AFFIDAVIT OF LEON FILLINGIM

WRINKLES ROAD,

DUCHESNE COUNTY, UTAH

COUNTY ROAD NUMBER 239

State of Utah)
 : ss.
County of Duchesne)

LEON FILLINGIM, being first duly sworn, deposes and states as follows:

1. I am an adult competent to testify about the matters set forth below based on my personal knowledge.

2. I have traveled and am familiar with a road in Duchesne County known to me as the Wrinkles Road. I am also familiar with the land the road traverses. Attached is a Duchesne County map showing the Wrinkles Road. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map. I am informed that Duchesne County also identifies this road according to the road number listed above.

3. I have observed the Wrinkles Road (County Road # 239) in Duchesne County since 1944. The Wrinkles Road runs from County Road 32 to County Road 35

4. I am familiar with the indicated road for the same reasons identified in paragraph #3.

5. It is the reputation in the community that this road was used by the general public since at least 1900, and has been continuously since that time.

6. The road has been open to the public for all to use, to come and go as they pleased, since at least as early as the early 1900's and continuing through 1976 and beyond.

7. Since at least as early as the early 1900's and continuing to the present the road has been used for ranching, traveling in and through the area, recreation, accessing state school and institutional trust lands, hunting and other sportsmen access, state and local government access, oil and mineral exploration and drilling and contractors.

8. Travelers on the road from at least as early as the early 1900's and continuing thereafter included those who went by foot, horseback, wagon, car, motorcycle, recreational vehicle and truck.

9. As grader operator I first maintained this road with road graders at least as early as twice a year from 1964 to 1988.

10. When I first used and observed the road it ran the same route as it does now, and the road was well established as of 1944.

11. At no time during my tenure as Road Supervisor did the County undertake any procedure to abandon or vacate it's right-of-way on the road.

12. This road has been included in the state highway system or infrastructure and has been designated as a Class B highway over which the County has been given jurisdiction by the state legislature for construction, operations and maintenance. The road has been on the official county road system since prior to 1964. The road has been maintained since prior to 1964 by the County as a public highway, freely open for all to come and go as they please.

13. Settlers traveled east and west through the county using this road traversing to the Green River where there was a ferry to get them, their wagons and other belongings across the river. I pushed the snow on this road with a grader in the winter to allow cattle and sheep men

to move their livestock. The ranchers I remember working for most were Moons, Nutters, and the Flying Diamond Ranch.
