AFFIDAVIT OF JAMES L. BROWN
CROW KNOLL ROAD
DUCHESNE COUNTY, UTAH
DUCHESNE COUNTY ROAD 547

State of Utah)
 : ss.
County of Duchesne)

I, JAMES L. BROWN, testify and declare under oath as follows:

1. I am an adult competent to testify about the matters set forth in this affidavit. My testimony is based upon my personal knowledge and experience. I was born on May 10, 1942, in Evanston, Wyoming. I have lived in Duchesne County since 1970. I did seasonal work for the BLM and Forest Service in Duchesne County from 1965 to 1970. From 1970 to 1986 I worked for Nutter Ranch in Duchesne, Uintah and Carbon Counties.

2. I have traveled and am familiar with Crow Knoll Road, Duchesne County Road 547, and the land it traverses.

3. I took the following steps to verify that the Road I refer to in this affidavit and Crow Knoll Road (the " Road") are the same road:

a. I examined a large Duchesne County map depicting the Road in relation to other roads, intersections and landmarks. I observed the Road on the large map verifying that it is accurately depicted on the map and it is the road I refer to herein.

b. I examined the map attached to this affidavit depicting the Road and surrounding area and verified that the Road is accurately depicted on the map and is the road I refer to herein.

c. I examined ground photos depicting the road and surrounding area and verified that the Road is accurately depicted in the photos and is the Road I refer to herein.

4. I have personally traveled the Road from 1965 through 1976 and continuing until 2007, ("the Time Period of My Experience"). It is the reputation in the community that the Road has been traveled as early as the early 1900s by livestock men.

5. When I last traveled and observed the Road in 2007, it followed the same route as in 1965, when I first traveled and observed it.

6. During the Time Period of My Experience the Road has been traveled daily, weather permitting. Based upon my observation during the Time Period of My Experience, the Road was continuously used as a public thoroughfare by members of the public for public purposes whenever it was necessary and convenient for them to do so and I have never known the use of the road to have been interrupted by any means.

7. During the Time Period of My Experience I have personally traveled the Road by horseback, pickup truck and have observed others traveling the road in pickup trucks.

8. During the Time Period of My Experience I have personally used the Road for livestock operations, my work with Nutter Ranch, BLM and the GIP (Grazing Improvement Program) and hunting and have observed others use the Road for the same purposes, plus recreation.

9. Prior to 1976, I observed evidence of maintenance on the road.

Appendix A to Attachment 4

Popular Name: Crow Knoll Road

County: Duchesne

County Road Number: 547

State Geographic Information Database (SGID) Road Identification Number: RD070060.

Road-Segment Number: 001

Road-Segment Length: 1.05 miles more or less.

Believed owner of the land underlying this road-segment is: Bureau of Land Management.

The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

Township 10 South Range 17 East, Section(s) 3, Salt Lake Base & Meridian

Township 9 South Range 17 East, Section(s) 34,35, Salt Lake Base & Meridian

The following description closely approximates the location of the centerline of the physical monument (Crow Knoll Road)-- Segment 001 based on mapping grade Global Positioning System (GPS) data as defined above:
