1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I was born January 4, 1930, in Circleville, UT and moved to Alton, Kane County, Utah when I was two years old and have lived in Alton for the past 74 years. I started to work for the Kane County Road Department in 1967. I left the county in 1970 for other employment and returned to the county road department in 1972 and was made Superintendent of the Kane County Road Department in 1974. I worked for the road department until I retired in 1992.

2. I have traveled and am familiar with a road in Kane County known as the Dry Valley Road. I am also familiar with the land the road traverses. When I first used and observed the road in 1967, it followed the same route as in 1992 when I last observed it. Attached is a Kane County map showing the Dry Valley Road. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map. The County also identifies this road according to the road number listed above.

3. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as 1967 and continuing through 1976 to 1992. Throughout this time period I have observed travel on the road by various

means, including Kane County road maintenance vehicles, cars, four wheel drive vehicles, ATVs and trucks. Throughout this time period, the road has been used weekly for more than ten continuous years prior to 1976.

4. Throughout the time period from the early 1967 to 1992, I have used the road myself for performing maintenance on the roads and/or traveling in and through the area.

5. Throughout the time period described in the previous paragraph, I observed vehicles using the road at various times for the uses described in the previous paragraph, plus ranching, recreation, hiking, rock hounding, livestock operations.

**Popular Name: Dry Valley Road**

**County: Kane**

**County Road Number: K7430**

**State Geographic Information Database (SGID) Road Identification Number: RD130821.**

**Road-Segment Number: 001**

**Believed owner of the land underlying this road-segment is: Bureau of Land Management.**

*The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).*

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

Township 38 South Range 2 West, Section(s) 13,14, Salt Lake Base & Meridian

The following description closely approximates the location of the centerline of the physical monument (Dry Valley Road)-- Segment 001 based on mapping grade Global Positioning System (GPS) data as defined above:

## Appendix B to Attachment 4

**Popular Name: Dry Valley Road**

**County: Kane**

**County Road Number: K7430**

**State Geographic Information Database (SGID) Road Identification Number: RD130821.**

**Road-Segment Number: 003**

**Road-Segment Length: 0.12 miles more or less.**

**Believed owner of the land underlying this road-segment is: Bureau of Land Management.**

*The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).*

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

Township 38 South Range 2 West, Section(s) 13, Salt Lake Base & Meridian

The following description closely approximates the location of the centerline of the physical monument (Dry Valley Road)-- Segment 003 based on mapping grade Global Positioning System (GPS) data as defined above:
