13791. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Lower Sand Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13792. The Lower Sand Wash Road appears on the Archy Bench (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13793. The Lower Sand Wash Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Lower Sand Wash Road pursuant to the County's governmental right and authority.

13794. Public motor vehicle use of the Lower Sand Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13795. The Lower Sand Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13796. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Lower Sand Wash Road.

13797. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Lower Sand Wash Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

070223F Road

13798. The 070223F Road is designated as county road number 070223F and SGID road identification number RD244953 and is more or less 1.6 miles long.

13799. Exhibit 7-109 (attached hereto and incorporated herein) contains certain information pertaining to the 070223F Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

13800. In this action, the State and County seek to quiet title to the public highway right-of-way for the 070223F Road solely as it crosses United States public land as included and specifically described in Exhibit 7-109. The 070223F Road includes the segment of road specifically set forth in Exhibit 7-109 and as exists on the ground.

Acceptance of the 070223F Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13801. The 070223F Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

13802. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 070223F Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13803. The 070223F Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 070223F Road pursuant to the County's governmental right and authority.

13804. Public motor vehicle use of the 070223F Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13805. The 070223F Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13806. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 070223F Road.

13807. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 070223F Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Pipeline Road includes the segment of road specifically set forth in Exhibit 7-117 and as exists on the ground.

Acceptance of the N.B. Pipeline Road R.S. 2477 Right-of-way Prior to October 21, 1976.

13887. The N.B. Pipeline Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands

including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

13888. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before June 25, 1973.

13889. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the N.B. Pipeline Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

13890. The N.B. Pipeline Road appears on the Big Pack MTN NE (1968) and Ouray SE (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

13891. The N.B. Pipeline Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the N.B. Pipeline Road pursuant to the County's governmental right and authority.

13892. Public motor vehicle use of the N.B. Pipeline Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

13893. The N.B. Pipeline Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

13894. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the N.B. Pipeline Road.

13895. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the N.B. Pipeline Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

14145. Each right-of-way claimed in the BC East Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

14146. All rights-of-way claimed in the BC East Cliff Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

14147. All rights-of-way claimed in the BC East Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

14148. Prior to October 21, 1976, the State of Utah, Uintah County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Atchee Ridge Road, 4270

14149. The Atchee Ridge Road is designated as county road number 4270 and SGID road identification number RD240334 and is more or less 20.9 miles long.

14150. Exhibit 8-1 (attached hereto and incorporated herein) contains certain information pertaining to the Atchee Ridge Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14151. In this action, the State and County seek to quiet title to the public highway right-of-way for the Atchee Ridge Road solely as it crosses United States public land as included and

specifically described in Exhibit 8-1. The Atchee Ridge Road includes the segment of road specifically set forth in Exhibit 8-1 and as exists on the ground

Acceptance of the Atchee Ridge Road R.S. 2477 Right-of-way Prior to October 21, 1976.

14152. The Atchee Ridge Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

14153. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Atchee Ridge Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14154. The Atchee Ridge Road appears on the Rainbow (1968), Burnt Timber Canyon (1966), Davis Canyon (1966) and Rat Hole Ridge (1966) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

14155. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

14156. Witnesses with personal knowledge of the history of the Atchee Ridge Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14157. Currently known reputation in the community is that the Atchee Ridge Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14158. Public motor vehicle use of the Atchee Ridge Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14159. The Atchee Ridge Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14160. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Atchee Ridge Road.

14161. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Atchee Ridge Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Big Park Road, 4330

14162. The Big Park Road is designated as county road number 4330 and SGID road identification number RD240493 and is more or less 22.9 miles long.

14163. Exhibit 8-2 (attached hereto and incorporated herein) contains certain information pertaining to the Big Park Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14164. In this action, the State and County seek to quiet title to the public highway right-of-way for the Big Park Road solely as it crosses United States public land as included and specifically described in Exhibit 8-2. The Big Park Road includes the segment of road specifically set forth in Exhibit 8-2 and as exists on the ground.

Acceptance of the Big Park Road R.S. 2477 Right-of-way Prior to October 21, 1976.

14165. The Big Park Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

14166. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Big Park Road as a public highway located on the

land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14167. The Big Park Road appears on the Archy Bench SE (1968), Cooper Canyon (1966) and Burnt Timber Canyon (1966) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

14168. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

14169. Witnesses with personal knowledge of the history of the Big Park Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14170. Currently known reputation in the community is that the Big Park Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14171. Public motor vehicle use of the Big Park Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14172. The Big Park Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14173. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Big Park Road.

14174. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Big Park Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Cooper Canyon Road, 4430

14175. The Cooper Canyon Road is designated as county road number 4430 and SGID road identification number RD240897 and is more or less 4.8 miles long.

14176. Exhibit 8-3 (attached hereto and incorporated herein) contains certain information pertaining to the Cooper Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14177. In this action, the State and County seek to quiet title to the public highway right-of-way for the Cooper Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 8-3. The Cooper Canyon Road includes the segment of road specifically set forth in Exhibit 8-3 and as exists on the ground.

Acceptance of the Cooper Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976.

14178. The Cooper Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

14179. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Cooper Canyon Road as a public highway located on

the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14180. The Cooper Canyon Road appears on the Cooper Canyon (1966) and Burnt Timber Canyon (1966) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

14181. The County confirmed its acceptance of the Cooper Canyon Road by 1970, when it designated and accepted the road as a County highway on the County's general highway map. *See* UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Cooper Canyon Road using public funds pursuant to the County's governmental right and authority.

14182. Witnesses with personal knowledge of the history of the Cooper Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14183. Currently known reputation in the community is that the Cooper Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14184. Public motor vehicle use of the Cooper Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for

a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14185. The Cooper Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14186. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Cooper Canyon Road.

14187. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Cooper Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

14219. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

14220. Witnesses with personal knowledge of the history of the Fullers Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14221. Currently known reputation in the community is that the Fullers Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14222. Public motor vehicle use of the Fullers Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14223. The Fullers Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14224. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Fullers Road.

14225. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Fullers Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Indian Ridge Road, 4510

14226. The Indian Ridge Road is designated as county road number 4510 and SGID road identification number RD241586 and is more or less 9.3 miles long.

14227. Exhibit 8-7 (attached hereto and incorporated herein) contains certain information pertaining to the Indian Ridge Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14228. In this action, the State and County seek to quiet title to the public highway right-of-way for the Indian Ridge Road solely as it crosses United States public land as included and specifically described in Exhibit 8-7. The Indian Ridge Road includes the segment of road specifically set forth in Exhibit 8-7 and as exists on the ground.

Acceptance of the Indian Ridge Road R.S. 2477 Right-of-way Prior to October 21, 1976.

14229. The Indian Ridge Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

14230. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Indian Ridge Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14231. The Indian Ridge Road appears on the Cooper Canyon (1966), Bates Knolls (1966) and Pine Spring Canyon (1966) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

14232. The County confirmed its acceptance of the Indian Ridge Road by 1963, when it designated and accepted the road as a County highway on the County's general highway map.

See UTAH CODE ANN. § 72-3-103(4) (2009). Thereafter, and prior to October 21, 1976, the County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Indian Ridge Road using public funds pursuant to the County's governmental right and authority.

14233. Witnesses with personal knowledge of the history of the Indian Ridge Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14234. Currently known reputation in the community is that the Indian Ridge Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14235. Public motor vehicle use of the Indian Ridge Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14236. The Indian Ridge Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14237. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Indian Ridge Road.

14238. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Indian Ridge Road on lands owned by the United States as described herein

and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

14633. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Black Horse Ridge East Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Bob Hope Loop Road, 0217

14634. The Bob Hope Loop Road is designated as county road number 0217 and SGID road identification number RD244257 and is more or less 7.3 miles long.

14635. Exhibit 8-39 (attached hereto and incorporated herein) contains certain information pertaining to the Bob Hope Loop Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

14636. In this action, the State and County seek to quiet title to the public highway right-of-way for the Bob Hope Loop Road solely as it crosses United States public land as included and specifically described in Exhibit 8-39. The Bob Hope Loop Road includes the segment of road specifically set forth in Exhibit 8-39 and as exists on the ground.

Acceptance of the Bob Hope Loop Road R.S. 2477 Right-of-way Prior to October 21, 1976.

14637. The Bob Hope Loop Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of

Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

14638. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Bob Hope Loop Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

14639. The Bob Hope Loop Road appears on the Archy Bench SE (1968) and Cooper Canyon (1966) USGS 7.5 minute quadrangle maps, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

14640. The Bob Hope Loop Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Bob Hope Loop Road pursuant to the County's governmental right and authority.

14641. Witnesses with personal knowledge of the history of the Bob Hope Loop Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

14642. Currently known reputation in the community is that the Bob Hope Loop Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

14643. Public motor vehicle use of the Bob Hope Loop Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

14644. The Bob Hope Loop Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

14645. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Bob Hope Loop Road.

14646. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Bob Hope Loop Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

15466. Witnesses with personal knowledge of the history of the 042106 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

15467. Currently known reputation in the community is that the 042106 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

15468. Public motor vehicle use of the 042106 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

15469. The 042106 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

15470. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 042106 Road.

15471. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 042106 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

042107 Road

15472. The 042107 Road is designated as county road number 042107 and SGID road identification number RD244843 and is more or less 1.9 miles long.

15473. Exhibit 8-106 (attached hereto and incorporated herein) contains certain information pertaining to the 042107 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

15474. In this action, the State and County seek to quiet title to the public highway right-of-way for the 042107 Road solely as it crosses United States public land as included and specifically described in Exhibit 8-106. The 042107 Road includes the segment of road specifically set forth in Exhibit 8-106 and as exists on the ground.

Acceptance of the 042107 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

15475. The 042107 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

15476. Prior to 1976, the 042107 Road was used to access the location of an oil and gas well, drilling operations of which were completed on or before December 12, 1968.

15477. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 042107 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

15478. The 042107 Road appears on the Dragon (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

15479. The 042107 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 042107 Road pursuant to the County's governmental right and authority.

15480. Witnesses with personal knowledge of the history of the 042107 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

16059. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 221004 Road.

16060. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 221004 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

221602 Road

16061. The 221602 Road is designated as county road number 221602 and SGID road identification number RD246454 and is more or less 1.8 miles long.

16062. Exhibit 8-155 (attached hereto and incorporated herein) contains certain information pertaining to the 221602 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16063. In this action, the State and County seek to quiet title to the public highway right-of-way for the 221602 Road solely as it crosses United States public land as included and specifically described in Exhibit 8-155. The 221602 Road includes the segment of road specifically set forth in Exhibit 8-155 and as exists on the ground.

Acceptance of the 221602 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

16064. The 221602 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

16065. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 221602 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16066. The 221602 Road appears on the P R Spring (1970) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

16067. The 221602 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 221602 Road pursuant to the County's governmental right and authority.

16068. Witnesses with personal knowledge of the history of the 221602 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 221602 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16069. Public motor vehicle use of the 221602 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16070. The 221602 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16071. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 221602 Road.

16072. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 221602 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

221603 Road

16073. The 221603 Road is designated as county road number 221603 and SGID road identification number RD246455 and is more or less 0.2 miles long.

16074. Exhibit 8-156 (attached hereto and incorporated herein) contains certain information pertaining to the 221603 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16075. In this action, the State and County seek to quiet title to the public highway right-of-way for the 221603 Road solely as it crosses United States public land as included and specifically described in Exhibit 8-156. The 221603 Road includes the segment of road specifically set forth in Exhibit 8-156 and as exists on the ground.

Acceptance of the 221603 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

16353. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 031204A Road.

16354. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 031204A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

130403 Road

16355. The 130403 Road is designated as county road number 130403 and SGID road identification number RD245340 and is more or less 1.5 miles long.

16356. Exhibit 8-179 (attached hereto and incorporated herein) contains certain information pertaining to the 130403 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16357. In this action, the State and County seek to quiet title to the public highway right-of-way for the 130403 Road solely as it crosses United States public land as included and

specifically described in Exhibit 8-179. The 130403 Road includes the segment of road specifically set forth in Exhibit 8-179 and as exists on the ground.

Acceptance of the 130403 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

16358. The 130403 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

16359. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 130403 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16360. The 130403 Road appears on the Cooper Canyon (1966) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

16361. The 130403 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 130403 Road pursuant to the County's governmental right and authority.

16362. Witnesses with personal knowledge of the history of the 130403 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 130403 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16363. Public motor vehicle use of the 130403 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16364. The 130403 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16365. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 130403 Road.

16366. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 130403 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

130406 Road

16367. The 130406 Road is designated as county road number 130406 and SGID road identification number RD245345 and is more or less 0.8 miles long.

16446. The 130908 Road is designated as county road number 130908 and SGID road identification number RD245414 and is more or less 0.9 miles long.

16447. Exhibit 8-187 (attached hereto and incorporated herein) contains certain information pertaining to the 130908 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16448. In this action, the State and County seek to quiet title to the public highway right-of-way for the 130908 Road solely as it crosses United States public land as included and specifically described in Exhibit 8-187. The 130908 Road includes the segment of road specifically set forth in Exhibit 8-187 and as exists on the ground.

Acceptance of the 130908 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

16449. The 130908 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

16450. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 130908 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16451. The 130908 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 130908 Road pursuant to the County's governmental right and authority.

16452. Witnesses with personal knowledge of the history of the 130908 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis,

whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 130908 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16453. Public motor vehicle use of the 130908 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16454. The 130908 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16455. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 130908 Road.

16456. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 130908 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

130909 Road

16457. The 130909 Road is designated as county road number 130909 and SGID road identification number RD245415 and is more or less 2.7 miles long.

16458. Exhibit 8-188 (attached hereto and incorporated herein) contains certain information pertaining to the 130909 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

16459. In this action, the State and County seek to quiet title to the public highway right-of-way for the 130909 Road solely as it crosses United States public land as included and specifically described in Exhibit 8-188. The 130909 Road includes the segment of road specifically set forth in Exhibit 8-188 and as exists on the ground.

In this action, the State and County seek to quiet title to the public highway right-of-way for the 181405A Road solely as it crosses United States public land as included and specifically described in Exhibit 8-195. The 181405A Road includes the segment of road specifically set forth in Exhibit 8-195 and as exists on the ground.

Acceptance of the 181405A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

16539. The 181405A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

16540. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 181405A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16541. The 181405A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 181405A Road pursuant to the County's governmental right and authority.

16542. Witnesses with personal knowledge of the history of the 181405A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 181405A Road has been open for all to come and

go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16543. Public motor vehicle use of the 181405A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16544. The 181405A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16545. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 181405A Road.

16546. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 181405A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Reservoir Canyon Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16725. The Reservoir Canyon Road appears on the Bates Knolls (1966), and Cooper Canyon (1966) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

16726. The Reservoir Canyon Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Reservoir Canyon Road pursuant to the County's governmental right and authority.

16727. Witnesses with personal knowledge of the history of the Reservoir Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Reservoir Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

16728. Public motor vehicle use of the Reservoir Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16729. The Reservoir Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16730. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Reservoir Canyon Road.

16731. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Reservoir Canyon Road on lands owned by the United States as described

herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

16816. In this action, the State and County seek to quiet title to the public highway right-of-way for the 180654C Road solely as it crosses United States public land as included and specifically described in Exhibit 8-220. The 180654C Road includes the segment of road specifically set forth in Exhibit 8-220 and as exists on the ground.

Acceptance of the 180654C Road R.S. 2477 Right-of-way Prior to October 21, 1976.

16817. The 180654C Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling

Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

16818. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 180654C Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

16819. The 180654C Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 180654C Road pursuant to the County's governmental right and authority.

16820. Public motor vehicle use of the 180654C Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

16821. The 180654C Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

16822. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 180654C Road.

16823. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 180654C Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

17003. The 180646A Road is designated as county road number 180646A and SGID road identification number RD246028 and is more or less 0.7 miles long.

17004. Exhibit 8-237 (attached hereto and incorporated herein) contains certain information pertaining to the 180646A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17005. In this action, the State and County seek to quiet title to the public highway right-of-way for the 180646A Road solely as it crosses United States public land as included and specifically described in Exhibit 8-237. The 180646A Road includes the segment of road specifically set forth in Exhibit 8-237 and as exists on the ground.

Acceptance of the 180646A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

17006. The 180646A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17007. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 180646A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17008. The 180646A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 180646A Road pursuant to the County's governmental right and authority.

17009. Witnesses with personal knowledge of the history of the 180646A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 180646A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17010. Public motor vehicle use of the 180646A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17011. The 180646A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17012. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 180646A Road.

17013. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 180646A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

NINTH CAUSE OF ACTION – QUIET TITLE

Road; (114) 222006 Road; (115) 222006A Road; (116) 222011B Road; (117) 050602 Road; (118) 050603 Road; (119) 140401 Road; (120) 140403B Road; (121) 140404 Road; (122) 180612A Road; (123) 180619 Road; (124) 182902 Road; (125) 183002A Road; (126) 183005 Road; (127) 222026 Road; (128) Sunday School Canyon Loop Road, 1829; (129) Sunday School Canyon Spur Road, 1830A; (130) Wrong Way Road, 180612; (131) 222007 Road; (132) 222016 Road; (133) 010108 Road.

17017. Each right-of-way claimed in the Willow Creek Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

17018. All rights-of-way claimed in the Willow Creek Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

17019. All rights-of-way claimed in the Willow Creek Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

17020. Prior to October 21, 1976, the State of Utah, Uintah County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the

entire length and course of all roads as described herein, on public lands owned by the United States.

Agency Draw Road, 5340

17021. The Agency Draw Road is designated as county road number 5340 and SGID road identification number RD240288 and is more or less 12.8 miles long.

17022. Exhibit 9-1 (attached hereto and incorporated herein) contains certain information pertaining to the Agency Draw Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17023. In this action, the State and County seek to quiet title to the public highway right-of-way for the Agency Draw Road solely as it crosses United States public land as included and specifically described in Exhibit 9-1. The Agency Draw Road includes the segment of road specifically set forth in Exhibit 9-1 and as exists on the ground.

Acceptance of the Agency Draw Road R.S. 2477 Right-of-way Prior to October 21, 1976.

17024. The Agency Draw Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

17025. Aerial photography from 1976 and 1977 confirms the historical use, existence, and acceptance of the right-of-way for the Agency Draw Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17026. The Agency Draw Road appears on the Agency Draw NE (1966), Agency Draw NW (1966) and Flat Rock Mesa (1966) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

17027. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

17028. Witnesses with personal knowledge of the history of the Agency Draw Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17029. Currently known reputation in the community is that the Agency Draw Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17030. Public motor vehicle use of the Agency Draw Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for

a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17031. The Agency Draw Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17032. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Agency Draw Road.

17033. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Agency Draw Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Big Pack Mountain Loop Road, 5230

17034. The Big Pack Mountain Loop Road is designated as county road number 5230 and SGID road identification number RD240490 and is more or less 23.7 miles long.

17035. Exhibit 9-2 (attached hereto and incorporated herein) contains certain information pertaining to the Big Pack Mountain Loop Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17036. In this action, the State and County seek to quiet title to the public highway right-of-way for the Big Pack Mountain Loop Road solely as it crosses United States public land as included and specifically described in Exhibit 9-2. The Big Pack Mountain Loop Road includes the segment of road specifically set forth in Exhibit 9-2 and as exists on the ground.

Acceptance of the Big Pack Mountain Loop Road R.S. 2477 Right-of-way Prior to October 21, 1976.

17037. The Big Pack Mountain Loop Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

17038. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Big Pack Mountain Loop Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17039. The Big Pack Mountain Loop Road appears on the Big Pack MTN (1968) and Big Pack MTN NW (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

17040. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

17041. Witnesses with personal knowledge of the history of the Big Pack Mountain Loop Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a

continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

17042. Currently known reputation in the community is that the Big Pack Mountain Loop Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17043. Public motor vehicle use of the Big Pack Mountain Loop Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17044. The Big Pack Mountain Loop Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17045. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Big Pack Mountain Loop Road.

17046. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Big Pack Mountain Loop Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Buck Canyon Road, 5460

17047. The Buck Canyon Road is designated as county road number 5460 and SGID road identification number RD240752 and is more or less 3.2 miles long.

17048. Exhibit 9-3 (attached hereto and incorporated herein) contains certain information pertaining to the Buck Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17049. In this action, the State and County seek to quiet title to the public highway right-of-way for the Buck Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 9-3. The Buck Canyon Road includes the segment of road specifically set forth in Exhibit 9-3 and as exists on the ground.

Acceptance of the Buck Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976.

17050. The Buck Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

17051. 17057. The Buck Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17058. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Buck Canyon Road.

17059. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Buck Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Bull Canyon Road, 5570

17060. The Bull Canyon Road is designated as county road number 5570 and SGID road identification number RD240757 and is more or less 10.8 miles long.

17061. Exhibit 9-4 (attached hereto and incorporated herein) contains certain information pertaining to the Bull Canyon Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17062. In this action, the State and County seek to quiet title to the public highway right-of-way for the Bull Canyon Road solely as it crosses United States public land as included and specifically described in Exhibit 9-4. The Bull Canyon Road includes the segment of road specifically set forth in Exhibit 9-4 and as exists on the ground.

Acceptance of the Bull Canyon Road R.S. 2477 Right-of-way Prior to October 21, 1976.

17063. The Bull Canyon Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of

Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. 17276. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 142126J Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

152111J Road

17277. The 152111J Road is designated as county road number 152111J and SGID road identification number RD245620 and is more or less 0.6 miles long.

17278. Exhibit 9-22 (attached hereto and incorporated herein) contains certain information pertaining to the 152111J Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17279. In this action, the State and County seek to quiet title to the public highway right-of-way for the 152111J Road solely as it crosses United States public land as included and specifically described in Exhibit 9-22. The 152111J Road includes the segment of road specifically set forth in Exhibit 9-22 and as exists on the ground.

Acceptance of the 152111J Road R.S. 2477 Right-of-way Prior to October 21, 1976.

17280. The 152111J Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

17281. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 152111J Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17282. The 152111J Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 152111J Road pursuant to the County's governmental right and authority.

17283. Witnesses with personal knowledge of the history of the 152111J Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 152111J Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17284. Public motor vehicle use of the 152111J Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17285. The 152111J Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17286. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 152111J Road.

17287. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 152111J Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

17560. The Little Johnny Ridge Road has long served as a public highway providing access to and across public land.

17561. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Little Johnny Ridge Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17562. The Little Johnny Ridge Road appears on the Pine Spring Canyon (1966) and Seep Canyon (1966) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

17563. The Little Johnny Ridge Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-

way by managing, maintaining, or improving the Little Johnny Ridge Road pursuant to the County's governmental right and authority.

17564. Witnesses with personal knowledge of the history of the Little Johnny Ridge Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Little Johnny Ridge Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17565. Public motor vehicle use of the Little Johnny Ridge Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17566. The Little Johnny Ridge Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17567. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Little Johnny Ridge Road.

17568. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Little Johnny Ridge Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Little Pack Mountain Road, 100706

17569. The Little Pack Mountain Road is designated as county road number 100706 and SGID road identification number RD245172 and is more or less 4.9 miles long.

17570. 17571. In this action, the State and County seek to quiet title to the public highway right-of-way for the Little Pack Mountain Road solely as it crosses United States public land as included and specifically described in Exhibit 9-47. The Little Pack Mountain Road includes the segment of road specifically set forth in Exhibit 9-47 and as exists on the ground.

