Appendix A to Attachment 4

Popular Name: Indian Trail Well Road

County: Millard

County Road Number: MC247

State Geographic Information Database (SGID) Road Identification Number: RD141222.

Road-Segment Number: 001

Road-Segment Length: 0.91 miles more or less.

Believed owner of the land underlying this road-segment is: Bureau of Land Management.

The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

Township 16 South Range 16 West, Section(s) 33,34, Salt Lake Base & Meridian

The following description closely approximates the location of the centerline of the physical monument (Indian Trail Well Road)-- Segment 001 based on mapping grade Global Positioning System (GPS) data as defined above:
