UTAH'S PUBLIC LANDS

POLICY COORDINATING OFFICE

At the Public Lands Policy Coordinating Office, we believe public lands are valuable to everyone.

We serve the people of Utah as advocates for Utah's public lands, always working to maintain access, multiple-use, and stewardship. We strive for the highest levels of integrity, professionalism, accountability, and coordination.

This strategic plan is a living document and will be regularly updated to adaptively reflect new and ongoing projects and priorities.

Vision

To empower all to enjoy and flourish from Utah's public lands, providing Utahns with unique and lasting opportunities for access, economic prosperity, and stewardship.

Mission

To coordinate, promote, and implement Utah's public lands priorities.
