and as exists on the ground.

Acceptance of the D0050 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20860. The D0050 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20861. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0050 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20862. The appearance of the D0050 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20863. The D0050 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0050 Road pursuant to the County's governmental right and authority.

20864. Witnesses with personal knowledge of the history of the D0050 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20865. Currently known reputation in the community is that the D0050 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20866. Public motor vehicle use of the D0050 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20867. The D0050 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20868. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0050 Road.

20869. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0050 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0051 Road

20870. The D0051 Road is designated as county road number D0051 and SGID road identification number RD190888 and is more or less 1.23 miles long.

20871. Exhibit 1687 (attached hereto and incorporated herein) contains certain information pertaining to the D0051 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20872. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0051 Road solely as it crosses United States public land as included and specifically described in Exhibit 1687. The D0051 Road includes the segment of road specifically set forth in Exhibit 1687 and as exists on the ground.

Acceptance of the D0051 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20873. The D0051 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20874. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0051 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20875. The D0051 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0051 Road pursuant to the County's governmental right and authority.

20876. Witnesses with personal knowledge of the history of the D0051 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20877. Currently known reputation in the community is that the D0051 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20878. Public motor vehicle use of the D0051 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20879. The D0051 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20880. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0051 Road.

20881. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0051 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0052 Road

20882. The D0052 Road is designated as county road number D0052 and SGID road identification number RD190889 and is more or less .73 miles long.

20883. Exhibit 1688 (attached hereto and incorporated herein) contains certain information pertaining to the D0052 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20884. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0052 Road solely as it crosses United States public land as included and specifically described in Exhibit 1688. The D0052 Road includes the segment of road specifically set forth in Exhibit 1688 and as exists on the ground.

Acceptance of the D0052 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20885. The D0052 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20886. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0052 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20887. The appearance of the D0052 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20888. The D0052 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0052 Road pursuant to the County's governmental right and authority.

20889. Witnesses with personal knowledge of the history of the D0052 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20890. Currently known reputation in the community is that the D0052 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20891. Public motor vehicle use of the D0052 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20892. The D0052 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20893. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0052 Road.

20894. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0052 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0057 Road

20895. The D0057 Road is designated as county road number D0057 and SGID road identification number RD190554 and is more or less 1.58 miles long.

20896. Exhibit 1689 (attached hereto and incorporated herein) contains certain information pertaining to the D0057 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20897. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0057 Road solely as it crosses United States public land as included and specifically described in Exhibit 1689. The D0057 Road includes the segment of road specifically set forth in Exhibit 1689 and as exists on the ground.

Acceptance of the D0057 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20898. The D0057 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20899. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0057 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20900. The appearance of the D0057 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20901. The County confirmed its acceptance of the D0057 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0057 Road pursuant to the County's governmental right and authority.

20902. Witnesses with personal knowledge of the history of the D0057 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20903. Currently known reputation in the community is that the D0057 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20904. Public motor vehicle use of the D0057 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

20905. The D0057 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20906. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0057 Road.

20907. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0057 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0080 Road

20908. The D0080 Road is designated as county road number D0080 and SGID road identification number RD190913 and is more or less 2.75 miles long.

20909. Exhibit 1690 (attached hereto and incorporated herein) contains certain information pertaining to the D0080 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20910. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0080 Road solely as it crosses United States public land as included and specifically described in Exhibit 1690. The D0080 Road includes the segment of road specifically set forth in Exhibit 1690 and as exists on the ground.

Acceptance of the D0080 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20911. The D0080 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20912. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0080 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20913. The appearance of the D0080 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20914. The County confirmed its acceptance of the D0080 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0080 Road pursuant to the County's governmental right and authority.

20915. Witnesses with personal knowledge of the history of the D0080 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20916. Currently known reputation in the community is that the D0080 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20917. Public motor vehicle use of the D0080 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20918. The D0080 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20919. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0080 Road.

20920. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0080 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0081 Road

20921. The D0081 Road is designated as county road number D0081 and SGID road identification number RD190914 and is more or less .96 miles long.

20922. Exhibit 1691 (attached hereto and incorporated herein) contains certain information pertaining to the D0081 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20923. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0081 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1691. The D0081 Road includes the segment of road specifically set forth in Exhibit 1691 and as exists on the ground.

Acceptance of the D0081 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20924. The D0081 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20925. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0081 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20926. The appearance of the D0081 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20927. The D0081 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0081 Road pursuant to the County's governmental right and authority.

20928. Witnesses with personal knowledge of the history of the D0081 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20929. Currently known reputation in the community is that the D0081 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

20930. Public motor vehicle use of the D0081 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20931. The D0081 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20932. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0081 Road.

20933. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0081 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0082 Road

20934. The D0082 Road is designated as county road number D0082 and SGID road identification number RD190915 and is more or less 1.02 miles long.

20935. Exhibit 1692 (attached hereto and incorporated herein) contains certain information pertaining to the D0082 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20936. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D0082 Road solely as it crosses United States public land as included and specifically described in Exhibit 1692. The D0082 Road includes the segment of road specifically set forth in Exhibit 1692 and as exists on the ground.

Acceptance of the D0082 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20937. The D0082 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20938. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0082 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20939. The D0082 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0082 Road pursuant to the County's governmental right and authority.

20940. Witnesses with personal knowledge of the history of the D0082 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20941. Currently known reputation in the community is that the D0082 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20942. Public motor vehicle use of the D0082 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20943. The D0082 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20944. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0082 Road.

20945. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0082 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0085 Road

20946. The D0085 Road is designated as county road number D0085 and SGID road identification number RD190918 and is more or less 2.27 miles long.

20947. Exhibit 1693 (attached hereto and incorporated herein) contains certain information pertaining to the D0085 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20948. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0085 Road solely as it crosses United States public land as included and specifically described in Exhibit 1693. The D0085 Road includes the segment of road

specifically set forth in Exhibit 1693 and as exists on the ground.

Acceptance of the D0085 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20949. The D0085 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20950. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0085 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20951. The appearance of the D0085 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20952. The D0085 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0085 Road pursuant to the County's governmental right and authority.

20953. Witnesses with personal knowledge of the history of the D0085 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20954. Currently known reputation in the community is that the D0085 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20955. Public motor vehicle use of the D0085 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20956. The D0085 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20957. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0085 Road.

20958. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0085 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0086 Road

20959. The D0086 Road is designated as county road number D0086 and SGID road identification number RD190919 and is more or less 2.62 miles long.

20960. Exhibit 1694 (attached hereto and incorporated herein) contains certain information pertaining to the D0086 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20961. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0086 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1694. The D0086 Road includes the segment of road specifically set forth in Exhibit 1694 and as exists on the ground.

Acceptance of the D0086 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20962. The D0086 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20963. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0086 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20964. The appearance of the D0086 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20965. The D0086 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0086 Road pursuant to the County's governmental right and authority.

20966. Witnesses with personal knowledge of the history of the D0086 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20967. Currently known reputation in the community is that the D0086 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to

October 21, 1976, and continuing to the present.

20968. Public motor vehicle use of the D0086 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20969. The D0086 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20970. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0086 Road.

20971. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0086 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0087 Road

20972. The D0087 Road is designated as county road number D0087 and SGID road identification number RD190920 and is more or less .86 miles long.

20973. Exhibit 1695 (attached hereto and incorporated herein) contains certain information pertaining to the D0087 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20974. In this action, the State and County seek to quiet title to the public highway right-

of-way for the D0087 Road solely as it crosses United States public land as included and specifically described in Exhibit 1695. The D0087 Road includes the segment of road specifically set forth in Exhibit 1695 and as exists on the ground.

Acceptance of the D0087 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20975. The D0087 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20976. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0087 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

20977. The D0087 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0087 Road pursuant to the County's governmental right and authority.

20978. Witnesses with personal knowledge of the history of the D0087 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20979. Currently known reputation in the community is that the D0087 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20980. Public motor vehicle use of the D0087 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20981. The D0087 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20982. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0087 Road.

20983. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0087 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0092 Road

20984. The D0092 Road is designated as county road number D0092 and SGID road identification number RD190923 and is more or less .80 miles long.

20985. Exhibit 1696 (attached hereto and incorporated herein) contains certain information pertaining to the D0092 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20986. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0092 Road solely as it crosses United States public land as included and specifically described in Exhibit 1696. The D0092 Road includes the segment of road

specifically set forth in Exhibit 1696 and as exists on the ground.

Acceptance of the D0092 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20987. The D0092 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

20988. The appearance of the D0092 Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

20989. The D0092 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0092 Road pursuant to the County's governmental right and authority.

20990. Witnesses with personal knowledge of the history of the D0092 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

20991. Currently known reputation in the community is that the D0092 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

20992. Public motor vehicle use of the D0092 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

20993. The D0092 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

20994. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0092 Road.

20995. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0092 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0164 Road

20996. The D0164 Road is designated as county road number D0164 and SGID road identification number RD190957 and is more or less 1.76 miles long.

20997. Exhibit 1697 (attached hereto and incorporated herein) contains certain information pertaining to the D0164 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

20998. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0164 Road solely as it crosses United States public land as included and specifically described in Exhibit 1697. The D0164 Road includes the segment of road specifically set forth in Exhibit 1697 and as exists on the ground.

Acceptance of the D0164 Road R.S. 2477 Right-of-way Prior to October 21, 1976

20999. The D0164 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21000. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D0164 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21001. The appearance of the D0164 Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21002. The County confirmed its acceptance of the D0164 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0164 Road pursuant to the County's governmental right and authority.

21003. Witnesses with personal knowledge of the history of the D0164 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21004. Currently known reputation in the community is that the D0164 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21005. Public motor vehicle use of the D0164 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21006. The D0164 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21007. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0164 Road.

21008. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0164 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0165 Road

21009. The D0165 Road is designated as county road number D0165 and SGID road identification number RD190568 and is more or less 2.52 miles long.

21010. Exhibit 1698 (attached hereto and incorporated herein) contains certain information pertaining to the D0165 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21011. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0165 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1698. The D0165 Road includes the segment of road specifically set forth in Exhibit 1698 and as exists on the ground.

Acceptance of the D0165 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21012. The D0165 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21013. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0165 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21014. The County confirmed its acceptance of the D0165 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0165 Road pursuant to the County's governmental right and authority.

21015. Witnesses with personal knowledge of the history of the D0165 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21016. Currently known reputation in the community is that the D0165 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21017. Public motor vehicle use of the D0165 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21018. The D0165 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21019. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0165 Road.

21020. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0165 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0171 Road

21021. The D0171 Road is designated as county road number D0171 and SGID road identification number RD190959 and is more or less .63 miles long.

21022. Exhibit 1699 (attached hereto and incorporated herein) contains certain information pertaining to the D0171 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21023. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0171 Road solely as it crosses United States public land as included and specifically described in Exhibit 1699. The D0171 Road includes the segment of road

specifically set forth in Exhibit 1699 and as exists on the ground.

Acceptance of the D0171 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21024. The D0171 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21025. The appearance of the D0171 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21026. The D0171 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0171 Road pursuant to the County's governmental right and authority.

21027. Witnesses with personal knowledge of the history of the D0171 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21028. Currently known reputation in the community is that the D0171 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21029. Public motor vehicle use of the D0171 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21030. The D0171 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21031. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0171 Road.

21032. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0171 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0172 Road

21033. The D0172 Road is designated as county road number D0172 and SGID road identification number RD190572 and is more or less 3.15 miles long.

21034. Exhibit 1700 (attached hereto and incorporated herein) contains certain information pertaining to the D0172 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21035. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0172 Road solely as it crosses United States public land as included and specifically described in Exhibit 1700. The D0172 Road includes the segment of road specifically set forth in Exhibit 1700 and as exists on the ground.

Acceptance of the D0172 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21036. The D0172 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21037. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0172 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21038. The appearance of the D0172 Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21039. The D0172 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0172 Road pursuant to the County's governmental right and authority.

21040. Witnesses with personal knowledge of the history of the D0172 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21041. Currently known reputation in the community is that the D0172 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21042. Public motor vehicle use of the D0172 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21043. The D0172 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21044. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0172 Road.

21045. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0172 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0173 Road

21046. The D0173 Road is designated as county road number D0173 and SGID road identification number RD190960 and is more or less 1.54 miles long.

21047. Exhibit 1701 (attached hereto and incorporated herein) contains certain information pertaining to the D0173 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21048. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0173 Road solely as it crosses United States public land as included and specifically described in Exhibit 1701. The D0173 Road includes the segment of road

specifically set forth in Exhibit 1701 and as exists on the ground.

Acceptance of the D0173 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21049. The D0173 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21050. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0173 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21051. The appearance of the D0173 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21052. The D0173 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0173 Road pursuant to the County's governmental right and authority.

21053. Witnesses with personal knowledge of the history of the D0173 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21054. Currently known reputation in the community is that the D0173 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21055. Public motor vehicle use of the D0173 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21056. The D0173 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21057. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0173 Road.

21058. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0173 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0174 Road

21059. The D0174 Road is designated as county road number D0174 and SGID road identification number RD190961 and is more or less .65 miles long.

21060. Exhibit 1702 (attached hereto and incorporated herein) contains certain information pertaining to the D0174 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21061. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0174 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1702. The D0174 Road includes the segment of road specifically set forth in Exhibit 1702 and as exists on the ground.

Acceptance of the D0174 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21062. The D0174 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21063. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0174 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21064. The appearance of the D0174 Road on the Bluff SW (1962) USGS 7.5-minute quadrangle map and the Bluff (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21065. The D0174 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0174 Road pursuant to the County's governmental right and authority.

21066. Witnesses with personal knowledge of the history of the D0174 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21067. Currently known reputation in the community is that the D0174 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21068. Public motor vehicle use of the D0174 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21069. The D0174 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21070. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0174 Road.

21071. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0174 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0179 Road

21072. The D0179 Road is designated as county road number D0179 and SGID road identification number RD190965 and is more or less 2.28 miles long.

21073. Exhibit 1703 (attached hereto and incorporated herein) contains certain information pertaining to the D0179 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21074. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0179 Road solely as it crosses United States public land as included and specifically described in Exhibit 1703. The D0179 Road includes the segment of road specifically set forth in Exhibit 1703 and as exists on the ground.

Acceptance of the D0179 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21075. The D0179 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21076. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0179 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21077. The appearance of the D0179 Road on the Bluff SW (1962) USGS 7.5-minute quadrangle map and the Bluff (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21078. The County confirmed its acceptance of the D0179 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0179 Road pursuant to the County's governmental right and authority.

21079. Witnesses with personal knowledge of the history of the D0179 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21080. Currently known reputation in the community is that the D0179 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21081. Public motor vehicle use of the D0179 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21082. The D0179 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21083. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0179 Road.

21084. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0179 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0180 Road

21085. The D0180 Road is designated as county road number D0180 and SGID road identification number RD190966 and is more or less 1.78 miles long.

21086. Exhibit 1704 (attached hereto and incorporated herein) contains certain

information pertaining to the D0180 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21087. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0180 Road solely as it crosses United States public land as included and specifically described in Exhibit 1704. The D0180 Road includes the segment of road specifically set forth in Exhibit 1704 and as exists on the ground.

Acceptance of the D0180 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21088. The D0180 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21089. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0180 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21090. The appearance of the D0180 Road on the Bluff SW (1962) USGS 7.5-minute quadrangle map and the Bluff (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21091. The County confirmed its acceptance of the D0180 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the D0180 Road pursuant to the County's governmental right and authority.

21092. Witnesses with personal knowledge of the history of the D0180 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21093. Currently known reputation in the community is that the D0180 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21094. Public motor vehicle use of the D0180 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21095. The D0180 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21096. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0180 Road.

21097. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0180 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D0208 Road

21098. The D0208 Road is designated as county road number D0208 and SGID road identification number RD190981 and is more or less .81 miles long.

21099. Exhibit 1705 (attached hereto and incorporated herein) contains certain information pertaining to the D0208 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21100. In this action, the State and County seek to quiet title to the public highway right-of-way for the D0208 Road solely as it crosses United States public land as included and specifically described in Exhibit 1705. The D0208 Road includes the segment of road specifically set forth in Exhibit 1705 and as exists on the ground.

Acceptance of the D0208 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21101. The D0208 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21102. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D0208 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21103. The appearance of the D0208 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21104. The D0208 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D0208 Road pursuant to the County's governmental right and authority.

21105. Witnesses with personal knowledge of the history of the D0208 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21106. Currently known reputation in the community is that the D0208 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21107. Public motor vehicle use of the D0208 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21108. The D0208 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21109. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D0208 Road.

21110. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D0208 Road on lands owned by the United States as described herein and

including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1122 Road

21111. The D1122 Road is designated as county road number D1122 and SGID road identification number RD190648 and is more or less 1.49 miles long.

21112. Exhibit 1706 (attached hereto and incorporated herein) contains certain information pertaining to the D1122 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21113. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1122 Road solely as it crosses United States public land as included and specifically described in Exhibit 1706. The D1122 Road includes the segment of road specifically set forth in Exhibit 1706 and as exists on the ground.

Acceptance of the D1122 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21114. The D1122 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21115. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1122 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21116. The appearance of the D1122 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this

road. *See* Exhibit 27 for more detailed map information.

21117. The D1122 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1122 Road pursuant to the County's governmental right and authority.

21118. Witnesses with personal knowledge of the history of the D1122 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21119. Currently known reputation in the community is that the D1122 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21120. Public motor vehicle use of the D1122 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21121. The D1122 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21122. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1122 Road.

21123. The State and County are entitled to an order quieting title to their R.S. 2477

right-of-way for the D1122 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D1168 Road

21124. The D1168 Road is designated as county road number D1168 and SGID road identification number RD191527 and is more or less 5.53 miles long.

21125. Exhibit 1707 (attached hereto and incorporated herein) contains certain information pertaining to the D1168 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21126. In this action, the State and County seek to quiet title to the public highway right-of-way for the D1168 Road solely as it crosses United States public land as included and specifically described in Exhibit 1707. The D1168 Road includes the segment of road specifically set forth in Exhibit 1707 and as exists on the ground.

Acceptance of the D1168 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21127. The D1168 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21128. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D1168 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21129. The appearance of the D1168 Road on the Bluff SW (1962) USGS 7.5-minute

quadrangle map and the Bluff (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21130. The County confirmed its acceptance of the D1168 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D1168 Road pursuant to the County's governmental right and authority.

21131. Witnesses with personal knowledge of the history of the D1168 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21132. Currently known reputation in the community is that the D1168 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21133. Public motor vehicle use of the D1168 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21134. The D1168 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21135. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D1168 Road.

21136. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D1168 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2200 Road

21137. The D2200 Road is designated as county road number D2200 and SGID road identification number RD192072 and is more or less .30 miles long.

21138. Exhibit 1708 (attached hereto and incorporated herein) contains certain information pertaining to the D2200 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21139. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2200 Road solely as it crosses United States public land as included and specifically described in Exhibit 1708. The D2200 Road includes the segment of road specifically set forth in Exhibit 1708 and as exists on the ground.

Acceptance of the D2200 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21140. The D2200 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21141. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2200 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21142. The D2200 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2200 Road pursuant to the County's governmental right and authority.

21143. Witnesses with personal knowledge of the history of the D2200 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21144. Currently known reputation in the community is that the D2200 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21145. Public motor vehicle use of the D2200 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21146. The D2200 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21147. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2200 Road.

21148. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2200 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2267 Road

21149. The D2267 Road is designated as county road number D2267 and SGID road identification number RD192110 and is more or less 2.26 miles long.

21150. Exhibit 1709 (attached hereto and incorporated herein) contains certain information pertaining to the D2267 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21151. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2267 Road solely as it crosses United States public land as included and specifically described in Exhibit 1709. The D2267 Road includes the segment of road specifically set forth in Exhibit 1709 and as exists on the ground.

Acceptance of the D2267 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21152. The D2267 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21153. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D2267 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21154. The appearance of the D2267 Road on the Bluff SW (1962) and the Boundary Butte (1962) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21155. The County confirmed its acceptance of the D2267 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2267 Road pursuant to the County's governmental right and authority.

21156. Witnesses with personal knowledge of the history of the D2267 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21157. Currently known reputation in the community is that the D2267 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21158. Public motor vehicle use of the D2267 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21159. The D2267 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21160. Without confirmation from the United States, a cloud remains on the State and

County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2267 Road.

21161. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2267 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2268 Road

21162. The D2268 Road is designated as county road number D2268 and SGID road identification number RD192111 and is more or less .79 miles long.

21163. Exhibit 1710 (attached hereto and incorporated herein) contains certain information pertaining to the D2268 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21164. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2268 Road solely as it crosses United States public land as included and specifically described in Exhibit 1710. The D2268 Road includes the segment of road specifically set forth in Exhibit 1710 and as exists on the ground.

Acceptance of the D2268 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21165. The D2268 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21166. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2268 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21167. The appearance of the D2268 Road on the Bluff SW (1962) USGS 7.5-minute quadrangle map and the Bluff (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21168. The D2268 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2268 Road pursuant to the County's governmental right and authority.

21169. Witnesses with personal knowledge of the history of the D2268 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21170. Currently known reputation in the community is that the D2268 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21171. Public motor vehicle use of the D2268 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21172. The D2268 Road traverses a valid and perfected R.S. 2477 public highway right-

of-way as described herein.

21173. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2268 Road.

21174. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2268 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2271 Road

21175. The D2271 Road is designated as county road number D2271 and SGID road identification number RD192112 and is more or less .41 miles long.

21176. Exhibit 1711 (attached hereto and incorporated herein) contains certain information pertaining to the D2271 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21177. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2271 Road solely as it crosses United States public land as included and specifically described in Exhibit 1711. The D2271 Road includes the segment of road specifically set forth in Exhibit 1711 and as exists on the ground.

Acceptance of the D2271 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21178. The D2271 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21179. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2271 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21180. The appearance of the D2271 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21181. The D2271 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2271 Road pursuant to the County's governmental right and authority.

21182. Witnesses with personal knowledge of the history of the D2271 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21183. Currently known reputation in the community is that the D2271 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21184. Public motor vehicle use of the D2271 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21185. The D2271 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21186. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2271 Road.

21187. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2271 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2294 Road

21188. The D2294 Road is designated as county road number D2294 and SGID road identification number RD190701 and is more or less 3.59 miles long.

21189. Exhibit 1712 (attached hereto and incorporated herein) contains certain information pertaining to the D2294 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21190. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2294 Road solely as it crosses United States public land as included and specifically described in Exhibit 1712. The D2294 Road includes the segment of road specifically set forth in Exhibit 1712 and as exists on the ground.

Acceptance of the D2294 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21191. The D2294 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21192. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D2294 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21193. The appearance of the D2294 Road on the Bluff NW (1962) USGS 7.5-minute quadrangle map and the Bluff (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21194. The D2294 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2294 Road pursuant to the County's governmental right and authority.

21195. Witnesses with personal knowledge of the history of the D2294 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21196. Currently known reputation in the community is that the D2294 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21197. Public motor vehicle use of the D2294 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21198. The D2294 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21199. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2294 Road.

21200. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2294 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D2536 Road

21201. The D2536 Road is designated as county road number D2536 and SGID road identification number RD190706 and is more or less .73 miles long.

21202. Exhibit 1713 (attached hereto and incorporated herein) contains certain information pertaining to the D2536 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21203. In this action, the State and County seek to quiet title to the public highway right-of-way for the D2536 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1713. The D2536 Road includes the segment of road specifically set forth in Exhibit 1713 and as exists on the ground.

Acceptance of the D2536 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21204. The D2536 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21205. The appearance of the D2536 Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21206. The County confirmed its acceptance of the D2536 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D2536 Road pursuant to the County's governmental right and authority.

21207. Witnesses with personal knowledge of the history of the D2536 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21208. Currently known reputation in the community is that the D2536 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21209. Public motor vehicle use of the D2536 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21210. The D2536 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21211. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D2536 Road.

21212. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D2536 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4197 Road

21213. The D4197 Road is designated as county road number D4197 and SGID road identification number RD190763 and is more or less .59 miles long.

21214. Exhibit 1714 (attached hereto and incorporated herein) contains certain information pertaining to the D4197 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21215. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4197 Road solely as it crosses United States public land as included and specifically described in Exhibit 1714. The D4197 Road includes the segment of road specifically set forth in Exhibit 1714 and as exists on the ground.

Acceptance of the D4197 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21216. The D4197 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21217. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4197 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21218. The D4197 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4197 Road pursuant to the County's governmental right and authority.

21219. Witnesses with personal knowledge of the history of the D4197 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21220. Currently known reputation in the community is that the D4197 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21221. Public motor vehicle use of the D4197 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21222. The D4197 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21223. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4197 Road.

21224. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4197 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4222 Road

21225. The D4222 Road is designated as county road number D4222 and SGID road identification number RD193129 and is more or less .80 miles long.

21226. Exhibit 1715 (attached hereto and incorporated herein) contains certain information pertaining to the D4222 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21227. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4222 Road solely as it crosses United States public land as included and specifically described in Exhibit 1715. The D4222 Road includes the segment of road specifically set forth in Exhibit 1715 and as exists on the ground.

Acceptance of the D4222 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21228. The D4222 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21229. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4222 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21230. The D4222 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4222 Road pursuant to the County's governmental right and authority.

21231. Witnesses with personal knowledge of the history of the D4222 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21232. Currently known reputation in the community is that the D4222 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21233. Public motor vehicle use of the D4222 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21234. The D4222 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21235. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4222 Road.

21236. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4222 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4273 Road

21237. The D4273 Road is designated as county road number D4273 and SGID road identification number RD193148 and is more or less .39 miles long.

21238. Exhibit 1716 (attached hereto and incorporated herein) contains certain information pertaining to the D4273 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21239. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4273 Road solely as it crosses United States public land as included and specifically described in Exhibit 1716. The D4273 Road includes the segment of road specifically set forth in Exhibit 1716 and as exists on the ground.

Acceptance of the D4273 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21240. The D4273 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21241. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4273 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21242. The D4273 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4273 Road pursuant to the County's governmental right and authority.

21243. Witnesses with personal knowledge of the history of the D4273 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21244. Currently known reputation in the community is that the D4273 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21245. Public motor vehicle use of the D4273 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21246. The D4273 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21247. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4273 Road.

21248. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4273 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4602 Road

21249. The D4602 Road is designated as county road number D4602 and SGID road identification number RD190769 and is more or less 2.42 miles long.

21250. Exhibit 1717 (attached hereto and incorporated herein) contains certain information pertaining to the D4602 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21251. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4602 Road solely as it crosses United States public land as included and specifically described in Exhibit 1717. The D4602 Road includes the segment of road specifically set forth in Exhibit 1717 and as exists on the ground.

Acceptance of the D4602 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21252. The D4602 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21253. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D4602 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21254. The appearance of the D4602 Road on the Boundary Butte (1962) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21255. The County confirmed its acceptance of the D4602 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4602 Road pursuant to the County's governmental right and authority.

21256. Witnesses with personal knowledge of the history of the D4602 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21257. Currently known reputation in the community is that the D4602 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21258. Public motor vehicle use of the D4602 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21259. The D4602 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21260. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4602 Road.

21261. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4602 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4611 Road

21262. The D4611 Road is designated as county road number D4611 and SGID road identification number RD193269 and is more or less 2.02 miles long.

21263. Exhibit 1718 (attached hereto and incorporated herein) contains certain information pertaining to the D4611 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21264. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4611 Road solely as it crosses United States public land as included and

specifically described in Exhibit 1718. The D4611 Road includes the segment of road specifically set forth in Exhibit 1718 and as exists on the ground.

Acceptance of the D4611 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21265. The D4611 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21266. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D4611 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21267. The appearance of the D4611 Road on the Bluff SW (1962) USGS 7.5-minute quadrangle map and the Bluff (1962) and Cedar Mesa (1963) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21268. The D4611 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4611 Road pursuant to the County's governmental right and authority.

21269. Witnesses with personal knowledge of the history of the D4611 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21270. Currently known reputation in the community is that the D4611 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21271. Public motor vehicle use of the D4611 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21272. The D4611 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21273. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4611 Road.

21274. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4611 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4612 Road

21275. The D4612 Road is designated as county road number D4612 and SGID road identification number RD193270 and is more or less .66 miles long.

21276. Exhibit 1719 (attached hereto and incorporated herein) contains certain information pertaining to the D4612 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21277. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4612 Road solely as it crosses United States public land as included and specifically described in Exhibit 1719. The D4612 Road includes the segment of road specifically set forth in Exhibit 1719 and as exists on the ground.

Acceptance of the D4612 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21278. The D4612 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21279. The appearance of the D4612 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21280. The D4612 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4612 Road pursuant to the County's governmental right and authority.

21281. Witnesses with personal knowledge of the history of the D4612 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21282. Currently known reputation in the community is that the D4612 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21283. Public motor vehicle use of the D4612 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21284. The D4612 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21285. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4612 Road.

21286. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4612 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4629 Road

21287. The D4629 Road is designated as county road number D4629 and SGID road identification number RD193274 and is more or less 1.36 miles long.

21288. Exhibit 1720 (attached hereto and incorporated herein) contains certain information pertaining to the D4629 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21289. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4629 Road solely as it crosses United States public land as included and specifically described in Exhibit 1720. The D4629 Road includes the segment of road

specifically set forth in Exhibit 1720 and as exists on the ground.

Acceptance of the D4629 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21290. The D4629 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21291. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4629 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21292. The D4629 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4629 Road pursuant to the County's governmental right and authority.

21293. Witnesses with personal knowledge of the history of the D4629 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21294. Currently known reputation in the community is that the D4629 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21295. Public motor vehicle use of the D4629 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public

highway right-of-way underlying this road.

21296. The D4629 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21297. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4629 Road.

21298. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4629 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4645 Road

21299. The D4645 Road is designated as county road number D4645 and SGID road identification number RD193280 and is more or less .37 miles long.

21300. Exhibit 1721 (attached hereto and incorporated herein) contains certain information pertaining to the D4645 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21301. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4645 Road solely as it crosses United States public land as included and specifically described in Exhibit 1721. The D4645 Road includes the segment of road specifically set forth in Exhibit 1721 and as exists on the ground.

Acceptance of the D4645 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21302. The D4645 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21303. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D4645 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21304. The appearance of the D4645 Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21305. The D4645 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4645 Road pursuant to the County's governmental right and authority.

21306. Witnesses with personal knowledge of the history of the D4645 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21307. Currently known reputation in the community is that the D4645 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21308. Public motor vehicle use of the D4645 Road as a public thoroughfare traversing

unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21309. The D4645 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21310. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4645 Road.

21311. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4645 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4647 Road

21312. The D4647 Road is designated as county road number D4647 and SGID road identification number RD193281 and is more or less 2.40 miles long.

21313. Exhibit 1722 (attached hereto and incorporated herein) contains certain information pertaining to the D4647 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21314. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4647 Road solely as it crosses United States public land as included and specifically described in Exhibit 1722. The D4647 Road includes the segment of road

specifically set forth in Exhibit 1722 and as exists on the ground.

Acceptance of the D4647 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21315. The D4647 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21316. Aerial photography from 1974 and 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4647 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21317. The appearance of the D4647 Road on the Bluff SW (1962) 7.5-minute quadrangle map and the Bluff (1962), Cedar Mesa (1963), and Mexican Hat (1963) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21318. The County confirmed its acceptance of the D4647 Road by 1974, when it designated and accepted the road as a County highway on the County's general highway map. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4647 Road pursuant to the County's governmental right and authority.

21319. Witnesses with personal knowledge of the history of the D4647 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21320. Currently known reputation in the community is that the D4647 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21321. Public motor vehicle use of the D4647 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21322. The D4647 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21323. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4647 Road.

21324. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4647 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4665 Road

21325. The D4665 Road is designated as county road number D4665 and SGID road identification number RD190771 and is more or less 2.16 miles long.

21326. Exhibit 1723 (attached hereto and incorporated herein) contains certain information pertaining to the D4665 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21327. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4665 Road solely as it crosses United States public land as included and specifically described in Exhibit 1723. The D4665 Road includes the segment of road specifically set forth in Exhibit 1723 and as exists on the ground.

Acceptance of the D4665 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21328. The D4665 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21329. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D4665 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21330. The appearance of the D4665 Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21331. The D4665 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4665 Road pursuant to the County's governmental right and authority.

21332. Witnesses with personal knowledge of the history of the D4665 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21333. Currently known reputation in the community is that the D4665 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21334. Public motor vehicle use of the D4665 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21335. The D4665 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21336. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4665 Road.

21337. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4665 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4668 Road

21338. The D4668 Road is designated as county road number D4668 and SGID road identification number RD190772 and is more or less 4.05 miles long.

21339. Exhibit 1724 (attached hereto and incorporated herein) contains certain information pertaining to the D4668 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list;

and a complete centerline description of the road.

21340. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4668 Road solely as it crosses United States public land as included and specifically described in Exhibit 1724. The D4668 Road includes the segment of road specifically set forth in Exhibit 1724 and as exists on the ground.

Acceptance of the D4668 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21341. The D4668 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21342. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D4668 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21343. The appearance of the D4668 Road on the Mexican Hat (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21344. The D4668 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4668 Road pursuant to the County's governmental right and authority.

21345. Witnesses with personal knowledge of the history of the D4668 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21346. Currently known reputation in the community is that the D4668 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21347. Public motor vehicle use of the D4668 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21348. The D4668 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21349. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4668 Road.

21350. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4668 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4669 Road

21351. The D4669 Road is designated as county road number D4669 and SGID road identification number RD193288 and is more or less .28 miles long.

21352. Exhibit 1725 (attached hereto and incorporated herein) contains certain information pertaining to the D4669 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21353. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4669 Road solely as it crosses United States public land as included and specifically described in Exhibit 1725. The D4669 Road includes the segment of road specifically set forth in Exhibit 1725 and as exists on the ground.

Acceptance of the D4669 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21354. The D4669 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21355. Aerial photography from 1974 confirms the historical use, existence, and acceptance of the right-of-way for the D4669 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21356. The D4669 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4669 Road pursuant to the County's governmental right and authority.

21357. Witnesses with personal knowledge of the history of the D4669 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21358. Currently known reputation in the community is that the D4669 Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21359. Public motor vehicle use of the D4669 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21360. The D4669 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21361. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4669 Road.

21362. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4669 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4729 Road

21363. The D4729 Road is designated as county road number D4729 and SGID road identification number RD193318 and is more or less 2.55 miles long.

21364. Exhibit 1726 (attached hereto and incorporated herein) contains certain information pertaining to the D4729 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21365. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4729 Road solely as it crosses United States public land as included and specifically described in Exhibit 1726. The D4729 Road includes the segment of road specifically set forth in Exhibit 1726 and as exists on the ground.

Acceptance of the D4729 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21366. The D4729 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21367. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4729 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21368. The appearance of the D4729 Road on the Mexican Hat (1963) and the Cedar Mesa (1963) USGS 15-minute quadrangle maps evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21369. The D4729 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4729 Road pursuant to the County's governmental right and authority.

21370. Witnesses with personal knowledge of the history of the D4729 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21371. Currently known reputation in the community is that the D4729 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21372. Public motor vehicle use of the D4729 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21373. The D4729 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21374. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4729 Road.

21375. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4729 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4730 Road

21376. The D4730 Road is designated as county road number D4730 and SGID road identification number RD193319 and is more or less 1.16 miles long.

21377. Exhibit 1727 (attached hereto and incorporated herein) contains certain information pertaining to the D4730 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list;

and a complete centerline description of the road.

21378. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4730 Road solely as it crosses United States public land as included and specifically described in Exhibit 1727. The D4730 Road includes the segment of road specifically set forth in Exhibit 1727 and as exists on the ground.

Acceptance of the D4730 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21379. The D4730 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21380. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4730 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21381. The appearance of the D4730 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21382. The D4730 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4730 Road pursuant to the County's governmental right and authority.

21383. Witnesses with personal knowledge of the history of the D4730 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21384. Currently known reputation in the community is that the D4730 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21385. Public motor vehicle use of the D4730 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21386. The D4730 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21387. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4730 Road.

21388. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4730 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4742 Road

21389. The D4742 Road is designated as county road number D4742 and SGID road identification number RD193324 and is more or less 1.69 miles long.

21390. Exhibit 1728 (attached hereto and incorporated herein) contains certain information pertaining to the D4742 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21391. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4742 Road solely as it crosses United States public land as included and specifically described in Exhibit 1728. The D4742 Road includes the segment of road specifically set forth in Exhibit 1728 and as exists on the ground.

Acceptance of the D4742 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21392. The D4742 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21393. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4742 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21394. The appearance of the D4742 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21395. The D4742 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4742 Road pursuant to the County's governmental right and authority.

21396. Witnesses with personal knowledge of the history of the D4742 Road confirm

public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21397. Currently known reputation in the community is that the D4742 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21398. Public motor vehicle use of the D4742 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21399. The D4742 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21400. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4742 Road.

21401. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4742 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4798 Road

21402. The D4798 Road is designated as county road number D4798 and SGID road identification number RD190776 and is more or less 1.34 miles long.

21403. Exhibit 1729 (attached hereto and incorporated herein) contains certain

information pertaining to the D4798 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

21404. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4798 Road solely as it crosses United States public land as included and specifically described in Exhibit 1729. The D4798 Road includes the segment of road specifically set forth in Exhibit 1729 and as exists on the ground.

Acceptance of the D4798 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21405. The D4798 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21406. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4798 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21407. The D4798 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4798 Road pursuant to the County's governmental right and authority.

21408. Witnesses with personal knowledge of the history of the D4798 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21409. Currently known reputation in the community is that the D4798 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21410. Public motor vehicle use of the D4798 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21411. The D4798 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21412. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4798 Road.

21413. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4798 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

D4803 Road

21414. The D4803 Road is designated as county road number D4803 and SGID road identification number RD193351 and is more or less .95 miles long.

21415. Exhibit 1730 (attached hereto and incorporated herein) contains certain information pertaining to the D4803 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list;

and a complete centerline description of the road.

21416. In this action, the State and County seek to quiet title to the public highway right-of-way for the D4803 Road solely as it crosses United States public land as included and specifically described in Exhibit 1730. The D4803 Road includes the segment of road specifically set forth in Exhibit 1730 and as exists on the ground.

Acceptance of the D4803 Road R.S. 2477 Right-of-way Prior to October 21, 1976

21417. The D4803 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

21418. Aerial photography from 1975 confirms the historical use, existence, and acceptance of the right-of-way for the D4803 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

21419. The appearance of the D4803 Road on the Cedar Mesa (1963) USGS 15-minute quadrangle map evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 27 for more detailed map information.

21420. The D4803 Road was accepted as a County highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the D4803 Road pursuant to the County's governmental right and authority.

21421. Witnesses with personal knowledge of the history of the D4803 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continuous

basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

21422. Currently known reputation in the community is that the D4803 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

21423. Public motor vehicle use of the D4803 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

21424. The D4803 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

21425. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the D4803 Road.

21426. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the D4803 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

PRAYER FOR RELIEF

WHEREFORE, Plaintiffs request relief against the Defendant as follows:

1. On its First Cause of Action – Alkali Point Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Alkali Point Road, B204; (2) Alkali Road, B265; (3) Beeson Road, B2771; (4) Bradford Canyon Road, B202; (5)

Deadman Canyon Road, B2381; (6) Long Canyon Point Road, B190; (7) Montezuma Canyon Road, B146; (8) Mustang Road, B207; (9) Perkins Road, B206; (10) D0368 Road; (11) D0369 Road; (12) D0370 Road; (13) D0372 Road; (14) D0377 Road; (15) D0379 Road; (16) D0380 Road; (17) D0381 Road; (18) D0384 Road; (19) D0385 Road; (20) D0720 Road; (21) D0723 Road; (22) D0726 Road; (23) D0727 Road; (24) D0728 Road; (25) D0729 Road; (26) D0810 Road; (27) D0811 Road; (28) D0826 Road; (29) D0827 Road; (30) D0828 Road; (31) D0829 Road; (32) D0830 Road; (33) D0832 Road; (34) D0833 Road; (35) D0834 Road; (36) D0835 Road; (37) D0836 Road; (38) D0840 Road; (39) D2352 Road; (40) D2478 Road; (41) D3401 Road; (42) D3479 Road; (43) D3834 Road; (44) D3835 Road; (45) D3930 Road; (46) D3931 Road; (47) D3932 Road; (48) D3933 Road; (49) D3934 Road; (50) D3935 Road; (51) D3937 Road; (52) D3938 Road; (53) D3942 Road; (54) D3943 Road; (55) D3947 Road; (56) D3955 Road; (57) D3958 Road; (58) D3959 Road; (59) D3960 Road; and (60) D3962 Road.

2. On its Second Cause of Action – Beef Basin Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Beef Basin Road, B104; (2) Beef Basin Wash Road, B199; (3) Home Water Spring Road, B1111; (4) Right Leg Road, B223; (5) Ruin Park Road, B119; (6) Sweet Alice Road, B221; (7) Sweet Alice Spring Road, B2751; (8) D0146 Road; (9) D0147 Road; (10) D0148 Road; (11) D0149 Road; (12) D0150 Road; (13) D0151 Road; (14) D0152 Road; (15) D0153 Road; (16) D0154 Road; (17) D0156 Road; (18) D0453 Road; (19) D0454 Road; (20) D0456 Road; (21) D1170 Road; (22) D1171 Road; (23) D1874 Road; (24) D1877 Road; (25) D1879 Road; (26) D1880 Road; (27) D1881 Road; (28) D1884 Road; (29) D1887 Road; (30) D1895 Road; (31) D1898 Road; (32) D1901

Road; (33) D1904 Road; (34) D1908 Road; (35) D1911 Road; (36) D1917 Road; (37) D1918 Road; (38) D1920 Road; (39) D1921 Road; (40) D1923 Road; (41) D1925 Road; (42) D1928 Road; (43) D1931 Road; (44) D1969 Road; (45) D1970 Road; (46) D1974 Road; (47) D2153 Road; (48) D2264 Road; (49) D2266 Road; (50) D2534 Road; (51) D2535 Road; (52) D2639 Road; and (53) D3560 Road.

3. On its Third Cause of Action – Black Mesa Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Army Roads, B283; (2) Black Mesa Butte Road, B280; (3) Black Mesa Missle Road, B2051; (4) Black Mesa Point Road, B243; (5) Black Mesa Road, B233; (6) Butler Wash Spur Road, B270; (7) County Landfill Road, B2481; (8) Decker Cover Road, B269; (9) Decker's Road, B230; (10) East Cottonwood Well Road, B2021; (11) Lower Butler Wash Road, B262; (12) North Deckers Road, B266; (13) Ruin Springs Road, B234; (14) Sand Island Road, B275; (15) Westwater Oil Well Road, B291; (16) Westwater Point Road, B289; (17) Westwater Point Spur Road, B290; (18) D0181 Road; (19) D0182 Road; (20) D0187 Road; (21) D0188 Road; (22) D0189 Road; (23) D0190 Road; (24) D0191 Road; (25) D0192 Road; (26) D0213 Road; (27) D0214 Road; (28) D0215 Road; (29) D0216 Road; (30) D0217 Road; (31) D0218 Road; (32) D0219 Road; (33) D0220 Road; (34) D0221 Road; (35) D0222 Road; (36) D0223 Road; (37) D0224 Road; (38) D0225 Road; (39) D0226 Road; (40) D0227 Road; (41) D0228 Road; (42) D0230 Road; (43) D0235 Road; (44) D0236 Road; (45) D0238 Road; (46) D0239 Road; (47) D0240 Road; (48) D0241 Road; (49) D0242 Road; (50) D0291 Road; (51) D0292 Road; (52) D0293 Road; (53) D0294 Road; (54) D0296 Road; (55) D0297 Road; (56) D0298 Road; (57) D0303 Road; (58) D0464 Road; (59)

D0465 Road; (60) D0763 Road; (61) D1146 Road; (62) D1148 Road; (63) D1159 Road; (64) D1164 Road; (65) D1165 Road; (66) D2276 Road; (67) D2278 Road; (68) D2299 Road; (69) D2300 Road; (70) D2301 Road; (71) D2304 Road; (72) D2305 Road; (73) D2308 Road; (74) D2312 Road; (75) D2313 Road; (76) D2316 Road; (77) D3696 Road; (78) D3718 Road; (79) D3774 Road; (80) D3792 Road; (81) D3793 Road; (82) D3798 Road; (83) D3806 Road; (84) D3837 Road; (85) D3855 Road; (86) D3859 Road; (87) D3864 Road; (88) D3870 Road; (89) D3873 Road; (90) D3883 Road; (91) D4110 Road; (92) D4112 Road; (93) D4113 Road; (94) D4122 Road; (95) D4126 Road; (96) D4128 Road; (97) D4130 Road; (98) D4131 Road; (99) D4137 Road; (100) D4142 Road; (101) D4150 Road; (102) D4155 Road; (103) D4161 Road; (104) D4501 Road; (105) D4507 Road; (106) D4510 Road; (107) D4549 Road; (108) D4552 Road; (109) D4557 Road; (110) D4558 Road; (111) D4559 Road; (112) D4575 Road; and (113) D5035 Road.

4. On its Fourth Cause of Action – Bridger Jack Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Bridger Jack Road, B107; (2) Hy Wilson Road, B180; (3) North Cottonwood Road, B1041; (4) Park Highway, B1291; (5) D0459 Road; (6) D0460 Road; (7) D0492 Road; (8) D0494 Road; (9) D0495 Road; (10) D0497 Road; (11) D0498 Road; (12) D0500 Road; (13) D0566 Road; (14) D0568 Road; (15) D0571 Road; (16) D0573 Road; (17) D1289 Road; (18) D1291 Road; (19) D1292 Road; (20) D1297 Road: (21) D1343 Road; (22) D1362 Road; (23) D1363 Road; (24) D1364 Road; (25) D1365 Road; (26) D1366 Road; (27) D1368 Road; (28) D1439 Road; (29) D1443 Road; (30) D1448 Road; (31) D1479 Road; (32) D1858 Road; (33) D1859 Road; (34) D1867 Road;

(35) D1870 Road; (36) D1871 Road; (37) D1872 Road; (38) D2151 Road; (39) D2630 Road; (40) D2631 Road; (41) D3246 Road; (42) D3263 Road; (43) D3265 Road; (44) D3269 Road; and (45) D5001 Road.

5. On its Fifth Cause of Action – Brushy Basin Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Arch Canyon Overlook Road, B263; (2) Brushy Basin Rim Road, B277; (3) Brushy Basin Road, B268; (4) Brushy Point Road, B279; (5) Comb Wash North Road, B205; (6) Posey's Trail Road, B240; (7) Ruin Road, B232; (8) Shumway Mines Road, B274; (9) Warren Allen Loop Road, B2581; (10) Warren Allen Road, B288; (11) Warren Allen Spur Road, B2571; (12) West Zeke's Hole Road, B2561; (13) Westwater Creek Road, B231; (14) Whisker's Draw Road, B229; (15) Zeke's Hole Road B2201; (16) D0259 Road; (17) D0260 Road; (18) D0261 Road; (19) D0262 Road; (20) D0263 Road; (21) D0264 Road; (22) D0266 Road; (23) D0267 Road; (24) D0268 Road; (25) D0269 Road; (26) D0270 Road; (27) D0271 Road; (28) D0272 Road; (29) D0273 Road; (30) D0274 Road; (31) D0275 Road; (32) D0276 Road; (33) D0279 Road; (34) D0281 Road; (35) D0283 Road; (36) D0284 Road; (37) D0285 Road; (38) D0286 Road; (39) D0287 Road; (40) D0288 Road; (41) D0289 Road; (42) D0290 Road; (43) D0329 Road; (44) D0337 Road; (45) D1992 Road; (46) D1996 Road; (47) D1998 Road; (48) D1999 Road; (49) D2000 Road; (50) D2004 Road; (51) D2069 Road; (52) D2071 Road; (53) D2072 Road; (54) D2073 Road; (55) D2074 Road; (56) D2075 Road; (57) D2077 Road; (58) D2078 Road; (59) D2082 Road; (60) D2084 Road; (61) D2087 Road; (62) D2089 Road; (63) D2091 Road; (64) D2094 Road; (65) D2097 Road; (66) D2100 Road; (67) D2111 Road; (68) D2112 Road; (69) D2117 Road; (70) D2118

Road; (71) D2119 Road; (72) D2120 Road; (73) D2124 Road; (74) D2125 Road; (75) D2143 Road; (76) D2146 Road; (77) D2322 Road; (78) D2323 Road; (79) D2329 Road; (80) D2625 Road; (81) D2650 Road; (82) D2652 Road; (83) D2685 Road; (84) D2700 Road; (85) D3444 Road; (86) D3445 Road; (87) D3447 Road; (88) D3450 Road; (89) D3478 Road; (90) D3702 Road; (91) D3703 Road; (92) D3709 Road; (93) D3711 Road; (94) D3715 Road; (95) D3738 Road; (96) D3751 Road; (97) D3755 Road; (98) D3756 Road; (99) D3757 Road; (100) D3758 Road; (101) D3759 Road; (102) D3764 Road; (103) D3765 Road; (104) D3767 Road; (105) D3768 Road; (106) D3838 Road; (107) D4856 Road; and (108) D5251 Road.

6. On its Sixth Cause of Action – Bucket Canyon Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Bucket Canyon Road, B2281; (2) Chimney Park Overlook Road, B248; (3) Cowboy Pasture Road, B246; (4) Foot Bridge Road, B276; (5) Harn Pasture Road, B217; (6) League Road, B247; (7) McCracken Wash Road, B2421; (8) McCracken Well Road, B267; (9) Montezuma Creek Pit Road, B297; (10) Nielson Road, B2451; (11) Recapture Pocket East Road, B2801; (12) Recapture Pocket Road, B249; (13) Trading Post Road, B252; (14) D0193 Road; (15) D0200 Road; (16) D0203 Road; (17) D0205 Road; (18) D0693 Road; (19) D0743 Road; (20) D0744 Road; (21) D0745 Road; (22) D0746 Road; (23) D0755 Road; (24) D0932 Road; (25) D0940 Road; (26) D1113 Road; (27) D1114 Road; (28) D1120 Road; (29) D1121 Road; (30) D1123 Road; (31) D1131 Road; (32) D1140 Road; (33) D2290 Road; (34) D4036 Road; (35) D4431 Road; (36) D4432 Road; (37) D4441 Road; (38) D4459 Road; (39) D4462 Road; (40) D4466 Road; and (41) D4468 Road.

7. On its Seventh Cause of Action – Bug Point Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Black Steer Canyon Road, B212; (2) Bug Point Road, B347; (3) Bug Point Spur Road, B379; (4) Cross Canyon Road, B2031; (5) Cross Canyon Spur Road, B214; (6) Dalton Mine Road, B4161; (7) Gas Plant Road, B298; (8) Hovenweep Road, B213; (9) Lake Canyon Point Road, B382; (10) Little Nancy Road, B368; (11) South Black Steer Road, B2341; (12) Squaw Canyon Road, B220; (13) Squaw Canyon Spur Road, B299; (14) D0784 Road; (15) D0785 Road; (16) D0786 Road; (17) D0791 Road; (18) D0792 Road; (19) D0793 Road; (20) D0838 Road; (21) D0856 Road; (22) D0859 Road; (23) D0860 Road; (24) D0861 Road; (25) D0862 Road; (26) D0863 Road; (27) D0864 Road; (28) D0865 Road; (29) D0866 Road; (30) D0867 Road; (31) D3142 Road; (32) D3376 Road; (33) D3377 Road; (34) D3380 Road; (35) D3383 Road; (36) D3385 Road; (37) D3386 Road; (38) D3387 Road; (39) D3388 Road; (40) D3391 Road; (41) D3980 Road; (42) D3983 Road; (43) D3984 Road; (44) D3985 Road; (45) D3988 Road; (46) D4000 Road; (47) D4007 Road; (48) D4008 Road; (49) D4009 Road; (50) D4010 Road; (51) D4011 Road; (52) D4013 Road; (53) D4014 Road; (54) D4017 Road; (55) D4018 Road; (56) D4020 Road; (57) D4025 Road; (58) D4027 Road; (59) D4052 Road; and (60) D4055 Road.

8. On its Eighth Cause of Action – Coal Bed Canyon Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Cactus Park Road, B373; (2) Coal Bed Canyon Road, B341; (3) Eastland Road, B312; (4) Monument Canyon Road, B372; (5) Pearson Road, B340; (6) Wright's Road, B349; (7) D0451 Road; (8) D0843 Road; (9) D0844 Road; (10) D0845 Road; (11) D0846 Road; (12) D0847 Road; (13) D0848

Road; (14) D0849 Road; (15) D0850 Road; (16) D0851 Road; (17) D0852 Road; (18) D0853 Road; (19) D0854 Road; (20) D0855 Road; (21) D0868 Road; (22) D0869 Road; (23) D0870 Road; (24) D0871 Road; (25) D0872 Road; (26) D0873 Road; (27) D0874 Road; (28) D0875 Road; (29) D0877 Road; (30) D0878 Road; (31) D0880 Road; (32) D0881 Road; (33) D0882 Road; (34) D0883 Road; (35) D0884 Road; (36) D0885 Road; (37) D0886 Road; (38) D0888 Road; (39) D2479 Road; (40) D2480 Road; (41) D2489 Road; (42) D2491 Road; (43) D3275 Road; (44) D3362 Road; (45) D3365 Road; (46) D3367 Road; (47) D3396 Road; (48) D3397 Road; (49) D3399 Road; and (50) D3946 Road.

9. On its Ninth Cause of Action – Comb Wash Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Baulie's Road, B236; (2) Comb Wash South Road, B235; (3) Owl Creek Road, B253; (4) Picket Road, B2331; (5) D0088 Road; (6) D0089 Road; (7) D0096 Road; (8) D0098 Road; (9) D0122 Road; (10) D0209 Road; (11) D0210 Road; (12) D0211 Road; (13) D0212 Road; (14) D0244 Road; (15) D0245 Road; (16) D0246 Road; (17) D0247 Road; (18) D0248 Road; (19) D0249 Road; (20) D1158 Road; (21) D1169 Road; (22) D2105 Road; (23) D2291 Road; (24) D2318 Road; (25) D3645 Road; (26) D3650 Road; (27) D3651 Road; (28) D3658 Road; (29) D3660 Road; (30) D3661 Road; (31) D3681 Road; (32) D3687 Road; (33) D3693 Road; (34) D3694 Road; (35) D3698 Road; (36) D3723 Road; (37) D4165 Road; (38) D4189 Road; (39) D4191 Road; and (40) D4578 Road.

10. On its Tenth Cause of Action – Coyote Wash Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Butts Road, B334; (2)

Copper Mill Road, B115; (3) Coyote Wash Road, B191; (4) East Coyote Ridge Road, B1121; (5) East Lisbon Spur Road, B357; (6) East Lisbon Valley Road, B359; (7) Egnar Cutoff Road, B356; (8) Island Mesa Road, B301; (9) Little Indian Canyon Road, B316; (10) North Old Highway, B335; (11) Pine Ridge Road, B162; (12) Snow Ball Mine Road, B1081; (13) South Old Highway, B336; (14) West Summit Road, B313; (15) Wilcox North Road, B1531; (16) Wilcox Road, B150; (17) Wilcox South Road, B1541; (18) Wray Mesa Road, B163; (19) D0557 Road; (20) D0558 Road; (21) D0559 Road; (22) D0560 Road; (23) D0562 Road; (24) D0563 Road; (25) D0564 Road; (26) D0565 Road; (27) D0924 Road; (28) D0952 Road; (29) D0955 Road; (30) D0961 Road; (31) D0962 Road; (32) D0963 Road; (33) D0966 Road; (34) D0967 Road; (35) D0968 Road; (36) D0969 Road; (37) D0970 Road; (38) D0971 Road; (39) D0973 Road; (40) D0978 Road; (41) D0979 Road; (42) D0980 Road; (43) D0981 Road; (44) D0982 Road; (45) D0984 Road; (46) D1051 Road; (47) D1052 Road; (48) D1053 Road; (49) D1054 Road; (50) D1055 Road; (51) D1058 Road; (52) D1065 Road; (53) D1066 Road; (54) D1067 Road; (55) D1068 Road; (56) D1070 Road; (57) D1074 Road; (58) D1076 Road; (59) D1077 Road; (60) D1078 Road; (61) D1079 Road; (62) D1082 Road; (63) D1083 Road; (64) D1084 Road; (65) D1085 Road; (66) D1086 Road; (67) D1087 Road; (68) D1088 Road; (69) D1089 Road; (70) D1091 Road; (71) D1096 Road; (72) D2379 Road; (73) D2797 Road; (74) D2798 Road; (75) D2799 Road; (76) D2800 Road; (77) D2801 Road; (78) D2803 Road; (79) D2804 Road; (80) D2807 Road; (81) D2810 Road; (82) D2811 Road; (83) D2814 Road; (84) D2815 Road; (85) D2818 Road; (86) D2820 Road; (87) D2821 Road; (88) D2822 Road; (89) D2823 Road; (90) D2824 Road; (91) D2826 Road; (92) D2827 Road; (93) D2828 Road; (94) D2829

Road; (95) D2830 Road; (96) D2891 Road; (97) D2892 Road; (98) D2898 Road; (99) D2899 Road; (100) D2902 Road; (101) D2906 Road; (102) D2907 Road; (103) D2913 Road; (104) D2915 Road; (105) D2916 Road; (106) D2920 Road; (107) D2921 Road; (108) D2922 Road; (109) D2923 Road; (110) D2926 Road; (111) D2929 Road; (112) D2930 Road; (113) D2931 Road; (114) D2933 Road; (115) D2934 Road; (116) D2936 Road; (117) D2937 Road; (118) D2938 Road; (119) D2939 Road; (120) D2941 Road; (121) D2943 Road; (122) D2947 Road; (123) D2948 Road; (124) D2949 Road; (125) D2956 Road; (126) D2957 Road; (127) D2959 Road; (128) D2967 Road; (129) D2969 Road; (130) D3033 Road; (131) D3034 Road; (132) D3039 Road; (133) D3040 Road; (134) D3162 Road; (135) D3163 Road; (136) D3164 Road; (137) D3169 Road; (138) D3171 Road; (139) D3175 Road; (140) D3178 Road; (141) D3180 Road; (142) D3181 Road; (143) D3183 Road; (144) D3184 Road; (145) D3186 Road; (146) D3188 Road; (147) D3195 Road; (148) D3197 Road; (149) D3199 Road; (150) D3201 Road; (151) D3202 Road; (152) D3203 Road; (153) D3204 Road; (154) D3205 Road; (155) D3218 Road; (156) D3219 Road; (157) D3226 Road; (158) D4033 Road; and (159) D5119 Road.

11. On its Eleventh Cause of Action – Flat Iron Mesa Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Kane Creek Road, B145; (2) D0636 Road; (3) D0637 Road; (4) D0638 Road; (5) D0663 Road; (6) D0664 Road; (7) D0665 Road; (8) D0667 Road; (9) D1573 Road; (10) D1580 Road; (11) D1635 Road; (12) D1645 Road; (13) D1653 Road; (14) D1660 Road; (15) D1667 Road; (16) D1668 Road; (17) D1669 Road; (18) D1670 Road; (19) D1672 Road; (20) D1675 Road; (21) D1676 Road; (22) D1683 Road; (23) D1684 Road; (24) D1685 Road; (25) D1688 Road; (26) D1771 Road;

(27) D1780 Road; (28) D1788 Road; (29) D1793 Road; (30) D1803 Road; (31) D1808 Road; (32) D1810 Road; (33) D1811 Road; (34) D1813 Road; (35) D1816 Road; (36) D1817 Road; (37) D1818 Road; (38) D1823 Road; (39) D1824 Road; (40) D2440 Road; (41) D2512 Road; (42) D2521 Road; (43) D2568 Road; (44) D2609 Road; and (45) D2707 Road.

12. On its Twelfth Cause of Action – Fortknocker Canyon Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Burch Canyon Road, B254; (2) Dark Canyon Airstrip Road, B2091; (3) Deer Flat Corral Road, B2791; (4) Deer Flat Road, B255; (5) Elk Mountain Road, B228; (6) Elmers Field Road, B2121; (7) Fortknocker Canyon Road, B2081; (8) Found Mesa Road, B2271; (9) Fry Canyon Ruins Road, B2141; (10) Horse Tanks Road, B2651; (11) Jack's Loop Road, B2641; (12) Jacob's Chair Road, B2261; (13) Lyman Canyon Road, B2291; (14) Sandy Mine Road, B257; (15) Short Canyon Road, B2101; (16) White Canyon North Road, B2731; (17) Wooden Shoe Road, B256; (18) D0023 Road; (19) D0067 Road; (20) D0068 Road; (21) D0069 Road; (22) D0070 Road; (23) D0071 Road; (24) D0072 Road; (25) D0073 Road; (26) D0074 Road; (27) D0075 Road; (28) D0076 Road; (29) D0077 Road; (30) D0078 Road; (31) D0100 Road; (32) D0101 Road; (33) D0104 Road; (34) D0105 Road; (35) D0106 Road; (36) D0108 Road; (37) D0109 Road; (38) D0111 Road; (39) D0113 Road; (40) D0118 Road; (41) D0138 Road; (42) D0139 Road; (43) D0140 Road; (44) D1935 Road; (45) D1938 Road; (46) D1939 Road; (47) D1954 Road; (48) D1958 Road; (49) D2007 Road; (50) D2008 Road; (51) D2009 Road; (52) D2011 Road; (53) D2012 Road; (54) D2014 Road; (55) D2020 Road; (56) D2022 Road; (57) D2023 Road; (58) D2026 Road; (59) D2037 Road; (60) D2050 Road; (61) D2219 Road; (62) D2221 Road

(63) D2222 Road; (64) D2225 Road; (65) D2226 Road; (66) D2249 Road; (67) D2251 Road; (68) D2657 Road; (69) D2663 Road; (70) D3465 Road; (71) D3468 Road; (72) D4474 Road; (73) D4849 Road; and (74) Jacob's Chair Road, D3471.

13. On its Thirteenth Cause of Action – Grandview Point Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Grandview Point Road, B143; (2) Schafer Basin Road, B142; and (3) D0660 Road.

14. On its Fourteenth Cause of Action – Hart Point Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Flat's Road, B139; (2) Hart Point Road, B121; (3) Jail Rock Road, B1151; (4) Lightning Draw Road, B141; (5) Mail Station Road, B138; (6) Mail Station Spur Road, B158; (7) North Flats Road, B137; (8) Sugar Loaf Road, B140; (9) D0502 Road; (10) D0505 Road; (11) D0506 Road; (12) D0507 Road; (13) D0508 Road; (14) D0510 Road; (15) D0511 Road; (16) D0512 Road; (17) D0513 Road; (18) D0514 Road; (19) D0515 Road; (20) D0516 Road; (21) D0517 Road; (22) D0518 Road; (23) D0519 Road; (24) D0520 Road; (25) D0525 Road; (26) D0526 Road; (27) D0527 Road; (28) D0578 Road; (29) D0579 Road; (30) D0580 Road; (31) D0581 Road; (32) D0582 Road; (33) D0589 Road; (34) D0590 Road; (35) D0591 Road; (36) D0592 Road; (37) D0593 Road; (38) D0601 Road; (39) D1025 Road; (40) D1026 Road; (41) D1029 Road; (42) D1210 Road; (43) D1236 Road; (44) D1237 Road; (45) D1239 Road; (46) D1241 Road; (47) D1246 Road; (48) D1247 Road; (49) D1250 Road; (50) D1252 Road; (51) D1261 Road; (52) D1264 Road; (53) D1272 Road; (54) D1277 Road; (55) D1279 Road; (56) D1281 Road; (57) D1283 Road; (58) D1285 Road; (59) D1286 Road; (60) D1301 Road; (61) D1305 Road; (62) D1309 Road; (63)

D1310 Road; (64) D1314 Road; (65) D1315 Road; (66) D1317 Road; (67) D1321 Road; (68) D1326 Road; (69) D1337 Road; (70) D1339 Road; (71) D1393 Road; (72) D1397 Road; (73) D1402 Road; (74) 1431 Road; and (75) D3279 Road.

15. On its Fifteenth Cause of Action – Hatch Point Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Big Indian Road, B106; (2) Flat Iron Mesa Road, B164; (3) Hatch Point Road, B132; (4) Looking Glass Road, B131; (5) Wilson Arch Road, B179; (6) D0587 Road; (7) D0588 Road; (8) D0599 Road; (9) D0600 Road; (10) D0602 Road; (11) D0609 Road; (12) D0610 Road; (13) D0611 Road; (14) D0612 Road; (15) D0613 Road; (16) D0614 Road; (17) D0615 Road; (18) D0616 Road; (19) D0617 Road; (20) D0620 Road; (21) D0621 Road; (22) D0624 Road; (23) D0625 Road; (24) D0627 Road; (25) D0628 Road; (26) D0632 Road; (27) D0633 Road; (28) D0634 Road; (29) D0635 Road; (30) D0661 Road; (31) D0662 Road; (32) D0988 Road; (33) D1172 Road; (34) D1422 Road; (35) D1425 Road; (36) D1428 Road; (37) D1429 Road; (38) D1481 Road; (39) D1482 Road; (40) D1506 Road; (41) D1508 Road; (42) D1510 Road; (43) D1513 Road; (44) D1514 Road; (45) D1515 Road; (46) D1516 Road; (47) D1527 Road; (48) D1528 Road; (49) D1536 Road; (50) D1546 Road; (51) D1548 Road; (52) D1552 Road; (53) D1553 Road; (54) D1557 Road; (55) D1558 Road; (56) D1563 Road; (57) D1564 Road; (58) D1574 Road; (59) D1578 Road; (60) D1584 Road; (61) D1585 Road; (62) D1586 Road; (63) D1772 Road; (64) D1775 Road; (65) D1777 Road; (66) D1781 Road; (67) D1783 Road; (68) D1784 Road; (69) D2396 Road; (70) D2402 Road; (71) D2406 Road; (72) D2408 Road; (73) D2410 Road; (74) D2417 Road; (75) D2431 Road; (76) D2435 Road; (77) D2436 Road; (78) D2437 Road; (79)

D2515 Road; (80) D2742 Road; (81) D4816 Road; (82) D4817 Road; (83) D4818 Road; (84) D4819 Road; (85) D4834 Road; (86) D4837 Road; (87) D4838 Road; (88) D4840 Road; (89) D4841 Road; (90) D4843 Road; (91) D4846 Road; (92) D5227 Road; and (93) D5228 Road.

16. On its Sixteenth Cause of Action – Johnson Creek Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Bull Dog Road, B264; (2) Dude Ranch Road, B110; (3) East Big Canyon Road, B295; (4) Head of the Ditch Road, B292; (5) Johnson Creek Road, B285; (6) North Creek Road, B101; (7) Peter's Point Road, B160; (8) Radio Hill Road, B2491; (9) South Cottonwood Road, B227; (10) Spring Creek Pit Road, B172; (11) Spring Creek Road, B103; (12) Water Treatment Plant Road, B159; (13) West Big Canyon Road, B294; (14) D0322 Road; (15) D0333 Road; (16) D0334 Road; (17) D0336 Road; (18) D0339 Road; (19) D0340 Road; (20) D0342 Road; (21) D0348 Road; (22) D0349 Road; (23) D0350 Road; (24) D0476 Road; (25) D0480 Road; (26) D0484 Road; (27) D0485 Road; (28) D0521 Road; (29) D0524 Road; (30) D1011 Road; (31) D1112 Road; (32) D1188 Road; (33) D1191 Road; (34) D1196 Road; (35) D1202 Road; (36) D1226 Road; (37) D1228 Road; (38) D1371 Road; (39) D1372 Road; (40) D1380 Road; (41) D1766 Road; (42) D1943 Road; (43) D1976 Road; (44) D1977 Road; (45) 1978 Road; (46) D1984 Road; (47) D1987 Road; (48) D1988 Road; (49) D1989 Road; (50) D3359 Road; (51) D3420 Road; (52) D3425 Road; (53) D3427 Road; (54) D3428 Road; (55) D3429 Road; (56) D3431 Road; (57) D3433 Road; (58) D3442 Road; (59) D5168 Road; and (60) D5200 Road.

17. On its Seventeenth Cause of Action – La Sal Loop Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Black Ridge

Road, B174; (2) Brown's Hole Road, B130; (3) Ken's Lake Road, B175; (4) La Sal Loop Road, B127; (5) Lackey Basin Road, B155; (6) Pack Creek Road, B128; (7) Pole Canyon Road, B173; (8) Yellow Circle Road, B129; (9) D0468 Road; (10) D0631 Road; (11) D0639 Road; (12) D0640 Road; (13) D0641 Road; (14) D0643 Road; (15) D0644 Road; (16) D0645 Road; (17) D0646 Road; (18) D0647 Road; (19) D0649 Road; (20) D0650 Road; (21) D0651 Road; (22) D0669 Road; (23) D0670 Road; (24) D0671 Road; (25) D0672 Road; (26) D0673 Road; (27) D0674 Road; (28) D0676 Road; (29) D0678 Road; (30) D0680 Road; (31) D0682 Road; (32) D0684 Road; (33) D0685 Road; (34) D0686 Road; (35) D0687 Road; (36) D1006 Road; (37) D1007 Road; (38) D1008 Road; (39) D1009 Road; (40) D1010 Road; (41) D1012 Road; (42) D1014 Road; (43) D1016 Road; (44) D1018 Road; (45) D1019 Road; (46) D1020 Road; (47) D1705 Road; (48) D1755 Road; (49) D2442 Road; (50) D2522 Road; (51) D2751 Road; (52) D2758 Road; (53) D2760 Road; (54) D2765 Road; (55) D2769 Road; (56) D2770 Road; (57) D2773 Road; (58) D2775 Road; (59) D2782 Road; (60) D2783 Road; (61) D2784 Road; (62) D2790 Road; (63) D2835 Road; (64) D2836 Road; (65) D2837 Road; (66) D2838 Road; (67) D2842 Road; (68) D2843 Road; (69) D2847 Road; (70) D2849 Road; (71) D2851 Road; (72) D2854 Road; (73) D2859 Road; (74) D2860 Road; (75) D2871 Road; (76) D2872 Road; (77) D2873 Road; (78) D2874 Road; (79) D2876 Road; (80) D2878 Road; (81) D2888 Road; (82) D3002 Road; (83) D3003 Road; (84) D3009 Road; (85) D3011 Road; (86) D3012 Road; (87) D3015 Road; (88) D5118 Road; (89) D5216 Road; (90) D5229 Road; and (91) D5232 Road.

18. On its Eighteenth Cause of Action – Lisbon Valley Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Big Indian Spur

Road, B111; (2) Bryan Road, B324; (3) Deer Neck Road, B323; (4) East Canyon Road, B105; (5) Far West Oil Well Road, B1141; (6) Far West Road, B193; (7) Hecla Road, B116; (8) Home Stake Spur Road, B302; (9) Houston Road, B319; (10) Iron Springs Spur Road, B371; (11) Lisbon Valley Road, B113; (12) Little Valley Road, B109; (13) Old Summit Road, B318; (14) Oliver Mine Road, B182; (15) Patterson Ranch Road, B358; (16) Peter's Wash Road, B108; (17) Rattlesnake Road, B117; (18) Rattlesnake Well Spur Road, B156; (19) Rio Algom Road, B167; (20) Steen's Road, B114; (21) Union Oil Road, B303; (22) Velvet Cutoff Road, B177; (23) West Coyote Road, B181; (24) West Lisbon Spur Road, B305; (25) Williamson Fork Road, B112; (26) D0467 Road; (27) D0489 Road; (28) D0490 Road; (29) D0529 Road; (30) D0532 Road; (31) D0536 Road; (32) D0537 Road; (33) D0538 Road; (34) D0539 Road; (35) D0540 Road; (36) D0541 Road; (37) D0542 Road; (38) D0544 Road; (39) D0546 Road; (40) D0547 Road; (41) D0548 Road; (42) D0549 Road; (43) D0554 Road; (44) D0555 Road; (45) D0556 Road; (46) D0598 Road; (47) D0603 Road; (48) D0879 Road; (49) D0891 Road; (50) D0893 Road; (51) D0895 Road; (52) D0898 Road; (53) D0899 Road; (54) D0900 Road; (55) D0902 Road; (56) D0903 Road; (57) D0904 Road; (58) D0905 Road; (59) D0906 Road; (60) D0907 Road; (61) D0916 Road; (62) D0918 Road; (63) D0922 Road; (64) D0923 Road; (65) D0929 Road; (66) D0933 Road; (67) D0934 Road; (68) D0942 Road; (69) D0953 Road; (70) D0957 Road; (71) D0983 Road; (72) D0995 Road; (73) D0996 Road; (74) D0997 Road; (75) D0998 Road; (76) D0999 Road; (77) D1002 Road; (78) D1003 Road; (79) D1143 Road; (80) D1174 Road; (81) D1175 Road; (82) D1589 Road; (83) D1591 Road; (84) D2361 Road; (85) D2378 Road; (86) D2971 Road; (87) D2979 Road; (88) D2981 Road; (89) D2982 Road; (90) D2983 Road;

(91) D2984 Road; (92) D2986 Road; (93) D2988 Road; (94) D2989 Road; (95) D2990 Road; (96) D2991 Road; (97) D2992 Road; (98) D2993 Road; (99) D2995 Road; (100) D2997 Road; (101) D2998 Road; (102) D2999 Road; (103) D3000 Road; (104) D3007 Road; (105) D3023 Road; (106) D3024 Road; (107) D3043 Road; (108) D3044 Road; (109) D3045 Road; (110) D3047 Road; (111) D3048 Road; (112) D3049 Road; (113) D3052 Road; (114) D3053 Road; (115) D3055 Road; (116) D3057 Road; (117) D3058 Road; (118) D3064 Road; (119) D3066 Road; (120) D3069 Road; (121) D3070 Road; (122) D3071 Road; (123) D3072 Road; (124) D3073 Road; (125) D3074 Road; (126) D3080 Road; (127) D3082 Road; (128) D3083 Road; (129) D3084 Road; (130) D3088 Road; (131) D3091 Road; (132) D3092 Road; (133) D3094 Road; (134) D3095 Road; (135) D3097 Road; (136) D3098 Road; (137) D3099 Road; (138) D3100 Road; (139) D3105 Road; (140) D3113 Road; (141) D3114 Road; (142) D3116 Road; (143) D3119 Road; (144) D3121 Road; (145) D3122 Road; (146) D3123 Road; (147) D3130 Road; (148) D3131 Road; (149) D3133 Road; (150) D3135 Road; (151) D3136 Road; (152) D3137 Road; (153) D3138 Road; (154) D3139 Road; (155) D3140 Road; (156) D3141 Road; (157) D3144 Road; (158) D3145 Road; (159) D3146 Road; (160) D3147 Road; (161) D3155 Road; (162) D3158 Road; (163) D3159 Road; (164) D3160 Road; (165) D3165 Road; (166) D3166 Road; (167) D3172 Road; (168) D3235 Road; (169) D3242 Road; (170) D3270 Road; (171) D3274 Road; (172) D4806 Road; and (173) D5145 Road.

19. On its Nineteenth Cause of Action – Lockhart Basin Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Lockhart Basin Spur Road, B1071; (2) Lockhart Road, B122; (3) Needles Overlook Road, B133; (4) Rustlers

Cutoff Road, B168; (5) Rustlers Road, B169; (6) Rustlers Spur Road, B170; (7) D0572 Road; (8) D0584 Road; (9) D0585 Road; (10) D0586 Road; (11) D0595 Road; (12) D0605 Road; (13) D0606 Road; (14) D0607 Road; (15) D0608 Road; (16) D0655 Road; (17) D0656 Road; (18) D0658 Road; (19) D1153 Road; (20) D1346 Road; (21) D1347 Road; (22) D1355 Road; (23) D1357 Road; (24) D1358 Road; (25) D1415 Road; (26) D1416 Road; (27) D1417 Road; (28) D1469 Road; (29) D1476 Road; (30) D1477 Road; (31) D1495 Road; (32) D1497 Road; (33) D1498 Road; (34) D1499 Road; (35) D1509 Road; (36) D1593 Road; (37) D1594 Road; (38) D1607 Road; (39) D1608 Road; (40) D1609 Road; (41) D1619 Road; (42) D1622 Road; (43) D1625 Road; (44) D1626 Road; (45) D1627 Road; (46) D1629 Road; (47) D1630 Road; (48) D1634 Road; (49) D1840 Road; (50) D1842 Road; (51) D1847 Road; (52) D1850 Road; (53) D2391 Road; (54) D2393 Road; (55) D2394 Road; (56) D2395 Road; (57) D2499 Road; (58) D2620 Road; and (59) D2740 Road.

20. On its Twentieth Cause of Action – McCracken Mesa Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Adams Road, B287; (2) Alkali Seep Road, B222; (3) Alkali Windmill Road, B296; (4) Bayles Road, B208; (5) Dry Hole Road, B209; (6) Dry Hole Spur Road, B2011; (7) McCracken Mesa Road, B211; (8) Posey's Last Shot Road, B271; (9) Richard's Pond Road, B284; (10) Richmond Spring Road, B201; (11) Shearing Pen Road, B210; (12) Wibs Hill Road, B215; (13) D0694 Road; (14) D0703 Road; (15) D0704 Road; (16) D0711 Road; (17) D0714 Road; (18) D0719 Road; (19) D0740 Road; (20) D0748 Road; (21) D0751 Road; (22) D0752 Road; (23) D0756 Road; (24) D0757 Road; (25) D0758 Road; (26) D0759 Road; (27) D0764 Road; (28) D0766 Road; (29)

D0767 Road; (30) D0768 Road; (31) D0771 Road; (32) D0772 Road; (33) D0773 Road; (34) D0774 Road; (35) D0775 Road; (36) D0776 Road; (37) D0779 Road; (38) D0780 Road; (39) D0787 Road; (40) D0795 Road; (41) D0796 Road; (42) D0799 Road; (43) D0802 Road; (44) D0805 Road; (45) D0808 Road; (46) D0809 Road; (47) D0813 Road; (48) D0818 Road; (49) D0820 Road; (50) D0821 Road; (51) D0822 Road; (52) D0823 Road; (53) D3817 Road; (54) D3818 Road; (55) D3819 Road; (56) D3821 Road; (57) D3823 Road; (58) D3824 Road; (59) D3825 Road; (60) D3826 Road; (61) D3827 Road; (62) D3828 Road; (63) D3895 Road; (64) D3906 Road; (65) D3914 Road; (66) D3915 Road; (67) D3921 Road; (68) D3970 Road; (69) D4060 Road; (70) D4061 Road; (71) D4064 Road; (72) D4067 Road; (73) D4068 Road; (74) D4070 Road; (75) D4074 Road; (76) D4078 Road; (77) D4087 Road; (78) D4095 Road; and (79) D4853 Road.

21. On its Twenty-First Cause of Action – Nokai Dome Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Hole in the Rock Road, B2541; (2) Moki Canyon Road, B2231; (3) Nokai Dome Road, B261; (4) Nokai Wash Road, B2131; (5) North Gulch Road, B2221; (6) West Airport Road, B2511; (7) Whirlwind Crossing Road, B278; (8) D0001 Road; (9) D0002 Road; (10) D0003 Road; (11) D0004 Road; (12) D0040 Road; (13) D1184 Road; (14) D2157 Road; (15) D2192 Road; (16) D2309 Road; (17) D2621 Road; (18) D3486 Road; (19) D3495 Road; (20) D3496 Road; (21) D3509 Road; (22) D3510 Road; (23) D3511 Road; (24) D3514 Road; (25) D3517 Road; (26) D3518 Road; (27) D3520 Road; (28) D4346 Road; (29) D4347 Road; and (30) D4780 Road.

22. On its Twenty-Second Cause of Action – Red Canyon Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Blue Notch Road, B2061; (2) Fry Mesa Road, B2371; (3) Happy Jack Road, B2071; (4) Mossback Road, B2431; (5) Mossback Dugway Road, B2591; (6) Radium King Road, B258; (7) Red Canyon Road, B259; (8) D0009 Road; (9) D0010 Road; (10) D0012 Road; (11) D0013 Road; (12) D0015 Road; (13) D0016 Road; (14) D0017 Road; (15) D0018 Road; (16) D0019 Road; (17) D0022 Road; (18) D0024 Road; (19) D0025 Road; (20) D0026 Road; (21) D0027 Road; (22) D0029 Road; (23) D0030 Road; (24) D0033 Road; (25) D0036 Road; (26) D0037 Road; (27) D0065 Road; (28) D0066 Road; (29) D1166 Road; (30) D2029 Road; (31) D2030 Road; (32) D2031 Road; (33) D2034 Road; (34) D2035 Road; (35) D2041 Road; (36) D2042 Road; (37) D2043 Road; (38) D2052 Road; (39) D2053 Road; (40) D2161 Road; (41) D2168 Road; (42) D2171 Road; (43) D2174 Road; (44) D2177 Road; (45) D2185 Road; (46) D3483 Road; (47) D3538 Road; (48) D3539 Road; (49) D3540 Road; (50) D3542 Road; (51) D3564 Road; (52) D3565 Road; (53) D3573 Road; (54) D3574 Road; (55) D3577 Road; (56) D3580 Road; (57) D3581 Road; (58) D3589 Road; (59) D3594 Road; (60) D3596 Road; (61) D3600 Road; (62) D3602 Road; (63) D3604 Road; (64) D3605 Road; and (65) D3629 Road.

23. On its Twenty-Third Cause of Action – Slick Horn Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Collins Spring Road, B260; (2) Harmony Flat Road, B2311; (3) Hat Flat Road, B2531; (4) Head of Johns Canyon Road, B2211; (5) John's Canyon Road, B244; (6) Mexican Hat Boat Launch Road, B2241; (7) Mexican Hat North Road, B2151; (8) Mexican Hat Road, B272; (9) Mormon Trail

Road, B2301; (10) Muley Point Road, B241; (11) Point Lookout Road, B203; (12) Sheiks Flat Road, B250; (13) Slick Horn Road, B245; (14) South Road, B251; (15) Todie Flat Road, B2361; (16) D0043 Road; (17) D0044 Road; (18) D0045 Road; (19) D0046 Road; (20) D0047 Road; (21) D0048 Road; (22) D0049 Road; (23) D0053 Road; (24) D0054 Road; (25) D0055 Road; (26) D0056 Road; (27) D0058 Road; (28) D0059 Road; (29) D0061 Road; (30) D0062 Road; (31) D0064 Road; (32) D0084 Road; (33) D0091 Road; (34) D0094 Road; (35) D0103 Road; (36) D0457 Road; (37) D0458 Road; (38) D0462 Road; (39) D2191 Road; (40) D2195 Road; (41) D2199 Road; (42) D2201 Road; (43) D2202 Road; (44) D2204 Road; (45) D2208 Road; (46) D2214 Road; (47) D2229 Road; (48) D2233 Road; (49) D2235 Road; (50) D3608 Road; (51) D3610 Road; (52) D3613 Road; (53) D3615 Road; (54) D3618 Road; (55) D3620 Road; (56) D3623 Road; (57) D3626 Road; (58) D3632 Road; (59) D3633 Road; (60) D3634 Road; (61) D3636 Road; (62) D3640 Road; (63) D3643 Road; (64) D3726 Road; (65) D4251 Road; (66) D4303 Road; (67) D4305 Road; (68) D4312 Road; (69) D4319 Road; (70) D4321 Road; (71) D4324 Road; (72) D4326 Road; (73) D4341 Road; (74) D4371 Road; (75) D4707 Road; and (76) D4736 Road.

24. On its Twenty-Fourth Cause of Action – Snow Flat Area, an order quieting title in and to the R.S. 2477 public highway rights-of-way for the following roads: (1) Cigarette Spring Road, B239; (2) Lime Creek Road, B226; (3) Lime Ridge Road, B2351; (4) Mexican Hat Rock Road, B2161; (5) Snow Flat Road, B237; (6) Valley of the Gods Road, B242; (7) D0050 Road; (8) D0051 Road; (9) D0052 Road; (10) D0057 Road; (11) D0080 Road; (12) D0081 Road; (13) D0082 Road; (14) D0085 Road; (15) D0086 Road; (16) D0087 Road; (17) D0092 Road; (18)

D0164 Road; (19) D0165 Road; (20) D0171 Road; (21) D0172 Road; (22) D0173 Road; (23) D0174 Road; (24) D0179 Road; (25) D0180 Road; (26) D0208 Road; (27) D1122 Road; (28) D1168 Road; (29) D2200 Road; (30) D2267 Road; (31) D2268 Road; (32) D2271 Road; (33) D2294 Road; (34) D2536 Road; (35) D4197 Road; (36) D4222 Road; (37) D4273 Road; (38) D4602 Road; (39) D4611 Road; (40) D4612 Road; (41) D4629 Road; (42) D4645 Road; (43) D4647 Road; (44) D4665 Road; (45) D4668 Road; (46) D4669 Road; (47) D4729 Road; (48) D4730 Road; (49) D4742 Road; (50) D4798 Road; and (51) D4803 Road.

25. An order awarding costs and fees, specifically including, but not limited to, reasonable attorney fees to the extent permitted by law; and

26. An order granting such further and other relief as may be appropriate.

Respectfully submitted this 6th day of September, 2012.

/s/ Harry Souvall
Assistant Attorney General