Acceptance of the Little Pack Mountain Road R.S. 2477 Right-of-way Prior to October 21, 1976.

17572. The Little Pack Mountain Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

17573. Prior to 1976, the Little Pack Mountain Road was used to access the location of an oil and gas well, drilling operations of which were completed on or before June 9, 1961.

17574. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Little Pack Mountain Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17575. The Little Pack Mountain Road appears on the Agency Draw NW (1966) and Big Pack MTN (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

17576. The Little Pack Mountain Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Little Pack Mountain Road pursuant to the County's governmental right and authority.

17577. Witnesses with personal knowledge of the history of the Little Pack Mountain Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Little Pack Mountain Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17578. 17660. The Sunday School Canyon Road appears on the Bates Knolls (1966) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

17661. The Sunday School Canyon Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Sunday School Canyon Road pursuant to the County's governmental right and authority.

17662. Witnesses with personal knowledge of the history of the Sunday School Canyon Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a

continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Sunday School Canyon Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17663. Public motor vehicle use of the Sunday School Canyon Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

17664. The Sunday School Canyon Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

17665. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Sunday School Canyon Road.

17666. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Sunday School Canyon Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Wild Horse Ridge Road, 2212

17667. The Wild Horse Ridge Road is designated as county road number 2212 and SGID road identification number RD246425 and is more or less 3.5 miles long.

17668. Exhibit 9-55 (attached hereto and incorporated herein) contains certain information pertaining to the Wild Horse Ridge Road including: a map depicting the road;

township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

17669. In this action, the State and County seek to quiet title to the public highway right-of-way for the Wild Horse Ridge Road solely as it crosses United States public land as included and specifically described in Exhibit 9-55. The Wild Horse Ridge Road includes the segment of road specifically set forth in Exhibit 9-55 and as exists on the ground.

Acceptance of the Wild Horse Ridge Road R.S. 2477 Right-of-way Prior to October 21, 1976.

17670. The Wild Horse Ridge Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

17671. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the Wild Horse Ridge Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

17672. The Wild Horse Ridge Road appears on the Pine Spring Canyon (1966) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

17673. The Wild Horse Ridge Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Wild Horse Ridge Road pursuant to the County's governmental right and authority.

17674. Witnesses with personal knowledge of the history of the Wild Horse Ridge Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the Wild Horse Ridge Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

17675. 18137. In this action, the State and County seek to quiet title to the public highway right-of-way for the 122003H Road solely as it crosses United States public land as included and

specifically described in Exhibit 9-95. The 122003H Road includes the segment of road specifically set forth in Exhibit 9-95 and as exists on the ground.

Acceptance of the 122003H Road R.S. 2477 Right-of-way Prior to October 21, 1976.

18138. The 122003H Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

18139. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 122003H Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18140. The 122003H Road appears on the Big Pack MTN (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

18141. The 122003H Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 122003H Road pursuant to the County's governmental right and authority.

18142. Witnesses with personal knowledge of the history of the 122003H Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 122003H Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18143. Public motor vehicle use of the 122003H Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18144. The 122003H Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18145. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 122003H Road.

18146. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 122003H Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18152. The 122010K Road appears on the Big Pack MTN (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

18153. The 122010K Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 122010K Road pursuant to the County's governmental right and authority.

18154. Witnesses with personal knowledge of the history of the 122010K Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 122010K Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18155. Public motor vehicle use of the 122010K Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18156. The 122010K Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18157. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 122010K Road.

18158. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 122010K Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

18230. Exhibit 9-103 (attached hereto and incorporated herein) contains certain information pertaining to the 180605 Road including: a map depicting the road; township, range

and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18231. In this action, the State and County seek to quiet title to the public highway right-of-way for the 180605 Road solely as it crosses United States public land as included and specifically described in Exhibit 9-103. The 180605 Road includes the segment of road specifically set forth in Exhibit 9-103 and as exists on the ground.

Acceptance of the 180605 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

18232. The 180605 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

18233. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before May 4, 1960.

18234. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 180605 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18235. The 180605 Road appears on the Big Pack MTN NW (1968) and Big Pack MTN NE (1968) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and

acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

18236. The 180605 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 180605 Road pursuant to the County's governmental right and authority.

18237. Witnesses with personal knowledge of the history of the 180605 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 180605 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18238. Public motor vehicle use of the 180605 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18239. The 180605 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18240. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 180605 Road.

18241. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 180605 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

180605A Road

18242. The 180605A Road is designated as county road number 180605A and SGID road identification number RD245985 and is more or less 0.3 miles long.

18243. Exhibit 9-104 (attached hereto and incorporated herein) contains certain information pertaining to the 180605A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18244. In this action, the State and County seek to quiet title to the public highway right-of-way for the 180605A Road solely as it crosses United States public land as included and specifically described in Exhibit 9-104. The 180605A Road includes the segment of road specifically set forth in Exhibit 9-104 and as exists on the ground.

Acceptance of the 180605A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

18245. The 180605A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18246. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18247. The 180605A Road appears on the Big Pack MTN NW (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

18248. The 180605A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 180605A Road pursuant to the County's governmental right and authority.

18249. Witnesses with personal knowledge of the history of the 180605A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 180605A Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18250. Public motor vehicle use of the 180605A Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18251. The 180605A Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18252. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 180605A Road.

18253. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 180605A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

180642 Road

18254. The 180642 Road is designated as county road number 180642 and SGID road identification number RD246017 and is more or less 0.5 miles long.

Acceptance of the 180634 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

18323. The 180634 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

18324. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 180634 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18325. The 180634 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 180634 Road pursuant to the County's governmental right and authority.

18326. Public motor vehicle use of the 180634 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18327. The 180634 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18328. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 180634 Road.

18329. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 180634 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

180635 Road

18330. The 180635 Road is designated as county road number 180635 and SGID road identification number RD246009 and is more or less 0.3 miles long.

18331. Exhibit 9-112 (attached hereto and incorporated herein) contains certain information pertaining to the 180635 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18332. In this action, the State and County seek to quiet title to the public highway right-of-way for the 180635 Road solely as it crosses United States public land as included and specifically described in Exhibit 9-112. The 180635 Road includes the segment of road specifically set forth in Exhibit 9-112 and as exists on the ground.

Acceptance of the 180635 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

18333. The 180635 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses

school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

18334. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 180635 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18335. The 180635 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 180635 Road pursuant to the County's governmental right and authority.

18336. Public motor vehicle use of the 180635 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18337. The 180635 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18338. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 180635 Road.

18339. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 180635 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

In this action, the State and County seek to quiet title to the public highway right-of-way for the 140403B Road solely as it crosses United States public land as included and specifically described in Exhibit 9-120. The 140403B Road includes the segment of road specifically set forth in Exhibit 9-120 and as exists on the ground.

Acceptance of the 140403B Road R.S. 2477 Right-of-way Prior to October 21, 1976.

18417. The 140403B Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18418. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 140403B Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18419. The 140403B Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 140403B Road pursuant to the County's governmental right and authority.

18420. Witnesses with personal knowledge of the history of the 140403B Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 140403B Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18421. Public motor vehicle use of the 140403B Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18422. The 140403B Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18423. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 140403B Road.

18424. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 140403B Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Exhibit 9-121 (attached hereto and incorporated herein) contains certain information pertaining to the 140404 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18427. In this action, the State and County seek to quiet title to the public highway right-of-way for the 140404 Road solely as it crosses United States public land as included and specifically described in Exhibit 9-121. The 140404 Road includes the segment of road specifically set forth in Exhibit 9-121 and as exists on the ground.

Acceptance of the 140404 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

18428. The 140404 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18429. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 140404 Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18430. The 140404 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 140404 Road pursuant to the County's governmental right and authority.

18431. Witnesses with personal knowledge of the history of the 140404 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 140404 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18432. Public motor vehicle use of the 140404 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18433. The 140404 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18434. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 140404 Road.

18435. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 140404 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

180612A Road

18436. The 180612A Road is designated as county road number 180612A and SGID road identification number RD245990 and is more or less 1.9 miles long.

18437. Exhibit 9-122 (attached hereto and incorporated herein) contains certain information pertaining to the 180612A Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18438. In this action, the State and County seek to quiet title to the public highway right-of-way for the 180612A Road solely as it crosses United States public land as included and specifically described in Exhibit 9-122. The 180612A Road includes the segment of road specifically set forth in Exhibit 9-122 and as exists on the ground.

Acceptance of the 180612A Road R.S. 2477 Right-of-way Prior to October 21, 1976.

18439. The 180612A Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

18440. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before December 23, 1961.

18441. Aerial photography from 1977 or earlier confirms the historical use, existence, and acceptance of the right-of-way for the 180612A Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18442. The 180612A Road appears on the Big Pack MTN SE (1968) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

18443. The 180612A Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 180612A Road pursuant to the County's governmental right and authority.

18444. Witnesses with personal knowledge of the history of the 180612A Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. TENTH CAUSE OF ACTION – QUIET TITLE
PARIETTE AREA

18574. Plaintiffs reallege and incorporate herein each of the foregoing paragraphs.

18575. The Pariette Area is located in South West Uintah County in the Eastern region of Utah.

18576. The Pariette Area includes the following roads—listed by Common Road Name (if applicable) and County Unique Number: (1) Gray Knolls Road, 5225; (2) Leland Bench Road, 2420; (3) Nine Mile Canyon Road, 2830; (4) Nine Mile Cutoff Road, 2825; (5) Pariette Bench Road, 2610; (6) Sand Wash Road, 2820; (7) Wild Horse Ranch Road, 5220; (8) 081501 Road; (9) 101915L Road; (10) 131214D Road; (11) 140322H Road; (12) 140322I Road; (13) 140603 Road; (14) 140604 Road; (15) 140609 Road; (16) 190504 Road; (17) 190504A Road; (18) 222401 Road; (19) 222404 Road; (20) Big Wash Road, 0208; (21) Felter Ranch Road, 0602; (22) Horse Bench Road, 2835; (23) Lower Willow Creek Road, 5130; (24) Moon Bottom Road, 1312; (25) Nine Mile Canyon Road, 2830; (26) North Pariette Bench Road, 2620; (27) Sand Wash Road, 2820D-A; (28) The Wrinkles Road, 1905; (29) Wild Horse Bench Road, 2224; (30) 131225 Road; (31) 131226 Road; (32) 140602 Road; (33) 140610 Road; (34) 141610 Road; (35) 032804 Road; (36) 040902 Road; (37) 050701 Road; (38) 060703 Road; (39) 060703A Road; (40) 060704 Road; (41) 111902F Road; (42) 160201E Road; (43) 160210 Road; (44) 160210A Road; (45) 160210D Road; (46) 161301 Road; (47) 161301E Road; (48) 161309 Road; (49) 161310 Road; (50) 161703 Road; (51) 161705 Road; (52) 161706 Road; (53) 161709 Road; (54) 181404 Road; (55) 221104 Road;(56) 221109 Road; (57) Desert Spring Wash Road, 0409; (58) Eight Mile Flat Road, 0507; (59) Four Mile Wash Road, 0607; (60) Hydes Bottom Road,

0814; (61) King's Canyon Road, 1104; (62) Sheep Wash Road, 1809; (63) Uteland Butte Road, 1613; (64) 131212 Road.

18577. Each right-of-way claimed in the Pariette Area was used by the general public who engaged in one or more of the following activities: cattle ranching, sheep herding, prospecting for minerals, rock hounding, mining, oil and gas exploration, wood gathering, cutting wood, collecting pine nuts or berries, recreation, hunting, trapping, government access, traveling in and through the area, or any other legitimate purpose.

18578. All rights-of-way claimed in the Pariette Area are sufficient in scope for general motor vehicle travel and include that which is reasonable and necessary to meet the exigencies of motor vehicle travel according to safe engineering practices that protect the public and the road and also prevent undue degradation of the adjacent land.

18579. All rights-of-way claimed in the Pariette Area include a minimum right-of-way width of 66 feet or greater width as determined at trial, along with cuts, fills, slopes, water bars, and such features and facilities as have historically been acknowledged by the DOI and under law as being reasonable and necessary for the use, benefit, and enjoyment of public highway rights-of-way. *See, e.g.,* UTAH CODE ANN. § 72-5-302(4)(b) (2003).

18580. Prior to October 21, 1976, the State of Utah, Uintah County, and the public through continuous use, accepted the congressional grant of an R.S. 2477 right-of-way for the entire length and course of all roads as described herein, on public lands owned by the United States.

Gray Knolls Road, 5225

18581. The Gray Knolls Road is designated as county road number 5225 and SGID road identification number RD241474 and is more or less 2.0 miles long.

18582. Exhibit 10-1 (attached hereto and incorporated herein) contains certain information pertaining to the Gray Knolls Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18583. In this action, the State and County seek to quiet title to the public highway right-of-way for the Gray Knolls Road solely as it crosses United States public land as included and specifically described in Exhibit 10-1. The Gray Knolls Road includes the segment of road specifically set forth in Exhibit 10-1 and as exists on the ground.

Acceptance of the Gray Knolls Road R.S. 2477 Right-of-way Prior to October 21, 1976.

18584. The Gray Knolls Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

18585. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Gray Knolls Road as a public highway located on the land

at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18586. The Gray Knolls Road appears on the Nutters Hole (1953) USGS 15 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

18587. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

18588. Witnesses with personal knowledge of the history of the Gray Knolls Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18589. Currently known reputation in the community is that the Gray Knolls Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18590. Public motor vehicle use of the Gray Knolls Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18591. The Gray Knolls Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18592. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Gray Knolls Road.

18593. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Gray Knolls Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Leland Bench Road, 2420

18594. The Leland Bench Road is designated as county road number 2420 and SGID road identification number RD240773 and is more or less 14.4 miles long.

18595. Exhibit 10-2 (attached hereto and incorporated herein) contains certain information pertaining to the Leland Bench Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

18596. In this action, the State and County seek to quiet title to the public highway right-of-way for the Leland Bench Road solely as it crosses United States public land as included and specifically described in Exhibit 10-2. The Leland Bench Road includes the segment of road specifically set forth in Exhibit 10-2 and as exists on the ground.

Acceptance of the Leland Bench Road R.S. 2477 Right-of-way Prior to October 21, 1976.

18597. The Leland Bench Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of

Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

18598. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Leland Bench Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18599. The Leland Bench Road appears on the Uteland Butte (1964) Pariette Draw SW (1964) and Randlett (1964) USGS 7.5 minute quadrangle maps, which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

18600. The above described road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the road pursuant to the County's governmental right and authority.

18601. Witnesses with personal knowledge of the history of the Leland Bench Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976.

18602. Currently known reputation in the community is that the Leland Bench Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18603. Public motor vehicle use of the Leland Bench Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18604. The Leland Bench Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18605. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Leland Bench Road.

18606. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Leland Bench Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

In this action, the State and County seek to quiet title to the public highway right-of-way for the 222404 Road solely as it crosses United States public land as included and specifically described in Exhibit 10-19. The 222404 Road includes the segment of road specifically set forth in Exhibit 10-19 and as exists on the ground.

Acceptance of the 222404 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

18801. The 222404 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs.

18802. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 222404 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18803. The 222404 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 222404 Road pursuant to the County's governmental right and authority.

18804. Witnesses with personal knowledge of the history of the 222404 Road confirm public use of this road as a public thoroughfare by means of motor vehicles on a continous basis, whenever convenient or necessary, for more than 10 years prior to October 21, 1976. Currently known reputation in the community is that the 222404 Road has been open for all to come and go whenever convenient or necessary for more than 10 years prior to October 21, 1976, and continuing to the present.

18805. Public motor vehicle use of the 222404 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18806. The 222404 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

18807. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 222404 Road.

18808. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 222404 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

In this action, the State and County seek to quiet title to the public highway right-of-way for the 040902 Road solely as it crosses United States public land as included and specifically described in Exhibit 10-36. The 040902 Road includes the segment of road specifically set forth in Exhibit 10-36 and as exists on the ground.

Acceptance of the 040902 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

18995. The 040902 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

18996. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 040902 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

18997. The 040902 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 040902 Road pursuant to the County's governmental right and authority.

18998. Public motor vehicle use of the 040902 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

18999. The 040902 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19000. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 040902 Road.

19001. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 040902 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

050701 Road

19002. The 050701 Road is designated as county road number 050701 and SGID road identification number RD244865 and is more or less 2.3 miles long.

19003. Exhibit 10-37 (attached hereto and incorporated herein) contains certain information pertaining to the 050701 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19004. In this action, the State and County seek to quiet title to the public highway right-of-way for the 050701 Road solely as it crosses United States public land as included and specifically described in Exhibit 10-37. The 050701 Road includes the segment of road specifically set forth in Exhibit 10-37 and as exists on the ground.

Acceptance of the 050701 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

19005. The 050701 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

19006. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 050701 Road as a public highway located on the land at

issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19007. The 050701 Road appears on the Pariette Draw SW (1964) USGS 7.5 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

19008. The 050701 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 050701 Road pursuant to the County's governmental right and authority.

19009. Public motor vehicle use of the 050701 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19010. The 050701 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19011. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 050701 Road.

19012. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 050701 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

060703 Road

19013. The 060703 Road is designated as county road number 060703 and SGID road identification number RD244912 and is more or less 2.8 miles long.

19014. Exhibit 10-38 (attached hereto and incorporated herein) contains certain information pertaining to the 060703 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19015. In this action, the State and County seek to quiet title to the public highway right-of-way for the 060703 Road solely as it crosses United States public land as included and specifically described in Exhibit 10-38. The 060703 Road includes the segment of road specifically set forth in Exhibit 10-38 and as exists on the ground.

Acceptance of the 060703 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

19016. The 060703 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

19017. Prior to 1976, the 060703 road was used to access the location of an oil and gas well, drilling operations of which were completed on or before February 11, 1953.

19018. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 060703 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19019. The 060703 Road appears on the Nutters Hole (1953) USGS 15 minute quadrangle map, which evidences the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

19020. The 060703 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 060703 Road pursuant to the County's governmental right and authority.

19021. Public motor vehicle use of the 060703 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19086. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 160210A Road.

19087. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 160210A Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

160210D Road

19088. The 160210D Road is designated as county road number 160210D and SGID road identification number RD245664 and is more or less 3.4 miles long.

19089. Exhibit 10-45 (attached hereto and incorporated herein) contains certain information pertaining to the 160210D Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19090. In this action, the State and County seek to quiet title to the public highway right-of-way for the 160210D Road solely as it crosses United States public land as included and specifically described in Exhibit 10-45. The 160210D Road includes the segment of road specifically set forth in Exhibit 10-45 and as exists on the ground.

Acceptance of the 160210D Road R.S. 2477 Right-of-way Prior to October 21, 1976.

19091. The 160210D Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

19092. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 160210D Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19093. The 160210D Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 160210D Road pursuant to the County's governmental right and authority.

19094. Public motor vehicle use of the 160210D Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of

10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19095. The 160210D Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19096. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 160210D Road.

19097. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 160210D Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Such uses assist the State of Utah to fully develop its public lands.

19273. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Sheep Wash Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19274. The Sheep Wash Road appears on the Nutters Hole (1953) USGS 15 minute quadrangle map, and Pariette Draw SW (1964) USGS 7.5 minute quadrangle map, both of which evidence the existence, use, and acceptance of the right-of-way underlying this road. *See* Exhibit 12 for more detailed map information.

19275. The Sheep Wash Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Sheep Wash Road pursuant to the County's governmental right and authority.

19276. Public motor vehicle use of the Sheep Wash Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for

a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19277. The Sheep Wash Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19278. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Sheep Wash Road.

19279. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Sheep Wash Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

Uteland Butte Road, 1613

19280. The Uteland Butte Road is designated as county road number 1613 and SGID road identification number RD245701 and is more or less 17.3 miles long.

19281. Exhibit 10-63 (attached hereto and incorporated herein) contains certain information pertaining to the Uteland Butte Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19282. In this action, the State and County seek to quiet title to the public highway right-of-way for the Uteland Butte Road solely as it crosses United States public land as included and specifically described in Exhibit 10-63. The Uteland Butte Road includes the segment of road specifically set forth in Exhibit 10-63 and as exists on the ground.

Acceptance of the Uteland Butte Road R.S. 2477 Right-of-way Prior to October 21, 1976.

19283. The Uteland Butte Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

19284. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the Uteland Butte Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19285. The Uteland Butte Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the Uteland Butte Road pursuant to the County's governmental right and authority.

19286. Public motor vehicle use of the Uteland Butte Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19287. The Uteland Butte Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19288. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the Uteland Butte Road.

19289. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the Uteland Butte Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.

131212 Road

19290. The 131212 Road is designated as county road number 131212 and SGID road identification number RD245427 and is more or less 5 miles long.

19291. Exhibit 10-64 (attached hereto and incorporated herein) contains certain information pertaining to the 131212 Road including: a map depicting the road; township, range and section references describing the road's physical location; a servient estate ownership list; and a complete centerline description of the road.

19292. In this action, the State and County seek to quiet title to the public highway right-of-way for the 131212 Road solely as it crosses United States public land as included and specifically described in Exhibit 10-64. The 131212 Road includes the segment of road specifically set forth in Exhibit 10-64 and as exists on the ground.

Acceptance of the 131212 Road R.S. 2477 Right-of-way Prior to October 21, 1976.

19293. The 131212 Road has long served as a public highway providing access to and across public land. This road serves the public's transportation needs. This road traverses school trust land that was granted by the federal government to the State of Utah. The State of

Utah has the right to fully develop and use each parcel of land granted under the Utah Enabling Act. The State of Utah has traditionally allowed a myriad of public uses on these state lands including, but not limited to, extraction, grazing and recreation. Such uses assist the State of Utah to fully develop its public lands.

19294. Prior to 1976, this road was used to access the location of an oil and gas well, drilling operations of which were completed on or before April 14, 1976.

19295. Aerial photography from 1976 confirms the historical use, existence, and acceptance of the right-of-way for the 131212 Road as a public highway located on the land at issue in this case and following the course described herein. More recent aerial photography continues to show the road as it existed prior to October 21, 1976.

19296. The 131212 Road was accepted as a county highway at least 10 years prior to October 21, 1976. The County further evidenced its acceptance of its R.S. 2477 right-of-way by managing, maintaining, or improving the 131212 Road pursuant to the County's governmental right and authority.

19297. Public motor vehicle use of the 131212 Road as a public thoroughfare traversing unreserved public lands on a continuous basis, whenever convenient or necessary, for a period of 10 years prior to October 21, 1976, confirms acceptance of the grant of an R.S. 2477 public highway right-of-way underlying this road.

19298. The 131212 Road traverses a valid and perfected R.S. 2477 public highway right-of-way as described herein.

19299. Without confirmation from the United States, a cloud remains on the State and County's title to the right-of-way. Therefore, the State and County have brought this quiet title action to establish clear title to the right-of-way underlying the 131212 Road.

19300. The State and County are entitled to an order quieting title to their R.S. 2477 right-of-way for the 131212 Road on lands owned by the United States as described herein and including that which is reasonable and necessary for the use, benefit, and enjoyment of this road.
