1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I have lived in Tooele County for 53 years. I was a Tooele County Commissioner from 1986 to 1994.

2. I have traveled and am familiar with a road in Tooele County known as Bald Mountain Road. I am also familiar with the land the road traverses. When I first used and observed the road in 1964 it followed the same route as in the mid 1980s when I last observed it. Attached is a Tooele County map showing Bald Mountain Road. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map. The County also identifies this road according to the road number listed above.

3. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as 1964 and continuing through 1976 to the mid 1980s. Throughout this time period I have observed travel on the road by various means, including cars, trucks and jeeps. Throughout this time period, the road has

been used daily, weather permitting, for more than ten continuous years prior to 1976, and was so used in the mid 1980s.

4. Throughout the time period from the 1964 to the mid 1980s, I have used the road myself for hunting, livestock operations, recreation and traveling in and through the area.

5. Throughout the time period described in the previous paragraph, I observed vehicles using the road at various times for the uses described in the previous paragraph, plus prospecting for minerals and mining.

6. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased, since at least as early as the late 1800s and continuing through 1976 to the present, for the uses described in the previous paragraphs.

7. Prior to 1976, I observed maintenance vehicles performing maintenance and construction activities on the road.

Appendix A to Attachment 4

Popular Name: Bald Mountain Road

County: Tooele

County Road Number: tc20916

State Geographic Information Database (SGID) Road Identification Number: RD230154.

Road-Segment Number: 002

Road-Segment Length: 0.66 miles more or less.

Believed owner of the land underlying this road-segment is: Bureau of Land Management.

The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:
