6735. The 004057A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6736. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004057A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6737. The 004057A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004057A Road pursuant to the County's governmental right and authority.

6738. Witnesses with personal knowledge of the history of the 004057A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6739. Currently known reputation in the community is that the 004057A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6740. Public motor vehicle use of the 004057A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6741. The 004057A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6742. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004057A Road.

6743. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004057A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004057B Road

6744. The 004057B Road is designated as county road number 004057B and SGID road identification number RD243845 and is more or less 2 miles long.

6745. Exhibit 4-18 (attached hereto and incorporated herein) contains certain information pertaining to the 004057B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6746. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004057B Road solely as it crosses United States public land as included and specifically described in Exhibit 4-18. The 004057B Road includes the segment of road specifically set forth in Exhibit 4-18 and as exists on the ground.

Acceptance of the 004057B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6747. The 004057B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

6748. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004057B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6749. The 004057B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004057B Road pursuant to the County's governmental right and authority.

6750. Witnesses with personal knowledge of the history of the 004057B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6751. Currently known reputation in the community is that the 004057B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6752. Public motor vehicle use of the 004057B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6753. The 004057B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6754. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004057B Road.

6755. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004057B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004058 Road

6756. The 004058 Road is designated as county road number 004058 and SGID road identification number RD243846 and is more or less 2 miles long.

6757. Exhibit 4-19 (attached hereto and incorporated herein) contains certain information pertaining to the 004058 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6758. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004058 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-19. The 004058 Road includes the segment of road specifically set forth in Exhibit 4-19 and as exists on the ground.

Acceptance of the 004058 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6759. The 004058 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6760. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004058 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6761. The 004058 Road appears on the Vernal SW (1964) and Vernal SE (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6762. The 004058 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004058 Road pursuant to the County's governmental right and authority.

6763. Witnesses with personal knowledge of the history of the 004058 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6764. Currently known reputation in the community is that the 004058 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6765. Public motor vehicle use of the 004058 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6766. The 004058 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6767. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004058 Road.

6768. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004058 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004059 Road

6769. The 004059 Road is designated as county road number 004059 and SGID road identification number RD243847 and is more or less 2.7 miles long.

6770. Exhibit 4-20 (attached hereto and incorporated herein) contains certain information pertaining to the 004059 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6771. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004059 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-20. The 004059 Road includes the segment of road specifically set forth in Exhibit 4-20 and as exists on the ground.

Acceptance of the 004059 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6772. The 004059 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6773. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004059 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6774. The 004059 Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6775. The 004059 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004059 Road pursuant to the County's governmental right and authority.

6776. Witnesses with personal knowledge of the history of the 004059 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6777. Currently known reputation in the community is that the 004059 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6778. Public motor vehicle use of the 004059 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6779. The 004059 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6780. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004059 Road.

6781. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004059 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004059A Road

6782. The 004059A Road is designated as county road number 004059A and SGID road identification number RD243848 and is more or less 0.4 miles long.

6783. Exhibit 4-21 (attached hereto and incorporated herein) contains certain information pertaining to the 004059A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6784. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004059A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-21. The 004059A Road includes the segment of road specifically set forth in Exhibit 4-21 and as exists on the ground.

Acceptance of the 004059A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6785. The 004059A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6786. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004059A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6787. The 004059A Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6788. The 004059A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004059A Road pursuant to the County's governmental right and authority.

6789. Witnesses with personal knowledge of the history of the 004059A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6790. Currently known reputation in the community is that the 004059A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6791. Public motor vehicle use of the 004059A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6792. The 004059A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6793. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004059A Road.

6794. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004059A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004060 Road

6795. The 004060 Road is designated as county road number 004060 and SGID road identification number RD243849 and is more or less 0.8 miles long.

6796. Exhibit 4-22 (attached hereto and incorporated herein) contains certain information pertaining to the 004060 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6797. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004060 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-22. The 004060 Road includes the segment of road specifically set forth in Exhibit 4-22 and as exists on the ground.

Acceptance of the 004060 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6798. The 004060 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6799. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004060 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6800. The 004060 Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6801. The 004060 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004060 Road pursuant to the County's governmental right and authority.

6802. Witnesses with personal knowledge of the history of the 004060 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6803. Currently known reputation in the community is that the 004060 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6804. Public motor vehicle use of the 004060 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6805. The 004060 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6806. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004060 Road.

6807. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004060 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004064 Road

6808. The 004064 Road is designated as county road number 004064 and SGID road identification number RD243854 and is more or less 2.8 miles long.

6809. Exhibit 4-23 (attached hereto and incorporated herein) contains certain information pertaining to the 004064 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6810. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004064 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-23. The 004064 Road includes the segment of road specifically set forth in Exhibit 4-23 and as exists on the ground.

Acceptance of the 004064 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6811. The 004064 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

6812. Prior to 1976, the 004064 Road was used to access the location of an oil and gas well, drilling operations of which were completed on or before April 27, 1958.

6813. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004064 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6814. The 004064 Road appears on the Fort Duchesne (1964) and Vernal SW (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6815. The 004064 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004064 Road pursuant to the County's governmental right and authority.

6816. Witnesses with personal knowledge of the history of the 004064 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6817. Currently known reputation in the community is that the 004064 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6818. Public motor vehicle use of the 004064 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6819. The 004064 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6820. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004064 Road.

6821. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004064 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

008801 Road

6822. The 008801 Road is designated as county road number 008801 and SGID road identification number RD243977 and is more or less 2 miles long.

6823. Exhibit 4-24 (attached hereto and incorporated herein) contains certain information pertaining to the 008801 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6824. In this action, the State and County seek to quiet title to the public highway right-of-way for the 008801 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-24. The 008801 Road includes the segment of road specifically set forth in Exhibit 4-24 and as exists on the ground.

Acceptance of the 008801 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6825. The 008801 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

6826. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 008801 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6827. The 008801 Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6828. The 008801 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 008801 Road pursuant to the County's governmental right and authority.

6829. Witnesses with personal knowledge of the history of the 008801 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6830. Currently known reputation in the community is that the 008801 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6831. Public motor vehicle use of the 008801 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6832. The 008801 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6833. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 008801 Road.

6834. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 008801 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

008806 Road

6835. The 008806 Road is designated as county road number 008806 and SGID road identification number RD243993 and is more or less 2.3 miles long.

6836. Exhibit 4-25 (attached hereto and incorporated herein) contains certain information pertaining to the 008806 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6837. In this action, the State and County seek to quiet title to the public highway right-of-way for the 008806 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-25. The 008806 Road includes the segment of road specifically set forth in Exhibit 4-25 and as exists on the ground.

Acceptance of the 008806 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6838. The 008806 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6839. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 008806 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6840. The 008806 Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6841. The 008806 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 008806 Road pursuant to the County's governmental right and authority.

6842. Witnesses with personal knowledge of the history of the 008806 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6843. Currently known reputation in the community is that the 008806 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6844. Public motor vehicle use of the 008806 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6845. The 008806 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6846. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 008806 Road.

6847. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 008806 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

008806C Road

6848. The 008806C Road is designated as county road number 008806C and SGID road identification number RD243996 and is more or less 1.1 miles long.

6849. Exhibit 4-26 (attached hereto and incorporated herein) contains certain information pertaining to the 008806C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6850. In this action, the State and County seek to quiet title to the public highway right-of-way for the 008806C Road solely as it crosses United States public land as included and specifically described in Exhibit 4-26. The 008806C Road includes the segment of road specifically set forth in Exhibit 4-26 and as exists on the ground.

Acceptance of the 008806C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6851. The 008806C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6852. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 008806C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6853. The 008806C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 008806C Road pursuant to the County's governmental right and authority.

6854. Witnesses with personal knowledge of the history of the 008806C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6855. Currently known reputation in the community is that the 008806C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6856. Public motor vehicle use of the 008806C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6857. The 008806C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6858. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 008806C Road.

6859. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 008806C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

008806E Road

6860. The 008806E Road is designated as county road number 008806E and SGID road identification number RD243997 and is more or less 0.3 miles long.

6861. Exhibit 4-27 (attached hereto and incorporated herein) contains certain information pertaining to the 008806E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6862. In this action, the State and County seek to quiet title to the public highway right-of-way for the 008806E Road solely as it crosses United States public land as included and specifically described in Exhibit 4-27. The 008806E Road includes the segment of road specifically set forth in Exhibit 4-27 and as exists on the ground.

Acceptance of the 008806E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6863. The 008806E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6864. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 008806E Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6865. The 008806E Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6866. The 008806E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 008806E Road pursuant to the County's governmental right and authority.

6867. Witnesses with personal knowledge of the history of the 008806E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6868. Currently known reputation in the community is that the 008806E Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6869. Public motor vehicle use of the 008806E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6870. The 008806E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6871. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 008806E Road.

6872. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 008806E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

012117A Road

6873. The 012117A Road is designated as county road number 012117A and SGID road identification number RD244122 and is more or less 0.7 miles long.

6874. Exhibit 4-28 (attached hereto and incorporated herein) contains certain information pertaining to the 012117A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6875. In this action, the State and County seek to quiet title to the public highway right-of-way for the 012117A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-28. The 012117A Road includes the segment of road specifically set forth in Exhibit 4-28 and as exists on the ground.

Acceptance of the 012117A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6876. The 012117A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6877. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 012117A Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6878. The 012117A Road appears on the Lapoint (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6879. The 012117A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 012117A Road pursuant to the County's governmental right and authority.

6880. Witnesses with personal knowledge of the history of the 012117A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6881. Currently known reputation in the community is that the 012117A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6882. Public motor vehicle use of the 012117A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6883. The 012117A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6884. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 012117A Road.

6885. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 012117A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

16000 E Road

6886. The 16000 E Road is designated as county road number 16000 E and SGID road identification number RD245638 and is more or less 0.5 miles long.

6887. Exhibit 4-29 (attached hereto and incorporated herein) contains certain information pertaining to the 16000 E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6888. In this action, the State and County seek to quiet title to the public highway right-of-way for the 16000 E Road solely as it crosses United States public land as included and specifically described in Exhibit 4-29. The 16000 E Road includes the segment of road specifically set forth in Exhibit 4-29 and as exists on the ground.

Acceptance of the 16000 E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6889. The 16000 E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6890. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 16000 E Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6891. The 16000 E Road appears on the Pelican Lake (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6892. The 16000 E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 16000 E Road pursuant to the County's governmental right and authority.

6893. Witnesses with personal knowledge of the history of the 16000 E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6894. Currently known reputation in the community is that the 16000 E Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6895. Public motor vehicle use of the 16000 E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6896. The 16000 E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6897. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 16000 E Road.

6898. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 16000 E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020101 Road

6899. The 020101 Road is designated as county road number 020101 and SGID road identification number RD244139 and is more or less 1.2 miles long.

6900. Exhibit 4-30 (attached hereto and incorporated herein) contains certain information pertaining to the 020101 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6901. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020101 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-30. The 020101 Road includes the segment of road specifically set forth in Exhibit 4-30 and as exists on the ground.

Acceptance of the 020101 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6902. The 020101 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6903. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 020101 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6904. The 020101 Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6905. The 020101 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020101 Road pursuant to the County's governmental right and authority.

6906. Witnesses with personal knowledge of the history of the 020101 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6907. Currently known reputation in the community is that the 020101 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6908. Public motor vehicle use of the 020101 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6909. The 020101 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6910. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020101 Road.

6911. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020101 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

070303 Road

6912. The 070303 Road is designated as county road number 070303 and SGID road identification number RD244987 and is more or less 1.8 miles long.

6913. Exhibit 4-31 (attached hereto and incorporated herein) contains certain information pertaining to the 070303 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6914. In this action, the State and County seek to quiet title to the public highway right-of-way for the 070303 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-31. The 070303 Road includes the segment of road specifically set forth in Exhibit 4-31 and as exists on the ground.

Acceptance of the 070303 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6915. The 070303 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

6916. Prior to 1976, the 070303 Road was used to access the location of an oil and gas well, drilling operations of which were completed on or before December 9, 1949.

6917. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 070303 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6918. The 070303 Road appears on the Rasmussen Hollow (1965) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6919. The 070303 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 070303 Road pursuant to the County's governmental right and authority.

6920. Witnesses with personal knowledge of the history of the 070303 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6921. Currently known reputation in the community is that the 070303 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6922. Public motor vehicle use of the 070303 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6923. The 070303 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6924. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 070303 Road.

6925. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 070303 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

070303A Road

6926. The 070303A Road is designated as county road number 070303A and SGID road identification number RD244988 and is more or less 0.8 miles long.

6927. Exhibit 4-32 (attached hereto and incorporated herein) contains certain information pertaining to the 070303A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6928. In this action, the State and County seek to quiet title to the public highway right-of-way for the 070303A Road solely as it crosses United States public land as included and

specifically described in Exhibit 4-32. The 070303A Road includes the segment of road specifically set forth in Exhibit 4-32 and as exists on the ground.

Acceptance of the 070303A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6929. The 070303A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

6930. Prior to 1976, the 070303A Road was used to access the location of an oil and gas well, drilling operations of which were completed on or before May 23, 1949.

6931. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 070303A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6932. The 070303A Road appears on the Rasmussen Hollow (1965) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6933. The 070303A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 070303A Road pursuant to the County's governmental right and authority.

6934. Witnesses with personal knowledge of the history of the 070303A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6935. Currently known reputation in the community is that the 070303A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6936. Public motor vehicle use of the 070303A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6937. The 070303A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6938. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 070303A Road.

6939. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 070303A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

070303B Road

6940. The 070303B Road is designated as county road number 070303B and SGID road identification number RD244989 and is more or less 0.6 miles long.

6941. Exhibit 4-33 (attached hereto and incorporated herein) contains certain information pertaining to the 070303B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6942. In this action, the State and County seek to quiet title to the public highway right-of-way for the 070303B Road solely as it crosses United States public land as included and specifically described in Exhibit 4-33. The 070303B Road includes the segment of road specifically set forth in Exhibit 4-33 and as exists on the ground.

Acceptance of the 070303B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6943. The 070303B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6944. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 070303B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6945. The 070303B Road appears on the Rasmussen Hollow (1965) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6946. The 070303B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 070303B Road pursuant to the County's governmental right and authority.

6947. Witnesses with personal knowledge of the history of the 070303B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6948. Currently known reputation in the community is that the 070303B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6949. Public motor vehicle use of the 070303B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6950. The 070303B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6951. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 070303B Road.

6952. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 070303B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

070306 Road

6953. The 070306 Road is designated as county road number 070306 and SGID road identification number RD244992 and is more or less 1.9 miles long.

6954. Exhibit 4-34 (attached hereto and incorporated herein) contains certain information pertaining to the 070306 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6955. In this action, the State and County seek to quiet title to the public highway right-of-way for the 070306 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-34. The 070306 Road includes the segment of road specifically set forth in Exhibit 4-34 and as exists on the ground.

Acceptance of the 070306 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6956. The 070306 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

6957. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 070306 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6958. The 070306 Road appears on the Rasmussen Hollow (1965) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6959. The 070306 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 070306 Road pursuant to the County's governmental right and authority.

6960. Witnesses with personal knowledge of the history of the 070306 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6961. Currently known reputation in the community is that the 070306 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6962. Public motor vehicle use of the 070306 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6963. The 070306 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6964. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 070306 Road.

6965. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 070306 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080101 Road

6966. The 080101 Road is designated as county road number 080101 and SGID road identification number RD245012 and is more or less 2.4 miles long.

6967. Exhibit 4-35 (attached hereto and incorporated herein) contains certain information pertaining to the 080101 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6968. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080101 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-35. The 080101 Road includes the segment of road specifically set forth in Exhibit 4-35 and as exists on the ground.

Acceptance of the 080101 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6969. The 080101 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6970. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080101 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6971. The 080101 Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

6972. The 080101 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080101 Road pursuant to the County's governmental right and authority.

6973. Witnesses with personal knowledge of the history of the 080101 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6974. Currently known reputation in the community is that the 080101 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6975. Public motor vehicle use of the 080101 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6976. The 080101 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6977. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080101 Road.

6978. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080101 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080101A Road

6979. The 080101A Road is designated as county road number 080101A and SGID road identification number RD245013 and is more or less 0.3 miles long.

6980. Exhibit 4-36 (attached hereto and incorporated herein) contains certain information pertaining to the 080101A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6981. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080101A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-36. The 080101A Road includes the segment of road specifically set forth in Exhibit 4-36 and as exists on the ground.

Acceptance of the 080101A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6982. The 080101A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6983. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080101A Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6984. The 080101A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080101A Road pursuant to the County's governmental right and authority.

6985. Witnesses with personal knowledge of the history of the 080101A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6986. Currently known reputation in the community is that the 080101A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6987. Public motor vehicle use of the 080101A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

6988. The 080101A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

6989. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080101A Road.

6990. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080101A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080102 Road

6991. The 080102 Road is designated as county road number 080102 and SGID road identification number RD245015 and is more or less 0.3 miles long.

6992. Exhibit 4-37 (attached hereto and incorporated herein) contains certain information pertaining to the 080102 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

6993. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080102 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-37. The 080102 Road includes the segment of road specifically set forth in Exhibit 4-37 and as exists on the ground.

Acceptance of the 080102 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

6994. The 080102 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

6995. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080102 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

6996. The 080102 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080102 Road pursuant to the County's governmental right and authority.

6997. Witnesses with personal knowledge of the history of the 080102 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

6998. Currently known reputation in the community is that the 080102 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

6999. Public motor vehicle use of the 080102 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7000. The 080102 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7001. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080102 Road.

7002. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080102 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

<u>080103 Road</u>

7003. The 080103 Road is designated as county road number 080103 and SGID road identification number RD245016 and is more or less 1 mile long.

7004. Exhibit 4-38 (attached hereto and incorporated herein) contains certain information pertaining to the 080103 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7005. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080103 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-38. The 080103 Road includes the segment of road specifically set forth in Exhibit 4-38 and as exists on the ground.

Acceptance of the 080103 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7006. The 080103 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7007. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080103 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7008. The 080103 Road appears on the Lapoint (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7009. The 080103 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080103 Road pursuant to the County's governmental right and authority.

7010. Witnesses with personal knowledge of the history of the 080103 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7011. Currently known reputation in the community is that the 080103 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7012. Public motor vehicle use of the 080103 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7013. The 080103 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7014. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080103 Road.

7015. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080103 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

<u>080104 Road</u>

7016. The 080104 Road is designated as county road number 080104 and SGID road identification number RD245017 and is more or less 0.1 miles long.

7017. Exhibit 4-39 (attached hereto and incorporated herein) contains certain information pertaining to the 080104 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7018. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080104 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-39. The 080104 Road includes the segment of road specifically set forth in Exhibit 4-39 and as exists on the ground.

Acceptance of the 080104 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7019. The 080104 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7020. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080104 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7021. The 080104 Road appears on the Lapoint (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7022. The 080104 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080104 Road pursuant to the County's governmental right and authority.

7023. Witnesses with personal knowledge of the history of the 080104 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7024. Currently known reputation in the community is that the 080104 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7025. Public motor vehicle use of the 080104 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7026. The 080104 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7027. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080104 Road.

7028. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080104 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080201 Road

7029. The 080201 Road is designated as county road number 080201 and SGID road identification number RD245018 and is more or less 0.5 miles long.

7030. Exhibit 4-40 (attached hereto and incorporated herein) contains certain information pertaining to the 080201 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7031. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080201 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-40. The 080201 Road includes the segment of road specifically set forth in Exhibit 4-40 and as exists on the ground.

Acceptance of the 080201 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7032. The 080201 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7033. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080201 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7034. The 080201 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080201 Road pursuant to the County's governmental right and authority.

7035. Witnesses with personal knowledge of the history of the 080201 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7036. Currently known reputation in the community is that the 080201 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7037. Public motor vehicle use of the 080201 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7038. The 080201 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7039. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080201 Road.

7040. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080201 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080201A Road

7041. The 080201A Road is designated as county road number 080201A and SGID road identification number RD245019 and is more or less 0.3 miles long.

7042. Exhibit 4-41 (attached hereto and incorporated herein) contains certain information pertaining to the 080201A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7043. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080201A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-41. The 080201A Road includes the segment of road specifically set forth in Exhibit 4-41 and as exists on the ground.

Acceptance of the 080201A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7044. The 080201A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7045. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080201A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7046. The 080201A Road appears on the Vernal NW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7047. The 080201A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080201A Road pursuant to the County's governmental right and authority.

7048. Witnesses with personal knowledge of the history of the 080201A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7049. Currently known reputation in the community is that the 080201A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7050. Public motor vehicle use of the 080201A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7051. The 080201A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7052. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080201A Road.

7053. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080201A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080202 Road

7054. The 080202 Road is designated as county road number 080202 and SGID road identification number RD245020 and is more or less 2.9 miles long.

7055. Exhibit 4-42 (attached hereto and incorporated herein) contains certain information pertaining to the 080202 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7056. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080202 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-42. The 080202 Road includes the segment of road specifically set forth in Exhibit 4-42 and as exists on the ground.

Acceptance of the 080202 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7057. The 080202 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7058. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080202 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7059. The 080202 Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7060. The 080202 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080202 Road pursuant to the County's governmental right and authority.

7061. Witnesses with personal knowledge of the history of the 080202 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7062. Currently known reputation in the community is that the 080202 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7063. Public motor vehicle use of the 080202 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7064. The 080202 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7065. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080202 Road.

7066. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080202 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080202A Road

7067. The 080202A Road is designated as county road number 080202A and SGID road identification number RD245021 and is more or less 0.2 miles long.

7068. Exhibit 4-43 (attached hereto and incorporated herein) contains certain information pertaining to the 080202A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7069. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080202A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-43. The 080202A Road includes the segment of road specifically set forth in Exhibit 4-43 and as exists on the ground.

Acceptance of the 080202A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7070. The 080202A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7071. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080202A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7072. The 080202A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080202A Road pursuant to the County's governmental right and authority.

7073. Witnesses with personal knowledge of the history of the 080202A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7074. Currently known reputation in the community is that the 080202A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7075. Public motor vehicle use of the 080202A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7076. The 080202A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7077. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080202A Road.

7078. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080202A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080202C Road

7079. The 080202C Road is designated as county road number 080202C and SGID road identification number RD245023 and is more or less 0.1 miles long.

7080. Exhibit 4-44 (attached hereto and incorporated herein) contains certain information pertaining to the 080202C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7081. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080202C Road solely as it crosses United States public land as included and specifically described in Exhibit 4-44. The 080202C Road includes the segment of road specifically set forth in Exhibit 4-44 and as exists on the ground.

Acceptance of the 080202C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7082. The 080202C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7083. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080202C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7084. The 080202C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080202C Road pursuant to the County's governmental right and authority.

7085. Witnesses with personal knowledge of the history of the 080202C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7086. Currently known reputation in the community is that the 080202C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7087. Public motor vehicle use of the 080202C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7088. The 080202C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7089. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080202C Road.

7090. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080202C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080203 Road

7091. The 080203 Road is designated as county road number 080203 and SGID road identification number RD245024 and is more or less 0.9 miles long.

7092. Exhibit 4-45 (attached hereto and incorporated herein) contains certain information pertaining to the 080203 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7093. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080203 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-45. The 080203 Road includes the segment of road specifically set forth in Exhibit 4-45 and as exists on the ground.

Acceptance of the 080203 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7094. The 080203 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7095. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080203 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7096. The 080203 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080203 Road pursuant to the County's governmental right and authority.

7097. Witnesses with personal knowledge of the history of the 080203 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7098. Currently known reputation in the community is that the 080203 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7099. Public motor vehicle use of the 080203 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7100. The 080203 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7101. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080203 Road.

7102. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080203 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080203A Road

7103. The 080203A Road is designated as county road number 080203A and SGID road identification number RD245025 and is more or less 0.03 miles long.

7104. Exhibit 4-46 (attached hereto and incorporated herein) contains certain information pertaining to the 080203A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7105. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080203A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-46. The 080203A Road includes the segment of road specifically set forth in Exhibit 4-46 and as exists on the ground.

Acceptance of the 080203A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7106. The 080203A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7107. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080203A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7108. The 080203A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080203A Road pursuant to the County's governmental right and authority.

7109. Witnesses with personal knowledge of the history of the 080203A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7110. Currently known reputation in the community is that the 080203A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7111. Public motor vehicle use of the 080203A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7112. The 080203A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7113. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080203A Road.

7114. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080203A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080204 Road

7115. The 080204 Road is designated as county road number 080204 and SGID road identification number RD245026 and is more or less 0.3 miles long.

7116. Exhibit 4-47 (attached hereto and incorporated herein) contains certain information pertaining to the 080204 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7117. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080204 Road solely as it crosses United States public land as included and

specifically described in Exhibit 4-47. The 080204 Road includes the segment of road specifically set forth in Exhibit 4-47 and as exists on the ground.

Acceptance of the 080204 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7118. The 080204 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7119. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080204 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7120. The 080204 Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7121. The 080204 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080204 Road pursuant to the County's governmental right and authority.

7122. Witnesses with personal knowledge of the history of the 080204 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7123. Currently known reputation in the community is that the 080204 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7124. Public motor vehicle use of the 080204 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7125. The 080204 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7126. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080204 Road.

7127. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080204 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080205 Road

7128. The 080205 Road is designated as county road number 080205 and SGID road identification number RD245027 and is more or less 1.8 miles long.

7129. Exhibit 4-48 (attached hereto and incorporated herein) contains certain information pertaining to the 080205 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7130. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080205 Road solely as it crosses United States public land as included and

specifically described in Exhibit 4-48. The 080205 Road includes the segment of road specifically set forth in Exhibit 4-48 and as exists on the ground.

Acceptance of the 080205 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7131. The 080205 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7132. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 080205 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7133. The 080205 Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7134. The 080205 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080205 Road pursuant to the County's governmental right and authority.

7135. Witnesses with personal knowledge of the history of the 080205 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7136. Currently known reputation in the community is that the 080205 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7137. Public motor vehicle use of the 080205 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7138. The 080205 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7139. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080205 Road.

7140. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080205 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

130508 Road

7141. The 130508 Road is designated as county road number 130508 and SGID road identification number RD245373 and is more or less 1.4 miles long.

7142. Exhibit 4-49 (attached hereto and incorporated herein) contains certain information pertaining to the 130508 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7143. In this action, the State and County seek to quiet title to the public highway right-of-way for the 130508 Road solely as it crosses United States public land as included and

specifically described in Exhibit 4-49. The 130508 Road includes the segment of road specifically set forth in Exhibit 4-49 and as exists on the ground.

Acceptance of the 130508 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7144. The 130508 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7145. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 130508 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7146. The 130508 Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7147. The 130508 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 130508 Road pursuant to the County's governmental right and authority.

7148. Witnesses with personal knowledge of the history of the 130508 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7149. Currently known reputation in the community is that the 130508 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7150. Public motor vehicle use of the 130508 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7151. The 130508 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7152. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 130508 Road.

7153. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 130508 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

130508B Road

7154. The 130508B Road is designated as county road number 130508B and SGID road identification number RD245375 and is more or less 1.8 miles long.

7155. Exhibit 4-50 (attached hereto and incorporated herein) contains certain information pertaining to the 130508B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7156. In this action, the State and County seek to quiet title to the public highway right-of-way for the 130508B Road solely as it crosses United States public land as included and

specifically described in Exhibit 4-50. The 130508B Road includes the segment of road specifically set forth in Exhibit 4-50 and as exists on the ground.

Acceptance of the 130508B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7157. The 130508B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7158. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 130508B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7159. The 130508B Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7160. The 130508B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 130508B Road pursuant to the County's governmental right and authority.

7161. Witnesses with personal knowledge of the history of the 130508B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7162. Currently known reputation in the community is that the 130508B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7163. Public motor vehicle use of the 130508B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7164. The 130508B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7165. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 130508B Road.

7166. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 130508B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Devils Hole Road, 004503

7167. The Devils Hole Road is designated as county road number 004503 and SGID road identification number RD243861 and is more or less 1 mile long.

7168. Exhibit 4-51 (attached hereto and incorporated herein) contains certain information pertaining to the Devils Hole Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7169. In this action, the State and County seek to quiet title to the public highway right-of-way for the Devils Hole Road solely as it crosses United States public land as included and specifically described in Exhibit 4-51. The Devils Hole Road includes the segment of road specifically set forth in Exhibit 4-51 and as exists on the ground.

Acceptance of the Devils Hole Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7170. The Devils Hole Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7171. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the Devils Hole Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7172. The Devils Hole Road appears on the Vernal SE (1964) and Rasmussen Hollow (1965) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7173. The Devils Hole Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Devils Hole Road pursuant to the County's governmental right and authority.

7174. Witnesses with personal knowledge of the history of the Devils Hole Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7175. Currently known reputation in the community is that the Devils Hole Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7176. Public motor vehicle use of the Devils Hole Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7177. The Devils Hole Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7178. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Devils Hole Road.

7179. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Devils Hole Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Halfway Hollow Bench Road, 0801

7180. The Halfway Hollow Bench Road is designated as county road number 0801 and SGID road identification number RD245011 and is more or less 7 miles long.

7181. Exhibit 4-52 (attached hereto and incorporated herein) contains certain information pertaining to the Halfway Hollow Bench Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7182. In this action, the State and County seek to quiet title to the public highway right-of-way for the Halfway Hollow Bench Road solely as it crosses United States public land as included and specifically described in Exhibit 4-52. The Halfway Hollow Bench Road includes the segment of road specifically set forth in Exhibit 4-52 and as exists on the ground.

Acceptance of the Halfway Hollow Bench Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7183. The Halfway Hollow Bench Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7184. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Halfway Hollow Bench Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7185. The Halfway Hollow Bench Road appears on the Lapoint (1964), Vernal NW (1964) and Vernal SW (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7186. The Halfway Hollow Bench Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Halfway Hollow Bench Road pursuant to the County's governmental right and authority.

7187. Witnesses with personal knowledge of the history of the Halfway Hollow Bench Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7188. Currently known reputation in the community is that the Halfway Hollow Bench Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7189. Public motor vehicle use of the Halfway Hollow Bench Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or

necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7190. The Halfway Hollow Bench Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7191. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Halfway Hollow Bench Road.

7192. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Halfway Hollow Bench Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Hamaker Bottom Road, 0803

7193. The Hamaker Bottom Road is designated as county road number 0803 and SGID road identification number RD245028 and is more or less 2.3 miles long.

7194. Exhibit 4-53 (attached hereto and incorporated herein) contains certain information pertaining to the Hamaker Bottom Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7195. In this action, the State and County seek to quiet title to the public highway right-of-way for the Hamaker Bottom Road solely as it crosses United States public land as included and specifically described in Exhibit 4-53. The Hamaker Bottom Road includes the segment of road specifically set forth in Exhibit 4-53 and as exists on the ground.

Acceptance of the Hamaker Bottom Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7196. The Hamaker Bottom Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7197. Prior to 1976, the Hamaker Bottom Road was used to access the location of an oil and gas well, drilling operations of which were completed on or before December 16, 1969.

7198. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Hamaker Bottom Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7199. The Hamaker Bottom Road appears on the Brennan Basin (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7200. The Hamaker Bottom Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Hamaker Bottom Road pursuant to the County's governmental right and authority.

7201. Witnesses with personal knowledge of the history of the Hamaker Bottom Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7202. Currently known reputation in the community is that the Hamaker Bottom Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7203. Public motor vehicle use of the Hamaker Bottom Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7204. The Hamaker Bottom Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7205. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Hamaker Bottom Road.

7206. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Hamaker Bottom Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Ouray Valley Canal Road, 1512

7207. The Ouray Valley Canal Road is designated as county road number 1512 and SGID road identification number RD245608 and is more or less 12 miles long.

7208. Exhibit 4-54 (attached hereto and incorporated herein) contains certain information pertaining to the Ouray Valley Canal Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7209. In this action, the State and County seek to quiet title to the public highway right-of-way for the Ouray Valley Canal Road solely as it crosses United States public land as included and specifically described in Exhibit 4-54. The Ouray Valley Canal Road includes the segment of road specifically set forth in Exhibit 4-54 and as exists on the ground.

Acceptance of the Ouray Valley Canal Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7210. The Ouray Valley Canal Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7211. Prior to 1976, the Ouray Valley Road was used to access the location of an oil and gas well, drilling operations of which were completed on or before December 10, 1970.

7212. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Ouray Valley Canal Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7213. The Ouray Valley Canal Road appears on the Pelican Lake (1964), Vernal SW (1964), Fort Duchesne (1964) and Lapoint (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7214. The Ouray Valley Canal Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Ouray Valley Canal Road pursuant to the County's governmental right and authority.

7215. Witnesses with personal knowledge of the history of the Ouray Valley Canal Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7216. Currently known reputation in the community is that the Ouray Valley Canal Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7217. Public motor vehicle use of the Ouray Valley Canal Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or

necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7218. The Ouray Valley Canal Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7219. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Ouray Valley Canal Road.

7220. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Ouray Valley Canal Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081201 Road

7221. The 081201 Road is designated as county road number 081201 and SGID road identification number RD245058 and is more or less 0.1 miles long.

7222. Exhibit 4-55 (attached hereto and incorporated herein) contains certain information pertaining to the 081201 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7223. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081201 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-55. The 081201 Road includes the segment of road specifically set forth in Exhibit 4-55 and as exists on the ground.

Acceptance of the 081201 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7224. The 081201 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7225. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 081201 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7226. The 081201 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 081201 Road pursuant to the County's governmental right and authority.

7227. Witnesses with personal knowledge of the history of the 081201 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 081201 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7228. Public motor vehicle use of the 081201 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7229. The 081201 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7230. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081201 Road.

7231. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081201 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081202 Road

7232. The 081202 Road is designated as county road number 081202 and SGID road identification number RD245059 and is more or less 3 miles long.

7233. Exhibit 4-56 (attached hereto and incorporated herein) contains certain information pertaining to the 081202 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7234. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081202 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-56. The 081202 Road includes the segment of road specifically set forth in Exhibit 4-56 and as exists on the ground.

Acceptance of the 081202 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7235. The 081202 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7236. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 081202 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7237. The 081202 Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7238. The 081202 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 081202 Road pursuant to the County's governmental right and authority.

7239. Witnesses with personal knowledge of the history of the 081202 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 081202 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7240. Public motor vehicle use of the 081202 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7241. The 081202 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7242. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081202 Road.

7243. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081202 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081202A Road

7244. The 081202A Road is designated as county road number 081202A and SGID road identification number RD245060 and is more or less 0.3 miles long.

7245. Exhibit 4-57 (attached hereto and incorporated herein) contains certain information pertaining to the 081202A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7246. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081202A Road solely as it crosses United States public land as included and

specifically described in Exhibit 4-57. The 081202A Road includes the segment of road specifically set forth in Exhibit 4-57 and as exists on the ground.

Acceptance of the 081202A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7247. The 081202A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7248. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 081202A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7249. The 081202A Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7250. The 081202A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 081202A Road pursuant to the County's governmental right and authority.

7251. Witnesses with personal knowledge of the history of the 081202A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 081202A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7252. Public motor vehicle use of the 081202A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7253. The 081202A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7254. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081202A Road.

7255. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081202A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081202B Road

7256. The 081202B Road is designated as county road number 081202B and SGID road identification number RD245061 and is more or less 0.2 miles long.

7257. Exhibit 4-58 (attached hereto and incorporated herein) contains certain information pertaining to the 081202B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7258. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081202B Road solely as it crosses United States public land as included and

specifically described in Exhibit 4-58. The 081202B Road includes the segment of road specifically set forth in Exhibit 4-58 and as exists on the ground.

Acceptance of the 081202B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7259. The 081202B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7260. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the 081202B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7261. The 081202B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 081202B Road pursuant to the County's governmental right and authority.

7262. Witnesses with personal knowledge of the history of the 081202B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 081202B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7263. Public motor vehicle use of the 081202B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7264. The 081202B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7265. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081202B Road.

7266. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081202B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081202D Road

7267. The 081202D Road is designated as county road number 081202D and SGID road identification number RD245062 and is more or less 0.1 miles long.

7268. Exhibit 4-59 (attached hereto and incorporated herein) contains certain information pertaining to the 081202D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7269. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081202D Road solely as it crosses United States public land as included and specifically described in Exhibit 4-59. The 081202D Road includes the segment of road specifically set forth in Exhibit 4-59 and as exists on the ground.

Acceptance of the 081202D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7270. The 081202D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7271. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the 081202D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7272. The 081202D Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7273. The 081202D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 081202D Road pursuant to the County's governmental right and authority.

7274. Witnesses with personal knowledge of the history of the 081202D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 081202D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7275. Public motor vehicle use of the 081202D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7276. The 081202D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7277. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081202D Road.

7278. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081202D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081202E Road

7279. The 081202E Road is designated as county road number 081202E and SGID road identification number RD245063 and is more or less 0.03 miles long.

7280. Exhibit 4-60 (attached hereto and incorporated herein) contains certain information pertaining to the 081202E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7281. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081202E Road solely as it crosses United States public land as included and specifically described in Exhibit 4-60. The 081202E Road includes the segment of road specifically set forth in Exhibit 4-60 and as exists on the ground.

Acceptance of the 081202E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7282. The 081202E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7283. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 081202E Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7284. The 081202E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 081202E Road pursuant to the County's governmental right and authority.

7285. Witnesses with personal knowledge of the history of the 081202E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 081202E Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7286. Public motor vehicle use of the 081202E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7287. The 081202E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7288. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081202E Road.

7289. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081202E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081202F Road

7290. The 081202F Road is designated as county road number 081202F and SGID road identification number RD245064 and is more or less 1.2 miles long.

7291. Exhibit 4-61 (attached hereto and incorporated herein) contains certain information pertaining to the 081202F Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7292. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081202F Road solely as it crosses United States public land as included and specifically described in Exhibit 4-61. The 081202F Road includes the segment of road specifically set forth in Exhibit 4-61 and as exists on the ground.

Acceptance of the 081202F Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7293. The 081202F Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7294. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 081202F Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7295. The 081202F Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7296. The 081202F Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 081202F Road pursuant to the County's governmental right and authority.

7297. Witnesses with personal knowledge of the history of the 081202F Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 081202F Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7298. Public motor vehicle use of the 081202F Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7299. The 081202F Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7300. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081202F Road.

7301. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081202F Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081202J Road

7302. The 081202J Road is designated as county road number 081202J and SGID road identification number RD245067 and is more or less 0.1 miles long.

7303. Exhibit 4-62 (attached hereto and incorporated herein) contains certain information pertaining to the 081202J Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7304. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081202J Road solely as it crosses United States public land as included and

specifically described in Exhibit 4-62. The 081202J Road includes the segment of road specifically set forth in Exhibit 4-62 and as exists on the ground.

Acceptance of the 081202J Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7305. The 081202J Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7306. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 081202J Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7307. The 081202J Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 081202J Road pursuant to the County's governmental right and authority.

7308. Witnesses with personal knowledge of the history of the 081202J Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 081202J Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7309. Public motor vehicle use of the 081202J Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7310. The 081202J Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7311. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081202J Road.

7312. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081202J Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081202L Road

7313. The 081202L Road is designated as county road number 081202L and SGID road identification number RD245068 and is more or less 0.5 miles long.

7314. Exhibit 4-63 (attached hereto and incorporated herein) contains certain information pertaining to the 081202L Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7315. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081202L Road solely as it crosses United States public land as included and specifically described in Exhibit 4-63. The 081202L Road includes the segment of road specifically set forth in Exhibit 4-63 and as exists on the ground.

Acceptance of the 081202L Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7316. The 081202L Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7317. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 081202L Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7318. The 081202L Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7319. The 081202L Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 081202L Road pursuant to the County's governmental right and authority.

7320. Witnesses with personal knowledge of the history of the 081202L Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 081202L Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7321. Public motor vehicle use of the 081202L Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7322. The 081202L Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7323. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081202L Road.

7324. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081202L Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081203 Road

7325. The 081203 Road is designated as county road number 081203 and SGID road identification number RD245070 and is more or less 3 miles long.

7326. Exhibit 4-64 (attached hereto and incorporated herein) contains certain information pertaining to the 081203 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7327. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081203 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-64. The 081203 Road includes the segment of road specifically set forth in Exhibit 4-64 and as exists on the ground.

Acceptance of the 081203 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7328. The 081203 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7329. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before March 9, 1965.

7330. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 081203 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7331. The 081203 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 081203 Road pursuant to the County's governmental right and authority.

7332. Witnesses with personal knowledge of the history of the 081203 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 081203 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7333. Public motor vehicle use of the 081203 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7334. The 081203 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7335. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081203 Road.

7336. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081203 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081203A Road

7337. The 081203A Road is designated as county road number 081203A and SGID road identification number RD245071 and is more or less 1.2 miles long.

7338. Exhibit 4-65 (attached hereto and incorporated herein) contains certain information pertaining to the 081203A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7339. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081203A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-65. The 081203A Road includes the segment of road specifically set forth in Exhibit 4-65 and as exists on the ground.

Acceptance of the 081203A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7340. The 081203A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7341. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 081203A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7342. The 081203A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 081203A Road pursuant to the County's governmental right and authority.

7343. Witnesses with personal knowledge of the history of the 081203A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 081203A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7344. Public motor vehicle use of the 081203A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7345. The 081203A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7346. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081203A Road.

7347. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081203A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081204 Road

7348. The 081204 Road is designated as county road number 081204 and SGID road identification number RD245072 and is more or less 0.2 miles long.

7349. Exhibit 4-66 (attached hereto and incorporated herein) contains certain information pertaining to the 081204 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7350. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081204 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-66. The 081204 Road includes the segment of road specifically set forth in Exhibit 4-66 and as exists on the ground.

Acceptance of the 081204 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7351. The 081204 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7352. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 081204 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7353. The 081204 Road appears on the Brennan Basin (1964) and Vernal SE (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7354. The 081204 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 081204 Road pursuant to the County's governmental right and authority.

7355. Witnesses with personal knowledge of the history of the 081204 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 081204 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7356. Public motor vehicle use of the 081204 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7357. The 081204 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7358. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081204 Road.

7359. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081204 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

081206A Road

7360. The 081206A Road is designated as county road number 081206A and SGID road identification number RD245074 and is more or less 1.9 miles long.

7361. Exhibit 4-67 (attached hereto and incorporated herein) contains certain information pertaining to the 081206A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7362. In this action, the State and County seek to quiet title to the public highway right-of-way for the 081206A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-67. The 081206A Road includes the segment of road specifically set forth in Exhibit 4-67 and as exists on the ground.

Acceptance of the 081206A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7363. The 081206A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7364. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 081206A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7365. The 081206A Road appears on the Brennan Basin (1964) and Vernal SE (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7366. The 081206A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 081206A Road pursuant to the County's governmental right and authority.

7367. Witnesses with personal knowledge of the history of the 081206A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 081206A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7368. Public motor vehicle use of the 081206A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7369. The 081206A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7370. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 081206A Road.

7371. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 081206A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Asphalt Ridge Road, 0114

7372. The Asphalt Ridge Road is designated as county road number 0114 and SGID road identification number RD244075 and is more or less 7 miles long.

7373. Exhibit 4-68 (attached hereto and incorporated herein) contains certain information pertaining to the Asphalt Ridge Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7374. In this action, the State and County seek to quiet title to the public highway right-of-way for the Asphalt Ridge Road solely as it crosses United States public land as included and specifically described in Exhibit 4-68. The Asphalt Ridge Road includes the segment of road specifically set forth in Exhibit 4-68 and as exists on the ground.

Acceptance of the Asphalt Ridge Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7375. The Asphalt Ridge Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7376. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Asphalt Ridge Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7377. The Asphalt Ridge Road appears on the Vernal SE (1964) and Vernal NE (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7378. The Asphalt Ridge Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Asphalt Ridge Road pursuant to the County's governmental right and authority.

7379. Witnesses with personal knowledge of the history of the Asphalt Ridge Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Asphalt Ridge Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7380. Public motor vehicle use of the Asphalt Ridge Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7381. The Asphalt Ridge Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7382. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Asphalt Ridge Road.

7383. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Asphalt Ridge Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Highline Canal Road, 004050

7384. The Highline Canal Road is designated as county road number 004050 and SGID road identification number RD243827 and is more or less 7.8 miles long.

7385. Exhibit 4-69 (attached hereto and incorporated herein) contains certain information pertaining to the Highline Canal Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7386. In this action, the State and County seek to quiet title to the public highway right-of-way for the Highline Canal Road solely as it crosses United States public land as included and specifically described in Exhibit 4-69. The Highline Canal Road includes the segment of road specifically set forth in Exhibit 4-69 and as exists on the ground.

Acceptance of the Highline Canal Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7387. The Highline Canal Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of

Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7388. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before July 29, 1965.

7389. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Highline Canal Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7390. The Highline Canal Road appears on the Vernal SE (1964) and Vernal NE (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7391. The Highline Canal Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Highline Canal Road pursuant to the County's governmental right and authority.

7392. Witnesses with personal knowledge of the history of the Highline Canal Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Highline Canal Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7393. Public motor vehicle use of the Highline Canal Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7394. The Highline Canal Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7395. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Highline Canal Road.

7396. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Highline Canal Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

012115 Road

7397. The 012115 Road is designated as county road number 012115 and SGID road identification number RD244115 and is more or less 1.7 miles long.

7398. Exhibit 4-70 (attached hereto and incorporated herein) contains certain information pertaining to the 012115 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7399. In this action, the State and County seek to quiet title to the public highway right-of-way for the 012115 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-70. The 012115 Road includes the segment of road specifically set forth in Exhibit 4-70 and as exists on the ground.

Acceptance of the 012115 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7400. The 012115 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7401. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 012115 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7402. The 012115 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 012115 Road pursuant to the County's governmental right and authority.

7403. Witnesses with personal knowledge of the history of the 012115 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis,

whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 012115 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7404. Public motor vehicle use of the 012115 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7405. The 012115 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7406. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 012115 Road.

7407. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 012115 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020102 Road

7408. The 020102 Road is designated as county road number 020102 and SGID road identification number RD244140 and is more or less 2.8 miles long.

7409. Exhibit 4-71 (attached hereto and incorporated herein) contains certain information pertaining to the 020102 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7410. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020102 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-71. The 020102 Road includes the segment of road specifically set forth in Exhibit 4-71 and as exists on the ground.

Acceptance of the 020102 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7411. The 020102 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7412. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 020102 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7413. The 020102 Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7414. The 020102 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020102 Road pursuant to the County's governmental right and authority.

7415. Witnesses with personal knowledge of the history of the 020102 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis,

whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 020102 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7416. Public motor vehicle use of the 020102 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7417. The 020102 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7418. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020102 Road.

7419. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020102 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Collier Draw Road, 0315

7420. The Collier Draw Road is designated as county road number 0315 and SGID road identification number RD244535 and is more or less 4.3 miles long.

7421. Exhibit 4-72 (attached hereto and incorporated herein) contains certain information pertaining to the Collier Draw Road including: a map depicting the road; township,

range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7422. In this action, the State and County seek to quiet title to the public highway right-of-way for the Collier Draw Road solely as it crosses United States public land as included and specifically described in Exhibit 4-72. The Collier Draw Road includes the segment of road specifically set forth in Exhibit 4-72 and as exists on the ground.

Acceptance of the Collier Draw Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7423. The Collier Draw Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7424. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Collier Draw Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7425. The Collier Draw Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7426. The Collier Draw Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Collier Draw Road pursuant to the County's governmental right and authority.

7427. Witnesses with personal knowledge of the history of the Collier Draw Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a

continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Collier Draw Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7428. Public motor vehicle use of the Collier Draw Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7429. The Collier Draw Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7430. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Collier Draw Road.

7431. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Collier Draw Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Dave Murray Road, 0401

7432. The Dave Murray Road is designated as county road number 0401 and SGID road identification number RD244672 and is more or less 1.5 miles long.

7433. Exhibit 4-73 (attached hereto and incorporated herein) contains certain information pertaining to the Dave Murray Road including: a map depicting the road; township,

range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7434. In this action, the State and County seek to quiet title to the public highway right-of-way for the Dave Murray Road solely as it crosses United States public land as included and specifically described in Exhibit 4-73. The Dave Murray Road includes the segment of road specifically set forth in Exhibit 4-73 and as exists on the ground.

Acceptance of the Dave Murray Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7435. The Dave Murray Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7436. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Dave Murray Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7437. The Dave Murray Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Dave Murray Road pursuant to the County's governmental right and authority.

7438. Witnesses with personal knowledge of the history of the Dave Murray Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Dave Murray Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7439. Public motor vehicle use of the Dave Murray Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7440. The Dave Murray Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7441. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Dave Murray Road.

7442. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Dave Murray Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004064A Road

7443. The 004064A Road is designated as county road number 004064A and SGID road identification number RD243855 and is more or less 1.5 miles long.

7444. Exhibit 4-74 (attached hereto and incorporated herein) contains certain information pertaining to the 004064A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7445. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004064A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-74. The 004064A Road includes the segment of road specifically set forth in Exhibit 4-74 and as exists on the ground.

Acceptance of the 004064A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7446. The 004064A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7447. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004064A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7448. The 004064A Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7449. The 004064A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004064A Road pursuant to the County's governmental right and authority.

7450. Witnesses with personal knowledge of the history of the 004064A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004064A Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7451. Public motor vehicle use of the 004064A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7452. The 004064A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7453. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004064A Road.

7454. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004064A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004064B Road

7455. The 004064B Road is designated as county road number 004064B and SGID road identification number RD243856 and is more or less 0.2 miles long.

7456. Exhibit 4-75 (attached hereto and incorporated herein) contains certain information pertaining to the 004064B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7457. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004064B Road solely as it crosses United States public land as included and specifically described in Exhibit 4-75. The 004064B Road includes the segment of road specifically set forth in Exhibit 4-75 and as exists on the ground.

Acceptance of the 004064B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7458. The 004064B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7459. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004064B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7460. The 004064B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004064B Road pursuant to the County's governmental right and authority.

7461. Witnesses with personal knowledge of the history of the 004064B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004064B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7462. Public motor vehicle use of the 004064B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7463. The 004064B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7464. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004064B Road.

7465. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004064B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004064C Road

7466. The 004064C Road is designated as county road number 004064C and SGID road identification number RD243857 and is more or less 0.4 miles long.

7467. Exhibit 4-76 (attached hereto and incorporated herein) contains certain information pertaining to the 004064C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7468. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004064C Road solely as it crosses United States public land as included and

specifically described in Exhibit 4-76. The 004064C Road includes the segment of road specifically set forth in Exhibit 4-76 and as exists on the ground.

Acceptance of the 004064C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7469. The 004064C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7470. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004064C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7471. The 004064C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004064C Road pursuant to the County's governmental right and authority.

7472. Witnesses with personal knowledge of the history of the 004064C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004064C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7473. Public motor vehicle use of the 004064C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7474. The 004064C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7475. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004064C Road.

7476. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004064C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004065A Road

7477. The 004065A Road is designated as county road number 004065A and SGID road identification number RD243858 and is more or less 2.7 miles long.

7478. Exhibit 4-77 (attached hereto and incorporated herein) contains certain information pertaining to the 004065A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7479. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004065A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-77. The 004065A Road includes the segment of road specifically set forth in Exhibit 4-77 and as exists on the ground.

Acceptance of the 004065A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7480. The 004065A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7481. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004065A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7482. The 004065A Road appears on the Fort Duchesne (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7483. The 004065A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004065A Road pursuant to the County's governmental right and authority.

7484. Witnesses with personal knowledge of the history of the 004065A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004065A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7485. Public motor vehicle use of the 004065A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7486. The 004065A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7487. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004065A Road.

7488. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004065A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004065B Road

7489. The 004065B Road is designated as county road number 004065B and SGID road identification number RD243859 and is more or less 0.6 miles long.

7490. Exhibit 4-78 (attached hereto and incorporated herein) contains certain information pertaining to the 004065B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7491. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004065B Road solely as it crosses United States public land as included and specifically described in Exhibit 4-78. The 004065B Road includes the segment of road specifically set forth in Exhibit 4-78 and as exists on the ground.

Acceptance of the 004065B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7492. The 004065B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7493. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004065B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7494. The 004065B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004065B Road pursuant to the County's governmental right and authority.

7495. Witnesses with personal knowledge of the history of the 004065B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004065B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7496. Public motor vehicle use of the 004065B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7497. The 004065B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7498. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004065B Road.

7499. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004065B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

151201 Road

7500. The 151201 Road is designated as county road number 151201 and SGID road identification number RD245609 and is more or less 1.5 miles long.

7501. Exhibit 4-79 (attached hereto and incorporated herein) contains certain information pertaining to the 151201 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7502. In this action, the State and County seek to quiet title to the public highway right-of-way for the 151201 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-79. The 151201 Road includes the segment of road specifically set forth in Exhibit 4-79 and as exists on the ground.

Acceptance of the 151201 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7503. The 151201 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7504. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 151201 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7505. The 151201 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 151201 Road pursuant to the County's governmental right and authority.

7506. Witnesses with personal knowledge of the history of the 151201 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 151201 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7507. Public motor vehicle use of the 151201 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7508. The 151201 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7509. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 151201 Road.

7510. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 151201 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

151202 Road

7511. The 151202 Road is designated as county road number 151202 and SGID road identification number RD245610 and is more or less 1.6 miles long.

7512. Exhibit 4-80 (attached hereto and incorporated herein) contains certain information pertaining to the 151202 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7513. In this action, the State and County seek to quiet title to the public highway right-of-way for the 151202 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-80. The 151202 Road includes the segment of road specifically set forth in Exhibit 4-80 and as exists on the ground.

Acceptance of the 151202 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7514. The 151202 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7515. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 151202 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7516. The 151202 Road appears on the Fort Duchesne (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7517. The 151202 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 151202 Road pursuant to the County's governmental right and authority.

7518. Witnesses with personal knowledge of the history of the 151202 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 151202 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7519. Public motor vehicle use of the 151202 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7520. The 151202 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7521. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 151202 Road.

7522. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 151202 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

151202A Road

7523. The 151202A Road is designated as county road number 151202A and SGID road identification number RD245611 and is more or less 0.4 miles long.

7524. Exhibit 4-81 (attached hereto and incorporated herein) contains certain information pertaining to the 151202A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7525. In this action, the State and County seek to quiet title to the public highway right-of-way for the 151202A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-81. The 151202A Road includes the segment of road specifically set forth in Exhibit 4-81 and as exists on the ground.

Acceptance of the 151202A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7526. The 151202A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7527. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 151202A Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7528. The 151202A Road appears on the Fort Duchesne (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7529. The 151202A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 151202A Road pursuant to the County's governmental right and authority.

7530. Witnesses with personal knowledge of the history of the 151202A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 151202A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7531. Public motor vehicle use of the 151202A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7532. The 151202A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7533. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 151202A Road.

7534. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 151202A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

151202B Road

7535. The 151202B Road is designated as county road number 151202B and SGID road identification number RD245612 and is more or less 1.8 miles long.

7536. Exhibit 4-82 (attached hereto and incorporated herein) contains certain information pertaining to the 151202B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7537. In this action, the State and County seek to quiet title to the public highway right-of-way for the 151202B Road solely as it crosses United States public land as included and specifically described in Exhibit 4-82. The 151202B Road includes the segment of road specifically set forth in Exhibit 4-82 and as exists on the ground.

Acceptance of the 151202B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7538. The 151202B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7539. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 151202B Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7540. The 151202B Road appears on the Fort Duchesne (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7541. The 151202B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 151202B Road pursuant to the County's governmental right and authority.

7542. Witnesses with personal knowledge of the history of the 151202B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 151202B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7543. Public motor vehicle use of the 151202B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7544. The 151202B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7545. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 151202B Road.

7546. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 151202B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Meagher Ranch Road, 130715

7547. The Meagher Ranch Road is designated as county road number 130715 and SGID road identification number RD245403 and is more or less 4.1 miles long.

7548. Exhibit 4-83 (attached hereto and incorporated herein) contains certain information pertaining to the Meagher Ranch Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7549. In this action, the State and County seek to quiet title to the public highway right-of-way for the Meagher Ranch Road solely as it crosses United States public land as included and specifically described in Exhibit 4-83. The Meagher Ranch Road includes the segment of road specifically set forth in Exhibit 4-83 and as exists on the ground.

Acceptance of the Meagher Ranch Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7550. The Meagher Ranch Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7551. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Meagher Ranch Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7552. The Meagher Ranch Road appears on the Vernal SW (1964) and Fort Duchesne (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7553. The Meagher Ranch Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Meagher Ranch Road pursuant to the County's governmental right and authority.

7554. Witnesses with personal knowledge of the history of the Meagher Ranch Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Meagher Ranch Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7555. Public motor vehicle use of the Meagher Ranch Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7556. The Meagher Ranch Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7557. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Meagher Ranch Road.

7558. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Meagher Ranch Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Ouray Park Canal Road, 1511

7559. The Ouray Park Canal Road is designated as county road number 1511 and SGID road identification number RD245607 and is more or less 2 miles long.

7560. Exhibit 4-84 (attached hereto and incorporated herein) contains certain information pertaining to the Ouray Park Canal Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7561. In this action, the State and County seek to quiet title to the public highway right-of-way for the Ouray Park Canal Road solely as it crosses United States public land as included and specifically described in Exhibit 4-84. The Ouray Park Canal Road includes the segment of road specifically set forth in Exhibit 4-84 and as exists on the ground.

Acceptance of the Ouray Park Canal Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7562. The Ouray Park Canal Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7563. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Ouray Park Canal Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7564. The Ouray Park Canal Road appears on the Fort Duchesne (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7565. The Ouray Park Canal Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Ouray Park Canal Road pursuant to the County's governmental right and authority.

7566. Witnesses with personal knowledge of the history of the Ouray Park Canal Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Ouray Park Canal Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7567. Public motor vehicle use of the Ouray Park Canal Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7568. The Ouray Park Canal Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7569. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Ouray Park Canal Road.

7570. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Ouray Park Canal Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Parrish Ranch Road, 1605

7571. The Parrish Ranch Road is designated as county road number 1605 and SGID road identification number RD245683 and is more or less 4.4 miles long.

7572. Exhibit 4-85 (attached hereto and incorporated herein) contains certain information pertaining to the Parrish Ranch Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7573. In this action, the State and County seek to quiet title to the public highway right-of-way for the Parrish Ranch Road solely as it crosses United States public land as included and specifically described in Exhibit 4-85. The Parrish Ranch Road includes the segment of road specifically set forth in Exhibit 4-85 and as exists on the ground.

Acceptance of the Parrish Ranch Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7574. The Parrish Ranch Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7575. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before April 2, 1975.

7576. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Parrish Ranch Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7577. The Parrish Ranch Road appears on the Pelican Lake (1964), Vernal SW (1964) and Fort Duchesne (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7578. The Parrish Ranch Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Parrish Ranch Road pursuant to the County's governmental right and authority.

7579. Witnesses with personal knowledge of the history of the Parrish Ranch Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Parrish Ranch Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7580. Public motor vehicle use of the Parrish Ranch Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7581. The Parrish Ranch Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7582. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Parrish Ranch Road.

7583. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Parrish Ranch Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004052 Road

7584. The 004052 Road is designated as county road number 004052 and SGID road identification number RD243830 and is more or less 1 mile long.

7585. Exhibit 4-86 (attached hereto and incorporated herein) contains certain information pertaining to the 004052 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7586. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004052 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-86. The 004052 Road includes the segment of road specifically set forth in Exhibit 4-86 and as exists on the ground.

Acceptance of the 004052 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7587. The 004052 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7588. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004052 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7589. The 004052 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 004052 Road pursuant to the County's governmental right and authority.

7590. Public motor vehicle use of the 004052 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7591. The 004052 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7592. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004052 Road.

7593. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004052 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004052A Road

7594. The 004052A Road is designated as county road number 004052A and SGID road identification number RD243831 and is more or less 1.4 miles long.

7595. Exhibit 4-87 (attached hereto and incorporated herein) contains certain information pertaining to the 004052A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7596. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004052A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-87. The 004052A Road includes the segment of road specifically set forth in Exhibit 4-87 and as exists on the ground.

Acceptance of the 004052A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7597. The 004052A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7598. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004052A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7599. The 004052A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004052A Road pursuant to the County's governmental right and authority.

7600. Public motor vehicle use of the 004052A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7601. The 004052A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7602. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004052A Road.

7603. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004052A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004054 Road

7604. The 004054 Road is designated as county road number 004054 and SGID road identification number RD243837 and is more or less 0.8 miles long.

7605. Exhibit 4-88 (attached hereto and incorporated herein) contains certain information pertaining to the 004054 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7606. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004054 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-88. The 004054 Road includes the segment of road specifically set forth in Exhibit 4-88 and as exists on the ground.

Acceptance of the 004054 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7607. The 004054 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7608. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004054 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7609. The 004054 Road appears on the Vernal NE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7610. The 004054 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004054 Road pursuant to the County's governmental right and authority.

7611. Public motor vehicle use of the 004054 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7612. The 004054 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7613. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004054 Road.

7614. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004054 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004061B Road

7615. The 004061B Road is designated as county road number 004061B and SGID road identification number RD243852 and is more or less 0.4 miles long.

7616. Exhibit 4-89 (attached hereto and incorporated herein) contains certain information pertaining to the 004061B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7617. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004061B Road solely as it crosses United States public land as included and specifically described in Exhibit 4-89. The 004061B Road includes the segment of road specifically set forth in Exhibit 4-89 and as exists on the ground.

Acceptance of the 004061B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7618. The 004061B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7619. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004061B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7620. The 004061B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004061B Road pursuant to the County's governmental right and authority.

7621. Public motor vehicle use of the 004061B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7622. The 004061B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7623. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004061B Road.

7624. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004061B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

008802 Road

7625. The 008802 Road is designated as county road number 008802 and SGID road identification number RD243978 and is more or less 6.6 miles long.

7626. Exhibit 4-90 (attached hereto and incorporated herein) contains certain information pertaining to the 008802 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7627. In this action, the State and County seek to quiet title to the public highway right-of-way for the 008802 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-90. The 008802 Road includes the segment of road specifically set forth in Exhibit 4-90 and as exists on the ground.

Acceptance of the 008802 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7628. The 008802 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7629. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 008802 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7630. The 008802 Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7631. The 008802 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 008802 Road pursuant to the County's governmental right and authority.

7632. Public motor vehicle use of the 008802 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7633. The 008802 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7634. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 008802 Road.

7635. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 008802 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

008802A Road

7636. The 008802A Road is designated as county road number 008802A and SGID road identification number RD243979 and is more or less 0.4 miles long.

7637. Exhibit 4-91 (attached hereto and incorporated herein) contains certain information pertaining to the 008802A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7638. In this action, the State and County seek to quiet title to the public highway right-of-way for the 008802A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-91. The 008802A Road includes the segment of road specifically set forth in Exhibit 4-91 and as exists on the ground.

Acceptance of the 008802A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7639. The 008802A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7640. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 008802A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7641. The 008802A Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7642. The 008802A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 008802A Road pursuant to the County's governmental right and authority.

7643. Public motor vehicle use of the 008802A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7644. The 008802A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7645. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 008802A Road.

7646. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 008802A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

008806F Road

7647. The 008806F Road is designated as county road number 008806F and SGID road identification number RD243998 and is more or less 1.7 miles long.

7648. Exhibit 4-92 (attached hereto and incorporated herein) contains certain information pertaining to the 008806F Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7649. In this action, the State and County seek to quiet title to the public highway right-of-way for the 008806F Road solely as it crosses United States public land as included and specifically described in Exhibit 4-92. The 008806F Road includes the segment of road specifically set forth in Exhibit 4-92 and as exists on the ground.

Acceptance of the 008806F Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7650. The 008806F Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7651. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 008806F Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7652. The 008806F Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7653. The 008806F Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 008806F Road pursuant to the County's governmental right and authority.

7654. Public motor vehicle use of the 008806F Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7655. The 008806F Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7656. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 008806F Road.

7657. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 008806F Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

012111 Road

7658. The 012111 Road is designated as county road number 012111 and SGID road identification number RD244108 and is more or less 3 miles long.

7659. Exhibit 4-93 (attached hereto and incorporated herein) contains certain information pertaining to the 012111 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7660. In this action, the State and County seek to quiet title to the public highway right-of-way for the 012111 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-93. The 012111 Road includes the segment of road specifically set forth in Exhibit 4-93 and as exists on the ground.

Acceptance of the 012111 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7661. The 012111 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7662. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 012111 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7663. The 012111 Road appears on the Vernal NW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7664. The 012111 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 012111 Road pursuant to the County's governmental right and authority.

7665. Public motor vehicle use of the 012111 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7666. The 012111 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7667. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 012111 Road.

7668. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 012111 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

022202 Road

7669. The 022202 Road is designated as county road number 022202 and SGID road identification number RD244296 and is more or less 0.3 miles long.

7670. Exhibit 4-94 (attached hereto and incorporated herein) contains certain information pertaining to the 022202 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7671. In this action, the State and County seek to quiet title to the public highway right-of-way for the 022202 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-94. The 022202 Road includes the segment of road specifically set forth in Exhibit 4-94 and as exists on the ground.

Acceptance of the 022202 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7672. The 022202 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7673. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 022202 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7674. The 022202 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 022202 Road pursuant to the County's governmental right and authority.

7675. Public motor vehicle use of the 022202 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7676. The 022202 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7677. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 022202 Road.

7678. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 022202 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

052131N Road

7679. The 052131N Road is designated as county road number 052131N and SGID road identification number RD244885 and is more or less 0.8 miles long.

7680. Exhibit 4-95 (attached hereto and incorporated herein) contains certain information pertaining to the 052131N Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7681. In this action, the State and County seek to quiet title to the public highway right-of-way for the 052131N Road solely as it crosses United States public land as included and specifically described in Exhibit 4-95. The 052131N Road includes the segment of road specifically set forth in Exhibit 4-95 and as exists on the ground.

Acceptance of the 052131N Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7682. The 052131N Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7683. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 052131N Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7684. The 052131N Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 052131N Road pursuant to the County's governmental right and authority.

7685. Public motor vehicle use of the 052131N Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7686. The 052131N Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7687. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 052131N Road.

7688. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 052131N Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

052133E Road

7689. The 052133E Road is designated as county road number 052133E and SGID road identification number RD244887 and is more or less 2.5 miles long.

7690. Exhibit 4-96 (attached hereto and incorporated herein) contains certain information pertaining to the 052133E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7691. In this action, the State and County seek to quiet title to the public highway right-of-way for the 052133E Road solely as it crosses United States public land as included and specifically described in Exhibit 4-96. The 052133E Road includes the segment of road specifically set forth in Exhibit 4-96 and as exists on the ground.

Acceptance of the 052133E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7692. The 052133E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7693. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 052133E Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7694. The 052133E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 052133E Road pursuant to the County's governmental right and authority.

7695. Witnesses with personal knowledge of the history of the 052133E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 052133E Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7696. Public motor vehicle use of the 052133E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7697. The 052133E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7698. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 052133E Road.

7699. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 052133E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

052133L Road

7700. The 052133L Road is designated as county road number 052133L and SGID road identification number RD244888 and is more or less 1.2 miles long.

7701. Exhibit 4-97 (attached hereto and incorporated herein) contains certain information pertaining to the 052133L Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7702. In this action, the State and County seek to quiet title to the public highway right-of-way for the 052133L Road solely as it crosses United States public land as included and specifically described in Exhibit 4-97. The 052133L Road includes the segment of road specifically set forth in Exhibit 4-97 and as exists on the ground.

Acceptance of the 052133L Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7703. The 052133L Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7704. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 052133L Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7705. The 052133L Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7706. The 052133L Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 052133L Road pursuant to the County's governmental right and authority.

7707. Public motor vehicle use of the 052133L Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7708. The 052133L Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7709. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 052133L Road.

7710. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 052133L Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

052136N Road

7711. The 052136N Road is designated as county road number 052136N and SGID road identification number RD244889 and is more or less 0.3 miles long.

7712. Exhibit 4-98 (attached hereto and incorporated herein) contains certain information pertaining to the 052136N Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7713. In this action, the State and County seek to quiet title to the public highway right-of-way for the 052136N Road solely as it crosses United States public land as included and specifically described in Exhibit 4-98. The 052136N Road includes the segment of road specifically set forth in Exhibit 4-98 and as exists on the ground.

Acceptance of the 052136N Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7714. The 052136N Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7715. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 052136N Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7716. The 052136N Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 052136N Road pursuant to the County's governmental right and authority.

7717. Public motor vehicle use of the 052136N Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7718. The 052136N Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7719. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 052136N Road.

7720. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 052136N Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

052531B Road

7721. The 052531B Road is designated as county road number 052531B and SGID road identification number RD244890 and is more or less 2.1 miles long.

7722. Exhibit 4-99 (attached hereto and incorporated herein) contains certain information pertaining to the 052531B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7723. In this action, the State and County seek to quiet title to the public highway right-of-way for the 052531B Road solely as it crosses United States public land as included and specifically described in Exhibit 4-99. The 052531B Road includes the segment of road specifically set forth in Exhibit 4-99 and as exists on the ground.

Acceptance of the 052531B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7724. The 052531B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7725. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 052531B Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7726. The 052531B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 052531B Road pursuant to the County's governmental right and authority.

7727. Public motor vehicle use of the 052531B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7728. The 052531B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7729. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 052531B Road.

7730. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 052531B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

130503 Road

7731. The 130503 Road is designated as county road number 130503 and SGID road identification number RD245361 and is more or less 1.8 miles long.

7732. Exhibit 4-100 (attached hereto and incorporated herein) contains certain information pertaining to the 130503 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7733. In this action, the State and County seek to quiet title to the public highway right-of-way for the 130503 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-100. The 130503 Road includes the segment of road specifically set forth in Exhibit 4-100 and as exists on the ground.

Acceptance of the 130503 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7734. The 130503 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7735. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 130503 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7736. The 130503 Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7737. The 130503 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 130503 Road pursuant to the County's governmental right and authority.

7738. Witnesses with personal knowledge of the history of the 130503 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 130503 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7739. Public motor vehicle use of the 130503 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7740. The 130503 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7741. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 130503 Road.

7742. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 130503 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Highline Canal A Road, 004050A

7743. The Highline Canal A Road is designated as county road number 004050A and SGID road identification number RD246663 and is more or less 0.3 miles long.

7744. Exhibit 4-101 (attached hereto and incorporated herein) contains certain information pertaining to the Highline Canal A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7745. In this action, the State and County seek to quiet title to the public highway right-of-way for the Highline Canal A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-101. The Highline Canal A Road includes the segment of road specifically set forth in Exhibit 4-101 and as exists on the ground.

Acceptance of the Highline Canal A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7746. The Highline Canal A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7747. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Highline Canal A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7748. The Highline Canal A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Highline Canal A Road pursuant to the County's governmental right and authority.

7749. Public motor vehicle use of the Highline Canal A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7750. The Highline Canal A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7751. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Highline Canal A Road.

7752. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Highline Canal A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Highline Canal C Road, 004050C

7753. The Highline Canal C Road is designated as county road number 004050C and SGID road identification number RD246666 and is more or less 0.5 miles long.

7754. Exhibit 4-102 (attached hereto and incorporated herein) contains certain information pertaining to the Highline Canal C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7755. In this action, the State and County seek to quiet title to the public highway right-of-way for the Highline Canal C Road solely as it crosses United States public land as included and specifically described in Exhibit 4-102. The Highline Canal C Road includes the segment of road specifically set forth in Exhibit 4-102 and as exists on the ground.

Acceptance of the Highline Canal C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7756. The Highline Canal C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7757. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Highline Canal C Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7758. The Highline Canal C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Highline Canal C Road pursuant to the County's governmental right and authority.

7759. Public motor vehicle use of the Highline Canal C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7760. The Highline Canal C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7761. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Highline Canal C Road.

7762. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Highline Canal C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

052024P Road

7763. The 052024P Road is designated as county road number 052024P and SGID road identification number RD244877 and is more or less 1.8 miles long.

7764. Exhibit 4-103 (attached hereto and incorporated herein) contains certain information pertaining to the 052024P Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7765. In this action, the State and County seek to quiet title to the public highway right-of-way for the 052024P Road solely as it crosses United States public land as included and specifically described in Exhibit 4-103. The 052024P Road includes the segment of road specifically set forth in Exhibit 4-103 and as exists on the ground.

Acceptance of the 052024P Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7766. The 052024P Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7767. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 052024P Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7768. The 052024P Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 052024P Road pursuant to the County's governmental right and authority.

7769. Witnesses with personal knowledge of the history of the 052024P Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 052024P Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7770. Public motor vehicle use of the 052024P Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7771. The 052024P Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7772. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 052024P Road.

7773. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 052024P Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

130507 Road

7774. The 130507 Road is designated as county road number 130507 and SGID road identification number RD245368 and is more or less 1.7 miles long.

7775. Exhibit 4-104 (attached hereto and incorporated herein) contains certain information pertaining to the 130507 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7776. In this action, the State and County seek to quiet title to the public highway right-of-way for the 130507 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-104. The 130507 Road includes the segment of road specifically set forth in Exhibit 4-104 and as exists on the ground.

Acceptance of the 130507 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7777. The 130507 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7778. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 130507 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7779. The 130507 Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7780. The 130507 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 130507 Road pursuant to the County's governmental right and authority.

7781. Witnesses with personal knowledge of the history of the 130507 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 130507 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7782. Public motor vehicle use of the 130507 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7783. The 130507 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7784. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 130507 Road.

7785. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 130507 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

131502A Road

7786. The 131502A Road is designated as county road number 131502A and SGID road identification number RD245439 and is more or less 0.1 miles long.

7787. Exhibit 4-105 (attached hereto and incorporated herein) contains certain information pertaining to the 131502A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7788. In this action, the State and County seek to quiet title to the public highway right-of-way for the 131502A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-105. The 131502A Road includes the segment of road specifically set forth in Exhibit 4-105 and as exists on the ground.

Acceptance of the 131502A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7789. The 131502A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7790. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 131502A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7791. The 131502A Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7792. The 131502A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 131502A Road pursuant to the County's governmental right and authority.

7793. Witnesses with personal knowledge of the history of the 131502A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 131502A Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7794. Public motor vehicle use of the 131502A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7795. The 131502A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7796. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 131502A Road.

7797. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 131502A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004061 Road

7798. The 004061 Road is designated as county road number 004061 and SGID road identification number RD243850 and is more or less 4.2 miles long.

7799. Exhibit 4-106 (attached hereto and incorporated herein) contains certain information pertaining to the 004061 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7800. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004061 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-106. The 004061 Road includes the segment of road specifically set forth in Exhibit 4-106 and as exists on the ground.

Acceptance of the 004061 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7801. The 004061 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7802. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004061 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7803. The 004061 Road appears on the Vernal SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7804. The 004061 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 004061 Road pursuant to the County's governmental right and authority.

7805. Witnesses with personal knowledge of the history of the 004061 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004061 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7806. Public motor vehicle use of the 004061 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7807. The 004061 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7808. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004061 Road.

7809. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004061 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004061A Road

7810. The 004061A Road is designated as county road number 004061A and SGID road identification number RD243851 and is more or less 0.3 miles long.

7811. Exhibit 4-107 (attached hereto and incorporated herein) contains certain information pertaining to the 004061A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7812. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004061A Road solely as it crosses United States public land as included and specifically described in Exhibit 4-107. The 004061A Road includes the segment of road specifically set forth in Exhibit 4-107 and as exists on the ground.

Acceptance of the 004061A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7813. The 004061A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7814. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 004061A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7815. The 004061A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004061A Road pursuant to the County's governmental right and authority.

7816. Witnesses with personal knowledge of the history of the 004061A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004061A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7817. Public motor vehicle use of the 004061A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7818. The 004061A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7819. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004061A Road.

7820. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004061A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

031602 Road

7821. The 031602 Road is designated as county road number 031602 and SGID road identification number RD244538 and is more or less 0.3 miles long.

7822. Exhibit 4-108 (attached hereto and incorporated herein) contains certain information pertaining to the 031602 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7823. In this action, the State and County seek to quiet title to the public highway right-of-way for the 031602 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-108. The 031602 Road includes the segment of road specifically set forth in Exhibit 4-108 and as exists on the ground.

Acceptance of the 031602 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7824. The 031602 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7825. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 031602 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7826. The 031602 Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7827. The 031602 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 031602 Road pursuant to the County's governmental right and authority.

7828. Witnesses with personal knowledge of the history of the 031602 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 031602 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7829. Public motor vehicle use of the 031602 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7830. The 031602 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7831. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 031602 Road.

7832. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 031602 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

130501 Road

7833. The 130501 Road is designated as county road number 130501 and SGID road identification number RD245359 and is more or less 3.1 miles long.

7834. Exhibit 4-109 (attached hereto and incorporated herein) contains certain information pertaining to the 130501 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7835. In this action, the State and County seek to quiet title to the public highway right-of-way for the 130501 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-109. The 130501 Road includes the segment of road specifically set forth in Exhibit 4-109 and as exists on the ground.

Acceptance of the 130501 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7836. The 130501 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7837. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 130501 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7838. The 130501 Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7839. The 130501 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 130501 Road pursuant to the County's governmental right and authority.

7840. Witnesses with personal knowledge of the history of the 130501 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 130501 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7841. Public motor vehicle use of the 130501 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7842. The 130501 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7843. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 130501 Road.

7844. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 130501 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

130506 Road

7845. The 130506 Road is designated as county road number 130506 and SGID road identification number RD245365 and is more or less 0.9 miles long.

7846. Exhibit 4-110 (attached hereto and incorporated herein) contains certain information pertaining to the 130506 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7847. In this action, the State and County seek to quiet title to the public highway right-of-way for the 130506 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-110. The 130506 Road includes the segment of road specifically set forth in Exhibit 4-110 and as exists on the ground.

Acceptance of the 130506 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7848. The 130506 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7849. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 130506 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7850. The 130506 Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7851. The 130506 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 130506 Road pursuant to the County's governmental right and authority.

7852. Witnesses with personal knowledge of the history of the 130506 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 130506 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7853. Public motor vehicle use of the 130506 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7854. The 130506 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7855. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 130506 Road.

7856. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 130506 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

130506B Road

7857. The 130506B Road is designated as county road number 130506B and SGID road identification number RD245367 and is more or less 0.5 miles long.

7858. Exhibit 4-111 (attached hereto and incorporated herein) contains certain information pertaining to the 130506B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7859. In this action, the State and County seek to quiet title to the public highway right-of-way for the 130506B Road solely as it crosses United States public land as included and specifically described in Exhibit 4-111. The 130506B Road includes the segment of road specifically set forth in Exhibit 4-111 and as exists on the ground.

Acceptance of the 130506B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7860. The 130506B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7861. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 130506B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7862. The 130506B Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7863. The 130506B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 130506B Road pursuant to the County's governmental right and authority.

7864. Witnesses with personal knowledge of the history of the 130506B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 130506B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7865. Public motor vehicle use of the 130506B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7866. The 130506B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7867. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 130506B Road.

7868. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 130506B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

130507C Road

7869. The 130507C Road is designated as county road number 130507C and SGID road identification number RD245371 and is more or less 1.3 miles long.

7870. Exhibit 4-112 (attached hereto and incorporated herein) contains certain information pertaining to the 130507C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7871. In this action, the State and County seek to quiet title to the public highway right-of-way for the 130507C Road solely as it crosses United States public land as included and specifically described in Exhibit 4-112. The 130507C Road includes the segment of road specifically set forth in Exhibit 4-112 and as exists on the ground.

Acceptance of the 130507C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7872. The 130507C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7873. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 130507C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7874. The 130507C Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7875. The 130507C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 130507C Road pursuant to the County's governmental right and authority.

7876. Witnesses with personal knowledge of the history of the 130507C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 130507C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7877. Public motor vehicle use of the 130507C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7878. The 130507C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7879. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 130507C Road.

7880. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 130507C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

131501 Road

7881. The 131501 Road is designated as county road number 131501 and SGID road identification number RD245437 and is more or less 0.3 miles long.

7882. Exhibit 4-113 (attached hereto and incorporated herein) contains certain information pertaining to the 131501 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7883. In this action, the State and County seek to quiet title to the public highway right-of-way for the 131501 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-113. The 131501 Road includes the segment of road specifically set forth in Exhibit 4-113 and as exists on the ground.

Acceptance of the 131501 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7884. The 131501 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7885. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 131501 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7886. The 131501 Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7887. The 131501 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 131501 Road pursuant to the County's governmental right and authority.

7888. Witnesses with personal knowledge of the history of the 131501 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 131501 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7889. Public motor vehicle use of the 131501 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7890. The 131501 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7891. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 131501 Road.

7892. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 131501 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

131502 Road

7893. The 131502 Road is designated as county road number 131502 and SGID road identification number RD245438 and is more or less 1.9 miles long.

7894. Exhibit 4-114 (attached hereto and incorporated herein) contains certain information pertaining to the 131502 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7895. In this action, the State and County seek to quiet title to the public highway right-of-way for the 131502 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-114. The 131502 Road includes the segment of road specifically set forth in Exhibit 4-114 and as exists on the ground.

Acceptance of the 131502 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7896. The 131502 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7897. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 131502 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7898. The 131502 Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7899. The 131502 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 131502 Road pursuant to the County's governmental right and authority.

7900. Witnesses with personal knowledge of the history of the 131502 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 131502 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7901. Public motor vehicle use of the 131502 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7902. The 131502 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7903. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 131502 Road.

7904. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 131502 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

131503 Road

7905. The 131503 Road is designated as county road number 131503 and SGID road identification number RD245440 and is more or less 5.4 miles long.

7906. Exhibit 4-115 (attached hereto and incorporated herein) contains certain information pertaining to the 131503 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7907. In this action, the State and County seek to quiet title to the public highway right-of-way for the 131503 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-115. The 131503 Road includes the segment of road specifically set forth in Exhibit 4-115 and as exists on the ground.

Acceptance of the 131503 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7908. The 131503 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7909. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the 131503 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7910. The 131503 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 131503 Road pursuant to the County's governmental right and authority.

7911. Witnesses with personal knowledge of the history of the 131503 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 131503 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7912. Public motor vehicle use of the 131503 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7913. The 131503 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7914. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 131503 Road.

7915. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 131503 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

191401 Road

7916. The 191401 Road is designated as county road number 191401 and SGID road identification number RD246351 and is more or less 2.4 miles long.

7917. Exhibit 4-116 (attached hereto and incorporated herein) contains certain information pertaining to the 191401 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7918. In this action, the State and County seek to quiet title to the public highway right-of-way for the 191401 Road solely as it crosses United States public land as included and specifically described in Exhibit 4-116. The 191401 Road includes the segment of road specifically set forth in Exhibit 4-116 and as exists on the ground.

Acceptance of the 191401 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7919. The 191401 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7920. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 191401 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7921. The 191401 Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7922. The 191401 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 191401 Road pursuant to the County's governmental right and authority.

7923. Witnesses with personal knowledge of the history of the 191401 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 191401 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7924. Public motor vehicle use of the 191401 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7925. The 191401 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7926. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 191401 Road.

7927. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 191401 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Collier Pass Road, 0316

7928. The Collier Pass Road is designated as county road number 0316 and SGID road identification number RD244536 and is more or less 3.4 miles long.

7929. Exhibit 4-117 (attached hereto and incorporated herein) contains certain information pertaining to the Collier Pass Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7930. In this action, the State and County seek to quiet title to the public highway right-of-way for the Collier Pass Road solely as it crosses United States public land as included and specifically described in Exhibit 4-117. The Collier Pass Road includes the segment of road specifically set forth in Exhibit 4-117 and as exists on the ground.

Acceptance of the Collier Pass Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7931. The Collier Pass Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7932. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Collier Pass Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7933. The Collier Pass Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7934. The Collier Pass Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Collier Pass Road pursuant to the County's governmental right and authority.

7935. Witnesses with personal knowledge of the history of the Collier Pass Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21,

1976. Currently known reputation in the community is that the Collier Pass Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7936. Public motor vehicle use of the Collier Pass Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7937. The Collier Pass Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7938. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Collier Pass Road.

7939. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Collier Pass Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Highline Canal N Road, 004050N

7940. The Highline Canal N Road is designated as county road number 004050N and SGID road identification number RD246664 and is more or less 2.5 miles long.

7941. Exhibit 4-118 (attached hereto and incorporated herein) contains certain information pertaining to the Highline Canal N Road including: a map depicting the road;

township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7942. In this action, the State and County seek to quiet title to the public highway right-of-way for the Highline Canal N Road solely as it crosses United States public land as included and specifically described in Exhibit 4-118. The Highline Canal N Road includes the segment of road specifically set forth in Exhibit 4-118 and as exists on the ground.

Acceptance of the Highline Canal N Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7943. The Highline Canal N Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

7944. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Highline Canal N Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7945. The Highline Canal N Road appears on the Vernal NE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7946. The Highline Canal N Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Highline Canal N Road pursuant to the County's governmental right and authority.

7947. Witnesses with personal knowledge of the history of the Highline Canal N Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a

continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Highline Canal N Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7948. Public motor vehicle use of the Highline Canal N Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7949. The Highline Canal N Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7950. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Highline Canal N Road.

7951. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Highline Canal N Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

FIFTH CAUSE OF ACTION – QUIET TITLE
REDWASH AREA

7952. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

7953. The Redwash Area is located in Eastern-Central Uintah County in the Eastern region of Utah.

7954. The Redwash Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Old Bonanza Highway Road, 3150; (2) Redwash Camp Road, 3160; (3) Redwash Highway Road, 3070; (4) Snake John Reef Cutoff Road, 3170; (5) Stanton Road, 3460; (6) Walker Hollow Road, 3110; (7) 004011 Road; (8) 004011A Road; (9) 004012 Road; (10) 004551D Road; (11) 032501 Road; (12) 032505 Road; (13) 150703 Road; (14) 150704A Road; (15) 150714 Road; (16) 150714C Road; (17) 150715 Road; (18) 150723A Road; (19) 150714D Road; (20) 170304 Road; (21) 171302 Road; (22) 171311 Road; (23) 181902 Road; (24) 181904 Road; (25) 181906 Road; (26) 181909A Road; (27) 181909C Road; (28) 181911 Road; (29) 181920 Road; (30) 181921 Road; (31) 181923 Road; (32) 181923C Road; (33) 181923D Road; (34) 181926 Road; (35) 182402 Road; (36) Cow Wash Road, 0323; (37) Coyote Basin Road, 0302; (38) Coyote Hacking Reservoir Road, 004569; (39) Pole Line Wash Road, 1614; (40) Powder Springs Road, 150719; (41) Red Wash Cutoff Road, 1713; (42) 004002 Road; (43) 004005 Road; (44) 032307 Road; (45) 100301 Road; (46) 150723 Road; (47) 181911A Road; (48) 182715F Road; (49) Hacking Reservoir Road, 182715; (50) Kennedy Wash Road, 1103; (51) Left Fork Walker Hollow Road, 1202; (52) Tar Spring Ridge Road, 1824; (53) 004546 Road; (54) 004556G Road; (55) 004548 Road; (56) 004548C Road; (57) 004551E Road; (58) 004552 Road; (59) 004552A Road; (60) 004555 Road; (61) 004556 Road; (62) 004556A Road; (63) 004556B Road; (64) 004556D Road; (65) 004558 Road; (66) 004560 Road; (67) 004562 Road; (68) 032303 Road; (69) 032501B Road; (70) 032501H Road; (71) 032503 Road; (72) 032505B Road; (73) 161818K Road; (74) 100302 Road; (75) 150713 Road; (76) 150719B Road; (77) 150719C Road; (78) 150719D Road; (79) 150719E Road; (80) 150719F Road; (81) 150719G Road; (82) 150719H Road; (83) 150719J Road; (84) 150719R Road; (85) 150719S

Road; (86) 150719T Road; (87) 150720 Road; (88) 150727 Road; (89) 150727B Road; (90) 150729 Road; (91) 150730 Road; (92) 150731A Road; (93) 150731B Road; (94) 150732 Road; (95) 150733 Road; (96) 150734 Road; (97) 150735 Road; (98) 150735A Road; (99) 150739 Road; (100) 150750 Road; (101) 161813 Road; (102) 161817 Road; (103) 161817A Road; (104) 161818 Road; (105) 161818C Road; (106) 161818D Road; (107) 161818G Road; (108) 161818I Road; (109) 161818J Road; (110) 161819 Road; (111) 170301 Road; (112) 171301 Road; (113) 171301A Road; (114) 171301C Road; (115) 171301D Road; (116) 171301F Road; (117) 171301G Road; (118) 171303 Road; (119) 171304 Road; (120) 171305A Road; (121) 171305B Road; (122) 171305C Road; (123) 171305D Road; (124) 171305E Road; (125) 171305G Road; (126) 171306 Road; (127) 171307 Road; (128) 171308 Road; (129) 171309 Road; (130) 171409 Road; (131) 171410 Road; (132) 171413 Road; (133) 171415 Road; (134) 171416 Road; (135) 171416B Road; (136) 171417 Road; (137) 171419 Road; (138) 171420 Road; (139) 171420A Road; (140) 171423 Road; (141) 172001 Road; (142) 182406 Road; (143) 182501 Road; (144) 182502A Road; (145) 182701 Road; (146) 182701A Road; (147) 182701C Road; (148) 182702 Road; (149) 182710 Road; (150) 182711 Road; (151) 182711A Road; (152) 182711B Road; (153) 182712 Road; (154) 182712A Road; (155) 182712B Road; (156) 182713 Road; (157) 182714 Road; (158) 182715A Road; (159) 182715B Road; (160) 182715C Road; (161) 182715E Road; (162) 032505A Road; (163) Dead Man Bench Road, 004551; (164) Dump Road, 0424; (165) Eureka Vein Road, 0509; (166) Jensen Landfill Road, 1003; (167) Spring Hollow Road, 1825; (168) 1650A Road; (169) 004558X Road; (170) 032308 Road; (171) 171403 Road; (172) 171406 Road; (173) 171408 Road; (174) 171408B Road; (175) 171411 Road; (176) 171704 Road; (177) 171913 Road; (178) 171915 Road; (179) 171915A Road; (180) 220202 Road; (181)

220203 Road; (182) 311001 Road; (183) Right Fork Walker Hollow Road, 1719; (184) Rim Rock Road, 1720; (185) 004548A Road; (186) 004551F Road; (187) 004553 Road; (188) 004556E Road; (189) 004557 Road; (190) 004558A Road; (191) 004558T Road; (192) 150719P Road; (193) 161812 Road; (194) 161813A Road; (195) 161813B Road; (196) 161814 Road; (197) 161816 Road; (198) 161817B Road; (199) 161818A Road; (200) 161818F Road; (201) 161818H Road; (202) 171405 Road; (203) 171405A Road; (204) 171412 Road; (205) 171414 Road; (206) 171416A Road; (207) 171416C Road; (208) 171416D Road; (209) 171418 Road; (210) 171419A Road; (211) 171419B Road; (212) 171421 Road; (213) 171422 Road; (214) 171424A Road; (215) 171425 Road; (216) 171431 Road; (217) 171431H Road; (218) 171901 Road; (219) 171901A Road; (220) 004540 Road; (221) 171424 Road; (222) 171424J Road; (223) 004006 Road; (224) 004012C Road; (225) 004528A Road; (226) 004570 Road; (227) 032302A Road; (228) 032305 Road; (229) 032307A Road; (230) 032504 Road; (231) 032504A Road; (232) 032504C Road; (233) 032504E Road; (234) 032507 Road; (235) 050901 Road; (236) 150702B Road; (237) 150716A Road; (238) 150716B Road; (239) 150717 Road; (240) 150718 Road; (241) 161401 Road; (242) 170304A Road; (243) 171437 Road; (244) 181909D Road; (245) 181909E Road; (246) 181922 Road; (247) 181909F Road; (248) 181914 Road; (249) 181914C Road; (250) 181914D Road; (251) 182711C Road; (252) 307001 Road; (253) UC29 Road; (254) 182717 Road; (255) 182718 Road; (256) 004523 Road; (257) 004568B Road; (258) 150702 Road; (259) 181907 Road; (260) 182403 Road.

7955. Each right-of-way claimed in the Redwash Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering,

cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

7956. All rights-of-way claimed in the Redwash Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

7957. All rights-of-way claimed in the Redwash Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

7958. Prior to October 21, 1976, the State of Utah, Uintah County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Old Bonanza Highway Road, 3150

7959. The Old Bonanza Highway Road is designated as county road number 3150 and SGID road identification number RD242109 and is more or less 17.3 miles long.

7960. Exhibit 5-1 (attached hereto and incorporated herein) contains certain information pertaining to the Old Bonanza Highway Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7961. In this action, the State and County seek to quiet title to the public highway right-of-way for the Old Bonanza Highway Road solely as it crosses United States public land as included and specifically described in Exhibit 5-1. The Old Bonanza Highway Road includes the segment of road specifically set forth in Exhibit 5-1 and as exists on the ground.

Acceptance of the Old Bonanza Highway Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7962. The Old Bonanza Highway Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7963. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Old Bonanza Highway Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7964. The Old Bonanza Highway Road appears on the Cliff Ridge (1968), Dinosaur NW (1968), Dinosaur (1968) and Bonanza (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7965. The County confirmed its acceptance of the Old Bonanza Highway Road by 1947, when it designated and accepted the road as a County highway on the County's general

highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Old Bonanza Highway Road using public funds pursuant to the County's governmental right and authority.

7966. Witnesses with personal knowledge of the history of the Old Bonanza Highway Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7967. Currently known reputation in the community is that the Old Bonanza Highway Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7968. Public motor vehicle use of the Old Bonanza Highway Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7969. The Old Bonanza Highway Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7970. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Old Bonanza Highway Road.

7971. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Old Bonanza Highway Road on lands owned by the United States as

described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Redwash Camp Road, 3160

7972. The Redwash Camp Road is designated as county road number 3160 and SGID road identification number RD242480 and is more or less 11.9 miles long.

7973. Exhibit 5-2 (attached hereto and incorporated herein) contains certain information pertaining to the Redwash Camp Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7974. In this action, the State and County seek to quiet title to the public highway right-of-way for the Redwash Camp Road solely as it crosses United States public land as included and specifically described in Exhibit 5-2. The Redwash Camp Road includes the segment of road specifically set forth in Exhibit 5-2 and as exists on the ground.

Acceptance of the Redwash Camp Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7975. The Redwash Camp Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7976. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Redwash Camp Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7977. The Redwash Camp Road appears on the Red Wash (1968), Cliff Ridge (1968) and Dinosaur NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7978. The County confirmed its acceptance of the Redwash Camp Road by 1973, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Redwash Camp Road using public funds pursuant to the County's governmental right and authority.

7979. Witnesses with personal knowledge of the history of the Redwash Camp Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7980. Currently known reputation in the community is that the Redwash Camp Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7981. Public motor vehicle use of the Redwash Camp Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7982. The Redwash Camp Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7983. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Redwash Camp Road.

7984. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Redwash Camp Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Redwash Highway Road, 3070

7985. The Redwash Highway Road is designated as county road number 3070 and SGID road identification number RD242583 and is more or less 12.6 miles long.

7986. Exhibit 5-3 (attached hereto and incorporated herein) contains certain information pertaining to the Redwash Highway Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

7987. In this action, the State and County seek to quiet title to the public highway right-of-way for the Redwash Highway Road solely as it crosses United States public land as included

and specifically described in Exhibit 5-3. The Redwash Highway Road includes the segment of road specifically set forth in Exhibit 5-3 and as exists on the ground.

Acceptance of the Redwash Highway Road R.S. 2477 Right-of-way Prior to October 21, 1976.

7988. The Redwash Highway Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

7989. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Redwash Highway Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

7990. The Redwash Highway Road appears on the Jensen (1965), Rasmussen Hollow (1965) and Red Wash NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

7991. The County confirmed its acceptance of the Redwash Highway Road by 1947, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing,

maintaining, or improving the Redwash Highway Road using public funds pursuant to the County's governmental right and authority.

7992. Witnesses with personal knowledge of the history of the Redwash Highway Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

7993. Currently known reputation in the community is that the Redwash Highway Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

7994. Public motor vehicle use of the Redwash Highway Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

7995. The Redwash Highway Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

7996. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Redwash Highway Road.

7997. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Redwash Highway Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Snake John Reef Cutoff Road, 3170

7998. The Snake John Reef Cutoff Road is designated as county road number 3170 and SGID road identification number RD242812 and is more or less 8.2 miles long.

7999. Exhibit 5-4 (attached hereto and incorporated herein) contains certain information pertaining to the Snake John Reef Cutoff Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8000. In this action, the State and County seek to quiet title to the public highway right-of-way for the Snake John Reef Cutoff Road solely as it crosses United States public land as included and specifically described in Exhibit 5-4. The Snake John Reef Cutoff Road includes the segment of road specifically set forth in Exhibit 5-4 and as exists on the ground.

Acceptance of the Snake John Reef Cutoff Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8001. The Snake John Reef Cutoff Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8002. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Snake John Reef Cutoff Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8003. The Snake John Reef Cutoff Road appears on the Snake John Reef (1968) and Dinosaur (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8004. The County confirmed its acceptance of the Snake John Reef Cutoff Road by 1947, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Snake John Reef Cutoff Road using public funds pursuant to the County's governmental right and authority.

8005. Witnesses with personal knowledge of the history of the Snake John Reef Cutoff Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8006. Currently known reputation in the community is that the Snake John Reef Cutoff Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8007. Public motor vehicle use of the Snake John Reef Cutoff Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8008. The Snake John Reef Cutoff Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8009. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Snake John Reef Cutoff Road.

8010. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Snake John Reef Cutoff Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Stanton Road, 3460

8011. The Stanton Road is designated as county road number 3460 and SGID road identification number RD242916 and is more or less 10.6 miles long.

8012. Exhibit 5-5 (attached hereto and incorporated herein) contains certain information pertaining to the Stanton Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8013. In this action, the State and County seek to quiet title to the public highway right-of-way for the Stanton Road solely as it crosses United States public land as included and specifically described in Exhibit 5-5. The Stanton Road includes the segment of road specifically set forth in Exhibit 5-5 and as exists on the ground.

Acceptance of the Stanton Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8014. The Stanton Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands

including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8015. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Stanton Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8016. The Stanton Road appears on the Walsh Knolls (1968) and Bonanza (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8017. The County confirmed its acceptance of the Stanton Road by 1947, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Stanton Road using public funds pursuant to the County's governmental right and authority.

8018. Witnesses with personal knowledge of the history of the Stanton Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8019. Currently known reputation in the community is that the Stanton Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8020. Public motor vehicle use of the Stanton Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8021. The Stanton Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8022. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Stanton Road.

8023. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Stanton Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Walker Hollow Road, 3110

8024. The Walker Hollow Road is designated as county road number 3110 and SGID road identification number RD243214 and is more or less 5.5 miles long.

8025. Exhibit 5-6 (attached hereto and incorporated herein) contains certain information pertaining to the Walker Hollow Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8026. In this action, the State and County seek to quiet title to the public highway right-of-way for the Walker Hollow Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-6. The Walker Hollow Road includes the segment of road specifically set forth in Exhibit 5-6 and as exists on the ground.

Acceptance of the Walker Hollow Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8027. The Walker Hollow Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8028. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Walker Hollow Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8029. The Walker Hollow Road appears on the Rasmussen Hollow (1965) and Red Wash (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8030. The County confirmed its acceptance of the Walker Hollow Road by 1947, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining,

or improving the Walker Hollow Road using public funds pursuant to the County's governmental right and authority.

8031. Witnesses with personal knowledge of the history of the Walker Hollow Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8032. Currently known reputation in the community is that the Walker Hollow Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8033. Public motor vehicle use of the Walker Hollow Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8034. The Walker Hollow Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8035. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Walker Hollow Road.

8036. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Walker Hollow Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004011 Road

8037. The 004011 Road is designated as county road number 004011 and SGID road identification number RD243817 and is more or less 2.2 miles long.

8038. Exhibit 5-7 (attached hereto and incorporated herein) contains certain information pertaining to the 004011 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8039. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004011 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-7. The 004011 Road includes the segment of road specifically set forth in Exhibit 5-7 and as exists on the ground.

Acceptance of the 004011 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8040. The 004011 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8041. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004011 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8042. The 004011 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004011 Road pursuant to the County's governmental right and authority.

8043. Witnesses with personal knowledge of the history of the 004011 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8044. Currently known reputation in the community is that the 004011 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8045. Public motor vehicle use of the 004011 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8046. The 004011 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8047. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004011 Road.

8048. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004011 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004011A Road

8049. The 004011A Road is designated as county road number 004011A and SGID road identification number RD243818 and is more or less 2.3 miles long.

8050. Exhibit 5-8 (attached hereto and incorporated herein) contains certain information pertaining to the 004011A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8051. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004011A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-8. The 004011A Road includes the segment of road specifically set forth in Exhibit 5-8 and as exists on the ground.

Acceptance of the 004011A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8052. The 004011A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8053. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004011A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8054. The 004011A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004011A Road pursuant to the County's governmental right and authority.

8055. Witnesses with personal knowledge of the history of the 004011A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8056. Currently known reputation in the community is that the 004011A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8057. Public motor vehicle use of the 004011A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8058. The 004011A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8059. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004011A Road.

8060. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004011A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004012 Road

8061. The 004012 Road is designated as county road number 004012 and SGID road identification number RD243819 and is more or less 4 miles long.

8062. Exhibit 5-9 (attached hereto and incorporated herein) contains certain information pertaining to the 004012 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8063. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004012 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-9. The 004012 Road includes the segment of road specifically set forth in Exhibit 5-9 and as exists on the ground.

Acceptance of the 004012 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8064. The 004012 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8065. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004012 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8066. The 004012 Road appears on the Dinosaur (1968) and Snake John Reef (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8067. The 004012 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004012 Road pursuant to the County's governmental right and authority.

8068. Witnesses with personal knowledge of the history of the 004012 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

8069. Currently known reputation in the community is that the 004012 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8070. Public motor vehicle use of the 004012 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8071. The 004012 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8072. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004012 Road.

8073. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004012 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004551D Road

8074. The 004551D Road is designated as county road number 004551D and SGID road identification number RD243944 and is more or less 0.5 miles long.

8075. Exhibit 5-10 (attached hereto and incorporated herein) contains certain information pertaining to the 004551D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8076. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004551D Road solely as it crosses United States public land as included and specifically described in Exhibit 5-10. The 004551D Road includes the segment of road specifically set forth in Exhibit 5-10 and as exists on the ground.

Acceptance of the 004551D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8077. The 004551D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8078. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004551D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8079. The 004551D Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8080. The 004551D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004551D Road pursuant to the County's governmental right and authority.

8081. Witnesses with personal knowledge of the history of the 004551D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004551D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8082. Public motor vehicle use of the 004551D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8083. The 004551D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8084. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004551D Road.

8085. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004551D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032501 Road

8086. The 032501 Road is designated as county road number 032501 and SGID road identification number RD244609 and is more or less 3.7 miles long.

8087. Exhibit 5-11 (attached hereto and incorporated herein) contains certain information pertaining to the 032501 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8088. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032501 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-11. The 032501 Road includes the segment of road specifically set forth in Exhibit 5-11 and as exists on the ground.

Acceptance of the 032501 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8089. The 032501 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8090. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032501 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8091. The 032501 Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8092. The 032501 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032501 Road pursuant to the County's governmental right and authority.

8093. Witnesses with personal knowledge of the history of the 032501 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032501 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8094. Public motor vehicle use of the 032501 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8095. The 032501 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8096. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032501 Road.

8097. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032501 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032505 Road

8098. The 032505 Road is designated as county road number 032505 and SGID road identification number RD244628 and is more or less 1.7 miles long.

8099. Exhibit 5-12 (attached hereto and incorporated herein) contains certain information pertaining to the 032505 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8100. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032505 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-12. The 032505 Road includes the segment of road specifically set forth in Exhibit 5-12 and as exists on the ground.

Acceptance of the 032505 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8101. The 032505 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8102. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032505 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8103. The 032505 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032505 Road pursuant to the County's governmental right and authority.

8104. Witnesses with personal knowledge of the history of the 032505 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032505 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8105. Public motor vehicle use of the 032505 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8106. The 032505 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8107. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032505 Road.

8108. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032505 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150703 Road

8109. The 150703 Road is designated as county road number 150703 and SGID road identification number RD245535 and is more or less 1.5 miles long.

8110. Exhibit 5-13 (attached hereto and incorporated herein) contains certain information pertaining to the 150703 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8111. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150703 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-13. The 150703 Road includes the segment of road specifically set forth in Exhibit 5-13 and as exists on the ground.

Acceptance of the 150703 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8112. The 150703 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8113. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150703 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8114. The 150703 Road appears on the Cliff Ridge (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8115. The 150703 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150703 Road pursuant to the County's governmental right and authority.

8116. Witnesses with personal knowledge of the history of the 150703 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150703 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8117. Public motor vehicle use of the 150703 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8118. The 150703 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8119. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150703 Road.

8120. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150703 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150704A Road

8121. The 150704A Road is designated as county road number 150704A and SGID road identification number RD245536 and is more or less 0.3 miles long.

8122. Exhibit 5-14 (attached hereto and incorporated herein) contains certain information pertaining to the 150704A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8123. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150704A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-14. The 150704A Road includes the segment of road specifically set forth in Exhibit 5-14 and as exists on the ground.

Acceptance of the 150704A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8124. The 150704A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8125. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150704A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8126. The 150704A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150704A Road pursuant to the County's governmental right and authority.

8127. Witnesses with personal knowledge of the history of the 150704A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150704A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8128. Public motor vehicle use of the 150704A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8129. The 150704A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8130. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150704A Road.

8131. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150704A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150714 Road

8132. The 150714 Road is designated as county road number 150714 and SGID road identification number RD245548 and is more or less 1.9 miles long.

8133. Exhibit 5-15 (attached hereto and incorporated herein) contains certain information pertaining to the 150714 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8134. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150714 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-15. The 150714 Road includes the segment of road specifically set forth in Exhibit 5-15 and as exists on the ground.

Acceptance of the 150714 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8135. The 150714 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8136. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150714 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8137. The 150714 Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8138. The 150714 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150714 Road pursuant to the County's governmental right and authority.

8139. Witnesses with personal knowledge of the history of the 150714 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150714 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8140. Public motor vehicle use of the 150714 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8141. The 150714 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8142. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150714 Road.

8143. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150714 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150714C Road

8144. The 150714C Road is designated as county road number 150714C and SGID road identification number RD245549 and is more or less 0.3 miles long.

8145. Exhibit 5-16 (attached hereto and incorporated herein) contains certain information pertaining to the 150714C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8146. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150714C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-16. The 150714C Road includes the segment of road specifically set forth in Exhibit 5-16 and as exists on the ground.

Acceptance of the 150714C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8147. The 150714C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8148. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150714C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8149. The 150714C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150714C Road pursuant to the County's governmental right and authority.

8150. Witnesses with personal knowledge of the history of the 150714C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150714C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8151. Public motor vehicle use of the 150714C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8152. The 150714C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8153. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150714C Road.

8154. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150714C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150715 Road

8155. The 150715 Road is designated as county road number 150715 and SGID road identification number RD245551 and is more or less 2.2 miles long.

8156. Exhibit 5-17 (attached hereto and incorporated herein) contains certain information pertaining to the 150715 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8157. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150715 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-17. The 150715 Road includes the segment of road specifically set forth in Exhibit 5-17 and as exists on the ground.

Acceptance of the 150715 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8158. The 150715 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8159. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150715 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8160. The 150715 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150715 Road pursuant to the County's governmental right and authority.

8161. Witnesses with personal knowledge of the history of the 150715 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150715 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8162. Public motor vehicle use of the 150715 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8163. The 150715 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8164. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150715 Road.

8165. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150715 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150723A Road

8166. The 150723A Road is designated as county road number 150723A and SGID road identification number RD245583 and is more or less 0.9 miles long.

8167. Exhibit 5-18 (attached hereto and incorporated herein) contains certain information pertaining to the 150723A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8168. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150723A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-18. The 150723A Road includes the segment of road specifically set forth in Exhibit 5-18 and as exists on the ground.

Acceptance of the 150723A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8169. The 150723A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8170. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150723A Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8171. The 150723A Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8172. The 150723A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150723A Road pursuant to the County's governmental right and authority.

8173. Witnesses with personal knowledge of the history of the 150723A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150723A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8174. Public motor vehicle use of the 150723A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8175. The 150723A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8176. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150723A Road.

8177. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150723A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150714D Road

8178. The 150714D Road is designated as county road number 150714D and SGID road identification number RD245550 and is more or less 2 miles long.

8179. Exhibit 5-19 (attached hereto and incorporated herein) contains certain information pertaining to the 150714D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8180. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150714D Road solely as it crosses United States public land as included and specifically described in Exhibit 5-19. The 150714D Road includes the segment of road specifically set forth in Exhibit 5-19 and as exists on the ground.

Acceptance of the 150714D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8181. The 150714D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8182. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150714D Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8183. The 150714D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150714D Road pursuant to the County's governmental right and authority.

8184. Witnesses with personal knowledge of the history of the 150714D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150714D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8185. Public motor vehicle use of the 150714D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8186. The 150714D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8187. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150714D Road.

8188. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150714D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

170304 Road

8189. The 170304 Road is designated as county road number 170304 and SGID road identification number RD245790 and is more or less 0.7 miles long.

8190. Exhibit 5-20 (attached hereto and incorporated herein) contains certain information pertaining to the 170304 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8191. In this action, the State and County seek to quiet title to the public highway right-of-way for the 170304 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-20. The 170304 Road includes the segment of road specifically set forth in Exhibit 5-20 and as exists on the ground.

Acceptance of the 170304 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8192. The 170304 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8193. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 170304 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8194. The 170304 Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8195. The 170304 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 170304 Road pursuant to the County's governmental right and authority.

8196. Witnesses with personal knowledge of the history of the 170304 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 170304 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8197. Public motor vehicle use of the 170304 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8198. The 170304 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8199. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 170304 Road.

8200. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 170304 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171302 Road

8201. The 171302 Road is designated as county road number 171302 and SGID road identification number RD245827 and is more or less 0.1 miles long.

8202. Exhibit 5-21 (attached hereto and incorporated herein) contains certain information pertaining to the 171302 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8203. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171302 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-21. The 171302 Road includes the segment of road specifically set forth in Exhibit 5-21 and as exists on the ground.

Acceptance of the 171302 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8204. The 171302 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8205. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171302 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8206. The 171302 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8207. The 171302 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171302 Road pursuant to the County's governmental right and authority.

8208. Witnesses with personal knowledge of the history of the 171302 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171302 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8209. Public motor vehicle use of the 171302 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8210. The 171302 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8211. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171302 Road.

8212. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171302 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171311 Road

8213. The 171311 Road is designated as county road number 171311 and SGID road identification number RD245842 and is more or less 2.1 miles long.

8214. Exhibit 5-22 (attached hereto and incorporated herein) contains certain information pertaining to the 171311 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8215. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171311 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-22. The 171311 Road includes the segment of road specifically set forth in Exhibit 5-22 and as exists on the ground.

Acceptance of the 171311 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8216. The 171311 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8217. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171311 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8218. The 171311 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8219. The 171311 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171311 Road pursuant to the County's governmental right and authority.

8220. Witnesses with personal knowledge of the history of the 171311 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171311 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8221. Public motor vehicle use of the 171311 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8222. The 171311 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8223. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171311 Road.

8224. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171311 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181902 Road

8225. The 181902 Road is designated as county road number 181902 and SGID road identification number RD246084 and is more or less 1.5 miles long.

8226. Exhibit 5-23 (attached hereto and incorporated herein) contains certain information pertaining to the 181902 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8227. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181902 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-23. The 181902 Road includes the segment of road specifically set forth in Exhibit 5-23 and as exists on the ground.

Acceptance of the 181902 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8228. The 181902 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8229. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181902 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8230. The 181902 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181902 Road pursuant to the County's governmental right and authority.

8231. Witnesses with personal knowledge of the history of the 181902 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181902 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8232. Public motor vehicle use of the 181902 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8233. The 181902 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8234. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181902 Road.

8235. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181902 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181904 Road

8236. The 181904 Road is designated as county road number 181904 and SGID road identification number RD246086 and is more or less 1.2 miles long.

8237. Exhibit 5-24 (attached hereto and incorporated herein) contains certain information pertaining to the 181904 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8238. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181904 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-24. The 181904 Road includes the segment of road specifically set forth in Exhibit 5-24 and as exists on the ground.

Acceptance of the 181904 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8239. The 181904 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8240. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181904 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8241. The 181904 Road appears on the Snake John Reef (1968) and Dinosaur (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8242. The 181904 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181904 Road pursuant to the County's governmental right and authority.

8243. Witnesses with personal knowledge of the history of the 181904 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181904 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8244. Public motor vehicle use of the 181904 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8245. The 181904 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8246. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181904 Road.

8247. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181904 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181906 Road

8248. The 181906 Road is designated as county road number 181906 and SGID road identification number RD246088 and is more or less 1.1 miles long.

8249. Exhibit 5-25 (attached hereto and incorporated herein) contains certain information pertaining to the 181906 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8250. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181906 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-25. The 181906 Road includes the segment of road specifically set forth in Exhibit 5-25 and as exists on the ground.

Acceptance of the 181906 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8251. The 181906 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8252. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181906 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8253. The 181906 Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8254. The 181906 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181906 Road pursuant to the County's governmental right and authority.

8255. Witnesses with personal knowledge of the history of the 181906 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181906 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8256. Public motor vehicle use of the 181906 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8257. The 181906 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8258. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181906 Road.

8259. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181906 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181909A Road

8260. The 181909A Road is designated as county road number 181909A and SGID road identification number RD246092 and is more or less 1.1 miles long.

8261. Exhibit 5-26 (attached hereto and incorporated herein) contains certain information pertaining to the 181909A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8262. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181909A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-26. The 181909A Road includes the segment of road specifically set forth in Exhibit 5-26 and as exists on the ground.

Acceptance of the 181909A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8263. The 181909A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8264. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181909A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8265. The 181909A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181909A Road pursuant to the County's governmental right and authority.

8266. Witnesses with personal knowledge of the history of the 181909A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181909A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8267. Public motor vehicle use of the 181909A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8268. The 181909A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8269. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181909A Road.

8270. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181909A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181909C Road

8271. The 181909C Road is designated as county road number 181909C and SGID road identification number RD246094 and is more or less 0.7 miles long.

8272. Exhibit 5-27 (attached hereto and incorporated herein) contains certain information pertaining to the 181909C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8273. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181909C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-27. The 181909C Road includes the segment of road specifically set forth in Exhibit 5-27 and as exists on the ground.

Acceptance of the 181909C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8274. The 181909C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8275. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181909C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8276. The 181909C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181909C Road pursuant to the County's governmental right and authority.

8277. Witnesses with personal knowledge of the history of the 181909C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181909C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8278. Public motor vehicle use of the 181909C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8279. The 181909C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8280. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181909C Road.

8281. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181909C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181911 Road

8282. The 181911 Road is designated as county road number 181911 and SGID road identification number RD246102 and is more or less 2.4 miles long.

8283. Exhibit 5-28 (attached hereto and incorporated herein) contains certain information pertaining to the 181911 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8284. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181911 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-28. The 181911 Road includes the segment of road specifically set forth in Exhibit 5-28 and as exists on the ground.

Acceptance of the 181911 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8285. The 181911 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8286. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181911 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8287. The 181911 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181911 Road pursuant to the County's governmental right and authority.

8288. Witnesses with personal knowledge of the history of the 181911 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181911 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8289. Public motor vehicle use of the 181911 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8290. The 181911 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8291. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181911 Road.

8292. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181911 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181920 Road

8293. The 181920 Road is designated as county road number 181920 and SGID road identification number RD246116 and is more or less 1.9 miles long.

8294. Exhibit 5-29 (attached hereto and incorporated herein) contains certain information pertaining to the 181920 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8295. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181920 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-29. The 181920 Road includes the segment of road specifically set forth in Exhibit 5-29 and as exists on the ground.

Acceptance of the 181920 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8296. The 181920 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8297. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181920 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8298. The 181920 Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8299. The 181920 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181920 Road pursuant to the County's governmental right and authority.

8300. Witnesses with personal knowledge of the history of the 181920 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181920 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8301. Public motor vehicle use of the 181920 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8302. The 181920 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8303. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181920 Road.

8304. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181920 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181921 Road

8305. The 181921 Road is designated as county road number 181921 and SGID road identification number RD246118 and is more or less 0.1 miles long.

8306. Exhibit 5-30 (attached hereto and incorporated herein) contains certain information pertaining to the 181921 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8307. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181921 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-30. The 181921 Road includes the segment of road specifically set forth in Exhibit 5-30 and as exists on the ground.

Acceptance of the 181921 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8308. The 181921 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8309. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181921 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8310. The 181921 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181921 Road pursuant to the County's governmental right and authority.

8311. Witnesses with personal knowledge of the history of the 181921 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181921 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8312. Public motor vehicle use of the 181921 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8313. The 181921 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8314. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181921 Road.

8315. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181921 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181923 Road

8316. The 181923 Road is designated as county road number 181923 and SGID road identification number RD246121 and is more or less 3.8 miles long.

8317. Exhibit 5-31 (attached hereto and incorporated herein) contains certain information pertaining to the 181923 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8318. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181923 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-31. The 181923 Road includes the segment of road specifically set forth in Exhibit 5-31 and as exists on the ground.

Acceptance of the 181923 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8319. The 181923 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8320. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181923 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8321. The 181923 Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8322. The 181923 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181923 Road pursuant to the County's governmental right and authority.

8323. Witnesses with personal knowledge of the history of the 181923 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181923 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8324. Public motor vehicle use of the 181923 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8325. The 181923 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8326. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181923 Road.

8327. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181923 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181923C Road

8328. The 181923C Road is designated as county road number 181923C and SGID road identification number RD246122 and is more or less 1.1 miles long.

8329. Exhibit 5-32 (attached hereto and incorporated herein) contains certain information pertaining to the 181923C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8330. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181923C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-32. The 181923C Road includes the segment of road specifically set forth in Exhibit 5-32 and as exists on the ground.

Acceptance of the 181923C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8331. The 181923C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8332. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181923C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8333. The 181923C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181923C Road pursuant to the County's governmental right and authority.

8334. Witnesses with personal knowledge of the history of the 181923C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181923C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8335. Public motor vehicle use of the 181923C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8336. The 181923C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8337. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181923C Road.

8338. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181923C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181923D Road

8339. The 181923D Road is designated as county road number 181923D and SGID road identification number RD246123 and is more or less 0.04 miles long.

8340. Exhibit 5-33 (attached hereto and incorporated herein) contains certain information pertaining to the 181923D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8341. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181923D Road solely as it crosses United States public land as included and specifically described in Exhibit 5-33. The 181923D Road includes the segment of road specifically set forth in Exhibit 5-33 and as exists on the ground.

Acceptance of the 181923D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8342. The 181923D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8343. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181923D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8344. The 181923D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181923D Road pursuant to the County's governmental right and authority.

8345. Witnesses with personal knowledge of the history of the 181923D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 181923D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8346. Public motor vehicle use of the 181923D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8347. The 181923D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8348. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181923D Road.

8349. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181923D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181926 Road

8350. The 181926 Road is designated as county road number 181926 and SGID road identification number RD246127 and is more or less 0.5 miles long.

8351. Exhibit 5-34 (attached hereto and incorporated herein) contains certain information pertaining to the 181926 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8352. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181926 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-34. The 181926 Road includes the segment of road specifically set forth in Exhibit 5-34 and as exists on the ground.

Acceptance of the 181926 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8353. The 181926 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8354. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181926 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8355. The 181926 Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8356. The 181926 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181926 Road pursuant to the County's governmental right and authority.

8357. Witnesses with personal knowledge of the history of the 181926 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181926 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8358. Public motor vehicle use of the 181926 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8359. The 181926 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8360. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181926 Road.

8361. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181926 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182402 Road

8362. The 182402 Road is designated as county road number 182402 and SGID road identification number RD246146 and is more or less 0.3 miles long.

8363. Exhibit 5-35 (attached hereto and incorporated herein) contains certain information pertaining to the 182402 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8364. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182402 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-35. The 182402 Road includes the segment of road specifically set forth in Exhibit 5-35 and as exists on the ground.

Acceptance of the 182402 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8365. The 182402 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8366. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182402 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8367. The 182402 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182402 Road pursuant to the County's governmental right and authority.

8368. Witnesses with personal knowledge of the history of the 182402 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis,

whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182402 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8369. Public motor vehicle use of the 182402 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8370. The 182402 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8371. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182402 Road.

8372. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182402 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Cow Wash Road, 0323

8373. The Cow Wash Road is designated as county road number 0323 and SGID road identification number RD244583 and is more or less 7.2 miles long.

8374. Exhibit 5-36 (attached hereto and incorporated herein) contains certain information pertaining to the Cow Wash Road including: a map depicting the road; township,

range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8375. In this action, the State and County seek to quiet title to the public highway right-of-way for the Cow Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 5-36. The Cow Wash Road includes the segment of road specifically set forth in Exhibit 5-36 and as exists on the ground.

Acceptance of the Cow Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8376. The Cow Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8377. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Cow Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8378. The Cow Wash Road appears on the Cliff Ridge (1968) and Dinosaur NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8379. The Cow Wash Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Cow Wash Road pursuant to the County's governmental right and authority.

8380. Witnesses with personal knowledge of the history of the Cow Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Cow Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8381. Public motor vehicle use of the Cow Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8382. The Cow Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8383. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Cow Wash Road.

8384. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Cow Wash Road on lands owned by the United States as described herein

and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Coyote Basin Road, 0302

8385. The Coyote Basin Road is designated as county road number 0302 and SGID road identification number RD244429 and is more or less 4.5 miles long.

8386. Exhibit 5-37 (attached hereto and incorporated herein) contains certain information pertaining to the Coyote Basin Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8387. In this action, the State and County seek to quiet title to the public highway right-of-way for the Coyote Basin Road solely as it crosses United States public land as included and specifically described in Exhibit 5-37. The Coyote Basin Road includes the segment of road specifically set forth in Exhibit 5-37 and as exists on the ground.

Acceptance of the Coyote Basin Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8388. The Coyote Basin Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8389. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Coyote Basin Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8390. The Coyote Basin Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8391. The Coyote Basin Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Coyote Basin Road pursuant to the County's governmental right and authority.

8392. Witnesses with personal knowledge of the history of the Coyote Basin Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Coyote Basin Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8393. Public motor vehicle use of the Coyote Basin Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8394. The Coyote Basin Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8395. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Coyote Basin Road.

8396. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Coyote Basin Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Coyote Hacking Reservoir Road, 004569

8397. The Coyote Hacking Reservoir Road is designated as county road number 004569 and SGID road identification number RD243973 and is more or less 9.7 miles long.

8398. Exhibit 5-38 (attached hereto and incorporated herein) contains certain information pertaining to the Coyote Hacking Reservoir Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8399. In this action, the State and County seek to quiet title to the public highway right-of-way for the Coyote Hacking Reservoir Road solely as it crosses United States public land as included and specifically described in Exhibit 5-38. The Coyote Hacking Reservoir Road includes the segment of road specifically set forth in Exhibit 5-38 and as exists on the ground.

Acceptance of the Coyote Hacking Reservoir Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8400. The Coyote Hacking Reservoir Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8401. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Coyote Hacking Reservoir Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8402. The Coyote Hacking Reservoir Road appears on the Walsh Knolls (1968) and Bonanza (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8403. The Coyote Hacking Reservoir Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Coyote Hacking Reservoir Road pursuant to the County's governmental right and authority.

8404. Witnesses with personal knowledge of the history of the Coyote Hacking Reservoir Road confirm public use of this road as a public thoroughfare by means of motor

vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Coyote Hacking Reservoir Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8405. Public motor vehicle use of the Coyote Hacking Reservoir Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8406. The Coyote Hacking Reservoir Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8407. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Coyote Hacking Reservoir Road.

8408. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Coyote Hacking Reservoir Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Pole Line Wash Road, 1614

8409. The Pole Line Wash Road is designated as county road number 1614 and SGID road identification number RD245720 and is more or less 14.4 miles long.

8410. Exhibit 5-39 (attached hereto and incorporated herein) contains certain information pertaining to the Pole Line Wash Road including: a map depicting the road;

township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8411. In this action, the State and County seek to quiet title to the public highway right-of-way for the Pole Line Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 5-39. The Pole Line Wash Road includes the segment of road specifically set forth in Exhibit 5-39 and as exists on the ground.

Acceptance of the Pole Line Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8412. The Pole Line Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8413. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Pole Line Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8414. The Pole Line Wash Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Pole Line Wash Road pursuant to the County's governmental right and authority.

8415. Witnesses with personal knowledge of the history of the Pole Line Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Pole Line Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8416. Public motor vehicle use of the Pole Line Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8417. The Pole Line Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8418. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Pole Line Wash Road.

8419. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Pole Line Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Powder Springs Road, 150719

8420. The Powder Springs Road is designated as county road number 150719 and SGID road identification number RD245560 and is more or less 9.4 miles long.

8421. Exhibit 5-40 (attached hereto and incorporated herein) contains certain information pertaining to the Powder Springs Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8422. In this action, the State and County seek to quiet title to the public highway right-of-way for the Powder Springs Road solely as it crosses United States public land as included and specifically described in Exhibit 5-40. The Powder Springs Road includes the segment of road specifically set forth in Exhibit 5-40 and as exists on the ground.

Acceptance of the Powder Springs Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8423. The Powder Springs Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8424. Prior to 1976, the Powder Springs Road was used to access the location of an oil and gas well, drilling operations of which were completed on or before September 9, 1965.

8425. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Powder Springs Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8426. The Powder Springs Road appears on the Red Wash (1968) and Dinosaur NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8427. The Powder Springs Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Powder Springs Road pursuant to the County's governmental right and authority.

8428. Witnesses with personal knowledge of the history of the Powder Springs Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Powder Springs Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8429. Public motor vehicle use of the Powder Springs Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8430. The Powder Springs Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8431. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Powder Springs Road.

8432. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Powder Springs Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Red Wash Cutoff Road, 1713

8433. The Red Wash Cutoff Road is designated as county road number 1713 and SGID road identification number RD245819 and is more or less 5.6 miles long.

8434. Exhibit 5-41 (attached hereto and incorporated herein) contains certain information pertaining to the Red Wash Cutoff Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8435. In this action, the State and County seek to quiet title to the public highway right-of-way for the Red Wash Cutoff Road solely as it crosses United States public land as included and specifically described in Exhibit 5-41. The Red Wash Cutoff Road includes the segment of road specifically set forth in Exhibit 5-41 and as exists on the ground.

Acceptance of the Red Wash Cutoff Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8436. The Red Wash Cutoff Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8437. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Red Wash Cutoff Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8438. The Red Wash Cutoff Road appears on the Dinosaur NW (1968) and Dinosaur (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8439. The Red Wash Cutoff Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Red Wash Cutoff Road pursuant to the County's governmental right and authority.

8440. Witnesses with personal knowledge of the history of the Red Wash Cutoff Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Red Wash Cutoff Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8441. Public motor vehicle use of the Red Wash Cutoff Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8442. The Red Wash Cutoff Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8443. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Red Wash Cutoff Road.

8444. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Red Wash Cutoff Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004002 Road

8445. The 004002 Road is designated as county road number 004002 and SGID road identification number RD243809 and is more or less 0.2 miles long.

8446. Exhibit 5-42 (attached hereto and incorporated herein) contains certain information pertaining to the 004002 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8447. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004002 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-42. The 004002 Road includes the segment of road specifically set forth in Exhibit 5-42 and as exists on the ground.

Acceptance of the 004002 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8448. The 004002 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands

including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8449. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004002 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8450. The 004002 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004002 Road pursuant to the County's governmental right and authority.

8451. Witnesses with personal knowledge of the history of the 004002 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004002 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8452. Public motor vehicle use of the 004002 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8453. The 004002 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8454. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004002 Road.

8455. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004002 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004005 Road

8456. The 004005 Road is designated as county road number 004005 and SGID road identification number RD243811 and is more or less 2 miles long.

8457. Exhibit 5-43 (attached hereto and incorporated herein) contains certain information pertaining to the 004005 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8458. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004005 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-43. The 004005 Road includes the segment of road specifically set forth in Exhibit 5-43 and as exists on the ground.

Acceptance of the 004005 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8459. The 004005 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8460. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004005 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8461. The 004005 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004005 Road pursuant to the County's governmental right and authority.

8462. Witnesses with personal knowledge of the history of the 004005 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004005 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8463. Public motor vehicle use of the 004005 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8464. The 004005 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8465. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004005 Road.

8466. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004005 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032307 Road

8467. The 032307 Road is designated as county road number 032307 and SGID road identification number RD244590 and is more or less 6.7 miles long.

8468. Exhibit 5-44 (attached hereto and incorporated herein) contains certain information pertaining to the 032307 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8469. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032307 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-44. The 032307 Road includes the segment of road specifically set forth in Exhibit 5-44 and as exists on the ground.

Acceptance of the 032307 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8470. The 032307 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8471. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032307 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8472. The 032307 Road appears on the Cliff Ridge (1968) and Jensen (1965) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8473. The 032307 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032307 Road pursuant to the County's governmental right and authority.

8474. Witnesses with personal knowledge of the history of the 032307 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032307 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8475. Public motor vehicle use of the 032307 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8476. The 032307 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8477. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032307 Road.

8478. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032307 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

100301 Road

8479. The 100301 Road is designated as county road number 100301 and SGID road identification number RD245149 and is more or less 6.6 miles long.

8480. Exhibit 5-45 (attached hereto and incorporated herein) contains certain information pertaining to the 100301 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8481. In this action, the State and County seek to quiet title to the public highway right-of-way for the 100301 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-45. The 100301 Road includes the segment of road specifically set forth in Exhibit 5-45 and as exists on the ground.

Acceptance of the 100301 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8482. The 100301 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8483. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 100301 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8484. The 100301 Road appears on the Jensen (1965) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8485. The 100301 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 100301 Road pursuant to the County's governmental right and authority.

8486. Witnesses with personal knowledge of the history of the 100301 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 100301 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8487. Public motor vehicle use of the 100301 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8488. The 100301 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8489. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 100301 Road.

8490. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 100301 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150723 Road

8491. The 150723 Road is designated as county road number 150723 and SGID road identification number RD245582 and is more or less 0.7 miles long.

8492. Exhibit 5-46 (attached hereto and incorporated herein) contains certain information pertaining to the 150723 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8493. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150723 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-46. The 150723 Road includes the segment of road specifically set forth in Exhibit 5-46 and as exists on the ground.

Acceptance of the 150723 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8494. The 150723 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8495. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150723 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8496. The 150723 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8497. The 150723 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150723 Road pursuant to the County's governmental right and authority.

8498. Witnesses with personal knowledge of the history of the 150723 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150723 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8499. Public motor vehicle use of the 150723 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8500. The 150723 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8501. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150723 Road.

8502. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150723 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181911A Road

8503. The 181911A Road is designated as county road number 181911A and SGID road identification number RD246103 and is more or less 0.3 miles long.

8504. Exhibit 5-47 (attached hereto and incorporated herein) contains certain information pertaining to the 181911A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8505. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181911A Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-47. The 181911A Road includes the segment of road specifically set forth in Exhibit 5-47 and as exists on the ground.

Acceptance of the 181911A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8506. The 181911A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8507. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181911A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8508. The 181911A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181911A Road pursuant to the County's governmental right and authority.

8509. Witnesses with personal knowledge of the history of the 181911A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181911A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8510. Public motor vehicle use of the 181911A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8511. The 181911A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8512. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181911A Road.

8513. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181911A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182715F Road

8514. The 182715F Road is designated as county road number 182715F and SGID road identification number RD246218 and is more or less 5.2 miles long.

8515. Exhibit 5-48 (attached hereto and incorporated herein) contains certain information pertaining to the 182715F Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8516. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182715F Road solely as it crosses United States public land as included and specifically described in Exhibit 5-48. The 182715F Road includes the segment of road specifically set forth in Exhibit 5-48 and as exists on the ground.

Acceptance of the 182715F Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8517. The 182715F Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8518. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182715F Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8519. The 182715F Road appears on the Walsh Knolls (1968), Bonanza (1968) and Dinosaur (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8520. The 182715F Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182715F Road pursuant to the County's governmental right and authority.

8521. Witnesses with personal knowledge of the history of the 182715F Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis,

whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182715F Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8522. Public motor vehicle use of the 182715F Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8523. The 182715F Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8524. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182715F Road.

8525. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182715F Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Hacking Reservoir Road, 182715

8526. The Hacking Reservoir Road is designated as county road number 182715 and SGID road identification number RD246212 and is more or less 6.4 miles long.

8527. Exhibit 5-49 (attached hereto and incorporated herein) contains certain information pertaining to the Hacking Reservoir Road including: a map depicting the road;

township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8528. In this action, the State and County seek to quiet title to the public highway right-of-way for the Hacking Reservoir Road solely as it crosses United States public land as included and specifically described in Exhibit 5-49. The Hacking Reservoir Road includes the segment of road specifically set forth in Exhibit 5-49 and as exists on the ground.

Acceptance of the Hacking Reservoir Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8529. The Hacking Reservoir Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8530. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Hacking Reservoir Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8531. The Hacking Reservoir Road appears on the Walsh Knolls (1968) and Bonanza (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8532. The Hacking Reservoir Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Hacking Reservoir Road pursuant to the County's governmental right and authority.

8533. Witnesses with personal knowledge of the history of the Hacking Reservoir Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a

continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Hacking Reservoir Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8534. Public motor vehicle use of the Hacking Reservoir Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8535. The Hacking Reservoir Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8536. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Hacking Reservoir Road.

8537. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Hacking Reservoir Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Kennedy Wash Road, 1103

8538. The Kennedy Wash Road is designated as county road number 1103 and SGID road identification number RD245248 and is more or less 13.9 miles long.

8539. Exhibit 5-50 (attached hereto and incorporated herein) contains certain information pertaining to the Kennedy Wash Road including: a map depicting the road;

township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8540. In this action, the State and County seek to quiet title to the public highway right-of-way for the Kennedy Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 5-50. The Kennedy Wash Road includes the segment of road specifically set forth in Exhibit 5-50 and as exists on the ground.

Acceptance of the Kennedy Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8541. The Kennedy Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8542. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Kennedy Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8543. The Kennedy Wash Road appears on the Red Wash SE (1968) and Red Wash (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8544. The Kennedy Wash Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Kennedy Wash Road pursuant to the County's governmental right and authority.

8545. Witnesses with personal knowledge of the history of the Kennedy Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Kennedy Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8546. Public motor vehicle use of the Kennedy Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8547. The Kennedy Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8548. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Kennedy Wash Road.

8549. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Kennedy Wash Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Left Fork Walker Hollow Road, 1202

8550. The Left Fork Walker Hollow Road is designated as county road number 1202 and SGID road identification number RD245282 and is more or less 4.6 miles long.

8551. Exhibit 5-51 (attached hereto and incorporated herein) contains certain information pertaining to the Left Fork Walker Hollow Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8552. In this action, the State and County seek to quiet title to the public highway right-of-way for the Left Fork Walker Hollow Road solely as it crosses United States public land as included and specifically described in Exhibit 5-51. The Left Fork Walker Hollow Road includes the segment of road specifically set forth in Exhibit 5-51 and as exists on the ground.

Acceptance of the Left Fork Walker Hollow Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8553. The Left Fork Walker Hollow Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8554. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Left Fork Walker Hollow Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8555. The Left Fork Walker Hollow Road appears on the Jensen (1965) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8556. The Left Fork Walker Hollow Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Left Fork Walker Hollow Road pursuant to the County's governmental right and authority.

8557. Witnesses with personal knowledge of the history of the Left Fork Walker Hollow Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Left Fork Walker Hollow Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8558. Public motor vehicle use of the Left Fork Walker Hollow Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8559. The Left Fork Walker Hollow Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8560. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Left Fork Walker Hollow Road.

8561. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Left Fork Walker Hollow Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Tar Spring Ridge Road, 1824

8562. The Tar Spring Ridge Road is designated as county road number 1824 and SGID road identification number RD246145 and is more or less 3.1 miles long.

8563. Exhibit 5-52 (attached hereto and incorporated herein) contains certain information pertaining to the Tar Spring Ridge Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8564. In this action, the State and County seek to quiet title to the public highway right-of-way for the Tar Spring Ridge Road solely as it crosses United States public land as included and specifically described in Exhibit 5-52. The Tar Spring Ridge Road includes the segment of road specifically set forth in Exhibit 5-52 and as exists on the ground.

Acceptance of the Tar Spring Ridge Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8565. The Tar Spring Ridge Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands

including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8566. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Tar Spring Ridge Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8567. The Tar Spring Ridge Road appears on the Dinosaur NW (1968), Dinosaur (1968) and Cliff Ridge (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8568. The Tar Spring Ridge Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Tar Spring Ridge Road pursuant to the County's governmental right and authority.

8569. Witnesses with personal knowledge of the history of the Tar Spring Ridge Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Tar Spring Ridge Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8570. Public motor vehicle use of the Tar Spring Ridge Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for

a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8571. The Tar Spring Ridge Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8572. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Tar Spring Ridge Road.

8573. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Tar Spring Ridge Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004546 Road

8574. The 004546 Road is designated as county road number 004546 and SGID road identification number RD243932 and is more or less 0.7 miles long.

8575. Exhibit 5-53 (attached hereto and incorporated herein) contains certain information pertaining to the 004546 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8576. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004546 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-53. The 004546 Road includes the segment of road specifically set forth in Exhibit 5-53 and as exists on the ground.

Acceptance of the 004546 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8577. The 004546 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8578. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004546 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8579. The 004546 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8580. The 004546 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004546 Road pursuant to the County's governmental right and authority.

8581. Witnesses with personal knowledge of the history of the 004546 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004546 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8582. Public motor vehicle use of the 004546 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8583. The 004546 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8584. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004546 Road.

8585. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004546 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004556G Road

8586. The 004556G Road is designated as county road number 004556G and SGID road identification number RD243958 and is more or less 0.4 miles long.

8587. Exhibit 5-54 (attached hereto and incorporated herein) contains certain information pertaining to the 004556G Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8588. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004556G Road solely as it crosses United States public land as included and specifically described in Exhibit 5-54. The 004556G Road includes the segment of road specifically set forth in Exhibit 5-54 and as exists on the ground.

Acceptance of the 004556G Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8589. The 004556G Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8590. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004556G Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8591. The 004556G Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004556G Road pursuant to the County's governmental right and authority.

8592. Witnesses with personal knowledge of the history of the 004556G Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004556G Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8593. Public motor vehicle use of the 004556G Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8594. The 004556G Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8595. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004556G Road.

8596. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004556G Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004548 Road

8597. The 004548 Road is designated as county road number 004548 and SGID road identification number RD243934 and is more or less 1 mile long.

8598. Exhibit 5-55 (attached hereto and incorporated herein) contains certain information pertaining to the 004548 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8599. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004548 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-55. The 004548 Road includes the segment of road specifically set forth in Exhibit 5-55 and as exists on the ground.

Acceptance of the 004548 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8600. The 004548 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8601. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004548 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8602. The 004548 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8603. The 004548 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004548 Road pursuant to the County's governmental right and authority.

8604. Witnesses with personal knowledge of the history of the 004548 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004548 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8605. Public motor vehicle use of the 004548 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8606. The 004548 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8607. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004548 Road.

8608. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004548 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004548C Road

8609. The 004548C Road is designated as county road number 004548C and SGID road identification number RD243937 and is more or less 0.6 miles long.

8610. Exhibit 5-56 (attached hereto and incorporated herein) contains certain information pertaining to the 004548C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8611. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004548C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-56. The 004548C Road includes the segment of road specifically set forth in Exhibit 5-56 and as exists on the ground.

Acceptance of the 004548C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8612. The 004548C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8613. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004548C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8614. The 004548C Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8615. The 004548C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004548C Road pursuant to the County's governmental right and authority.

8616. Witnesses with personal knowledge of the history of the 004548C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004548C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8617. Public motor vehicle use of the 004548C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8618. The 004548C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8619. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004548C Road.

8620. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004548C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004551E Road

8621. The 004551E Road is designated as county road number 004551E and SGID road identification number RD243945 and is more or less 1.1 miles long.

8622. Exhibit 5-57 (attached hereto and incorporated herein) contains certain information pertaining to the 004551E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8623. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004551E Road solely as it crosses United States public land as included and specifically described in Exhibit 5-57. The 004551E Road includes the segment of road specifically set forth in Exhibit 5-57 and as exists on the ground.

Acceptance of the 004551E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8624. The 004551E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8625. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004551E Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8626. The 004551E Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8627. The 004551E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004551E Road pursuant to the County's governmental right and authority.

8628. Witnesses with personal knowledge of the history of the 004551E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004551E Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8629. Public motor vehicle use of the 004551E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8630. The 004551E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8631. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004551E Road.

8632. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004551E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004552 Road

8633. The 004552 Road is designated as county road number 004552 and SGID road identification number RD243947 and is more or less 0.4 miles long.

8634. Exhibit 5-58 (attached hereto and incorporated herein) contains certain information pertaining to the 004552 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8635. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004552 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-58. The 004552 Road includes the segment of road specifically set forth in Exhibit 5-58 and as exists on the ground.

Acceptance of the 004552 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8636. The 004552 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8637. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004552 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8638. The 004552 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8639. The 004552 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004552 Road pursuant to the County's governmental right and authority.

8640. Witnesses with personal knowledge of the history of the 004552 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004552 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8641. Public motor vehicle use of the 004552 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8642. The 004552 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8643. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004552 Road.

8644. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004552 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004552A Road

8645. The 004552A Road is designated as county road number 004552A and SGID road identification number RD243948 and is more or less 0.3 miles long.

8646. Exhibit 5-59 (attached hereto and incorporated herein) contains certain information pertaining to the 004552A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8647. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004552A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-59. The 004552A Road includes the segment of road specifically set forth in Exhibit 5-59 and as exists on the ground.

Acceptance of the 004552A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8648. The 004552A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8649. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004552A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8650. The 004552A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004552A Road pursuant to the County's governmental right and authority.

8651. Witnesses with personal knowledge of the history of the 004552A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004552A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8652. Public motor vehicle use of the 004552A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8653. The 004552A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8654. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004552A Road.

8655. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004552A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004555 Road

8656. The 004555 Road is designated as county road number 004555 and SGID road identification number RD243950 and is more or less 2 miles long.

8657. Exhibit 5-60 (attached hereto and incorporated herein) contains certain information pertaining to the 004555 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8658. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004555 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-60. The 004555 Road includes the segment of road specifically set forth in Exhibit 5-60 and as exists on the ground.

Acceptance of the 004555 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8659. The 004555 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8660. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004555 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8661. The 004555 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8662. The 004555 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004555 Road pursuant to the County's governmental right and authority.

8663. Witnesses with personal knowledge of the history of the 004555 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004555 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8664. Public motor vehicle use of the 004555 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8665. The 004555 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8666. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004555 Road.

8667. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004555 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004556 Road

8668. The 004556 Road is designated as county road number 004556 and SGID road identification number RD243951 and is more or less 1.7 miles long.

8669. Exhibit 5-61 (attached hereto and incorporated herein) contains certain information pertaining to the 004556 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8670. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004556 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-61. The 004556 Road includes the segment of road specifically set forth in Exhibit 5-61 and as exists on the ground.

Acceptance of the 004556 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8671. The 004556 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8672. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004556 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8673. The 004556 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8674. The 004556 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004556 Road pursuant to the County's governmental right and authority.

8675. Witnesses with personal knowledge of the history of the 004556 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004556 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8676. Public motor vehicle use of the 004556 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8677. The 004556 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8678. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004556 Road.

8679. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004556 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004556A Road

8680. The 004556A Road is designated as county road number 004556A and SGID road identification number RD243952 and is more or less 0.5 miles long.

8681. Exhibit 5-62 (attached hereto and incorporated herein) contains certain information pertaining to the 004556A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8682. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004556A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-62. The 004556A Road includes the segment of road specifically set forth in Exhibit 5-62 and as exists on the ground.

Acceptance of the 004556A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8683. The 004556A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8684. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004556A Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8685. The 004556A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004556A Road pursuant to the County's governmental right and authority.

8686. Witnesses with personal knowledge of the history of the 004556A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004556A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8687. Public motor vehicle use of the 004556A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8688. The 004556A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8689. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004556A Road.

8690. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004556A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004556B Road

8691. The 004556B Road is designated as county road number 004556B and SGID road identification number RD243953 and is more or less 0.1 miles long.

8692. Exhibit 5-63 (attached hereto and incorporated herein) contains certain information pertaining to the 004556B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8693. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004556B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-63. The 004556B Road includes the segment of road specifically set forth in Exhibit 5-63 and as exists on the ground.

Acceptance of the 004556B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8694. The 004556B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8695. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004556B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8696. The 004556B Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8697. The 004556B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004556B Road pursuant to the County's governmental right and authority.

8698. Witnesses with personal knowledge of the history of the 004556B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004556B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8699. Public motor vehicle use of the 004556B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8700. The 004556B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8701. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004556B Road.

8702. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004556B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004556D Road

8703. The 004556D Road is designated as county road number 004556D and SGID road identification number RD243955 and is more or less 0.7 miles long.

8704. Exhibit 5-64 (attached hereto and incorporated herein) contains certain information pertaining to the 004556D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8705. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004556D Road solely as it crosses United States public land as included and specifically described in Exhibit 5-64. The 004556D Road includes the segment of road specifically set forth in Exhibit 5-64 and as exists on the ground.

Acceptance of the 004556D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8706. The 004556D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8707. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004556D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8708. The 004556D Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8709. The 004556D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004556D Road pursuant to the County's governmental right and authority.

8710. Witnesses with personal knowledge of the history of the 004556D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004556D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8711. Public motor vehicle use of the 004556D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8712. The 004556D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8713. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004556D Road.

8714. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004556D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004558 Road

8715. The 004558 Road is designated as county road number 004558 and SGID road identification number RD243960 and is more or less 0.5 miles long.

8716. Exhibit 5-65 (attached hereto and incorporated herein) contains certain information pertaining to the 004558 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8717. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004558 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-65. The 004558 Road includes the segment of road specifically set forth in Exhibit 5-65 and as exists on the ground.

Acceptance of the 004558 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8718. The 004558 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8719. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004558 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8720. The 004558 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8721. The 004558 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004558 Road pursuant to the County's governmental right and authority.

8722. Witnesses with personal knowledge of the history of the 004558 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004558 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8723. Public motor vehicle use of the 004558 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8724. The 004558 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8725. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004558 Road.

8726. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004558 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004560 Road

8727. The 004560 Road is designated as county road number 004560 and SGID road identification number RD243967 and is more or less 1.9 miles long.

8728. Exhibit 5-66 (attached hereto and incorporated herein) contains certain information pertaining to the 004560 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8729. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004560 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-66. The 004560 Road includes the segment of road specifically set forth in Exhibit 5-66 and as exists on the ground.

Acceptance of the 004560 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8730. The 004560 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8731. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004560 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8732. The 004560 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8733. The 004560 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004560 Road pursuant to the County's governmental right and authority.

8734. Witnesses with personal knowledge of the history of the 004560 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004560 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8735. Public motor vehicle use of the 004560 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8736. The 004560 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8737. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004560 Road.

8738. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004560 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004562 Road

8739. The 004562 Road is designated as county road number 004562 and SGID road identification number RD243968 and is more or less 1.9 miles long.

8740. Exhibit 5-67 (attached hereto and incorporated herein) contains certain information pertaining to the 004562 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8741. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004562 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-67. The 004562 Road includes the segment of road specifically set forth in Exhibit 5-67 and as exists on the ground.

Acceptance of the 004562 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8742. The 004562 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8743. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004562 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8744. The 004562 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004562 Road pursuant to the County's governmental right and authority.

8745. Witnesses with personal knowledge of the history of the 004562 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004562 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8746. Public motor vehicle use of the 004562 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8747. The 004562 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8748. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004562 Road.

8749. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004562 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032303 Road

8750. The 032303 Road is designated as county road number 032303 and SGID road identification number RD244585 and is more or less 2.5 miles long.

8751. Exhibit 5-68 (attached hereto and incorporated herein) contains certain information pertaining to the 032303 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8752. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032303 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-68. The 032303 Road includes the segment of road specifically set forth in Exhibit 5-68 and as exists on the ground.

Acceptance of the 032303 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8753. The 032303 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8754. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032303 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8755. The 032303 Road appears on the Cliff Ridge (1968) and Jensen (1965) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8756. The 032303 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032303 Road pursuant to the County's governmental right and authority.

8757. Witnesses with personal knowledge of the history of the 032303 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032303 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8758. Public motor vehicle use of the 032303 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8759. The 032303 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8760. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032303 Road.

8761. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032303 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032501B Road

8762. The 032501B Road is designated as county road number 032501B and SGID road identification number RD244611 and is more or less 0.7 miles long.

8763. Exhibit 5-69 (attached hereto and incorporated herein) contains certain information pertaining to the 032501B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8764. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032501B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-69. The 032501B Road includes the segment of road specifically set forth in Exhibit 5-69 and as exists on the ground.

Acceptance of the 032501B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8765. The 032501B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8766. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032501B Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8767. The 032501B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032501B Road pursuant to the County's governmental right and authority.

8768. Witnesses with personal knowledge of the history of the 032501B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032501B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8769. Public motor vehicle use of the 032501B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8770. The 032501B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8771. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032501B Road.

8772. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032501B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032501H Road

8773. The 032501H Road is designated as county road number 032501H and SGID road identification number RD244616 and is more or less 1.3 miles long.

8774. Exhibit 5-70 (attached hereto and incorporated herein) contains certain information pertaining to the 032501H Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8775. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032501H Road solely as it crosses United States public land as included and specifically described in Exhibit 5-70. The 032501H Road includes the segment of road specifically set forth in Exhibit 5-70 and as exists on the ground.

Acceptance of the 032501H Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8776. The 032501H Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8777. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032501H Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8778. The 032501H Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032501H Road pursuant to the County's governmental right and authority.

8779. Witnesses with personal knowledge of the history of the 032501H Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032501H Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8780. Public motor vehicle use of the 032501H Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8781. The 032501H Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8782. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032501H Road.

8783. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032501H Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032503 Road

8784. The 032503 Road is designated as county road number 032503 and SGID road identification number RD244621 and is more or less 0.6 miles long.

8785. Exhibit 5-71 (attached hereto and incorporated herein) contains certain information pertaining to the 032503 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8786. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032503 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-71. The 032503 Road includes the segment of road specifically set forth in Exhibit 5-71 and as exists on the ground.

Acceptance of the 032503 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8787. The 032503 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8788. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032503 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8789. The 032503 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032503 Road pursuant to the County's governmental right and authority.

8790. Witnesses with personal knowledge of the history of the 032503 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032503 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8791. Public motor vehicle use of the 032503 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8792. The 032503 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8793. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032503 Road.

8794. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032503 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032505B Road

8795. The 032505B Road is designated as county road number 032505B and SGID road identification number RD244630 and is more or less 2 miles long.

8796. Exhibit 5-72 (attached hereto and incorporated herein) contains certain information pertaining to the 032505B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8797. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032505B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-72. The 032505B Road includes the segment of road specifically set forth in Exhibit 5-72 and as exists on the ground.

Acceptance of the 032505B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8798. The 032505B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8799. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032505B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8800. The 032505B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032505B Road pursuant to the County's governmental right and authority.

8801. Witnesses with personal knowledge of the history of the 032505B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032505B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8802. Public motor vehicle use of the 032505B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8803. The 032505B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8804. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032505B Road.

8805. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032505B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161818K Road

8806. The 161818K Road is designated as county road number 161818K and SGID road identification number RD245778 and is more or less 0.5 miles long.

8807. Exhibit 5-73 (attached hereto and incorporated herein) contains certain information pertaining to the 161818K Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8808. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161818K Road solely as it crosses United States public land as included and specifically described in Exhibit 5-73. The 161818K Road includes the segment of road specifically set forth in Exhibit 5-73 and as exists on the ground.

Acceptance of the 161818K Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8809. The 161818K Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8810. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161818K Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8811. The 161818K Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8812. The 161818K Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161818K Road pursuant to the County's governmental right and authority.

8813. Witnesses with personal knowledge of the history of the 161818K Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161818K Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8814. Public motor vehicle use of the 161818K Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8815. The 161818K Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8816. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161818K Road.

8817. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161818K Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

100302 Road

8818. The 100302 Road is designated as county road number 100302 and SGID road identification number RD245150 and is more or less 1.1 miles long.

8819. Exhibit 5-74 (attached hereto and incorporated herein) contains certain information pertaining to the 100302 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8820. In this action, the State and County seek to quiet title to the public highway right-of-way for the 100302 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-74. The 100302 Road includes the segment of road specifically set forth in Exhibit 5-74 and as exists on the ground.

Acceptance of the 100302 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8821. The 100302 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8822. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 100302 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8823. The 100302 Road appears on the Jensen (1965) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8824. The 100302 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 100302 Road pursuant to the County's governmental right and authority.

8825. Witnesses with personal knowledge of the history of the 100302 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 100302 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8826. Public motor vehicle use of the 100302 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8827. The 100302 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8828. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 100302 Road.

8829. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 100302 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150713 Road

8830. The 150713 Road is designated as county road number 150713 and SGID road identification number RD245547 and is more or less 1 mile long.

8831. Exhibit 5-75 (attached hereto and incorporated herein) contains certain information pertaining to the 150713 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8832. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150713 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-75. The 150713 Road includes the segment of road specifically set forth in Exhibit 5-75 and as exists on the ground.

Acceptance of the 150713 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8833. The 150713 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8834. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150713 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8835. The 150713 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150713 Road pursuant to the County's governmental right and authority.

8836. Witnesses with personal knowledge of the history of the 150713 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150713 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8837. Public motor vehicle use of the 150713 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8838. The 150713 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8839. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150713 Road.

8840. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150713 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150719B Road

8841. The 150719B Road is designated as county road number 150719B and SGID road identification number RD245561 and is more or less 0.9 miles long.

8842. Exhibit 5-76 (attached hereto and incorporated herein) contains certain information pertaining to the 150719B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8843. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150719B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-76. The 150719B Road includes the segment of road specifically set forth in Exhibit 5-76 and as exists on the ground.

Acceptance of the 150719B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8844. The 150719B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8845. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150719B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8846. The 150719B Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8847. The 150719B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150719B Road pursuant to the County's governmental right and authority.

8848. Witnesses with personal knowledge of the history of the 150719B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150719B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8849. Public motor vehicle use of the 150719B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8850. The 150719B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8851. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150719B Road.

8852. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150719B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150719C Road

8853. The 150719C Road is designated as county road number 150719C and SGID road identification number RD245562 and is more or less 0.1 miles long.

8854. Exhibit 5-77 (attached hereto and incorporated herein) contains certain information pertaining to the 150719C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8855. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150719C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-77. The 150719C Road includes the segment of road specifically set forth in Exhibit 5-77 and as exists on the ground.

Acceptance of the 150719C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8856. The 150719C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8857. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150719C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8858. The 150719C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150719C Road pursuant to the County's governmental right and authority.

8859. Witnesses with personal knowledge of the history of the 150719C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 150719C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8860. Public motor vehicle use of the 150719C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8861. The 150719C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8862. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150719C Road.

8863. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150719C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150719D Road

8864. The 150719D Road is designated as county road number 150719D and SGID road identification number RD245563 and is more or less 1.2 miles long.

8865. Exhibit 5-78 (attached hereto and incorporated herein) contains certain information pertaining to the 150719D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8866. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150719D Road solely as it crosses United States public land as included and specifically described in Exhibit 5-78. The 150719D Road includes the segment of road specifically set forth in Exhibit 5-78 and as exists on the ground.

Acceptance of the 150719D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8867. The 150719D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8868. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150719D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8869. The 150719D Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8870. The 150719D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150719D Road pursuant to the County's governmental right and authority.

8871. Witnesses with personal knowledge of the history of the 150719D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150719D Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8872. Public motor vehicle use of the 150719D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8873. The 150719D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8874. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150719D Road.

8875. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150719D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150719E Road

8876. The 150719E Road is designated as county road number 150719E and SGID road identification number RD245564 and is more or less 2 miles long.

8877. Exhibit 5-79 (attached hereto and incorporated herein) contains certain information pertaining to the 150719E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8878. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150719E Road solely as it crosses United States public land as included and specifically described in Exhibit 5-79. The 150719E Road includes the segment of road specifically set forth in Exhibit 5-79 and as exists on the ground.

Acceptance of the 150719E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8879. The 150719E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8880. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150719E Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8881. The 150719E Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8882. The 150719E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150719E Road pursuant to the County's governmental right and authority.

8883. Witnesses with personal knowledge of the history of the 150719E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150719E Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8884. Public motor vehicle use of the 150719E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8885. The 150719E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8886. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150719E Road.

8887. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150719E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150719F Road

8888. The 150719F Road is designated as county road number 150719F and SGID road identification number RD245565 and is more or less 2.2 miles long.

8889. Exhibit 5-80 (attached hereto and incorporated herein) contains certain information pertaining to the 150719F Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8890. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150719F Road solely as it crosses United States public land as included and specifically described in Exhibit 5-80. The 150719F Road includes the segment of road specifically set forth in Exhibit 5-80 and as exists on the ground.

Acceptance of the 150719F Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8891. The 150719F Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8892. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150719F Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8893. The 150719F Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8894. The 150719F Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150719F Road pursuant to the County's governmental right and authority.

8895. Witnesses with personal knowledge of the history of the 150719F Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150719F Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8896. Public motor vehicle use of the 150719F Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8897. The 150719F Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8898. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150719F Road.

8899. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150719F Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150719G Road

8900. The 150719G Road is designated as county road number 150719G and SGID road identification number RD245566 and is more or less 0.6 miles long.

8901. Exhibit 5-81 (attached hereto and incorporated herein) contains certain information pertaining to the 150719G Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8902. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150719G Road solely as it crosses United States public land as included and specifically described in Exhibit 5-81. The 150719G Road includes the segment of road specifically set forth in Exhibit 5-81 and as exists on the ground.

Acceptance of the 150719G Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8903. The 150719G Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8904. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150719G Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8905. The 150719G Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150719G Road pursuant to the County's governmental right and authority.

8906. Witnesses with personal knowledge of the history of the 150719G Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150719G Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8907. Public motor vehicle use of the 150719G Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8908. The 150719G Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8909. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150719G Road.

8910. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150719G Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150719H Road

8911. The 150719H Road is designated as county road number 150719H and SGID road identification number RD245567 and is more or less 0.3 miles long.

8912. Exhibit 5-82 (attached hereto and incorporated herein) contains certain information pertaining to the 150719H Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8913. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150719H Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-82. The 150719H Road includes the segment of road specifically set forth in Exhibit 5-82 and as exists on the ground.

Acceptance of the 150719H Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8914. The 150719H Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8915. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150719H Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8916. The 150719H Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150719H Road pursuant to the County's governmental right and authority.

8917. Witnesses with personal knowledge of the history of the 150719H Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150719H Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8918. Public motor vehicle use of the 150719H Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8919. The 150719H Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8920. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150719H Road.

8921. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150719H Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150719J Road

8922. The 150719J Road is designated as county road number 150719J and SGID road identification number RD245569 and is more or less 5.2 miles long.

8923. Exhibit 5-83 (attached hereto and incorporated herein) contains certain information pertaining to the 150719J Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8924. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150719J Road solely as it crosses United States public land as included and specifically described in Exhibit 5-83. The 150719J Road includes the segment of road specifically set forth in Exhibit 5-83 and as exists on the ground.

Acceptance of the 150719J Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8925. The 150719J Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8926. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before May 27, 1952.

8927. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150719J Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8928. The 150719J Road appears on the Red Wash (1968) and Dinosaur NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8929. The 150719J Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150719J Road pursuant to the County's governmental right and authority.

8930. Witnesses with personal knowledge of the history of the 150719J Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150719J Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8931. Public motor vehicle use of the 150719J Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8932. The 150719J Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8933. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150719J Road.

8934. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150719J Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150719R Road

8935. The 150719R Road is designated as county road number 150719R and SGID road identification number RD245575 and is more or less 0.6 miles long.

8936. Exhibit 5-84 (attached hereto and incorporated herein) contains certain information pertaining to the 150719R Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8937. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150719R Road solely as it crosses United States public land as included and specifically described in Exhibit 5-84. The 150719R Road includes the segment of road specifically set forth in Exhibit 5-84 and as exists on the ground.

Acceptance of the 150719R Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8938. The 150719R Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8939. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150719R Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8940. The 150719R Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150719R Road pursuant to the County's governmental right and authority.

8941. Witnesses with personal knowledge of the history of the 150719R Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 150719R Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8942. Public motor vehicle use of the 150719R Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8943. The 150719R Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8944. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150719R Road.

8945. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150719R Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150719S Road

8946. The 150719S Road is designated as county road number 150719S and SGID road identification number RD245576 and is more or less 0.8 miles long.

8947. Exhibit 5-85 (attached hereto and incorporated herein) contains certain information pertaining to the 150719S Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8948. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150719S Road solely as it crosses United States public land as included and specifically described in Exhibit 5-85. The 150719S Road includes the segment of road specifically set forth in Exhibit 5-85 and as exists on the ground.

Acceptance of the 150719S Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8949. The 150719S Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8950. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150719S Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8951. The 150719S Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8952. The 150719S Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150719S Road pursuant to the County's governmental right and authority.

8953. Witnesses with personal knowledge of the history of the 150719S Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150719S Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8954. Public motor vehicle use of the 150719S Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8955. The 150719S Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8956. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150719S Road.

8957. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150719S Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150719T Road

8958. The 150719T Road is designated as county road number 150719T and SGID road identification number RD245577 and is more or less 1.3 miles long.

8959. Exhibit 5-86 (attached hereto and incorporated herein) contains certain information pertaining to the 150719T Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8960. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150719T Road solely as it crosses United States public land as included and specifically described in Exhibit 5-86. The 150719T Road includes the segment of road specifically set forth in Exhibit 5-86 and as exists on the ground.

Acceptance of the 150719T Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8961. The 150719T Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

8962. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before April 11, 1963.

8963. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150719T Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8964. The 150719T Road appears on the Red Wash (1968) and Dinosaur NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8965. The 150719T Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150719T Road pursuant to the County's governmental right and authority.

8966. Witnesses with personal knowledge of the history of the 150719T Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150719T Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8967. Public motor vehicle use of the 150719T Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8968. The 150719T Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8969. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150719T Road.

8970. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150719T Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150720 Road

8971. The 150720 Road is designated as county road number 150720 and SGID road identification number RD245578 and is more or less 3.4 miles long.

8972. Exhibit 5-87 (attached hereto and incorporated herein) contains certain information pertaining to the 150720 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8973. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150720 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-87. The 150720 Road includes the segment of road specifically set forth in Exhibit 5-87 and as exists on the ground.

Acceptance of the 150720 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8974. The 150720 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8975. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150720 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8976. The 150720 Road appears on the Dinosaur NW (1968) and Dinosaur (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8977. The 150720 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150720 Road pursuant to the County's governmental right and authority.

8978. Witnesses with personal knowledge of the history of the 150720 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150720 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8979. Public motor vehicle use of the 150720 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8980. The 150720 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8981. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150720 Road.

8982. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150720 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150727 Road

8983. The 150727 Road is designated as county road number 150727 and SGID road identification number RD245585 and is more or less 2.2 miles long.

8984. Exhibit 5-88 (attached hereto and incorporated herein) contains certain information pertaining to the 150727 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8985. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150727 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-88. The 150727 Road includes the segment of road specifically set forth in Exhibit 5-88 and as exists on the ground.

Acceptance of the 150727 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8986. The 150727 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8987. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150727 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

8988. The 150727 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

8989. The 150727 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150727 Road pursuant to the County's governmental right and authority.

8990. Witnesses with personal knowledge of the history of the 150727 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150727 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

8991. Public motor vehicle use of the 150727 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

8992. The 150727 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

8993. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150727 Road.

8994. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150727 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150727B Road

8995. The 150727B Road is designated as county road number 150727B and SGID road identification number RD245587 and is more or less 0.4 miles long.

8996. Exhibit 5-89 (attached hereto and incorporated herein) contains certain information pertaining to the 150727B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

8997. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150727B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-89. The 150727B Road includes the segment of road specifically set forth in Exhibit 5-89 and as exists on the ground.

Acceptance of the 150727B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

8998. The 150727B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

8999. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150727B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9000. The 150727B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150727B Road pursuant to the County's governmental right and authority.

9001. Witnesses with personal knowledge of the history of the 150727B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150727B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9002. Public motor vehicle use of the 150727B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9003. The 150727B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9004. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150727B Road.

9005. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150727B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150729 Road

9006. The 150729 Road is designated as county road number 150729 and SGID road identification number RD245590 and is more or less 1.2 miles long.

9007. Exhibit 5-90 (attached hereto and incorporated herein) contains certain information pertaining to the 150729 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9008. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150729 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-90. The 150729 Road includes the segment of road specifically set forth in Exhibit 5-90 and as exists on the ground.

Acceptance of the 150729 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9009. The 150729 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9010. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150729 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9011. The 150729 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150729 Road pursuant to the County's governmental right and authority.

9012. Witnesses with personal knowledge of the history of the 150729 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 150729 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9013. Public motor vehicle use of the 150729 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9014. The 150729 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9015. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150729 Road.

9016. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150729 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150730 Road

9017. The 150730 Road is designated as county road number 150730 and SGID road identification number RD245591 and is more or less 0.2 miles long.

9018. Exhibit 5-91 (attached hereto and incorporated herein) contains certain information pertaining to the 150730 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9019. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150730 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-91. The 150730 Road includes the segment of road specifically set forth in Exhibit 5-91 and as exists on the ground.

Acceptance of the 150730 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9020. The 150730 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9021. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150730 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9022. The 150730 Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9023. The 150730 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150730 Road pursuant to the County's governmental right and authority.

9024. Witnesses with personal knowledge of the history of the 150730 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis,

whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150730 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9025. Public motor vehicle use of the 150730 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9026. The 150730 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9027. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150730 Road.

9028. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150730 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150731A Road

9029. The 150731A Road is designated as county road number 150731A and SGID road identification number RD245593 and is more or less 1.5 miles long.

9030. Exhibit 5-92 (attached hereto and incorporated herein) contains certain information pertaining to the 150731A Road including: a map depicting the road; township,

range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9031. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150731A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-92. The 150731A Road includes the segment of road specifically set forth in Exhibit 5-92 and as exists on the ground.

Acceptance of the 150731A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9032. The 150731A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9033. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150731A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9034. The 150731A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150731A Road pursuant to the County's governmental right and authority.

9035. Witnesses with personal knowledge of the history of the 150731A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150731A Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9036. Public motor vehicle use of the 150731A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9037. The 150731A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9038. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150731A Road.

9039. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150731A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150731B Road

9040. The 150731B Road is designated as county road number 150731B and SGID road identification number RD245594 and is more or less 0.6 miles long.

9041. Exhibit 5-93 (attached hereto and incorporated herein) contains certain information pertaining to the 150731B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9042. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150731B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-93. The 150731B Road includes the segment of road specifically set forth in Exhibit 5-93 and as exists on the ground.

Acceptance of the 150731B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9043. The 150731B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9044. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150731B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9045. The 150731B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150731B Road pursuant to the County's governmental right and authority.

9046. Witnesses with personal knowledge of the history of the 150731B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150731B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9047. Public motor vehicle use of the 150731B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9048. The 150731B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9049. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150731B Road.

9050. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150731B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150732 Road

9051. The 150732 Road is designated as county road number 150732 and SGID road identification number RD245595 and is more or less 1.8 miles long.

9052. Exhibit 5-94 (attached hereto and incorporated herein) contains certain information pertaining to the 150732 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9053. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150732 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-94. The 150732 Road includes the segment of road specifically set forth in Exhibit 5-94 and as exists on the ground.

Acceptance of the 150732 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9054. The 150732 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9055. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150732 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9056. The 150732 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150732 Road pursuant to the County's governmental right and authority.

9057. Witnesses with personal knowledge of the history of the 150732 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150732 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9058. Public motor vehicle use of the 150732 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9059. The 150732 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9060. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150732 Road.

9061. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150732 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150733 Road

9062. The 150733 Road is designated as county road number 150733 and SGID road identification number RD245596 and is more or less 0.9 miles long.

9063. Exhibit 5-95 (attached hereto and incorporated herein) contains certain information pertaining to the 150733 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9064. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150733 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-95. The 150733 Road includes the segment of road specifically set forth in Exhibit 5-95 and as exists on the ground.

Acceptance of the 150733 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9065. The 150733 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9066. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150733 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9067. The 150733 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150733 Road pursuant to the County's governmental right and authority.

9068. Witnesses with personal knowledge of the history of the 150733 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150733 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9069. Public motor vehicle use of the 150733 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9070. The 150733 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9071. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150733 Road.

9072. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150733 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150734 Road

9073. The 150734 Road is designated as county road number 150734 and SGID road identification number RD245598 and is more or less 1.7 miles long.

9074. Exhibit 5-96 (attached hereto and incorporated herein) contains certain information pertaining to the 150734 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9075. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150734 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-96. The 150734 Road includes the segment of road specifically set forth in Exhibit 5-96 and as exists on the ground.

Acceptance of the 150734 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9076. The 150734 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9077. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150734 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9078. The 150734 Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9079. The 150734 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150734 Road pursuant to the County's governmental right and authority.

9080. Witnesses with personal knowledge of the history of the 150734 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150734 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9081. Public motor vehicle use of the 150734 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9082. The 150734 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9083. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150734 Road.

9084. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150734 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150735 Road

9085. The 150735 Road is designated as county road number 150735 and SGID road identification number RD245600 and is more or less 1.3 miles long.

9086. Exhibit 5-97 (attached hereto and incorporated herein) contains certain information pertaining to the 150735 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9087. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150735 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-97. The 150735 Road includes the segment of road specifically set forth in Exhibit 5-97 and as exists on the ground.

Acceptance of the 150735 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9088. The 150735 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9089. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150735 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9090. The 150735 Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9091. The 150735 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150735 Road pursuant to the County's governmental right and authority.

9092. Witnesses with personal knowledge of the history of the 150735 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150735 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9093. Public motor vehicle use of the 150735 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9094. The 150735 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9095. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150735 Road.

9096. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150735 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150735A Road

9097. The 150735A Road is designated as county road number 150735A and SGID road identification number RD245601 and is more or less 0.4 miles long.

9098. Exhibit 5-98 (attached hereto and incorporated herein) contains certain information pertaining to the 150735A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9099. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150735A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-98. The 150735A Road includes the segment of road specifically set forth in Exhibit 5-98 and as exists on the ground.

Acceptance of the 150735A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9100. The 150735A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9101. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150735A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9102. The 150735A Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9103. The 150735A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150735A Road pursuant to the County's governmental right and authority.

9104. Witnesses with personal knowledge of the history of the 150735A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150735A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9105. Public motor vehicle use of the 150735A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9106. The 150735A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9107. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150735A Road.

9108. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150735A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150739 Road

9109. The 150739 Road is designated as county road number 150739 and SGID road identification number RD245603 and is more or less 1.6 miles long.

9110. Exhibit 5-99 (attached hereto and incorporated herein) contains certain information pertaining to the 150739 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9111. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150739 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-99. The 150739 Road includes the segment of road specifically set forth in Exhibit 5-99 and as exists on the ground.

Acceptance of the 150739 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9112. The 150739 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9113. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150739 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9114. The 150739 Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9115. The 150739 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150739 Road pursuant to the County's governmental right and authority.

9116. Witnesses with personal knowledge of the history of the 150739 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150739 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9117. Public motor vehicle use of the 150739 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9118. The 150739 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9119. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150739 Road.

9120. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150739 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150750 Road

9121. The 150750 Road is designated as county road number 150750 and SGID road identification number RD245604 and is more or less 0.2 miles long.

9122. Exhibit 5-100 (attached hereto and incorporated herein) contains certain information pertaining to the 150750 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9123. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150750 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-100. The 150750 Road includes the segment of road specifically set forth in Exhibit 5-100 and as exists on the ground.

Acceptance of the 150750 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9124. The 150750 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9125. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150750 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9126. The 150750 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9127. The 150750 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150750 Road pursuant to the County's governmental right and authority.

9128. Witnesses with personal knowledge of the history of the 150750 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150750 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9129. Public motor vehicle use of the 150750 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9130. The 150750 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9131. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150750 Road.

9132. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150750 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161813 Road

9133. The 161813 Road is designated as county road number 161813 and SGID road identification number RD245760 and is more or less 1.4 miles long.

9134. Exhibit 5-101 (attached hereto and incorporated herein) contains certain information pertaining to the 161813 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9135. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161813 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-101. The 161813 Road includes the segment of road specifically set forth in Exhibit 5-101 and as exists on the ground.

Acceptance of the 161813 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9136. The 161813 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9137. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161813 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9138. The 161813 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9139. The 161813 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161813 Road pursuant to the County's governmental right and authority.

9140. Witnesses with personal knowledge of the history of the 161813 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161813 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9141. Public motor vehicle use of the 161813 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9142. The 161813 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9143. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161813 Road.

9144. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161813 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161817 Road

9145. The 161817 Road is designated as county road number 161817 and SGID road identification number RD245766 and is more or less 0.8 miles long.

9146. Exhibit 5-102 (attached hereto and incorporated herein) contains certain information pertaining to the 161817 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9147. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161817 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-102. The 161817 Road includes the segment of road specifically set forth in Exhibit 5-102 and as exists on the ground.

Acceptance of the 161817 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9148. The 161817 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9149. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161817 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9150. The 161817 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9151. The 161817 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161817 Road pursuant to the County's governmental right and authority.

9152. Witnesses with personal knowledge of the history of the 161817 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161817 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9153. Public motor vehicle use of the 161817 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9154. The 161817 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9155. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161817 Road.

9156. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161817 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161817A Road

9157. The 161817A Road is designated as county road number 161817A and SGID road identification number RD245767 and is more or less 0.4 miles long.

9158. Exhibit 5-103 (attached hereto and incorporated herein) contains certain information pertaining to the 161817A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9159. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161817A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-103. The 161817A Road includes the segment of road specifically set forth in Exhibit 5-103 and as exists on the ground.

Acceptance of the 161817A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9160. The 161817A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9161. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161817A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9162. The 161817A Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9163. The 161817A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161817A Road pursuant to the County's governmental right and authority.

9164. Witnesses with personal knowledge of the history of the 161817A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161817A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9165. Public motor vehicle use of the 161817A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9166. The 161817A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9167. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161817A Road.

9168. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161817A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161818 Road

9169. The 161818 Road is designated as county road number 161818 and SGID road identification number RD245769 and is more or less 1.7 miles long.

9170. Exhibit 5-104 (attached hereto and incorporated herein) contains certain information pertaining to the 161818 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9171. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161818 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-104. The 161818 Road includes the segment of road specifically set forth in Exhibit 5-104 and as exists on the ground.

Acceptance of the 161818 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9172. The 161818 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9173. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161818 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9174. The 161818 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9175. The 161818 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161818 Road pursuant to the County's governmental right and authority.

9176. Witnesses with personal knowledge of the history of the 161818 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161818 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9177. Public motor vehicle use of the 161818 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9178. The 161818 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9179. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161818 Road.

9180. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161818 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161818C Road

9181. The 161818C Road is designated as county road number 161818C and SGID road identification number RD245771 and is more or less 0.2 miles long.

9182. Exhibit 5-105 (attached hereto and incorporated herein) contains certain information pertaining to the 161818C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9183. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161818C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-105. The 161818C Road includes the segment of road specifically set forth in Exhibit 5-105 and as exists on the ground.

Acceptance of the 161818C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9184. The 161818C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9185. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161818C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9186. The 161818C Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9187. The 161818C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161818C Road pursuant to the County's governmental right and authority.

9188. Witnesses with personal knowledge of the history of the 161818C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161818C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9189. Public motor vehicle use of the 161818C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9190. The 161818C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9191. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161818C Road.

9192. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161818C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161818D Road

9193. The 161818D Road is designated as county road number 161818D and SGID road identification number RD245772 and is more or less 0.4 miles long.

9194. Exhibit 5-106 (attached hereto and incorporated herein) contains certain information pertaining to the 161818D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9195. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161818D Road solely as it crosses United States public land as included and specifically described in Exhibit 5-106. The 161818D Road includes the segment of road specifically set forth in Exhibit 5-106 and as exists on the ground.

Acceptance of the 161818D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9196. The 161818D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9197. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161818D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9198. The 161818D Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9199. The 161818D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161818D Road pursuant to the County's governmental right and authority.

9200. Witnesses with personal knowledge of the history of the 161818D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161818D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9201. Public motor vehicle use of the 161818D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9202. The 161818D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9203. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161818D Road.

9204. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161818D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161818G Road

9205. The 161818G Road is designated as county road number 161818G and SGID road identification number RD245774 and is more or less 0.03 miles long.

9206. Exhibit 5-107 (attached hereto and incorporated herein) contains certain information pertaining to the 161818G Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9207. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161818G Road solely as it crosses United States public land as included and specifically described in Exhibit 5-107. The 161818G Road includes the segment of road specifically set forth in Exhibit 5-107 and as exists on the ground.

Acceptance of the 161818G Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9208. The 161818G Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9209. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161818G Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9210. The 161818G Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9211. The 161818G Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161818G Road pursuant to the County's governmental right and authority.

9212. Witnesses with personal knowledge of the history of the 161818G Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161818G Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9213. Public motor vehicle use of the 161818G Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9214. The 161818G Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9215. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161818G Road.

9216. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161818G Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161818I Road

9217. The 161818I Road is designated as county road number 161818I and SGID road identification number RD245776 and is more or less 1.3 miles long.

9218. Exhibit 5-108 (attached hereto and incorporated herein) contains certain information pertaining to the 161818I Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9219. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161818I Road solely as it crosses United States public land as included and specifically described in Exhibit 5-108. The 161818I Road includes the segment of road specifically set forth in Exhibit 5-108 and as exists on the ground.

Acceptance of the 161818I Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9220. The 161818I Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9221. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161818I Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9222. The 161818I Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9223. The 161818I Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161818I Road pursuant to the County's governmental right and authority.

9224. Witnesses with personal knowledge of the history of the 161818I Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161818I Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9225. Public motor vehicle use of the 161818I Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9226. The 161818I Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9227. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161818I Road.

9228. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161818I Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161818J Road

9229. The 161818J Road is designated as county road number 161818J and SGID road identification number RD245777 and is more or less 0.6 miles long.

9230. Exhibit 5-109 (attached hereto and incorporated herein) contains certain information pertaining to the 161818J Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9231. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161818J Road solely as it crosses United States public land as included and specifically described in Exhibit 5-109. The 161818J Road includes the segment of road specifically set forth in Exhibit 5-109 and as exists on the ground.

Acceptance of the 161818J Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9232. The 161818J Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9233. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161818J Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9234. The 161818J Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9235. The 161818J Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161818J Road pursuant to the County's governmental right and authority.

9236. Witnesses with personal knowledge of the history of the 161818J Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161818J Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9237. Public motor vehicle use of the 161818J Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9238. The 161818J Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9239. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161818J Road.

9240. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161818J Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161819 Road

9241. The 161819 Road is designated as county road number 161819 and SGID road identification number RD245781 and is more or less 0.9 miles long.

9242. Exhibit 5-110 (attached hereto and incorporated herein) contains certain information pertaining to the 161819 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9243. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161819 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-110. The 161819 Road includes the segment of road specifically set forth in Exhibit 5-110 and as exists on the ground.

Acceptance of the 161819 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9244. The 161819 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9245. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161819 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9246. The 161819 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9247. The 161819 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161819 Road pursuant to the County's governmental right and authority.

9248. Witnesses with personal knowledge of the history of the 161819 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161819 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9249. Public motor vehicle use of the 161819 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9250. The 161819 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9251. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161819 Road.

9252. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161819 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

170301 Road

9253. The 170301 Road is designated as county road number 170301 and SGID road identification number RD245788 and is more or less 0.3 miles long.

9254. Exhibit 5-111 (attached hereto and incorporated herein) contains certain information pertaining to the 170301 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9255. In this action, the State and County seek to quiet title to the public highway right-of-way for the 170301 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-111. The 170301 Road includes the segment of road specifically set forth in Exhibit 5-111 and as exists on the ground.

Acceptance of the 170301 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9256. The 170301 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9257. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 170301 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9258. The 170301 Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9259. The 170301 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 170301 Road pursuant to the County's governmental right and authority.

9260. Witnesses with personal knowledge of the history of the 170301 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 170301 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9261. Public motor vehicle use of the 170301 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9262. The 170301 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9263. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 170301 Road.

9264. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 170301 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171301 Road

9265. The 171301 Road is designated as county road number 171301 and SGID road identification number RD245820 and is more or less 4.1 miles long.

9266. Exhibit 5-112 (attached hereto and incorporated herein) contains certain information pertaining to the 171301 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9267. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171301 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-112. The 171301 Road includes the segment of road specifically set forth in Exhibit 5-112 and as exists on the ground.

Acceptance of the 171301 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9268. The 171301 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9269. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171301 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9270. The 171301 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9271. The 171301 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171301 Road pursuant to the County's governmental right and authority.

9272. Witnesses with personal knowledge of the history of the 171301 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171301 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9273. Public motor vehicle use of the 171301 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9274. The 171301 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9275. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171301 Road.

9276. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171301 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171301A Road

9277. The 171301A Road is designated as county road number 171301A and SGID road identification number RD245821 and is more or less 3.1 miles long.

9278. Exhibit 5-113 (attached hereto and incorporated herein) contains certain information pertaining to the 171301A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9279. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171301A Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-113. The 171301A Road includes the segment of road specifically set forth in Exhibit 5-113 and as exists on the ground.

Acceptance of the 171301A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9280. The 171301A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9281. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171301A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9282. The 171301A Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9283. The 171301A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171301A Road pursuant to the County's governmental right and authority.

9284. Witnesses with personal knowledge of the history of the 171301A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171301A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9285. Public motor vehicle use of the 171301A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9286. The 171301A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9287. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171301A Road.

9288. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171301A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171301C Road

9289. The 171301C Road is designated as county road number 171301C and SGID road identification number RD245823 and is more or less 0.2 miles long.

9290. Exhibit 5-114 (attached hereto and incorporated herein) contains certain information pertaining to the 171301C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9291. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171301C Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-114. The 171301C Road includes the segment of road specifically set forth in Exhibit 5-114 and as exists on the ground.

Acceptance of the 171301C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9292. The 171301C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9293. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171301C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9294. The 171301C Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9295. The 171301C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171301C Road pursuant to the County's governmental right and authority.

9296. Witnesses with personal knowledge of the history of the 171301C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171301C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9297. Public motor vehicle use of the 171301C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9298. The 171301C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9299. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171301C Road.

9300. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171301C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171301D Road

9301. The 171301D Road is designated as county road number 171301D and SGID road identification number RD245824 and is more or less 0.2 miles long.

9302. Exhibit 5-115 (attached hereto and incorporated herein) contains certain information pertaining to the 171301D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9303. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171301D Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-115. The 171301D Road includes the segment of road specifically set forth in Exhibit 5-115 and as exists on the ground.

Acceptance of the 171301D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9304. The 171301D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9305. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171301D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9306. The 171301D Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9307. The 171301D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171301D Road pursuant to the County's governmental right and authority.

9308. Witnesses with personal knowledge of the history of the 171301D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171301D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9309. Public motor vehicle use of the 171301D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9310. The 171301D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9311. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171301D Road.

9312. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171301D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171301F Road

9313. The 171301F Road is designated as county road number 171301F and SGID road identification number RD245825 and is more or less 0.9 miles long.

9314. Exhibit 5-116 (attached hereto and incorporated herein) contains certain information pertaining to the 171301F Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9315. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171301F Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-116. The 171301F Road includes the segment of road specifically set forth in Exhibit 5-116 and as exists on the ground.

Acceptance of the 171301F Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9316. The 171301F Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9317. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171301F Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9318. The 171301F Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171301F Road pursuant to the County's governmental right and authority.

9319. Witnesses with personal knowledge of the history of the 171301F Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171301F Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9320. Public motor vehicle use of the 171301F Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9321. The 171301F Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9322. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171301F Road.

9323. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171301F Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171301G Road

9324. The 171301G Road is designated as county road number 171301G and SGID road identification number RD245826 and is more or less 2.1 miles long.

9325. Exhibit 5-117 (attached hereto and incorporated herein) contains certain information pertaining to the 171301G Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9326. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171301G Road solely as it crosses United States public land as included and specifically described in Exhibit 5-117. The 171301G Road includes the segment of road specifically set forth in Exhibit 5-117 and as exists on the ground.

Acceptance of the 171301G Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9327. The 171301G Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9328. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171301G Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9329. The 171301G Road appears on the Red Wash (1968) and Dinosaur NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9330. The 171301G Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171301G Road pursuant to the County's governmental right and authority.

9331. Witnesses with personal knowledge of the history of the 171301G Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171301G Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9332. Public motor vehicle use of the 171301G Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9333. The 171301G Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9334. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171301G Road.

9335. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171301G Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171303 Road

9336. The 171303 Road is designated as county road number 171303 and SGID road identification number RD245828 and is more or less 3.7 miles long.

9337. Exhibit 5-118 (attached hereto and incorporated herein) contains certain information pertaining to the 171303 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9338. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171303 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-118. The 171303 Road includes the segment of road specifically set forth in Exhibit 5-118 and as exists on the ground.

Acceptance of the 171303 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9339. The 171303 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9340. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171303 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9341. The 171303 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9342. The 171303 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171303 Road pursuant to the County's governmental right and authority.

9343. Witnesses with personal knowledge of the history of the 171303 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171303 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9344. Public motor vehicle use of the 171303 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9345. The 171303 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9346. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171303 Road.

9347. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171303 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171304 Road

9348. The 171304 Road is designated as county road number 171304 and SGID road identification number RD245830 and is more or less 2.2 miles long.

9349. Exhibit 5-119 (attached hereto and incorporated herein) contains certain information pertaining to the 171304 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9350. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171304 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-119. The 171304 Road includes the segment of road specifically set forth in Exhibit 5-119 and as exists on the ground.

Acceptance of the 171304 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9351. The 171304 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9352. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171304 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9353. The 171304 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9354. The 171304 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171304 Road pursuant to the County's governmental right and authority.

9355. Witnesses with personal knowledge of the history of the 171304 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171304 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9356. Public motor vehicle use of the 171304 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9357. The 171304 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9358. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171304 Road.

9359. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171304 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171305A Road

9360. The 171305A Road is designated as county road number 171305A and SGID road identification number RD245832 and is more or less 1.1 miles long.

9361. Exhibit 5-120 (attached hereto and incorporated herein) contains certain information pertaining to the 171305A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9362. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171305A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-120. The 171305A Road includes the segment of road specifically set forth in Exhibit 5-120 and as exists on the ground.

Acceptance of the 171305A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9363. The 171305A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9364. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171305A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9365. The 171305A Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9366. The 171305A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 171305A Road pursuant to the County's governmental right and authority.

9367. Witnesses with personal knowledge of the history of the 171305A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171305A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9368. Public motor vehicle use of the 171305A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9369. The 171305A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9370. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171305A Road.

9371. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171305A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171305B Road

9372. The 171305B Road is designated as county road number 171305B and SGID road identification number RD245833 and is more or less 1.1 miles long.

9373. Exhibit 5-121 (attached hereto and incorporated herein) contains certain information pertaining to the 171305B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9374. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171305B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-121. The 171305B Road includes the segment of road specifically set forth in Exhibit 5-121 and as exists on the ground.

Acceptance of the 171305B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9375. The 171305B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9376. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before October 21, 1965.

9377. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171305B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9378. The 171305B Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9379. The 171305B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171305B Road pursuant to the County's governmental right and authority.

9380. Witnesses with personal knowledge of the history of the 171305B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171305B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9381. Public motor vehicle use of the 171305B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9382. The 171305B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9383. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171305B Road.

9384. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171305B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171305C Road

9385. The 171305C Road is designated as county road number 171305C and SGID road identification number RD245834 and is more or less 4.1 miles long.

9386. Exhibit 5-122 (attached hereto and incorporated herein) contains certain information pertaining to the 171305C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9387. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171305C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-122. The 171305C Road includes the segment of road specifically set forth in Exhibit 5-122 and as exists on the ground.

Acceptance of the 171305C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9388. The 171305C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9389. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171305C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9390. The 171305C Road appears on the Bonanza (1968) and Dinosaur NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9391. The 171305C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171305C Road pursuant to the County's governmental right and authority.

9392. Witnesses with personal knowledge of the history of the 171305C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171305C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9393. Public motor vehicle use of the 171305C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9394. The 171305C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9395. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171305C Road.

9396. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171305C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171305D Road

9397. The 171305D Road is designated as county road number 171305D and SGID road identification number RD245835 and is more or less 2.7 miles long.

9398. Exhibit 5-123 (attached hereto and incorporated herein) contains certain information pertaining to the 171305D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9399. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171305D Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-123. The 171305D Road includes the segment of road specifically set forth in Exhibit 5-123 and as exists on the ground.

Acceptance of the 171305D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9400. The 171305D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9401. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171305D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9402. The 171305D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171305D Road pursuant to the County's governmental right and authority.

9403. Witnesses with personal knowledge of the history of the 171305D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171305D Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9404. Public motor vehicle use of the 171305D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9405. The 171305D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9406. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171305D Road.

9407. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171305D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171305E Road

9408. The 171305E Road is designated as county road number 171305E and SGID road identification number RD245836 and is more or less 0.6 miles long.

9409. Exhibit 5-124 (attached hereto and incorporated herein) contains certain information pertaining to the 171305E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9410. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171305E Road solely as it crosses United States public land as included and specifically described in Exhibit 5-124. The 171305E Road includes the segment of road specifically set forth in Exhibit 5-124 and as exists on the ground.

Acceptance of the 171305E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9411. The 171305E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9412. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171305E Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9413. The 171305E Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9414. The 171305E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171305E Road pursuant to the County's governmental right and authority.

9415. Witnesses with personal knowledge of the history of the 171305E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171305E Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9416. Public motor vehicle use of the 171305E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9417. The 171305E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9418. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171305E Road.

9419. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171305E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171305G Road

9420. The 171305G Road is designated as county road number 171305G and SGID road identification number RD245837 and is more or less 0.8 miles long.

9421. Exhibit 5-125 (attached hereto and incorporated herein) contains certain information pertaining to the 171305G Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9422. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171305G Road solely as it crosses United States public land as included and specifically described in Exhibit 5-125. The 171305G Road includes the segment of road specifically set forth in Exhibit 5-125 and as exists on the ground.

Acceptance of the 171305G Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9423. The 171305G Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9424. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171305G Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9425. The 171305G Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9426. The 171305G Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171305G Road pursuant to the County's governmental right and authority.

9427. Witnesses with personal knowledge of the history of the 171305G Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171305G Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9428. Public motor vehicle use of the 171305G Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9429. The 171305G Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9430. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171305G Road.

9431. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171305G Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171306 Road

9432. The 171306 Road is designated as county road number 171306 and SGID road identification number RD245838 and is more or less 2.6 miles long.

9433. Exhibit 5-126 (attached hereto and incorporated herein) contains certain information pertaining to the 171306 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9434. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171306 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-126. The 171306 Road includes the segment of road specifically set forth in Exhibit 5-126 and as exists on the ground.

Acceptance of the 171306 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9435. The 171306 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9436. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171306 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9437. The 171306 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9438. The 171306 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171306 Road pursuant to the County's governmental right and authority.

9439. Witnesses with personal knowledge of the history of the 171306 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171306 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9440. Public motor vehicle use of the 171306 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9441. The 171306 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9442. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171306 Road.

9443. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171306 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171307 Road

9444. The 171307 Road is designated as county road number 171307 and SGID road identification number RD245839 and is more or less 0.4 miles long.

9445. Exhibit 5-127 (attached hereto and incorporated herein) contains certain information pertaining to the 171307 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9446. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171307 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-127. The 171307 Road includes the segment of road specifically set forth in Exhibit 5-127 and as exists on the ground.

Acceptance of the 171307 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9447. The 171307 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9448. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171307 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9449. The 171307 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9450. The 171307 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171307 Road pursuant to the County's governmental right and authority.

9451. Witnesses with personal knowledge of the history of the 171307 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171307 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9452. Public motor vehicle use of the 171307 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9453. The 171307 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9454. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171307 Road.

9455. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171307 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171308 Road

9456. The 171308 Road is designated as county road number 171308 and SGID road identification number RD245840 and is more or less 0.6 miles long.

9457. Exhibit 5-128 (attached hereto and incorporated herein) contains certain information pertaining to the 171308 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9458. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171308 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-128. The 171308 Road includes the segment of road specifically set forth in Exhibit 5-128 and as exists on the ground.

Acceptance of the 171308 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9459. The 171308 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9460. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171308 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9461. The 171308 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9462. The 171308 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171308 Road pursuant to the County's governmental right and authority.

9463. Witnesses with personal knowledge of the history of the 171308 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171308 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9464. Public motor vehicle use of the 171308 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9465. The 171308 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9466. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171308 Road.

9467. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171308 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171309 Road

9468. The 171309 Road is designated as county road number 171309 and SGID road identification number RD245841 and is more or less 0.6 miles long.

9469. Exhibit 5-129 (attached hereto and incorporated herein) contains certain information pertaining to the 171309 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9470. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171309 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-129. The 171309 Road includes the segment of road specifically set forth in Exhibit 5-129 and as exists on the ground.

Acceptance of the 171309 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9471. The 171309 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9472. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171309 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9473. The 171309 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9474. The 171309 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171309 Road pursuant to the County's governmental right and authority.

9475. Witnesses with personal knowledge of the history of the 171309 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171309 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9476. Public motor vehicle use of the 171309 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9477. The 171309 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9478. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171309 Road.

9479. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171309 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171409 Road

9480. The 171409 Road is designated as county road number 171409 and SGID road identification number RD245855 and is more or less 0.6 miles long.

9481. Exhibit 5-130 (attached hereto and incorporated herein) contains certain information pertaining to the 171409 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9482. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171409 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-130. The 171409 Road includes the segment of road specifically set forth in Exhibit 5-130 and as exists on the ground.

Acceptance of the 171409 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9483. The 171409 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9484. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171409 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9485. The 171409 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9486. The 171409 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171409 Road pursuant to the County's governmental right and authority.

9487. Witnesses with personal knowledge of the history of the 171409 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171409 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9488. Public motor vehicle use of the 171409 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9489. The 171409 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9490. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171409 Road.

9491. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171409 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171410 Road

9492. The 171410 Road is designated as county road number 171410 and SGID road identification number RD245857 and is more or less 0.3 miles long.

9493. Exhibit 5-131 (attached hereto and incorporated herein) contains certain information pertaining to the 171410 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9494. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171410 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-131. The 171410 Road includes the segment of road specifically set forth in Exhibit 5-131 and as exists on the ground.

Acceptance of the 171410 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9495. The 171410 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9496. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171410 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9497. The 171410 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171410 Road pursuant to the County's governmental right and authority.

9498. Witnesses with personal knowledge of the history of the 171410 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171410 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9499. Public motor vehicle use of the 171410 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9500. The 171410 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9501. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171410 Road.

9502. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171410 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171413 Road

9503. The 171413 Road is designated as county road number 171413 and SGID road identification number RD245861 and is more or less 0.4 miles long.

9504. Exhibit 5-132 (attached hereto and incorporated herein) contains certain information pertaining to the 171413 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9505. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171413 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-132. The 171413 Road includes the segment of road specifically set forth in Exhibit 5-132 and as exists on the ground.

Acceptance of the 171413 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9506. The 171413 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9507. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171413 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9508. The 171413 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9509. The 171413 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171413 Road pursuant to the County's governmental right and authority.

9510. Witnesses with personal knowledge of the history of the 171413 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171413 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9511. Public motor vehicle use of the 171413 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9512. The 171413 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9513. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171413 Road.

9514. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171413 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171415 Road

9515. The 171415 Road is designated as county road number 171415 and SGID road identification number RD245863 and is more or less 0.1 miles long.

9516. Exhibit 5-133 (attached hereto and incorporated herein) contains certain information pertaining to the 171415 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9517. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171415 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-133. The 171415 Road includes the segment of road specifically set forth in Exhibit 5-133 and as exists on the ground.

Acceptance of the 171415 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9518. The 171415 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9519. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171415 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9520. The 171415 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9521. The 171415 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171415 Road pursuant to the County's governmental right and authority.

9522. Witnesses with personal knowledge of the history of the 171415 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171415 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9523. Public motor vehicle use of the 171415 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9524. The 171415 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9525. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171415 Road.

9526. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171415 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171416 Road

9527. The 171416 Road is designated as county road number 171416 and SGID road identification number RD245864 and is more or less 0.9 miles long.

9528. Exhibit 5-134 (attached hereto and incorporated herein) contains certain information pertaining to the 171416 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9529. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171416 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-134. The 171416 Road includes the segment of road specifically set forth in Exhibit 5-134 and as exists on the ground.

Acceptance of the 171416 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9530. The 171416 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9531. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171416 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9532. The 171416 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9533. The 171416 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171416 Road pursuant to the County's governmental right and authority.

9534. Witnesses with personal knowledge of the history of the 171416 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171416 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9535. Public motor vehicle use of the 171416 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9536. The 171416 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9537. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171416 Road.

9538. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171416 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171416B Road

9539. The 171416B Road is designated as county road number 171416B and SGID road identification number RD245866 and is more or less 0.2 miles long.

9540. Exhibit 5-135 (attached hereto and incorporated herein) contains certain information pertaining to the 171416B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9541. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171416B Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-135. The 171416B Road includes the segment of road specifically set forth in Exhibit 5-135 and as exists on the ground.

Acceptance of the 171416B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9542. The 171416B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9543. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171416B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9544. The 171416B Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9545. The 171416B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171416B Road pursuant to the County's governmental right and authority.

9546. Witnesses with personal knowledge of the history of the 171416B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171416B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9547. Public motor vehicle use of the 171416B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9548. The 171416B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9549. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171416B Road.

9550. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171416B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171417 Road

9551. The 171417 Road is designated as county road number 171417 and SGID road identification number RD245869 and is more or less 0.6 miles long.

9552. Exhibit 5-136 (attached hereto and incorporated herein) contains certain information pertaining to the 171417 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9553. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171417 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-136. The 171417 Road includes the segment of road specifically set forth in Exhibit 5-136 and as exists on the ground.

Acceptance of the 171417 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9554. The 171417 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9555. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171417 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9556. The 171417 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9557. The 171417 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171417 Road pursuant to the County's governmental right and authority.

9558. Witnesses with personal knowledge of the history of the 171417 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171417 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9559. Public motor vehicle use of the 171417 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9560. The 171417 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9561. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171417 Road.

9562. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171417 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171419 Road

9563. The 171419 Road is designated as county road number 171419 and SGID road identification number RD245871 and is more or less 0.6 miles long.

9564. Exhibit 5-137 (attached hereto and incorporated herein) contains certain information pertaining to the 171419 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9565. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171419 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-137. The 171419 Road includes the segment of road specifically set forth in Exhibit 5-137 and as exists on the ground.

Acceptance of the 171419 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9566. The 171419 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9567. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171419 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9568. The 171419 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9569. The 171419 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171419 Road pursuant to the County's governmental right and authority.

9570. Witnesses with personal knowledge of the history of the 171419 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171419 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9571. Public motor vehicle use of the 171419 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9572. The 171419 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9573. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171419 Road.

9574. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171419 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171420 Road

9575. The 171420 Road is designated as county road number 171420 and SGID road identification number RD245874 and is more or less 1.5 miles long.

9576. Exhibit 5-138 (attached hereto and incorporated herein) contains certain information pertaining to the 171420 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9577. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171420 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-138. The 171420 Road includes the segment of road specifically set forth in Exhibit 5-138 and as exists on the ground.

Acceptance of the 171420 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9578. The 171420 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9579. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171420 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9580. The 171420 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9581. The 171420 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171420 Road pursuant to the County's governmental right and authority.

9582. Witnesses with personal knowledge of the history of the 171420 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171420 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9583. Public motor vehicle use of the 171420 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9584. The 171420 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9585. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171420 Road.

9586. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171420 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171420A Road

9587. The 171420A Road is designated as county road number 171420A and SGID road identification number RD245875 and is more or less 1.1 miles long.

9588. Exhibit 5-139 (attached hereto and incorporated herein) contains certain information pertaining to the 171420A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9589. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171420A Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-139. The 171420A Road includes the segment of road specifically set forth in Exhibit 5-139 and as exists on the ground.

Acceptance of the 171420A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9590. The 171420A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9591. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171420A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9592. The 171420A Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9593. The 171420A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171420A Road pursuant to the County's governmental right and authority.

9594. Witnesses with personal knowledge of the history of the 171420A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171420A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9595. Public motor vehicle use of the 171420A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9596. The 171420A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9597. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171420A Road.

9598. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171420A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171423 Road

9599. The 171423 Road is designated as county road number 171423 and SGID road identification number RD245879 and is more or less 0.5 miles long.

9600. Exhibit 5-140 (attached hereto and incorporated herein) contains certain information pertaining to the 171423 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9601. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171423 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-140. The 171423 Road includes the segment of road specifically set forth in Exhibit 5-140 and as exists on the ground.

Acceptance of the 171423 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9602. The 171423 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9603. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171423 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9604. The 171423 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9605. The 171423 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171423 Road pursuant to the County's governmental right and authority.

9606. Witnesses with personal knowledge of the history of the 171423 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171423 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9607. Public motor vehicle use of the 171423 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9608. The 171423 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9609. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171423 Road.

9610. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171423 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

172001 Road

9611. The 172001 Road is designated as county road number 172001 and SGID road identification number RD245944 and is more or less 1.4 miles long.

9612. Exhibit 5-141 (attached hereto and incorporated herein) contains certain information pertaining to the 172001 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9613. In this action, the State and County seek to quiet title to the public highway right-of-way for the 172001 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-141. The 172001 Road includes the segment of road specifically set forth in Exhibit 5-141 and as exists on the ground.

Acceptance of the 172001 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9614. The 172001 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9615. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 172001 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9616. The 172001 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 172001 Road pursuant to the County's governmental right and authority.

9617. Witnesses with personal knowledge of the history of the 004546 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004546 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9618. Public motor vehicle use of the 172001 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9619. The 172001 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9620. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 172001 Road.

9621. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 172001 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182406 Road

9622. The 182406 Road is designated as county road number 182406 and SGID road identification number RD246150 and is more or less 1.2 miles long.

9623. Exhibit 5-142 (attached hereto and incorporated herein) contains certain information pertaining to the 182406 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9624. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182406 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-142. The 182406 Road includes the segment of road specifically set forth in Exhibit 5-142 and as exists on the ground.

Acceptance of the 182406 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9625. The 182406 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9626. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182406 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9627. The 182406 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182406 Road pursuant to the County's governmental right and authority.

9628. Witnesses with personal knowledge of the history of the 182406 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182406 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9629. Public motor vehicle use of the 182406 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9630. The 182406 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9631. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182406 Road.

9632. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182406 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182501 Road

9633. The 182501 Road is designated as county road number 182501 and SGID road identification number RD246153 and is more or less 1.6 miles long.

9634. Exhibit 5-143 (attached hereto and incorporated herein) contains certain information pertaining to the 182501 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9635. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182501 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-143. The 182501 Road includes the segment of road specifically set forth in Exhibit 5-143 and as exists on the ground.

Acceptance of the 182501 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9636. The 182501 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9637. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182501 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9638. The 182501 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182501 Road pursuant to the County's governmental right and authority.

9639. Witnesses with personal knowledge of the history of the 182501 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182501 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9640. Public motor vehicle use of the 182501 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9641. The 182501 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9642. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182501 Road.

9643. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182501 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182502A Road

9644. The 182502A Road is designated as county road number 182502A and SGID road identification number RD246154 and is more or less 0.1 miles long.

9645. Exhibit 5-144 (attached hereto and incorporated herein) contains certain information pertaining to the 182502A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9646. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182502A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-144. The 182502A Road includes the segment of road specifically set forth in Exhibit 5-144 and as exists on the ground.

Acceptance of the 182502A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9647. The 182502A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9648. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182502A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9649. The 182502A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182502A Road pursuant to the County's governmental right and authority.

9650. Witnesses with personal knowledge of the history of the 182502A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182502A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9651. Public motor vehicle use of the 182502A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9652. The 182502A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9653. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182502A Road.

9654. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182502A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182701 Road

9655. The 182701 Road is designated as county road number 182701 and SGID road identification number RD246156 and is more or less 3.5 miles long.

9656. Exhibit 5-145 (attached hereto and incorporated herein) contains certain information pertaining to the 182701 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9657. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182701 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-145. The 182701 Road includes the segment of road specifically set forth in Exhibit 5-145 and as exists on the ground.

Acceptance of the 182701 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9658. The 182701 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9659. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182701 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9660. The 182701 Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9661. The 182701 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182701 Road pursuant to the County's governmental right and authority.

9662. Witnesses with personal knowledge of the history of the 182701 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182701 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9663. Public motor vehicle use of the 182701 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9664. The 182701 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9665. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182701 Road.

9666. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182701 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182701A Road

9667. The 182701A Road is designated as county road number 182701A and SGID road identification number RD246157 and is more or less 1.5 miles long.

9668. Exhibit 5-146 (attached hereto and incorporated herein) contains certain information pertaining to the 182701A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9669. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182701A Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-146. The 182701A Road includes the segment of road specifically set forth in Exhibit 5-146 and as exists on the ground.

Acceptance of the 182701A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9670. The 182701A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9671. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182701A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9672. The 182701A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182701A Road pursuant to the County's governmental right and authority.

9673. Witnesses with personal knowledge of the history of the 182701A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182701A Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9674. Public motor vehicle use of the 182701A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9675. The 182701A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9676. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182701A Road.

9677. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182701A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182701C Road

9678. The 182701C Road is designated as county road number 182701C and SGID road identification number RD246159 and is more or less 0.4 miles long.

9679. Exhibit 5-147 (attached hereto and incorporated herein) contains certain information pertaining to the 182701C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9680. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182701C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-147. The 182701C Road includes the segment of road specifically set forth in Exhibit 5-147 and as exists on the ground.

Acceptance of the 182701C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9681. The 182701C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9682. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182701C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9683. The 182701C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182701C Road pursuant to the County's governmental right and authority.

9684. Witnesses with personal knowledge of the history of the 182701C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis,

whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182701C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9685. Public motor vehicle use of the 182701C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9686. The 182701C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9687. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182701C Road.

9688. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182701C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182702 Road

9689. The 182702 Road is designated as county road number 182702 and SGID road identification number RD246161 and is more or less 1.8 miles long.

9690. Exhibit 5-148 (attached hereto and incorporated herein) contains certain information pertaining to the 182702 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9691. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182702 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-148. The 182702 Road includes the segment of road specifically set forth in Exhibit 5-148 and as exists on the ground.

Acceptance of the 182702 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9692. The 182702 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9693. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182702 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9694. The 182702 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182702 Road pursuant to the County's governmental right and authority.

9695. Witnesses with personal knowledge of the history of the 182702 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182702 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9696. Public motor vehicle use of the 182702 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9697. The 182702 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9698. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182702 Road.

9699. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182702 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182710 Road

9700. The 182710 Road is designated as county road number 182710 and SGID road identification number RD246200 and is more or less 3.1 miles long.

9701. Exhibit 5-149 (attached hereto and incorporated herein) contains certain information pertaining to the 182710 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9702. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182710 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-149. The 182710 Road includes the segment of road specifically set forth in Exhibit 5-149 and as exists on the ground.

Acceptance of the 182710 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9703. The 182710 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9704. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182710 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9705. The 182710 Road appears on the Walsh Knolls (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9706. The 182710 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182710 Road pursuant to the County's governmental right and authority.

9707. Witnesses with personal knowledge of the history of the 182710 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182710 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9708. Public motor vehicle use of the 182710 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9709. The 182710 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9710. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182710 Road.

9711. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182710 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182711 Road

9712. The 182711 Road is designated as county road number 182711 and SGID road identification number RD246202 and is more or less 1.9 miles long.

9713. Exhibit 5-150 (attached hereto and incorporated herein) contains certain information pertaining to the 182711 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9714. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182711 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-150. The 182711 Road includes the segment of road specifically set forth in Exhibit 5-150 and as exists on the ground.

Acceptance of the 182711 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9715. The 182711 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9716. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182711 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9717. The 182711 Road appears on the Walsh Knolls (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9718. The 182711 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182711 Road pursuant to the County's governmental right and authority.

9719. Witnesses with personal knowledge of the history of the 182711 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182711 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9720. Public motor vehicle use of the 182711 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9721. The 182711 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9722. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182711 Road.

9723. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182711 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182711A Road

9724. The 182711A Road is designated as county road number 182711A and SGID road identification number RD246203 and is more or less 0.2 miles long.

9725. Exhibit 5-151 (attached hereto and incorporated herein) contains certain information pertaining to the 182711A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9726. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182711A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-151. The 182711A Road includes the segment of road specifically set forth in Exhibit 5-151 and as exists on the ground.

Acceptance of the 182711A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9727. The 182711A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9728. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182711A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9729. The 182711A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182711A Road pursuant to the County's governmental right and authority.

9730. Witnesses with personal knowledge of the history of the 182711A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182711A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9731. Public motor vehicle use of the 182711A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9732. The 182711A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9733. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182711A Road.

9734. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182711A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182711B Road

9735. The 182711B Road is designated as county road number 182711B and SGID road identification number RD246204 and is more or less 2.2 miles long.

9736. Exhibit 5-152 (attached hereto and incorporated herein) contains certain information pertaining to the 182711B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9737. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182711B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-152. The 182711B Road includes the segment of road specifically set forth in Exhibit 5-152 and as exists on the ground.

Acceptance of the 182711B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9738. The 182711B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9739. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182711B Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9740. The 182711B Road appears on the Walsh Knolls (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9741. The 182711B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182711B Road pursuant to the County's governmental right and authority.

9742. Witnesses with personal knowledge of the history of the 182711B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182711B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9743. Public motor vehicle use of the 182711B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9744. The 182711B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9745. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182711B Road.

9746. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182711B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182712 Road

9747. The 182712 Road is designated as county road number 182712 and SGID road identification number RD246207 and is more or less 0.6 miles long.

9748. Exhibit 5-153 (attached hereto and incorporated herein) contains certain information pertaining to the 182712 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9749. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182712 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-153. The 182712 Road includes the segment of road specifically set forth in Exhibit 5-153 and as exists on the ground.

Acceptance of the 182712 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9750. The 182712 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9751. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182712 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9752. The 182712 Road appears on the Walsh Knolls (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9753. The 182712 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182712 Road pursuant to the County's governmental right and authority.

9754. Witnesses with personal knowledge of the history of the 182712 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182712 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9755. Public motor vehicle use of the 182712 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9756. The 182712 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9757. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182712 Road.

9758. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182712 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182712A Road

9759. The 182712A Road is designated as county road number 182712A and SGID road identification number RD246208 and is more or less 1.1 miles long.

9760. Exhibit 5-154 (attached hereto and incorporated herein) contains certain information pertaining to the 182712A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9761. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182712A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-154. The 182712A Road includes the segment of road specifically set forth in Exhibit 5-154 and as exists on the ground.

Acceptance of the 182712A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9762. The 182712A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9763. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182712A Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9764. The 182712A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182712A Road pursuant to the County's governmental right and authority.

9765. Witnesses with personal knowledge of the history of the 182712A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182712A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9766. Public motor vehicle use of the 182712A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9767. The 182712A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9768. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182712A Road.

9769. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182712A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182712B Road

9770. The 182712B Road is designated as county road number 182712B and SGID road identification number RD246209 and is more or less 1.5 miles long.

9771. Exhibit 5-155 (attached hereto and incorporated herein) contains certain information pertaining to the 182712B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9772. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182712B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-155. The 182712B Road includes the segment of road specifically set forth in Exhibit 5-155 and as exists on the ground.

Acceptance of the 182712B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9773. The 182712B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9774. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182712B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9775. The 182712B Road appears on the Walsh Knolls (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9776. The 182712B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182712B Road pursuant to the County's governmental right and authority.

9777. Witnesses with personal knowledge of the history of the 182712B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182712B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9778. Public motor vehicle use of the 182712B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9779. The 182712B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9780. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182712B Road.

9781. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182712B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182713 Road

9782. The 182713 Road is designated as county road number 182713 and SGID road identification number RD246210 and is more or less 0.3 miles long.

9783. Exhibit 5-156 (attached hereto and incorporated herein) contains certain information pertaining to the 182713 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9784. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182713 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-156. The 182713 Road includes the segment of road specifically set forth in Exhibit 5-156 and as exists on the ground.

Acceptance of the 182713 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9785. The 182713 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9786. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182713 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9787. The 182713 Road appears on the Walsh Knolls (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9788. The 182713 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182713 Road pursuant to the County's governmental right and authority.

9789. Witnesses with personal knowledge of the history of the 182713 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182713 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9790. Public motor vehicle use of the 182713 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9791. The 182713 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9792. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182713 Road.

9793. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182713 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182714 Road

9794. The 182714 Road is designated as county road number 182714 and SGID road identification number RD246211 and is more or less 0.2 miles long.

9795. Exhibit 5-157 (attached hereto and incorporated herein) contains certain information pertaining to the 182714 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9796. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182714 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-157. The 182714 Road includes the segment of road specifically set forth in Exhibit 5-157 and as exists on the ground.

Acceptance of the 182714 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9797. The 182714 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9798. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182714 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9799. The 182714 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182714 Road pursuant to the County's governmental right and authority.

9800. Witnesses with personal knowledge of the history of the 182714 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182714 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9801. Public motor vehicle use of the 182714 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9802. The 182714 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9803. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182714 Road.

9804. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182714 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182715A Road

9805. The 182715A Road is designated as county road number 182715A and SGID road identification number RD246213 and is more or less 0.6 miles long.

9806. Exhibit 5-158 (attached hereto and incorporated herein) contains certain information pertaining to the 182715A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9807. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182715A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-158. The 182715A Road includes the segment of road specifically set forth in Exhibit 5-158 and as exists on the ground.

Acceptance of the 182715A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9808. The 182715A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9809. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182715A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9810. The 182715A Road appears on the Walsh Knolls (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9811. The 182715A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182715A Road pursuant to the County's governmental right and authority.

9812. Witnesses with personal knowledge of the history of the 182715A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182715A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9813. Public motor vehicle use of the 182715A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9814. The 182715A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9815. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182715A Road.

9816. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182715A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182715B Road

9817. The 182715B Road is designated as county road number 182715B and SGID road identification number RD246214 and is more or less 2.3 miles long.

9818. Exhibit 5-159 (attached hereto and incorporated herein) contains certain information pertaining to the 182715B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9819. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182715B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-159. The 182715B Road includes the segment of road specifically set forth in Exhibit 5-159 and as exists on the ground.

Acceptance of the 182715B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9820. The 182715B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9821. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182715B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9822. The 182715B Road appears on the Walsh Knolls (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9823. The 182715B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182715B Road pursuant to the County's governmental right and authority.

9824. Witnesses with personal knowledge of the history of the 182715B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182715B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9825. Public motor vehicle use of the 182715B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9826. The 182715B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9827. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182715B Road.

9828. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182715B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182715C Road

9829. The 182715C Road is designated as county road number 182715C and SGID road identification number RD246215 and is more or less 1 mile long.

9830. Exhibit 5-160 (attached hereto and incorporated herein) contains certain information pertaining to the 182715C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9831. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182715C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-160. The 182715C Road includes the segment of road specifically set forth in Exhibit 5-160 and as exists on the ground.

Acceptance of the 182715C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9832. The 182715C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9833. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182715C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9834. The 182715C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182715C Road pursuant to the County's governmental right and authority.

9835. Witnesses with personal knowledge of the history of the 182715C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182715C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9836. Public motor vehicle use of the 182715C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9837. The 182715C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9838. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182715C Road.

9839. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182715C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182715E Road

9840. The 182715E Road is designated as county road number 182715E and SGID road identification number RD246217 and is more or less 1.2 miles long.

9841. Exhibit 5-161 (attached hereto and incorporated herein) contains certain information pertaining to the 182715E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9842. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182715E Road solely as it crosses United States public land as included and specifically described in Exhibit 5-161. The 182715E Road includes the segment of road specifically set forth in Exhibit 5-161 and as exists on the ground.

Acceptance of the 182715E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9843. The 182715E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9844. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182715E Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9845. The 182715E Road appears on the Walsh Knolls (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9846. The 182715E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182715E Road pursuant to the County's governmental right and authority.

9847. Witnesses with personal knowledge of the history of the 182715E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182715E Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9848. Public motor vehicle use of the 182715E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9849. The 182715E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9850. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182715E Road.

9851. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182715E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032505A Road

9852. The 032505A Road is designated as county road number 032505A and SGID road identification number RD244629 and is more or less 0.4 miles long.

9853. Exhibit 5-162 (attached hereto and incorporated herein) contains certain information pertaining to the 032505A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9854. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032505A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-162. The 032505A Road includes the segment of road specifically set forth in Exhibit 5-162 and as exists on the ground.

Acceptance of the 032505A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9855. The 032505A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9856. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032505A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9857. The 032505A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032505A Road pursuant to the County's governmental right and authority.

9858. Witnesses with personal knowledge of the history of the 032505A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 032505A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9859. Public motor vehicle use of the 032505A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9860. The 032505A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9861. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032505A Road.

9862. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032505A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Dead Man Bench Road, 004551

9863. The Dead Man Bench Road is designated as county road number 004551 and SGID road identification number RD243940 and is more or less 1.8 miles long.

9864. Exhibit 5-163 (attached hereto and incorporated herein) contains certain information pertaining to the Dead Man Bench Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9865. In this action, the State and County seek to quiet title to the public highway right-of-way for the Dead Man Bench Road solely as it crosses United States public land as included and specifically described in Exhibit 5-163. The Dead Man Bench Road includes the segment of road specifically set forth in Exhibit 5-163 and as exists on the ground.

Acceptance of the Dead Man Bench Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9866. The Dead Man Bench Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9867. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Dead Man Bench Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9868. The Dead Man Bench Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9869. The Dead Man Bench Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Dead Man Bench Road pursuant to the County's governmental right and authority.

9870. Witnesses with personal knowledge of the history of the Dead Man Bench Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Dead Man Bench Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9871. Public motor vehicle use of the Dead Man Bench Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9872. The Dead Man Bench Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9873. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Dead Man Bench Road.

9874. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Dead Man Bench Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Dump Road, 0424

9875. The Dump Road is designated as county road number 0424 and SGID road identification number RD244849 and is more or less 2.3 miles long.

9876. Exhibit 5-164 (attached hereto and incorporated herein) contains certain information pertaining to the Dump Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9877. In this action, the State and County seek to quiet title to the public highway right-of-way for the Dump Road solely as it crosses United States public land as included and specifically described in Exhibit 5-164. The Dump Road includes the segment of road specifically set forth in Exhibit 5-164 and as exists on the ground.

Acceptance of the Dump Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9878. The Dump Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9879. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Dump Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9880. The Dump Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9881. The Dump Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Dump Road pursuant to the County's governmental right and authority.

9882. Witnesses with personal knowledge of the history of the Dump Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Dump Road has been open for all to come and go

whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9883. Public motor vehicle use of the Dump Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9884. The Dump Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9885. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Dump Road.

9886. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Dump Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Eureka Vein Road, 0509

9887. The Eureka Vein Road is designated as county road number 0509 and SGID road identification number RD244868 and is more or less 4.6 miles long.

9888. Exhibit 5-165 (attached hereto and incorporated herein) contains certain information pertaining to the Eureka Vein Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9889. In this action, the State and County seek to quiet title to the public highway right-of-way for the Eureka Vein Road solely as it crosses United States public land as included and specifically described in Exhibit 5-165. The Eureka Vein Road includes the segment of road specifically set forth in Exhibit 5-165 and as exists on the ground.

Acceptance of the Eureka Vein Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9890. The Eureka Vein Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

9891. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Eureka Vein Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9892. The Eureka Vein Road appears on the Walsh Knolls (1968) and Bonanza (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9893. The Eureka Vein Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way

by managing, maintaining, or improving the Eureka Vein Road pursuant to the County's governmental right and authority.

9894. Witnesses with personal knowledge of the history of the Eureka Vein Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Eureka Vein Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9895. Public motor vehicle use of the Eureka Vein Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9896. The Eureka Vein Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9897. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Eureka Vein Road.

9898. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Eureka Vein Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Jensen Landfill Road, 1003

9899. The Jensen Landfill Road is designated as county road number 1003 and SGID road identification number RD245148 and is more or less 1.6 miles long.

9900. Exhibit 5-166 (attached hereto and incorporated herein) contains certain information pertaining to the Jensen Landfill Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9901. In this action, the State and County seek to quiet title to the public highway right-of-way for the Jensen Landfill Road solely as it crosses United States public land as included and specifically described in Exhibit 5-166. The Jensen Landfill Road includes the segment of road specifically set forth in Exhibit 5-166 and as exists on the ground.

Acceptance of the Jensen Landfill Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9902. The Jensen Landfill Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9903. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Jensen Landfill Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9904. The Jensen Landfill Road appears on the Jensen (1965) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9905. The Jensen Landfill Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Jensen Landfill Road pursuant to the County's governmental right and authority.

9906. Witnesses with personal knowledge of the history of the Jensen Landfill Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Jensen Landfill Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9907. Public motor vehicle use of the Jensen Landfill Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9908. The Jensen Landfill Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9909. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Jensen Landfill Road.

9910. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Jensen Landfill Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Spring Hollow Road, 1825

9911. The Spring Hollow Road is designated as county road number 1825 and SGID road identification number RD246152 and is more or less 5.6 miles long.

9912. Exhibit 5-167 (attached hereto and incorporated herein) contains certain information pertaining to the Spring Hollow Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9913. In this action, the State and County seek to quiet title to the public highway right-of-way for the Spring Hollow Road solely as it crosses United States public land as included and specifically described in Exhibit 5-167. The Spring Hollow Road includes the segment of road specifically set forth in Exhibit 5-167 and as exists on the ground.

Acceptance of the Spring Hollow Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9914. The Spring Hollow Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9915. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Spring Hollow Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9916. The Spring Hollow Road appears on the Jensen (1965) and Rasmussen Hollow (1965) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9917. The Spring Hollow Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Spring Hollow Road pursuant to the County's governmental right and authority.

9918. Witnesses with personal knowledge of the history of the Spring Hollow Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Spring Hollow Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9919. Public motor vehicle use of the Spring Hollow Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9920. The Spring Hollow Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9921. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Spring Hollow Road.

9922. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Spring Hollow Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

1650A Road

9923. The 1650A Road is designated as county road number 1650A and SGID road identification number RD24678 and is more or less 2.5 miles long.

9924. Exhibit 5- (attached hereto and incorporated herein) contains certain information pertaining to the 1650A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9925. In this action, the State and County seek to quiet title to the public highway right-of-way for the 1650A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-168. The 1650A Road includes the segment of road specifically set forth in Exhibit 5-168 and as exists on the ground.

Acceptance of the 1650A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9926. The 1650A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9927. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 1650A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9928. The 1650A Road appears on the Cliff Ridge (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9929. The 1650A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 1650A Road pursuant to the County's governmental right and authority.

9930. Witnesses with personal knowledge of the history of the 1650A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 1650A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9931. Public motor vehicle use of the 1650A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9932. The 1650A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9933. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 1650A Road.

9934. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 1650A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004558X Road

9935. The 004558X Road is designated as county road number 004558X and SGID road identification number RD243966 and is more or less 0.2 miles long.

9936. Exhibit 5-169 (attached hereto and incorporated herein) contains certain information pertaining to the 004558X Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9937. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004558X Road solely as it crosses United States public land as included and specifically described in Exhibit 5-169. The 004558X Road includes the segment of road specifically set forth in Exhibit 5-169 and as exists on the ground.

Acceptance of the 004558X Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9938. The 004558X Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9939. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004558X Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9940. The 004558X Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9941. The 004558X Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004558X Road pursuant to the County's governmental right and authority.

9942. Witnesses with personal knowledge of the history of the 004558X Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004558X Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9943. Public motor vehicle use of the 004558X Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9944. The 004558X Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9945. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004558X Road.

9946. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004558X Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032308 Road

9947. The 032308 Road is designated as county road number 032308 and SGID road identification number RD244593 and is more or less 1.3 miles long.

9948. Exhibit 5-170 (attached hereto and incorporated herein) contains certain information pertaining to the 032308 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9949. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032308 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-170. The 032308 Road includes the segment of road specifically set forth in Exhibit 5-170 and as exists on the ground.

Acceptance of the 032308 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9950. The 032308 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9951. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032308 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9952. The 032308 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9953. The 032308 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032308 Road pursuant to the County's governmental right and authority.

9954. Witnesses with personal knowledge of the history of the 032308 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032308 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9955. Public motor vehicle use of the 032308 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9956. The 032308 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9957. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032308 Road.

9958. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032308 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171403 Road

9959. The 171403 Road is designated as county road number 171403 and SGID road identification number RD245845 and is more or less 2.1 miles long.

9960. Exhibit 5-171 (attached hereto and incorporated herein) contains certain information pertaining to the 171403 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9961. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171403 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-171. The 171403 Road includes the segment of road specifically set forth in Exhibit 5-171 and as exists on the ground.

Acceptance of the 171403 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9962. The 171403 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9963. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171403 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9964. The 171403 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9965. The 171403 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171403 Road pursuant to the County's governmental right and authority.

9966. Witnesses with personal knowledge of the history of the 171403 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171403 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9967. Public motor vehicle use of the 171403 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9968. The 171403 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9969. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171403 Road.

9970. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171403 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171406 Road

9971. The 171406 Road is designated as county road number 171406 and SGID road identification number RD245852 and is more or less 0.4 miles long.

9972. Exhibit 5-172 (attached hereto and incorporated herein) contains certain information pertaining to the 171406 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9973. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171406 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-172. The 171406 Road includes the segment of road specifically set forth in Exhibit 5-172 and as exists on the ground.

Acceptance of the 171406 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9974. The 171406 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9975. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171406 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9976. The 171406 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9977. The 171406 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171406 Road pursuant to the County's governmental right and authority.

9978. Witnesses with personal knowledge of the history of the 171406 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171406 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9979. Public motor vehicle use of the 171406 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9980. The 171406 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9981. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171406 Road.

9982. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171406 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171408 Road

9983. The 171408 Road is designated as county road number 171408 and SGID road identification number RD245853 and is more or less 2.1 miles long.

9984. Exhibit 5-173 (attached hereto and incorporated herein) contains certain information pertaining to the 171408 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9985. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171408 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-173. The 171408 Road includes the segment of road specifically set forth in Exhibit 5-173 and as exists on the ground.

Acceptance of the 171408 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9986. The 171408 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9987. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171408 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

9988. The 171408 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

9989. The 171408 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171408 Road pursuant to the County's governmental right and authority.

9990. Witnesses with personal knowledge of the history of the 171408 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171408 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

9991. Public motor vehicle use of the 171408 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

9992. The 171408 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

9993. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171408 Road.

9994. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171408 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171408B Road

9995. The 171408B Road is designated as county road number 171408B and SGID road identification number RD245854 and is more or less 0.5 miles long.

9996. Exhibit 5-174 (attached hereto and incorporated herein) contains certain information pertaining to the 171408B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

9997. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171408B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-174. The 171408B Road includes the segment of road specifically set forth in Exhibit 5-174 and as exists on the ground.

Acceptance of the 171408B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

9998. The 171408B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

9999. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171408B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10000. The 171408B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171408B Road pursuant to the County's governmental right and authority.

10001. Witnesses with personal knowledge of the history of the 171408B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171408B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10002. Public motor vehicle use of the 171408B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10003. The 171408B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10004. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171408B Road.

10005. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171408B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171411 Road

10006. The 171411 Road is designated as county road number 171411 and SGID road identification number RD245859 and is more or less 0.7 miles long.

10007. Exhibit 5-175 (attached hereto and incorporated herein) contains certain information pertaining to the 171411 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10008. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171411 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-175. The 171411 Road includes the segment of road specifically set forth in Exhibit 5-175 and as exists on the ground.

Acceptance of the 171411 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10009. The 171411 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10010. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171411 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10011. The 171411 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10012. The 171411 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171411 Road pursuant to the County's governmental right and authority.

10013. Witnesses with personal knowledge of the history of the 171411 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171411 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10014. Public motor vehicle use of the 171411 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10015. The 171411 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10016. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171411 Road.

10017. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171411 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171704 Road

10018. The 171704 Road is designated as county road number 171704 and SGID road identification number RD245922 and is more or less 0.3 miles long.

10019. Exhibit 5-176 (attached hereto and incorporated herein) contains certain information pertaining to the 171704 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10020. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171704 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-176. The 171704 Road includes the segment of road specifically set forth in Exhibit 5-176 and as exists on the ground.

Acceptance of the 171704 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10021. The 171704 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10022. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171704 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10023. The 171704 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171704 Road pursuant to the County's governmental right and authority.

10024. Witnesses with personal knowledge of the history of the 171704 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171704 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10025. Public motor vehicle use of the 171704 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10026. The 171704 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10027. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171704 Road.

10028. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171704 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171913 Road

10029. The 171913 Road is designated as county road number 171913 and SGID road identification number RD245937 and is more or less 2.4 miles long.

10030. Exhibit 5-177 (attached hereto and incorporated herein) contains certain information pertaining to the 171913 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10031. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171913 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-177. The 171913 Road includes the segment of road specifically set forth in Exhibit 5-177 and as exists on the ground.

Acceptance of the 171913 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10032. The 171913 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10033. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171913 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10034. The 171913 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10035. The 171913 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171913 Road pursuant to the County's governmental right and authority.

10036. Witnesses with personal knowledge of the history of the 171913 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171913 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10037. Public motor vehicle use of the 171913 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10038. The 171913 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10039. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171913 Road.

10040. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171913 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171915 Road

10041. The 171915 Road is designated as county road number 171915 and SGID road identification number RD245940 and is more or less 1.6 miles long.

10042. Exhibit 5-178 (attached hereto and incorporated herein) contains certain information pertaining to the 171915 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10043. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171915 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-178. The 171915 Road includes the segment of road specifically set forth in Exhibit 5-178 and as exists on the ground.

Acceptance of the 171915 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10044. The 171915 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10045. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171915 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10046. The 171915 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10047. The 171915 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171915 Road pursuant to the County's governmental right and authority.

10048. Witnesses with personal knowledge of the history of the 171915 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171915 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10049. Public motor vehicle use of the 171915 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10050. The 171915 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10051. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171915 Road.

10052. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171915 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171915A Road

10053. The 171915A Road is designated as county road number 171915A and SGID road identification number RD245941 and is more or less 0.4 miles long.

10054. Exhibit 5-179 (attached hereto and incorporated herein) contains certain information pertaining to the 171915A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10055. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171915A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-179. The 171915A Road includes the segment of road specifically set forth in Exhibit 5-179 and as exists on the ground.

Acceptance of the 171915A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10056. The 171915A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10057. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171915A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10058. The 171915A Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10059. The 171915A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171915A Road pursuant to the County's governmental right and authority.

10060. Witnesses with personal knowledge of the history of the 171915A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171915A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10061. Public motor vehicle use of the 171915A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10062. The 171915A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10063. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171915A Road.

10064. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171915A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

220202 Road

10065. The 220202 Road is designated as county road number 220202 and SGID road identification number RD246365 and is more or less 1.1 miles long.

10066. Exhibit 5-180 (attached hereto and incorporated herein) contains certain information pertaining to the 220202 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10067. In this action, the State and County seek to quiet title to the public highway right-of-way for the 220202 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-180. The 220202 Road includes the segment of road specifically set forth in Exhibit 5-180 and as exists on the ground.

Acceptance of the 220202 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10068. The 220202 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10069. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 220202 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10070. The 220202 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 220202 Road pursuant to the County's governmental right and authority.

10071. Witnesses with personal knowledge of the history of the 220202 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 220202 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10072. Public motor vehicle use of the 220202 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10073. The 220202 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10074. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 220202 Road.

10075. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 220202 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

220203 Road

10076. The 220203 Road is designated as county road number 220203 and SGID road identification number RD246366 and is more or less 2.5 miles long.

10077. Exhibit 5-181 (attached hereto and incorporated herein) contains certain information pertaining to the 220203 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10078. In this action, the State and County seek to quiet title to the public highway right-of-way for the 220203 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-181. The 220203 Road includes the segment of road specifically set forth in Exhibit 5-181 and as exists on the ground.

Acceptance of the 220203 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10079. The 220203 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10080. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before October 4, 1957.

10081. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 220203 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10082. The 220203 Road appears on the Red Wash (1968) and Jensen (1965) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10083. The 220203 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 220203 Road pursuant to the County's governmental right and authority.

10084. Witnesses with personal knowledge of the history of the 220203 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 220203 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10085. Public motor vehicle use of the 220203 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10086. The 220203 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10087. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 220203 Road.

10088. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 220203 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

311001 Road

10089. The 311001 Road is designated as county road number 311001 and SGID road identification number RD246603 and is more or less 0.6 miles long.

10090. Exhibit 5-182 (attached hereto and incorporated herein) contains certain information pertaining to the 311001 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10091. In this action, the State and County seek to quiet title to the public highway right-of-way for the 311001 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-182. The 311001 Road includes the segment of road specifically set forth in Exhibit 5-182 and as exists on the ground.

Acceptance of the 311001 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10092. The 311001 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10093. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 311001 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10094. The 311001 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10095. The 311001 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 311001 Road pursuant to the County's governmental right and authority.

10096. Witnesses with personal knowledge of the history of the 311001 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 311001 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10097. Public motor vehicle use of the 311001 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10098. The 311001 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10099. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 311001 Road.

10100. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 311001 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Right Fork Walker Hollow Road, 1719

10101. The Right Fork Walker Hollow Road is designated as county road number 1719 and SGID road identification number RD245930 and is more or less 3.9 miles long.

10102. Exhibit 5-183 (attached hereto and incorporated herein) contains certain information pertaining to the Right Fork Walker Hollow Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10103. In this action, the State and County seek to quiet title to the public highway right-of-way for the Right Fork Walker Hollow Road solely as it crosses United States public land as included and specifically described in Exhibit 5-183. The Right Fork Walker Hollow Road includes the segment of road specifically set forth in Exhibit 5-183 and as exists on the ground.

Acceptance of the Right Fork Walker Hollow Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10104. The Right Fork Walker Hollow Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10105. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Right Fork Walker Hollow Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10106. The Right Fork Walker Hollow Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10107. The Right Fork Walker Hollow Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Right Fork Walker Hollow Road pursuant to the County's governmental right and authority.

10108. Witnesses with personal knowledge of the history of the Right Fork Walker Hollow Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Right Fork Walker Hollow Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10109. Public motor vehicle use of the Right Fork Walker Hollow Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10110. The Right Fork Walker Hollow Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10111. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Right Fork Walker Hollow Road.

10112. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Right Fork Walker Hollow Road on lands owned by the United States as

described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Rim Rock Road, 1720

10113. The Rim Rock Road is designated as county road number 1720 and SGID road identification number RD245943 and is more or less 5 miles long.

10114. Exhibit 5-184 (attached hereto and incorporated herein) contains certain information pertaining to the Rim Rock Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10115. In this action, the State and County seek to quiet title to the public highway right-of-way for the Rim Rock Road solely as it crosses United States public land as included and specifically described in Exhibit 5-184. The Rim Rock Road includes the segment of road specifically set forth in Exhibit 5-184 and as exists on the ground.

Acceptance of the Rim Rock Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10116. The Rim Rock Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10117. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Rim Rock Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10118. The Rim Rock Road appears on the Jensen (1965) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10119. The Rim Rock Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Rim Rock Road pursuant to the County's governmental right and authority.

10120. Witnesses with personal knowledge of the history of the Rim Rock Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Rim Rock Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10121. Public motor vehicle use of the Rim Rock Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10122. The Rim Rock Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10123. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Rim Rock Road.

10124. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Rim Rock Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004548A Road

10125. The 004548A Road is designated as county road number 004548A and SGID road identification number RD243935 and is more or less 0.3 miles long.

10126. Exhibit 5-185 (attached hereto and incorporated herein) contains certain information pertaining to the 004548A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10127. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004548A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-185. The 004548A Road includes the segment of road specifically set forth in Exhibit 5-185 and as exists on the ground.

Acceptance of the 004548A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10128. The 004548A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10129. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004548A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10130. The 004548A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004548A Road pursuant to the County's governmental right and authority.

10131. Witnesses with personal knowledge of the history of the 004548A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004548A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10132. Public motor vehicle use of the 004548A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10133. The 004548A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10134. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004548A Road.

10135. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004548A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004551F Road

10136. The 004551F Road is designated as county road number 004551F and SGID road identification number RD243946 and is more or less 0.2 miles long.

10137. Exhibit 5-186 (attached hereto and incorporated herein) contains certain information pertaining to the 004551F Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10138. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004551F Road solely as it crosses United States public land as included and specifically described in Exhibit 5-186. The 004551F Road includes the segment of road specifically set forth in Exhibit 5-186 and as exists on the ground.

Acceptance of the 004551F Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10139. The 004551F Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10140. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004551F Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10141. The 004551F Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10142. The 004551F Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004551F Road pursuant to the County's governmental right and authority.

10143. Witnesses with personal knowledge of the history of the 004551F Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004551F Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10144. Public motor vehicle use of the 004551F Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10145. The 004551F Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10146. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004551F Road.

10147. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004551F Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004553 Road

10148. The 004553 Road is designated as county road number 004553 and SGID road identification number RD243949 and is more or less 0.2 miles long.

10149. Exhibit 5-187 (attached hereto and incorporated herein) contains certain information pertaining to the 004553 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10150. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004553 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-187. The 004553 Road includes the segment of road specifically set forth in Exhibit 5-187 and as exists on the ground.

Acceptance of the 004553 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10151. The 004553 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10152. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004553 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10153. The 004553 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004553 Road pursuant to the County's governmental right and authority.

10154. Witnesses with personal knowledge of the history of the 004553 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004553 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10155. Public motor vehicle use of the 004553 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10156. The 004553 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10157. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004553 Road.

10158. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004553 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004556E Road

10159. The 004556E Road is designated as county road number 004556E and SGID road identification number RD243956 and is more or less 0.1 miles long.

10160. Exhibit 5-188 (attached hereto and incorporated herein) contains certain information pertaining to the 004556E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10161. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004556E Road solely as it crosses United States public land as included and specifically described in Exhibit 5-188. The 004556E Road includes the segment of road specifically set forth in Exhibit 5-188 and as exists on the ground.

Acceptance of the 004556E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10162. The 004556E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10163. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004556E Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10164. The 004556E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004556E Road pursuant to the County's governmental right and authority.

10165. Witnesses with personal knowledge of the history of the 004556E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004556E Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10166. Public motor vehicle use of the 004556E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10167. The 004556E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10168. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004556E Road.

10169. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004556E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004557 Road

10170. The 004557 Road is designated as county road number 004557 and SGID road identification number RD243959 and is more or less 0.3 miles long.

10171. Exhibit 5-189 (attached hereto and incorporated herein) contains certain information pertaining to the 004557 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10172. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004557 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-189. The 004557 Road includes the segment of road specifically set forth in Exhibit 5-189 and as exists on the ground.

Acceptance of the 004557 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10173. The 004557 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10174. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004557 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10175. The 004557 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004557 Road pursuant to the County's governmental right and authority.

10176. Witnesses with personal knowledge of the history of the 004557 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004557 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10177. Public motor vehicle use of the 004557 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10178. The 004557 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10179. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004557 Road.

10180. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004557 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004558A Road

10181. The 004558A Road is designated as county road number 004558A and SGID road identification number RD243961 and is more or less 0.3 miles long.

10182. Exhibit 5-190 (attached hereto and incorporated herein) contains certain information pertaining to the 004558A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10183. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004558A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-190. The 004558A Road includes the segment of road specifically set forth in Exhibit 5-190 and as exists on the ground.

Acceptance of the 004558A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10184. The 004558A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10185. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004558A Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10186. The 004558A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004558A Road pursuant to the County's governmental right and authority.

10187. Witnesses with personal knowledge of the history of the 004558A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004558A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10188. Public motor vehicle use of the 004558A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10189. The 004558A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10190. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004558A Road.

10191. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004558A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004558T Road

10192. The 004558T Road is designated as county road number 004558T and SGID road identification number RD243964 and is more or less 0.7 miles long.

10193. Exhibit 5-191 (attached hereto and incorporated herein) contains certain information pertaining to the 004558T Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10194. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004558T Road solely as it crosses United States public land as included and specifically described in Exhibit 5-191. The 004558T Road includes the segment of road specifically set forth in Exhibit 5-191 and as exists on the ground.

Acceptance of the 004558T Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10195. The 004558T Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10196. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004558T Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10197. The 004558T Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10198. The 004558T Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004558T Road pursuant to the County's governmental right and authority.

10199. Witnesses with personal knowledge of the history of the 004558T Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004558T Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10200. Public motor vehicle use of the 004558T Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10201. The 004558T Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10202. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004558T Road.

10203. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004558T Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150719P Road

10204. The 150719P Road is designated as county road number 150719P and SGID road identification number RD245574 and is more or less 0.3 miles long.

10205. Exhibit 5-192 (attached hereto and incorporated herein) contains certain information pertaining to the 150719P Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10206. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150719P Road solely as it crosses United States public land as included and specifically described in Exhibit 5-192. The 150719P Road includes the segment of road specifically set forth in Exhibit 5-192 and as exists on the ground.

Acceptance of the 150719P Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10207. The 150719P Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10208. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150719P Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10209. The 150719P Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10210. The 150719P Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150719P Road pursuant to the County's governmental right and authority.

10211. Witnesses with personal knowledge of the history of the 150719P Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150719P Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10212. Public motor vehicle use of the 150719P Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10213. The 150719P Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10214. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150719P Road.

10215. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150719P Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161812 Road

10216. The 161812 Road is designated as county road number 161812 and SGID road identification number RD245759 and is more or less 0.2 miles long.

10217. Exhibit 5-193 (attached hereto and incorporated herein) contains certain information pertaining to the 161812 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10218. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161812 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-193. The 161812 Road includes the segment of road specifically set forth in Exhibit 5-193 and as exists on the ground.

Acceptance of the 161812 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10219. The 161812 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10220. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161812 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10221. The 161812 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161812 Road pursuant to the County's governmental right and authority.

10222. Witnesses with personal knowledge of the history of the 161812 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161812 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10223. Public motor vehicle use of the 161812 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10224. The 161812 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10225. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161812 Road.

10226. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161812 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161813A Road

10227. The 161813A Road is designated as county road number 161813A and SGID road identification number RD245761 and is more or less 0.3 miles long.

10228. Exhibit 5-194 (attached hereto and incorporated herein) contains certain information pertaining to the 161813A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10229. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161813A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-194. The 161813A Road includes the segment of road specifically set forth in Exhibit 5-194 and as exists on the ground.

Acceptance of the 161813A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10230. The 161813A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10231. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161813A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10232. The 161813A Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10233. The 161813A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161813A Road pursuant to the County's governmental right and authority.

10234. Witnesses with personal knowledge of the history of the 161813A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161813A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10235. Public motor vehicle use of the 161813A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10236. The 161813A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10237. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161813A Road.

10238. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161813A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161813B Road

10239. The 161813B Road is designated as county road number 161813B and SGID road identification number RD245762 and is more or less 0.3 miles long.

10240. Exhibit 5-195 (attached hereto and incorporated herein) contains certain information pertaining to the 161813B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10241. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161813B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-195. The 161813B Road includes the segment of road specifically set forth in Exhibit 5-195 and as exists on the ground.

Acceptance of the 161813B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10242. The 161813B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10243. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161813B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10244. The 161813B Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10245. The 161813B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161813B Road pursuant to the County's governmental right and authority.

10246. Witnesses with personal knowledge of the history of the 161813B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161813B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10247. Public motor vehicle use of the 161813B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10248. The 161813B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10249. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161813B Road.

10250. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161813B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161814 Road

10251. The 161814 Road is designated as county road number 161814 and SGID road identification number RD245763 and is more or less 0.2 miles long.

10252. Exhibit 5-196 (attached hereto and incorporated herein) contains certain information pertaining to the 161814 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10253. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161814 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-196. The 161814 Road includes the segment of road specifically set forth in Exhibit 5-196 and as exists on the ground.

Acceptance of the 161814 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10254. The 161814 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10255. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161814 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10256. The 161814 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161814 Road pursuant to the County's governmental right and authority.

10257. Witnesses with personal knowledge of the history of the 161814 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161814 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10258. Public motor vehicle use of the 161814 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10259. The 161814 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10260. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161814 Road.

10261. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161814 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161816 Road

10262. The 161816 Road is designated as county road number 161816 and SGID road identification number RD245765 and is more or less 0.2 miles long.

10263. Exhibit 5-197 (attached hereto and incorporated herein) contains certain information pertaining to the 161816 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10264. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161816 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-197. The 161816 Road includes the segment of road specifically set forth in Exhibit 5-197 and as exists on the ground.

Acceptance of the 161816 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10265. The 161816 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10266. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161816 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10267. The 161816 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161816 Road pursuant to the County's governmental right and authority.

10268. Witnesses with personal knowledge of the history of the 161816 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 161816 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10269. Public motor vehicle use of the 161816 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10270. The 161816 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10271. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161816 Road.

10272. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161816 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161817B Road

10273. The 161817B Road is designated as county road number 161817B and SGID road identification number RD245768 and is more or less 0.2 miles long.

10274. Exhibit 5-198 (attached hereto and incorporated herein) contains certain information pertaining to the 161817B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10275. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161817B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-198. The 161817B Road includes the segment of road specifically set forth in Exhibit 5-198 and as exists on the ground.

Acceptance of the 161817B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10276. The 161817B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10277. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161817B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10278. The 161817B Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10279. The 161817B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161817B Road pursuant to the County's governmental right and authority.

10280. Witnesses with personal knowledge of the history of the 161817B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161817B Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10281. Public motor vehicle use of the 161817B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10282. The 161817B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10283. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161817B Road.

10284. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161817B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161818A Road

10285. The 161818A Road is designated as county road number 161818A and SGID road identification number RD245770 and is more or less 0.4 miles long.

10286. Exhibit 5-199 (attached hereto and incorporated herein) contains certain information pertaining to the 161818A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10287. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161818A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-199. The 161818A Road includes the segment of road specifically set forth in Exhibit 5-199 and as exists on the ground.

Acceptance of the 161818A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10288. The 161818A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10289. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161818A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10290. The 161818A Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10291. The 161818A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161818A Road pursuant to the County's governmental right and authority.

10292. Witnesses with personal knowledge of the history of the 161818A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161818A Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10293. Public motor vehicle use of the 161818A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10294. The 161818A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10295. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161818A Road.

10296. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161818A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161818F Road

10297. The 161818F Road is designated as county road number 161818F and SGID road identification number RD245773 and is more or less 0.1 miles long.

10298. Exhibit 5-200 (attached hereto and incorporated herein) contains certain information pertaining to the 161818F Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10299. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161818F Road solely as it crosses United States public land as included and specifically described in Exhibit 5-200. The 161818F Road includes the segment of road specifically set forth in Exhibit 5-200 and as exists on the ground.

Acceptance of the 161818F Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10300. The 161818F Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10301. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161818F Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10302. The 161818F Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10303. The 161818F Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161818F Road pursuant to the County's governmental right and authority.

10304. Witnesses with personal knowledge of the history of the 161818F Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161818F Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10305. Public motor vehicle use of the 161818F Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10306. The 161818F Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10307. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161818F Road.

10308. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161818F Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161818H Road

10309. The 161818H Road is designated as county road number 161818H and SGID road identification number RD245775 and is more or less 0.4 miles long.

10310. Exhibit 5-201 (attached hereto and incorporated herein) contains certain information pertaining to the 161818H Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10311. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161818H Road solely as it crosses United States public land as included and specifically described in Exhibit 5-201. The 161818H Road includes the segment of road specifically set forth in Exhibit 5-201 and as exists on the ground.

Acceptance of the 161818H Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10312. The 161818H Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10313. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161818H Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10314. The 161818H Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161818H Road pursuant to the County's governmental right and authority.

10315. Witnesses with personal knowledge of the history of the 161818H Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161818H Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10316. Public motor vehicle use of the 161818H Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10317. The 161818H Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10318. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161818H Road.

10319. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161818H Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171405 Road

10320. The 171405 Road is designated as county road number 171405 and SGID road identification number RD245850 and is more or less 0.4 miles long.

10321. Exhibit 5-202 (attached hereto and incorporated herein) contains certain information pertaining to the 171405 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10322. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171405 Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-202. The 171405 Road includes the segment of road specifically set forth in Exhibit 5-202 and as exists on the ground.

Acceptance of the 171405 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10323. The 171405 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10324. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171405 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10325. The 171405 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171405 Road pursuant to the County's governmental right and authority.

10326. Witnesses with personal knowledge of the history of the 171405 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171405 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10327. Public motor vehicle use of the 171405 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10328. The 171405 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10329. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171405 Road.

10330. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171405 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171405A Road

10331. The 171405A Road is designated as county road number 171405A and SGID road identification number RD245851 and is more or less 0.6 miles long.

10332. Exhibit 5-203 (attached hereto and incorporated herein) contains certain information pertaining to the 171405A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10333. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171405A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-203. The 171405A Road includes the segment of road specifically set forth in Exhibit 5-203 and as exists on the ground.

Acceptance of the 171405A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10334. The 171405A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10335. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171405A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10336. The 171405A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171405A Road pursuant to the County's governmental right and authority.

10337. Witnesses with personal knowledge of the history of the 171405A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171405A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10338. Public motor vehicle use of the 171405A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10339. The 171405A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10340. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171405A Road.

10341. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171405A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171412 Road

10342. The 171412 Road is designated as county road number 171412 and SGID road identification number RD245860 and is more or less 0.3 miles long.

10343. Exhibit 5-204 (attached hereto and incorporated herein) contains certain information pertaining to the 171412 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10344. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171412 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-204. The 171412 Road includes the segment of road specifically set forth in Exhibit 5-204 and as exists on the ground.

Acceptance of the 171412 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10345. The 171412 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10346. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171412 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10347. The 171412 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10348. The 171412 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171412 Road pursuant to the County's governmental right and authority.

10349. Witnesses with personal knowledge of the history of the 171412 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171412 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10350. Public motor vehicle use of the 171412 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10351. The 171412 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10352. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171412 Road.

10353. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171412 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171414 Road

10354. The 171414 Road is designated as county road number 171414 and SGID road identification number RD245862 and is more or less 0.3 miles long.

10355. Exhibit 5-205 (attached hereto and incorporated herein) contains certain information pertaining to the 171414 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10356. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171414 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-205. The 171414 Road includes the segment of road specifically set forth in Exhibit 5-205 and as exists on the ground.

Acceptance of the 171414 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10357. The 171414 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10358. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171414 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10359. The 171414 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10360. The 171414 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171414 Road pursuant to the County's governmental right and authority.

10361. Witnesses with personal knowledge of the history of the 171414 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171414 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10362. Public motor vehicle use of the 171414 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10363. The 171414 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10364. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171414 Road.

10365. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171414 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171416A Road

10366. The 171416A Road is designated as county road number 171416A and SGID road identification number RD245865 and is more or less 0.1 miles long.

10367. Exhibit 5-206 (attached hereto and incorporated herein) contains certain information pertaining to the 171416A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10368. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171416A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-206. The 171416A Road includes the segment of road specifically set forth in Exhibit 5-206 and as exists on the ground.

Acceptance of the 171416A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10369. The 171416A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10370. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171416A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10371. The 171416A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171416A Road pursuant to the County's governmental right and authority.

10372. Witnesses with personal knowledge of the history of the 171416A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171416A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10373. Public motor vehicle use of the 171416A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10374. The 171416A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10375. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171416A Road.

10376. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171416A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171416C Road

10377. The 171416C Road is designated as county road number 171416C and SGID road identification number RD245867 and is more or less 0.2 miles long.

10378. Exhibit 5-207 (attached hereto and incorporated herein) contains certain information pertaining to the 171416C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10379. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171416C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-207. The 171416C Road includes the segment of road specifically set forth in Exhibit 5-207 and as exists on the ground.

Acceptance of the 171416C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10380. The 171416C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10381. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171416C Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10382. The 171416C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171416C Road pursuant to the County's governmental right and authority.

10383. Witnesses with personal knowledge of the history of the 171416C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171416C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10384. Public motor vehicle use of the 171416C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10385. The 171416C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10386. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171416C Road.

10387. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171416C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171416D Road

10388. The 171416D Road is designated as county road number 171416D and SGID road identification number RD245868 and is more or less 0.3 miles long.

10389. Exhibit 5-208 (attached hereto and incorporated herein) contains certain information pertaining to the 171416D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10390. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171416D Road solely as it crosses United States public land as included and specifically described in Exhibit 5-208. The 171416D Road includes the segment of road specifically set forth in Exhibit 5-208 and as exists on the ground.

Acceptance of the 171416D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10391. The 171416D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10392. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171416D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10393. The 171416D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171416D Road pursuant to the County's governmental right and authority.

10394. Witnesses with personal knowledge of the history of the 171416D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171416D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10395. Public motor vehicle use of the 171416D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10396. The 171416D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10397. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171416D Road.

10398. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171416D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171418 Road

10399. The 171418 Road is designated as county road number 171418 and SGID road identification number RD245870 and is more or less 0.2 miles long.

10400. Exhibit 5-209 (attached hereto and incorporated herein) contains certain information pertaining to the 171418 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10401. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171418 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-209. The 171418 Road includes the segment of road specifically set forth in Exhibit 5-209 and as exists on the ground.

Acceptance of the 171418 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10402. The 171418 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10403. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171418 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10404. The 171418 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10405. The 171418 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171418 Road pursuant to the County's governmental right and authority.

10406. Witnesses with personal knowledge of the history of the 171418 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171418 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10407. Public motor vehicle use of the 171418 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10408. The 171418 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10409. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171418 Road.

10410. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171418 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171419A Road

10411. The 171419A Road is designated as county road number 171419A and SGID road identification number RD245872 and is more or less 0.9 miles long.

10412. Exhibit 5-210 (attached hereto and incorporated herein) contains certain information pertaining to the 171419A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10413. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171419A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-210. The 171419A Road includes the segment of road specifically set forth in Exhibit 5-210 and as exists on the ground.

Acceptance of the 171419A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10414. The 171419A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10415. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171419A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10416. The 171419A Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10417. The 171419A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171419A Road pursuant to the County's governmental right and authority.

10418. Witnesses with personal knowledge of the history of the 171419A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171419A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10419. Public motor vehicle use of the 171419A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10420. The 171419A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10421. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171419A Road.

10422. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171419A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171419B Road

10423. The 171419B Road is designated as county road number 171419B and SGID road identification number RD245873 and is more or less 0.1 miles long.

10424. Exhibit 5-211 (attached hereto and incorporated herein) contains certain information pertaining to the 171419B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10425. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171419B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-211. The 171419B Road includes the segment of road specifically set forth in Exhibit 5-211 and as exists on the ground.

Acceptance of the 171419B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10426. The 171419B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10427. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171419B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10428. The 171419B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171419B Road pursuant to the County's governmental right and authority.

10429. Witnesses with personal knowledge of the history of the 171419B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171419B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10430. Public motor vehicle use of the 171419B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10431. The 171419B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10432. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171419B Road.

10433. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171419B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171421 Road

10434. The 171421 Road is designated as county road number 171421 and SGID road identification number RD245876 and is more or less 0.2 miles long.

10435. Exhibit 5-212 (attached hereto and incorporated herein) contains certain information pertaining to the 171421 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10436. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171421 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-212. The 171421 Road includes the segment of road specifically set forth in Exhibit 5-212 and as exists on the ground.

Acceptance of the 171421 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10437. The 171421 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10438. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171421 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10439. The 171421 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10440. The 171421 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171421 Road pursuant to the County's governmental right and authority.

10441. Witnesses with personal knowledge of the history of the 171421 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171421 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10442. Public motor vehicle use of the 171421 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10443. The 171421 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10444. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171421 Road.

10445. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171421 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171422 Road

10446. The 171422 Road is designated as county road number 171422 and SGID road identification number RD245877 and is more or less 1.2 miles long.

10447. Exhibit 5-213 (attached hereto and incorporated herein) contains certain information pertaining to the 171422 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10448. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171422 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-213. The 171422 Road includes the segment of road specifically set forth in Exhibit 5-213 and as exists on the ground.

Acceptance of the 171422 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10449. The 171422 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10450. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171422 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10451. The 171422 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10452. The 171422 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171422 Road pursuant to the County's governmental right and authority.

10453. Witnesses with personal knowledge of the history of the 171422 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171422 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10454. Public motor vehicle use of the 171422 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10455. The 171422 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10456. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171422 Road.

10457. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171422 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171424A Road

10458. The 171424A Road is designated as county road number 171424A and SGID road identification number RD245883 and is more or less 0.6 miles long.

10459. Exhibit 5-214 (attached hereto and incorporated herein) contains certain information pertaining to the 171424A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10460. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171424A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-214. The 171424A Road includes the segment of road specifically set forth in Exhibit 5-214 and as exists on the ground.

Acceptance of the 171424A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10461. The 171424A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10462. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171424A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10463. The 171424A Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10464. The 171424A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171424A Road pursuant to the County's governmental right and authority.

10465. Witnesses with personal knowledge of the history of the 171424A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171424A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10466. Public motor vehicle use of the 171424A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10467. The 171424A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10468. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171424A Road.

10469. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171424A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171425 Road

10470. The 171425 Road is designated as county road number 171425 and SGID road identification number RD245891 and is more or less 0.1 miles long.

10471. Exhibit 5-215 (attached hereto and incorporated herein) contains certain information pertaining to the 171425 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10472. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171425 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-215. The 171425 Road includes the segment of road specifically set forth in Exhibit 5-215 and as exists on the ground.

Acceptance of the 171425 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10473. The 171425 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10474. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171425 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10475. The 171425 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10476. The 171425 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171425 Road pursuant to the County's governmental right and authority.

10477. Witnesses with personal knowledge of the history of the 171425 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171425 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10478. Public motor vehicle use of the 171425 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10479. The 171425 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10480. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171425 Road.

10481. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171425 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171431 Road

10482. The 171431 Road is designated as county road number 171431 and SGID road identification number RD245898 and is more or less 4.7 miles long.

10483. Exhibit 5-216 (attached hereto and incorporated herein) contains certain information pertaining to the 171431 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10484. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171431 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-216. The 171431 Road includes the segment of road specifically set forth in Exhibit 5-216 and as exists on the ground.

Acceptance of the 171431 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10485. The 171431 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10486. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171431 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10487. The 171431 Road appears on the Red Wash (1968) and Dinosaur NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10488. The 171431 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171431 Road pursuant to the County's governmental right and authority.

10489. Witnesses with personal knowledge of the history of the 171431 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171431 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10490. Public motor vehicle use of the 171431 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10491. The 171431 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10492. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171431 Road.

10493. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171431 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171431H Road

10494. The 171431H Road is designated as county road number 171431H and SGID road identification number RD245905 and is more or less 0.8 miles long.

10495. Exhibit 5-217 (attached hereto and incorporated herein) contains certain information pertaining to the 171431H Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10496. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171431H Road solely as it crosses United States public land as included and specifically described in Exhibit 5-217. The 171431H Road includes the segment of road specifically set forth in Exhibit 5-217 and as exists on the ground.

Acceptance of the 171431H Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10497. The 171431H Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10498. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171431H Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10499. The 171431H Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10500. The 171431H Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171431H Road pursuant to the County's governmental right and authority.

10501. Witnesses with personal knowledge of the history of the 171431H Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171431H Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10502. Public motor vehicle use of the 171431H Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10503. The 171431H Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10504. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171431H Road.

10505. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171431H Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171901 Road

10506. The 171901 Road is designated as county road number 171901 and SGID road identification number RD245931 and is more or less 0.9 miles long.

10507. Exhibit 5-218 (attached hereto and incorporated herein) contains certain information pertaining to the 171901 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10508. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171901 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-218. The 171901 Road includes the segment of road specifically set forth in Exhibit 5-218 and as exists on the ground.

Acceptance of the 171901 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10509. The 171901 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10510. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171901 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10511. The 171901 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10512. The 171901 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171901 Road pursuant to the County's governmental right and authority.

10513. Witnesses with personal knowledge of the history of the 171901 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171901 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10514. Public motor vehicle use of the 171901 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10515. The 171901 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10516. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171901 Road.

10517. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171901 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171901A Road

10518. The 171901A Road is designated as county road number 171901A and SGID road identification number RD245932 and is more or less 0.7 miles long.

10519. Exhibit 5-219 (attached hereto and incorporated herein) contains certain information pertaining to the 171901A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10520. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171901A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-219. The 171901A Road includes the segment of road specifically set forth in Exhibit 5-219 and as exists on the ground.

Acceptance of the 171901A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10521. The 171901A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10522. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171901A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10523. The 171901A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171901A Road pursuant to the County's governmental right and authority.

10524. Witnesses with personal knowledge of the history of the 171901A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 171901A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10525. Public motor vehicle use of the 171901A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10526. The 171901A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10527. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171901A Road.

10528. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171901A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004540 Road

10529. The 004540 Road is designated as county road number 004540 and SGID road identification number RD243918 and is more or less 3.3 miles long.

10530. Exhibit 5-220 (attached hereto and incorporated herein) contains certain information pertaining to the 004540 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10531. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004540 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-220. The 004540 Road includes the segment of road specifically set forth in Exhibit 5-220 and as exists on the ground.

Acceptance of the 004540 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10532. The 004540 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10533. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004540 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10534. The 004540 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10535. The 004540 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004540 Road pursuant to the County's governmental right and authority.

10536. Witnesses with personal knowledge of the history of the 004540 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004540 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10537. Public motor vehicle use of the 004540 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10538. The 004540 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10539. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004540 Road.

10540. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004540 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171424 Road

10541. The 171424 Road is designated as county road number 171424 and SGID road identification number RD245882 and is more or less 5.8 miles long.

10542. Exhibit 5-221 (attached hereto and incorporated herein) contains certain information pertaining to the 171424 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10543. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171424 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-221. The 171424 Road includes the segment of road specifically set forth in Exhibit 5-221 and as exists on the ground.

Acceptance of the 171424 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10544. The 171424 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10545. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171424 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10546. The 171424 Road appears on the Red Wash NW (1968), and Red Wash (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10547. The 171424 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 171424 Road pursuant to the County's governmental right and authority.

10548. Witnesses with personal knowledge of the history of the 171424 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171424 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10549. Public motor vehicle use of the 171424 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10550. The 171424 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10551. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171424 Road.

10552. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171424 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171424J Road

10553. The 171424J Road is designated as county road number 171424J and SGID road identification number RD245890 and is more or less 0.9 miles long.

10554. Exhibit 5-222 (attached hereto and incorporated herein) contains certain information pertaining to the 171424J Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10555. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171424J Road solely as it crosses United States public land as included and specifically described in Exhibit 5-222. The 171424J Road includes the segment of road specifically set forth in Exhibit 5-222 and as exists on the ground.

Acceptance of the 171424J Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10556. The 171424J Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10557. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171424J Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10558. The 171424J Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171424J Road pursuant to the County's governmental right and authority.

10559. Witnesses with personal knowledge of the history of the 171424J Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 171424J Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10560. Public motor vehicle use of the 171424J Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10561. The 171424J Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10562. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171424J Road.

10563. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171424J Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004006 Road

10564. The 004006 Road is designated as county road number 004006 and SGID road identification number RD243812 and is more or less 1.2 miles long.

10565. Exhibit 5-223 (attached hereto and incorporated herein) contains certain information pertaining to the 004006 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10566. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004006 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-223. The 004006 Road includes the segment of road specifically set forth in Exhibit 5-223 and as exists on the ground.

Acceptance of the 004006 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10567. The 004006 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10568. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004006 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10569. The 004006 Road appears on the Cliff Ridge (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10570. The 004006 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004006 Road pursuant to the County's governmental right and authority.

10571. Public motor vehicle use of the 004006 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10572. The 004006 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10573. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004006 Road.

10574. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004006 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004012C Road

10575. The 004012C Road is designated as county road number 004012C and SGID road identification number RD243822 and is more or less 0.7 miles long.

10576. Exhibit 5-224 (attached hereto and incorporated herein) contains certain information pertaining to the 004012C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10577. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004012C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-224. The 004012C Road includes the segment of road specifically set forth in Exhibit 5-224 and as exists on the ground.

Acceptance of the 004012C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10578. The 004012C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10579. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004012C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10580. The 004012C Road appears on the Snake John Reef (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10581. The 004012C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004012C Road pursuant to the County's governmental right and authority.

10582. Public motor vehicle use of the 004012C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10583. The 004012C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10584. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004012C Road.

10585. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004012C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004528A Road

10586. The 004528A Road is designated as county road number 004528A and SGID road identification number RD243889 and is more or less 0.7 miles long.

10587. Exhibit 5-225 (attached hereto and incorporated herein) contains certain information pertaining to the 004528A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10588. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004528A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-225. The 004528A Road includes the segment of road specifically set forth in Exhibit 5-225 and as exists on the ground.

Acceptance of the 004528A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10589. The 004528A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10590. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004528A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10591. The 004528A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004528A Road pursuant to the County's governmental right and authority.

10592. Public motor vehicle use of the 004528A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10593. The 004528A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10594. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004528A Road.

10595. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004528A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004570 Road

10596. The 004570 Road is designated as county road number 004570 and SGID road identification number RD243974 and is more or less 3.4 miles long.

10597. Exhibit 5-226 (attached hereto and incorporated herein) contains certain information pertaining to the 004570 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10598. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004570 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-226. The 004570 Road includes the segment of road specifically set forth in Exhibit 5-226 and as exists on the ground.

Acceptance of the 004570 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10599. The 004570 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10600. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004570 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10601. The 004570 Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10602. The 004570 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004570 Road pursuant to the County's governmental right and authority.

10603. Public motor vehicle use of the 004570 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10604. The 004570 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10605. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004570 Road.

10606. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004570 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032302A Road

10607. The 032302A Road is designated as county road number 032302A and SGID road identification number RD244584 and is more or less 1.2 miles long.

10608. Exhibit 5-227 (attached hereto and incorporated herein) contains certain information pertaining to the 032302A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10609. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032302A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-227. The 032302A Road includes the segment of road specifically set forth in Exhibit 5-227 and as exists on the ground.

Acceptance of the 032302A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10610. The 032302A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10611. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032302A Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10612. The 032302A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032302A Road pursuant to the County's governmental right and authority.

10613. Public motor vehicle use of the 032302A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10614. The 032302A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10615. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032302A Road.

10616. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032302A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032305 Road

10617. The 032305 Road is designated as county road number 032305 and SGID road identification number RD244588 and is more or less 3.7 miles long.

10618. Exhibit 5-228 (attached hereto and incorporated herein) contains certain information pertaining to the 032305 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10619. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032305 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-228. The 032305 Road includes the segment of road specifically set forth in Exhibit 5-228 and as exists on the ground.

Acceptance of the 032305 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10620. The 032305 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10621. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032305 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10622. The 032305 Road appears on the Cliff Ridge (1968), and Jensen (1965) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10623. The 032305 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032305 Road pursuant to the County's governmental right and authority.

10624. Public motor vehicle use of the 032305 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10625. The 032305 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10626. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032305 Road.

10627. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032305 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

<u>032307A Road</u>

10628. The 032307A Road is designated as county road number 032307A and SGID road identification number RD244591 and is more or less 0.3 miles long.

10629. Exhibit 5-229 (attached hereto and incorporated herein) contains certain information pertaining to the 032307A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10630. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032307A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-229. The 032307A Road includes the segment of road specifically set forth in Exhibit 5-229 and as exists on the ground.

Acceptance of the 032307A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10631. The 032307A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10632. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032307A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10633. The 032307A Road appears on the Cliff Ridge (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10634. The 032307A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032307A Road pursuant to the County's governmental right and authority.

10635. Public motor vehicle use of the 032307A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10636. The 032307A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10637. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032307A Road.

10638. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032307A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

<u>032504 Road</u>

10639. The 032504 Road is designated as county road number 032504 and SGID road identification number RD244623 and is more or less 4.3 miles long.

10640. Exhibit 5-230 (attached hereto and incorporated herein) contains certain information pertaining to the 032504 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10641. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032504 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-230. The 032504 Road includes the segment of road specifically set forth in Exhibit 5-230 and as exists on the ground.

Acceptance of the 032504 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10642. The 032504 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10643. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032504 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10644. The 032504 Road appears on the Walsh Knolls (1968), and Dinosaur (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10645. The 032504 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032504 Road pursuant to the County's governmental right and authority.

10646. Public motor vehicle use of the 032504 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10647. The 032504 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10648. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032504 Road.

10649. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032504 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

<u>032504A Road</u>

10650. The 032504A Road is designated as county road number 032504A and SGID road identification number RD244624 and is more or less 1.7 miles long.

10651. Exhibit 5-231 (attached hereto and incorporated herein) contains certain information pertaining to the 032504A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10652. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032504A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-231. The 032504A Road includes the segment of road specifically set forth in Exhibit 5-231 and as exists on the ground.

Acceptance of the 032504A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10653. The 032504A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10654. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032504A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10655. The 032504A Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10656. The 032504A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032504A Road pursuant to the County's governmental right and authority.

10657. Public motor vehicle use of the 032504A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10658. The 032504A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10659. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032504A Road.

10660. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032504A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032504C Road

10661. The 032504C Road is designated as county road number 032504C and SGID road identification number RD244626 and is more or less 0.8 miles long.

10662. Exhibit 5-232 (attached hereto and incorporated herein) contains certain information pertaining to the 032504C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10663. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032504C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-232. The 032504C Road includes the segment of road specifically set forth in Exhibit 5-232 and as exists on the ground.

Acceptance of the 032504C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10664. The 032504C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10665. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032504C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10666. The 032504C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 032504C Road pursuant to the County's governmental right and authority.

10667. Public motor vehicle use of the 032504C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10668. The 032504C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10669. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032504C Road.

10670. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032504C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032504E Road

10671. The 032504E Road is designated as county road number 032504E and SGID road identification number RD244627 and is more or less 1.3 miles long.

10672. Exhibit 5-233 (attached hereto and incorporated herein) contains certain information pertaining to the 032504E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10673. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032504E Road solely as it crosses United States public land as included and specifically described in Exhibit 5-233. The 032504E Road includes the segment of road specifically set forth in Exhibit 5-233 and as exists on the ground.

Acceptance of the 032504E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10674. The 032504E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10675. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032504E Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10676. The 032504E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032504E Road pursuant to the County's governmental right and authority.

10677. Public motor vehicle use of the 032504E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10678. The 032504E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10679. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032504E Road.

10680. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032504E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032507 Road

10681. The 032507 Road is designated as county road number 032507 and SGID road identification number RD244634 and is more or less 0.3 miles long.

10682. Exhibit 5-234 (attached hereto and incorporated herein) contains certain information pertaining to the 032507 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10683. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032507 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-234. The 032507 Road includes the segment of road specifically set forth in Exhibit 5-234 and as exists on the ground.

Acceptance of the 032507 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10684. The 032507 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10685. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032507 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10686. The 032507 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032507 Road pursuant to the County's governmental right and authority.

10687. Public motor vehicle use of the 032507 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10688. The 032507 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10689. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032507 Road.

10690. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032507 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

050901 Road

10691. The 050901 Road is designated as county road number 050901 and SGID road identification number RD244869 and is more or less 2 miles long.

10692. Exhibit 5-235 (attached hereto and incorporated herein) contains certain information pertaining to the 050901 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10693. In this action, the State and County seek to quiet title to the public highway right-of-way for the 050901 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-235. The 050901 Road includes the segment of road specifically set forth in Exhibit 5-235 and as exists on the ground.

Acceptance of the 050901 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10694. The 050901 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10695. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 050901 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10696. The 050901 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 050901 Road pursuant to the County's governmental right and authority.

10697. Public motor vehicle use of the 050901 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10698. The 050901 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10699. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 050901 Road.

10700. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 050901 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150702B Road

10701. The 150702B Road is designated as county road number 150702B and SGID road identification number RD245533 and is more or less 0.5 miles long.

10702. Exhibit 5-236 (attached hereto and incorporated herein) contains certain information pertaining to the 150702B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10703. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150702B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-236. The 150702B Road includes the segment of road specifically set forth in Exhibit 5-236 and as exists on the ground.

Acceptance of the 150702B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10704. The 150702B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10705. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150702B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10706. The 150702B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150702B Road pursuant to the County's governmental right and authority.

10707. Public motor vehicle use of the 150702B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10708. The 150702B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10709. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150702B Road.

10710. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150702B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150716A Road

10711. The 150716A Road is designated as county road number 150716A and SGID road identification number RD245556 and is more or less 1.3 miles long.

10712. Exhibit 5-237 (attached hereto and incorporated herein) contains certain information pertaining to the 150716A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10713. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150716A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-237. The 150716A Road includes the segment of road specifically set forth in Exhibit 5-237 and as exists on the ground.

Acceptance of the 150716A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10714. The 150716A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10715. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before February 12, 1952.

10716. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150716A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10717. The 150716A Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10718. The 150716A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150716A Road pursuant to the County's governmental right and authority.

10719. Public motor vehicle use of the 150716A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10720. The 150716A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10721. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150716A Road.

10722. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150716A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150716B Road

10723. The 150716B Road is designated as county road number 150716B and SGID road identification number RD245557 and is more or less 0.3 miles long.

10724. Exhibit 5-238 (attached hereto and incorporated herein) contains certain information pertaining to the 150716B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10725. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150716B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-238. The 150716B Road includes the segment of road specifically set forth in Exhibit 5-238 and as exists on the ground.

Acceptance of the 150716B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10726. The 150716B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10727. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150716B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10728. The 150716B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150716B Road pursuant to the County's governmental right and authority.

10729. Public motor vehicle use of the 150716B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10730. The 150716B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10731. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150716B Road.

10732. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150716B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150717 Road

10733. The 150717 Road is designated as county road number 150717 and SGID road identification number RD245558 and is more or less 0.2 miles long.

10734. Exhibit 5-239 (attached hereto and incorporated herein) contains certain information pertaining to the 150717 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10735. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150717 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-239. The 150717 Road includes the segment of road specifically set forth in Exhibit 5-239 and as exists on the ground.

Acceptance of the 150717 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10736. The 150717 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10737. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150717 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10738. The 150717 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150717 Road pursuant to the County's governmental right and authority.

10739. Public motor vehicle use of the 150717 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10740. The 150717 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10741. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150717 Road.

10742. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150717 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150718 Road

10743. The 150718 Road is designated as county road number 150718 and SGID road identification number RD245559 and is more or less 1.1 miles long.

10744. Exhibit 5-240 (attached hereto and incorporated herein) contains certain information pertaining to the 150718 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10745. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150718 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-240. The 150718 Road includes the segment of road specifically set forth in Exhibit 5-240 and as exists on the ground.

Acceptance of the 150718 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10746. The 150718 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10747. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before January 21, 1967.

10748. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150718 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10749. The 150718 Road appears on the Dinosaur NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10750. The 150718 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150718 Road pursuant to the County's governmental right and authority.

10751. Public motor vehicle use of the 150718 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10752. The 150718 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10753. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150718 Road.

10754. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150718 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161401 Road

10755. The 161401 Road is designated as county road number 161401 and SGID road identification number RD245721 and is more or less 2 miles long.

10756. Exhibit 5-241 (attached hereto and incorporated herein) contains certain information pertaining to the 161401 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10757. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161401 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-241. The 161401 Road includes the segment of road specifically set forth in Exhibit 5-241 and as exists on the ground.

Acceptance of the 161401 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10758. The 161401 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10759. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161401 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10760. The 161401 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 161401 Road pursuant to the County's governmental right and authority.

10761. Public motor vehicle use of the 161401 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10762. The 161401 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10763. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161401 Road.

10764. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161401 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

170304A Road

10765. The 170304A Road is designated as county road number 170304A and SGID road identification number RD245791 and is more or less 0.2 miles long.

10766. Exhibit 5-242 (attached hereto and incorporated herein) contains certain information pertaining to the 170304A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10767. In this action, the State and County seek to quiet title to the public highway right-of-way for the 170304A Road solely as it crosses United States public land as included and specifically described in Exhibit 5-242. The 170304A Road includes the segment of road specifically set forth in Exhibit 5-242 and as exists on the ground.

Acceptance of the 170304A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10768. The 170304A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10769. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 170304A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10770. The 170304A Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10771. The 170304A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 170304A Road pursuant to the County's governmental right and authority.

10772. Public motor vehicle use of the 170304A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10773. The 170304A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10774. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 170304A Road.

10775. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 170304A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

171437 Road

10776. The 171437 Road is designated as county road number 171437 and SGID road identification number RD245917 and is more or less 2.1 miles long.

10777. Exhibit 5-243 (attached hereto and incorporated herein) contains certain information pertaining to the 171437 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10778. In this action, the State and County seek to quiet title to the public highway right-of-way for the 171437 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-243. The 171437 Road includes the segment of road specifically set forth in Exhibit 5-243 and as exists on the ground.

Acceptance of the 171437 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10779. The 171437 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10780. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before November 9, 1965.

10781. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 171437 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10782. The 171437 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 171437 Road pursuant to the County's governmental right and authority.

10783. Public motor vehicle use of the 171437 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10784. The 171437 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10785. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 171437 Road.

10786. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 171437 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181909D Road

10787. The 181909D Road is designated as county road number 181909D and SGID road identification number RD246095 and is more or less 1.7 miles long.

10788. Exhibit 5-244 (attached hereto and incorporated herein) contains certain information pertaining to the 181909D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10789. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181909D Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-244. The 181909D Road includes the segment of road specifically set forth in Exhibit 5-244 and as exists on the ground.

Acceptance of the 181909D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10790. The 181909D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10791. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before March 9, 1957.

10792. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181909D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10793. The 181909D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181909D Road pursuant to the County's governmental right and authority.

10794. Witnesses with personal knowledge of the history of the 181909D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10795. Currently known reputation in the community is that the 181909D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10796. Public motor vehicle use of the 181909D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10797. The 181909D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10798. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181909D Road.

10799. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181909D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181909E Road

10800. The 181909E Road is designated as county road number 181909E and SGID road identification number RD246096 and is more or less 0.5 miles long.

10801. Exhibit 5-245 (attached hereto and incorporated herein) contains certain information pertaining to the 181909E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10802. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181909E Road solely as it crosses United States public land as included and specifically described in Exhibit 5-245. The 181909E Road includes the segment of road specifically set forth in Exhibit 5-245 and as exists on the ground.

Acceptance of the 181909E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10803. The 181909E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10804. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181909E Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10805. The 181909E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 181909E Road pursuant to the County's governmental right and authority.

10806. Public motor vehicle use of the 181909E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10807. The 181909E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10808. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181909E Road.

10809. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181909E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181922 Road

10810. The 181922 Road is designated as county road number 181922 and SGID road identification number RD246119 and is more or less 0.8 miles long.

10811. Exhibit 5-246 (attached hereto and incorporated herein) contains certain information pertaining to the 181922 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10812. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181922 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-246. The 181922 Road includes the segment of road specifically set forth in Exhibit 5-246 and as exists on the ground.

Acceptance of the 181922 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10813. The 181922 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10814. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181922 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10815. The 181922 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181922 Road pursuant to the County's governmental right and authority.

10816. Witnesses with personal knowledge of the history of the 181922 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181922 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10817. Public motor vehicle use of the 181922 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10818. The 181922 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10819. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181922 Road.

10820. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181922 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181909F Road

10821. The 181909F Road is designated as county road number 181909F and SGID road identification number RD246097 and is more or less 1.1 miles long.

10822. Exhibit 5-247 (attached hereto and incorporated herein) contains certain information pertaining to the 181909F Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10823. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181909F Road solely as it crosses United States public land as included and

specifically described in Exhibit 5-247. The 181909F Road includes the segment of road specifically set forth in Exhibit 5-247 and as exists on the ground.

Acceptance of the 181909F Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10824. The 181909F Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10825. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181909F Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10826. The 181909F Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181909F Road pursuant to the County's governmental right and authority.

10827. Public motor vehicle use of the 181909F Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10828. The 181909F Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10829. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181909F Road.

10830. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181909F Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181914 Road

10831. The 181914 Road is designated as county road number 181914 and SGID road identification number RD246106 and is more or less 4.7 miles long.

10832. Exhibit 5-248 (attached hereto and incorporated herein) contains certain information pertaining to the 181914 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10833. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181914 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-248. The 181914 Road includes the segment of road specifically set forth in Exhibit 5-248 and as exists on the ground.

Acceptance of the 181914 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10834. The 181914 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10835. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181914 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10836. The 181914 Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10837. The 181914 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181914 Road pursuant to the County's governmental right and authority.

10838. Public motor vehicle use of the 181914 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10839. The 181914 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10840. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181914 Road.

10841. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181914 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181914C Road

10842. The 181914C Road is designated as county road number 181914C and SGID road identification number RD246107 and is more or less 0.1 miles long.

10843. Exhibit 5-249 (attached hereto and incorporated herein) contains certain information pertaining to the 181914C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10844. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181914C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-249. The 181914C Road includes the segment of road specifically set forth in Exhibit 5-249 and as exists on the ground.

Acceptance of the 181914C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10845. The 181914C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10846. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181914C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10847. The 181914C Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10848. The 181914C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181914C Road pursuant to the County's governmental right and authority.

10849. Public motor vehicle use of the 181914C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10850. The 181914C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10851. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181914C Road.

10852. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181914C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181914D Road

10853. The 181914D Road is designated as county road number 181914D and SGID road identification number RD246108 and is more or less 0.5 miles long.

10854. Exhibit 5-250 (attached hereto and incorporated herein) contains certain information pertaining to the 181914D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10855. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181914D Road solely as it crosses United States public land as included and specifically described in Exhibit 5-250. The 181914D Road includes the segment of road specifically set forth in Exhibit 5-250 and as exists on the ground.

Acceptance of the 181914D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10856. The 181914D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10857. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181914D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10858. The 181914D Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10859. The 181914D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181914D Road pursuant to the County's governmental right and authority.

10860. Public motor vehicle use of the 181914D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10861. The 181914D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10862. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181914D Road.

10863. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181914D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182711C Road

10864. The 182711C Road is designated as county road number 182711C and SGID road identification number RD246205 and is more or less 0.6 miles long.

10865. Exhibit 5-251 (attached hereto and incorporated herein) contains certain information pertaining to the 182711C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10866. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182711C Road solely as it crosses United States public land as included and specifically described in Exhibit 5-251. The 182711C Road includes the segment of road specifically set forth in Exhibit 5-251 and as exists on the ground.

Acceptance of the 182711C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10867. The 182711C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10868. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182711C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10869. The 182711C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182711C Road pursuant to the County's governmental right and authority.

10870. Witnesses with personal knowledge of the history of the 182711C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182711C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10871. Public motor vehicle use of the 182711C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10872. The 182711C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10873. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182711C Road.

10874. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182711C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

307001 Road

10875. The 307001 Road is designated as county road number 307001 and SGID road identification number RD246600 and is more or less 1.6 miles long.

10876. Exhibit 5-252 (attached hereto and incorporated herein) contains certain information pertaining to the 307001 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10877. In this action, the State and County seek to quiet title to the public highway right-of-way for the 307001 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-252. The 307001 Road includes the segment of road specifically set forth in Exhibit 5-252 and as exists on the ground.

Acceptance of the 307001 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10878. The 307001 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10879. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 307001 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10880. The 307001 Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10881. The 307001 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 307001 Road pursuant to the County's governmental right and authority.

10882. Public motor vehicle use of the 307001 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10883. The 307001 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10884. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 307001 Road.

10885. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 307001 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

UC29 Road

10886. The UC29 Road is designated as county road number UC29 and SGID road identification number RD246649 and is more or less 0.5 miles long.

10887. Exhibit 5-253 (attached hereto and incorporated herein) contains certain information pertaining to the UC29 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10888. In this action, the State and County seek to quiet title to the public highway right-of-way for the UC29 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-253. The UC29 Road includes the segment of road specifically set forth in Exhibit 5-253 and as exists on the ground.

Acceptance of the UC29 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10889. The UC29 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10890. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the UC29 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10891. The UC29 Road appears on the Southam Canyon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10892. The UC29 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the UC29 Road pursuant to the County's governmental right and authority.

10893. Public motor vehicle use of the UC29 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10894. The UC29 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10895. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the UC29 Road.

10896. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the UC29 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182717 Road

10897. The 182717 Road is designated as county road number 182717 and SGID road identification number RD246222 and is more or less 0.5 miles long.

10898. Exhibit 5-254 (attached hereto and incorporated herein) contains certain information pertaining to the 182717 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10899. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182717 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-254. The 182717 Road includes the segment of road specifically set forth in Exhibit 5-254 and as exists on the ground.

Acceptance of the 182717 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10900. The 182717 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10901. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182717 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10902. The 182717 Road appears on the Walsh Knolls (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10903. The 182717 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182717 Road pursuant to the County's governmental right and authority.

10904. Witnesses with personal knowledge of the history of the 182717 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182717 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10905. Public motor vehicle use of the 182717 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10906. The 182717 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10907. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182717 Road.

10908. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182717 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182718 Road

10909. The 182718 Road is designated as county road number 182718 and SGID road identification number RD246223 and is more or less 0.3 miles long.

10910. Exhibit 5-255 (attached hereto and incorporated herein) contains certain information pertaining to the 182718 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10911. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182718 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-255. The 182718 Road includes the segment of road specifically set forth in Exhibit 5-255 and as exists on the ground.

Acceptance of the 182718 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10912. The 182718 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10913. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182718 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10914. The 182718 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182718 Road pursuant to the County's governmental right and authority.

10915. Witnesses with personal knowledge of the history of the 182718 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182718 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10916. Public motor vehicle use of the 182718 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10917. The 182718 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10918. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182718 Road.

10919. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182718 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004523 Road

10920. The 004523 Road is designated as county road number 004523 and SGID road identification number RD243886 and is more or less 2.5 miles long.

10921. Exhibit 5-256 (attached hereto and incorporated herein) contains certain information pertaining to the 004523 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10922. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004523 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-256. The 004523 Road includes the segment of road specifically set forth in Exhibit 5-256 and as exists on the ground.

Acceptance of the 004523 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10923. The 004523 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10924. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004523 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10925. The 004523 Road appears on the Rasmussen Hollow (1965) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10926. The 004523 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004523 Road pursuant to the County's governmental right and authority.

10927. Witnesses with personal knowledge of the history of the 004523 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004523 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10928. Public motor vehicle use of the 004523 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10929. The 004523 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10930. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004523 Road.

10931. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004523 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004568B Road

10932. The 004568B Road is designated as county road number 004568B and SGID road identification number RD243971 and is more or less 0.9 miles long.

10933. Exhibit 5-257 (attached hereto and incorporated herein) contains certain information pertaining to the 004568B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10934. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004568B Road solely as it crosses United States public land as included and specifically described in Exhibit 5-257. The 004568B Road includes the segment of road specifically set forth in Exhibit 5-257 and as exists on the ground.

Acceptance of the 004568B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10935. The 004568B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10936. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004568B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10937. The 004568B Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10938. The 004568B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004568B Road pursuant to the County's governmental right and authority.

10939. Witnesses with personal knowledge of the history of the 004568B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004568B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10940. Public motor vehicle use of the 004568B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10941. The 004568B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10942. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004568B Road.

10943. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004568B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150702 Road

10944. The 150702 Road is designated as county road number 150702 and SGID road identification number RD245532 and is more or less 4 miles long.

10945. Exhibit 5-258 (attached hereto and incorporated herein) contains certain information pertaining to the 150702 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10946. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150702 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-258. The 150702 Road includes the segment of road specifically set forth in Exhibit 5-258 and as exists on the ground.

Acceptance of the 150702 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10947. The 150702 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10948. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150702 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10949. The 150702 Road appears on the Dinosaur (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10950. The 150702 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150702 Road pursuant to the County's governmental right and authority.

10951. Witnesses with personal knowledge of the history of the 150702 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150702 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10952. Public motor vehicle use of the 150702 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10953. The 150702 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10954. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150702 Road.

10955. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150702 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

181907 Road

10956. The 181907 Road is designated as county road number 181907 and SGID road identification number RD246090 and is more or less 0.6 miles long.

10957. Exhibit 5-259 (attached hereto and incorporated herein) contains certain information pertaining to the 181907 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10958. In this action, the State and County seek to quiet title to the public highway right-of-way for the 181907 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-259. The 181907 Road includes the segment of road specifically set forth in Exhibit 5-259 and as exists on the ground.

Acceptance of the 181907 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10959. The 181907 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10960. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181907 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10961. The 181907 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181907 Road pursuant to the County's governmental right and authority.

10962. Witnesses with personal knowledge of the history of the 181907 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181907 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10963. Public motor vehicle use of the 181907 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10964. The 181907 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10965. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181907 Road.

10966. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181907 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182403 Road

10967. The 182403 Road is designated as county road number 182403 and SGID road identification number RD246147 and is more or less 2.3 miles long.

10968. Exhibit 5-260 (attached hereto and incorporated herein) contains certain information pertaining to the 182403 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10969. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182403 Road solely as it crosses United States public land as included and specifically described in Exhibit 5-260. The 182403 Road includes the segment of road specifically set forth in Exhibit 5-260 and as exists on the ground.

Acceptance of the 182403 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10970. The 182403 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

10971. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182403 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10972. The 182403 Road appears on the Dinosaur NW (1968) and Cliff Ridge (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10973. The 182403 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182403 Road pursuant to the County's governmental right and authority.

10974. Public motor vehicle use of the 182403 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10975. The 182403 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10976. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182403 Road.

10977. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182403 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

SIXTH CAUSE OF ACTION – QUIET TITLE
GLEN BENCH AREA

10978. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

10979. The Glen Bench Area is located in Eastern-Central Uintah County in the eastern region of Utah.

10980. The Glen Bench Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Baeser Wash Road, 3240; (2) Deseret Power Plant Road, 3360; (3) Fidlar Road, 3410; (4) Glen Bench Road, 3260; (5) Harmstons Hole Road, 3230; (6) Little Bonanza Road, 3430; (7) Little Emma Road, 3425; (8) Seven Sisters Road, 3420; (9) Stirrup Loop Road, 3210; (10) Stirrup Road, 3220; (11) Wonsits Valley Road, 3250; (12) Wyasket Bottom Road, 3215; (13) 004571 Road; (14) 004571A Road; (15) 020218 Road; (16) 030713C Road; (17) 030723B Road; (18) 030723D Road; (19) 030724 Road; (20) 030724B Road; (21) 030724C Road; (22) 030724D Road; (23) 030724E Road; (24) 032502 Road; (25) 032502A Road; (26) Baesar Wash Road, 3240D; (27) Coyote Wash Road, 0325; (28) Fantasy Canyon Road, 030704; (29) Hatch Reservoir Road, 0808; (30) Johnson Bottom Spur Road, 1006A; (31) Little Emma Road, 3245; (32) North Atchee Wash Road, 1499; (33) Pad Well Road, 180701; (34) Pipeline1 Road, 1618; (35) 020207 Road; (36) 030702 Road; (37)

030713 Road; (38) 030724A Road; (39) 3420A Road; (40) 030701 Road; (41) 030701A Road; (42) 030701B Road; (43) 030705 Road; (44) 030706 Road; (45) 030709 Road; (46) 030709A Road; (47) 030716 Road; (48) 030718 Road; (49) 030721 Road; (50) 030721C Road; (51) 030721I Road; (52) 030721K Road; (53) 030721N Road; (54) 030721P Road; (55) 030721Q Road; (56) 030721R Road; (57) 030722 Road; (58) 030723A Road; (59) 030724F Road; (60) 040801 Road; (61) 080801 Road; (62) 080804 Road; (63) 120401 Road; (64) 120401C Road; (65) 180702 Road; (66) 180702A Road; (67) Johnson Bottom Road, 1006; (68) 182806 Road; (69) 182806B Road; (70) 182806C Road; (71) Cottonwood Bottom Ranch Road, 0321; (72) Stirrup Loop Road, 3210; (73) 004533 Road; (74) 004533A Road; (75) 004534 Road; (76) 004534H Road; (77) 004534I Road; (78) 004534L Road; (79) 004534N Road; (80) 004535O Road; (81) 004536 Road; (82) 004541 Road; (83) 004541B Road; (84) 004541I Road; (85) 004547 Road; (86) 070238 Road; (87) 342001 Road; (88) 110301 Road; (89) 110303 Road; (90) 110303A Road; (91) 161801 Road; (92) 161801A Road; (93) 161801B Road; (94) 222301 Road; (95) 222302 Road; (96) 080805 Road; (97) 222304 Road; (98) 222315 Road; (99) 222315A Road; (100) 222315B Road; (101) 222315E Road; (102) 222315F Road; (103) Pipe Line Road, 1612; (104) 004520C Road; (105) 020202 Road; (106) 020204 Road; (107) 020204D Road; (108) 020212 Road; (109) 020212A Road; (110) 070234 Road; (111) 120402 Road; (112) 182801 Road; (113) 182804 Road; (114) 222306A Road; (115) 222315D Road; (116) 222321A Road; (117) 342002 Road; (118) 032505D Road; (119) 182701D Road; (120) 182703E Road; (121) 004520 Road; (122) 004520A Road; (123) 011001 Road; (124) 030703 Road; (125) 030707 Road; (126) 030712 Road; (127) 030719 Road; (128) 032501A Road; (129) 070226 Road; (130) 070229 Road; (131) 342004B Road.

10981. Each right-of-way claimed in the Glen Bench Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

10982. All rights-of-way claimed in the Glen Bench Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

10983. All rights-of-way claimed in the Glen Bench Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

10984. Prior to October 21, 1976, the State of Utah, Uintah County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Baeser Wash Road, 3240

10985. The Baeser Wash Road is designated as county road number 3240 and SGID road identification number RD240443 and is more or less 4.7 miles long.

10986. Exhibit 6-1 (attached hereto and incorporated herein) contains certain information pertaining to the Baeser Wash Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

10987. In this action, the State and County seek to quiet title to the public highway right-of-way for the Baeser Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 6-1. The Baeser Wash Road includes the segment of road specifically set forth in Exhibit 6-1 and as exists on the ground.

Acceptance of the Baeser Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

10988. The Baeser Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

10989. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Baeser Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

10990. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

10991. The Baeser Wash Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

10992. Witnesses with personal knowledge of the history of the Baeser Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

10993. Currently known reputation in the community is that the Baeser Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

10994. Public motor vehicle use of the Baeser Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

10995. The Baeser Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

10996. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Baeser Wash Road.

10997. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Baeser Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Deseret Power Plant Road, 3360

10998. The Deseret Power Plant Road is designated as county road number 3360 and SGID road identification number RD241080 and is more or less 4.0 miles long.

10999. Exhibit 6-2 (attached hereto and incorporated herein) contains certain information pertaining to the Deseret Power Plant Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11000. In this action, the State and County seek to quiet title to the public highway right-of-way for the Deseret Power Plant Road solely as it crosses United States public land as included and specifically described in Exhibit 6-2. The Deseret Power Plant Road includes the segment of road specifically set forth in Exhibit 6-2 and as exists on the ground.

Acceptance of the Deseret Power Plant Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11001. The Deseret Power Plant Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11002. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Deseret Power Plant Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11003. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

11004. Witnesses with personal knowledge of the history of the Deseret Power Plant Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11005. Currently known reputation in the community is that the Deseret Power Plant Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11006. Public motor vehicle use of the Deseret Power Plant Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11007. The Deseret Power Plant Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11008. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Deseret Power Plant Road.

11009. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Deseret Power Plant Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Fidlar Road, 3410

11010. The Fidlar Road is designated as county road number 3410 and SGID road identification number RD240784 and is more or less 18.2 miles long.

11011. Exhibit 6-3 (attached hereto and incorporated herein) contains certain information pertaining to the Fidlar Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11012. In this action, the State and County seek to quiet title to the public highway right-of-way for the Fidlar Road solely as it crosses United States public land as included and specifically described in Exhibit 6-3. The Fidlar Road includes the segment of road specifically set forth in Exhibit 6-3 and as exists on the ground.

Acceptance of the Fidlar Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11013. The Fidlar Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11014. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Fidlar Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11015. The Fidlar Road appears on the Bonanza (1968), Red Wash SE (1968) and Red Wash SW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11016. The County confirmed its acceptance of the Fidlar Road by 1947, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Fidlar Road using public funds pursuant to the County's governmental right and authority.

11017. Witnesses with personal knowledge of the history of the Fidlar Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11018. Currently known reputation in the community is that the Fidlar Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11019. Public motor vehicle use of the Fidlar Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11020. The Fidlar Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11021. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Fidlar Road.

11022. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Fidlar Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Glen Bench Road, 3260

11023. The Glen Bench Road is designated as county road number 3260 and SGID road identification number RD241340 and is more or less 29.1 miles long.

11024. Exhibit 6-4 (attached hereto and incorporated herein) contains certain information pertaining to the Glen Bench Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11025. In this action, the State and County seek to quiet title to the public highway right-of-way for the Glen Bench Road solely as it crosses United States public land as included and specifically described in Exhibit 6-4. The Glen Bench Road includes the segment of road specifically set forth in Exhibit 6-4 and as exists on the ground.

Acceptance of the Glen Bench Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11026. The Glen Bench Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11027. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for The Glen Bench Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11028. The Glen Bench Road appears on the Red Wash (1968), Red Wash NW (1968), Red Wash SW (1968), Ouray SE (1964) and Big Pack MTN NE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11029. The County confirmed its acceptance of the Glen Bench Road by 1963, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Glen Bench Road using public funds pursuant to the County's governmental right and authority.

11030. Witnesses with personal knowledge of the history of the Glen Bench Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a

continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11031. Currently known reputation in the community is that the Glen Bench Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11032. Public motor vehicle use of the Glen Bench Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11033. The Glen Bench Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11034. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Glen Bench Road.

11035. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Glen Bench Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Harmstons Hole Road, 3230

11036. The Harmstons Hole Road is designated as county road number 3230 and SGID road identification number RD241585 and is more or less 8.0 miles long.

11037. Exhibit 6-5 (attached hereto and incorporated herein) contains certain information pertaining to the Harmstons Hole Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11038. In this action, the State and County seek to quiet title to the public highway right-of-way for the Harmstons Hole Road solely as it crosses United States public land as included and specifically described in Exhibit 6-5. The Harmstons Hole Road includes the segment of road specifically set forth in Exhibit 6-5 and as exists on the ground.

Acceptance of the Harmstons Hole Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11039. The Harmstons Hole Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11040. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the Harmstons Hole Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11041. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-

way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

11042. The Harmstons Hole Road appears on the Brennan Basin (1964) and Red Wash NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11043. Witnesses with personal knowledge of the history of the Harmstons Hole Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11044. Currently known reputation in the community is that the Harmstons Hole Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11045. Public motor vehicle use of the Harmstons Hole Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11046. The Harmstons Hole Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11047. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Harmstons Hole Road.

11048. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Harmstons Hole Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Little Bonanza Road, 3430

11049. The Little Bonanza Road is designated as county road number 3430 and SGID road identification number RD241817 and is more or less 3.4 miles long.

11050. Exhibit 6-6 (attached hereto and incorporated herein) contains certain information pertaining to the Little Bonanza Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11051. In this action, the State and County seek to quiet title to the public highway right-of-way for the Little Bonanza Road solely as it crosses United States public land as included and specifically described in Exhibit 6-6. The Little Bonanza Road includes the segment of road specifically set forth in Exhibit 6-6 and as exists on the ground.

Acceptance of the Little Bonanza Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11052. The Little Bonanza Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands

including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11053. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Little Bonanza Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11054. The Little Bonanza Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11055. The County confirmed its acceptance of the Little Bonanza Road by 1947, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Little Bonanza Road using public funds pursuant to the County's governmental right and authority.

11056. Witnesses with personal knowledge of the history of the Little Bonanza Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11057. Currently known reputation in the community is that the Little Bonanza Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11058. Public motor vehicle use of the Little Bonanza Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11059. The Little Bonanza Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11060. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Little Bonanza Road.

11061. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Little Bonanza Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Little Emma Road, 3425

11062. The Little Emma Road is designated as county road number 3425 and SGID road identification number RD240828 and is more or less 1.9 miles long.

11063. Exhibit 6-7 (attached hereto and incorporated herein) contains certain information pertaining to the Little Emma Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11064. In this action, the State and County seek to quiet title to the public highway right-of-way for the Little Emma Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-7. The Little Emma Road includes the segment of road specifically set forth in Exhibit 6-7 and as exists on the ground.

Acceptance of the Little Emma Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11065. The Little Emma Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11066. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Little Emma Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11067. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

11068. The Little Emma Road appears on the Bonanza (1968) and Southam Canyon (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11069. Witnesses with personal knowledge of the history of the Little Emma Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11070. Currently known reputation in the community is that the Little Emma Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11071. Public motor vehicle use of the Little Emma Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11072. The Little Emma Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11073. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Little Emma Road.

11074. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Little Emma Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Seven Sisters Road, 3420

11075. The Seven Sisters Road is designated as county road number 3420 and SGID road identification number RD242767 and is more or less 17.5 miles long.

11076. Exhibit 6-8 (attached hereto and incorporated herein) contains certain information pertaining to the Seven Sisters Road including: a map depicting the road; township, range and

section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11077. In this action, the State and County seek to quiet title to the public highway right-of-way for the Seven Sisters Road solely as it crosses United States public land as included and specifically described in Exhibit 6-8. The Seven Sisters Road includes the segment of road specifically set forth in Exhibit 6-8 and as exists on the ground.

Acceptance of the Seven Sisters Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11078. The Seven Sisters Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11079. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Seven Sisters Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11080. The Seven Sisters Road appears on the Red Wash SW (1968), Red Wash SE (1968), Asphalt Wash (1968), Archy Bench (1968) and Bonanza (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11081. The County confirmed its acceptance of the Seven Sisters Road by 1954, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Seven Sisters Road using public funds pursuant to the County's governmental right and authority.

11082. Witnesses with personal knowledge of the history of the Seven Sisters Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11083. Currently known reputation in the community is that the Seven Sisters Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11084. Public motor vehicle use of the Seven Sisters Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11085. The Seven Sisters Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11086. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Seven Sisters Road.

11087. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Seven Sisters Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Stirrup Loop Road, 3210

11088. The Stirrup Loop Road is designated as county road number 3210 and SGID road identification number RD242911 and is more or less 1.4 miles long.

11089. Exhibit 6-9 (attached hereto and incorporated herein) contains certain information pertaining to the Stirrup Loop Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11090. In this action, the State and County seek to quiet title to the public highway right-of-way for the Stirrup Loop Road solely as it crosses United States public land as included and specifically described in Exhibit 6-9. The Stirrup Loop Road includes the segment of road specifically set forth in Exhibit 6-9 and as exists on the ground.

Acceptance of the Stirrup Loop Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11091. The Stirrup Loop Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands

including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11092. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before September 4, 1969.

11093. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Stirrup Loop Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11094. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

11095. The Stirrup Loop Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11096. Witnesses with personal knowledge of the history of the Stirrup Loop Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11097. Currently known reputation in the community is that the Stirrup Loop Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11098. Public motor vehicle use of the Stirrup Loop Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11099. The Stirrup Loop Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11100. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Stirrup Loop Road.

11101. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Stirrup Loop Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Stirrup Road, 3220

11102. The Stirrup Road is designated as county road number 3220 and SGID road identification number RD242978 and is more or less 9.6 miles long.

11103. Exhibit 6-10 (attached hereto and incorporated herein) contains certain information pertaining to the Stirrup Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11104. In this action, the State and County seek to quiet title to the public highway right-of-way for the Stirrup Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-10. The Stirrup Road includes the segment of road specifically set forth in Exhibit 6-10 and as exists on the ground.

Acceptance of the Stirrup Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11105. The Stirrup Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11106. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the Stirrup Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11107. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

11108. The Stirrup Road appears on the Vernal SE (1964), Brennan Basin (1964) and Red Wash NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11109. Witnesses with personal knowledge of the history of the Stirrup Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11110. Currently known reputation in the community is that the Stirrup Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11111. Public motor vehicle use of the Stirrup Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11112. The Stirrup Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11113. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Stirrup Road.

11114. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Stirrup Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Wonsits Valley Road, 3250

11115. The Wonsits Valley Road is designated as county road number 3250 and SGID road identification number RD243444 and is more or less 17.9 miles long.

11116. Exhibit 6-11 (attached hereto and incorporated herein) contains certain information pertaining to the Wonsits Valley Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11117. In this action, the State and County seek to quiet title to the public highway right-of-way for the Wonsits Valley Road solely as it crosses United States public land as included and specifically described in Exhibit 6-11. The Wonsits Valley Road includes the segment of road specifically set forth in Exhibit 6-11 and as exists on the ground.

Acceptance of the Wonsits Valley Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11118. The Wonsits Valley Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11119. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the Wonsits Valley Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11120. The Wonsits Valley Road appears on the Red Wash (1968), Red Wash NW (1968), Brennan Basin (1964) and Ouray SE (1964) USGS 7.5 minute quadrangle maps, which

evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11121. The County confirmed its acceptance of the Wonsits Valley Road by 1963, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Wonsits Valley Road using public funds pursuant to the County's governmental right and authority.

11122. Witnesses with personal knowledge of the history of the Wonsits Valley Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11123. Currently known reputation in the community is that the Wonsits Valley Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11124. Public motor vehicle use of the Wonsits Valley Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11125. The Wonsits Valley Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11126. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Wonsits Valley Road.

11127. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Wonsits Valley Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Wyasket Bottom Road, 3215

11128. The Wyasket Bottom Road is designated as county road number 3215 and SGID road identification number RD243442 and is more or less 10.6 miles long.

11129. Exhibit 6-12 (attached hereto and incorporated herein) contains certain information pertaining to the Wyasket Bottom Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11130. In this action, the State and County seek to quiet title to the public highway right-of-way for the Wyasket Bottom Road solely as it crosses United States public land as included and specifically described in Exhibit 6-12. The Wyasket Bottom Road includes the segment of road specifically set forth in Exhibit 6-12 and as exists on the ground.

Acceptance of the Wyasket Bottom Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11131. The Wyasket Bottom Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11132. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Wyasket Bottom Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11133. The Wyasket Bottom Road appears on the Ouray (1964), Ouray SE (1964) and Brennan Basin (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11134. The County confirmed its acceptance of the Wyasket Bottom Road by 1963, when it designated and accepted the road as a County highway on the County's general highway map. *See* Utah Code Ann. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Wyasket Bottom Road using public funds pursuant to the County's governmental right and authority.

11135. Witnesses with personal knowledge of the history of the Wyasket Bottom Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

11136. Currently known reputation in the community is that the Wyasket Bottom Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11137. Public motor vehicle use of the Wyasket Bottom Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11138. The Wyasket Bottom Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11139. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Wyasket Bottom Road.

11140. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Wyasket Bottom Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004571 Road

11141. The 004571 Road is designated as county road number 004571 and SGID road identification number RD243975 and is more or less 0.9 miles long.

11142. Exhibit 6-13 (attached hereto and incorporated herein) contains certain information pertaining to the 004571 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11143. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004571 Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-13. The 004571 Road includes the segment of road specifically set forth in Exhibit 6-13 and as exists on the ground.

Acceptance of the 004571 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11144. The 004571 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11145. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004571 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11146. The 004571 Road appears on the Southam Canyon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11147. The 004571 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004571 Road pursuant to the County's governmental right and authority.

11148. Witnesses with personal knowledge of the history of the 004571 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004571 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11149. Public motor vehicle use of the 004571 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11150. The 004571 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11151. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004571 Road.

11152. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004571 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004571A Road

11153. The 004571A Road is designated as county road number 004571A and SGID road identification number RD243976 and is more or less 1.4 miles long.

11154. Exhibit 6-14 (attached hereto and incorporated herein) contains certain information pertaining to the 004571A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11155. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004571A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-14. The 004571A Road includes the segment of road specifically set forth in Exhibit 6-14 and as exists on the ground.

Acceptance of the 004571A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11156. The 004571A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11157. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004571A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11158. The 004571A Road appears on the Southam Canyon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11159. The 004571A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004571A Road pursuant to the County's governmental right and authority.

11160. Witnesses with personal knowledge of the history of the 004571A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004571A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11161. Public motor vehicle use of the 004571A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11162. The 004571A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11163. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004571A Road.

11164. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004571A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020218 Road

11165. The 020218 Road is designated as county road number 020218 and SGID road identification number RD244165 and is more or less 0.4 miles long.

11166. Exhibit 6-15 (attached hereto and incorporated herein) contains certain information pertaining to the 020218 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11167. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020218 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-15. The 020218 Road includes the segment of road specifically set forth in Exhibit 6-15 and as exists on the ground.

Acceptance of the 020218 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11168. The 020218 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11169. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 020218 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11170. The 020218 Road appears on the Brennan Basin (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11171. The 020218 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020218 Road pursuant to the County's governmental right and authority.

11172. Witnesses with personal knowledge of the history of the 020218 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 020218 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11173. Public motor vehicle use of the 020218 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11174. The 020218 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11175. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020218 Road.

11176. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020218 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

<u>030713C Road</u>

11177. The 030713C Road is designated as county road number 030713C and SGID road identification number RD244458 and is more or less 2 miles long.

11178. Exhibit 6-16 (attached hereto and incorporated herein) contains certain information pertaining to the 030713C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11179. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030713C Road solely as it crosses United States public land as included and specifically described in Exhibit 6-16. The 030713C Road includes the segment of road specifically set forth in Exhibit 6-16 and as exists on the ground.

Acceptance of the 030713C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11180. The 030713C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11181. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030713C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11182. The 030713C Road appears on the Asphalt Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11183. The 030713C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030713C Road pursuant to the County's governmental right and authority.

11184. Witnesses with personal knowledge of the history of the 030713C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030713C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11185. Public motor vehicle use of the 030713C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11186. The 030713C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11187. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030713C Road.

11188. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030713C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030723B Road

11189. The 030723B Road is designated as county road number 030723B and SGID road identification number RD244475 and is more or less 2.7 miles long.

11190. Exhibit 6-17 (attached hereto and incorporated herein) contains certain information pertaining to the 030723B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11191. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030723B Road solely as it crosses United States public land as included and specifically described in Exhibit 6-17. The 030723B Road includes the segment of road specifically set forth in Exhibit 6-17 and as exists on the ground.

Acceptance of the 030723B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11192. The 030723B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11193. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030723B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11194. The 030723B Road appears on the Southam Canyon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11195. The 030723B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030723B Road pursuant to the County's governmental right and authority.

11196. Witnesses with personal knowledge of the history of the 030723B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030723B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11197. Public motor vehicle use of the 030723B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11198. The 030723B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11199. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030723B Road.

11200. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030723B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030723D Road

11201. The 030723D Road is designated as county road number 030723D and SGID road identification number RD244477 and is more or less 3.9 miles long.

11202. Exhibit 6-18 (attached hereto and incorporated herein) contains certain information pertaining to the 030723D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11203. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030723D Road solely as it crosses United States public land as included and specifically described in Exhibit 6-18. The 030723D Road includes the segment of road specifically set forth in Exhibit 6-18 and as exists on the ground.

Acceptance of the 030723D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11204. The 030723D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11205. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030723D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11206. The 030723D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030723D Road pursuant to the County's governmental right and authority.

11207. Witnesses with personal knowledge of the history of the 030723D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 030723D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11208. Public motor vehicle use of the 030723D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11209. The 030723D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11210. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030723D Road.

11211. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030723D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030724 Road

11212. The 030724 Road is designated as county road number 030724 and SGID road identification number RD244478 and is more or less 4.6 miles long.

11213. Exhibit 6-19 (attached hereto and incorporated herein) contains certain information pertaining to the 030724 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11214. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030724 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-19. The 030724 Road includes the segment of road specifically set forth in Exhibit 6-19 and as exists on the ground.

Acceptance of the 030724 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11215. The 030724 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11216. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030724 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11217. The 030724 Road appears on the Southam Canyon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11218. The 030724 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030724 Road pursuant to the County's governmental right and authority.

11219. Witnesses with personal knowledge of the history of the 030724 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030724 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11220. Public motor vehicle use of the 030724 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11221. The 030724 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11222. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030724 Road.

11223. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030724 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030724B Road

11224. The 030724B Road is designated as county road number 030724B and SGID road identification number RD244480 and is more or less 0.1 miles long.

11225. Exhibit 6-20 (attached hereto and incorporated herein) contains certain information pertaining to the 030724B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11226. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030724B Road solely as it crosses United States public land as included and specifically described in Exhibit 6-20. The 030724B Road includes the segment of road specifically set forth in Exhibit 6-20 and as exists on the ground.

Acceptance of the 030724B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11227. The 030724B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11228. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030724B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11229. The 030724B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030724B Road pursuant to the County's governmental right and authority.

11230. Witnesses with personal knowledge of the history of the 030724B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030724B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11231. Public motor vehicle use of the 030724B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11232. The 030724B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11233. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030724B Road.

11234. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030724B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030724C Road

11235. The 030724C Road is designated as county road number 030724C and SGID road identification number RD244481 and is more or less 1.1 miles long.

11236. Exhibit 6-21 (attached hereto and incorporated herein) contains certain information pertaining to the 030724C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11237. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030724C Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-21. The 030724C Road includes the segment of road specifically set forth in Exhibit 6-21 and as exists on the ground.

Acceptance of the 030724C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11238. The 030724C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11239. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030724C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11240. The 030724C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030724C Road pursuant to the County's governmental right and authority.

11241. Witnesses with personal knowledge of the history of the 030724C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030724C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11242. Public motor vehicle use of the 030724C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11243. The 030724C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11244. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030724C Road.

11245. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030724C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030724D Road

11246. The 030724D Road is designated as county road number 030724D and SGID road identification number RD244482 and is more or less 0.7 miles long.

11247. Exhibit 6-22 (attached hereto and incorporated herein) contains certain information pertaining to the 030724D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11248. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030724D Road solely as it crosses United States public land as included and specifically described in Exhibit 6-22. The 030724D Road includes the segment of road specifically set forth in Exhibit 6-22 and as exists on the ground.

Acceptance of the 030724D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11249. The 030724D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11250. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030724D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11251. The 030724D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030724D Road pursuant to the County's governmental right and authority.

11252. Witnesses with personal knowledge of the history of the 030724D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030724D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11253. Public motor vehicle use of the 030724D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11254. The 030724D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11255. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030724D Road.

11256. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030724D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030724E Road

11257. The 030724E Road is designated as county road number 030724E and SGID road identification number RD244483 and is more or less 0.6 miles long.

11258. Exhibit 6-23 (attached hereto and incorporated herein) contains certain information pertaining to the 030724E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11259. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030724E Road solely as it crosses United States public land as included and specifically described in Exhibit 6-23. The 030724E Road includes the segment of road specifically set forth in Exhibit 6-23 and as exists on the ground.

Acceptance of the 030724E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11260. The 030724E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11261. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030724E Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11262. The 030724E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030724E Road pursuant to the County's governmental right and authority.

11263. Witnesses with personal knowledge of the history of the 030724E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030724E Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11264. Public motor vehicle use of the 030724E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11265. The 030724E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11266. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030724E Road.

11267. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030724E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032502 Road

11268. The 032502 Road is designated as county road number 032502 and SGID road identification number RD244618 and is more or less 0.7 miles long.

11269. Exhibit 6-24 (attached hereto and incorporated herein) contains certain information pertaining to the 032502 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11270. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032502 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-24. The 032502 Road includes the segment of road specifically set forth in Exhibit 6-24 and as exists on the ground.

Acceptance of the 032502 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11271. The 032502 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11272. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032502 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11273. The 032502 Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11274. The 032502 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032502 Road pursuant to the County's governmental right and authority.

11275. Witnesses with personal knowledge of the history of the 032502 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032502 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11276. Public motor vehicle use of the 032502 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11277. The 032502 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11278. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032502 Road.

11279. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032502 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032502A Road

11280. The 032502A Road is designated as county road number 032502A and SGID road identification number RD244619 and is more or less 0.9 miles long.

11281. Exhibit 6-25 (attached hereto and incorporated herein) contains certain information pertaining to the 032502A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11282. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032502A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-25. The 032502A Road includes the segment of road specifically set forth in Exhibit 6-25 and as exists on the ground.

Acceptance of the 032502A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11283. The 032502A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11284. Prior to 1976, the 032502A Road was used to access the location of an oil and gas well, drilling operations of which were completed on or before October 6, 1961.

11285. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032502A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11286. The 032502A Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11287. The 032502A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032502A Road pursuant to the County's governmental right and authority.

11288. Witnesses with personal knowledge of the history of the 032502A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032502A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11289. Public motor vehicle use of the 032502A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11290. The 032502A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11291. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032502A Road.

11292. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032502A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Baesar Wash Road, 3240

11293. The Baesar Wash Road is designated as county road number 3240D and SGID road identification number RD246607 and is more or less 7.6 miles long.

11294. Exhibit 6-26 (attached hereto and incorporated herein) contains certain information pertaining to the Baesar Wash Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11295. In this action, the State and County seek to quiet title to the public highway right-of-way for the Baesar Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 6-26. The Baesar Wash Road includes the segment of road specifically set forth in Exhibit 6-26 and as exists on the ground.

Acceptance of the Baesar Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11296. The Baesar Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11297. Prior to 1976, the Baesar Wash Road was used to access the location of oil and gas wells, drilling operations of which were completed on or before October 2, 1957 and December 31, 1957.

11298. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the Baesar Wash Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11299. The Baesar Wash Road appears on the Red Wash NW (1968) and Brennan Basin (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11300. The Baesar Wash Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Baesar Wash Road pursuant to the County's governmental right and authority.

11301. Witnesses with personal knowledge of the history of the Baesar Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Baesar Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11302. Public motor vehicle use of the Baesar Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11303. The Baesar Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11304. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Baesar Wash Road.

11305. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Baesar Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Coyote Wash Road, 0325

11306. The Coyote Wash Road is designated as county road number 0325 and SGID road identification number RD244608 and is more or less 10.1 miles long.

11307. Exhibit 6-27 (attached hereto and incorporated herein) contains certain information pertaining to the Coyote Wash Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11308. In this action, the State and County seek to quiet title to the public highway right-of-way for the Coyote Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 6-27. The Coyote Wash Road includes the segment of road specifically set forth in Exhibit 6-27 and as exists on the ground.

Acceptance of the Coyote Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11309. The Coyote Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of

Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11310. Prior to 1976, the Coyote Wash Road was used to access the location of oil and gas wells, drilling operations of which were completed on or before January 5, 1960 and June 21, 1961.

11311. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Coyote Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11312. The Coyote Wash Road appears on the Red Wash SW (1968) and Red Wash SE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11313. The Coyote Wash Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Coyote Wash Road pursuant to the County's governmental right and authority.

11314. Witnesses with personal knowledge of the history of the Coyote Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Coyote Wash Road has been

open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11315. Public motor vehicle use of the Coyote Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11316. The Coyote Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11317. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Coyote Wash Road.

11318. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Coyote Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Fantasy Canyon Road, 030704

11319. The Fantasy Canyon Road is designated as county road number 030704 and SGID road identification number RD244447 and is more or less 7.4 miles long.

11320. Exhibit 6-28 (attached hereto and incorporated herein) contains certain information pertaining to the Fantasy Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11321. In this action, the State and County seek to quiet title to the public highway right-of-way for the Fantasy Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 6-28. The Fantasy Canyon Road includes the segment of road specifically set forth in Exhibit 6-28 and as exists on the ground.

Acceptance of the Fantasy Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11322. The Fantasy Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11323. Prior to 1976, the Fantasy Canyon Road was used to access the location of an oil and gas well, drilling operations of which were completed on or before June 28, 1961.

11324. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Fantasy Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11325. The Fantasy Canyon Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11326. The Fantasy Canyon Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Fantasy Canyon Road pursuant to the County's governmental right and authority.

11327. Witnesses with personal knowledge of the history of the Fantasy Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Fantasy Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11328. Public motor vehicle use of the Fantasy Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11329. The Fantasy Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11330. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Fantasy Canyon Road.

11331. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Fantasy Canyon Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Hatch Reservoir Road, 0808

11332. The Hatch Reservoir Road is designated as county road number 0808 and SGID road identification number RD245042 and is more or less 6.6 miles long.

11333. Exhibit 6-29 (attached hereto and incorporated herein) contains certain information pertaining to the Hatch Reservoir Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11334. In this action, the State and County seek to quiet title to the public highway right-of-way for the Hatch Reservoir Road solely as it crosses United States public land as included and specifically described in Exhibit 6-29. The Hatch Reservoir Road includes the segment of road specifically set forth in Exhibit 6-29 and as exists on the ground.

Acceptance of the Hatch Reservoir Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11335. The Hatch Reservoir Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11336. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Hatch Reservoir Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11337. The Hatch Reservoir Road appears on the Red Wash SE (1968) and Bonanza (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11338. The Hatch Reservoir Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Hatch Reservoir Road pursuant to the County's governmental right and authority.

11339. Witnesses with personal knowledge of the history of the Hatch Reservoir Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Hatch Reservoir Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11340. Public motor vehicle use of the Hatch Reservoir Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11341. The Hatch Reservoir Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11342. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Hatch Reservoir Road.

11343. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Hatch Reservoir Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Johnson Bottom Spur Road, 1006A

11344. The Johnson Bottom Spur Road is designated as county road number 1006A and SGID road identification number RD246669 and is more or less 1.1 miles long.

11345. Exhibit 6-30 (attached hereto and incorporated herein) contains certain information pertaining to the Johnson Bottom Spur Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11346. In this action, the State and County seek to quiet title to the public highway right-of-way for the Johnson Bottom Spur Road solely as it crosses United States public land as included and specifically described in Exhibit 6-30. The Johnson Bottom Spur Road includes the segment of road specifically set forth in Exhibit 6-30 and as exists on the ground.

Acceptance of the Johnson Bottom Spur Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11347. The Johnson Bottom Spur Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11348. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Johnson Bottom Spur Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11349. The Johnson Bottom Spur Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Johnson Bottom Spur Road pursuant to the County's governmental right and authority.

11350. Witnesses with personal knowledge of the history of the Johnson Bottom Spur Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Johnson Bottom Spur Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11351. Public motor vehicle use of the Johnson Bottom Spur Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11352. The Johnson Bottom Spur Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11353. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Johnson Bottom Spur Road.

11354. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Johnson Bottom Spur Road on lands owned by the United States as

described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Little Emma Road, 3245

11355. The Little Emma Road is designated as county road number 3425 and SGID road identification number RD246617 and is more or less 5.9 miles long.

11356. Exhibit 6-31 (attached hereto and incorporated herein) contains certain information pertaining to the Little Emma Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11357. In this action, the State and County seek to quiet title to the public highway right-of-way for the Little Emma Road solely as it crosses United States public land as included and specifically described in Exhibit 6-31. The Little Emma Road includes the segment of road specifically set forth in Exhibit 6-31 and as exists on the ground.

Acceptance of the Little Emma Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11358. The Little Emma Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11359. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Little Emma Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11360. The Little Emma Road appears on the Southam Canyon (1968) and Bonanza (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11361. The Little Emma Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Little Emma Road pursuant to the County's governmental right and authority.

11362. Witnesses with personal knowledge of the history of the Little Emma Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Little Emma Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11363. Public motor vehicle use of the Little Emma Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11364. The Little Emma Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11365. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Little Emma Road.

11366. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Little Emma Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

North Atchee Wash Road, 1499

11367. The North Atchee Wash Road is designated as county road number 1499 and SGID road identification number RD245505 and is more or less 4.4 miles long.

11368. Exhibit 6-32 (attached hereto and incorporated herein) contains certain information pertaining to the North Atchee Wash Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11369. In this action, the State and County seek to quiet title to the public highway right-of-way for the North Atchee Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 6-32. The North Atchee Wash Road includes the segment of road specifically set forth in Exhibit 6-32 and as exists on the ground.

Acceptance of the North Atchee Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11370. The North Atchee Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state

lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11371. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before September 20, 1961.

11372. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the North Atchee Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11373. The North Atchee Wash Road appears on the Asphalt Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11374. The North Atchee Wash Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the North Atchee Wash Road pursuant to the County's governmental right and authority.

11375. Witnesses with personal knowledge of the history of the North Atchee Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the North Atchee Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11376. Public motor vehicle use of the North Atchee Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11377. The North Atchee Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11378. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the North Atchee Wash Road.

11379. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the North Atchee Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Pad Well Road, 180701

11380. The Pad Well Road is designated as county road number 180701 and SGID road identification number RD246039 and is more or less 1.6 miles long.

11381. Exhibit 6-33 (attached hereto and incorporated herein) contains certain information pertaining to the Pad Well Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11382. In this action, the State and County seek to quiet title to the public highway right-of-way for the Pad Well Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-33. The Pad Well Road includes the segment of road specifically set forth in Exhibit 6-33 and as exists on the ground.

Acceptance of the Pad Well Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11383. The Pad Well Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11384. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before September 20, 1961.

11385. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Pad Well Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11386. The Pad Well Road appears on the Archy Bench (1968) and Asphalt Wash (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11387. The Pad Well Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the Pad Well Road pursuant to the County's governmental right and authority.

11388. Witnesses with personal knowledge of the history of the Pad Well Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Pad Well Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11389. Public motor vehicle use of the Pad Well Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11390. The Pad Well Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11391. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Pad Well Road.

11392. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Pad Well Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Pipeline1 Road, 1618

11393. The Pipeline1 Road is designated as county road number 1618 and SGID road identification number RD245748 and is more or less 6.8 miles long.

11394. Exhibit 6-34 (attached hereto and incorporated herein) contains certain information pertaining to the Pipeline1 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11395. In this action, the State and County seek to quiet title to the public highway right-of-way for the Pipeline1 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-34. The Pipeline1 Road includes the segment of road specifically set forth in Exhibit 6-34 and as exists on the ground.

Acceptance of the Pipeline1 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11396. The Pipeline1 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11397. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Pipeline1 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11398. The Pipeline1 Road appears on the Red Wash NW (1968) and Red Wash (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11399. The Pipeline1 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Pipeline1 Road pursuant to the County's governmental right and authority.

11400. Witnesses with personal knowledge of the history of the Pipeline1 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Pipeline1 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11401. Public motor vehicle use of the Pipeline1 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11402. The Pipeline1 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11403. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Pipeline1 Road.

11404. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Pipeline1 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020207 Road

11405. The 020207 Road is designated as county road number 020207 and SGID road identification number RD244154 and is more or less 2.3 miles long.

11406. Exhibit 6-35 (attached hereto and incorporated herein) contains certain information pertaining to the 020207 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11407. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020207 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-35. The 020207 Road includes the segment of road specifically set forth in Exhibit 6-35 and as exists on the ground.

Acceptance of the 020207 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11408. The 020207 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11409. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the 020207 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11410. The 020207 Road appears on the Red Wash NW (1968) and Brennan Basin (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11411. The 020207 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020207 Road pursuant to the County's governmental right and authority.

11412. Witnesses with personal knowledge of the history of the 020207 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 020207 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11413. Public motor vehicle use of the 020207 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11414. The 020207 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11415. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020207 Road.

11416. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020207 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

<u>030702 Road</u>

11417. The 030702 Road is designated as county road number 030702 and SGID road identification number RD244443 and is more or less 0.8 miles long.

11418. Exhibit 6-36 (attached hereto and incorporated herein) contains certain information pertaining to the 030702 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11419. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030702 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-36. The 030702 Road includes the segment of road specifically set forth in Exhibit 6-36 and as exists on the ground.

Acceptance of the 030702 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11420. The 030702 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11421. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030702 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11422. The 030702 Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11423. The 030702 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030702 Road pursuant to the County's governmental right and authority.

11424. Witnesses with personal knowledge of the history of the 030702 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030702 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11425. Public motor vehicle use of the 030702 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11426. The 030702 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11427. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030702 Road.

11428. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030702 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

<u>030713 Road</u>

11429. The 030713 Road is designated as county road number 030713 and SGID road identification number RD244457 and is more or less 3.2 miles long.

11430. Exhibit 6-37 (attached hereto and incorporated herein) contains certain information pertaining to the 030713 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11431. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030713 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-37. The 030713 Road includes the segment of road specifically set forth in Exhibit 6-37 and as exists on the ground.

Acceptance of the 030713 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11432. The 030713 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11433. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030713 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11434. The 030713 Road appears on the Asphalt Wash (1968) and Red Wash SE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11435. The 030713 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030713 Road pursuant to the County's governmental right and authority.

11436. Witnesses with personal knowledge of the history of the 030713 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030713 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11437. Public motor vehicle use of the 030713 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11438. The 030713 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11439. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030713 Road.

11440. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030713 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

<u>030724A Road</u>

11441. The 030724A Road is designated as county road number 030724A and SGID road identification number RD244479 and is more or less 0.6 miles long.

11442. Exhibit 6-38 (attached hereto and incorporated herein) contains certain information pertaining to the 030724A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11443. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030724A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-38. The 030724A Road includes the segment of road specifically set forth in Exhibit 6-38 and as exists on the ground.

Acceptance of the 030724A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11444. The 030724A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11445. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030724A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11446. The 030724A Road appears on the Southam Canyon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11447. The 030724A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030724A Road pursuant to the County's governmental right and authority.

11448. Witnesses with personal knowledge of the history of the 030724A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030724A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11449. Public motor vehicle use of the 030724A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11450. The 030724A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11451. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030724A Road.

11452. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030724A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

3420A Road

11453. The 3420A Road is designated as county road number 3420A and SGID road identification number RD246616 and is more or less 4.5 miles long.

11454. Exhibit 6-39 (attached hereto and incorporated herein) contains certain information pertaining to the 3420A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11455. In this action, the State and County seek to quiet title to the public highway right-of-way for the 3420A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-39. The 3420A Road includes the segment of road specifically set forth in Exhibit 6-39 and as exists on the ground.

Acceptance of the 3420A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11456. The 3420A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11457. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before December 8, 1961.

11458. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 3420A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11459. The 3420A Road appears on the Asphalt Wash (1968) and Red Wash SE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11460. The 3420A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 3420A Road pursuant to the County's governmental right and authority.

11461. Witnesses with personal knowledge of the history of the 3420A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 3420A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11462. Public motor vehicle use of the 3420A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11463. The 3420A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11464. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 3420A Road.

11465. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 3420A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030701 Road

11466. The 030701 Road is designated as county road number 030701 and SGID road identification number RD244440 and is more or less 1.2 miles long.

11467. Exhibit 6-40 (attached hereto and incorporated herein) contains certain information pertaining to the 030701 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11468. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030701 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-40. The 030701 Road includes the segment of road specifically set forth in Exhibit 6-40 and as exists on the ground.

Acceptance of the 030701 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11469. The 030701 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11470. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030701 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11471. The 030701 Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11472. The 030701 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030701 Road pursuant to the County's governmental right and authority.

11473. Witnesses with personal knowledge of the history of the 030701 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030701 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11474. Public motor vehicle use of the 030701 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11475. The 030701 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11476. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030701 Road.

11477. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030701 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030701A Road

11478. The 030701A Road is designated as county road number 030701A and SGID road identification number RD244441 and is more or less 0.5 miles long.

11479. Exhibit 6-41 (attached hereto and incorporated herein) contains certain information pertaining to the 030701A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11480. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030701A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-41. The 030701A Road includes the segment of road specifically set forth in Exhibit 6-41 and as exists on the ground.

Acceptance of the 030701A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11481. The 030701A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11482. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030701A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11483. The 030701A Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11484. The 030701A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030701A Road pursuant to the County's governmental right and authority.

11485. Witnesses with personal knowledge of the history of the 030701A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030701A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11486. Public motor vehicle use of the 030701A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11487. The 030701A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11488. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030701A Road.

11489. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030701A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030701B Road

11490. The 030701B Road is designated as county road number 030701B and SGID road identification number RD244442 and is more or less 0.8 miles long.

11491. Exhibit 6-42 (attached hereto and incorporated herein) contains certain information pertaining to the 030701B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11492. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030701B Road solely as it crosses United States public land as included and specifically described in Exhibit 6-42. The 030701B Road includes the segment of road specifically set forth in Exhibit 6-42 and as exists on the ground.

Acceptance of the 030701B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11493. The 030701B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11494. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030701B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11495. The 030701B Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11496. The 030701B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030701B Road pursuant to the County's governmental right and authority.

11497. Witnesses with personal knowledge of the history of the 030701B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030701B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11498. Public motor vehicle use of the 030701B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11499. The 030701B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11500. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030701B Road.

11501. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030701B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030705 Road

11502. The 030705 Road is designated as county road number 030705 and SGID road identification number RD244450 and is more or less 1.1 miles long.

11503. Exhibit 6-43 (attached hereto and incorporated herein) contains certain information pertaining to the 030705 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11504. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030705 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-43. The 030705 Road includes the segment of road specifically set forth in Exhibit 6-43 and as exists on the ground.

Acceptance of the 030705 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11505. The 030705 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11506. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030705 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11507. The 030705 Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11508. The 030705 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030705 Road pursuant to the County's governmental right and authority.

11509. Witnesses with personal knowledge of the history of the 030705 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030705 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11510. Public motor vehicle use of the 030705 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11511. The 030705 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11512. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030705 Road.

11513. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030705 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030706 Road

11514. The 030706 Road is designated as county road number 030706 and SGID road identification number RD244451 and is more or less 0.1 miles long.

11515. Exhibit 6-44 (attached hereto and incorporated herein) contains certain information pertaining to the 030706 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11516. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030706 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-44. The 030706 Road includes the segment of road specifically set forth in Exhibit 6-44 and as exists on the ground.

Acceptance of the 030706 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11517. The 030706 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11518. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030706 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11519. The 030706 Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11520. The 030706 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030706 Road pursuant to the County's governmental right and authority.

11521. Witnesses with personal knowledge of the history of the 030706 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030706 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11522. Public motor vehicle use of the 030706 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11523. The 030706 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11524. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030706 Road.

11525. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030706 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030709 Road

11526. The 030709 Road is designated as county road number 030709 and SGID road identification number RD244454 and is more or less 1.3 miles long.

11527. Exhibit 6-45 (attached hereto and incorporated herein) contains certain information pertaining to the 030709 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11528. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030709 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-45. The 030709 Road includes the segment of road specifically set forth in Exhibit 6-45 and as exists on the ground.

Acceptance of the 030709 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11529. The 030709 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11530. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030709 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11531. The 030709 Road appears on the Red Wash SE (1968) and Red Wash SW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11532. The 030709 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030709 Road pursuant to the County's governmental right and authority.

11533. Witnesses with personal knowledge of the history of the 030709 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030709 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11534. Public motor vehicle use of the 030709 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11535. The 030709 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11536. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030709 Road.

11537. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030709 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030709A Road

11538. The 030709A Road is designated as county road number 030709A and SGID road identification number RD244455 and is more or less 0.7 miles long.

11539. Exhibit 6-46 (attached hereto and incorporated herein) contains certain information pertaining to the 030709A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11540. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030709A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-46. The 030709A Road includes the segment of road specifically set forth in Exhibit 6-46 and as exists on the ground.

Acceptance of the 030709A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11541. The 030709A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11542. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030709A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11543. The 030709A Road appears on the Red Wash SE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11544. The 030709A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030709A Road pursuant to the County's governmental right and authority.

11545. Witnesses with personal knowledge of the history of the 030709A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030709A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11546. Public motor vehicle use of the 030709A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11547. The 030709A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11548. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030709A Road.

11549. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030709A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030716 Road

11550. The 030716 Road is designated as county road number 030716 and SGID road identification number RD244460 and is more or less 1.2 miles long.

11551. Exhibit 6-47 (attached hereto and incorporated herein) contains certain information pertaining to the 030716 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11552. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030716 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-47. The 030716 Road includes the segment of road specifically set forth in Exhibit 6-47 and as exists on the ground.

Acceptance of the 030716 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11553. The 030716 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11554. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030716 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11555. The 030716 Road appears on the Red Wash SE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11556. The 030716 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030716 Road pursuant to the County's governmental right and authority.

11557. Witnesses with personal knowledge of the history of the 030716 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030716 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11558. Public motor vehicle use of the 030716 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11559. The 030716 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11560. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030716 Road.

11561. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030716 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030718 Road

11562. The 030718 Road is designated as county road number 030718 and SGID road identification number RD244461 and is more or less 3 miles long.

11563. Exhibit 6-48 (attached hereto and incorporated herein) contains certain information pertaining to the 030718 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11564. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030718 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-48. The 030718 Road includes the segment of road specifically set forth in Exhibit 6-48 and as exists on the ground.

Acceptance of the 030718 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11565. The 030718 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11566. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030718 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11567. The 030718 Road appears on the Red Wash SE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11568. The 030718 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030718 Road pursuant to the County's governmental right and authority.

11569. Witnesses with personal knowledge of the history of the 030718 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030718 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11570. Public motor vehicle use of the 030718 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11571. The 030718 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11572. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030718 Road.

11573. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030718 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030721 Road

11574. The 030721 Road is designated as county road number 030721 and SGID road identification number RD244463 and is more or less 4.4 miles long.

11575. Exhibit 6-49 (attached hereto and incorporated herein) contains certain information pertaining to the 030721 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11576. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030721 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-49. The 030721 Road includes the segment of road specifically set forth in Exhibit 6-49 and as exists on the ground.

Acceptance of the 030721 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11577. The 030721 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11578. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030721 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11579. The 030721 Road appears on the Asphalt Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11580. The 030721 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030721 Road pursuant to the County's governmental right and authority.

11581. Witnesses with personal knowledge of the history of the 030721 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030721 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11582. Public motor vehicle use of the 030721 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11583. The 030721 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11584. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030721 Road.

11585. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030721 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030721C Road

11586. The 030721C Road is designated as county road number 030721C and SGID road identification number RD244465 and is more or less 0.7 miles long.

11587. Exhibit 6-50 (attached hereto and incorporated herein) contains certain information pertaining to the 030721C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11588. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030721C Road solely as it crosses United States public land as included and specifically described in Exhibit 6-50. The 030721C Road includes the segment of road specifically set forth in Exhibit 6-50 and as exists on the ground.

Acceptance of the 030721C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11589. The 030721C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11590. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030721C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11591. The 030721C Road appears on the Asphalt Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11592. The 030721C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030721C Road pursuant to the County's governmental right and authority.

11593. Witnesses with personal knowledge of the history of the 030721C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030721C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11594. Public motor vehicle use of the 030721C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11595. The 030721C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11596. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030721C Road.

11597. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030721C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030721I Road

11598. The 030721I Road is designated as county road number 030721I and SGID road identification number RD244467 and is more or less 1.5 miles long.

11599. Exhibit 6-51 (attached hereto and incorporated herein) contains certain information pertaining to the 030721I Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11600. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030721I Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-51. The 030721I Road includes the segment of road specifically set forth in Exhibit 6-51 and as exists on the ground.

Acceptance of the 030721I Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11601. The 030721I Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11602. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030721I Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11603. The 030721I Road appears on the Asphalt Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11604. The 030721I Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030721I Road pursuant to the County's governmental right and authority.

11605. Witnesses with personal knowledge of the history of the 030721I Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030721I Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11606. Public motor vehicle use of the 030721I Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11607. The 030721I Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11608. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030721I Road.

11609. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030721I Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030721K Road

11610. The 030721K Road is designated as county road number 030721K and SGID road identification number RD244468 and is more or less 1.8 miles long.

11611. Exhibit 6-52 (attached hereto and incorporated herein) contains certain information pertaining to the 030721K Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11612. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030721K Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-52. The 030721K Road includes the segment of road specifically set forth in Exhibit 6-52 and as exists on the ground.

Acceptance of the 030721K Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11613. The 030721K Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11614. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030721K Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11615. The 030721K Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030721K Road pursuant to the County's governmental right and authority.

11616. Witnesses with personal knowledge of the history of the 030721K Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030721K Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11617. Public motor vehicle use of the 030721K Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11618. The 030721K Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11619. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030721K Road.

11620. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030721K Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030721N Road

11621. The 030721N Road is designated as county road number 030721N and SGID road identification number RD244469 and is more or less 0.1 miles long.

11622. Exhibit 6-53 (attached hereto and incorporated herein) contains certain information pertaining to the 030721N Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11623. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030721N Road solely as it crosses United States public land as included and specifically described in Exhibit 6-53. The 030721N Road includes the segment of road specifically set forth in Exhibit 6-53 and as exists on the ground.

Acceptance of the 030721N Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11624. The 030721N Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11625. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030721N Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11626. The 030721N Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030721N Road pursuant to the County's governmental right and authority.

11627. Witnesses with personal knowledge of the history of the 030721N Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030721N Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11628. Public motor vehicle use of the 030721N Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11629. The 030721N Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11630. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030721N Road.

11631. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030721N Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030721P Road

11632. The 030721P Road is designated as county road number 030721P and SGID road identification number RD244470 and is more or less 0.8 miles long.

11633. Exhibit 6-54 (attached hereto and incorporated herein) contains certain information pertaining to the 030721P Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11634. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030721P Road solely as it crosses United States public land as included and specifically described in Exhibit 6-54. The 030721P Road includes the segment of road specifically set forth in Exhibit 6-54 and as exists on the ground.

Acceptance of the 030721P Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11635. The 030721P Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11636. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030721P Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11637. The 030721P Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030721P Road pursuant to the County's governmental right and authority.

11638. Witnesses with personal knowledge of the history of the 030721P Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030721P Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11639. Public motor vehicle use of the 030721P Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11640. The 030721P Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11641. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030721P Road.

11642. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030721P Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030721Q Road

11643. The 030721Q Road is designated as county road number 030721Q and SGID road identification number RD244471 and is more or less 0.6 miles long.

11644. Exhibit 6-55 (attached hereto and incorporated herein) contains certain information pertaining to the 030721Q Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11645. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030721Q Road solely as it crosses United States public land as included and specifically described in Exhibit 6-55. The 030721Q Road includes the segment of road specifically set forth in Exhibit 6-55 and as exists on the ground.

Acceptance of the 030721Q Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11646. The 030721Q Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11647. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030721Q Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11648. The 030721Q Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030721Q Road pursuant to the County's governmental right and authority.

11649. Witnesses with personal knowledge of the history of the 030721Q Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030721Q Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11650. Public motor vehicle use of the 030721Q Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11651. The 030721Q Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11652. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030721Q Road.

11653. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030721Q Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030721R Road

11654. The 030721R Road is designated as county road number 030721R and SGID road identification number RD244472 and is more or less 0.2 miles long.

11655. Exhibit 6-56 (attached hereto and incorporated herein) contains certain information pertaining to the 030721R Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11656. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030721R Road solely as it crosses United States public land as included and specifically described in Exhibit 6-56. The 030721R Road includes the segment of road specifically set forth in Exhibit 6-56 and as exists on the ground.

Acceptance of the 030721R Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11657. The 030721R Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11658. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030721R Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11659. The 030721R Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030721R Road pursuant to the County's governmental right and authority.

11660. Witnesses with personal knowledge of the history of the 030721R Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030721R Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11661. Public motor vehicle use of the 030721R Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11662. The 030721R Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11663. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030721R Road.

11664. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030721R Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

<u>030722 Road</u>

11665. The 030722 Road is designated as county road number 030722 and SGID road identification number RD244473 and is more or less 0.7 miles long.

11666. Exhibit 6-57 (attached hereto and incorporated herein) contains certain information pertaining to the 030722 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11667. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030722 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-57. The 030722 Road includes the segment of road specifically set forth in Exhibit 6-57 and as exists on the ground.

Acceptance of the 030722 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11668. The 030722 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11669. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030722 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11670. The 030722 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030722 Road pursuant to the County's governmental right and authority.

11671. Witnesses with personal knowledge of the history of the 030722 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030722 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11672. Public motor vehicle use of the 030722 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11673. The 030722 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11674. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030722 Road.

11675. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030722 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030723A Road

11676. The 030723A Road is designated as county road number 030723A and SGID road identification number RD244474 and is more or less 0.1 miles long.

11677. Exhibit 6-58 (attached hereto and incorporated herein) contains certain information pertaining to the 030723A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11678. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030723A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-58. The 030723A Road includes the segment of road specifically set forth in Exhibit 6-58 and as exists on the ground.

Acceptance of the 030723A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11679. The 030723A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11680. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030723A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11681. The 030723A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030723A Road pursuant to the County's governmental right and authority.

11682. Witnesses with personal knowledge of the history of the 030723A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 030723A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11683. Public motor vehicle use of the 030723A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11684. The 030723A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11685. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030723A Road.

11686. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030723A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030724F Road

11687. The 030724F Road is designated as county road number 030724F and SGID road identification number RD244484 and is more or less 0.7 miles long.

11688. Exhibit 6-59 (attached hereto and incorporated herein) contains certain information pertaining to the 030724F Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11689. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030724F Road solely as it crosses United States public land as included and specifically described in Exhibit 6-59. The 030724F Road includes the segment of road specifically set forth in Exhibit 6-59 and as exists on the ground.

Acceptance of the 030724F Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11690. The 030724F Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11691. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030724F Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11692. The 030724F Road appears on the Southam Canyon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11693. The 030724F Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030724F Road pursuant to the County's governmental right and authority.

11694. Witnesses with personal knowledge of the history of the 030724F Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030724F Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11695. Public motor vehicle use of the 030724F Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11696. The 030724F Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11697. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030724F Road.

11698. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030724F Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

040801 Road

11699. The 040801 Road is designated as county road number 040801 and SGID road identification number RD244699 and is more or less 3.6 miles long.

11700. Exhibit 6-60 (attached hereto and incorporated herein) contains certain information pertaining to the 040801 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11701. In this action, the State and County seek to quiet title to the public highway right-of-way for the 040801 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-60. The 040801 Road includes the segment of road specifically set forth in Exhibit 6-60 and as exists on the ground.

Acceptance of the 040801 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11702. The 040801 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11703. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 040801 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11704. The 040801 Road appears on the Red Wash SE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11705. The 040801 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 040801 Road pursuant to the County's governmental right and authority.

11706. Witnesses with personal knowledge of the history of the 040801 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 040801 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11707. Public motor vehicle use of the 040801 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11708. The 040801 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11709. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 040801 Road.

11710. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 040801 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

<u>080801 Road</u>

11711. The 080801 Road is designated as county road number 080801 and SGID road identification number RD245043 and is more or less 1.2 miles long.

11712. Exhibit 6-61 (attached hereto and incorporated herein) contains certain information pertaining to the 080801 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11713. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080801 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-61. The 080801 Road includes the segment of road specifically set forth in Exhibit 6-61 and as exists on the ground.

Acceptance of the 080801 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11714. The 080801 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11715. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 080801 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11716. The 080801 Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11717. The 080801 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080801 Road pursuant to the County's governmental right and authority.

11718. Witnesses with personal knowledge of the history of the 080801 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 080801 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11719. Public motor vehicle use of the 080801 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11720. The 080801 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11721. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080801 Road.

11722. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080801 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080804 Road

11723. The 080804 Road is designated as county road number 080804 and SGID road identification number RD245047 and is more or less 3.2 miles long.

11724. Exhibit 6-62 (attached hereto and incorporated herein) contains certain information pertaining to the 080804 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11725. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080804 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-62. The 080804 Road includes the segment of road specifically set forth in Exhibit 6-62 and as exists on the ground.

Acceptance of the 080804 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11726. The 080804 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11727. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 080804 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11728. The 080804 Road appears on the Bonanza (1968) and Red Wash SE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11729. The 080804 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080804 Road pursuant to the County's governmental right and authority.

11730. Witnesses with personal knowledge of the history of the 080804 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 080804 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11731. Public motor vehicle use of the 080804 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11732. The 080804 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11733. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080804 Road.

11734. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080804 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

120401 Road

11735. The 120401 Road is designated as county road number 120401 and SGID road identification number RD245283 and is more or less 1.9 miles long.

11736. Exhibit 6-63 (attached hereto and incorporated herein) contains certain information pertaining to the 120401 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11737. In this action, the State and County seek to quiet title to the public highway right-of-way for the 120401 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-63. The 120401 Road includes the segment of road specifically set forth in Exhibit 6-63 and as exists on the ground.

Acceptance of the 120401 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11738. The 120401 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11739. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 120401 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11740. The 120401 Road appears on the Bonanza (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11741. The 120401 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 120401 Road pursuant to the County's governmental right and authority.

11742. Witnesses with personal knowledge of the history of the 120401 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 120401 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11743. Public motor vehicle use of the 120401 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11744. The 120401 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11745. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 120401 Road.

11746. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 120401 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

120401C Road

11747. The 120401C Road is designated as county road number 120401C and SGID road identification number RD245286 and is more or less 0.3 miles long.

11748. Exhibit 6-64 (attached hereto and incorporated herein) contains certain information pertaining to the 120401C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11749. In this action, the State and County seek to quiet title to the public highway right-of-way for the 120401C Road solely as it crosses United States public land as included and specifically described in Exhibit 6-64. The 120401C Road includes the segment of road specifically set forth in Exhibit 6-64 and as exists on the ground.

Acceptance of the 120401C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11750. The 120401C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11751. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 120401C Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11752. The 120401C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 120401C Road pursuant to the County's governmental right and authority.

11753. Witnesses with personal knowledge of the history of the 120401C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 120401C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11754. Public motor vehicle use of the 120401C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11755. The 120401C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11756. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 120401C Road.

11757. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 120401C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

180702 Road

11758. The 180702 Road is designated as county road number 180702 and SGID road identification number RD246045 and is more or less 1 mile long.

11759. Exhibit 6-65 (attached hereto and incorporated herein) contains certain information pertaining to the 180702 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11760. In this action, the State and County seek to quiet title to the public highway right-of-way for the 180702 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-65. The 180702 Road includes the segment of road specifically set forth in Exhibit 6-65 and as exists on the ground.

Acceptance of the 180702 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11761. The 180702 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11762. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 180702 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11763. The 180702 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 180702 Road pursuant to the County's governmental right and authority.

11764. Witnesses with personal knowledge of the history of the 180702 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 180702 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11765. Public motor vehicle use of the 180702 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11766. The 180702 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11767. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 180702 Road.

11768. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 180702 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

180702A Road

11769. The 180702A Road is designated as county road number 180702A and SGID road identification number RD246046 and is more or less 0.4 miles long.

11770. Exhibit 6-66 (attached hereto and incorporated herein) contains certain information pertaining to the 180702A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11771. In this action, the State and County seek to quiet title to the public highway right-of-way for the 180702A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-66. The 180702A Road includes the segment of road specifically set forth in Exhibit 6-66 and as exists on the ground.

Acceptance of the 180702A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11772. The 180702A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11773. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 180702A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11774. The 180702A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 180702A Road pursuant to the County's governmental right and authority.

11775. Witnesses with personal knowledge of the history of the 180702A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 180702A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11776. Public motor vehicle use of the 180702A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11777. The 180702A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11778. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 180702A Road.

11779. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 180702A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Johnson Bottom Road, 1006

11780. The Johnson Bottom Road is designated as county road number 1006 and SGID road identification number RD245167 and is more or less 5.9 miles long.

11781. Exhibit 6-67 (attached hereto and incorporated herein) contains certain information pertaining to the Johnson Bottom Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11782. In this action, the State and County seek to quiet title to the public highway right-of-way for the Johnson Bottom Road solely as it crosses United States public land as included and specifically described in Exhibit 6-67. The Johnson Bottom Road includes the segment of road specifically set forth in Exhibit 6-67 and as exists on the ground.

Acceptance of the Johnson Bottom Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11783. The Johnson Bottom Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

11784. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before March 13, 1963.

11785. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the Johnson Bottom Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11786. The Johnson Bottom Road appears on the Red Wash NW (1968) and Brennan Basin (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11787. The Johnson Bottom Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Johnson Bottom Road pursuant to the County's governmental right and authority.

11788. Witnesses with personal knowledge of the history of the Johnson Bottom Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Johnson Bottom Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11789. Public motor vehicle use of the Johnson Bottom Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11790. The Johnson Bottom Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11791. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Johnson Bottom Road.

11792. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Johnson Bottom Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182806 Road

11793. The 182806 Road is designated as county road number 182806 and SGID road identification number RD246227 and is more or less 1.4 miles long.

11794. Exhibit 6-68 (attached hereto and incorporated herein) contains certain information pertaining to the 182806 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11795. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182806 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-68. The 182806 Road includes the segment of road specifically set forth in Exhibit 6-68 and as exists on the ground.

Acceptance of the 182806 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11796. The 182806 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11797. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 182806 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11798. The 182806 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182806 Road pursuant to the County's governmental right and authority.

11799. Witnesses with personal knowledge of the history of the 182806 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182806 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11800. Public motor vehicle use of the 182806 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11801. The 182806 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11802. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182806 Road.

11803. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182806 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182806B Road

11804. The 182806B Road is designated as county road number 182806B and SGID road identification number RD246229 and is more or less 0.3 miles long.

11805. Exhibit 6-69 (attached hereto and incorporated herein) contains certain information pertaining to the 182806B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11806. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182806B Road solely as it crosses United States public land as included and specifically described in Exhibit 6-69. The 182806B Road includes the segment of road specifically set forth in Exhibit 6-69 and as exists on the ground.

Acceptance of the 182806B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11807. The 182806B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11808. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 182806B Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11809. The 182806B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182806B Road pursuant to the County's governmental right and authority.

11810. Witnesses with personal knowledge of the history of the 182806B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182806B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11811. Public motor vehicle use of the 182806B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11812. The 182806B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11813. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182806B Road.

11814. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182806B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182806C Road

11815. The 182806C Road is designated as county road number 182806C and SGID road identification number RD246230 and is more or less 0.4 miles long.

11816. Exhibit 6-70 (attached hereto and incorporated herein) contains certain information pertaining to the 182806C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11817. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182806C Road solely as it crosses United States public land as included and specifically described in Exhibit 6-70. The 182806C Road includes the segment of road specifically set forth in Exhibit 6-70 and as exists on the ground.

Acceptance of the 182806C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11818. The 182806C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11819. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 182806C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11820. The 182806C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182806C Road pursuant to the County's governmental right and authority.

11821. Witnesses with personal knowledge of the history of the 182806C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182806C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11822. Public motor vehicle use of the 182806C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11823. The 182806C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11824. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182806C Road.

11825. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182806C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Cottonwood Bottom Ranch Road, 0321

11826. The Cottonwood Bottom Ranch Road is designated as county road number 0321 and SGID road identification number RD244577 and is more or less 3.5 miles long.

11827. Exhibit 6-71 (attached hereto and incorporated herein) contains certain information pertaining to the Cottonwood Bottom Ranch Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11828. In this action, the State and County seek to quiet title to the public highway right-of-way for the Cottonwood Bottom Ranch Road solely as it crosses United States public land as included and specifically described in Exhibit 6-71. The Cottonwood Bottom Ranch Road includes the segment of road specifically set forth in Exhibit 6-71 and as exists on the ground.

Acceptance of the Cottonwood Bottom Ranch Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11829. The Cottonwood Bottom Ranch Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11830. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the Cottonwood Bottom Ranch Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11831. The Cottonwood Bottom Ranch Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Cottonwood Bottom Ranch Road pursuant to the County's governmental right and authority.

11832. Witnesses with personal knowledge of the history of the Cottonwood Bottom Ranch Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Cottonwood Bottom Ranch Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11833. Public motor vehicle use of the Cottonwood Bottom Ranch Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11834. The Cottonwood Bottom Ranch Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11835. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Cottonwood Bottom Ranch Road.

11836. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Cottonwood Bottom Ranch Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Stirrup Loop Road, 3210

11837. The Stirrup Loop Road is designated as county road number 3210 and SGID road identification number RD246604 and is more or less 4 miles long.

11838. Exhibit 6-72 (attached hereto and incorporated herein) contains certain information pertaining to the Stirrup Loop Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11839. In this action, the State and County seek to quiet title to the public highway right-of-way for the Stirrup Loop Road solely as it crosses United States public land as included and specifically described in Exhibit 6-72. The Stirrup Loop Road includes the segment of road specifically set forth in Exhibit 6-72 and as exists on the ground.

Acceptance of the Stirrup Loop Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11840. The Stirrup Loop Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11841. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Stirrup Loop Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11842. The Stirrup Loop Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11843. The Stirrup Loop Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Stirrup Loop Road pursuant to the County's governmental right and authority.

11844. Witnesses with personal knowledge of the history of the Stirrup Loop Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Stirrup Loop Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11845. Public motor vehicle use of the Stirrup Loop Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11846. The Stirrup Loop Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11847. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Stirrup Loop Road.

11848. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Stirrup Loop Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004533 Road

11849. The 004533 Road is designated as county road number 004533 and SGID road identification number RD243891 and is more or less 0.9 miles long.

11850. Exhibit 6-73 (attached hereto and incorporated herein) contains certain information pertaining to the 004533 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11851. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004533 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-73. The 004533 Road includes the segment of road specifically set forth in Exhibit 6-73 and as exists on the ground.

Acceptance of the 004533 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11852. The 004533 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11853. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004533 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11854. The 004533 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004533 Road pursuant to the County's governmental right and authority.

11855. Witnesses with personal knowledge of the history of the 004533 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 004533 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11856. Public motor vehicle use of the 004533 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11857. The 004533 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11858. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004533 Road.

11859. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004533 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004533A Road

11860. The 004533A Road is designated as county road number 004533A and SGID road identification number RD243892 and is more or less 1.2 miles long.

11861. Exhibit 6-74 (attached hereto and incorporated herein) contains certain information pertaining to the 004533A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11862. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004533A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-74. The 004533A Road includes the segment of road specifically set forth in Exhibit 6-74 and as exists on the ground.

Acceptance of the 004533A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11863. The 004533A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11864. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004533A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11865. The 004533A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004533A Road pursuant to the County's governmental right and authority.

11866. Witnesses with personal knowledge of the history of the 004533A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004533A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11867. Public motor vehicle use of the 004533A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11868. The 004533A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11869. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004533A Road.

11870. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004533A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004534 Road

11871. The 004534 Road is designated as county road number 004534 and SGID road identification number RD243893 and is more or less 6.9 miles long.

11872. Exhibit 6-75 (attached hereto and incorporated herein) contains certain information pertaining to the 004534 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11873. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004534 Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-75. The 004534 Road includes the segment of road specifically set forth in Exhibit 6-75 and as exists on the ground.

Acceptance of the 004534 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11874. The 004534 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11875. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004534 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11876. The 004534 Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11877. The 004534 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004534 Road pursuant to the County's governmental right and authority.

11878. Witnesses with personal knowledge of the history of the 004534 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004534 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11879. Public motor vehicle use of the 004534 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11880. The 004534 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11881. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004534 Road.

11882. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004534 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004534H Road

11883. The 004534H Road is designated as county road number 004534H and SGID road identification number RD243901 and is more or less 0.4 miles long.

11884. Exhibit 6-76 (attached hereto and incorporated herein) contains certain information pertaining to the 004534H Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11885. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004534H Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-76. The 004534H Road includes the segment of road specifically set forth in Exhibit 6-76 and as exists on the ground.

Acceptance of the 004534H Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11886. The 004534H Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11887. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004534H Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11888. The 004534H Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004534H Road pursuant to the County's governmental right and authority.

11889. Witnesses with personal knowledge of the history of the 004534H Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004534H Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11890. Public motor vehicle use of the 004534H Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11891. The 004534H Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11892. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004534H Road.

11893. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004534H Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004534I Road

11894. The 004534I Road is designated as county road number 004534I and SGID road identification number RD243902 and is more or less 0.4 miles long.

11895. Exhibit 6-77 (attached hereto and incorporated herein) contains certain information pertaining to the 004534I Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11896. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004534I Road solely as it crosses United States public land as included and specifically described in Exhibit 6-77. The 004534I Road includes the segment of road specifically set forth in Exhibit 6-77 and as exists on the ground.

Acceptance of the 004534I Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11897. The 004534I Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11898. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004534I Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11899. The 004534I Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004534I Road pursuant to the County's governmental right and authority.

11900. Witnesses with personal knowledge of the history of the 004534I Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004534I Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11901. Public motor vehicle use of the 004534I Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11902. The 004534I Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11903. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004534I Road.

11904. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004534I Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004534L Road

11905. The 004534L Road is designated as county road number 004534L and SGID road identification number RD243905 and is more or less 0.7 miles long.

11906. Exhibit 6-78 (attached hereto and incorporated herein) contains certain information pertaining to the 004534L Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11907. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004534L Road solely as it crosses United States public land as included and specifically described in Exhibit 6-78. The 004534L Road includes the segment of road specifically set forth in Exhibit 6-78 and as exists on the ground.

Acceptance of the 004534L Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11908. The 004534L Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11909. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004534L Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11910. The 004534L Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11911. The 004534L Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004534L Road pursuant to the County's governmental right and authority.

11912. Witnesses with personal knowledge of the history of the 004534L Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004534L Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11913. Public motor vehicle use of the 004534L Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11914. The 004534L Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11915. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004534L Road.

11916. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004534L Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004534N Road

11917. The 004534N Road is designated as county road number 004534N and SGID road identification number RD243907 and is more or less 1 mile long.

11918. Exhibit 6-79 (attached hereto and incorporated herein) contains certain information pertaining to the 004534N Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11919. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004534N Road solely as it crosses United States public land as included and specifically described in Exhibit 6-79. The 004534N Road includes the segment of road specifically set forth in Exhibit 6-79 and as exists on the ground.

Acceptance of the 004534N Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11920. The 004534N Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11921. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004534N Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11922. The 004534N Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11923. The 004534N Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004534N Road pursuant to the County's governmental right and authority.

11924. Witnesses with personal knowledge of the history of the 004534N Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004534N Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11925. Public motor vehicle use of the 004534N Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11926. The 004534N Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11927. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004534N Road.

11928. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004534N Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004535O Road

11929. The 004535O Road is designated as county road number 004535O and SGID road identification number RD243911 and is more or less 0.2 miles long.

11930. Exhibit 6-80 (attached hereto and incorporated herein) contains certain information pertaining to the 004535O Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11931. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004535O Road solely as it crosses United States public land as included and specifically described in Exhibit 6-80. The 004535O Road includes the segment of road specifically set forth in Exhibit 6-80 and as exists on the ground.

Acceptance of the 004535O Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11932. The 004535O Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11933. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004535O Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11934. The 004535O Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11935. The 004535O Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004535O Road pursuant to the County's governmental right and authority.

11936. Witnesses with personal knowledge of the history of the 004535O Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004535O Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11937. Public motor vehicle use of the 004535O Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11938. The 004535O Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11939. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004535O Road.

11940. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004535O Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004536 Road

11941. The 004536 Road is designated as county road number 004536 and SGID road identification number RD243912 and is more or less 2.5 miles long.

11942. Exhibit 6-81 (attached hereto and incorporated herein) contains certain information pertaining to the 004536 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11943. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004536 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-81. The 004536 Road includes the segment of road specifically set forth in Exhibit 6-81 and as exists on the ground.

Acceptance of the 004536 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11944. The 004536 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11945. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004536 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11946. The 004536 Road appears on the Red Wash NW (1968) and Red Wash (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11947. The 004536 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004536 Road pursuant to the County's governmental right and authority.

11948. Witnesses with personal knowledge of the history of the 004536 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004536 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11949. Public motor vehicle use of the 004536 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11950. The 004536 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11951. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004536 Road.

11952. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004536 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004541 Road

11953. The 004541 Road is designated as county road number 004541 and SGID road identification number RD243921 and is more or less 1.3 miles long.

11954. Exhibit 6-82 (attached hereto and incorporated herein) contains certain information pertaining to the 004541 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11955. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004541 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-82. The 004541 Road includes the segment of road specifically set forth in Exhibit 6-82 and as exists on the ground.

Acceptance of the 004541 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11956. The 004541 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11957. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004541 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11958. The 004541 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11959. The 004541 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004541 Road pursuant to the County's governmental right and authority.

11960. Witnesses with personal knowledge of the history of the 004541 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004541 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11961. Public motor vehicle use of the 004541 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11962. The 004541 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11963. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004541 Road.

11964. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004541 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004541B Road

11965. The 004541B Road is designated as county road number 004541B and SGID road identification number RD243923 and is more or less 1.2 miles long.

11966. Exhibit 6-83 (attached hereto and incorporated herein) contains certain information pertaining to the 004541B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11967. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004541B Road solely as it crosses United States public land as included and specifically described in Exhibit 6-83. The 004541B Road includes the segment of road specifically set forth in Exhibit 6-83 and as exists on the ground.

Acceptance of the 004541B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11968. The 004541B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11969. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004541B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11970. The 004541B Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11971. The 004541B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004541B Road pursuant to the County's governmental right and authority.

11972. Witnesses with personal knowledge of the history of the 004541B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004541B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11973. Public motor vehicle use of the 004541B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11974. The 004541B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11975. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004541B Road.

11976. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004541B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004541I Road

11977. The 004541I Road is designated as county road number 004541I and SGID road identification number RD243925 and is more or less 0.5 miles long.

11978. Exhibit 6-84 (attached hereto and incorporated herein) contains certain information pertaining to the 004541I Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11979. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004541I Road solely as it crosses United States public land as included and specifically described in Exhibit 6-84. The 004541I Road includes the segment of road specifically set forth in Exhibit 6-84 and as exists on the ground.

Acceptance of the 004541I Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11980. The 004541I Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11981. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004541I Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11982. The 004541I Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004541I Road pursuant to the County's governmental right and authority.

11983. Witnesses with personal knowledge of the history of the 004541I Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004541I Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11984. Public motor vehicle use of the 004541I Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11985. The 004541I Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11986. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004541I Road.

11987. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004541I Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004547 Road

11988. The 004547 Road is designated as county road number 004547 and SGID road identification number RD243933 and is more or less 0.7 miles long.

11989. Exhibit 6-85 (attached hereto and incorporated herein) contains certain information pertaining to the 004547 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

11990. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004547 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-85. The 004547 Road includes the segment of road specifically set forth in Exhibit 6-85 and as exists on the ground.

Acceptance of the 004547 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

11991. The 004547 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

11992. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004547 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

11993. The 004547 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

11994. The 004547 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004547 Road pursuant to the County's governmental right and authority.

11995. Witnesses with personal knowledge of the history of the 004547 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004547 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

11996. Public motor vehicle use of the 004547 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

11997. The 004547 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

11998. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004547 Road.

11999. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004547 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

070238 Road

12000. The 070238 Road is designated as county road number 070238 and SGID road identification number RD244984 and is more or less 0.4 miles long.

12001. Exhibit 6-86 (attached hereto and incorporated herein) contains certain information pertaining to the 070238 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12002. In this action, the State and County seek to quiet title to the public highway right-of-way for the 070238 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-86. The 070238 Road includes the segment of road specifically set forth in Exhibit 6-86 and as exists on the ground.

Acceptance of the 070238 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12003. The 070238 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12004. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 070238 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12005. The 070238 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12006. The 070238 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 070238 Road pursuant to the County's governmental right and authority.

12007. Witnesses with personal knowledge of the history of the 070238 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 070238 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12008. Public motor vehicle use of the 070238 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12009. The 070238 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12010. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 070238 Road.

12011. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 070238 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

342001 Road

12012. The 342001 Road is designated as county road number 342001 and SGID road identification number RD246609 and is more or less 2.6 miles long.

12013. Exhibit 6-87 (attached hereto and incorporated herein) contains certain information pertaining to the 342001 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12014. In this action, the State and County seek to quiet title to the public highway right-of-way for the 342001 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-87. The 342001 Road includes the segment of road specifically set forth in Exhibit 6-87 and as exists on the ground.

Acceptance of the 342001 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12015. The 342001 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12016. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 342001 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12017. The 342001 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 342001 Road pursuant to the County's governmental right and authority.

12018. Witnesses with personal knowledge of the history of the 342001 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 342001 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12019. Public motor vehicle use of the 342001 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12020. The 342001 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12021. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 342001 Road.

12022. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 342001 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

110301 Road

12023. The 110301 Road is designated as county road number 110301 and SGID road identification number RD245249 and is more or less 0.2 miles long.

12024. Exhibit 6-88 (attached hereto and incorporated herein) contains certain information pertaining to the 110301 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12025. In this action, the State and County seek to quiet title to the public highway right-of-way for the 110301 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-88. The 110301 Road includes the segment of road specifically set forth in Exhibit 6-88 and as exists on the ground.

Acceptance of the 110301 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12026. The 110301 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12027. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 110301 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12028. The 110301 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 110301 Road pursuant to the County's governmental right and authority.

12029. Witnesses with personal knowledge of the history of the 110301 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 110301 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12030. Public motor vehicle use of the 110301 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12031. The 110301 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12032. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 110301 Road.

12033. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 110301 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

110303 Road

12034. The 110303 Road is designated as county road number 110303 and SGID road identification number RD245250 and is more or less 0.8 miles long.

12035. Exhibit 6-89 (attached hereto and incorporated herein) contains certain information pertaining to the 110303 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12036. In this action, the State and County seek to quiet title to the public highway right-of-way for the 110303 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-89. The 110303 Road includes the segment of road specifically set forth in Exhibit 6-89 and as exists on the ground.

Acceptance of the 110303 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12037. The 110303 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12038. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 110303 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12039. The 110303 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12040. The 110303 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 110303 Road pursuant to the County's governmental right and authority.

12041. Witnesses with personal knowledge of the history of the 110303 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 110303 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12042. Public motor vehicle use of the 110303 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12043. The 110303 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12044. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 110303 Road.

12045. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 110303 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

110303A Road

12046. The 110303A Road is designated as county road number 110303A and SGID road identification number RD245251 and is more or less 4.9 miles long.

12047. Exhibit 6-90 (attached hereto and incorporated herein) contains certain information pertaining to the 110303A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12048. In this action, the State and County seek to quiet title to the public highway right-of-way for the 110303A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-90. The 110303A Road includes the segment of road specifically set forth in Exhibit 6-90 and as exists on the ground.

Acceptance of the 110303A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12049. The 110303A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12050. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 110303A Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12051. The 110303A Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12052. The 110303A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 110303A Road pursuant to the County's governmental right and authority.

12053. Witnesses with personal knowledge of the history of the 110303A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 110303A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12054. Public motor vehicle use of the 110303A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12055. The 110303A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12056. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 110303A Road.

12057. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 110303A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161801 Road

12058. The 161801 Road is designated as county road number 161801 and SGID road identification number RD245749 and is more or less 2.6 miles long.

12059. Exhibit 6-91 (attached hereto and incorporated herein) contains certain information pertaining to the 161801 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12060. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161801 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-91. The 161801 Road includes the segment of road specifically set forth in Exhibit 6-91 and as exists on the ground.

Acceptance of the 161801 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12061. The 161801 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12062. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161801 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12063. The 161801 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161801 Road pursuant to the County's governmental right and authority.

12064. Witnesses with personal knowledge of the history of the 161801 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161801 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12065. Public motor vehicle use of the 161801 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12066. The 161801 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12067. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161801 Road.

12068. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161801 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161801A Road

12069. The 161801A Road is designated as county road number 161801A and SGID road identification number RD245750 and is more or less 0.1 miles long.

12070. Exhibit 6-92 (attached hereto and incorporated herein) contains certain information pertaining to the 161801A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12071. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161801A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-92. The 161801A Road includes the segment of road specifically set forth in Exhibit 6-92 and as exists on the ground.

Acceptance of the 161801A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12072. The 161801A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12073. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161801A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12074. The 161801A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161801A Road pursuant to the County's governmental right and authority.

12075. Witnesses with personal knowledge of the history of the 161801A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161801A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12076. Public motor vehicle use of the 161801A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12077. The 161801A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12078. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161801A Road.

12079. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161801A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

161801B Road

12080. The 161801B Road is designated as county road number 161801B and SGID road identification number RD245751 and is more or less 0.4 miles long.

12081. Exhibit 6-93 (attached hereto and incorporated herein) contains certain information pertaining to the 161801B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12082. In this action, the State and County seek to quiet title to the public highway right-of-way for the 161801B Road solely as it crosses United States public land as included and specifically described in Exhibit 6-93. The 161801B Road includes the segment of road specifically set forth in Exhibit 6-93 and as exists on the ground.

Acceptance of the 161801B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12083. The 161801B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12084. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 161801B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12085. The 161801B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 161801B Road pursuant to the County's governmental right and authority.

12086. Witnesses with personal knowledge of the history of the 161801B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 161801B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12087. Public motor vehicle use of the 161801B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12088. The 161801B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12089. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 161801B Road.

12090. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 161801B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

222301 Road

12091. The 222301 Road is designated as county road number 222301 and SGID road identification number RD246520 and is more or less 0.8 miles long.

12092. Exhibit 6-94 (attached hereto and incorporated herein) contains certain information pertaining to the 222301 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12093. In this action, the State and County seek to quiet title to the public highway right-of-way for the 222301 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-94. The 222301 Road includes the segment of road specifically set forth in Exhibit 6-94 and as exists on the ground.

Acceptance of the 222301 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12094. The 222301 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12095. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 222301 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12096. The 222301 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12097. The 222301 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 222301 Road pursuant to the County's governmental right and authority.

12098. Witnesses with personal knowledge of the history of the 222301 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 222301 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12099. Public motor vehicle use of the 222301 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12100. The 222301 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12101. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 222301 Road.

12102. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 222301 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

222302 Road

12103. The 222302 Road is designated as county road number 222302 and SGID road identification number RD246522 and is more or less 1.9 miles long.

12104. Exhibit 6-95 (attached hereto and incorporated herein) contains certain information pertaining to the 222302 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12105. In this action, the State and County seek to quiet title to the public highway right-of-way for the 222302 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-95. The 222302 Road includes the segment of road specifically set forth in Exhibit 6-95 and as exists on the ground.

Acceptance of the 222302 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12106. The 222302 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12107. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 222302 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12108. The 222302 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12109. The 222302 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 222302 Road pursuant to the County's governmental right and authority.

12110. Witnesses with personal knowledge of the history of the 222302 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 222302 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12111. Public motor vehicle use of the 222302 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12112. The 222302 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12113. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 222302 Road.

12114. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 222302 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

080805 Road

12115. The 080805 Road is designated as county road number 080805 and SGID road identification number RD245048 and is more or less 2.7 miles long.

12116. Exhibit 6-96 (attached hereto and incorporated herein) contains certain information pertaining to the 080805 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12117. In this action, the State and County seek to quiet title to the public highway right-of-way for the 080805 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-96. The 080805 Road includes the segment of road specifically set forth in Exhibit 6-96 and as exists on the ground.

Acceptance of the 080805 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12118. The 080805 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12119. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 080805 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12120. The 080805 Road appears on the Bonanza (1968) and Red Wash SE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12121. The 080805 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 080805 Road pursuant to the County's governmental right and authority.

12122. Witnesses with personal knowledge of the history of the 080805 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 080805 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12123. Public motor vehicle use of the 080805 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12124. The 080805 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12125. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 080805 Road.

12126. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 080805 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

222304 Road

12127. The 222304 Road is designated as county road number 222304 and SGID road identification number RD246526 and is more or less 0.5 miles long.

12128. Exhibit 6-97 (attached hereto and incorporated herein) contains certain information pertaining to the 222304 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12129. In this action, the State and County seek to quiet title to the public highway right-of-way for the 222304 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-97. The 222304 Road includes the segment of road specifically set forth in Exhibit 6-97 and as exists on the ground.

Acceptance of the 222304 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12130. The 222304 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12131. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 222304 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12132. The 222304 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12133. The 222304 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 222304 Road pursuant to the County's governmental right and authority.

12134. Witnesses with personal knowledge of the history of the 222304 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 222304 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12135. Public motor vehicle use of the 222304 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12136. The 222304 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12137. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 222304 Road.

12138. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 222304 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

222315 Road

12139. The 222315 Road is designated as county road number 222315 and SGID road identification number RD246539 and is more or less 2.3 miles long.

12140. Exhibit 6-98 (attached hereto and incorporated herein) contains certain information pertaining to the 222315 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12141. In this action, the State and County seek to quiet title to the public highway right-of-way for the 222315 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-98. The 222315 Road includes the segment of road specifically set forth in Exhibit 6-98 and as exists on the ground.

Acceptance of the 222315 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12142. The 222315 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12143. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 222315 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12144. The 222315 Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12145. The 222315 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 222315 Road pursuant to the County's governmental right and authority.

12146. Witnesses with personal knowledge of the history of the 222315 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 222315 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12147. Public motor vehicle use of the 222315 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12148. The 222315 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12149. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 222315 Road.

12150. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 222315 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

222315A Road

12151. The 222315A Road is designated as county road number 222315A and SGID road identification number RD246540 and is more or less 1 mile long.

12152. Exhibit 6-99 (attached hereto and incorporated herein) contains certain information pertaining to the 222315A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12153. In this action, the State and County seek to quiet title to the public highway right-of-way for the 222315A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-99. The 222315A Road includes the segment of road specifically set forth in Exhibit 6-99 and as exists on the ground.

Acceptance of the 222315A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12154. The 222315A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12155. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 222315A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12156. The 222315A Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12157. The 222315A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 222315A Road pursuant to the County's governmental right and authority.

12158. Witnesses with personal knowledge of the history of the 222315A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 222315A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12159. Public motor vehicle use of the 222315A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12160. The 222315A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12161. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 222315A Road.

12162. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 222315A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

222315B Road

12163. The 222315B Road is designated as county road number 222315B and SGID road identification number RD246541 and is more or less 0.1 miles long.

12164. Exhibit 6-100 (attached hereto and incorporated herein) contains certain information pertaining to the 222315B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12165. In this action, the State and County seek to quiet title to the public highway right-of-way for the 222315B Road solely as it crosses United States public land as included and specifically described in Exhibit 6-100. The 222315B Road includes the segment of road specifically set forth in Exhibit 6-100 and as exists on the ground.

Acceptance of the 222315B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12166. The 222315B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12167. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 222315B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12168. The 222315B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 222315B Road pursuant to the County's governmental right and authority.

12169. Witnesses with personal knowledge of the history of the 222315B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 222315B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12170. Public motor vehicle use of the 222315B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12171. The 222315B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12172. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 222315B Road.

12173. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 222315B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

222315E Road

12174. The 222315E Road is designated as county road number 222315E and SGID road identification number RD246544 and is more or less 1.4 miles long.

12175. Exhibit 6-101 (attached hereto and incorporated herein) contains certain information pertaining to the 222315E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12176. In this action, the State and County seek to quiet title to the public highway right-of-way for the 222315E Road solely as it crosses United States public land as included and specifically described in Exhibit 6-101. The 222315E Road includes the segment of road specifically set forth in Exhibit 6-101 and as exists on the ground.

Acceptance of the 222315E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12177. The 222315E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12178. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 222315E Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12179. The 222315E Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12180. The 222315E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 222315E Road pursuant to the County's governmental right and authority.

12181. Witnesses with personal knowledge of the history of the 222315E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 222315E Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12182. Public motor vehicle use of the 222315E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12183. The 222315E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12184. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 222315E Road.

12185. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 222315E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

222315F Road

12186. The 222315F Road is designated as county road number 222315F and SGID road identification number RD246545 and is more or less 0.4 miles long.

12187. Exhibit 6-102 (attached hereto and incorporated herein) contains certain information pertaining to the 222315F Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12188. In this action, the State and County seek to quiet title to the public highway right-of-way for the 222315F Road solely as it crosses United States public land as included and specifically described in Exhibit 6-102. The 222315F Road includes the segment of road specifically set forth in Exhibit 6-102 and as exists on the ground.

Acceptance of the 222315F Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12189. The 222315F Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12190. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 222315F Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12191. The 222315F Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12192. The 222315F Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 222315F Road pursuant to the County's governmental right and authority.

12193. Witnesses with personal knowledge of the history of the 222315F Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 222315F Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12194. Public motor vehicle use of the 222315F Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12195. The 222315F Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12196. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 222315F Road.

12197. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 222315F Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Pipe Line Road, 1612

12198. The Pipe Line Road is designated as county road number 1612 and SGID road identification number RD245700 and is more or less 2.6 miles long.

12199. Exhibit 6-103 (attached hereto and incorporated herein) contains certain information pertaining to the Pipe Line Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12200. In this action, the State and County seek to quiet title to the public highway right-of-way for the Pipe Line Road solely as it crosses United States public land as included and specifically described in Exhibit 6-103. The Pipe Line Road includes the segment of road specifically set forth in Exhibit 6-103 and as exists on the ground.

Acceptance of the Pipe Line Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12201. The Pipe Line Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12202. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Pipe Line Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12203. The Pipe Line Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12204. The Pipe Line Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Pipe Line Road pursuant to the County's governmental right and authority.

12205. Witnesses with personal knowledge of the history of the Pipe Line Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Pipe Line Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12206. Public motor vehicle use of the Pipe Line Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12207. The Pipe Line Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12208. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Pipe Line Road.

12209. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Pipe Line Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004520C Road

12210. The 004520C Road is designated as county road number 004520C and SGID road identification number RD243884 and is more or less 0.2 miles long.

12211. Exhibit 6-104 (attached hereto and incorporated herein) contains certain information pertaining to the 004520C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12212. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004520C Road solely as it crosses United States public land as included and specifically described in Exhibit 6-104. The 004520C Road includes the segment of road specifically set forth in Exhibit 6-104 and as exists on the ground.

Acceptance of the 004520C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12213. The 004520C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12214. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004520C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12215. The 004520C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004520C Road pursuant to the County's governmental right and authority.

12216. Public motor vehicle use of the 004520C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12217. The 004520C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12218. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004520C Road.

12219. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004520C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020202 Road

12220. The 020202 Road is designated as county road number 020202 and SGID road identification number RD244144 and is more or less 2.5 miles long.

12221. Exhibit 6-105 (attached hereto and incorporated herein) contains certain information pertaining to the 020202 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12222. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020202 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-105. The 020202 Road includes the segment of road specifically set forth in Exhibit 6-105 and as exists on the ground.

Acceptance of the 020202 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12223. The 020202 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12224. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before July 5, 1963.

12225. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 020202 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12226. The 020202 Road appears on the Red Wash NW (1968), and Rasmussen Hollow (1965) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12227. The 020202 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020202 Road pursuant to the County's governmental right and authority.

12228. Public motor vehicle use of the 020202 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12229. The 020202 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12230. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020202 Road.

12231. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020202 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020204 Road

12232. The 020204 Road is designated as county road number 020204 and SGID road identification number RD244146 and is more or less 2 miles long.

12233. Exhibit 6-106 (attached hereto and incorporated herein) contains certain information pertaining to the 020204 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12234. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020204 Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-106. The 020204 Road includes the segment of road specifically set forth in Exhibit 6-106 and as exists on the ground.

Acceptance of the 020204 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12235. The 020204 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12236. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 020204 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12237. The 020204 Road appears on the Red Wash NW (1968), and Rasmussen Hollow (1965) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12238. The 020204 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020204 Road pursuant to the County's governmental right and authority.

12239. Witnesses with personal knowledge of the history of the 020204 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 020204 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12240. Public motor vehicle use of the 020204 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12241. The 020204 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12242. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020204 Road.

12243. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020204 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020204D Road

12244. The 020204D Road is designated as county road number 020204D and SGID road identification number RD244148 and is more or less 0.4 miles long.

12245. Exhibit 6-107 (attached hereto and incorporated herein) contains certain information pertaining to the 020204D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12246. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020204D Road solely as it crosses United States public land as included and specifically described in Exhibit 6-107. The 020204D Road includes the segment of road specifically set forth in Exhibit 6-107 and as exists on the ground.

Acceptance of the 020204D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12247. The 020204D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12248. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 020204D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12249. The 020204D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 020204D Road pursuant to the County's governmental right and authority.

12250. Public motor vehicle use of the 020204D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12251. The 020204D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12252. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020204D Road.

12253. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020204D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020212 Road

12254. The 020212 Road is designated as county road number 020212 and SGID road identification number RD244158 and is more or less 1.2 miles long.

12255. Exhibit 6-108 (attached hereto and incorporated herein) contains certain information pertaining to the 020212 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12256. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020212 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-108. The 020212 Road includes the segment of road specifically set forth in Exhibit 6-108 and as exists on the ground.

Acceptance of the 020212 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12257. The 020212 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12258. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 020212 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12259. The 020212 Road appears on the Brennan Basin (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12260. The 020212 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 020212 Road pursuant to the County's governmental right and authority.

12261. Public motor vehicle use of the 020212 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12262. The 020212 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12263. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020212 Road.

12264. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020212 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020212A Road

12265. The 020212A Road is designated as county road number 020212A and SGID road identification number RD244159 and is more or less 0.4 miles long.

12266. Exhibit 6-109 (attached hereto and incorporated herein) contains certain information pertaining to the 020212A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12267. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020212A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-109. The 020212A Road includes the segment of road specifically set forth in Exhibit 6-109 and as exists on the ground.

Acceptance of the 020212A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12268. The 020212A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12269. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before June 13, 1957.

12270. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 020212A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12271. The 020212A Road appears on the Brennan Basin (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12272. The 020212A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020212A Road pursuant to the County's governmental right and authority.

12273. Public motor vehicle use of the 020212A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12274. The 020212A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12275. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020212A Road.

12276. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020212A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

070234 Road

12277. The 070234 Road is designated as county road number 070234 and SGID road identification number RD244982 and is more or less 0.4 miles long.

12278. Exhibit 6-110 (attached hereto and incorporated herein) contains certain information pertaining to the 070234 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12279. In this action, the State and County seek to quiet title to the public highway right-of-way for the 070234 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-110. The 070234 Road includes the segment of road specifically set forth in Exhibit 6-110 and as exists on the ground.

Acceptance of the 070234 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12280. The 070234 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12281. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before August 8, 1961.

12282. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 070234 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12283. The 070234 Road appears on the Red Wash (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12284. The 070234 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 070234 Road pursuant to the County's governmental right and authority.

12285. Public motor vehicle use of the 070234 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12286. The 070234 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12287. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 070234 Road.

12288. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 070234 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

120402 Road

12289. The 120402 Road is designated as county road number 120402 and SGID road identification number RD245287 and is more or less 0.2 miles long.

12290. Exhibit 6-111 (attached hereto and incorporated herein) contains certain information pertaining to the 120402 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12291. In this action, the State and County seek to quiet title to the public highway right-of-way for the 120402 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-111. The 120402 Road includes the segment of road specifically set forth in Exhibit 6-111 and as exists on the ground.

Acceptance of the 120402 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12292. The 120402 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12293. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 120402 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12294. The 120402 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 120402 Road pursuant to the County's governmental right and authority.

12295. Public motor vehicle use of the 120402 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12296. The 120402 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12297. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 120402 Road.

12298. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 120402 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182801 Road

12299. The 182801 Road is designated as county road number 182801 and SGID road identification number RD246224 and is more or less 1.4 miles long.

12300. Exhibit 6-112 (attached hereto and incorporated herein) contains certain information pertaining to the 182801 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12301. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182801 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-112. The 182801 Road includes the segment of road specifically set forth in Exhibit 6-112 and as exists on the ground.

Acceptance of the 182801 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12302. The 182801 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12303. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before September 9, 1963.

12304. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the 182801 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12305. The 182801 Road appears on the Red Wash NW (1968), and Brennan Basin (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12306. The 182801 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182801 Road pursuant to the County's governmental right and authority.

12307. Public motor vehicle use of the 182801 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12308. The 182801 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12309. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182801 Road.

12310. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182801 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182804 Road

12311. The 182804 Road is designated as county road number 182804 and SGID road identification number RD246226 and is more or less 0.2 miles long.

12312. Exhibit 6-113 (attached hereto and incorporated herein) contains certain information pertaining to the 182804 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12313. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182804 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-113. The 182804 Road includes the segment of road specifically set forth in Exhibit 6-113 and as exists on the ground.

Acceptance of the 182804 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12314. The 182804 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12315. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 182804 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12316. The 182804 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182804 Road pursuant to the County's governmental right and authority.

12317. Public motor vehicle use of the 182804 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12318. The 182804 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12319. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182804 Road.

12320. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182804 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

222306A Road

12321. The 222306A Road is designated as county road number 222306A and SGID road identification number RD246529 and is more or less 1.9 miles long.

12322. Exhibit 6-114 (attached hereto and incorporated herein) contains certain information pertaining to the 222306A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12323. In this action, the State and County seek to quiet title to the public highway right-of-way for the 222306A Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-114. The 222306A Road includes the segment of road specifically set forth in Exhibit 6-114 and as exists on the ground.

Acceptance of the 222306A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12324. The 222306A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12325. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 222306A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12326. The 222306A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 222306A Road pursuant to the County's governmental right and authority.

12327. Public motor vehicle use of the 222306A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12328. The 222306A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12329. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 222306A Road.

12330. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 222306A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

222315D Road

12331. The 222315D Road is designated as county road number 222315D and SGID road identification number RD246543 and is more or less 0.4 miles long.

12332. Exhibit 6-115 (attached hereto and incorporated herein) contains certain information pertaining to the 222315D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12333. In this action, the State and County seek to quiet title to the public highway right-of-way for the 222315D Road solely as it crosses United States public land as included and specifically described in Exhibit 6-115. The 222315D Road includes the segment of road specifically set forth in Exhibit 6-115 and as exists on the ground.

Acceptance of the 222315D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12334. The 222315D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12335. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 222315D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12336. The 222315D Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12337. The 222315D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 222315D Road pursuant to the County's governmental right and authority.

12338. Public motor vehicle use of the 222315D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12339. The 222315D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12340. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 222315D Road.

12341. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 222315D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

222321A Road

12342. The 222321A Road is designated as county road number 222321A and SGID road identification number RD246551 and is more or less 0.2 miles long.

12343. Exhibit 6-116 (attached hereto and incorporated herein) contains certain information pertaining to the 222321A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12344. In this action, the State and County seek to quiet title to the public highway right-of-way for the 222321A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-116. The 222321A Road includes the segment of road specifically set forth in Exhibit 6-116 and as exists on the ground.

Acceptance of the 222321A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12345. The 222321A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12346. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before October 5, 1964.

12347. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 222321A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12348. The 222321A Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12349. The 222321A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 222321A Road pursuant to the County's governmental right and authority.

12350. Public motor vehicle use of the 222321A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12351. The 222321A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12352. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 222321A Road.

12353. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 222321A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

342002 Road

12354. The 342002 Road is designated as county road number 342002 and SGID road identification number RD246610 and is more or less 1.7 miles long.

12355. Exhibit 6-117 (attached hereto and incorporated herein) contains certain information pertaining to the 342002 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12356. In this action, the State and County seek to quiet title to the public highway right-of-way for the 342002 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-117. The 342002 Road includes the segment of road specifically set forth in Exhibit 6-117 and as exists on the ground.

Acceptance of the 342002 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12357. The 342002 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12358. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 342002 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12359. The 342002 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 342002 Road pursuant to the County's governmental right and authority.

12360. Public motor vehicle use of the 342002 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12361. The 342002 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12362. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 342002 Road.

12363. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 342002 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032505D Road

12364. The 032505D Road is designated as county road number 032505D and SGID road identification number RD244632 and is more or less 0.5 miles long.

12365. Exhibit 6-118 (attached hereto and incorporated herein) contains certain information pertaining to the 032505D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12366. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032505D Road solely as it crosses United States public land as included and specifically described in Exhibit 6-118. The 032505D Road includes the segment of road specifically set forth in Exhibit 6-118 and as exists on the ground.

Acceptance of the 032505D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12367. The 032505D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12368. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032505D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12369. The 032505D Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12370. The 032505D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032505D Road pursuant to the County's governmental right and authority.

12371. Witnesses with personal knowledge of the history of the 032505D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032505D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12372. Public motor vehicle use of the 032505D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12373. The 032505D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12374. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032505D Road.

12375. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032505D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182701D Road

12376. The 182701D Road is designated as county road number 182701D and SGID road identification number RD246160 and is more or less 0.9 miles long.

12377. Exhibit 6-119 (attached hereto and incorporated herein) contains certain information pertaining to the 182701D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12378. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182701D Road solely as it crosses United States public land as included and specifically described in Exhibit 6-119. The 182701D Road includes the segment of road specifically set forth in Exhibit 6-119 and as exists on the ground.

Acceptance of the 182701D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12379. The 182701D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12380. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 182701D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12381. The 182701D Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12382. The 182701D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182701D Road pursuant to the County's governmental right and authority.

12383. Witnesses with personal knowledge of the history of the 182701D Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182701D Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12384. Public motor vehicle use of the 182701D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12385. The 182701D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12386. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182701D Road.

12387. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182701D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182703E Road

12388. The 182703E Road is designated as county road number 182703E and SGID road identification number RD246167 and is more or less 0.9 miles long.

12389. Exhibit 6-120 (attached hereto and incorporated herein) contains certain information pertaining to the 182703E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12390. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182703E Road solely as it crosses United States public land as included and specifically described in Exhibit 6-120. The 182703E Road includes the segment of road specifically set forth in Exhibit 6-120 and as exists on the ground.

Acceptance of the 182703E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12391. The 182703E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12392. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 182703E Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12393. The 182703E Road appears on the Vernal SE (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12394. The 182703E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182703E Road pursuant to the County's governmental right and authority.

12395. Witnesses with personal knowledge of the history of the 182703E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182703E Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12396. Public motor vehicle use of the 182703E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12397. The 182703E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12398. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182703E Road.

12399. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182703E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004520 Road

12400. The 004520 Road is designated as county road number 004520 and SGID road identification number RD243881 and is more or less 2.8 miles long.

12401. Exhibit 6-121 (attached hereto and incorporated herein) contains certain information pertaining to the 004520 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12402. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004520 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-121. The 004520 Road includes the segment of road specifically set forth in Exhibit 6-121 and as exists on the ground.

Acceptance of the 004520 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12403. The 004520 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12404. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before May 21, 1967.

12405. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004520 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12406. The 004520 Road appears on the Rasmussen Hollow (1965) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12407. The 004520 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004520 Road pursuant to the County's governmental right and authority.

12408. Witnesses with personal knowledge of the history of the 004520 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004520 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12409. Public motor vehicle use of the 004520 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12410. The 004520 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12411. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004520 Road.

12412. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004520 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

004520A Road

12413. The 004520A Road is designated as county road number 004520A and SGID road identification number RD243882 and is more or less 0.8 miles long.

12414. Exhibit 6-122 (attached hereto and incorporated herein) contains certain information pertaining to the 004520A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12415. In this action, the State and County seek to quiet title to the public highway right-of-way for the 004520A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-122. The 004520A Road includes the segment of road specifically set forth in Exhibit 6-122 and as exists on the ground.

Acceptance of the 004520A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12416. The 004520A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12417. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 004520A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12418. The 004520A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 004520A Road pursuant to the County's governmental right and authority.

12419. Witnesses with personal knowledge of the history of the 004520A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 004520A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12420. Public motor vehicle use of the 004520A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12421. The 004520A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12422. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 004520A Road.

12423. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 004520A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

011001 Road

12424. The 011001 Road is designated as county road number 011001 and SGID road identification number RD244067 and is more or less 2.6 miles long.

12425. Exhibit 6-123 (attached hereto and incorporated herein) contains certain information pertaining to the 011001 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12426. In this action, the State and County seek to quiet title to the public highway right-of-way for the 011001 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-123. The 011001 Road includes the segment of road specifically set forth in Exhibit 6-123 and as exists on the ground.

Acceptance of the 011001 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12427. The 011001 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12428. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 011001 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12429. The 011001 Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12430. The 011001 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 011001 Road pursuant to the County's governmental right and authority.

12431. Witnesses with personal knowledge of the history of the 011001 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 011001 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12432. Public motor vehicle use of the 011001 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12433. The 011001 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12434. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 011001 Road.

12435. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 011001 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030703 Road

12436. The 030703 Road is designated as county road number 030703 and SGID road identification number RD244444 and is more or less 3.9 miles long.

12437. Exhibit 6-124 (attached hereto and incorporated herein) contains certain information pertaining to the 030703 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12438. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030703 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-124. The 030703 Road includes the segment of road specifically set forth in Exhibit 6-124 and as exists on the ground.

Acceptance of the 030703 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12439. The 030703 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12440. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030703 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12441. The 030703 Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12442. The 030703 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030703 Road pursuant to the County's governmental right and authority.

12443. Witnesses with personal knowledge of the history of the 030703 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030703 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12444. Public motor vehicle use of the 030703 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12445. The 030703 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12446. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030703 Road.

12447. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030703 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030707 Road

12448. The 030707 Road is designated as county road number 030707 and SGID road identification number RD244452 and is more or less 3.3 miles long.

12449. Exhibit 6-125 (attached hereto and incorporated herein) contains certain information pertaining to the 030707 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12450. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030707 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-125. The 030707 Road includes the segment of road specifically set forth in Exhibit 6-125 and as exists on the ground.

Acceptance of the 030707 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12451. The 030707 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12452. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030707 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12453. The 030707 Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12454. The 030707 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030707 Road pursuant to the County's governmental right and authority.

12455. Witnesses with personal knowledge of the history of the 030707 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030707 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12456. Public motor vehicle use of the 030707 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12457. The 030707 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12458. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030707 Road.

12459. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030707 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030712 Road

12460. The 030712 Road is designated as county road number 030712 and SGID road identification number RD244456 and is more or less 0.7 miles long.

12461. Exhibit 6-126 (attached hereto and incorporated herein) contains certain information pertaining to the 030712 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12462. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030712 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-126. The 030712 Road includes the segment of road specifically set forth in Exhibit 6-126 and as exists on the ground.

Acceptance of the 030712 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12463. The 030712 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12464. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030712 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12465. The 030712 Road appears on the Red Wash SE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12466. The 030712 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030712 Road pursuant to the County's governmental right and authority.

12467. Witnesses with personal knowledge of the history of the 030712 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030712 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12468. Public motor vehicle use of the 030712 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12469. The 030712 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12470. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030712 Road.

12471. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030712 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

030719 Road

12472. The 030719 Road is designated as county road number 030719 and SGID road identification number RD244462 and is more or less 1.5 miles long.

12473. Exhibit 6-127 (attached hereto and incorporated herein) contains certain information pertaining to the 030719 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12474. In this action, the State and County seek to quiet title to the public highway right-of-way for the 030719 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-127. The 030719 Road includes the segment of road specifically set forth in Exhibit 6-127 and as exists on the ground.

Acceptance of the 030719 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12475. The 030719 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12476. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 030719 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12477. The 030719 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 030719 Road pursuant to the County's governmental right and authority.

12478. Witnesses with personal knowledge of the history of the 030719 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 030719 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12479. Public motor vehicle use of the 030719 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12480. The 030719 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12481. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 030719 Road.

12482. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 030719 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

032501A Road

12483. The 032501A Road is designated as county road number 032501A and SGID road identification number RD244610 and is more or less 1.1 miles long.

12484. Exhibit 6-128 (attached hereto and incorporated herein) contains certain information pertaining to the 032501A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12485. In this action, the State and County seek to quiet title to the public highway right-of-way for the 032501A Road solely as it crosses United States public land as included and specifically described in Exhibit 6-128. The 032501A Road includes the segment of road specifically set forth in Exhibit 6-128 and as exists on the ground.

Acceptance of the 032501A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12486. The 032501A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12487. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 032501A Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12488. The 032501A Road appears on the Red Wash SW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12489. The 032501A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 032501A Road pursuant to the County's governmental right and authority.

12490. Witnesses with personal knowledge of the history of the 032501A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 032501A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12491. Public motor vehicle use of the 032501A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12492. The 032501A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12493. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 032501A Road.

12494. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 032501A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

070226 Road

12495. The 070226 Road is designated as county road number 070226 and SGID road identification number RD244966 and is more or less 3.4 miles long.

12496. Exhibit 6-129 (attached hereto and incorporated herein) contains certain information pertaining to the 070226 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12497. In this action, the State and County seek to quiet title to the public highway right-of-way for the 070226 Road solely as it crosses United States public land as included and specifically described in Exhibit 6-129. The 070226 Road includes the segment of road specifically set forth in Exhibit 6-129 and as exists on the ground.

Acceptance of the 070226 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12498. The 070226 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12499. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before October 7, 1962.

12500. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 070226 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12501. The 070226 Road appears on the Red Wash SW (1968), and Red Wash NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12502. The 070226 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 070226 Road pursuant to the County's governmental right and authority.

12503. Witnesses with personal knowledge of the history of the 070226 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 070226 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12504. Public motor vehicle use of the 070226 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12505. The 070226 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12506. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 070226 Road.

12507. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 070226 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

070229 Road

12508. The 070229 Road is designated as county road number 070229 and SGID road identification number RD244978 and is more or less 1 mile long.

12509. Exhibit 6-130 (attached hereto and incorporated herein) contains certain information pertaining to the 070229 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12510. In this action, the State and County seek to quiet title to the public highway right-of-way for the 070229 Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-130. The 070229 Road includes the segment of road specifically set forth in Exhibit 6-130 and as exists on the ground.

Acceptance of the 070229 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12511. The 070229 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12512. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 070229 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12513. The 070229 Road appears on the Red Wash NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12514. The 070229 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 070229 Road pursuant to the County's governmental right and authority.

12515. Witnesses with personal knowledge of the history of the 070229 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 070229 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12516. Public motor vehicle use of the 070229 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12517. The 070229 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12518. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 070229 Road.

12519. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 070229 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

342004B Road

12520. The 342004B Road is designated as county road number 342004B and SGID road identification number RD246615 and is more or less 0.4 miles long.

12521. Exhibit 6-131 (attached hereto and incorporated herein) contains certain information pertaining to the 342004B Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12522. In this action, the State and County seek to quiet title to the public highway right-of-way for the 342004B Road solely as it crosses United States public land as included and

specifically described in Exhibit 6-131. The 342004B Road includes the segment of road specifically set forth in Exhibit 6-131 and as exists on the ground.

Acceptance of the 342004B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12523. The 342004B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12524. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 342004B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12525. The 342004B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 342004B Road pursuant to the County's governmental right and authority.

12526. Witnesses with personal knowledge of the history of the 342004B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 342004B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12527. Public motor vehicle use of the 342004B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12528. The 342004B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12529. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 342004B Road.

12530. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 342004B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

SEVENTH CAUSE OF ACTION – QUIET TITLE
BC NORTH AREA

12531. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

12532. The BC North Area is located in south-eastern Uintah County in the eastern region of Utah.

12533. The BC North Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) 4128 Road; (2) 180204 Road; (3) Archy Bench Road, 4150; (4) Archy Draw Road, 4220; (5) Asphalt Wash Road, 4160; (6) Atchee Wash Road, 4240; (7) Bitter Creek Cutoff Road, 4140; (8) Bitter Creek Road, 4120; (9) Buck Camp Canyon Road, 4125; (10) Dragon Road, 4180; (11) East Bench Road, 4130; (12) East Fork Asphalt Wash Road, 4250; (13) Kings Wells Road, 4190; (14) Missouri Cr. Road, 4380; (15) Park Canyon Road, 4290; (16) Rabbit Mountain Road, 4295; (17) Saddle Tree Draw Road, 4230; (18) Seep Ridge Road, 2810; (19) Southam Cyn Road, 4170; (20) West Sand Wash Road, 4110; (21)

112513H Road; (22) 112525E Road; (23) 140201 Road; (24) Airstrip Road, 080903; (25) Bates Knolls Road, 0203; (26) Hells Hole Canyon Road, 080901; (27) Hells Hole Canyon Road, 0809; (28) Nelmas Short Cut Road, 1402; (29) Blind Canyon Road, 0215; (30) Buck Canyon Field Road, 0230; (31) Bull Moose Road, 0232; (32) East Sand Wash Road, 0510; (33) Oil Springs Road, 1505; (34) 010604 Road; (35) 042101 Road; (36) 102420C Road; (37) 102420M Road; (38) 102520J Road; (39) 102520P Road; (40) 102528E Road; (41) 112311J Road; (42) 112313H Road; (43) 122304H Road; (44) 180602 Road; (45) 182302 Road; (46) 182302A Road; (47) 020302 Road; (48) 417001 Road; (49) East Bench Road, 4130D; (50) Ho Chi Rim Road, 0810; (51) Izentrouble Wash Road, 050105; (52) Liam's Pass Road, 020911; (53) Park View Loop Road, 050202; (54) Pot Belly Road, 050201; (55) Repentance Road, 1731; (56) Rock House Cutoff Road, 1721; (57) Rock House Loop Road, 1722; (58) Watson - Rainbow Road, 2205; (59) Weaver Canyon Road, 2225; (60) Weaver Ridge Road, 2206; (61) West Sand Wash Road, 4110; (62) 010605 Road; (63) 011003A Road; (64) 020301 Road; (65) 020303 Road; (66) 020303A Road; (67) 020910 Road; (68) 020915 Road; (69) 110504 Road; (70) 110508 Road; (71) 110514 Road; (72) 112314A Road; (73) 122223F Road; (74) 122319E Road; (75) 122319J Road; (76) 132210C Road; (77) 150503 Road; (78) 150504 Road; (79) 151401 Road; (80) 172201 Road; (81) 180201 Road; (82) 180614 Road; (83) 180621 Road; (84) Atchee Wash Road, 4240; (85) Fence Line Road, 060401; (86) Hells Edge Road, 050104; (87) Oil Spring East Road, 1503;(88) Oil Spring West Road, 1514; (89) Texaco Survey Road, 1903; (90) Weeks Access Road, 2207; (91) 023001 Road; (92) Archy Bench Road, 4150D; (93) Span Road, 020902_2; (94) 010804 Road; (95) 010805 Road; (96) 010806 Road; (97) 011004 Road; (98) 020902A Road; (99) 020902D Road; (100) 020902M Road; (101) 020902P Road; (102) Bitter

Creek River Access Road, 020907; (103) 020909 Road; (104) 070206A Road; (105) Middle Road, 070213; (106) 070214 Road; (107) Duck Creek Road, 070215; (108) Lower Sand Wash Road, 070223_2; (109) 070223F Road; (110) 070223L Road; (111) 180608 Road; (112) Burnt Trailer House Road, 070223_1; (113) Glen Bench Cutoff Road, 070206; (114) Goat Pasture Road, 020902C; (115) Middle Sand Wash Road, 020902; (116) N Middle Sand Wash Road, 070223; (117) N.B. 12534. Each right-of-way claimed in the BC North Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

12535. All rights-of-way claimed in the BC North Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

12536. All rights-of-way claimed in the BC North Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

12537. Prior to October 21, 1976, the State of Utah, Uintah County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

4128 Road

12538. The 4128 Road is designated as county road number 4128 and SGID road identification number RD240526 and is more or less 1.1 miles long.

12539. Exhibit 7-1 (attached hereto and incorporated herein) contains certain information pertaining to the 4128 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12540. In this action, the State and County seek to quiet title to the public highway right-of-way for the 4128 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-1. The 4128 Road includes the segment of road specifically set forth in Exhibit 7-1 and as exists on the ground.

Acceptance of the 4128 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12541. The 4128 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12542. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 4128 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12543. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12544. The 4128 Road appears on the Archy Bench (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12545. Witnesses with personal knowledge of the history of the 4128 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12546. Currently known reputation in the community is that the 4128 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12547. Public motor vehicle use of the 4128 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12548. The 4128 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12549. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 4128 Road.

12550. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 4128 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

180204 Road

12551. The 180204 Road is designated as county road number 4231 and SGID road identification number RD246502 and is more or less 0.17 miles long.

12552. Exhibit 7-2 (attached hereto and incorporated herein) contains certain information pertaining to the 180204 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12553. In this action, the State and County seek to quiet title to the public highway right-of-way for the 180204 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-2. The 180204 Road includes the segment of road specifically set forth in Exhibit 7-2 and as exists on the ground.

Acceptance of the 180204 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12554. The 180204 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12555. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 180204 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12556. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12557. Witnesses with personal knowledge of the history of the 180204 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12558. Currently known reputation in the community is that the 180204 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12559. Public motor vehicle use of the 180204 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12560. The 180204 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12561. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 180204 Road.

12562. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 180204 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Archy Bench Road, 4150

12563. The Archy Bench Road is designated as county road number 4150 and SGID road identification number RD240318 and is more or less 7.1 miles long.

12564. Exhibit 7-3 (attached hereto and incorporated herein) contains certain information pertaining to the Archy Bench Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12565. In this action, the State and County seek to quiet title to the public highway right-of-way for the Archy Bench Road solely as it crosses United States public land as included and

specifically described in Exhibit 7-3. The Archy Bench Road includes the segment of road specifically set forth in Exhibit 7-3 and as exists on the ground.

Acceptance of the Archy Bench Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12566. The Archy Bench Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12567. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Archy Bench Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12568. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12569. The Archy Bench Road appears on the Archy Bench (1968), Buck Camp Canyon (1968) and Archy Bench SE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12570. Witnesses with personal knowledge of the history of the Archy Bench Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12571. Currently known reputation in the community is that the Archy Bench Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12572. Public motor vehicle use of the Archy Bench Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12573. The Archy Bench Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12574. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Archy Bench Road.

12575. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Archy Bench Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Archy Draw Road, 4220

12576. The Archy Draw Road is designated as county road number 4220 and SGID road identification number RD240322 and is more or less 8.0 miles long.

12577. Exhibit 7-4 (attached hereto and incorporated herein) contains certain information pertaining to the Archy Draw Road including: a map depicting the road; township, range and

section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12578. In this action, the State and County seek to quiet title to the public highway right-of-way for the Archy Draw Road solely as it crosses United States public land as included and specifically described in Exhibit 7-4. The Archy Draw Road includes the segment of road specifically set forth in Exhibit 7-4 and as exists on the ground.

Acceptance of the Archy Draw Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12579. The Archy Draw Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12580. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Archy Draw Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12581. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12582. The Archy Draw Road appears on the Archy Bench (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12583. Witnesses with personal knowledge of the history of the Archy Draw Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12584. Currently known reputation in the community is that the Archy Draw Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12585. Public motor vehicle use of the Archy Draw Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12586. The Archy Draw Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12587. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Archy Draw Road.

12588. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Archy Draw Road on lands owned by the United States as described herein

and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Asphalt Wash Road, 4160

12589. The Asphalt Wash Road is designated as county road number 4160 and SGID road identification number RD240304 and is more or less 12.7 miles long.

12590. Exhibit 7-5 (attached hereto and incorporated herein) contains certain information pertaining to the Asphalt Wash Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12591. In this action, the State and County seek to quiet title to the public highway right-of-way for the Asphalt Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 7-5. The Asphalt Wash Road includes the segment of road specifically set forth in Exhibit 7-5 and as exists on the ground.

Acceptance of the Asphalt Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12592. The Asphalt Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12593. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Asphalt Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12594. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12595. The Asphalt Wash Road appears on the Asphalt Wash (1968) and Archy Bench SE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12596. Witnesses with personal knowledge of the history of the Asphalt Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12597. Currently known reputation in the community is that the Asphalt Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12598. Public motor vehicle use of the Asphalt Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for

a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12599. The Asphalt Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12600. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Asphalt Wash Road.

12601. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Asphalt Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Atchee Wash Road, 4240

12602. The Atchee Wash Road is designated as county road number 4240 and SGID road identification number RD240361 and is more or less 9.4 miles long.

12603. Exhibit 7-6 (attached hereto and incorporated herein) contains certain information pertaining to the Atchee Wash Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12604. In this action, the State and County seek to quiet title to the public highway right-of-way for the Atchee Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 7-6. The Atchee Wash Road includes the segment of road specifically set forth in Exhibit 7-6 and as exists on the ground.

Acceptance of the Atchee Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12605. The Atchee Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12606. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Atchee Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12607. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12608. The Atchee Wash Road appears on the Asphalt Wash (1968) and Archy Bench SE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12609. Witnesses with personal knowledge of the history of the Atchee Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12610. Currently known reputation in the community is that the Atchee Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12611. Public motor vehicle use of the Atchee Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12612. The Atchee Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12613. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Atchee Wash Road.

12614. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Atchee Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Bitter Creek Cutoff Road, 4140

12615. The Bitter Creek Cutoff Road is designated as county road number 4140 and SGID road identification number RD240545 and is more or less 1.5 miles long.

12616. Exhibit 7-7 (attached hereto and incorporated herein) contains certain information pertaining to the Bitter Creek Cutoff Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12617. In this action, the State and County seek to quiet title to the public highway right-of-way for the Bitter Creek Cutoff Road solely as it crosses United States public land as included

and specifically described in Exhibit 7-7. The Bitter Creek Cutoff Road includes the segment of road specifically set forth in Exhibit 7-7 and as exists on the ground.

Acceptance of the Bitter Creek Cutoff Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12618. The Bitter Creek Cutoff Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12619. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Bitter Creek Cutoff Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12620. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12621. The Bitter Creek Cutoff Road appears on the Archy Bench (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12622. Witnesses with personal knowledge of the history of the Bitter Creek Cutoff Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12623. Currently known reputation in the community is that the Bitter Creek Cutoff Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12624. Public motor vehicle use of the Bitter Creek Cutoff Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12625. The Bitter Creek Cutoff Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12626. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Bitter Creek Cutoff Road.

12627. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Bitter Creek Cutoff Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Bitter Creek Road, 4120

12628. The Bitter Creek Road is designated as county road number 4120 and SGID road identification number RD240506 and is more or less 45.9 miles long.

12629. Exhibit 7-8 (attached hereto and incorporated herein) contains certain information pertaining to the Bitter Creek Road including: a map depicting the road; township, range and

section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12630. In this action, the State and County seek to quiet title to the public highway right-of-way for the Bitter Creek Road solely as it crosses United States public land as included and specifically described in Exhibit 7-8. The Bitter Creek Road includes the segment of road specifically set forth in Exhibit 7-8 and as exists on the ground.

Acceptance of the Bitter Creek Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12631. The Bitter Creek Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12632. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the Bitter Creek Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12633. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12634. The Bitter Creek Road appears on the Archy Bench (1968) and Buck Camp Canyon (1968), and Big Pack MTN NE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12635. Witnesses with personal knowledge of the history of the Bitter Creek Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12636. Currently known reputation in the community is that the Bitter Creek Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12637. Public motor vehicle use of the Bitter Creek Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12638. The Bitter Creek Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12639. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Bitter Creek Road.

12640. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Bitter Creek Road on lands owned by the United States as described herein

and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Buck Camp Canyon Road, 4125

12641. The Buck Camp Canyon Road is designated as county road number 4125 and SGID road identification number RD246501 and is more or less 5.5 miles long.

12642. Exhibit 7-9 (attached hereto and incorporated herein) contains certain information pertaining to the Buck Camp Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12643. In this action, the State and County seek to quiet title to the public highway right-of-way for the Buck Camp Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 7-9. The Buck Camp Canyon Road includes the segment of road specifically set forth in Exhibit 7-9 and as exists on the ground.

Acceptance of the Buck Camp Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12644. The Buck Camp Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12645. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Buck Camp Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12646. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-

way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12647. The Buck Camp Canyon Road appears on the Buck Camp Canyon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12648. Witnesses with personal knowledge of the history of the Buck Camp Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12649. Currently known reputation in the community is that the Buck Camp Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12650. Public motor vehicle use of the Buck Camp Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12651. The Buck Camp Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12652. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Buck Camp Canyon Road.

12653. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Buck Camp Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Dragon Road, 4180

12654. The Dragon Road is designated as county road number 4180 and SGID road identification number RD241246 and is more or less 19.5 miles long.

12655. Exhibit 7-10 (attached hereto and incorporated herein) contains certain information pertaining to the Dragon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12656. In this action, the State and County seek to quiet title to the public highway right-of-way for the Dragon Road solely as it crosses United States public land as included and specifically described in Exhibit 7-10. The Dragon Road includes the segment of road specifically set forth in Exhibit 7-10 and as exists on the ground.

Acceptance of the Dragon Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12657. The Dragon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands

including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12658. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Dragon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12659. The Dragon Road appears on the Southam Canyon (1968), Weaver Ridge (1968), Dragon (1968), Rainbow (1968) and Davis Canyon (1966) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12660. The County confirmed its acceptance of the Dragon Road by 1947, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Dragon Road using public funds pursuant to the County's governmental right and authority.

12661. Witnesses with personal knowledge of the history of the Dragon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12662. Currently known reputation in the community is that the Dragon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12663. Public motor vehicle use of the Dragon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12664. The Dragon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12665. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Dragon Road.

12666. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Dragon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

East Bench Road, 4130

12667. The East Bench Road is designated as county road number 4130 and SGID road identification number RD241262 and is more or less 10.4 miles long.

12668. Exhibit 7-11 (attached hereto and incorporated herein) contains certain information pertaining to the East Bench Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12669. In this action, the State and County seek to quiet title to the public highway right-of-way for the East Bench Road solely as it crosses United States public land as included and specifically described in Exhibit 7-11. The East Bench Road includes the segment of road

specifically set forth in Exhibit 7-11 and as exists on the ground.

Acceptance of the East Bench Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12670. The East Bench Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12671. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the East Bench Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12672. The East Bench Road appears on the Archy Bench (1968) and Buck Camp Canyon (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12673. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12674. Witnesses with personal knowledge of the history of the East Bench Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12675. Currently known reputation in the community is that the East Bench Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12676. Public motor vehicle use of the East Bench Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12677. The East Bench Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12678. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the East Bench Road.

12679. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the East Bench Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

East Fork Asphalt Wash Road, 4250

12680. The East Fork Asphalt Wash Road is designated as county road number 4250 and SGID road identification number RD241268 and is more or less 5.9 miles long.

12681. Exhibit 7-12 (attached hereto and incorporated herein) contains certain information pertaining to the East Fork Asphalt Wash Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12682. In this action, the State and County seek to quiet title to the public highway right-of-way for the East Fork Asphalt Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 7-12. The East Fork Asphalt Wash Road includes the segment of road specifically set forth in Exhibit 7-12 and as exists on the ground.

Acceptance of the East Fork Asphalt Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12683. The East Fork Asphalt Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12684. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the East Fork Asphalt Wash Road as a public highway

located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12685. The East Fork Asphalt Wash Road appears on the Asphalt Wash (1968), Archy Bench SE (1968) and Rainbow (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12686. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12687. Witnesses with personal knowledge of the history of the East Fork Asphalt Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12688. Currently known reputation in the community is that the East Fork Asphalt Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12689. Public motor vehicle use of the East Fork Asphalt Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12690. The East Fork Asphalt Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12691. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the East Fork Asphalt Wash Road.

12692. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the East Fork Asphalt Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Kings Wells Road, 4190

12693. The Kings Wells Road is designated as county road number 4190 and SGID road identification number RD241789 and is more or less 30.4 miles long.

12694. Exhibit 7-13 (attached hereto and incorporated herein) contains certain information pertaining to the Kings Wells Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12695. In this action, the State and County seek to quiet title to the public highway right-of-way for the Kings Wells Road solely as it crosses United States public land as included and specifically described in Exhibit 7-13. The Kings Wells Road includes the segment of road specifically set forth in Exhibit 7-13 and as exists on the ground.

Acceptance of the Kings Wells Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12696. The Kings Wells Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12697. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Kings Wells Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12698. The Kings Wells Road appears on the Archy Bench SE (1968), Rainbow (1968), Southam Canyon (1968), Weaver Ridge (1968), Cooper Canyon (1966) and Bates Knolls (1966) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12699. The County confirmed its acceptance of the Kings Wells Road by 1947, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Kings Wells Road using public funds pursuant to the County's governmental right and authority.

12700. Witnesses with personal knowledge of the history of the Kings Wells Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12701. Currently known reputation in the community is that the Kings Wells Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12702. Public motor vehicle use of the Kings Wells Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12703. The Kings Wells Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12704. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Kings Wells Road.

12705. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Kings Wells Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Missouri Cr. Road, 4380

12706. The Missouri Cr. Road is designated as county road number 4380 and SGID road identification number RD241941 and is more or less 1.7 miles long.

12707. Exhibit 7-14 (attached hereto and incorporated herein) contains certain information pertaining to the Missouri Cr. Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12708. In this action, the State and County seek to quiet title to the public highway right-of-way for the Missouri Cr. Road solely as it crosses United States public land as included and specifically described in Exhibit 7-14. The Missouri Cr. Road includes the segment of road specifically set forth in Exhibit 7-14 and as exists on the ground.

Acceptance of the Missouri Cr. Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12709. The Missouri Cr. Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12710. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Missouri Cr. Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12711. The Missouri Cr. Road appears on the Dragon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12712. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12713. Witnesses with personal knowledge of the history of the Missouri Cr. Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12714. Currently known reputation in the community is that the Missouri Cr. Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12715. Public motor vehicle use of the Missouri Cr. Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12716. The Missouri Cr. Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12717. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Missouri Cr. Road.

12718. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Missouri Cr. Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Park Canyon Road, 4290

12719. The Park Canyon Road is designated as county road number 4290 and SGID road identification number RD242268 and is more or less 4.4 miles long.

12720. Exhibit 7-15 (attached hereto and incorporated herein) contains certain information pertaining to the Park Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12721. In this action, the State and County seek to quiet title to the public highway right-of-way for the Park Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 7-15. The Park Canyon Road includes the segment of road specifically set forth in Exhibit 7-15 and as exists on the ground.

Acceptance of the Park Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12722. The Park Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12723. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Park Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12724. The Park Canyon Road appears on the Rainbow (1968) and Dragon (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12725. The County confirmed its acceptance of the Park Canyon Road by 1947, when it designated and accepted the road as a County highway on the County's general highway map. *See* Utah Code Ann. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Park Canyon Road using public funds pursuant to the County's governmental right and authority.

12726. Witnesses with personal knowledge of the history of the Park Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12727. Currently known reputation in the community is that the Park Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12728. Public motor vehicle use of the Park Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for

a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12729. The Park Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12730. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Park Canyon Road.

12731. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Park Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Rabbit Mountain Road, 4295

12732. The Rabbit Mountain Road is designated as county road number 4295 and SGID road identification number RD242403 and is more or less 3.9 miles long.

12733. Exhibit 7-16 (attached hereto and incorporated herein) contains certain information pertaining to the Rabbit Mountain Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12734. In this action, the State and County seek to quiet title to the public highway right-of-way for the Rabbit Mountain Road solely as it crosses United States public land as included and specifically described in Exhibit 7-16. The Rabbit Mountain Road includes the segment of road specifically set forth in Exhibit 7-16 and as exists on the ground.

Acceptance of the Rabbit Mountain Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12735. The Rabbit Mountain Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12736. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Rabbit Mountain Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12737. The Rabbit Mountain Road appears on the Dragon (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12738. The County confirmed its acceptance of the Rabbit Mountain Road by 1947, when it designated and accepted the road as a County highway on the County's general highway map. *See* Utah Code Ann. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Rabbit Mountain Road using public funds pursuant to the County's governmental right and authority.

12739. Witnesses with personal knowledge of the history of the Rabbit Mountain Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12740. Currently known reputation in the community is that the Rabbit Mountain Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12741. Public motor vehicle use of the Rabbit Mountain Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12742. The Rabbit Mountain Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12743. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Rabbit Mountain Road.

12744. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Rabbit Mountain Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Saddle Tree Draw Road, 4230

12745. The Saddle Tree Draw Road is designated as county road number 4230 and SGID road identification number RD242659 and is more or less 12.2 miles long.

12746. Exhibit 7-17 (attached hereto and incorporated herein) contains certain information pertaining to the Saddle Tree Draw Road including: a map depicting the road;

township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12747. In this action, the State and County seek to quiet title to the public highway right-of-way for the Saddle Tree Draw Road solely as it crosses United States public land as included and specifically described in Exhibit 7-17. The Saddle Tree Draw Road includes the segment of road specifically set forth in Exhibit 7-17 and as exists on the ground.

Acceptance of the Saddle Tree Draw Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12748. The Saddle Tree Draw Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12749. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Saddle Tree Draw Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12750. The Saddle Tree Draw Road appears on the Asphalt Wash (1968) and Archy Bench SE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12751. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12752. Witnesses with personal knowledge of the history of the Saddle Tree Draw Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12753. Currently known reputation in the community is that the Saddle Tree Draw Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12754. Public motor vehicle use of the Saddle Tree Draw Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12755. The Saddle Tree Draw Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12756. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Saddle Tree Draw Road.

12757. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Saddle Tree Draw Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Seep Ridge Road, 2810

12758. The Seep Ridge Road is designated as county road number 2810 and SGID road identification number RD242694 and is more or less 54.4 miles long.

12759. Exhibit 7-18 (attached hereto and incorporated herein) contains certain information pertaining to the Seep Ridge Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12760. In this action, the State and County seek to quiet title to the public highway right-of-way for the Seep Ridge Road solely as it crosses United States public land as included and specifically described in Exhibit 7-18. The Seep Ridge Road includes the segment of road specifically set forth in Exhibit 7-18 and as exists on the ground.

Acceptance of the Seep Ridge Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12761. The Seep Ridge Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12762. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the Seep Ridge Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12763. The Seep Ridge Road appears on the Ouray (1964), Big Pack MTN NW (1968), Big Pack MTN NE (1968), Big Pack MTN SE (1968), Agency Draw NE (1966), Bates Knolls (1966), Pine Spring Canyon (1966), P R Spring (1970) and Seep Canyon (1966) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12764. The County confirmed its acceptance of the Seep Ridge Road by 1947, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Seep Ridge Road using public funds pursuant to the County's governmental right and authority.

12765. Witnesses with personal knowledge of the history of the Seep Ridge Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12766. Currently known reputation in the community is that the Seep Ridge Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12767. Public motor vehicle use of the Seep Ridge Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12768. The Seep Ridge Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12769. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Seep Ridge Road.

12770. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Seep Ridge Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Southam Cyn Road, 4170

12771. The Southam Canyon Road is designated as county road number 4170 and SGID road identification number RD242892 and is more or less 12.2 miles long.

12772. Exhibit 7-19 (attached hereto and incorporated herein) contains certain information pertaining to the Southam Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12773. In this action, the State and County seek to quiet title to the public highway right-of-way for the Southam Canyon Road solely as it crosses United States public land as included

and specifically described in Exhibit 7-19. The Southam Canyon Road includes the segment of road specifically set forth in Exhibit 7-19 and as exists on the ground.

Acceptance of the Southam Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12774. The Southam Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12775. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Southam Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12776. The Southam Canyon Road appears on the Southam Canyon (1968) and Asphalt Wash (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12777. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12778. Witnesses with personal knowledge of the history of the Southam Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12779. Currently known reputation in the community is that the Southam Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12780. Public motor vehicle use of the Southam Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12781. The Southam Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12782. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Southam Canyon Road.

12783. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Southam Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

West Sand Wash Road, 4110

12784. The West Sand Wash Road is designated as county road number 4110 and SGID road identification number RD243280 and is more or less 13.3 miles long.

12785. Exhibit 7-20 (attached hereto and incorporated herein) contains certain information pertaining to the West Sand Wash Road including: a map depicting the road;

township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12786. In this action, the State and County seek to quiet title to the public highway right-of-way for the West Sand Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 7-20. The West Sand Wash Road includes the segment of road specifically set forth in Exhibit 7-20 and as exists on the ground.

Acceptance of the West Sand Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12787. The West Sand Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12788. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before June 23, 1957.

12789. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the West Sand Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12790. The West Sand Wash Road appears on the Big Pack MTN NE (1968) and Big Pack MTN SE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use,

and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12791. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

12792. Witnesses with personal knowledge of the history of the West Sand Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

12793. Currently known reputation in the community is that the West Sand Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12794. Public motor vehicle use of the West Sand Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12795. The West Sand Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12796. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the West Sand Wash Road.

12797. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the West Sand Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

112513H Road

12798. The 112513H Road is designated as county road number 112513H and SGID road identification number RD245279 and is more or less 2.1 miles long.

12799. Exhibit 7-21 (attached hereto and incorporated herein) contains certain information pertaining to the 112513H Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12800. In this action, the State and County seek to quiet title to the public highway right-of-way for the 112513H Road solely as it crosses United States public land as included and specifically described in Exhibit 7-21. The 112513H Road includes the segment of road specifically set forth in Exhibit 7-21 and as exists on the ground.

Acceptance of the 112513H Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12801. The 112513H Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12802. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 112513H Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12803. The 112513H Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 112513H Road pursuant to the County's governmental right and authority.

12804. Witnesses with personal knowledge of the history of the 112513H Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 112513H Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12805. Public motor vehicle use of the 112513H Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12806. The 112513H Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12807. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 112513H Road.

12808. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 112513H Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

112525E Road

12809. The 112525E Road is designated as county road number 112525E and SGID road identification number RD245280 and is more or less 1.6 miles long.

12810. Exhibit 7-22 (attached hereto and incorporated herein) contains certain information pertaining to the 112525E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12811. In this action, the State and County seek to quiet title to the public highway right-of-way for the 112525E Road solely as it crosses United States public land as included and specifically described in Exhibit 7-22. The 112525E Road includes the segment of road specifically set forth in Exhibit 7-22 and as exists on the ground.

Acceptance of the 112525E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12812. The 112525E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12813. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 112525E Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12814. The 112525E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 112525E Road pursuant to the County's governmental right and authority.

12815. Witnesses with personal knowledge of the history of the 112525E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 112525E Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12816. Public motor vehicle use of the 112525E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12817. The 112525E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12818. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 112525E Road.

12819. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 112525E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

140201 Road

12820. The 140201 Road is designated as county road number 140201 and SGID road identification number RD245458 and is more or less 0.6 miles long.

12821. Exhibit 7-23 (attached hereto and incorporated herein) contains certain information pertaining to the 140201 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12822. In this action, the State and County seek to quiet title to the public highway right-of-way for the 140201 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-23. The 140201 Road includes the segment of road specifically set forth in Exhibit 7-23 and as exists on the ground.

Acceptance of the 140201 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12823. The 140201 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12824. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 140201 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12825. The 140201 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 140201 Road pursuant to the County's governmental right and authority.

12826. Witnesses with personal knowledge of the history of the 140201 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 140201 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12827. Public motor vehicle use of the 140201 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12828. The 140201 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12829. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 140201 Road.

12830. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 140201 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Airstrip Road, 080903

12831. The Airstrip Road is designated as county road number 080903 and SGID road identification number RD245053 and is more or less 1.1 miles long.

12832. Exhibit 7-24 (attached hereto and incorporated herein) contains certain information pertaining to the Airstrip Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12833. In this action, the State and County seek to quiet title to the public highway right-of-way for the Airstrip Road solely as it crosses United States public land as included and specifically described in Exhibit 7-24. The Airstrip Road includes the segment of road specifically set forth in Exhibit 7-24 and as exists on the ground.

Acceptance of the Airstrip Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12834. The Airstrip Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12835. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Airstrip Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12836. The Airstrip Road appears on the Weaver Ridge (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12837. The Airstrip Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Airstrip Road pursuant to the County's governmental right and authority.

12838. Witnesses with personal knowledge of the history of the Airstrip Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Airstrip Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12839. Public motor vehicle use of the Airstrip Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12840. The Airstrip Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12841. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Airstrip Road.

12842. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Airstrip Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Bates Knolls Road, 0203

12843. The Bates Knolls Road is designated as county road number 0203 and SGID road identification number RD244167 and is more or less 7.7 miles long.

12844. Exhibit 7-25 (attached hereto and incorporated herein) contains certain information pertaining to the Bates Knolls Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12845. In this action, the State and County seek to quiet title to the public highway right-of-way for the Bates Knolls Road solely as it crosses United States public land as included and specifically described in Exhibit 7-25. The Bates Knolls Road includes the segment of road specifically set forth in Exhibit 7-25 and as exists on the ground.

Acceptance of the Bates Knolls Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12846. The Bates Knolls Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12847. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Bates Knolls Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12848. The Bates Knolls Road appears on the Buck Camp Canyon (1968) and Bates Knolls (1966) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12849. The Bates Knolls Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Bates Knolls Road pursuant to the County's governmental right and authority.

12850. Witnesses with personal knowledge of the history of the Bates Knolls Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Bates Knolls Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12851. Public motor vehicle use of the Bates Knolls Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12852. The Bates Knolls Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12853. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Bates Knolls Road.

12854. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Bates Knolls Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Hells Hole Canyon Road, 080901

12855. The Hells Hole Canyon Road is designated as county road number 080901 and SGID road identification number RD245051 and is more or less 2.9 miles long.

12856. Exhibit 7-26 (attached hereto and incorporated herein) contains certain information pertaining to the Hells Hole Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12857. In this action, the State and County seek to quiet title to the public highway right-of-way for the Hells Hole Canyon Road solely as it crosses United States public land as included

and specifically described in Exhibit 7-26. The Hells Hole Canyon Road includes the segment of road specifically set forth in Exhibit 7-26 and as exists on the ground.

Acceptance of the Hells Hole Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12858. The Hells Hole Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12859. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Hells Hole Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12860. The Hells Hole Canyon Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Hells Hole Canyon Road pursuant to the County's governmental right and authority.

12861. Witnesses with personal knowledge of the history of the Hells Hole Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Hells Hole Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12862. Public motor vehicle use of the Hells Hole Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for

a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12863. The Hells Hole Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12864. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Hells Hole Canyon Road.

12865. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Hells Hole Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Hells Hole Canyon Road, 0809

12866. The Hells Hole Canyon Road is designated as county road number 0809 and SGID road identification number RD245050 and is more or less 6.5 miles long.

12867. Exhibit 7-27 (attached hereto and incorporated herein) contains certain information pertaining to the Hells Hole Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12868. In this action, the State and County seek to quiet title to the public highway right-of-way for the Hells Hole Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 7-27. The Hells Hole Canyon Road includes the segment of road specifically set forth in Exhibit 7-27 and as exists on the ground.

Acceptance of the Hells Hole Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12869. The Hells Hole Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12870. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Hells Hole Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12871. The Hells Hole Canyon Road appears on the Weaver Ridge (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12872. The Hells Hole Canyon Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Hells Hole Canyon Road pursuant to the County's governmental right and authority.

12873. Witnesses with personal knowledge of the history of the Hells Hole Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21,

1976. Currently known reputation in the community is that the Hells Hole Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12874. Public motor vehicle use of the Hells Hole Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12875. The Hells Hole Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12876. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Hells Hole Canyon Road.

12877. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Hells Hole Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Nelmas Short Cut Road, 1402

12878. The Nelmas Short Cut Road is designated as county road number 1402 and SGID road identification number RD245457 and is more or less 4.5 miles long.

12879. Exhibit 7-28 (attached hereto and incorporated herein) contains certain information pertaining to the Nelmas Short Cut Road including: a map depicting the road;

township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12880. In this action, the State and County seek to quiet title to the public highway right-of-way for the Nelmas Short Cut Road solely as it crosses United States public land as included and specifically described in Exhibit 7-28. The Nelmas Short Cut Road includes the segment of road specifically set forth in Exhibit 7-28 and as exists on the ground.

Acceptance of the Nelmas Short Cut Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12881. The Nelmas Short Cut Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12882. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Nelmas Short Cut Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12883. The Nelmas Short Cut Road appears on the Southam Canyon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12884. The Nelmas Short Cut Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Nelmas Short Cut Road pursuant to the County's governmental right and authority.

12885. Witnesses with personal knowledge of the history of the Nelmas Short Cut Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Nelmas Short Cut Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12886. Public motor vehicle use of the Nelmas Short Cut Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12887. The Nelmas Short Cut Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12888. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Nelmas Short Cut Road.

12889. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Nelmas Short Cut Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Blind Canyon Road, 0215

12890. The Blind Canyon Road is designated as county road number 0215 and SGID road identification number RD244230 and is more or less 1.7 miles long.

12891. Exhibit 7-29 (attached hereto and incorporated herein) contains certain information pertaining to the Blind Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12892. In this action, the State and County seek to quiet title to the public highway right-of-way for the Blind Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 7-29. The Blind Canyon Road includes the segment of road specifically set forth in Exhibit 7-29 and as exists on the ground.

Acceptance of the Blind Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12893. The Blind Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12894. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Blind Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12895. The Blind Canyon Road appears on the Dragon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12896. The Blind Canyon Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Blind Canyon Road pursuant to the County's governmental right and authority.

12897. Witnesses with personal knowledge of the history of the Blind Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Blind Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12898. Public motor vehicle use of the Blind Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12899. The Blind Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12900. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Blind Canyon Road.

12901. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Blind Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Buck Canyon Field Road, 0230

12902. The Buck Canyon Field Road is designated as county road number 0230 and SGID road identification number RD244415 and is more or less 5.3 miles long.

12903. Exhibit 7-30 (attached hereto and incorporated herein) contains certain information pertaining to the Buck Canyon Field Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12904. In this action, the State and County seek to quiet title to the public highway right-of-way for the Buck Canyon Field Road solely as it crosses United States public land as included and specifically described in Exhibit 7-30. The Buck Canyon Field Road includes the segment of road specifically set forth in Exhibit 7-30 and as exists on the ground.

Acceptance of the Buck Canyon Field Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12905. The Buck Canyon Field Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state

lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12906. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Buck Canyon Field Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12907. The Buck Canyon Field Road appears on the Big Pack MTN SE (1968) and Agency Draw NE (1966) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12908. The Buck Canyon Field Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Buck Canyon Field Road pursuant to the County's governmental right and authority.

12909. Witnesses with personal knowledge of the history of the Buck Canyon Field Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Buck Canyon Field Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12910. Public motor vehicle use of the Buck Canyon Field Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for

a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12911. The Buck Canyon Field Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12912. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Buck Canyon Field Road.

12913. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Buck Canyon Field Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Bull Moose Road, 0232

12914. The Bull Moose Road is designated as county road number 0232 and SGID road identification number RD244427 and is more or less 1.9 miles long.

12915. Exhibit 7-31 (attached hereto and incorporated herein) contains certain information pertaining to the Bull Moose Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12916. In this action, the State and County seek to quiet title to the public highway right-of-way for the Bull Moose Road solely as it crosses United States public land as included and specifically described in Exhibit 7-31. The Bull Moose Road includes the segment of road specifically set forth in Exhibit 7-31 and as exists on the ground.

Acceptance of the Bull Moose Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12917. The Bull Moose Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12918. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Bull Moose Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12919. The Bull Moose Road appears on the Southam Canyon (1968) and Weaver Ridge (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12920. The Bull Moose Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Bull Moose Road pursuant to the County's governmental right and authority.

12921. Witnesses with personal knowledge of the history of the Bull Moose Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21,

1976. Currently known reputation in the community is that the Bull Moose Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12922. Public motor vehicle use of the Bull Moose Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12923. The Bull Moose Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12924. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Bull Moose Road.

12925. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Bull Moose Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

East Sand Wash Road, 0510

12926. The East Sand Wash Road is designated as county road number 0510 and SGID road identification number RD244876 and is more or less 2.9 miles long.

12927. Exhibit 7-32 (attached hereto and incorporated herein) contains certain information pertaining to the East Sand Wash Road including: a map depicting the road;

township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12928. In this action, the State and County seek to quiet title to the public highway right-of-way for the East Sand Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 7-32. The East Sand Wash Road includes the segment of road specifically set forth in Exhibit 7-32 and as exists on the ground.

Acceptance of the East Sand Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12929. The East Sand Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12930. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the East Sand Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12931. The East Sand Wash Road appears on the Bates Knolls (1966) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12932. The East Sand Wash Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the East Sand Wash Road pursuant to the County's governmental right and authority.

12933. Witnesses with personal knowledge of the history of the East Sand Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a

continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the East Sand Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12934. Public motor vehicle use of the East Sand Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12935. The East Sand Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12936. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the East Sand Wash Road.

12937. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the East Sand Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Oil Springs Road, 1505

12938. The Oil Springs Road is designated as county road number 1505 and SGID road identification number RD245518 and is more or less 10.4 miles long.

12939. Exhibit 7-33 (attached hereto and incorporated herein) contains certain information pertaining to the Oil Springs Road including: a map depicting the road; township,

range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12940. In this action, the State and County seek to quiet title to the public highway right-of-way for the Oil Springs Road solely as it crosses United States public land as included and specifically described in Exhibit 7-33. The Oil Springs Road includes the segment of road specifically set forth in Exhibit 7-33 and as exists on the ground.

Acceptance of the Oil Springs Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12941. The Oil Springs Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

12942. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Oil Springs Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12943. The Oil Springs Road appears on the Archy Bench SE (1968) and Cooper Canyon (1966) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12944. The Oil Springs Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Oil Springs Road pursuant to the County's governmental right and authority.

12945. Witnesses with personal knowledge of the history of the Oil Springs Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Oil Springs Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12946. Public motor vehicle use of the Oil Springs Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12947. The Oil Springs Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12948. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Oil Springs Road.

12949. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Oil Springs Road on lands owned by the United States as described herein

and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

010604 Road

12950. The 010604 Road is designated as county road number 010604 and SGID road identification number RD244028 and is more or less 1.5 miles long.

12951. Exhibit 7-34 (attached hereto and incorporated herein) contains certain information pertaining to the 010604 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12952. In this action, the State and County seek to quiet title to the public highway right-of-way for the 010604 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-34. The 010604 Road includes the segment of road specifically set forth in Exhibit 7-34 and as exists on the ground.

Acceptance of the 010604 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12953. The 010604 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12954. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 010604 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12955. The 010604 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the 010604 Road pursuant to the County's governmental right and authority.

12956. Witnesses with personal knowledge of the history of the 010604 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 010604 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12957. Public motor vehicle use of the 010604 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12958. The 010604 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12959. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 010604 Road.

12960. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 010604 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

042101 Road

12961. The 042101 Road is designated as county road number 042101 and SGID road identification number RD244838 and is more or less 1.5 miles long.

12962. Exhibit 7-35 (attached hereto and incorporated herein) contains certain information pertaining to the 042101 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12963. In this action, the State and County seek to quiet title to the public highway right-of-way for the 042101 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-35. The 042101 Road includes the segment of road specifically set forth in Exhibit 7-35 and as exists on the ground.

Acceptance of the 042101 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12964. The 042101 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12965. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 042101 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12966. The 042101 Road appears on the Weaver Ridge (1968) and USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

12967. The 042101 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 042101 Road pursuant to the County's governmental right and authority.

12968. Witnesses with personal knowledge of the history of the 042101 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 042101 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12969. Public motor vehicle use of the 042101 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12970. The 042101 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12971. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 042101 Road.

12972. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 042101 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

102420C Road

12973. The 102420C Road is designated as county road number 102420C and SGID road identification number RD245236 and is more or less 0.7 miles long.

12974. Exhibit 7-36 (attached hereto and incorporated herein) contains certain information pertaining to the 102420C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12975. In this action, the State and County seek to quiet title to the public highway right-of-way for the 102420C Road solely as it crosses United States public land as included and specifically described in Exhibit 7-36. The 102420C Road includes the segment of road specifically set forth in Exhibit 7-36 and as exists on the ground.

Acceptance of the 102420C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12976. The 102420C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12977. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 102420C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12978. The 102420C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 102420C Road pursuant to the County's governmental right and authority.

12979. Witnesses with personal knowledge of the history of the 102420C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 102420C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12980. Public motor vehicle use of the 102420C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12981. The 102420C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12982. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 102420C Road.

12983. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 102420C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

102420M Road

12984. The 102420M Road is designated as county road number 102420M and SGID road identification number RD245237 and is more or less 0.3 miles long.

12985. Exhibit 7-37 (attached hereto and incorporated herein) contains certain information pertaining to the 102420M Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12986. In this action, the State and County seek to quiet title to the public highway right-of-way for the 102420M Road solely as it crosses United States public land as included and specifically described in Exhibit 7-37. The 102420M Road includes the segment of road specifically set forth in Exhibit 7-37 and as exists on the ground.

Acceptance of the 102420M Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12987. The 102420M Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12988. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 102420M Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

12989. The 102420M Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 102420M Road pursuant to the County's governmental right and authority.

12990. Witnesses with personal knowledge of the history of the 102420M Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 102420M Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

12991. Public motor vehicle use of the 102420M Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

12992. The 102420M Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

12993. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 102420M Road.

12994. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 102420M Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

102520J Road

12995. The 102520J Road is designated as county road number 102520J and SGID road identification number RD245238 and is more or less 2.4 miles long.

12996. Exhibit 7-38 (attached hereto and incorporated herein) contains certain information pertaining to the 102520J Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

12997. In this action, the State and County seek to quiet title to the public highway right-of-way for the 102520J Road solely as it crosses United States public land as included and specifically described in Exhibit 7-38. The 102520J Road includes the segment of road specifically set forth in Exhibit 7-38 and as exists on the ground.

Acceptance of the 102520J Road R.S. 2477 Right-of-way Prior to October 21, 1976.

12998. The 102520J Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

12999. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 102520J Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13000. The 102520J Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 102520J Road pursuant to the County's governmental right and authority.

13001. Witnesses with personal knowledge of the history of the 102520J Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 102520J Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13002. Public motor vehicle use of the 102520J Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13003. The 102520J Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13004. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 102520J Road.

13005. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 102520J Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

102520P Road

13006. The 102520P Road is designated as county road number 102520P and SGID road identification number RD245239 and is more or less 0.6 miles long.

13007. Exhibit 7-39 (attached hereto and incorporated herein) contains certain information pertaining to the 102520P Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13008. In this action, the State and County seek to quiet title to the public highway right-of-way for the 102520P Road solely as it crosses United States public land as included and

specifically described in Exhibit 7-39. The 102520P Road includes the segment of road specifically set forth in Exhibit 7-39 and as exists on the ground.

Acceptance of the 102520P Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13009. The 102520P Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13010. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 102520P Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13011. The 102520P Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 102520P Road pursuant to the County's governmental right and authority.

13012. Witnesses with personal knowledge of the history of the 102520P Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 102520P Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13013. Public motor vehicle use of the 102520P Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13014. The 102520P Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13015. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 102520P Road.

13016. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 102520P Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

102528E Road

13017. The 102528E Road is designated as county road number 102528E and SGID road identification number RD245240 and is more or less 2.4 miles long.

13018. Exhibit 7-40 (attached hereto and incorporated herein) contains certain information pertaining to the 102528E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13019. In this action, the State and County seek to quiet title to the public highway right-of-way for the 102528E Road solely as it crosses United States public land as included and specifically described in Exhibit 7-40. The 102528E Road includes the segment of road specifically set forth in Exhibit 7-40 and as exists on the ground.

Acceptance of the 102528E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13020. The 102528E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13021. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 102528E Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13022. The 102528E Road appears on the Weaver Ridge (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13023. The 102528E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 102528E Road pursuant to the County's governmental right and authority.

13024. Witnesses with personal knowledge of the history of the 102528E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 102528E Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13025. Public motor vehicle use of the 102528E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13026. The 102528E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13027. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 102528E Road.

13028. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 102528E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

112311J Road

13029. The 112311J Road is designated as county road number 112311J and SGID road identification number RD245274 and is more or less 0.5 miles long.

13030. Exhibit 7-41 (attached hereto and incorporated herein) contains certain information pertaining to the 112311J Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13031. In this action, the State and County seek to quiet title to the public highway right-of-way for the 112311J Road solely as it crosses United States public land as included and specifically described in Exhibit 7-41. The 112311J Road includes the segment of road specifically set forth in Exhibit 7-41 and as exists on the ground.

Acceptance of the 112311J Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13032. The 112311J Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13033. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 112311J Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13034. The 112311J Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 112311J Road pursuant to the County's governmental right and authority.

13035. Witnesses with personal knowledge of the history of the 112311J Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 112311J Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13036. Public motor vehicle use of the 112311J Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13037. The 112311J Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13038. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 112311J Road.

13039. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 112311J Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

112313H Road

13040. The 112313H Road is designated as county road number 112313H and SGID road identification number RD245275 and is more or less 1.2 miles long.

13041. Exhibit 7-42 (attached hereto and incorporated herein) contains certain information pertaining to the 112313H Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13042. In this action, the State and County seek to quiet title to the public highway right-of-way for the 112313H Road solely as it crosses United States public land as included and specifically described in Exhibit 7-42. The 112313H Road includes the segment of road specifically set forth in Exhibit 7-42 and as exists on the ground.

Acceptance of the 112313H Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13043. The 112313H Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13044. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 112313H Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13045. The 112313H Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 112313H Road pursuant to the County's governmental right and authority.

13046. Witnesses with personal knowledge of the history of the 112313H Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 112313H Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13047. Public motor vehicle use of the 112313H Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13048. The 112313H Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13049. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 112313H Road.

13050. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 112313H Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

122304H Road

13051. The 122304H Road is designated as county road number 122304H and SGID road identification number RD245327 and is more or less 3.2 miles long.

13052. Exhibit 7-43 (attached hereto and incorporated herein) contains certain information pertaining to the 122304H Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13053. In this action, the State and County seek to quiet title to the public highway right-of-way for the 122304H Road solely as it crosses United States public land as included and specifically described in Exhibit 7-43. The 122304H Road includes the segment of road specifically set forth in Exhibit 7-43 and as exists on the ground.

Acceptance of the 122304H Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13054. The 122304H Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13055. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 122304H Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13056. The 122304H Road appears on the Archy Bench SE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13057. The 122304H Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 122304H Road pursuant to the County's governmental right and authority.

13058. Witnesses with personal knowledge of the history of the 122304H Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 122304H Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13059. Public motor vehicle use of the 122304H Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13060. The 122304H Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13061. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 122304H Road.

13062. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 122304H Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

180602 Road

13063. The 180602 Road is designated as county road number 180602 and SGID road identification number RD245979 and is more or less 1.9 miles long.

13064. Exhibit 7-44 (attached hereto and incorporated herein) contains certain information pertaining to the 180602 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13065. In this action, the State and County seek to quiet title to the public highway right-of-way for the 180602 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-44. The 180602 Road includes the segment of road specifically set forth in Exhibit 7-44 and as exists on the ground.

Acceptance of the 180602 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13066. The 180602 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13067. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 180602 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13068. The 180602 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 180602 Road pursuant to the County's governmental right and authority.

13069. Witnesses with personal knowledge of the history of the 180602 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 180602 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13070. Public motor vehicle use of the 180602 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13071. The 180602 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13072. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 180602 Road.

13073. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 180602 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182302 Road

13074. The 182302 Road is designated as county road number 182302 and SGID road identification number RD246143 and is more or less 2.4 miles long.

13075. Exhibit 7-45 (attached hereto and incorporated herein) contains certain information pertaining to the 182302 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13076. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182302 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-45. The 182302 Road includes the segment of road specifically set forth in Exhibit 7-45 and as exists on the ground.

Acceptance of the 182302 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13077. The 182302 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13078. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182302 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13079. The 182302 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182302 Road pursuant to the County's governmental right and authority.

13080. Witnesses with personal knowledge of the history of the 182302 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182302 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13081. Public motor vehicle use of the 182302 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13082. The 182302 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13083. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182302 Road.

13084. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182302 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

182302A Road

13085. The 182302A Road is designated as county road number 182302A and SGID road identification number RD246144 and is more or less 0.6 miles long.

13086. Exhibit 7-46 (attached hereto and incorporated herein) contains certain information pertaining to the 182302A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13087. In this action, the State and County seek to quiet title to the public highway right-of-way for the 182302A Road solely as it crosses United States public land as included and specifically described in Exhibit 7-46. The 182302A Road includes the segment of road specifically set forth in Exhibit 7-46 and as exists on the ground.

Acceptance of the 182302A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13088. The 182302A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13089. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 182302A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13090. The 182302A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 182302A Road pursuant to the County's governmental right and authority.

13091. Witnesses with personal knowledge of the history of the 182302A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 182302A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13092. Public motor vehicle use of the 182302A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13093. The 182302A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13094. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 182302A Road.

13095. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 182302A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020302 Road

13096. The 020302 Road is designated as county road number 020302 and SGID road identification number RD244169 and is more or less 0.6 miles long.

13097. Exhibit 7-47 (attached hereto and incorporated herein) contains certain information pertaining to the 020302 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13098. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020302 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-47. The 020302 Road includes the segment of road specifically set forth in Exhibit 7-47 and as exists on the ground.

Acceptance of the 020302 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13099. The 020302 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13100. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 020302 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13101. The 020302 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020302 Road pursuant to the County's governmental right and authority.

13102. Witnesses with personal knowledge of the history of the 020302 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the 020302 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13103. Public motor vehicle use of the 020302 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13104. The 020302 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13105. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020302 Road.

13106. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020302 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

417001 Road

13107. The 417001 Road is designated as county road number 417001 and SGID road identification number RD246622 and is more or less 1.4 miles long.

13108. Exhibit 7-48 (attached hereto and incorporated herein) contains certain information pertaining to the 417001 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13109. In this action, the State and County seek to quiet title to the public highway right-of-way for the 417001 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-48. The 417001 Road includes the segment of road specifically set forth in Exhibit 7-48 and as exists on the ground.

Acceptance of the 417001 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13110. The 417001 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13111. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 417001 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13112. The 417001 Road appears on the Southam Canyon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13113. The 417001 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 417001 Road pursuant to the County's governmental right and authority.

13114. Witnesses with personal knowledge of the history of the 417001 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 417001 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13115. Public motor vehicle use of the 417001 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13116. The 417001 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13117. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 417001 Road.

13118. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 417001 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

East Bench Road, 4130D

13119. The East Bench Road is designated as county road number 4130D and SGID road identification number RD246620 and is more or less 7.3 miles long.

13120. Exhibit 7-49 (attached hereto and incorporated herein) contains certain information pertaining to the East Bench Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13121. In this action, the State and County seek to quiet title to the public highway right-of-way for the East Bench Road solely as it crosses United States public land as included and specifically described in Exhibit 7-49. The East Bench Road includes the segment of road specifically set forth in Exhibit 7-49 and as exists on the ground.

Acceptance of the East Bench Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13122. The East Bench Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

13123. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the East Bench Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13124. The East Bench Road appears on the Bates Knolls (1966) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13125. The East Bench Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by

managing, maintaining, or improving the East Bench Road pursuant to the County's governmental right and authority.

13126. Witnesses with personal knowledge of the history of the East Bench Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the East Bench Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13127. Public motor vehicle use of the East Bench Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13128. The East Bench Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13129. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the East Bench Road.

13130. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the East Bench Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Ho Chi Rim Road, 0810

13131. The Ho Chi Rim Road is designated as county road number 0810 and SGID road identification number RD245054 and is more or less 2.9 miles long.

13132. Exhibit 7-50 (attached hereto and incorporated herein) contains certain information pertaining to the Ho Chi Rim Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13133. In this action, the State and County seek to quiet title to the public highway right-of-way for the Ho Chi Rim Road solely as it crosses United States public land as included and specifically described in Exhibit 7-50. The Ho Chi Rim Road includes the segment of road specifically set forth in Exhibit 7-50 and as exists on the ground.

Acceptance of the Ho Chi Rim Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13134. The Ho Chi Rim Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

13135. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Ho Chi Rim Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13136. The Ho Chi Rim Road appears on the Archy Bench SE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13137. The Ho Chi Rim Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Ho Chi Rim Road pursuant to the County's governmental right and authority.

13138. Witnesses with personal knowledge of the history of the Ho Chi Rim Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Ho Chi Rim Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13139. Public motor vehicle use of the Ho Chi Rim Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13140. The Ho Chi Rim Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13141. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Ho Chi Rim Road.

13142. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Ho Chi Rim Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Izentrouble Wash Road, 050105

13143. The Izentrouble Wash Road is designated as county road number 050105 and SGID road identification number RD244854 and is more or less 2.6 miles long.

13144. Exhibit 7-51 (attached hereto and incorporated herein) contains certain information pertaining to the Izentrouble Wash Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13145. In this action, the State and County seek to quiet title to the public highway right-of-way for the Izentrouble Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 7-51. The Izentrouble Wash Road includes the segment of road specifically set forth in Exhibit 7-51 and as exists on the ground.

Acceptance of the Izentrouble Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13146. The Izentrouble Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13147. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Izentrouble Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13148. The Izentrouble Wash Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Izentrouble Wash Road pursuant to the County's governmental right and authority.

13149. Witnesses with personal knowledge of the history of the Izentrouble Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Izentrouble Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13150. Public motor vehicle use of the Izentrouble Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13151. The Izentrouble Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13152. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Izentrouble Wash Road.

13153. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Izentrouble Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Liam's Pass Road, 020911

13154. The Liam's Pass Road is designated as county road number 020911 and SGID road identification number RD244219 and is more or less 3.5 miles long.

13155. Exhibit 7-52 (attached hereto and incorporated herein) contains certain information pertaining to the Liam's Pass Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13156. In this action, the State and County seek to quiet title to the public highway right-of-way for the Liam's Pass Road solely as it crosses United States public land as included and specifically described in Exhibit 7-52. The Liam's Pass Road includes the segment of road specifically set forth in Exhibit 7-52 and as exists on the ground.

Acceptance of the Liam's Pass Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13157. The Liam's Pass Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of

Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

13158. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Liam's Pass Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13159. The Liam's Pass Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Liam's Pass Road pursuant to the County's governmental right and authority.

13160. Witnesses with personal knowledge of the history of the Liam's Pass Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Liam's Pass Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13161. Public motor vehicle use of the Liam's Pass Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13162. The Liam's Pass Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13163. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Liam's Pass Road.

13164. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Liam's Pass Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Park View Loop Road, 050202

13165. The Park View Loop Road is designated as county road number 050202 and SGID road identification number RD244856 and is more or less 4.2 miles long.

13166. Exhibit 7-53 (attached hereto and incorporated herein) contains certain information pertaining to the Park View Loop Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13167. In this action, the State and County seek to quiet title to the public highway right-of-way for the Park View Loop Road solely as it crosses United States public land as included and specifically described in Exhibit 7-53. The Park View Loop Road includes the segment of road specifically set forth in Exhibit 7-53 and as exists on the ground.

Acceptance of the Park View Loop Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13168. The Park View Loop Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13169. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Park View Loop Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13170. The Park View Loop Road appears on the Rainbow (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13171. The Park View Loop Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Park View Loop Road pursuant to the County's governmental right and authority.

13172. Witnesses with personal knowledge of the history of the Park View Loop Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Park View Loop Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13173. Public motor vehicle use of the Park View Loop Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for

a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13174. The Park View Loop Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13175. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Park View Loop Road.

13176. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Park View Loop Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Pot Belly Road, 050201

13177. The Pot Belly Road is designated as county road number 050201 and SGID road identification number RD244855 and is more or less 6.3 miles long.

13178. Exhibit 7-54 (attached hereto and incorporated herein) contains certain information pertaining to the Pot Belly Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13179. In this action, the State and County seek to quiet title to the public highway right-of-way for the Pot Belly Road solely as it crosses United States public land as included and specifically described in Exhibit 7-54. The Pot Belly Road includes the segment of road specifically set forth in Exhibit 7-54 and as exists on the ground.

Acceptance of the Pot Belly Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13180. The Pot Belly Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

13181. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Pot Belly Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13182. The Pot Belly Road appears on the Rainbow (1968) and Southam Canyon (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13183. The Pot Belly Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Pot Belly Road pursuant to the County's governmental right and authority.

13184. Witnesses with personal knowledge of the history of the Pot Belly Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently

known reputation in the community is that the Pot Belly Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13185. Public motor vehicle use of the Pot Belly Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13186. The Pot Belly Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13187. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Pot Belly Road.

13188. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Pot Belly Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Repentance Road, 1731

13189. The Repentance Road is designated as county road number 1731 and SGID road identification number RD245962 and is more or less 1.5 miles long.

13190. Exhibit 7-55 (attached hereto and incorporated herein) contains certain information pertaining to the Repentance Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13191. In this action, the State and County seek to quiet title to the public highway right-of-way for the Repentance Road solely as it crosses United States public land as included and specifically described in Exhibit 7-55. The Repentance Road includes the segment of road specifically set forth in Exhibit 7-55 and as exists on the ground.

Acceptance of the Repentance Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13192. The Repentance Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13193. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Repentance Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13194. The Repentance Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Repentance Road pursuant to the County's governmental right and authority.

13195. Witnesses with personal knowledge of the history of the Repentance Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Repentance Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13196. Public motor vehicle use of the Repentance Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13197. The Repentance Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13198. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Repentance Road.

13199. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Repentance Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Rock House Cutoff Road, 1721

13200. The Rock House Cutoff Road is designated as county road number 1721 and SGID road identification number RD245947 and is more or less 1.4 miles long.

13201. Exhibit 7-56 (attached hereto and incorporated herein) contains certain information pertaining to the Rock House Cutoff Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13202. In this action, the State and County seek to quiet title to the public highway right-of-way for the Rock House Cutoff Road solely as it crosses United States public land as included

and specifically described in Exhibit 7-56. The Rock House Cutoff Road includes the segment of road specifically set forth in Exhibit 7-56 and as exists on the ground.

Acceptance of the Rock House Cutoff Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13203. The Rock House Cutoff Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

13204. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Rock House Cutoff Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13205. The Rock House Cutoff Road appears on the Archy Bench SE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13206. The Rock House Cutoff Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Rock House Cutoff Road pursuant to the County's governmental right and authority.

13207. Witnesses with personal knowledge of the history of the Rock House Cutoff Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Rock House Cutoff Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13208. Public motor vehicle use of the Rock House Cutoff Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13209. The Rock House Cutoff Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13210. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Rock House Cutoff Road.

13211. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Rock House Cutoff Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Rock House Loop Road, 1722

13212. The Rock House Loop Road is designated as county road number 1722 and SGID road identification number RD245948 and is more or less 2.3 miles long.

13213. Exhibit 7-57 (attached hereto and incorporated herein) contains certain information pertaining to the Rock House Loop Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13214. In this action, the State and County seek to quiet title to the public highway right-of-way for the Rock House Loop Road solely as it crosses United States public land as included and specifically described in Exhibit 7-57. The Rock House Loop Road includes the segment of road specifically set forth in Exhibit 7-57 and as exists on the ground.

Acceptance of the Rock House Loop Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13215. The Rock House Loop Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13216. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Rock House Loop Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13217. The Rock House Loop Road appears on the Asphalt Wash (1968) and Archy Bench SE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13218. The Rock House Loop Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-

way by managing, maintaining, or improving the Rock House Loop Road pursuant to the County's governmental right and authority.

13219. Witnesses with personal knowledge of the history of the Rock House Loop Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Rock House Loop Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13220. Public motor vehicle use of the Rock House Loop Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13221. The Rock House Loop Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13222. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Rock House Loop Road.

13223. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Rock House Loop Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Watson - Rainbow Road, 2205

13224. The Watson - Rainbow Road is designated as county road number 2205 and SGID road identification number RD246398 and is more or less 2.6 miles long.

13225. Exhibit 7-58 (attached hereto and incorporated herein) contains certain information pertaining to the Watson - Rainbow Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13226. In this action, the State and County seek to quiet title to the public highway right-of-way for the Watson - Rainbow Road solely as it crosses United States public land as included and specifically described in Exhibit 7-58. The Watson - Rainbow Road includes the segment of road specifically set forth in Exhibit 7-58 and as exists on the ground.

Acceptance of the Watson - Rainbow Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13227. The Watson - Rainbow Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13228. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Watson - Rainbow Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13229. The Watson - Rainbow Road appears on the Rainbow (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13230. The Watson - Rainbow Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Watson - Rainbow Road pursuant to the County's governmental right and authority.

13231. Witnesses with personal knowledge of the history of the Watson - Rainbow Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Watson - Rainbow Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13232. Public motor vehicle use of the Watson - Rainbow Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13233. The Watson - Rainbow Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13234. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Watson - Rainbow Road.

13235. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Watson - Rainbow Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Weaver Canyon Road, 2225

13236. The Weaver Canyon Road is designated as county road number 2225 and SGID road identification number RD246593 and is more or less 5.3 miles long.

13237. Exhibit 7-59 (attached hereto and incorporated herein) contains certain information pertaining to the Weaver Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13238. In this action, the State and County seek to quiet title to the public highway right-of-way for the Weaver Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 7-59. The Weaver Canyon Road includes the segment of road specifically set forth in Exhibit 7-59 and as exists on the ground.

Acceptance of the Weaver Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13239. The Weaver Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13240. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Weaver Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13241. The Weaver Canyon Road appears on the Weaver Ridge (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13242. The Weaver Canyon Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Weaver Canyon Road pursuant to the County's governmental right and authority.

13243. Witnesses with personal knowledge of the history of the Weaver Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Weaver Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13244. Public motor vehicle use of the Weaver Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13245. The Weaver Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13246. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Weaver Canyon Road.

13247. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Weaver Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Weaver Ridge Road, 2206

13248. The Weaver Ridge Road is designated as county road number 2206 and SGID road identification number RD246400 and is more or less 5.8 miles long.

13249. Exhibit 7-60 (attached hereto and incorporated herein) contains certain information pertaining to the Weaver Ridge Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13250. In this action, the State and County seek to quiet title to the public highway right-of-way for the Weaver Ridge Road solely as it crosses United States public land as included and specifically described in Exhibit 7-60. The Weaver Ridge Road includes the segment of road specifically set forth in Exhibit 7-60 and as exists on the ground.

Acceptance of the Weaver Ridge Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13251. The Weaver Ridge Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13252. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Weaver Ridge Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13253. The Weaver Ridge Road appears on the Weaver Ridge (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13254. The Weaver Ridge Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Weaver Ridge Road pursuant to the County's governmental right and authority.

13255. Witnesses with personal knowledge of the history of the Weaver Ridge Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Weaver Ridge Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13256. Public motor vehicle use of the Weaver Ridge Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13257. The Weaver Ridge Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13258. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Weaver Ridge Road.

13259. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Weaver Ridge Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

West Sand Wash Road, 4110

13260. The West Sand Wash Road is designated as county road number 4110 and SGID road identification number RD246619 and is more or less 4.3 miles long.

13261. Exhibit 7-61 (attached hereto and incorporated herein) contains certain information pertaining to the West Sand Wash Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13262. In this action, the State and County seek to quiet title to the public highway right-of-way for the West Sand Wash Road solely as it crosses United States public land as included and specifically described in Exhibit 7-61. The West Sand Wash Road includes the segment of road specifically set forth in Exhibit 7-61 and as exists on the ground.

Acceptance of the West Sand Wash Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13263. The West Sand Wash Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands

including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

13264. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before June 23, 1957.

13265. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the West Sand Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13266. The West Sand Wash Road appears on the Big Pack MTN NE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13267. The West Sand Wash Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the West Sand Wash Road pursuant to the County's governmental right and authority.

13268. Witnesses with personal knowledge of the history of the West Sand Wash Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the West Sand Wash Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13269. Public motor vehicle use of the West Sand Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13270. The West Sand Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13271. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the West Sand Wash Road.

13272. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the West Sand Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

010605 Road

13273. The 010605 Road is designated as county road number 010605 and SGID road identification number RD244029 and is more or less 0.6 miles long.

13274. Exhibit 7-62 (attached hereto and incorporated herein) contains certain information pertaining to the 010605 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13275. In this action, the State and County seek to quiet title to the public highway right-of-way for the 010605 Road solely as it crosses United States public land as included and

specifically described in Exhibit 7-62. The 010605 Road includes the segment of road specifically set forth in Exhibit 7-62 and as exists on the ground.

Acceptance of the 010605 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13276. The 010605 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13277. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 010605 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13278. The 010605 Road appears on the Archy Bench SE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13279. The 010605 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 010605 Road pursuant to the County's governmental right and authority.

13280. Witnesses with personal knowledge of the history of the 010605 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 010605 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13281. Public motor vehicle use of the 010605 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13282. The 010605 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13283. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 010605 Road.

13284. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 010605 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

011003A Road

13285. The 011003A Road is designated as county road number 011003A and SGID road identification number RD244071 and is more or less 0.1 miles long.

13286. Exhibit 7-63 (attached hereto and incorporated herein) contains certain information pertaining to the 011003A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13287. In this action, the State and County seek to quiet title to the public highway right-of-way for the 011003A Road solely as it crosses United States public land as included and

specifically described in Exhibit 7-63. The 011003A Road includes the segment of road specifically set forth in Exhibit 7-63 and as exists on the ground.

Acceptance of the 011003A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13288. The 011003A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13289. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 011003A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13290. The 011003A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 011003A Road pursuant to the County's governmental right and authority.

13291. Witnesses with personal knowledge of the history of the 011003A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 011003A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13292. Public motor vehicle use of the 011003A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13293. The 011003A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13294. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 011003A Road.

13295. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 011003A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020301 Road

13296. The 020301 Road is designated as county road number 020301 and SGID road identification number RD244168 and is more or less 1 mile long.

13297. Exhibit 7-64 (attached hereto and incorporated herein) contains certain information pertaining to the 020301 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13298. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020301 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-64. The 020301 Road includes the segment of road specifically set forth in Exhibit 7-64 and as exists on the ground.

Acceptance of the 020301 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13299. The 020301 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

13300. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 020301 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13301. The 020301 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020301 Road pursuant to the County's governmental right and authority.

13302. Witnesses with personal knowledge of the history of the 020301 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 020301 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13303. Public motor vehicle use of the 020301 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13304. The 020301 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13305. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020301 Road.

13306. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020301 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020303 Road

13307. The 020303 Road is designated as county road number 020303 and SGID road identification number RD244170 and is more or less 0.9 miles long.

13308. Exhibit 7-65 (attached hereto and incorporated herein) contains certain information pertaining to the 020303 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13309. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020303 Road solely as it crosses United States public land as included and

specifically described in Exhibit 7-65. The 020303 Road includes the segment of road specifically set forth in Exhibit 7-65 and as exists on the ground.

Acceptance of the 020303 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13310. The 020303 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13311. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 020303 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13312. The 020303 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020303 Road pursuant to the County's governmental right and authority.

13313. Witnesses with personal knowledge of the history of the 020303 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 020303 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13314. Public motor vehicle use of the 020303 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13315. The 020303 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13316. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020303 Road.

13317. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020303 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020303A Road

13318. The 020303A Road is designated as county road number 020303A and SGID road identification number RD244171 and is more or less 1.4 miles long.

13319. Exhibit 7-66 (attached hereto and incorporated herein) contains certain information pertaining to the 020303A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13320. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020303A Road solely as it crosses United States public land as included and specifically described in Exhibit 7-66. The 020303A Road includes the segment of road specifically set forth in Exhibit 7-66 and as exists on the ground.

Acceptance of the 020303A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13321. The 020303A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13322. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 020303A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13323. The 020303A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020303A Road pursuant to the County's governmental right and authority.

13324. Witnesses with personal knowledge of the history of the 020303A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 020303A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13325. Public motor vehicle use of the 020303A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13326. The 020303A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13327. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020303A Road.

13328. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020303A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020910 Road

13329. The 020910 Road is designated as county road number 020910 and SGID road identification number RD244218 and is more or less 0.3 miles long.

13330. Exhibit 7-67 (attached hereto and incorporated herein) contains certain information pertaining to the 020910 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13331. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020910 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-67. The 020910 Road includes the segment of road specifically set forth in Exhibit 7-67 and as exists on the ground.

Acceptance of the 020910 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13332. The 020910 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13333. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 020910 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13334. The 020910 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020910 Road pursuant to the County's governmental right and authority.

13335. Witnesses with personal knowledge of the history of the 020910 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 020910 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13336. Public motor vehicle use of the 020910 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13337. The 020910 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13338. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020910 Road.

13339. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020910 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

020915 Road

13340. The 020915 Road is designated as county road number 020915 and SGID road identification number RD244223 and is more or less 0.5 miles long.

13341. Exhibit 7-68 (attached hereto and incorporated herein) contains certain information pertaining to the 020915 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13342. In this action, the State and County seek to quiet title to the public highway right-of-way for the 020915 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-68. The 020915 Road includes the segment of road specifically set forth in Exhibit 7-68 and as exists on the ground.

Acceptance of the 020915 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13343. The 020915 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

13344. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 020915 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13345. The 020915 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 020915 Road pursuant to the County's governmental right and authority.

13346. Witnesses with personal knowledge of the history of the 020915 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 020915 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13347. Public motor vehicle use of the 020915 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13348. The 020915 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13349. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 020915 Road.

13350. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 020915 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

110504 Road

13351. The 110504 Road is designated as county road number 110504 and SGID road identification number RD245259 and is more or less 1.6 miles long.

13352. Exhibit 7-69 (attached hereto and incorporated herein) contains certain information pertaining to the 110504 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13353. In this action, the State and County seek to quiet title to the public highway right-of-way for the 110504 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-69. The 110504 Road includes the segment of road specifically set forth in Exhibit 7-69 and as exists on the ground.

Acceptance of the 110504 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13354. The 110504 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

13355. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 110504 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13356. The 110504 Road appears on the Bates Knolls (1966) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13357. The 110504 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 110504 Road pursuant to the County's governmental right and authority.

13358. Witnesses with personal knowledge of the history of the 110504 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 110504 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13359. Public motor vehicle use of the 110504 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13360. The 110504 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13361. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 110504 Road.

13362. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 110504 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

110508 Road

13363. The 110508 Road is designated as county road number 110508 and SGID road identification number RD245264 and is more or less 2 miles long.

13364. Exhibit 7-70 (attached hereto and incorporated herein) contains certain information pertaining to the 110508 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13365. In this action, the State and County seek to quiet title to the public highway right-of-way for the 110508 Road solely as it crosses United States public land as included and

specifically described in Exhibit 7-70. The 110508 Road includes the segment of road specifically set forth in Exhibit 7-70 and as exists on the ground.

Acceptance of the 110508 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13366. The 110508 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

13367. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 110508 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13368. The 110508 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 110508 Road pursuant to the County's governmental right and authority.

13369. Witnesses with personal knowledge of the history of the 110508 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 110508 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13370. Public motor vehicle use of the 110508 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13371. The 110508 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13372. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 110508 Road.

13373. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 110508 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

110514 Road

13374. The 110514 Road is designated as county road number 110514 and SGID road identification number RD245266 and is more or less 0.7 miles long.

13375. Exhibit 7-71 (attached hereto and incorporated herein) contains certain information pertaining to the 110514 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13376. In this action, the State and County seek to quiet title to the public highway right-of-way for the 110514 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-71. The 110514 Road includes the segment of road specifically set forth in Exhibit 7-71 and as exists on the ground.

Acceptance of the 110514 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13377. The 110514 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13378. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 110514 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13379. The 110514 Road appears on the Rainbow (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13380. The 110514 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 110514 Road pursuant to the County's governmental right and authority.

13381. Witnesses with personal knowledge of the history of the 110514 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 110514 Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13382. Public motor vehicle use of the 110514 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13383. The 110514 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13384. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 110514 Road.

13385. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 110514 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

112314A Road

13386. The 112314A Road is designated as county road number 112314A and SGID road identification number RD245276 and is more or less 0.3 miles long.

13387. Exhibit 7-72 (attached hereto and incorporated herein) contains certain information pertaining to the 112314A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13388. In this action, the State and County seek to quiet title to the public highway right-of-way for the 112314A Road solely as it crosses United States public land as included and specifically described in Exhibit 7-72. The 112314A Road includes the segment of road specifically set forth in Exhibit 7-72 and as exists on the ground.

Acceptance of the 112314A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13389. The 112314A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13390. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 112314A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13391. The 112314A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 112314A Road pursuant to the County's governmental right and authority.

13392. Witnesses with personal knowledge of the history of the 112314A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 112314A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13393. Public motor vehicle use of the 112314A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13394. The 112314A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13395. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 112314A Road.

13396. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 112314A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

122223F Road

13397. The 122223F Road is designated as county road number 122223F and SGID road identification number RD245326 and is more or less 0.6 miles long.

13398. Exhibit 7-73 (attached hereto and incorporated herein) contains certain information pertaining to the 122223F Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13399. In this action, the State and County seek to quiet title to the public highway right-of-way for the 122223F Road solely as it crosses United States public land as included and

specifically described in Exhibit 7-73. The 122223F Road includes the segment of road specifically set forth in Exhibit 7-73 and as exists on the ground.

Acceptance of the 122223F Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13400. The 122223F Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13401. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 122223F Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13402. The 122223F Road appears on the Buck Camp Canyon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13403. The 122223F Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 122223F Road pursuant to the County's governmental right and authority.

13404. Witnesses with personal knowledge of the history of the 122223F Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 122223F Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13405. Public motor vehicle use of the 122223F Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13406. The 122223F Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13407. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 122223F Road.

13408. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 122223F Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

122319E Road

13409. The 122319E Road is designated as county road number 122319E and SGID road identification number RD245329 and is more or less 0.6 miles long.

13410. Exhibit 7-74 (attached hereto and incorporated herein) contains certain information pertaining to the 122319E Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13411. In this action, the State and County seek to quiet title to the public highway right-of-way for the 122319E Road solely as it crosses United States public land as included and

specifically described in Exhibit 7-74. The 122319E Road includes the segment of road specifically set forth in Exhibit 7-74 and as exists on the ground.

Acceptance of the 122319E Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13412. The 122319E Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13413. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 122319E Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13414. The 122319E Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 122319E Road pursuant to the County's governmental right and authority.

13415. Witnesses with personal knowledge of the history of the 122319E Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 122319E Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13416. Public motor vehicle use of the 122319E Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13417. The 122319E Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13418. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 122319E Road.

13419. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 122319E Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

122319J Road

13420. The 122319J Road is designated as county road number 122319J and SGID road identification number RD245330 and is more or less 0.6 miles long.

13421. Exhibit 7-75 (attached hereto and incorporated herein) contains certain information pertaining to the 122319J Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13422. In this action, the State and County seek to quiet title to the public highway right-of-way for the 122319J Road solely as it crosses United States public land as included and specifically described in Exhibit 7-75. The 122319J Road includes the segment of road specifically set forth in Exhibit 7-75 and as exists on the ground.

Acceptance of the 122319J Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13423. The 122319J Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13424. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 122319J Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13425. The 122319J Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 122319J Road pursuant to the County's governmental right and authority.

13426. Witnesses with personal knowledge of the history of the 122319J Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 122319J Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13427. Public motor vehicle use of the 122319J Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13428. The 122319J Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13429. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 122319J Road.

13430. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 122319J Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

132210C Road

13431. The 132210C Road is designated as county road number 132210C and SGID road identification number RD245447 and is more or less 0.2 miles long.

13432. Exhibit 7-76 (attached hereto and incorporated herein) contains certain information pertaining to the 132210C Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13433. In this action, the State and County seek to quiet title to the public highway right-of-way for the 132210C Road solely as it crosses United States public land as included and specifically described in Exhibit 7-76. The 132210C Road includes the segment of road specifically set forth in Exhibit 7-76 and as exists on the ground.

Acceptance of the 132210C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13434. The 132210C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13435. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 132210C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13436. The 132210C Road appears on the Bates Knolls (1966) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13437. The 132210C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 132210C Road pursuant to the County's governmental right and authority.

13438. Witnesses with personal knowledge of the history of the 132210C Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 132210C Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13439. Public motor vehicle use of the 132210C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13440. The 132210C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13441. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 132210C Road.

13442. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 132210C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150503 Road

13443. The 150503 Road is designated as county road number 150503 and SGID road identification number RD245523 and is more or less 0.8 miles long.

13444. Exhibit 7-77 (attached hereto and incorporated herein) contains certain information pertaining to the 150503 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13445. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150503 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-77. The 150503 Road includes the segment of road specifically set forth in Exhibit 7-77 and as exists on the ground.

Acceptance of the 150503 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13446. The 150503 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13447. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150503 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13448. The 150503 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150503 Road pursuant to the County's governmental right and authority.

13449. Witnesses with personal knowledge of the history of the 150503 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150503 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13450. Public motor vehicle use of the 150503 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13451. The 150503 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13452. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150503 Road.

13453. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150503 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

150504 Road

13454. The 150504 Road is designated as county road number 150504 and SGID road identification number RD245524 and is more or less 0.2 miles long.

13455. Exhibit 7-78 (attached hereto and incorporated herein) contains certain information pertaining to the 150504 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13456. In this action, the State and County seek to quiet title to the public highway right-of-way for the 150504 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-78. The 150504 Road includes the segment of road specifically set forth in Exhibit 7-78 and as exists on the ground.

Acceptance of the 150504 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13457. The 150504 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13458. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 150504 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13459. The 150504 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 150504 Road pursuant to the County's governmental right and authority.

13460. Witnesses with personal knowledge of the history of the 150504 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 150504 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13461. Public motor vehicle use of the 150504 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13462. The 150504 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13463. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 150504 Road.

13464. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 150504 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

151401 Road

13465. The 151401 Road is designated as county road number 151401 and SGID road identification number RD245614 and is more or less 1.5 miles long.

13466. Exhibit 7-79 (attached hereto and incorporated herein) contains certain information pertaining to the 151401 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13467. In this action, the State and County seek to quiet title to the public highway right-of-way for the 151401 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-79. The 151401 Road includes the segment of road specifically set forth in Exhibit 7-79 and as exists on the ground.

Acceptance of the 151401 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13468. The 151401 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13469. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 151401 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13470. The 151401 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 151401 Road pursuant to the County's governmental right and authority.

13471. Witnesses with personal knowledge of the history of the 151401 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 151401 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13472. Public motor vehicle use of the 151401 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13473. The 151401 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13474. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 151401 Road.

13475. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 151401 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

172201 Road

13476. The 172201 Road is designated as county road number 172201 and SGID road identification number RD245949 and is more or less 1 mile long.

13477. Exhibit 7-80 (attached hereto and incorporated herein) contains certain information pertaining to the 172201 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13478. In this action, the State and County seek to quiet title to the public highway right-of-way for the 172201 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-80. The 172201 Road includes the segment of road specifically set forth in Exhibit 7-80 and as exists on the ground.

Acceptance of the 172201 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13479. The 172201 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13480. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 172201 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13481. The 172201 Road appears on the Archy Bench SE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13482. The 172201 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 172201 Road pursuant to the County's governmental right and authority.

13483. Witnesses with personal knowledge of the history of the 172201 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 172201 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13484. Public motor vehicle use of the 172201 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13485. The 172201 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13486. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 172201 Road.

13487. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 172201 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

180201 Road

13488. The 180201 Road is designated as county road number 180201 and SGID road identification number RD245965 and is more or less 2.1 miles long.

13489. Exhibit 7-81 (attached hereto and incorporated herein) contains certain information pertaining to the 180201 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13490. In this action, the State and County seek to quiet title to the public highway right-of-way for the 180201 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-81. The 180201 Road includes the segment of road specifically set forth in Exhibit 7-81 and as exists on the ground.

Acceptance of the 180201 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13491. The 180201 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13492. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 180201 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13493. The 180201 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 180201 Road pursuant to the County's governmental right and authority.

13494. Witnesses with personal knowledge of the history of the 180201 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 180201 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

13495. Public motor vehicle use of the 180201 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13496. The 180201 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13497. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 180201 Road.

13498. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 180201 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

180614 Road

13499. The 180614 Road is designated as county road number 180614 and SGID road identification number RD245991 and is more or less 1.9 miles long.

13500. Exhibit 7-82 (attached hereto and incorporated herein) contains certain information pertaining to the 180614 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13501. In this action, the State and County seek to quiet title to the public highway right-of-way for the 180614 Road solely as it crosses United States public land as included and specifically described in Exhibit 7-82. The 180614 Road includes the segment of road specifically set forth in Exhibit 7-82 and as exists on the ground.

Acceptance of the 180614 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13502. The 180614 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

13503. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 180614 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13504. The 180614 Road appears on the Bates Knolls (1966) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.
